## Welcome to Griffith

*Griffith was created to be a different kind of university, and we know success often comes from being an exception to the norm —challenging convention, adapting and innovating, creating bold new trends and pioneering solutions ahead of their time.*

Since we started teaching, we've been deeply connected to the Asian region, socially conscious and environmentally aware.

Ranking in the top 3% of universities globally, we offer future-focused degrees that are developed in consultation with industry, based on cutting-edge research, and taught by Australia's most awarded teachers.

# Why choose Griffith?

We're known for our high-impact research, outstanding student experience, commitment to social justice and welcoming environment.

## Study in a world-class environment

### Ranked in the top 3% worldwide

With highly awarded teaching staff, expert researchers, a comprehensive suite of degrees spanning all disciplines, and outstanding campus facilities, Griffith is a world-class university. In three of the largest and most credible world university rankings, we're ranked in the top 300—placing us in the top 3% worldwide.

- Times HE World University Rankings: 251–300
- US News Best Global Universities: 265
- University Ranking by Academic Performance: 296

## Young and ambitious

In university terms, Griffith is young—we started teaching just over 40 years ago. Being a young university means we have the freedom to respect tradition without being restricted by it, which gives us the flexibility to adapt to the ever-changing needs of students, industry and the community. And we've got the numbers to back this up—we ranked 32nd in the 2018 QS University Rankings: Top 50 Under 50 and 35th in the 2017 Times Higher Education Young University Rankings.

## Learn from the best

### Australia's top teachers

At Griffith, you'll learn from some of the best teachers in the country. Three of our teachers have been named Australian University Teacher of the Year. In the last five years, our teachers have won more Australian Government awards, citations and fellowships than any other university\*.

#### Since 2012, we have won:

- two Australian University Teacher of the Year awards
- seven awards for Teaching Excellence
- three awards for Programs that Enhance Learning
- 34 Citations for Outstanding Contributions to Student Learning
- seven National Teaching Fellowships.

\* Based on Learning and Teaching results from the Department of Education and Training.

## Five stars for educational experience

In 2017, Griffith was awarded multiple five-star ratings from the Good Universities Guide, an independent guide to Australian higher education. These include five stars for: overall educational experience, staff, teaching quality, student support, learning resources and skills development.

## Researchers at the cutting edge

We regularly work with government, industry and the community to find practical solutions to some of the biggest problems facing the world today, including climate change adaptation, chronic disease and crime prevention. Our degrees are informed by this cutting-edge research, which means that students gain the latest knowledge, learning alongside people making history in a wide range of specialist research fields.

*Griffith teachers have won more national awards and citations than any other university in Australia in the last five years. Three Griffith teachers, including Brydie-Leigh Bartleet (pictured above) have been named Australian University Teacher of the Year.*

We believe in the potential of all people to be remarkable—to be courageous, to capture opportunity, to make a difference and change the future for ever.

## Get the knowledge that matters

### Innovative degrees

Our future-focused degrees are designed to prepare you for new opportunities in a fast-changing world.

We're constantly innovating, and have introduced Australia's first degrees in a wide range of important areas, including: Asian studies, environmental science, forensic science, aviation, Australian Indigenous arts and dental technology.

### Work opportunities and industry placements

Griffith students put what they learn in the classroom into practice, with the opportunity for industry experience included in many of our degrees. Depending on what you study, you could learn through work placements, overseas field trips or industry projects for real clients. See pages 6–9 for details.

### Global connections and overseas study

Our degrees have an international focus, preparing you for work almost anywhere in the world. What's more, at Griffith you'll have the opportunity to enrich and diversify your degree with an overseas study experience or by learning a language. See pages 10–11 for details.

## Take control of your study

### Trimester academic calendar

At Griffith, we teach across three 12-week trimesters, rather than two semesters, each year. Our trimester system offers you more flexibility and control, with the options of pacing your study to suit your needs, or fast tracking your degree and getting a head start on your career.

### Foundation first year

Your first year of study is foundational and it's a great time to get to know the students you'll be studying alongside for most of your degree.

## Be part of an exceptional community

With more than 200,000 graduates, Griffith offers you a passport to a worldwide network of opportunity. Our graduates can be found in every field of endeavour, from leading politicians to gold medal-winning athletes, and gifted musicians to groundbreaking medical researchers. Across the globe, Griffith graduates are using their skills, knowledge and passion to make remarkable contributions to the world around them.

## Get the support you need

We support you in multiple ways:

### Scholarships

Check if there is assistance for you (see page 12)

### Travel abroad to study and learn

See page 10

### Griffith Sports College

If you are a high-achieving sport student (see page 24)

### Griffith Honours College

If you are a high-achieving academic student (see page 13)

### Griffith College

If you need a different pathway to university (see page 66)

### Accommodation

Find somewhere to live (see campus pages 14–21)

### Sports

To enhance your life at university (see page 22)

### General support

For counselling services, international students, Aboriginal and Torres Strait Islander students, and students with disabilities (see page 68)

*'Our studies provided us with the skills and knowledge required to build our Sabo Skirt label.'* →

## Remarkable entrepreneurs

Griffith business graduates Yiota and Thessy Kouzoukas have enjoyed international accolades, showcasing their Sabo Skirt label on the runway at New York Fashion Week and signing a deal with retail giant David Jones. After being named on the Forbes 30 under 30 list, the online entrepreneurs say their commercial success is due in no small way to their business degrees, after their fashion blog triggered a phenomenal response while they were students at Griffith. 'When we created Sabo Skirt, we started with a detailed business plan, very similar to those we completed throughout our business degrees. This enabled us to predict, prepare and plan what was required in order to take our online store from an idea to a working concept. It was such a blessing that we were able to use our studies in such a fulfilling way and so soon after graduating.' The founders of Sabo Skirt say they capitalised on Instagram after recognising its marketing potential at a very early stage. The duo capped off a busy year by opening their first retail store in Brisbane, Australia, and taking out the Fashion Designer of the Year Award in the Cosmopolitan 2017 Women of the Year Awards.

**Yiota and Thessy Kouzoukas**  
*Bachelor of Business graduates*

# Industry connections

You'll put what you learn in the classroom into practice and graduate with valuable contacts and the skills, knowledge and experience employers want.

## Relevant degrees and industry teachers

Griffith maintains strong links with industry to ensure we develop and deliver relevant courses based on the latest market trends and employer demand. When you study with Griffith, you'll learn the latest trends from industry professionals, and meet the requirements for professional registration in Australia. You'll also learn from teachers with extensive industry experience and from guest lecturers.

In Griffith Business School alone we have more than 90 adjunct professors (industry professionals who teach students), while more than 400 medical and health practitioners from outside the university have contributed strongly to Griffith Health's teaching and research.

## High profile partners

Our partnerships and collaborations unlock all kinds of opportunities. Through our partners, we offer unique learning experiences for students, and connect with government and industry to work on research projects, provide advice and solve problems. Find out more about our industry partners at [griffith.edu.au/industry](http://griffith.edu.au/industry)

## Industry placements

Placements offer you the opportunity to learn in a real-life setting, observe professionals and ask questions. For example, more than 3,000 final-year science, engineering and IT students have completed an industry placement project as part of their studies. Likewise, most Griffith health degrees offer clinical placements, and our health students combined completed more than 220,000 days of clinical training last year.

## Practical experience

At Griffith, you'll have the opportunity to gain practical experience working on projects for real clients. You'll build your portfolio and make critical contacts and networks through our work-integrated learning programs and key industry links.

Depending on what you study, you'll have access to things like:

- **Liveworm**—visual communication design studio
- **LiveSpace**—a new studio for socially and environmentally responsible design, focusing on interior environments and product development

- **LiveImage**—professional photography services
- **LiveLab**—film, animation and games projects
- **The App Factory**—smart phone app development by IT and multimedia students
- **Griffith Health Clinics**—dentistry, physiotherapy, exercise physiology, nutrition and dietetics, speech pathology and psychology clinics at the Gold Coast where, under supervision, students saw more than 50,000 patients last year
- **Student Investment Fund**—using real money, Griffith's Financial Trading Rooms and real-time access to global financial markets, students evaluate and invest in socially responsible, ASX listed companies.

## Careers and employment events

A range of industry events and networking functions throughout the year gives you the opportunity to meet professionals and potential employers from the field you are hoping to enter. Enhance your profile in your industry before you graduate and give yourself the best chance of success. Events are listed at [griffith.edu.au/careers](http://griffith.edu.au/careers)

*'My degree from the Con has helped me so much as a musician—you do everything from theory to aural work, singing and composition. It makes you a really well-rounded performer.'* →

