» Fees are in Australian dollars A$.
» Fees are indicative only and do not cover additional costs such as textbooks, accommodation, visa applications, OSHC, general living etc.
» Fees are based on a full-time study load and the final fee payable will be determined by your selection of units and if any credit was awarded for recognition of prior learning.
» The University reserves the right to amend fees at any time during the course. Fees are reviewed annually and may increase in the following year to enable CQUniversity to continue to provide quality services and facilities to students.
» Courses are subject to change at the discretion of the University.
» It is your responsibility to make yourself aware of the entry requirements and prerequisites of the courses you wish to undertake.

» The typical annual fee shown provides an estimate of the tuition fees for the first year of the course in 2023. This estimate assumes a full time study load of 24 credit points per term (based on two terms) with no indexation from our 2022 fees, as we have retained the same course fees, providing an additional saving of approximately 4% if you commence your study at CQUniversity in 2023.
» International students holding an Australian Student Visa can only undertake courses online from an overseas location.
» International students studying on-campus in Australia may only take 33 per cent of their entire course by online education, and this option cannot be taken in its entirety during a compulsory term (Term 1 and Term 2). Students must study at least one unit face-to-face each term.
