SOUTHERN FEDERAL UNIVERSITY

With its origin dating back to 1915, Southern Federal University (SFedU) has evolved into Russia's leading institution of learning, discovery and knowledge creation. Located in the south of Russia, a multi-ethnic region, SFedU is an active partner in national and international educational, scientific and industrial cooperation. As a leading research university, SFedU offers courses in essentially all academic disciplines and conducts research across the full spectrum of academic activity.