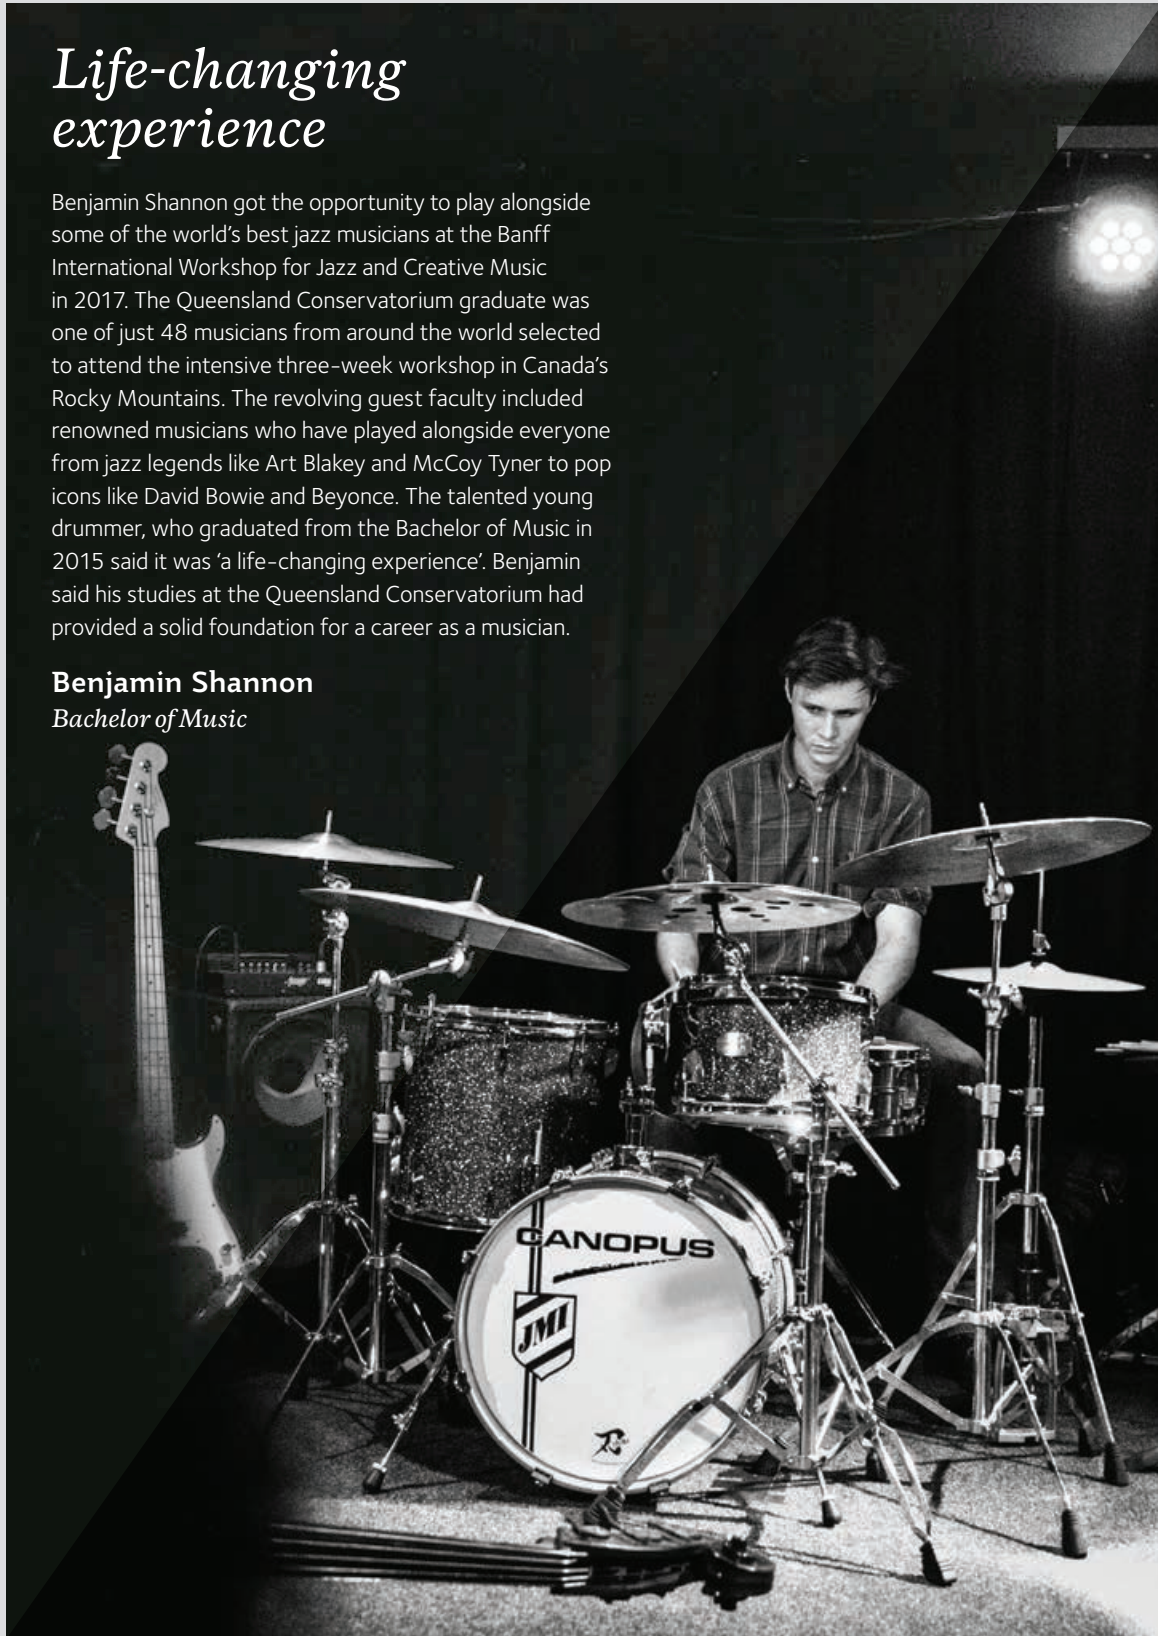

## *Life-changing experience*

Benjamin Shannon got the opportunity to play alongside some of the world's best jazz musicians at the Banff International Workshop for Jazz and Creative Music in 2017. The Queensland Conservatorium graduate was one of just 48 musicians from around the world selected to attend the intensive three-week workshop in Canada's Rocky Mountains. The revolving guest faculty included renowned musicians who have played alongside everyone from jazz legends like Art Blakey and McCoy Tyner to pop icons like David Bowie and Beyonce. The talented young drummer, who graduated from the Bachelor of Music in 2015 said it was 'a life-changing experience'. Benjamin said his studies at the Queensland Conservatorium had provided a solid foundation for a career as a musician.

### **Benjamin Shannon**

*Bachelor of Music*

# Kick start your career

Whether you're preparing for your future career, or looking for a casual or part-time job while you're studying, we can help you get job ready.

At Griffith, you don't need to wait until you graduate to get started on your career.

## Careers and Employment Service

The Careers and Employment Service will help you from first year onwards. We can help you find a part-time job while you're studying and provide you with tips for landing your first graduate job. You'll also learn about the importance of professional networking and using social media in your job search, and you'll get the latest information on job vacancies, recruitment trends, employers and career options. Our online resources are a great start to find out what you need to know to find a job. Keep in touch with us on social media throughout your degree and beyond to make the most of the extensive information and opportunities we have to offer.

We also offer career development seminars and support as well as hosting an extensive list of employers on campus throughout the year. Find out more at [griffith.edu.au/careers](http://griffith.edu.au/careers)

## UniTemps

Griffith UniTemps is a temporary staffing service providing work opportunities that fit with your studies on campus and with local businesses. Griffith students can register with UniTemps to access a broad range of general and degree-related vacancies. These can help you support yourself through your degree and gain valuable skills to improve your employability before and after you graduate. Find out more at [griffith.edu.au/unitemps](http://griffith.edu.au/unitemps)

## Student entrepreneurship

Griffith has degrees, majors and courses designed to teach you the skills you need to bring innovative thinking and practice into your profession. Our exciting ecosystem of innovation and entrepreneurship is supported by remarkable teaching, research, enterprise and our industry partners.

We will show you how to create opportunities, disrupt existing ways of thinking and doing, and create solutions which impact local and global problems. Find out more at [griffith.edu.au/innovation-and-entrepreneurship](http://griffith.edu.au/innovation-and-entrepreneurship)

## Mentoring

Griffith's award winning Industry Mentoring Program provides opportunities for you to learn from and connect with leaders in industry, government and the community. Depending on your study area, you may be able to be paired with a mentor who can give you insights into a particular job, company or industry. The Program can support your career development and improve your chances of landing a job when you graduate. Our industry mentors will help you gain a deeper understanding of your study area, and connect you to a world of opportunity. Find out more at [griffith.edu.au/careers](http://griffith.edu.au/careers)

## Leadership programs

If you're a motivated student, you may be able to join one of our leadership programs. For example, the Griffith Business School Student Leadership Program will give you the opportunity to participate in a range of leadership development and mentoring activities and contribute to University events. Find out more at [griffith.edu.au/gbs-student-leadership-program](http://griffith.edu.au/gbs-student-leadership-program)

You'll have the chance to help communities through volunteering and receive formal recognition for participating in the program. You could also join Griffith Mates, a cross-cultural leadership program that connects international and domestic students (see page 10 for more information).

## LinkedIn

As part of Griffith's focus on student employability, the Careers and Employment Service has released a LinkedIn eModule designed to equip students and graduates with the skills to create an optimised online professional profile. A presence on LinkedIn provides the opportunity to connect with industry professionals, employers and alumni to identify and build career opportunities. Employers are increasingly using the platform to search for suitable candidates. Find out more at [griffith.edu.au/careers](http://griffith.edu.au/careers)

*'Within a week I had a job interview in the industry.'* →

## *Hands-on opportunity*

An opportunity to gain temporary employment through UniTemps has paid off handsomely for Griffith student Amy Wallace. Studying a double degree, Amy was selected for a temporary Marketing Assistant role with Beernuts Productions, a leading local company producing cutting-edge media. Amy succeeded in the position receiving extremely positive feedback from her manager who was full of praise for the program. Her on-the-job experience greatly helped Amy in securing a full-time role at Griffith University. 'Working with UniTemps was such a great experience. I set up my profile, talked to the lovely staff and within a week had an interview for a job in my industry. Without the UniTemps service, I wouldn't have had access to the advice of the staff that lead me to paid work within marketing. The experience that I've been able to add to my CV as a direct result of working with UniTemps has been invaluable,' Amy said.

### **Amy Wallace**

*Business and journalism graduate*

# Global opportunities

Enrich and diversify your degree with an international learning experience.

## Study overseas

Challenge yourself, impress potential employers, learn a new language, make lasting international connections, expand your cultural horizons, and discover amazing places. Through our Global Mobility program, we offer a variety of global learning experiences to diversify your degree and enhance your graduate outcomes.

As a Griffith student, you may have the opportunity to spend as little as one week, or as long as one year, participating in an overseas program as a part of your study. Across more than 50 countries, the following opportunities are available to eligible students:

- trimester, winter and summer exchange
- global internships
- international volunteering
- overseas short courses
- academic-led study tours and field trips
- clinical placements
- research practicums
- overseas conferences and workshops.

## More information

Find out if you're eligible, how to apply, where you can go and what financial assistance is available at [griffith.edu.au/go-global](http://griffith.edu.au/go-global)

## Learn in the field

At Griffith we offer a range of flexible and innovative international study tours and field trips that get you out of the classroom. These programs are tailored to individual degrees. Some examples include:

- **School of Environment's rainforest ecology and conservation field trip to Borneo**—a two-week experience exploring the rainforest, working with local research assistants and seeing firsthand the incredible biodiversity of animals and plants in the tropics
- **Queensland College of Art Documentary In-field Project**—a three-week project where students blend theory and practice working collaboratively as in-field researchers documenting the social fabric of a town or region in the Asia-Pacific
- **Griffith Business School Global Mobility Internship**—a three- to six-week full-time internship with an international industry partner in China, France, Germany, Hong Kong, Japan, Korea or Singapore
- **School of Nursing and Midwifery Community Development Projects**—a three-week program where approved students complete clinical placements in Laos or Vietnam, living in rural villages and working with local health workers.

## Griffith Mates

Griffith Mates is a vibrant team of current Australian and international students who speak around 30 different languages. The team welcomes thousands of international students each year, helping them adjust to university life in Australia through a range of community events and activities. Griffith Mates is a great way to practise your English, make new friends and find your way around campus. Find out more and get involved at [griffith.edu.au/mates](http://griffith.edu.au/mates)

## Add a language to your degree

At Griffith, you can study a language through the Bachelor of Languages and Linguistics, Bachelor of Arts, Bachelor of Asian Studies, Bachelor of Government and International Relations or Bachelor of International Business (see page 40 for details) and their associated double degrees.

You can also learn a language while you're studying overseas on exchange, or study a language through the Diploma of Languages, which you can undertake alongside any bachelor degree.

*‘There is certainly no scarcity of interesting stories and there are many ways of telling them.’*

With the Diploma of Languages, you can continue learning a language taken at school or start a new language as a beginner, while also gaining a degree in another area. Alternatively, if you are not enrolled in a degree at Griffith University, you can study just the Diploma of Languages.

If you choose the Diploma of Languages in addition to your bachelor degree, you'll enhance your employment opportunities throughout the world. You may also find opportunities in education and teaching, tourism and hospitality, publishing and journalism, advertising and public relations, international business and commerce, and the arts.

## Languages

You can specialise in one of the following languages at either Gold Coast or Nathan campus:

- Chinese
- Italian
- Japanese
- Spanish.

