WELCOME TO

hablō

Hablo is your pathway for studying and start your professional career in Spain and the rest of Spanish speaking countries.

We offer services to international students like our foundation year, which will allow students to start their academic adventure in the most prestigious universities in Spain.

In Hablo we will guide and protect our students from the beginning of our foundation courses till the day that they get their diploma.

**Why to study
in Spain?**

- **Safe & friendly country.**

Spain has a very welcoming population with one of the lowest crime rates in Europe having a rate of 0.046 per habitant in Spain compared to a 0.098 per habitant in the UK for example.

- **One of the most affordable countries in EUROPE.**

- **Great educational system.**

The educational system in Spain is public in its majority so the best of the best universities are public. A vast number of Universities in Spain are in the international rankings of best universities.

- **One of the best healthcare sectors in the World.**

Since the hospitals are also public founded and considered as a right in Spanish law the public hospitals are equipped with the most advanced technology. So if you are unlucky and you fall sick don't worry, you are in very safe hands and you won't pay a big bill for it.

- **Wonderful climate.**

Spain is well-known for its sun but you will be able to experience the 4 seasons short winters and long summers. Not so hot and not so cold.

- **Cultural heritage .**

Spain is the third country in the world with more UNESCO protected heritage patrimony, which means that you will walk in some cities feeling that you are in another age.

- **Amazing Food.**

The Mediterranean food is rich in vegetables and fish. It is considered one of the most healthiest and tasty food around the globe. You will not only enjoy, you will see your health improving if you give it a try.

**Why to study
Spanish?**

WHY TO STUDY SPANISH

- **2nd most spoken language in the world.**

It is estimated that more than 437 million people speak Spanish as a native language, which qualifies it as second on the lists of languages by number of native speakers after Chinese and before English.

- **There are 21 Spanish-speaking countries in the world.**

Spain, Mexico, Argentina, Bolivia, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Equatorial Guinea, Guatemala, Honduras, Nicaragua, Panama, Paraguay, Peru, Puerto Rico, Uruguay, Venezuela

- **It's the second language in the USA.**

U.S. Job Market Demands Bilingual Spanish Speakers. However, as the world becomes smaller and companies expand their reach, the demand for bilingual employees is growing.

WHY THE FOUNDATION IS DONE AT UPV?

- 310th university in the world Qs ranking
- 3rd biggest university in SPAIN with 3 campuses.
- 4th university in Europe in no. Of incoming exchange students
- More than 4000 students get enrolled every year

Why the **hablō** foundation in Gandia campus?

- Gandia city is a sunny paradise visited by more than half million tourist every year.
- The campus is only 5 minutes walking distance from the beautiful Mediterranean sea.
- It's a student friendly city with everything what u need at one step from u.
- At the campus you will find an international community waiting for you to join.
