# VEGA Institute

---

One of the leading training institution committed to professional training and excellence in IT certifications. VITMI is also in Services & Consultancy and has its branches in Botswana, Johannesburg, Kenya, Rwanda and Madagascar.

## MISSION

---

VEGA Institute serves candidates who are eager to advance their academic knowledge, practical skills, and career prospects through pursuit of a well-organized curriculum, innovative-based learning and practical training. The Institute aims to provide high quality graduate level education that attract interest, inspire continual improvement, provoke mastery in a field and in turn benefit the individual, organization, community, state, and the society as a whole. Adopting practices of distance learning to reach greater demographics and to alleviate constraints of physical boundaries that limit access to education contribute significantly to our mission of quality and flexible offerings.

## VISION

---

To be a leading Training Institution and Consultant committed to professional training and services of excellence. We strive to provide quality education, professional training & outsourcing, and to embody aspirants of the Mauritian people and international global community through our services.

Why pursue your training and academic journey with VEGA Institute?

■ **Unique Specialisations**

VEGA Institute programmes allow you the opportunity to explore some of the most compelling topics of the present day by offering prosperous specialisations that help you amp up your career prospects.

■ **Flexible Programmes**

VEGA Institute programmes are designed to fit the specific needs of the busy individual. Our programmes offer you the opportunity to become competitive while keeping your existing obligations.

■ **World-class Education**

Contributing to your education will be competent academics, who, apart from their academic qualifications have hands-on experience on the subjects they teach. Given their international backgrounds, you will gain a broader outlook on present matters and adopt a mindset that allows you to approach situations from different angles.

■ **International Encounters**

The Institute has no physical boundaries, thus you will have unlimited possibilities for networking and connecting with the university community comprising of students and staff coming from different walks of life.

■ **Accelerated Path to Career and Degree**

The Institute offers a generous transfer of credits policy that allows you to refrain from some course requirements and progress faster toward your degree.

## DEGREE PROGRAMMES

Each of our degree programmes is structured around a holistic curriculum that provides a common ground for business-related matters and those of a specific specialisation. Our programmes are developed with a strong emphasis on value-based and career-focused education that targets the professional growth of students. The programmes synthesize literature with practical processes to expose students to real-world examples and prepare them for handling and resolving real issues as they arise. Students improve communication, analytical as well as strategic skills.

VEGA Institute offers the following UK degrees:

Duration: Degree Programmes are typically between 12 to 36 months in duration.

# Your path to the degree

The curriculum comprises of core, specialization, and elective courses that ensure a solid grasp of business and field-related issues. In addition, all MBA programmes require completion of a Thesis project.

## **BUSINESS CORE**

Core courses provide a broad overview of main business subjects that allow for drawing interferences between field-specific skills and their practical application in a business setting.

## **SPECIALISATION**

Specialization courses are field-related and provide an in-depth analysis on the chosen specialisation.

## **ELECTIVES**

Electives are relatable courses that provide supplementary information on the chosen specialization and help you accomplish a well-rounded expertise.

## **THESIS**

The MSc/MBA thesis is a final written project that incorporates all concepts learned during studies and dwells in detail on a chosen subject.

Looking for other options to develop expertise and broaden your knowledge base?

## PROFESSIONAL CERTIFICATE PROGRAMMES

Professional Certificates offer you the opportunity to build expertise in a specialized area, develop industry specific skills, or gain the required skills to transition to a new field.

VEGA Institute offers the following Professional Certificates and more:

## HOW DOES ONLINE STUDYING AT VEGA INSTITUTE LOOK LIKE?

Through technology we reach out to today's technology-savvy learners, and alleviate as such the constraints of traditional learning in terms of geographical barriers, costs, and work-family demands. We provide systems that are welcoming to all, easy to use, and tailored to fit the needs of different learners. Online lectures make our programs unique and flexible for employed candidates to fit studies in their daily schedules. Our faculty and administrative staff work together to provide online courses that are attractive, proactive, and interactive. Our programmes are career-focused so we strive to give our students hands-on experience, which they can apply in the workplace right after graduation.

The Institute puts highest efforts to providing the necessary teaching and learning resources through the virtual world. You, as an online student, will be able to navigate through the online learning infrastructure at all times and use it accordingly as you progress in the chosen programmes. We guide you from enrollment to graduation, by advising on the adequacy of programmes, handling enrollment, and other academic matters.