## Global experiences

A three-week study tour to Nepal was an eye-opener for Griffith photography student Madeline Begley. She travelled to Nepal with a group of students from the Queensland College of Art and Griffith Film School, uncovering some of the untold stories of the tiny Himalayan nation. The tour featured a five-day festival of masterclasses and workshops, followed by an intensive 12-day storytelling project which gave students the opportunity to work in the local community with a team of international mentors. The trip concluded with a series of open-air exhibitions in the local communities the students had visited. 'It is very different to being a tourist, you really get to know the people who live there, and find out what is going on beneath the surface.' Madeline was mentored by renowned Canadian photographer Donald Weber, who encouraged the students to immerse themselves in the local community.

**Madeline Begley**  
*Bachelor of Photography*

# Scholarships

One of our scholarships could help you achieve your dreams. They are some of the most rewarding and supportive in Australia and make studying at university easier.

**Scholarships:** 600+

**Type:** Academic, accommodation, equity, First Peoples, sport

**Total value:** \$40 million+

**Covers:** University fees, living expenses

Each year Griffith University and its partners provide more than \$40 million in direct financial support to help new and continuing students successfully complete their degrees.

With more than 600 scholarships available to cover tuition fees, education and living expenses, it is very worthwhile investigating whether you might qualify to receive one.

## Find a scholarship for you

Whether you're starting new in 2019, returning after a break, or continuing your studies, there may be a scholarship that's right for you.

Our website has a filter that will help match you to the right scholarship. You can apply for and receive more than one scholarship. To find out how to apply, and for more details about scholarships, visit [griffith.edu.au/scholarships](http://griffith.edu.au/scholarships) or email [scholarships@griffith.edu.au](mailto:scholarships@griffith.edu.au)

If you are an international student studying high school in Australia, visit [griffith.edu.au/international-scholarships](http://griffith.edu.au/international-scholarships) or email [finaid-scholarships@griffith.edu.au](mailto:finaid-scholarships@griffith.edu.au) for scholarship information.

Make sure you check the closing dates carefully, as these vary between scholarships. Most scholarships are open mid-July for study in 2019.

For Bachelor of Commerce student Denis Vukovac, receiving a Karl Morris Scholarship was about much more than the financial benefit. 'It also sets a really good example for giving back to the community,' he said. 'There's a lot of opportunities that come from studying at Griffith University and the networks this scholarship opens up are a case in point.' Denis is looking forward to a career in financial planning, describing it as a dynamic industry. 'You never stop learning, which is something I'm looking forward to. I don't think I'll ever have a boring day at the office.'

### Denis Vukovac

*Karl Morris Scholarship (Bachelor of Commerce)*

# Griffith Honours College

An extracurricular program for high-achieving students.

## If you're a high-achieving student, the Griffith Honours College can help you reach your full potential.

You'll have opportunities to enrich your university study with mentoring, international experiences, leadership roles and community engagement activities.

The Griffith Honours College produces highly sought-after graduates with the specialist knowledge and broad management skills needed to become chief executive officers, researchers, educators, creators and community leaders.

## Benefits

As a Griffith Honours College student, you will:

- take part in regular one-on-one sessions with a mentor who'll guide you through university and help you achieve your career goals

- gain a global perspective by studying and participating in events or working overseas for a few weeks, months or a year
- lead and support local, national and international community events
- be recognised as a high-achieving student in the Griffith community.

## Eligibility

Applications to the Griffith Honours College are open to school-leavers and non school-leavers who are undertaking their first undergraduate degree. International students meeting the criteria can also apply.

To be eligible you must:

- have Griffith University as a preference on your QTAC or UAC application and

- have a score of OP 1–3 (or equivalent ATAR). If you have exceptional personal achievement and expect an OP of 4–6 (or equivalent ATAR) you are also encouraged to apply.

## How to apply

To apply to the Griffith Honours College, you need to complete the combined Deans' Sir Samuel Griffith Scholarship/Sir Samuel Griffith Scholarship application. Successful applicants for the Deans' Sir Samuel Griffith and Sir Samuel Griffith Scholarships are automatically given membership to the Griffith Honours College.

Applications open on Friday 20 July 2018.

You can apply online at [griffith.edu.au/griffith-honours-college](http://griffith.edu.au/griffith-honours-college) or email [honourscollege@griffith.edu.au](mailto:honourscollege@griffith.edu.au) for more information.

Griffith Honours College student Janet Turner capped off her design studies at the Queensland College of Art by designing the official emblem for the Gold Coast 2018 Commonwealth Games Village. Janet created six unique elements representing the six residential zones of the Games Village which came together as one piece of art. Her membership of the Honours College also opened many avenues of opportunity to meet like-minded people from different degrees and access career oriented activities such as leadership workshops and mentoring. 'In choosing my area of study and to major in visual communication, I was influenced by its focus on how design can influence social change.' Janet is now working for animation and graphics studio Hotel Lima in Brisbane.

**Janet Turner**  
*Design graduate*

# Your campus life

Our five campuses are a thriving network of learning and innovation. All are conveniently city-based, but also offer easy access to beaches, islands, and the many amazing experiences on South East Queensland's doorstep.

As well as gaining knowledge and preparing for your future career, you will have the opportunity to meet new people, make lifelong friends and take part in social, sporting and cultural activities. Find out about upcoming events at [griffith.edu.au/whats-on](http://griffith.edu.au/whats-on)

## Delicious food

You'll enjoy a broad and culturally diverse range of food and beverage options (including halal) through coffee shops, cafeterias, dining rooms, common rooms, modern restaurants, clubs, a food co-op and juice bars. Visit [griffith.edu.au/shops](http://griffith.edu.au/shops) to find out about the food available at each campus.

## Handy retail

Each campus is like a village, with its own range of retail shops. These include post offices, travel agencies, hairdressing and beauty salons, general stores, bookshops, computer stores and a credit union. Visit [griffith.edu.au/shops](http://griffith.edu.au/shops) to find out what's available at each campus.

## Religion facilities

People from diverse faith, religious and spiritual traditions come together at the Centre for Interfaith & Cultural Dialogue on the Nathan campus. The Centre brings people of different religions, faiths and philosophies together with a range of events and education programs. Prayer rooms are also available on all our campuses. Find out more at [griffith.edu.au/community/centre-interfaith-cultural-dialogue](http://griffith.edu.au/community/centre-interfaith-cultural-dialogue)

## Clubs and societies

There are more than 120 clubs across all our campuses ranging from educational and professional, political, recreational, and cultural to religious and sporting. If you can't find a club to suit your particular interest, you can start a new one, as support is readily available. Visit [griffith.edu.au/clubs](http://griffith.edu.au/clubs) to find out more.

*With more than 120 student clubs on offer at Griffith, you're sure to meet people who share your interests.*

Our campuses are located at the Gold Coast, Brisbane and Logan. Each location has a wide range of modern spaces to suit every study need.

## Gold Coast

The Gold Coast is one of Australia's leading holiday destinations, with world-class theme parks, wildlife sanctuaries, national parks and some of the best beaches on earth. Visit [goldcoast.qld.gov.au](http://goldcoast.qld.gov.au) to learn more.

## Brisbane

Home to our Nathan, South Bank and Mt Gravatt campuses, Brisbane offers all the social, cultural and recreational facilities you would expect of a capital city, in a beautiful riverside setting. Find out more at [brisbane.qld.gov.au](http://brisbane.qld.gov.au)

## Logan

Logan is home to people from more than 160 different cultures. With around 50% of residents aged 30 or younger, it celebrates both youth and diversity in a rich and varied lifestyle. For more information, visit [logan.qld.gov.au](http://logan.qld.gov.au)

# Gold Coast

The Gold Coast campus is our largest campus and offers a range of state-of-the-art facilities and teaching and research in almost all disciplines.

**Students:** 18,000+

**Study areas:**

Degrees span almost all disciplines with strengths in health

Centrally located in Southport and just minutes from world-famous beaches, the campus offers a dynamic and exciting student lifestyle. Play beach volleyball, indoor soccer, basketball and tennis, and make use of the gym and fitness centre and Olympic-standard athletics track.

The campus has seen significant growth and development with the opening of the \$150 million Griffith Health Centre in 2013, and the \$38 million Griffith Business School building in 2014.

Our science precinct is home to the Institute of Glycomics, the only research facility of its kind in Australia. There are new indoor and outdoor study spaces at the Library, a Microsoft Tech Lounge and a study hall with 24/7 access. Students and visitors can also relax in the Red Zone, which features interactive technology and massive projection displays showcasing the latest research from Griffith.

The campus also has a range of sporting facilities. Visit [griffith.edu.au/sport](http://griffith.edu.au/sport) for more information.

## Public transport

- You can reach the Gold Coast campus by bus, train or G:link light rail. With two light rail stops, the campus is easily accessible from the heart of the Gold Coast.
- Bus connections run between Robina Station, Helensvale Station and Griffith. The G:link light rail also runs between Helensvale Station and Griffith.
- G:link light rail runs from the Gold Coast University Hospital to Southport in 11 minutes and to Cavill Avenue in 25 minutes.
- Helensvale is the closest train station, and is approximately 12 minutes by G:link light rail, 15 minutes by car or 20 minutes by bus from the Gold Coast campus. Trains to Brisbane and Robina can be boarded at this station.

## Car

The Gold Coast campus is a 10-minute drive from Southport, and a 45-minute drive from Brisbane. For information on where to park on campus, visit [griffith.edu.au/parking](http://griffith.edu.au/parking)

## Student accommodation

Operated by the privately run Griffith University Village, it accommodates around 500 residents in fully furnished self-catered modern apartments. Visit [griffithuv.com.au](http://griffithuv.com.au) to find out about costs, key dates and how to apply.

## Accommodation types

- studio apartments
- one-bedroom apartments
- two-bedroom apartments
- five-bedroom apartments.

## Facilities, activities and support

- swimming pool
- e-library and study spaces
- communal kitchen

- sporting and social activities.

# Nathan

The Nathan campus is situated in tranquil, native koala habitat on the edge of Toohey Forest, just 20 minutes from the Brisbane CBD.

**Students:** 13,000+

**Study areas:**

Aviation, business, government, engineering, information technology, environment, humanities, languages, law, nursing, physiotherapy, occupational therapy, science

Our foundation campus, Nathan is home to world-class expertise in the environment, corporate sustainability, Asian studies and the emerging biosciences.

Our six-star, green-rated Sir Samuel Griffith Centre, was Australia's first teaching and research building driven by a combination of solar power and hydrogen energy.

The Centre provides students with innovative new learning spaces, and hosts the Red Zone, where students and visitors can relax and play with interactive technology. The campus also has a range of sporting facilities. Visit [griffith.edu.au/sport](http://griffith.edu.au/sport) for more information.

## Public transport

- The Griffith University Busway is located conveniently at the Mt Gravatt campus, linking our Nathan and Mt Gravatt campuses to Brisbane's bus network.
- Brisbane City Council buses run directly to the Nathan campus.
- A free shuttle bus service operates between the two campuses.

## Car

- Both campuses are a 15-minute drive from the Brisbane CBD and a 10-minute drive from Garden City Shopping Centre.
- For information on where to park on campus, visit [griffith.edu.au/parking](http://griffith.edu.au/parking)

## Student accommodation

- Both Nathan and Mt Gravatt campuses have on-campus residential colleges, accommodating around 1,000 students in a range of accommodation types.
- For more information about costs, key dates and how to apply visit [griffith.edu.au/accommodation](http://griffith.edu.au/accommodation)

# Mt Gravatt

Mt Gravatt campus is adjacent to Nathan campus, with panoramic views of Brisbane.

