

THE UNIVERSITY OF  
MELBOURNE

# THE UNIVERSITY OF MELBOURNE 2020

INFORMATION FOR DOMESTIC  
AND INTERNATIONAL STUDENTS

# WHY CHOOSE MELBOURNE?

Many people know that the University of Melbourne is ranked number one in Australia, but you may not know why.

We are one of the world's finest universities. Employers worldwide seek out our graduates. Our students succeed at the highest levels, and in more than one domain.

They live in the heart of Melbourne – one of the world's most liveable cities – while studying, volunteering, and creating lifelong friendships with peers from all over Australia and the world.

The University of Melbourne offers learning that stimulates, challenges and fulfils the potential of excellent students from around the globe, leading to personal development, meaningful careers and profound contributions to society.

That's why some of the world's most ambitious minds choose Melbourne.

World's most liveable city 2011–2017 <sup>1</sup>

More cafes and restaurants per capita than any other city in the world

World-class shopping

<sup>1</sup> The Economist Intelligence Unit

#1 IN AUSTRALIA<sup>①</sup>

#32 IN THE WORLD<sup>②</sup>

#6 IN THE WORLD FOR EMPLOYABILITY<sup>③</sup>

### MELBOURNE MODEL

Flexible or focused. With a Melbourne Model degree and graduate pathway you'll be able to tailor your own journey, and on average, earn more when you graduate.<sup>④</sup>

### YOUR CITY

Consistently ranked as one of the world's most liveable cities, Melbourne is safe, fun and multicultural.<sup>⑤</sup>

### WORLDS WITHIN WORLDS

We're woven into the fabric of Melbourne and of Victoria. The University of Melbourne is an integral part of the city, and our global outlook reflects our multicultural home.

### YOUR TEACHERS

Learn from expert academics who are changing the world one project at a time. Your lecturers, tutors and mentors will inspire you and prepare you for your career.

### YOUR NETWORKS

Melbourne draws high achievers from more countries than any other Australian university. We have over 140 nationalities represented on campus, and our graduates join an international network of over 385 000 alumni.

### YOUR CAREER

We're ranked higher for graduate employability than some of the world's top universities, including Oxford, Cambridge, Yale and University of California, Berkeley.<sup>⑤</sup>

### SUPPORT

Whatever you need, we'll be with you every step of the way. Connect with our services through Stop 1 – you can always come to us for support and advice.

### SCHOLARSHIPS

Melbourne has one of the most generous scholarship programs in Australia. Find one that suits you: [scholarships.unimelb.edu.au](http://scholarships.unimelb.edu.au)

### ACCESS MELBOURNE

If you're a domestic student whose circumstances have affected your ATAR, our equity program Access Melbourne can help.

① Academic Ranking of World Universities 2018  
② Times Higher Education World University Rankings 2019  
③ QS Graduate Employability Rankings 2019  
④ Postgraduate Destinations 2015, Graduate Careers Australia  
⑤ Economist Intelligence Unit's annual global liveability survey

Melbourne, Victoria, Australia

# LIVING IN MELBOURNE

Melbourne is one of the world's most multicultural cities and dynamic international business hubs, while still being quirky, fun and easy to navigate.

The inner city is a cluster of exciting communities connected by public transport and bike paths, and the University of Melbourne is at the heart of it all. Explore our famous cobblestone lanes, go to a music festival, take in a world-class theatre production, sample amazing cuisine or catch an AFL game – you can do it all (and more!) in Melbourne.

Regional Victoria is known for its iconic beaches, wineries, bushwalking and farm-to-table food, and is just a short train or bus ride away.

## YOUR LIVING COSTS

Melbourne offers many lifestyle options to fit many budgets, so take the time to consider what suits you best. You might choose to live in the inner suburbs, and walk or cycle to uni. Some students choose to save on rental costs by living further out, in which case they need to think about public transport costs or a car.

Substantial savings can be made by sharing accommodation, shopping at Melbourne's famous markets, using our libraries and student-owned co-ops, and attending free events on campus.

## CALCULATING YOUR COST OF STUDY

Your total cost may include:

- Tuition fees
- Flights
- Cost of living
- Visa application fees
- Overseas Student Health Cover (OSHC)

## WEEKLY COST OF LIVING ESTIMATE

The information below outlines the estimated living costs in \$AUD for a student at the Parkville and Southbank campuses of the University of Melbourne, according to the type of accommodation chosen. Tuition fees are not included in the estimates.

Our Melbourne Accommodation Program can help you arrange high-quality, secure student accommodation within walking distance of the Parkville campus.

Check out your options at:

[study.unimelb.edu.au/your-experience](http://study.unimelb.edu.au/your-experience)

### WEEKLY COST OF LIVING ESTIMATE (\$AUD)

Type of accommodation		Weekly rent/board range <sup>1</sup>	Estimated annual living costs (including rent or board and other expenses)
Sharing rented premises (with 2 others)	Close to Parkville campus	\$225–\$275	\$26 000–\$36 500
	Within 6km of Melbourne CBD	\$200–\$240	\$24 500–\$35 000
	Rural area	\$95–\$115	\$19 000–\$28 000
Student apartments	Two bedroom	\$270–\$325	\$28 500–\$40 000
	Single	\$355–\$435	\$33 500–\$46 000
	Premium	\$425–\$520	\$34 000–\$46 500
Hostel	One bedroom, shared bathroom/kitchen	\$230–\$285	\$26 500–\$38 000
Residential colleges	Near or on campus	\$665–\$825 <sup>2</sup>	\$24 500–\$37 500
Homestay	Full board, living with a local family	\$295–\$360	\$28 000–\$36 500

<sup>1</sup> For more information about living costs, see: [unimelb.edu.au/living-costs](http://unimelb.edu.au/living-costs)

<sup>2</sup> Fee is for first-year undergraduate students and includes access to all the facilities and participation in the academic (tutorials), cultural, intellectual, social and sporting programs of the college. All meals are provided. Up to 40% of students receive a scholarship or bursary, which can reduce the average weekly rent by between \$100 and \$500.

