MEDICINE

MEDICAL DEGREE PROGRAMME

KP/JPS(R/721/6/0005)2/21

MB BCh BAO LRCP & S(I)

Where the past and the future is present

MESSAGE

FROM THE DEAN

Professor Michael Larvin
BSc MBBS CMgt MA MD FACS FRCSGlas FRCS(Engl) FRCSI

The mission of the Perdana University and Royal College of Surgeons in Ireland (RCSI) School of Medicine is to "To educate, nurture and discover for the benefit of human health; to be recognised internationally as a leading centre for professional education, research and innovation in healthcare". We provide a programme that is identical to that offered by RCSI in Ireland, but delivered entirely within Malaysia.

We aim to equip our graduates so that they will be more than capable of meeting the country's future healthcare needs. Our teachers are devoted to providing quality-assured education that incorporates state-of-the-art methods and technology. Our 5-year programme ensures that students gain all of the knowledge and skills required to deliver the highest quality of safe patient care, and to be expert communicators who will interact effectively and empathise with their patients.

We award the degrees of Bachelor of Medicine (MB), Bachelor of Surgery (BCh) and Bachelor of the Art of Obstetrics (BAO) from the National University of Ireland, as well as the licentiate diploma of the Royal College of Physicians of Ireland and Royal College of Surgeons in Ireland (LRCP&SI). These qualifications are fully recognised by the Malaysian and European regulatory authorities, and are held in high esteem around the world.

We seek bright, talented young people who are passionate about studying medicine, who will always put patients first, who are adaptable and prepared to devote themselves fully to our caring profession and strongly committed to lifelong learning.

ABOUT PERDANA UNIVERSITY

Perdana University 2nd Convocation 2017 was held at MAEPS, Serdang on the 7th October 2017

Perdana University was established by the Academic Medical Centre Sdn Bhd as a Public-Private Partnership (PPP) initiative with the support of the Unit Kerjasama Awam Swasta of the Prime Minister's Department.

With world-renowned institutions, agencies and organisations as its partners, Perdana University offers premier programmes of quality that are benchmarked against international standards.

PU-RCSI SCHOOL OF MEDICINE

> Uniqueness of the Programme

Only 5-year Irish medical programme completed wholly in Malaysia

Majority of the medical leads are from Ireland

> Awards & Recognition

Confers the primary degrees of the National University of Ireland, Bachelor of Medicine, Bachelor of Surgery and Bachelor in the Art of Obstetrics (MB BCh BAO)

Awards the licentiates of the Royal College of Physicians in Ireland and the Royal College of Surgeons in Ireland LRCP & S(I)

> Learning Experience

Students learn effective communication and clinical skills, initially from simulated patients and later with patients and their families in both a hospital and community environment

> Graduate Attributes

Competent in clinical diagnosis.

Familiar with the importance of preventive medicine

Capable of initiating appropriate investigations and treatment according to the resources available

Aware of the need for continuing education throughout their medical career

Ethically sound & socially responsible

WHAT OUR STUDENTS SAY

Loke Kah Lok

"To me, the most appealing factors in PU-RCSI are the lecturers and facilities that support students in our pursuit of a medical career, addressing inquisition, and supporting the individual through this gruelling journey."

Solomon Raj

"Perdana University is still considered new and in its early stages. The coolest thing about it is that we as students play a major role together, in setting it's foundation. Being here has taught me to improve my leadership skills through group work, being the President of the Student Council."

Khairunisa Mohd Nazor

"PU-RCSI is the ideal place to achieve my dreams of becoming a doctor. In addition, I have had opportunities to be involved in research, participate in various extra curricular activities, and develop my leadership skills as the first Vice-President of the PU-RCSI student council."

SCHOLARSHIPS & FINANCIAL AID

- ✓ Perdana University Scholarship
- ✓ Jabatan Perkhidmatan Awam (JPA) Scholarship Award
- ✓ The National Higher Education Fund Corporation (PTPTN)