**Students:** 4,000+

**Study areas:**

Criminology, criminal justice, education, applied theatre, psychology

Mt Gravatt is a base for teaching and research into criminology, education and psychology.

Like Nathan, it's situated on the edge of Toohey Forest and features a world-class health and fitness hub comprising a heated pool, indoor and outdoor recreation areas, fitness centre, 16-court tennis centre, a training oval plus basketball and netball courts. Visit [griffith.edu.au/sport](http://griffith.edu.au/sport) for more information.

## Accommodation types

- Self-catered single rooms in dormitory style buildings
- Self-contained shared flats with single, lockable rooms

## Facilities, activities and support

- communal kitchens
- academic support and assistance including mentoring
- organised social and sporting events
- leadership and employment opportunities
- discounts at various on-campus food outlets
- discounts at on-campus facilities including fully equipped fitness centres (weights, cardio and classes), tennis centre and swimming pool
- support from Residential Advisers
- barbecue facilities.

# South Bank

Embedded within Brisbane's cultural heart and the picturesque South Bank Parklands, this campus is our creative and performing arts hub.

**Students:** 3,400+

**Study areas:**

Film, music, acting, photography, design, media, fine art, games design, animation, contemporary Australian Indigenous art, musical theatre

The campus is a ten-minute walk to the city, Queensland Art Gallery, Gallery of Modern Art, State Library, Queensland Museum, Queensland Performing Arts Centre and the Brisbane Convention and Exhibition Centre.

Renowned for excellence in the creative and performing arts, the campus encompasses the Queensland College of Art, Griffith Film School, the Queensland Conservatorium and the Griffith Graduate Centre.

Through the Queensland College of Art and the Griffith Film School, students have access to state-of-the-art facilities and teachers at the cutting edge of their field.

The Queensland Conservatorium houses world-class performance facilities, including a 700-seat theatre with some of the best acoustics in the Southern Hemisphere. The Conservatorium hosts shows and events that are open to the public throughout the year.

Griffith Business School also offers courses at South Bank, including studies in entrepreneurship and a range of postgraduate programs.

## Public transport

- Easily accessed by public transport, with extensive rail, bus and ferry options available.

## Car

- Parking at South Bank is not operated by Griffith. Paid public car parks are available in the South Bank Parklands and Brisbane Convention and Exhibition Centre car parks, as well as on the street.

## Student accommodation

- South Bank students can live in the Residential Colleges at Nathan and Mt Gravatt with quick, convenient access to South Bank by bus.
- For more information about costs, key dates and how to apply visit [griffith.edu.au/accommodation](http://griffith.edu.au/accommodation)

# Logan

Our Logan campus sits between Brisbane and the Gold Coast in one of Australia's most rapidly developing regions.

**Students:** 2,500+

**Study areas:**

Human services, social work, nursing, midwifery, business, commerce, education

This community campus is renowned as a national showcase of social inclusion in higher education through innovative partnerships, industry engagement and degree pathways, with a strong focus on community health, education and business.

A leader in flexible learning options, the campus also hosts numerous sporting and cultural events throughout the year. Students have access to a bookshop, community lounge and a range of support services.

## Public transport

- Buses run regularly between Browns Plains Grand Plaza and Logan Hyperdome, via Logan campus.
- If you're travelling from Brisbane, you can transfer to a Logan bus at Griffith University busway station or Loganlea train station.
- An integrated rail/bus service operates during teaching time between Loganlea train station and the Logan campus, with services every 30 minutes on weekdays.
- Loganlea train station is 2 km, an approximate 25-minute walk, from the Logan campus.

## Car

- The Logan campus is located at Meadowbrook, a 30-minute drive from the Brisbane CBD, and less than 10 minutes from Ikea at Logan.
- For information on where to park on campus, visit [griffith.edu.au/parking](http://griffith.edu.au/parking)

## Student accommodation

UniCentral Griffith operates a privately run accommodation facility next to the Logan campus. Visit [ucg.net.au](http://ucg.net.au) to find out about costs, key dates and how to apply.

## Accommodation types

- four-bedroom units, each with private ensuite and double bed
- some units are available with carports.

## Facilities, activities and support

- common rooms—pool tables, table tennis
- tennis and basketball courts
- 25 m swimming pool
- barbecue facilities
- gym
- sauna.

# Sport at Griffith

Whether you are social or serious when it comes to sport, you will have access to a vast array of sport and recreation facilities and services across our five campuses.

You can represent Griffith in university sporting competitions through events such as the University Nationals, join one of our many sports clubs, or take part in social sport competitions.

For an overview of all the sport and fitness options available to Griffith students, visit [griffith.edu.au/play-sport](http://griffith.edu.au/play-sport)

## Sporting clubs and events

### Social sport

Weekly sport competitions for a wide range of sports, including 5-a-side soccer, 7-a-side soccer, basketball, netball, touch football, flag gridiron and volleyball, are hosted on campus throughout the year. You can register as a full team or, if you don't have enough people for a team, or are joining on your own, you can sign up as an individual and we'll put you in a team.

The advantage of being a Griffith student is that you get special discounted registration fees.

Seasons run for about 10 weeks including finals and there are multiple seasons throughout the year. Find out more at [griffith.edu.au/social-sport](http://griffith.edu.au/social-sport)

### Clubs

Griffith sporting clubs are run for students by students and offer a great chance to participate in different levels of sport and enjoy social events. We have a range of clubs already established, from AFL and athletics to gridiron and volleyball. If we don't have the club you like, we can help you start a new one. Student club committees are provided with training, guidance and support throughout the year. Volunteering on a committee is extremely beneficial to students, as it builds leadership and teamwork skills, and increases employability. Find out more at [griffith.edu.au/sport-clubs](http://griffith.edu.au/sport-clubs)

### Represent Griffith

You have the chance to represent Griffith in more than 30 sports and compete at the University Nationals. Griffith staff will help you in all aspects of the lead-up and throughout the competition, including assistance with registration, trials, training, uniforms, merchandise, accommodation, team bonding events, travel and more.

In 2017, Griffith ranked seventh overall and we're always on the lookout for more talent to help us take out that top spot. Find out more at [griffith.edu.au/representgriffith](http://griffith.edu.au/representgriffith)

### Events

We run a number of different sporting events for students and non-students on campus throughout the year, from swimathons to fun runs and more. Some key events include the Nathan Dash, a 660 m sprint through the heart of the Nathan campus, and the Toohey Trail Run, a 5 km, 10 km, or half marathon trail run from the Nathan campus through Toohey Forest.

If competing isn't your thing, you can always volunteer in our Griffith Sport Event Leaders program and help us deliver these great events on campus. Find out more at [griffith.edu.au/sport-events](http://griffith.edu.au/sport-events)

## Sporting facilities

You can access all facilities, regardless of which campus your degree is based at.

### Nathan fitness centre

The Nathan fitness centre is open to Griffith students, staff and the local community. It is fully equipped with pin-loaded, plate-loaded, free weights and the latest cardiovascular exercise machines. There is also a wide variety of group fitness classes available, including the Les Mills Program as well as Zumba, yoga and boxing. Find out more at [griffith.edu.au/nathan-fitness](http://griffith.edu.au/nathan-fitness)

### Nathan squash courts

On Nathan campus there are three glass-back squash courts for hire to Griffith students, staff and the local community. Find out more at [griffith.edu.au/squash](http://griffith.edu.au/squash)

### Mt Gravatt aquatic and fitness centre

The 25 m heated pool at the Mt Gravatt campus offers you a variety of swimming and fitness training options including swim squads and learn-to-swim classes for both children and adults. In addition to the pool there is a fully equipped gym and a range of group fitness classes, including aqua aerobics. Find out more at [griffith.edu.au/aquatic-and-fitness-centre](http://griffith.edu.au/aquatic-and-fitness-centre)

### Mt Gravatt tennis centre

Our world-class 16-court tennis centre at the Mt Gravatt campus offers a vibrant and welcoming environment that is supported by professional experienced staff. The facility has a fully equipped pro shop and cafe. Multi-purpose courts are also available at the Gold Coast campus. Find out more at [griffith.edu.au/tennis](http://griffith.edu.au/tennis)

### Multisport complex

Our Multisport complex at the Nathan campus features four fully lit all-weather synthetic grass fields designed for 5-a-side soccer. It also includes two flood-lit cricket nets. This state-of-the-art venue can be booked by groups for casual use through the Nathan Fitness Centre.

### Logan workout room

The Logan Workout Room is equipped with treadmills, cross trainers, bikes and pin-loaded resistance equipment providing a convenient way to stay active while on campus. Find out more at [griffith.edu.au/logan-workout-room](http://griffith.edu.au/logan-workout-room)

### Uni fitness centre

The fitness centre at the Gold Coast campus is open to students, staff and the community. The centre offers weights and cardio equipment, a boxing facility, and a range of group fitness classes. Find out more at [gugcstudentguild.com.au/uni-fitness](http://gugcstudentguild.com.au/uni-fitness)

### Gold Coast aquatic centre

The Gold Coast Aquatic Centre has a 50 m heated pool and a fitness studio for all your swimming and fitness training needs. Find out more at [griffith.edu.au/gold-coast-aquatic-centre](http://griffith.edu.au/gold-coast-aquatic-centre)

## Choose sport as your study area

Find out about the different ways you can study sport at Griffith on page 54.

# Griffith Sports College

We're proud to be one of the top elite athlete-friendly universities in Australia.

Griffith has one of the highest number of elite athlete students in the country. Through the Griffith Sports College (GSC), we provide dedicated assistance for more than 450 student athletes, helping them successfully balance the high demands of elite sport and university life. Our distinguished Alumni include: 55 Olympians, 10 Paralympians and more than 30 Commonwealth Games athletes.

## Benefits

- personalised degree advice, course planning and pathway advice
- timetabling assistance, to allow for sporting commitments
- class attendance flexibility
- assessment and exam benefits, such as extensions, deferred exams or alternative arrangements.

- Support with special consideration requests
- Flexibility to study interstate with online options
- Sports-specific benefits including access to on-campus sporting facilities

## Staff support

The Griffith Sports College has a wealth of sporting and academic knowledge within its staff team including Olympic gold medalists Duncan Free OAM (GSC Director) and Naomi McCarthy (nee Castle) OAM (GSC Manager). Both Duncan and Naomi are Griffith alumni and understand the demands elite athletes face juggling training, competition and study and can provide mentoring and direct athlete support.

## Eligibility

If you compete at state, national or international level in your sport, you might be eligible to join the Griffith Sports College.

Elite athletes\* are identified as participating in an AIS and Griffith University-recognised sport. We base eligibility on advice from state and national sporting organisations, professional sporting clubs and/or recognised player associations.

As part of the Australian Institute of Sport's (AIS) Elite Athlete Friendly University (EAFU) network, we work one-on-one with students and directly with teaching staff to provide a supportive environment for athletes.

## How to apply

You can download a GSC application form at [griffith.edu.au/griffith-sports-college](http://griffith.edu.au/griffith-sports-college)

## Choose sport as your study area

Find out about the different ways you can study sport at Griffith on page 54.