# UNDERGRADUATE STUDY AT MELBOURNE

As Australia's leading university, it's only fitting that we offer a world-class educational model – the first of its kind in Australia. We call it the Melbourne Model.

Flexible and focused, the Melbourne Model is a globally competitive curriculum that offers a flexible, progressive degree opportunity. Our degrees aren't like most others you will find in Australia. They are aligned with those offered by many top institutions worldwide – which means more opportunities for you.

Today's workplace demands forward-thinking graduates who are skilled and resilient, with a broad outlook and collaborative approach. Having both an undergraduate and a higher-level graduate qualification helps our students stand out from the rest.

You'll start with one of our undergraduate degrees. Whether you select a Melbourne Model degree – in Arts, Biomedicine, Commerce, Design, Music or Science – or one of our specialist degrees co-designed with industry partners (such as Agriculture, Fine Arts or Oral Health) you'll develop expertise while building networks, foundational knowledge and shared experiences from which to launch a successful future.

If you need additional support or time to transition to tertiary study, we offer the Diploma in General Studies for domestic students and, for Indigenous Australians, the Bachelor of Arts (Extended) and Bachelor of Science (Extended).

When you graduate, you can choose to join the workforce, or specialise at graduate level. You can also choose whether to go into graduate study immediately, or work first before jumping back into study – it's up to you.

We want you to create your own Melbourne experience, with the power to choose your direction and discover new paths. You'll have access to our knowledge precincts and partnerships, and be able to connect with brilliant minds who can enrich your perspective.

Few people graduating today will stay in the same industry forever. With our degrees, you will develop the right skills and global networks to adapt successfully.

## FIRST YEAR

In first year, you'll be able to explore a range of subject areas that you're interested in. You'll combine subjects within your discipline and outside of it too – giving you a breadth of knowledge that sets you apart. By the time you choose your major, you'll be well informed.

## SECOND AND THIRD YEARS

In second year, you'll start to focus on the study area which will become your major (if you haven't already), while still remaining flexible enough to explore. Outside of the classroom, second year is great for going on exchange, leading clubs, building industry networks and getting into lots of fun activities.

By third year, you will achieve a level of specialisation and could take part in a third year 'capstone' experience, designed to consolidate your learning and really prepare you for your career. Capstone subjects may involve work placements, project-based learning, a research project, or a coursework subject outlining business best practice.

**See pages 8–9 for a full list of majors – we have over 100 available.**

## WHAT IS 'BREADTH'?

A breadth subject is one taken from outside your core studies or major. Most University of Melbourne undergraduates take breadth subjects.

Breadth will allow you to tailor your course to fit your individual passions and career ambitions. You might, for example, study Science but take breadth in Mandarin Chinese – a great choice for a scientist looking to work internationally and help solve global issues. You can also use breadth to explore something you've always been curious about, whether it looks related to your major or not.

Some students find that taking a breadth subject ignites a passion they'd never known about. Others might use breadth to improve their career prospects by complementing their major with a language, communication skills, or business know-how. 'Breadth tracks' (groups of subjects taken throughout your degree) may even qualify you for graduate study in a field that's very different to your major – it's how an Arts student can qualify for the Doctor of Medicine, for example.

## CONCURRENT DIPLOMAS

Want to be an economics reporter with first-class programming skills or a side gig playing the cello? Concurrent diplomas allow you to study an extra qualification alongside your degree. This can enhance your employability and enable you to develop detailed knowledge in an area outside your main area of study.

We offer four concurrent diplomas:

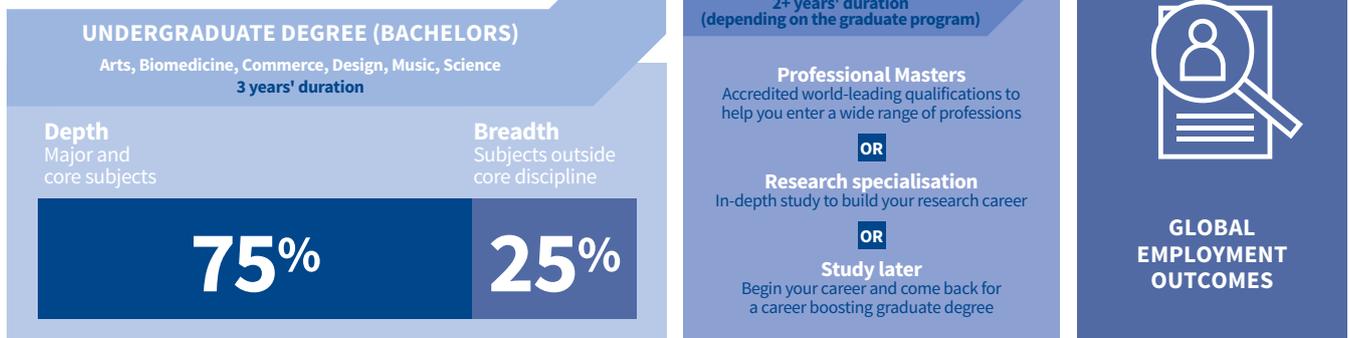

- Concurrent Diploma in Computing
- Concurrent Diploma in Languages
- Concurrent Diploma in Mathematical Sciences
- Concurrent Diploma in Music

High-achieving students may be able to complete their degree and concurrent diploma within the three years of their degree, but studying a concurrent diploma typically will add six months or a year to your undergraduate full-time studies.

