APPLIED SCIENCE UNIVERSITY

Cardiff Metropolitan University

Cardiff Metropolitan can trace its heritage back to 1865, with the formation of Cardiff's first School of Art and now the University offers over 100 different courses, spread between five schools, across two campuses, with over 12,000 students. It is a truly global community, with connections stretching across the globe. In 2014, Cardiff Metropolitan University recorded its highest ever level of overall student satisfaction and remains the highest ranked 'new' (post 1992) university in Wales. In 2015 the university celebrated its 150 anniversary.

Applied Science University (ASU) strives to become one of the leading universities not only in the Kingdom of Bahrain but also in the entire Gulf region. The University aims at molding human resources by reinforcing theoretical knowledge with the necessary practical skills required for career success in the respective disciplines chosen by its students. By keeping abreast with the developments in science and technology, the University guarantees its students a high quality learning experience, providing them with the leading edge required to excel in today's competitive and global environment.

British Award

In partnership with **Cardiff Metropolitan University (CMU), UK**, a leading British university, Applied Science University (ASU) is now hosting **British programmes** making it affordable for students to gain internationally recognised British qualifications in Bahrain. Upon successfully completing a programme, students will be awarded a degree from Cardiff Metropolitan University.

Advantages

- Save on the high cost of living and tuition fees in the UK, live close to your family and friends in Bahrain while earning a British degree.
- The degree is internationally recognised giving you a competitive advantage in the job market, wherever your career takes you.
- Gain practical knowledge from highly qualified academics with robust professional experience.
- Develop lifelong learning skills. These key competencies and values are sought after by employers domestically and internationally.
- Get a chance to spend your internship in the UK interacting and collaborating with top international firms.
- Gain access to substantial online resources provided by ASU and our partner university.
- Become a global professional.

Entry Requirements

In order to be considered for entry to the programme, applicants are required to have:

- A Bahraini or GCC Secondary School Certificate, or equivalent, with a minimum of 60% GPA* and an IELTS test with a minimum score of 4.5 or equivalent.

**Candidates with a lower GPA may also be admitted subject to a satisfactory interview by the College.*

Programmes

In partnership with **Cardiff Metropolitan University (UK)**, the following programmes are hosted at ASU in the academic year 2018/2019:

Programme	Academic Year
B.A. (Hons) Management and Business Studies B.A. (Hons) Accounting and Finance	2018-19

The Bachelor's degree programmes will be of a four-year duration. Each programme is divided into teaching units called courses. Each is assigned 3 Credit Hours weighting. For the Award 135 Credit Hours must be accumulated.

Detailed descriptions of the individual courses for each programme may be found in the web pages: www.asu.edu.bh/business. The aims of the programmes are outlined below, together with their yearly study plans.

B.A. (Hons) Management and Business Studies

Objectives of the Programme:

- Enable graduates to acquire a high quality and professionally business management scope of study.
- Develop in students a critical appreciation of the role managers undertake in an ever changing competitive business world.
- Equip students with the necessary skills and knowledge to tackle and generate solutions to complex problems in a multi-disciplinary business context.