\* the term 'elite athlete' includes athletes and coaches.

At the Rio 2016 Olympics, Griffith was in the top 10 of world universities for gold medals (and number one in Australia). Bachelor of Sport Development student and diver Domonic Bedggood was one of 21 Griffith students and graduates to compete at Rio. Domonic competed in the 10 m platform and finished 12th in the final, which was the best Australian result. Domonic says the Griffith Sports College has given him the flexibility to balance his training and competition schedule with his degree. 'I am able to travel and compete overseas, including at the Rio Olympics, and know that I can continue my studies,' said Domonic.

### Domonic Bedggood

*Bachelor of Sport Development student and diver*

# Our degrees

At Griffith, you'll learn in and out of the classroom, with teaching methods tailored to suit the needs of each degree. Here's an overview of how your Griffith degree might be structured.

## Foundation

### 1st year

Your first year of study is foundational. You'll explore the core skills and concepts related to your chosen study area. It's also a great time to get to know the students you'll be studying alongside for most of your degree.

## Specialisation

### 2nd year onwards

From second year onwards you'll focus on your chosen specialisation or major. You'll also get the chance to put what you learn in the classroom into practice. Depending on your degree, you might learn through work placements, overseas field trips, industry projects for real clients, or laboratory studies in our state-of-the-art facilities.

## Capstone

### Final year (3rd or 4th year)

In your final year, you'll continue to advance your knowledge and skills in your area of specialisation. Some degrees include a fourth year of study, in which you conduct research. You'll work closely with a supervisor on a research project related to your specialisation.

A passion for child protection has been the fuel behind the successful career of Bachelor of Psychology (Honours) graduate Susie Upton. A co-founder of Brisbane-based counselling and psychology service Child Aware, her passion has been to provide essential counselling and training services within the child mental health sector, as well as providing a bridge between the not-for-profit sector and private practice. 'Our mission is to bridge that gap in accessibility for people who may not have the resources to get the full range of counselling services.'

### Susie Upton

Aviation management	Bachelor of Aviation Management <sup>^</sup>	N,O	1,2	2F	English (4,SA) Assumed: Maths A or B (4,SA)	14	68

\* The Bachelor of Aviation together with the Graduate Diploma of Flight Management will allow graduates to be ready to work in the aviation industry as a commercial pilot. This degree is offered in accelerated mode only and includes Trimester 3 study. There will be no breaks between trimesters for the duration of the degree.

<sup>^</sup> A graduate entry option is also available. Applicants apply direct to Griffith, not through QTAC. For this option, applicants must have an AQF associate degree or equivalent, or at least 5 years equivalent full-time aviation industry experience and either professional aviation industry qualifications or a technical industry certification plus relevant VET certificate. The graduate entry option can be completed over 3 trimesters of full-time study.

*‘The fact our degree has set us up for this opportunity is fantastic.’*

Since graduating from Griffith University with a Bachelor of Aviation, the sky has been the limit for young cadet pilot Angus Slattery. Having grown up with family in the industry—and a broad travel history to his name—Angus’s fitting decision to pursue a career in the cockpit has already proved rewarding. The chief pilot of the university’s Aviation MATES (Mentoring Aviators Through Educational Support) program, Angus is one of three Griffith graduates to have been selected as cadets for Virgin Australia’s 54-week pilot training program, a remarkable opportunity that guarantees the aspiring aviator a job at its conclusion. ‘This is career-shaping,’ Angus said of his selection.

## Leadership skills

Enoch Pun was one of the first students to manage Griffith University’s Student Investment Fund, where students invest and manage real money. Enoch chose Griffith University for its strong focus on employability, flexibility and student engagement. Also the founder of the award-winning Griffith University Association of Commerce, Enoch has embraced all that university life has thrown his way—from helping international students through Griffith Mates and Griffith International to developing his leadership skills within Griffith Business School and through specialised courses locally and overseas.

## Amazing achievement

Claire Randall has spent the past year accompanying her graduate film to scores of festivals across the globe—attending world premieres, sharing the red carpet with stars like Hugh Jackman and Sir Patrick Stewart and meeting a range of festival programmers and filmmakers. *Wolfe* was named Best Short Film by the Youth Jury at the Berlin International Film Festival, winning a Crystal Bear award. The film also received a special mention at the International Short Film Festival, Oberhausen—a place where filmmakers and artists ranging from Roman Polanski to George Lucas have presented their first films. *Wolfe* was also named Best Short Documentary at the Antenna International Documentary Film Festival, and screened at the Film School Fest and Munich and Austin International Film Festivals. Claire said the film's reception had been overwhelming. 'It's absolutely amazing,' she said. 'Getting the opportunity to accompany our film around the world has been such a privilege, and it's taught me so much about the industry.'

### **Claire Randall**

# Education and teaching

## I enjoy studying...

English, art, history, geography, biology, chemistry, maths, physics, design technology, study of society, health and physical education, drama, visual arts, psychology

## I'd like to work as a...

Primary school teacher, secondary school teacher, special needs teacher, physical education teacher, sports coach

## I'd like to work in...

Education, training, community development

## What can I study?

In Griffith's unique Bachelor of Education, your first year will be a foundation year that will give you an understanding of fundamental teaching principles. From your second year, you'll choose to specialise in primary or secondary education, with a focus on a major and/or minor teaching area of your choice.

## Award-winning graduate

Four years after graduating from his journalism degree, Chris McMahon is now coordinating the news of the day for the *Townsville Bulletin* in his role as Chief of Staff. Graduating as a mature age student, Chris was immediately offered a prize cadetship at Brisbane's *The Courier-Mail* before heading north and becoming the crime reporter at the *Bulletin*. 'My study at Griffith helped me decide what type of journalistic field I wanted to embrace and it was crime and human interest stories that attracted my focus.' A series of exposés on the bail conditions of prison parolees helped Chris become the 2017 Young Journalist of the Year at the Clarion Awards.

**Chris McMahon**  
*Journalism graduate*

# Information technology

## I enjoy studying...

Maths, IT, design and technology, graphics, business studies, engineering

## I'd like to work as a...

## *Focused success*

When Griffith IT graduate Cameron Hunter sets his mind to a task, nothing gets between him and his goal. Realising his early intentions to become an architect were misplaced, Cameron found his true calling in the field of software development and dedicated himself to his degree. Adhering to his university-survival mantra—'If you want something, go get it'—Cameron applied himself meticulously to achieving the most he could while at Griffith. This unwavering focus paid off for the young professional upon graduation, when he landed a position in Telstra's IT Solutions team and relocated to Melbourne. 'The way you spend each second is crucial,' he advises. 'So come up with a plan for what you want to achieve, and execute it. There's no point having a plan B, because it distracts you from plan A.'

### **Cameron Hunter**

*Bachelor of Information Technology*

# Languages

## I enjoy studying...

Languages, linguistics, English, study of society, literacy

## I'd like to work as a...

Translator, interpreter, journalist, language teacher, company manager, international educator, non-governmental organisation agent

## I'd like to work in...

Education and teaching, tourism and hospitality, publishing, media, international business

## What can I study?

We teach 10 languages, as well as international linguistics, which can be studied through various degrees.

What you study alongside your chosen language will vary depending on your degree.

<sup>^</sup> Via cross-institutional study at The University of Queensland for degrees at Nathan only.

<sup>#</sup> Offered online via cross-institutional study at Flinders University.

<sup>†</sup> Applicants apply direct to Griffith, not through QTAC/UAC. You can also study the Diploma of Languages along with any bachelor degree. With this option, you can continue learning a language taken at school or start a new language as a beginner, while also gaining a separate degree in another area.

*'I am immensely thankful for the experience that I was able to undertake, both at a professional academic level and a personal level.'* →

## Experience of a lifetime

Italian student Claudia Espinoza recently returned from Italy where she worked at a primary school—Convitto Nazionale Paolo Diacono—as part of the Griffith Global Mobility program. While in Italy, Claudia took on the role of English language assistant, an experience she describes as unforgettable. ‘Having a passion for Italy and Italian pushed me to enrol at Griffith and although learning the language at university for the past two years has been an absolute delight, nothing compares to the experience of traveling and being immersed in a different cultural practice,’ Claudia said. ‘Griffith has always been of immense help and support for me—from providing excellent education, to supplying all the resources and tools necessary to facilitate my studies. I feel like a completely different person: A citizen of the world, a global pilgrim thriving on new challenges with an interest in culture and language in all its different manifestations.’

**Claudia Espinoza**  
*Italian language student*

# Law and criminology

## I enjoy studying...

Legal studies, study of society, English, business studies, media studies

## I'd like to work as a...

Barrister, solicitor, police officer, corrective services officer, welfare support officer, human rights defender, journalist, politician, research analyst, fraud expert, security or intelligence consultant, policy officer

## I'd like to work in...

Law enforcement, security, intelligence, probation and parole, child protection, criminal law, crime analysis, courts and justice services, crime prevention and regulatory agencies, welfare and counselling, criminological research, policy development and law reform, government, community development, banking, finance, industrial relations, commercial law, family law, international human rights and refugee law, international transactions

\* You may choose to fast-track your four-year Bachelor of Laws degree by studying elective subjects in trimester 3, giving you the opportunity to graduate in as little as three years.  
^ You may choose to fast-track your three-year Bachelor of Laws (graduate entry) degree, giving you the opportunity to graduate in as little as two years.

Completing an undergraduate degree at Griffith University laid the foundations for the relationships that Cassandra Heilbronn now enjoys in her flourishing legal career. A Senior Associate at MinterEllison, Cassandra is making her mark in insurance and corporate law while retaining close ties with Griffith's Law school. 'Griffith's environment was encouraging and helped shape my view on how we can progress the legal profession, particularly for women in law. My time at Griffith Law School was instrumental in my building the skills and understanding needed for my role as President of Women Lawyers Association of Queensland.'

**Cassandra Heilbronn**  
*Bachelor of Laws*

# Exceeding expectations

Thomas Spalding began his Criminology and Information Technology double degree in 2017. 'Originally I chose criminology because I had an interest in the field but while studying I thought I might brush up on IT because cybercrime has a lot of potential for jobs.' Thomas also says that the double degree has exceeded his expectations from both an academic and a social perspective. He hopes to work in fraud and cybercrime detection for a private institution before eventually moving into a role with the Australian Federal Police. 'University has taught me that if you apply yourself and want something badly enough you will achieve your goals.'

## **Thomas Spalding**

*Bachelor of Criminology/  
Bachelor of Information Technology*

# Medicine, dentistry and health

Physiotherapy, exercise science and sport, occupational therapy, nutrition and dietetics

## I enjoy studying...

Biology, chemistry, physics, study of society, health and physical education

## I'd like to work as a...

Physiotherapist, exercise physiologist, strength and conditioning coach, dietician, occupational therapist, speech pathologist, health educator, sports facilities manager

## I'd like to work in...

Private and public hospitals, community health services, health promotion, injury treatment and rehabilitation, sports management, coaching

<sup>^</sup> Applicants apply direct to Griffith, not through QTAC/UAC.