## YOUR NEXT STEP: GRADUATE STUDY

When you're informed and ready, you can choose from hundreds of graduate study options. You'll get the full benefit of the graduate school experience by studying intensively, in small classes led by experts, and alongside others who share your deep interests and desire to succeed. Work towards a professional qualification (for example through the Juris Doctor), or join our world-changing researchers with a research higher degree. Your higher level graduate degree will be internationally recognisable, and instantly distinguishes you from those who study a traditional Australian single or double undergraduate degree.

## THE MELBOURNE MODEL

### ACADEMIC LEADERS

- Critical thinkers
- Creative problem solvers
- Strong applied knowledge

### WELL-ROUNDED GRADUATES

- Innovative and adaptable
- Collaborative in approach
- Value integrity

### ACTIVE GLOBAL CITIZENS

- Broad outlook
- Capacity to work across cultures
- Socially responsible

# UNDERGRADUATE DEGREES AND MAJORS

---

A major, minor or a specialisation refers to a concentration of subjects that equips you with specialised knowledge in your chosen field of study.

## BACHELOR OF AGRICULTURE

- Agricultural Economics
  - Plant and Soil Science
  - Production Animal Science
- 

## BACHELOR OF ARTS

- Ancient World Studies
  - Anthropology
  - Arabic Studies
  - Art History
  - Asian Studies
  - Australian Indigenous Studies
  - Chinese Societies\*
  - Chinese Studies
  - Classics
  - Creative Writing
  - Criminology
  - Development Studies\*
  - Economics
  - English and Theatre Studies
  - English Language Studies\*
  - Environmental Studies\*
  - European Studies\*
  - French Studies
  - Gender Studies
  - Geography
  - German Studies
  - Hebrew and Jewish Studies
  - History
  - History and Philosophy of Science
  - Indonesian Studies
  - Islamic Studies
  - Italian Studies
  - Japanese Studies
  - Knowledge and Learning\*
  - Law and Justice\*
  - Linguistics and Applied Linguistics
  - Media and Communications
  - Philosophy
  - Politics and International Studies
  - Psychology
  - Russian Studies
  - Screen and Cultural Studies
  - Sociology
  - Spanish and Latin American Studies
- \* Study area available as a minor only.
- 

## BACHELOR OF BIOMEDICINE

- Biochemistry and Molecular Biology
  - Bioengineering Systems
  - Biotechnology
  - Cell and Developmental Biology
  - Genetics
  - Human Nutrition
  - Human Structure and Function
  - Immunology
  - Microbiology and Immunology
  - Neuroscience
  - Pathology
  - Pharmacology
  - Physiology
  - Psychology
- 

## BACHELOR OF COMMERCE

- Accounting
- Actuarial Studies
- Business
- Economics
- Finance
- Management
- Marketing

## BACHELOR OF DESIGN

- Architecture
  - Civil Systems
  - Computing
  - Construction
  - Digital Technologies
  - Graphic Design
  - Landscape Architecture
  - Mechanical Systems
  - Performance Design
  - Property
  - Spatial Systems
  - Urban Planning
- 

## BACHELOR OF FINE ARTS SPECIALISATIONS

- Acting
  - Animation
  - Dance
  - Design and Production
  - Film and Television
  - Music Theatre
  - Screenwriting
  - Theatre
  - Visual Art
- 

## BACHELOR OF MUSIC SPECIALISATIONS

- Composition
  - Interactive Composition
  - Jazz and Improvisation
  - Music Performance
  - Musicology/Ethnomusicology
- 

## BACHELOR OF ORAL HEALTH STUDY AREAS

- Clinical and preventive dentistry
  - Dental and health sciences
  - Social sciences and health promotion
  - Vocational clinical practice
- 

## BACHELOR OF SCIENCE

- Agricultural Science
- Animal Health and Disease
- Animal Science and Management
- Biochemistry and Molecular Biology
- Bioengineering Systems
- Biotechnology
- Cell and Developmental Biology
- Chemical Systems
- Chemistry
- Civil Systems
- Climate and Weather
- Computational Biology
- Computing and Software Systems
- Data Science
- Ecology and Evolutionary Biology
- Ecosystem Science
- Electrical Systems
- Environmental Engineering Systems
- Environmental Science
- Food Science
- Genetics
- Geography
- Geology
- Human Nutrition
- Human Structure and Function
- Immunology
- Marine Biology
- Mathematical Physics
- Mathematics and Statistics
- Mechanical Systems
- Mechatronics
- Microbiology and Immunology
- Neuroscience
- Pathology
- Pharmacology
- Physics
- Physiology
- Plant Science
- Psychology
- Spatial Systems
- Zoology

# GRADUATE STUDY AT MELBOURNE

---

Graduate study is an investment in your future. Choose Melbourne, and join the best and brightest students to pursue your passion and develop your career.

You'll study alongside the most talented students in an environment focused on research impact and relevance. You'll be part of a university that is committed to changing lives by contributing to the policy, debate and skills required for a better global society.

We offer more than 400 higher level graduate courses across a broad range of disciplines, among them professional entry programs including the Juris Doctor (law), the Master of Teaching, the Master of Engineering and the Master of Architecture.

Our graduate study areas include:

- Architecture, building, planning and design
- Arts, humanities and social sciences
- Business and economics
- Education
- Engineering and information technology
- Environment
- Health
- Law
- Music, and visual and performing arts
- Science
- Veterinary and agricultural sciences.

Whether you're choosing your first career, changing direction or gaining that competitive edge, our world-class research and coursework graduate programs offer a professionally relevant education. Our graduates develop strong connections with community and industry that open the door to an outstanding future.