Helping Australian war veterans overcome pain while sharing a joke or a story is just part of a normal day's work for Shelby Gates. A Bachelor of Exercise Science and Graduate Diploma of Exercise Science graduate, Shelby is an exercise physiologist at the Active Body Conditioning Centre in Tweed Heads, where almost all of her clients are war vets. 'It's a great group to provide exercise rehab for as it's so rewarding to be able to help people that have served their country,' she says. 'Whatever exercises we're doing, their enthusiasm provides a really positive vibe for everyone at the centre.' Shelby says her Griffith degrees were extremely helpful in providing a fundamental anatomy and physiology grounding.

\* As a graduate of this degree and our Master of Dentistry, you'll be qualified to work as a registered dentist.

@ Students will be required to attend lectures on both Gold Coast and Logan campuses.

<sup>^</sup> This degree, for applicants who completed secondary studies up to three years before applying and have not attempted tertiary study at diploma level or higher, provides the opportunity for you to progress directly into our Doctor of Medicine, which is an AQF level 9 Masters extended degree. ATARs are used in selection process.

# Selection within the rank or additional ranks were used in the selection process. Refer to the institution for more information.

x 3 years full-time equivalent offered in accelerated mode over 2 years

- 3 years full-time equivalent offered in accelerated mode over 2.5 years

## *Dedicated mentor*

The lack of choice and control that Aboriginal and Torres Strait Islander women currently have over their pregnancy and birthing care is the driving force for Griffith graduate Cassandra Nest from the Gold Coast. Cassandra is currently the only Aboriginal and Torres Strait Islander midwife working at the Gold Coast University Hospital and one of only three working in the Gold Coast area. She is aiming to close the gap by actively mentoring Griffith Midwifery students. 'My goal is to inspire potential Indigenous Bachelor of Midwifery students and to assist, enable and encourage them to achieve their goals,' says Cassandra who was also the first Aboriginal and Torres Strait Islander midwifery graduate from Griffith's Bachelor of Midwifery in 2012.

**Cassandra Nest**

*'I was fortunate enough to gain entry into such a prestigious degree at Griffith. I felt that as an Indigenous dental student, I needed to give back to the community as well.'* →

## *In the community*

Filling a vital gap in oral health services at a South East Queensland Aboriginal and Torres Strait Islander community has been a passion for dentistry graduate Michael Baker from Toowoomba. During five years studying at Griffith's Gold Coast campus, Michael and a group of his fellow dental students visited Cherbourg four times a year to run clinics at the local health service. Working on behalf of the Hope4Health organisation, Michael organised the trips, collected donations from corporations, Griffith University and the Australian Dental Association and took the mobile clinic on the three-hour drive to Cherbourg. On his last trip he loaded up his ute with \$60,000 of dental gear and his team spent a day setting up four surgery rooms at the Cherbourg health clinic. 'My student days are over but I'll definitely come out as a supervisor so I will still have an active role in this program,' he said.

## Living the dream

Courtney Monsma landed her dream role even before she graduated from university. The talented triple-threat performer was cast in a national touring production of *Mamma Mia!* in her final year of a musical theatre degree at the Queensland Conservatorium. 'I wouldn't have had the confidence to audition for *Mamma Mia!* if not for this course,' she said. 'You have so much support and are so well prepared. I did the first run of *Mamma Mia!* in Canberra, and then made it back to Brisbane just in time for graduation.' Courtney credits her experience in Conservatorium productions with giving her the confidence to audition. She was cast in the lead role of *Maria* in a blockbuster production of *West Side Story* in her final year. 'It was amazing to be on stage in the Conservatorium Theatre with a huge set, an orchestra and costumes,' she said. 'It was a dream role and *West Side Story* was a great stepping stone to a professional production.'

Mitch now works as a postdoctoral researcher at the Oregon Health and Science University. The best way to describe his job is that he's looking at the roles bacteria play in the overall geochemical cycling of manganese(III) in aquatic environments. He works under a professor whom he describes as somewhat of a legend in this field and, while there, was able to go on a research cruise expedition through the St. Lawrence estuary. Mitch collected samples and investigated the various forms of manganese present as well as collecting samples for bacterial isolations. He says being able to take part in the research cruise is the highlight of his career to date.

*'It was great to have the Griffith Sports College there to help me.'* →

# Passion for sport

For up-and-coming hockey player Rosie Malone, Griffith Sports College has helped with the transition to elite sport and tertiary study. 'I was so surprised and fortunate to come to Griffith University because the Sports College has helped me so much with my studies. They are able to reorganise my exam timetables, talk to my lecturers and conveners, and make performing well so much more achievable.' Rosie said studying a Bachelor of Sport Development tied in perfectly with her passion for sport. 'You get to go out and do pracs at schools and sports facilities, and everything to do with my course is relevant and interesting so it's a great opportunity for me.'

**Rosie Malone**  
*Bachelor of Sport Development*

Our degrees

# Double degrees

Double your degree,  
multiply your opportunities.

Griffith double degrees combine industry-related areas to prepare you for opportunities in a fast-changing world.

You can choose to combine two degrees from related fields to become a specialist, or degrees from different areas of interest to broaden your choices. With our extensive range of study areas, you're bound to find a combination that's right for you.

## Why choose a double degree?

- **Follow your passion**—study what you love while completing a professional qualification.
- **Gain two qualifications**—graduate with the skills to work across different fields.

- **Expand your network**—find more opportunities with a diverse network of valuable contacts.
- **Develop a unique skill set**—combine two areas of study and gain an edge in the job market.
- **Improve your employment outcomes**—increase your chances of landing a job.\*

\* Graduate Careers Australia found in 2015 that double degree graduates are more likely to get a job than single degree graduates.

## How does it work?

When you study a double degree, you'll complete the two degrees at the same time, usually over four or five years, saving you time and money. As a double degree graduate, you'll receive two degree certificates—one for each qualification.

## Final year capstone course

In your final year of study, you'll complete a capstone course that will bring together the knowledge and skills you've gained in each component of your double degree.

## Hands-on industry experience

Our double degrees are structured to include industry internships and work placements, so you'll make practical connections within and between each of your areas of study.

## Finish faster

With our trimester academic year, you may have the option to complete a double degree in the same length of time as a single degree by taking courses (subject to availability) in every trimester each year.

Griffith University student Tim O'Dea is embarking on an international exchange program to the United Kingdom. Tim will spend six months with Plymouth University in England's south-west, as part of a Forensic Science/Criminology and Criminal Justice double degree. 'When I left school I eventually realised there were opportunities to combine my passion for the work undertaken by the Queensland Police Service with a long-held love of science. Ensuring students maximise their networking opportunities with key industries is something Griffith is very supportive of, plus their unique criminology/criminal justice program is world renowned, so I know I'm not short-changing myself within my studied programs.'

**Tim O'Dea**  
*Bachelor of Forensic Science/Bachelor of Criminology and Criminal Justice*

## Double degree options

You'll find prerequisites for specific double degrees at [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

# How to apply

Use this section to help you through the application process.

The following information relates to applying for university as a domestic student. This includes:

- Australian citizens
- Australian Permanent Residents (holders of all categories of permanent resident visas, including Humanitarian Visas)
- New Zealand citizens.

## 1 Select your degree

Find out which Griffith degree is right for you.

### Search our degree and career finder

Visit [degrees.griffith.edu.au](https://degrees.griffith.edu.au) to explore our comprehensive range of degrees. You can search by degree, career or course and find out everything you need to know, from prerequisites and course options to fees and how to apply.

You can also register to receive email updates about our degrees, events and key dates. Find out more at [griffith.edu.au/study](https://griffith.edu.au/study)

### Get a more detailed study guide

Griffith has a suite of detailed study guides covering all our discipline areas.

Find the guides online at [degrees.griffith.edu.au](https://degrees.griffith.edu.au) or pick up a copy at Open Day.

### Connect with us

#### Events

You can find out more about our degrees, meet the people who teach them, and get a taste of student life at events such as Open Day and TSXPO (Tertiary Studies Expo). Find out more at [griffith.edu.au/openday](https://griffith.edu.au/openday)

You can also connect online and talk to us at any time to find out more about your options.

#### Phone or email us

Contact us for advice about your study options and to find out more about studying at Griffith, including student support and scholarships.

- Phone: 1800 677 728 (toll free)

If you're an international student, contact our International Future Students team.

- Phone: +61 (0)7 3735 6425
- Email: [international@griffith.edu.au](mailto:international@griffith.edu.au)

### Online

Find news and information about our degrees, campuses, teaching, research, students, staff and graduates.

- [griffith.edu.au/study](https://griffith.edu.au/study)
- Search frequently asked questions: [griffith.edu.au/ask-us](https://griffith.edu.au/ask-us)

-  [facebook.com/griffithuniversity](https://facebook.com/griffithuniversity)
  -  [linkedin.com/company/griffith-university](https://linkedin.com/company/griffith-university)
  -  [twitter.com/griffith\\_uni](https://twitter.com/griffith_uni)
  -  [instagram/griffithuniversity](https://instagram/griffithuniversity)
  -  [youtube.com/griffithuniversity](https://youtube.com/griffithuniversity)
- #Griffithuni

### Use other resources

A range of other resources can help you choose the right degree for you.

Explore career opportunities for different industries at [myfuture.edu.au](https://myfuture.edu.au)

Learn more about student fees and tertiary options at [studyassist.gov.au](https://studyassist.gov.au)

Shazam this code to be remarkable

## 2 Check entry requirements

University applications are made through the Queensland Tertiary Admissions Centre (QTAC) or the University Admissions Centre (UAC, for New South Wales applicants). In some circumstances, you may submit a direct application to Griffith. Applications are assessed on:

1. **Eligibility**—subject prerequisites and any additional criteria set by the university
2. **Merit**—OP, ATAR or Selection Rank

### Eligibility

#### *Subject prerequisites*

Subject prerequisites are subjects that must be completed, and a minimum grade achieved, in order to be admitted to a degree. English is a prerequisite for all of our degrees and some degrees have additional prerequisites.

#### **Prior Assumed Knowledge**

It is assumed that through your secondary school, or equivalent studies, you will have achieved a minimum level of knowledge in certain subjects, such as Maths (A, B or C), Physics, Chemistry or Biology. If you haven't completed these subjects or don't have the recommended level of prior knowledge, you can still be made an offer for the degree. However, if you want to gain this knowledge, you can take one of our bridging courses.

If you haven't studied the prerequisite subjects for a degree, or if you have studied them but didn't pass, you may be able to complete a bridging course. You can also look for other degrees that may provide a pathway to your preferred degree.

Visit [griffith.edu.au/apply](http://griffith.edu.au/apply) for information on pathways.

### Merit

#### *OP, ATAR, IB and Selection Rank*

An Overall Position (OP) is the tertiary entrance rank assigned to eligible Year 12 students in Queensland based on their performance in senior secondary school subjects.

An Australian Tertiary Admission Rank (ATAR) is the rank assigned to eligible Year 12 students in other Australian states and territories. Some high schools also offer the Diploma of the International Baccalaureate program.

If you don't have an OP, ATAR or a Diploma of the International Baccalaureate, you can still receive a Selection Rank on the basis of bridging courses, tertiary admissions tests or work and life experience.

*For students seeking entry to degrees from Trimester 1, 2021, the Australian Tertiary Admission Rank (ATAR) will replace the Overall Position (OP) as the standard pathway to tertiary study for Queensland Year 12s. For further information, visit [qtac.edu.au/atar-2020](http://qtac.edu.au/atar-2020)*

#### *Additional criteria*

##### **Experience-based entry scheme**

Some degrees, in particular those offered at the Queensland Conservatorium, require applicants to attend an audition and/or submit a folio of work. Education degrees require applicants to submit a personal statement. You can find specific information about these requirements at [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

Some Griffith degrees are designed for people who have studied at university before. These degrees require you to hold a bachelor degree to be eligible for entry. For more detail, refer to the entry requirements for specific degrees on [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

##### **English language proficiency**

If you are a prospective international applicant, or if your previous study was undertaken in a language other than English, you will need to demonstrate that you can speak, write, read and comprehend English. The English language proficiency requirements vary between degrees. Search [degrees.griffith.edu.au](http://degrees.griffith.edu.au) for information on your preferred degree.

### *Selection Rank*

A competitive Selection Rank is required to be eligible for an offer into a degree.

Offers are made to applicants' highest eligible preference. If your Selection Rank is equal to or better than the Selection Rank for that intake, and all other entry requirements are met, you may be eligible for an offer. Eligibility can also depend on whether the program is open and whether places are available for the intake.

Selection Ranks are an indication of the demand for a degree, and do not necessarily reflect the level of academic difficulty. Indicative Selection Ranks are not available for new degrees. Selection Ranks can change from year to year and should be used as a guide only.

### **Applicants over 18**

At Griffith, you are considered mature age if you are seeking entry to university and you are 18 years of age prior to the commencement of the next trimester.

### **Pathways**

If you have not met the entry requirements through your recently completed secondary studies, there is a range of options that can help you upgrade to your preferred degree or to satisfy subject prerequisites.

We recognise the knowledge and skills gained through bridging courses, vocational education and training (VET) study and Special Tertiary Admissions Test (STAT) results. The Selection Ranks from these qualifications may not meet the entry requirements for all degrees.

Please contact us to clarify the specific requirements for your preferred degree. Please note, STAT is not for current school-leavers. For more information, visit [griffith.edu.au/pathways](http://griffith.edu.au/pathways)

## Griffith Personal Statement

Success at university is about much more than completing a qualification. The Griffith Personal Statement is an entry pathway available to mature students who don't meet the academic entry requirements for a number of degrees. You may be invited to apply on the basis of your personal and professional skills and knowledge. You'll be asked to answer a number of questions based on criteria we know are good predictors of success at university, including attributes such as commitment, preparation, self-reflection and experience. Visit [griffith.edu.au/griffith-personal-statement](http://griffith.edu.au/griffith-personal-statement) to find out more.

## Griffith University Preparation Program

If you are a non school-leaver who would like to undertake university study but lack the formal qualifications for admission, you may wish to apply for the Griffith University Preparation Program.

The program consists of four courses which will provide you with the foundational knowledge, academic skills and confidence to complete an undergraduate degree at Griffith University. Applicants who successfully complete the program will be eligible for admission into a number of Griffith degrees. Visit [griffith.edu.au/gu-prep-program](http://griffith.edu.au/gu-prep-program)

## Griffith College

If you haven't achieved the OP or Selection Rank you were expecting, missed out on the degree of your choice, or are looking for alternative ways to get into university, you might consider completing a diploma at Griffith College. Located at the Gold Coast and Mt Gravatt campuses, Griffith College offers diplomas comprising courses comparable to those in some of our degrees. After successfully completing a Griffith College diploma, you're guaranteed direct entry into a range of related Griffith degrees with up to a year's credit. Conditions apply for some degrees.

Griffith College also offers a Foundation Program to help you bridge the gap if you didn't finish senior high school. See page 66 for more information about Griffith College, or visit [griffith.edu.au/college](http://griffith.edu.au/college) to find out more.

## Certificate IV in Adult Tertiary Preparation

TAFE and various other private providers offer the Certificate IV in Adult Tertiary Preparation. Students are trained in the knowledge and skills needed for successful tertiary study. If you complete the full Certificate IV in Adult Tertiary Preparation (CATP) at a Queensland TAFE Institute you are guaranteed a place in a range of Griffith University degrees. You can also complete specific components of the CATP to meet subject prerequisites for admission into your preferred degree. To find out more, visit [griffith.edu.au/pathways](http://griffith.edu.au/pathways)

## TAFE Admission Scheme

When you graduate with a Diploma or Advanced Diploma from an Australian TAFE Institute, your Selection Rank will be adjusted through our TAFE Admission Scheme. You'll receive guaranteed direct entry into the next intake for your eligible degree where places are available. Some exclusions apply. You may also be eligible to receive credit transfer. To find out more, visit [griffith.edu.au/tafe-admission-scheme](http://griffith.edu.au/tafe-admission-scheme)

## Open Universities Australia

In conjunction with Open Universities Australia (OUA), we offer online studies in arts, business, communication, and criminology and criminal justice. OUA entry requirements enable anyone to study a degree, while offering greater flexibility in structure through the wide range of courses available. We also offer Commonwealth supported places (CSP) through OUA in the:

- Bachelor of Arts
- Bachelor of Business
- Bachelor of Communication and Journalism
- Bachelor of Criminology and Criminal Justice.

After completing and passing two OUA courses or equivalent (with a minimum GPA of 4 and within the previous 12 months), you can apply for a CSP place. Visit [open.edu.au/courses/grf](http://open.edu.au/courses/grf) to see what Griffith courses you can study via OUA and find out how to apply.

Visit [griffith.edu.au/oua](http://griffith.edu.au/oua) to find out about support for Griffith OUA students.

## Adjustment Factors

We offer a range of schemes that may boost your Selection Rank and improve your chances of getting into your preferred degree. You don't need to apply for adjustments—they will be automatically applied to your QTAC or UAC application.

The maximum total adjustments an applicant can receive under all schemes is capped at 8 ranks. Subject prerequisites and additional entry requirements still apply, and some degrees are not eligible for adjustments.

Refer to [degrees.griffith.edu.au](https://degrees.griffith.edu.au) for details on specific degrees.

### GUESTS

The Griffith University Early Start to Tertiary Studies (GUESTS) program offers OP, ATAR or Diploma of the International Baccalaureate eligible senior high school students the opportunity to study a course (subject) at Griffith while still at school. Students who successfully complete their course are eligible to be awarded a maximum adjustment of 4 ranks (2 per course) and may apply for credit transfer in an undergraduate degree. Visit [griffith.edu.au/guests](https://griffith.edu.au/guests) for more information.

### Year 12 adjustment scheme

We award subject adjustments for subjects and university courses that you successfully complete in high school that require a high level of skill and knowledge. This includes Year 12 applicants currently undertaking their external senior studies. As a current Year 12 student, you can be awarded a maximum adjustment of 6 ranks (2 per subject) for successfully completing subjects (or equivalent interstate subjects) such as:

- Accounting
- Aerospace
- Ancient History
- Biology
- Business
- Chemistry
- Economics
- Geography
- Health
- Languages other than English (LOTE)
- Legal Studies
- Marine Science
- Modern History
- Physics
- Specialist Maths
- GUESTS course<sup>#</sup>

# Including GUESTS At-school (including Griffith Biology, Griffith Engineering etc.), On-campus or Online, as well as recognised GUESTS equivalent from other tertiary institutions. You can receive a maximum adjustment of four ranks for GUESTS courses.

**Note.** The Bachelor of Medical Science and the Bachelor of Dental Health Science are excluded from this scheme.

For a complete list of subjects, find out more about subject adjustments at [griffith.edu.au/Year12-adjustment-scheme](https://griffith.edu.au/Year12-adjustment-scheme)

### OP 1-6 Guarantee

We award all applicants with an OP 1–6, or equivalent Selection Rank, a guaranteed place in most Griffith undergraduate degrees. You do not need to apply separately for the guarantee as this is automatically applied to eligible QTAC or UAC preferences. This scheme is also known as 'The Griffith High-Achiever Guarantee' in UAC. Mature age and non-current school-leavers are also eligible for this scheme. For further details, please check the degree and career finder at [degrees.griffith.edu.au](https://degrees.griffith.edu.au)

### Gold Coast and Logan Campus Priority Access Scheme

If you're a local and new to tertiary study, you may be eligible for Priority Access. This scheme awards a location adjustment of one OP band or two ranks when you apply for degrees at Gold Coast and Logan campuses and reside in an eligible region. Some degrees are excluded from this scheme. Find out more at [griffith.edu.au/gold-coast-logan-priority-access](https://griffith.edu.au/gold-coast-logan-priority-access)

## 3 Get ready by preparing your application

You can list up to six preferences on your QTAC application or five preferences on your UAC application. You'll receive an offer for the highest preference you're eligible for. Here's a guide to ordering your preferences:

**1st and 2nd Desired degrees**—these are degrees you really want to study and that you have a reasonable chance of gaining entry to.

**3rd and 4th Preferred degrees**—these are degrees that you want to study and have a good chance of gaining entry to.

**5th and 6th Pathways**—these are degrees or diplomas that will help you upgrade to one of your desired or preferred degrees.

- Nominating a degree for all preferences will give you the best chance of being offered a place at university.
- If you're applying for a double degree, make sure you list the two component single degrees as preferences as well—these may be easier to gain entry to. You may have the chance to upgrade to the double degree after a year of study.
- If you intend to study at the Gold Coast campus, we recommend that you apply via either QTAC or UAC, but not both. If you're eligible, you'll still receive your offer with us and you'll save on application fees.

## 4 Lodge your application

### Lodge as soon as you are ready

Apply for Trimester 1 online to QTAC or UAC.

**QTAC**—Early-bird applications close 28 September, 2018.

**UAC**—Early-bird applications close at the end of September, 2018.

Applications may still be lodged after the Early-bird dates, but a late fee may apply.

Visit the QTAC and UAC websites to find out specific application deadlines for Trimester 2, Trimester 3 and specific degrees.

For further information, please visit [griffith.edu.au/apply-to-study](http://griffith.edu.au/apply-to-study)

## 5 Lodge any additional applications

As well as your QTAC or UAC application, you may have other applications to submit, such as music auditions, scholarships or accommodation. **Application deadlines for these vary, so be sure to check the website for specific details.**

### Auditions

If you're applying for a degree at the Griffith Queensland Conservatorium, visit [griffith.edu.au/conservatorium-auditions](http://griffith.edu.au/conservatorium-auditions) for details on how to apply for an audition.

### Scholarships

With more than 600 scholarships on offer, we can help make study at university easier. Academic excellence, equity, accommodation, First Peoples and sports scholarships are available. Visit [griffith.edu.au/scholarships](http://griffith.edu.au/scholarships) to find out what you're eligible for and apply. If you're an international student, visit [griffith.edu.au/international-scholarships](http://griffith.edu.au/international-scholarships)

### Student accommodation

If you're thinking of living on campus, submit your application **as soon as possible**. Accommodation offers are based on distance from the university and time of application. Successful applicants will be notified after QTAC offers are made. Find out more at [griffith.edu.au/accommodation](http://griffith.edu.au/accommodation)

## 6 Find out about study costs and finance

Most Australian students who are studying degrees are recognised as Commonwealth-supported students. This means you pay a student contribution each trimester and the majority of the cost of your education is met by the Australian Government, through the HECS-HELP scheme.