[unimelb.edu.au/study/grad-degrees](http://unimelb.edu.au/study/grad-degrees)

# GRADUATE DEGREE PACKAGES

If you're an eligible secondary school leaver and are confident about the study pathway you want to follow, our Graduate Degree Packages may give you another way to experience the Melbourne Model. The packages bundle an undergraduate degree offer with a selected graduate degree offer, giving you the security of knowing a graduate place is waiting for you when you finish your Melbourne bachelors degree.

Graduate Degree Packages are available to school leavers who complete an Australian Year 12 or the International Baccalaureate Diploma in Australia, and to Australian citizens outside Australia who are completing the same qualifications. Applicants need to meet the prerequisites and entry requirements for both the undergraduate and

graduate degrees, and enrol in the undergraduate degree immediately after Year 12 unless granted a deferral by the University.

If you are not eligible for a Graduate Degree Package, don't worry – you can still choose a graduate degree during your undergraduate studies, subject to meeting the entry requirements of the graduate degree.

For details of any other selection criteria for 2020 entry, and more information on pathways to graduate study, visit:

[unimelb.edu.au/study/pathways](http://unimelb.edu.au/study/pathways)

GRADUATE DEGREE PACKAGE	ATAR/Notional ATAR for 2019 entry (subject to change for 2020 entry)
<b>ARCHITECTURE</b>	
Bachelor of Design / Master of Architecture	98.00+
Bachelor of Design / Master of Landscape Architecture	96.00+
<b>CONSTRUCTION MANAGEMENT</b>	
Bachelor of Design / Master of Construction Management	96.00+
<b>DENTISTRY</b>	
Bachelor of Biomedicine / Doctor of Dental Surgery	99.85+
Bachelor of Science / Doctor of Dental Surgery	99.85+
<b>ENGINEERING</b>	
Bachelor of Biomedicine / Master of Engineering	96.00+
Bachelor of Commerce / Master of Engineering	96.00+
Bachelor of Design / Master of Engineering	96.00+
Bachelor of Science / Master of Engineering	96.00+
<b>LAW</b>	
Bachelor of Agriculture / Juris Doctor	99.80+
Bachelor of Arts / Juris Doctor	99.80+
Bachelor of Biomedicine / Juris Doctor	99.80+
Bachelor of Commerce / Juris Doctor	99.80+
Bachelor of Design / Juris Doctor	99.80+
Bachelor of Fine Arts (all 9 specialisations) / Juris Doctor	99.80+
Bachelor of Music / Juris Doctor	99.80+
Bachelor of Science / Juris Doctor	99.80+
<b>PHYSIOTHERAPY</b>	
Bachelor of Biomedicine / Doctor of Physiotherapy	98.00+
Bachelor of Science / Doctor of Physiotherapy	98.00+
<b>PROPERTY</b>	
Bachelor of Design / Master of Property	96.00+

GRADUATE DEGREE PACKAGE	ATAR/Notional ATAR for 2019 entry (subject to change for 2020 entry)
<b>OPTOMETRY</b>	
Bachelor of Biomedicine / Doctor of Optometry	99.00+
Bachelor of Science / Doctor of Optometry	99.00+
<b>TEACHING</b>	
Bachelor of Arts / Master of Teaching (Early Childhood)	95.00+
Bachelor of Design / Master of Teaching (Early Childhood)	95.00+
Bachelor of Music / Master of Teaching (Early Childhood)	95.00+
Bachelor of Science / Master of Teaching (Early Childhood)	95.00+
Bachelor of Arts / Master of Teaching (Early Childhood and Primary)	95.00+
Bachelor of Design / Master of Teaching (Early Childhood and Primary)	95.00+
Bachelor of Music / Master of Teaching (Early Childhood and Primary)	95.00+
Bachelor of Science / Master of Teaching (Early Childhood and Primary)	95.00+
Bachelor of Arts / Master of Teaching (Primary)	95.00+
Bachelor of Design / Master of Teaching (Primary)	95.00+
Bachelor of Music / Master of Teaching (Primary)	95.00+
Bachelor of Science / Master of Teaching (Primary)	95.00+
Bachelor of Arts / Master of Teaching (Secondary)	95.00+
Bachelor of Design / Master of Teaching (Secondary)	95.00+
Bachelor of Music / Master of Teaching (Secondary)	95.00+
Bachelor of Science / Master of Teaching (Secondary)	95.00+
<b>URBAN PLANNING</b>	
Bachelor of Arts / Master of Urban Planning	96.00+
Bachelor of Design / Master of Urban Planning	96.00+
<b>VETERINARY MEDICINE</b>	
Bachelor of Science / Doctor of Veterinary Medicine	98.50+

# PATHWAYS TO PROFESSIONAL CAREERS

Combining undergraduate and graduate study at the University of Melbourne is a pathway to limitless opportunity. Here are just some of the doors it can open across our broad range of study areas. For entry requirements and more information about pathways and where they can take you, visit [study.unimelb.edu.au](http://study.unimelb.edu.au)