### 2018 Student contribution bands

BANDS AND DISCIPLINES IN EACH BAND	RANGE (PER EFTSL*)
<b>Band 3:</b> Law, Accounting, Administration, Economics, Commerce, Dentistry, Medicine, Veterinary Science	\$10,754
<b>Band 2:</b> Mathematics, Statistics, Computing, Built Environment, Other Health, Allied Health, Science, Engineering, Surveying, Agriculture	\$9,185
<b>Band 1:</b> Humanities, Behavioural Science, Social Studies, Education <sup>^</sup> , Clinical Psychology, Foreign Languages, Visual and Performing Arts, Nursing <sup>^</sup>	\$6,444

\* Equivalent full-time study load.

<sup>^</sup> Students considered as pre-2010 will be charged for Education and Nursing at the rate of \$5,157 per EFTSL.

Visit [studyassist.gov.au](http://studyassist.gov.au) for more information on student contributions bands.

### Deferring your study costs with HECS-HELP

HECS-HELP (the Higher Education Contribution Scheme-Higher Education Loan Program) is a government loan that, depending on your citizenship or residency status, allows you to defer the costs of your study and pay your student contribution when you are earning more money. You repay your HECS-HELP debt through the tax system. This means that other than study materials such as textbooks, you will have no up-front costs for your degree.

### Financial assistance

Once you are at university, our welfare and student liaison officers can help you plan budgets, apply for loans and equity schemes (if you qualify), and explore other financial options, such as Centrelink payments. Visit [griffith.edu.au/welfare](http://griffith.edu.au/welfare) for more information.

## 7 Accept your offer and enrol

QTAC and UAC offers rounds for study in Trimester 1 2019 intake commence in early August 2018. We recommend accepting your offer and enrolling **as soon as possible** to secure your place. You can then select your classes and create a timetable.

### QTAC continuous offers

Griffith commences making QTAC offers to eligible non school-leavers from August each year. Year 12 students may receive an offer as soon as results are released in December, which can assist with organising accommodation, changing preferences or seeking alternative study pathways.

Offers to some programs are made only during the mid-January offer round.

This means you have to wait until this date before you receive an offer. To check degrees and their offer round dates, visit [qtac.edu.au](http://qtac.edu.au)

### Credit for prior learning

Once you have been accepted into Griffith, you can apply for credit for prior learning, which can reduce the time it will take to complete your degree. Providing you can show that it's relevant to your degree, you can be granted credit for formal study such as TAFE courses, non-formal learning, such as workplace training, and informal learning, such as work, social, family, hobby or leisure activities. Visit [griffith.edu.au/credit](http://griffith.edu.au/credit) to find out more.

### Deferment

Deferment allows you to delay the start of your studies, while still securing your offer. Deferment is not available for all degrees and cannot exceed 12 months. You can request to defer after you receive an offer. You can select the deferment option when you respond to your QTAC offer. For UAC, you can email [deferred@griffith.edu.au](mailto:deferred@griffith.edu.au) to request deferment.

### Internal transfer

Once you have been admitted to Griffith you have the option to apply for an internal transfer to another degree. Providing you meet the entry requirements for the degree you wish to transfer to, you do not need to reapply through QTAC or UAC.

If you have an active QTAC or UAC application, you can also change your preferences.

Not all degrees can be applied for via internal transfer. Find out more at [griffith.edu.au/apply/internal-transfer](http://griffith.edu.au/apply/internal-transfer)

# Griffith College

Discover an admission pathway to Griffith University.

Griffith College offers diplomas that provide an admission pathway to Griffith University if you don't get in to your chosen degree. After completing your diploma, you'll be eligible for entry to second year\* of a Griffith bachelor degree, so you'll lose no time in graduating.

Griffith College programs are equivalent to university-level study, and are delivered in a supportive and specialised learning environment to better prepare you for success in your bachelor degree.

And because Griffith College is situated on-campus at the Gold Coast and Mt Gravatt, you'll have access to university facilities and become part of the Griffith community from day one.

Griffith College offers 11 diploma programs providing access to second year of more than 60 Griffith bachelor degrees across diverse study areas such as arts, commerce, hotel management, psychology, IT, science, nursing, health sciences, engineering, criminology and design over two trimesters.

For Griffith College fee information, entry requirements and credit transfer information, visit [griffith.edu.au/college](http://griffith.edu.au/college)

## Foundation Program

Griffith College also offers a Foundation Program, which is a bridging course for students who didn't finish senior studies in high school. You'll be trained in the knowledge and skills needed for successful university study and be able to acquire prerequisites for specific Griffith University degrees. Griffith College Foundation Program graduates are eligible to apply for many Griffith College diplomas and Griffith University degrees via direct application.

\* Entry into second year is dependent on successfully completing the Griffith College program and meeting degree admission requirements. Students must complete in their second or third years of the degree any first year core courses for which credit transfer has not been granted.

## Strive for success

'I decided to apply through Griffith College as I had been out of school for a little while and wanted to study again. Griffith College offered a very supportive course to guide my learning and has taught me so many different ways to study more effectively. The teaching styles of the lecturers are second to none. They present the course information in a fun, easy-to-understand manner which inspires us to strive for success. I love that I can make an appointment to meet with a Student Learning Adviser if I need help with my assignments.'

**Jessica Murray**

<sup>#</sup> Lower amount for all students not required to complete English Language Enhancement Course.

# Support to help you succeed

We offer a wide range of support services to help you feel confident and succeed in your degree.

## Orientation

To help you get settled and enjoy success at university, we hold Orientation Week, or O-Week, the week before each trimester starts. You'll find out more about your chosen degree, meet other students, get familiar with our campuses, have the chance to sign up for clubs and societies and find out what Griffith has to offer. As well as practical tours and information sessions, O-Week includes fun activities and social events, plus live music, food stalls and giveaways. Find out more at [griffith.edu.au/orientation](http://griffith.edu.au/orientation)

## Learning support services

In our libraries we provide spaces that are adaptable and comfortable where you can access services and resources, meet up for group study or find a space for individual work. In all our libraries we provide computers for study, laptops you can borrow, or you can connect your own device to the wireless network. Participate in our Early-bird workshops or upskill at your own pace with the libraries' study modules designed to develop your academic, digital and library research skills. For more information visit [griffith.edu.au/library/study](http://griffith.edu.au/library/study)

## Peer Assisted Study Sessions

You can access Peer Assisted Study Sessions (PASS) for a wide range of courses. PASS is facilitated by student leaders who have previously completed the course and achieved excellent results. Participating in PASS will help you improve your grades, better understand course content, break down complex ideas and save hours with smarter study methods.

## Peer mentoring

At Griffith, successful continuing students provide our commencing students with assistance to settle into university. These students are called peer mentors. Evidence shows students who connect with a mentor report an enhanced sense of connection, as it helps them to know and interact with other students and staff. They also feel engaged with their program, have knowledge of the services available to them as students and report a comfortable Orientation process.

## Tutoring

Griffith students offer tutoring to students from surrounding schools and to current Griffith students. The tutoring sites allow students looking for tutoring assistance to find the most appropriate tutor based on location and subject expertise. To access a Griffith tutor visit [griffith.edu.au/tutoring](http://griffith.edu.au/tutoring)

## International students

If you're from a non-English speaking background, you can improve your skills through EnglishHELP (English Higher Education Language Program). This free service offers individual support to help you build confidence with speaking and listening, improve your knowledge of grammar and your pronunciation, and learn to write a scientific report. Explore EnglishHELP's free online resources at [griffith.edu.au/englishhelp](http://griffith.edu.au/englishhelp)

You'll also have access to our International Student Advisers, who offer personal support and can help you with study-related issues. Find out more at [griffith.edu.au/international-student-advisors](http://griffith.edu.au/international-student-advisors)

## Personal support services

Our personal support services will help you manage your life while you're at university, and develop skills to enhance your life and study. Our services and programs include:

- transition and support services for students from educationally disadvantaged backgrounds
- specialised support for students with disabilities
- job search and career development to build employability skills
- chaplaincy, where you can discuss life's challenges, explore spirituality, faith and social justice issues and meet other people interested in religious matters
- counselling, to help you when you need support with issues such as the transition from school, study, motivation, relationships, self-esteem, grief and loss, anxiety and stress
- health services, such as bulk-billed medical consultations, specialist appointments, free nursing consultations and health information
- welfare support and help with issues such as appeals and grievances, student loans, Centrelink payments, budgeting and tenancy
- personal development programs to grow skills for life and study (resilience, adaptability, financial literacy, etc.).

Go to [griffith.edu.au/student-services](http://griffith.edu.au/student-services) to find out more.

## Aboriginal and Torres Strait Islander students

The GUMURRII Student Support Unit (SSU) is the heart of Griffith University's Aboriginal and Torres Strait Islander community and is located on each of Griffith's five campuses. GUMURRII SSU is a dedicated support unit for Aboriginal and Torres Strait Islander students enrolled at Griffith University. GUMURRII SSU staff assist students from recruitment and orientation through to graduation, providing undergraduate and postgraduate support, including tutorial assistance in a safe and culturally appropriate learning environment.

The Aboriginal and Torres Strait Islander Tutorial Assistance Program (ATSITAP) is an initiative that aims to improve educational outcomes for Aboriginal and Torres Strait Islander students at Griffith University. The ATSITAP funding covers the costs of providing supplementary tuition to eligible students who require additional academic support.

Find out more at [griffith.edu.au/gumurrii](http://griffith.edu.au/gumurrii)

## Finding a place to live

Griffith Accommodation and a range of private providers offer on-campus accommodation at our Gold Coast, Nathan, Mt Gravatt and Logan campuses. Living on campus is a convenient option for many students and provides the opportunity to join a diverse international community, access university facilities and academic support and make lifelong friends. We can also provide information on how to find off-campus accommodation, what to look for when inspecting properties, how to apply for accommodation once you have found the right place and help you connect with potential flatmates if you're looking to share accommodation.

Campus Life (in Brisbane and Logan) and the Student Guild (at the Gold Coast) can also provide you with up-to-date listings of accommodation ranging from rooms in share houses to beach-front apartments, with information on transport and costs.

For more information visit [griffith.edu.au/accommodation](http://griffith.edu.au/accommodation)

## Students with disabilities

We provide disability support services on all campuses.

These services, coordinated through our Student Services office, enable students with disabilities to access and participate in our learning environment. Support includes:

- information on application and enrolment procedures
- adjustments to the physical environment
- negotiation of reasonable adjustments
- access to assistive technology
- arrangements for required readings to be converted to accessible formats.

*Future students should contact the Disabilities Service:*

Phone: +61 (0)7 3735 7470

Email: [disability@griffith.edu.au](mailto:disability@griffith.edu.au)

If you are deaf or hard of hearing, you can contact the Disabilities Service Officer directly on:

Phone: 0419 713 271

Email: [deafstudentsupportprogram@griffith.edu.au](mailto:deafstudentsupportprogram@griffith.edu.au)

Bachelor of Arts student Emily Smith combines her love of literature with helping others. As a Peer Assisted Study Session leader, she helps fellow arts students with first year courses. 'It's a great position because it helps students become more confident in their knowledge. It also helps me with strengthening my knowledge of the courses,' she said. She also established the Humanities, Languages and Social Sciences Society and is an Academic Excellence Society Ambassador, helping students with peer support.