UNDERGRADUATE DEGREE BY STUDY AREA		GRADUATE DEGREE		YOUR CAREER
<b>Agricultural science</b>				
Any undergraduate degree	3 years	>	Master of Agricultural Sciences	2 years > Agricultural scientist
<b>Architecture (The Master of Architecture is available as a Graduate Degree Package)</b>				
Bachelor of Design (major in Architecture) <b>OR</b> Any degree with an Architecture Design Studio subject and an Architecture History subject (requires 3 years for Master of Architecture)	3 years	>	Master of Architecture	2 years > Architect
<b>Data science</b>				
Any undergraduate degree with prerequisite subjects	3 years	>	Master of Data Science	2 years > Data scientist
<b>Dentistry (The Doctor of Dental Surgery is available as a Graduate Degree Package)</b>				
Bachelor of Biomedicine or Science Bachelor of Arts, subject to completing prerequisite subjects, and course plan approval by home faculty	3 years	>	Doctor of Dental Surgery	4 years > Dentist
<b>Engineering (The Master of Engineering is available as a Graduate Degree Package)</b>				
Bachelor of Biomedicine, Design or Science with an engineering major Students in any other undergraduate degree are eligible to progress into the 3-year Master of Engineering, subject to completing prerequisite subjects	3 years	>	Master of Engineering	2 years > Engineer
<b>Environment</b>				
Any undergraduate degree	3 years	>	Master of Environment	2 years > Environmental policy consultant
<b>Film and television</b>				
Any undergraduate degree	3 years	>	Master of Film and Television (Documentary or Narrative)	2 years > Film or television director
<b>Financial analysis</b>				
Commerce	3 years	>	Master of Finance	2 years > Financial analyst
<b>Information technology</b>				
Bachelor of Design or Science with an IT major eg Bachelor of Science with major in Computing and Software Systems	3 years	>	Master of Engineering (Software)	2 years > Software engineer

UNDERGRADUATE DEGREE BY STUDY AREA		GRADUATE DEGREE		YOUR CAREER
<b>International relations</b>				
Any undergraduate degree	3 years	>	Master of International Relations	2 years > International relations professional
<b>Journalism</b>				
Any undergraduate degree	3 years	>	Master of Journalism	2 years > Journalist
<b>Law (The Juris Doctor is available as a Graduate Degree Package)</b>				
Any undergraduate degree	3 years	>	Juris Doctor	3 years > Lawyer
<b>Medicine</b>				
Undergraduate degree with prerequisite subjects Students complete a one-year internship following the Doctor of Medicine in order to obtain full registration as a doctor	3 years	>	Doctor of Medicine	4 years > Doctor
<b>Nursing</b>				
Any undergraduate degree	3 years	>	Master of Nursing Science	2 years > Nurse
<b>Optometry (The Doctor of Optometry is available as a Graduate Degree Package)</b>				
Undergraduate degree with prerequisite subjects	3 years	>	Doctor of Optometry	4 years > Optometrist
<b>Physiotherapy (The Doctor of Physiotherapy is available as a Graduate Degree Package)</b>				
Undergraduate degree with prerequisite subjects	3 years	>	Doctor of Physiotherapy	3 years > Physiotherapist
<b>Psychology</b>				
Bachelor of Arts, Biomedicine or Science with an accredited major in Psychology	3 years	>	Fourth-year honours or Graduate Diploma (Advanced) in Psychology	1 year > Master of Psychology
				2 years > Clinical psychologist OR Clinical neuropsychologist
<b>Research</b>				
Any undergraduate degree	3 years	>	Graduate degree OR Honours	2 years > Doctor of Philosophy OR Master of Philosophy
				3 years > Researcher
				1.5-2 years >
<b>Teaching (The Master of Teaching – Early Childhood, Primary, Early Childhood and Primary, or Secondary – is available as a Graduate Degree Package)</b>				
Any undergraduate degree (with TCAT assessment) Part-time and accelerated options available	3 years	>	Master of Teaching (Early Childhood, Primary, Early Childhood and Primary, or Secondary)	2 years > Teacher
<b>Veterinary medicine (The Doctor of Veterinary Medicine is available as a Graduate Degree Package)</b>				
Bachelor of Agriculture, Biomedicine or Science with at least one semester of study in both general/cellular biology and biochemistry 3 year option for graduates of Bachelor of Science with Animal Health and Disease major	3 years	>	Doctor of Veterinary Medicine	3-4 years > Vet

# RESEARCH AT MELBOURNE

## Who says you can't change the world? We expect nothing less.

Our reputation as Australia's leading comprehensive research-intensive university enables us to attract and cultivate the most promising researchers from around the world.

We collaborate with industry partners, other institutions, research organisations, the community, and government and not-for-profit organisations to achieve research outcomes with global impact. We remain at the forefront of innovation in Australia.

Melbourne is a place where world-class researchers choose to work, and, as a graduate research student, you'll be supervised by leading experts in your field.

## OUR RESEARCH DEGREES

Our graduate schools offer research programs in most major disciplines.

### MASTER OF PHILOSOPHY

The Master of Philosophy (MPhil) is an internationally recognised masters degree by research and requires the completion of a thesis of 30 000–40 000 words.

### MASTERS BY RESEARCH

Masters by research degrees differ from the MPhil in that they may have a coursework component, along with a shorter thesis of about 30 000 words.

### DOCTOR OF PHILOSOPHY

Graduating with a Doctor of Philosophy (PhD) marks your admission to the community of scholars in your discipline and requires the completion of a thesis of 80 000–100 000 words on a specialised topic.

You will work under the guidance of at least two supervisors, who will provide advice and support throughout your research degree.

For help in finding supervisors, see: [unimelb.edu.au/research-supervisors](https://unimelb.edu.au/research-supervisors)

## OUTSTANDING SUPPORT

Research training is a core activity of the University. Our comprehensive support and award-winning professional development programs will help you become a more effective researcher. We offer access to dedicated research centres, advanced research facilities, generous scholarships and established student support networks.

[unimelb.edu.au/study/graduate-research](https://unimelb.edu.au/study/graduate-research)

## SCHOLARSHIPS AND FEES

### DOMESTIC STUDENTS

Most domestic graduate research students are funded by the Australian Government Research Training Program Fee Offset Scholarship (RTP), meaning you are exempt from paying tuition fees. Additional scholarships can provide annual living allowances, relocation grants and paid maternity, parental and sick leave.

### INTERNATIONAL STUDENTS

More than 400 scholarships are available to international graduate researchers. Many cover tuition fees, as well as a living allowance and paid maternity, parental and sick leave.

[scholarships.unimelb.edu.au](https://scholarships.unimelb.edu.au)

## HOW TO APPLY

**STEP 1** Check your eligibility.

**STEP 2** Find potential projects and supervisors at [findanexpert.unimelb.edu.au](https://findanexpert.unimelb.edu.au)  
Contact potential supervisor for support (if required).

**STEP 3** Prepare your documentation: proposal (if required), transcripts, cover letter, academic referees, English language test results, supervisor support correspondence (if required) and any other additional requirements for your discipline (eg GMAT/ GRE, audition, portfolio).

**STEP 4** Submit your application and wait for the outcome.

**STEP 5** If you receive an offer, you can then accept your place and prepare to start your life at Melbourne.

Find out more at [study.unimelb.edu.au/how-to-apply/graduate-research](https://study.unimelb.edu.au/how-to-apply/graduate-research)

# YOUR STUDENT EXPERIENCE

---

As a University of Melbourne graduate, you'll be highly sought after. That's because our students can build their experience and networks from day one.

There are many ways to incorporate practical experience into your studies at Melbourne. You can intern at one of the world's most influential organisations, gain international experience, start a business, volunteer with organisations that inspire you, work part time and gain valuable skills while you study, or all of the above!

Whether you have a dream career or want to explore your options first, we will be there to support you to achieve your very best.

## PRACTICAL EXPERIENCE

Internships are a great way to get first-hand industry experience and figure out if your dream career is right for you. Our students intern in leading companies and institutions in Australia and abroad, paving the way to fulfilling and exciting careers.

## YOUR LEADERSHIP AND NETWORKING OPPORTUNITIES

Employers love to see leadership experience on your resume – and we love to help you get it! Lead a student group, direct a play, mentor a younger student or help run one of over 200 clubs and societies to make connections and build your networks.

## MAKE A DIFFERENCE

Take your skills into the community, contribute to a cause you are passionate about and make a difference! You can volunteer in Australia or overseas. In many cases your experience can count towards your degree, and we offer awards and grants to help finance your volunteer work.

## SKILL BUILDING

The Global Leadership and Employability team provides programs and services to students free of charge, including screened job listings, workshops, industry events and connections with alumni. You can even attend a free Career Bootcamp. In addition, many faculties offer seminars, practical training, networking events and more to help you break into a great career.

## STUDYING OVERSEAS

You could study at some of the world's most prestigious institutions to gain an academic and professional edge. Take French in Québec, science in Estonia, business in Beijing or anthropology in Santiago. Go for as long as a year on exchange to another renowned university, or pick up a subject we offer that is taught overseas.

[study.unimelb.edu.au/your-experience](https://study.unimelb.edu.au/your-experience)

# ADMISSIONS: DOMESTIC STUDENTS

SEARCH FOR SCHOLARSHIPS AT  
[SCHOLARSHIPS.UNIMELB.EDU.AU](https://scholarships.unimelb.edu.au)

## UNDERGRADUATE COURSES

### HOW TO APPLY

You are a domestic student if you are an Australian or New Zealand citizen, an Australian permanent resident, or hold an Australian permanent humanitarian visa.

All domestic students, as well as international students who are undertaking an Australian Year 12, must apply through the Victorian Tertiary Admissions Centre (VTAC).

If you are a domestic student studying outside Australia, you must apply through the Victorian Tertiary Admissions Centre (VTAC).

[vtac.edu.au](https://vtac.edu.au)

### TUITION FEES

As a domestic undergraduate student, you will enrol in a Commonwealth Supported Place (CSP), which is subsidised by the Australian Government. You pay a student contribution amount, determined each year by the Government.

[study.unimelb.edu.au/how-to-apply/fees](https://study.unimelb.edu.au/how-to-apply/fees)

## GRADUATE COURSES

### HOW TO APPLY

**Coursework degrees:** Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are as follows:

#### Semester 1 entry:

30 November (to commence in February the following year)

#### Semester 2 entry:

31 May (to commence in July)

### CHECK WEBSITE FOR DETAILS

Some courses have early closing dates and not all courses are available in Semester 2. For specific closing dates, and to confirm any special requirements, please check course listings at [study.unimelb.edu.au](https://study.unimelb.edu.au)

**Research degrees:** Each graduate school has a different way of managing the application process. Once you have identified the course that interests you, follow the application processes outlined at [study.unimelb.edu.au](https://study.unimelb.edu.au)

### TUITION FEES

**Coursework degrees:** Your fees for graduate study will depend on your course and the type of enrolment or place you're offered. Many courses offer Commonwealth Supported Places (CSP) as well as Australian fee places.

**Research degrees:** Most domestic graduate research students are supported by the Australian Government Research Training Program (RTP). Under the RTP, domestic students are exempt from tuition fees for the normal duration of the course. This exemption is valid for up to four years for students enrolled in a doctoral program and up to two years for a research masters degree.

[unimelb.edu.au/study/graduate-research](https://unimelb.edu.au/study/graduate-research)

## ACCESS MELBOURNE

Access Melbourne is the University of Melbourne's special entry and equity scheme for domestic students. If you're eligible under any of the program's categories, you may receive a place in one of our undergraduate degrees with a reduced ATAR, subject to course prerequisites. We also have scholarships and grants that can ease the financial load, and a housing program to get you securely settled close to campus.

## HOW TO APPLY

Lodge a Special Entry Access Scheme (SEAS) application via VTAC at [vtac.edu.au](https://vtac.edu.au) for one or more of the following Access Melbourne categories:

- Disadvantaged financial background
- Applicants from rural or isolated areas
- Under-represented school
- Difficult circumstances
- Disability or medical condition
- Non-English speaking background
- Recognition as an Indigenous Australian
- Mature-age consideration (non-school leaver entry pathway).

## GET A GUARANTEED PLACE

If you're from a rural or isolated area, have a disadvantaged financial background or are an Indigenous Australian, you could be eligible for a guaranteed place.

For example, in 2019, the guaranteed ATAR for Science was 78.00 (and 75.00 for Indigenous Students) and 55.00 for the Bachelor of Science (Extended) via Access Melbourne. Guaranteed ATARs for 2020 intake will be published in June 2019 at:

[access.unimelb.edu.au](https://access.unimelb.edu.au)

# ADMISSIONS: INTERNATIONAL STUDENTS

## UNDERGRADUATE COURSES

### TUITION FEES

Typical course fees are listed in the table on page 19. Visit the website for more information.

[study.unimelb.edu.au/how-to-apply/fees](http://study.unimelb.edu.au/how-to-apply/fees)

### HOW TO APPLY

If you are an international student studying a qualification outside Australia, or undertaking foundation studies in Australia, you can apply online.

If required, you can seek assistance from one of our overseas representatives.

[study.unimelb.edu.au/how-to-apply](http://study.unimelb.edu.au/how-to-apply)

### INTERNATIONAL STUDENTS STUDYING AN AUSTRALIAN YEAR 12

If you are an international student undertaking an Australian Year 12, you must apply through the Victorian Tertiary Admissions Centre (VTAC).

[study.unimelb.edu.au/how-to-apply](http://study.unimelb.edu.au/how-to-apply)

### FOUNDATION STUDIES

The University of Melbourne accepts a number of foundation studies programs as entry pathways to our undergraduate courses.

### TRINITY COLLEGE FOUNDATION STUDIES

Graduates of Trinity College Foundation Studies are guaranteed a place in the University of Melbourne course of their choice if they satisfy the prerequisites and meet the required scores.

Trinity offers accelerated and extended programs to meet your individual needs, and the curriculum is supervised by the University of Melbourne's Academic Board. The College is ideally located near the University's Parkville campus.

SEARCH FOR SCHOLARSHIPS AT  
[SCHOLARSHIPS.UNIMELB.EDU.AU](http://SCHOLARSHIPS.UNIMELB.EDU.AU)

## GRADUATE COURSES

### TUITION FEES

Visit the website for more information.

[study.unimelb.edu.au/how-to-apply/fees](http://study.unimelb.edu.au/how-to-apply/fees)

### HOW TO APPLY

**Coursework degrees:** Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are:

**Semester 1:** 31 October

**Semester 2:** 30 April

Some courses have early closing dates, and not all courses are available in Semester 2. Please check the course details online before applying. If required, you can seek assistance from one of our overseas representatives.

[study.unimelb.edu.au/find](http://study.unimelb.edu.au/find)

### RESEARCH DEGREES

Applications for a research place are usually accepted throughout the year. Have a look on our website for specific course application closing dates. Note that entry requirements vary between degrees, so make sure you check with the relevant graduate school. See page 14 for more information.

[unimelb.edu.au/study/graduate-research](http://unimelb.edu.au/study/graduate-research)

## ENGLISH LANGUAGE REQUIREMENTS

### ENGLISH LANGUAGE TEST

You can use an approved English language test to meet English language requirements. You must satisfy the requirements in one sitting within the 24 months preceding the proposed date of commencement of enrolment.

Approved English language test	Required score (all undergraduate courses)
<b>IELTS (Academic)</b>	Overall band score of 6.5 or more (with no band less than 6.0)
<b>TOEFL: Paper-based</b>	577 or more with TWE score of at least 4.5
<b>Internet-based</b>	79 or more and scores of 21 in Writing, 18 in Speaking, 13 in Reading and 13 in Listening
<b>Pearson Test of English (Academic)</b>	Overall score between 58 and 64 inclusive and no PTE communicative skills score below 50
<b>Cambridge English: Advanced/ Certificate in Advanced English (CAE)</b>	CAE score of 176 with no skill less than 169

### SECONDARY OR TERTIARY STUDIES IN ENGLISH

You can meet the English language requirements for undergraduate study by satisfactorily completing secondary studies in an approved final-year English subject, or through approved tertiary study in English. Further information about the University's English language requirements, including graduate requirements, is available at [unimelb.edu.au/study/english-reqs](http://unimelb.edu.au/study/english-reqs)

### OBTAINING A VISA

Most international students require a student visa to study in Australia. There are a number of different types of student visas based on the type of course you will be studying. Check the website of the Australian Department of Home Affairs.

[homeaffairs.gov.au/trav/stud](http://homeaffairs.gov.au/trav/stud)

# UNDERGRADUATE ENTRY REQUIREMENTS AND COURSE FEES

This table provides a quick summary of our undergraduate degrees and should be used as a guide only.

The published domestic minimums are those approved for 2019 and should be considered indicative for 2020. The 2020 minimums are yet to be finalised and will be available on the University's website once confirmed.

	Duration (EFTSL) <sup>1</sup>	Guide to common entry pathways and score requirements					
		Australian Year 12 domestic students: 2020 minimim ATAR <sup>2</sup>	Australian Year 12 domestic students: 2019 selection lowest ATAR <sup>3</sup>	Australian Year 12 international students: 2020 guaranteed ATAR <sup>4</sup>	International Baccalaureate international students: 2020 guaranteed IB score <sup>5</sup>	GCE A Levels Singapore A Levels international students: 2020 guaranteed A Level <sup>6</sup>	Trinity College Foundation Studies international students: 2020 guaranteed TCFS score <sup>7,8</sup>
<b>Bachelor of Agriculture</b> Entry: February (Semester 1)	3	70.00	70.35	70.00	25	CDD	75

**1 Equivalent Full-Time Student Load (EFTSL):**  
1 EFTSL is a standard annual full-time load.

**2 Domestic students:** Applicants who achieve the minimum ATAR for a course will be eligible for a place, provided prerequisite studies and any other specific course requirements are met. The lowest selection ATAR to which an offer was made may be higher, depending on demand for the course and the number of places available. Only applicants eligible for special entry schemes will be admitted below the minimum ATAR.

**3 Round 1 lowest selection ATAR to which an offer was made:**  
Final 2019 lowest selection ATAR to which offers were made are published at: [vtac.edu.au](http://vtac.edu.au)

**4 International students:** The University guarantees admission to a course when an international student achieves the required score, meets prerequisite studies, satisfies the English language requirements and there are still places available in the course at the time of acceptance.

If you do not meet the guaranteed score, your application will not be considered for entry. Guaranteed scores apply only if no further study has been undertaken after completion of one of these programs. Guaranteed ATARs are reviewed annually.

**Domestic students completing an international qualification:** The score listed should be considered a minimum score to be eligible for a place in that course. The actual standard required may be higher depending on the demand for the course and the number of Commonwealth Supported Places (CSP) available.

**5 International students must achieve at least the indicative score, meet the prerequisite subjects and satisfy the English language requirements to be eligible to be considered for the course. For domestic students completing an international qualification, the score listed should be considered a minimum score to be eligible for a place in that course.**

**6 A minimum of 50 is required in English for Academic Purposes (EAP) and prerequisite subjects unless otherwise specified. The score is calculated using the best four subjects excluding EAP. Maths 1 is included in the best four score for Commerce, and English and History of Ideas are included for Arts.**

**7 International students:** The typical course fee shown provides an estimate of the tuition fees for the first year of the course in 2020. This estimate assumes a full-time study load, commencing Semester 1. For some degrees a typical fee range is shown, due to the wide range of variables that may affect the course structure, and subjects taken. Actual tuition fees payable may vary and will be the sum of the fees for all subjects in which you enrol.

**8 Domestic students:** Eligible domestic students who satisfy course prerequisites and achieve an ATAR of 95.00 or above are guaranteed a place in the Bachelor of Commerce in 2020.

For graduate entry requirements, please visit: [study.unimelb.edu.au/find](https://study.unimelb.edu.au/find)

		Prerequisite subjects	Tuition fees domestic	Tuition fees international
<b>Australian University Foundation Programs international students: indicative score</b> <sup>17</sup>	<b>USA – High School Diploma GPA, SAT and ACT</b> <sup>14</sup>	<b>VCE (Units 3 and 4) prerequisite subjects</b>	<b>Commonwealth Supported Place</b>	<b>2020 typical course fee for first year (\$AUD/EFTSL)</b> <sup>14</sup> <sup>17</sup>

83	GPA 3.2 and SAT 1320 or ACT 28	A study score of at least 25 in English/English Language/Literature or at least 30 in EAL, and at least 25 in Mathematical Methods or Specialist Mathematics, and in one of Biology, Chemistry or Physics; OR A study score of at least 25 in English/English Language/Literature or at least 30 in EAL, and at least 25 in both Mathematical Methods and Specialist Mathematics <sup>15</sup>	✓	\$41 912–\$45 944
N/A	N/A	See prerequisites for relevant degree. Program only available for students who completed Year 12 or the IB in Australia, and Australian citizens who completed an Australian Year 12 or the IB overseas	✓	<sup>12</sup>
<b>DOMESTIC STUDENTS ONLY</b>				
N/A	N/A	A study score of at least 20 in English (any)	✓	N/A
N/A	N/A	Units 1 and 2: Satisfactory completion of one of Biology, Chemistry, General Mathematics, Maths: Mathematical Methods or Physics; and Units 3 and 4: A study score of at least 25 in English/English Language/Literature or at least 30 in EAL	✓	N/A
N/A	N/A	A study score of at least 20 in English/English Language/Literature or at least 25 in EAL	✓	N/A

**International students:** Recipients of the Bachelor of Commerce Global Scholarship may be admitted with an entry score that is lower than that published here. This scholarship is available only to international students. For more details, see: [scholarships.unimelb.edu.au/bcom-global-scholarship](https://scholarships.unimelb.edu.au/bcom-global-scholarship)

<sup>14</sup> A range of criteria is used for selection. Visit [study.unimelb.edu.au](https://study.unimelb.edu.au) for additional requirements.

<sup>15</sup> Indicative score only (entry is not guaranteed).

<sup>16</sup> **Arts, Biomedicine, Commerce, Design and Science:** Students who achieve an ATAR or notional ATAR of 99.90 or above (or 90.00 or above if Indigenous) and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship. Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).

**Music:** Students who achieve an ATAR or notional ATAR of 99.85 or above (or 90.00 or above if Indigenous), achieve an audition score of A+ and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship (Music). Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).

<sup>17</sup> Refer to tuition fees for the relevant bachelors degree.

<sup>18</sup> Applicants intending to major in Actuarial Studies or continue on to the Master of Engineering following the Bachelor of Commerce are strongly encouraged to complete VCE Specialist Mathematics Units 3 and 4 or equivalent.

<sup>19</sup> Applicants intending to major in Economics are strongly encouraged to complete VCE Mathematical Methods or equivalent.

<sup>20</sup> Applicants intending to major in Civil Systems, Computing, Construction, Digital Technologies, Mechanical Systems, Property or Spatial Systems may be required to undertake a bridging subject in mathematics as breadth in first year. This is equivalent to Units 3 and 4 Mathematical Methods, and entry requires a mathematics background equivalent to Units 1 and 2 Mathematical Methods.

<sup>21</sup> Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to complete VCE Units 3 and 4 in Chemistry or equivalent.

<sup>22</sup> The final average is usually the average of the best four year-long subjects, including prerequisites for some courses. For UNSW, the GPA on the final transcript is used. For WAUFP, the CPS is used and different scores apply.
