

2018 International Course Guide

Undergraduate & Postgraduate

Vice-Chancellor's Message

At Edith Cowan University (ECU), we understand that deciding to study overseas is both exciting and challenging.

Located in Western Australia, ECU's industry-relevant teaching and research, supportive study environment and award-winning facilities have been recognised with five-star ratings for teaching quality eight years in a row in the Good Universities Guide (2010-2017).

Our courses are developed in consultation with industry, and our teaching staff have extensive industry experience and networks. It is through our connections with industry groups and professional bodies that ECU students can experience work placements, fieldwork, practicums, networking events and volunteering opportunities as part of their studies.

ECU has been ranked in the world's top 150 universities under 50 years old in the 2017 Young Universities Rankings (formerly known as the Times Higher Education 150 under 50).

In addition to developing important academic and professional skills, at ECU you will have the opportunity to make new, lifelong friends, whilst also enjoying our welcoming culture and friendly study environment.

So be the graduate the changing world needs, and get ready at ECU.

Professor Steve Chapman
Vice-Chancellor

Who was Edith Cowan?

Born in 1861 in Glengarry, Western Australia, Edith Dircksey Cowan believed education was the key to growth, change and improvement. Edith's contribution to the development of Western Australian education was significant. She strove to achieve social justice and campaigned for the rights of women, children and families, for the poor, the poorly educated and the elderly. So it's fitting that the State's oldest education institution and newest public university, Edith Cowan University, bears her name.

Our world is more dynamic than ever before, creating new ideas and new possibilities.

So how do you engage with this ever-changing environment?

You learn. And the best way to learn is from experience.

ECU is a university for our times, where students learn in hands-on environments and in industry relevant courses. Our lecturers have extensive experience in their fields and place the needs of students above all else.

We're a university where you can learn the combination of theory and practical skills needed to take advantage of every opportunity. Skills that will allow you to understand and meet new challenges, and to thrive in an evolving world.

Are you ready?
Apply to ECU for 2018.

Review and Examination	12-23 November

ECU is committed to reconciliation and recognises and respects the significance of Aboriginal and Torres Strait Islander peoples' communities, cultures and histories. ECU acknowledges and respects the Aboriginal and Torres Strait Islander peoples, as the traditional custodians of the land. ECU acknowledges and respects its continuing association with Nyoongar people, the traditional custodians of the land upon which its campuses stand.

Why get ready at ECU?

At ECU, we equip you with the confidence and practical skills to deal with whatever challenges may come your way, no matter where you are in the world. But if that isn't enough, here are a few more reasons why you should choose ECU.

Visit international.ecu.edu.au for more information.

Industry Links

- 1 Many of our courses offer direct links with industry and organisations, which means our students get hands-on experience while they are studying.

Learn from the Best

- 2 Our high calibre staff have extensive experience as researchers, teachers, advisers or consultants and have significant professional experience in their field.

Practical Learning

- 3 We offer learning that extends beyond the classroom via practicum, work integrated learning, and internships.

Internationally Recognised

- 4 ECU qualifications are recognised worldwide, with many graduates gaining employment in varying capacities in Australia and overseas.

Rankings

Here is a snapshot of recent university rankings, both nationally and internationally.

Most Satisfied Students

ECU has been ranked the top public university in Australia for most satisfied students in the 2017 QILT (Quality Indicators for Learning and Teaching) survey. Results showed 86.1% were satisfied with their educational experience at ECU. We were also the top Western Australia public university for teaching quality, support, resources and skills development.

Times Higher Education

ECU has been named in the Times Higher Education (THE) Young University Rankings for 2017.

Recognising the world's 200 best universities less than 50 years of age, the rankings are a global showcase of a new breed of university. They focus on performance indicators such as research, teaching excellence, international outlook and innovation, and highlight universities that are developing at an exceptional rate.

Five-Star Teaching Quality

ECU graduates have given us a 5-star rating for teaching quality for the eighth year in a row (2010 to 2017) in the 2017 Good Universities Guide. No other public university in Western Australia – and very few across Australia – have achieved such a consistently high endorsement for teaching quality.

The 2017 edition of the Guide also shows ECU graduates continue to enjoy a five-star rating for starting salaries, for the third year in a row.

2017 U-Multirank

In the latest university rankings, ECU received the highest rating of 'very good' for Bachelor and Masters graduates finding work locally, as well as 'very good' ratings for its close links with local communities.

Flexibility

- 5 | Through a variety of academic and English entry pathways, we enable people from all backgrounds to enrich their lives and their communities through education.

Choices

- 6 | We offer a diverse range of courses, majors, minors and electives. In addition, we offer a variety of double degrees, which enable you to consider a diverse range of careers, in just four to six years of full-time study (depending on the double degree combination you choose).

Safe Campuses

- 7 |
- Security service (24/7)
 - Well-lit pathways
 - Emergency phones
 - Night security escort

Outstanding Facilities

- 8 | We are known for our award-winning facilities and are at the forefront of providing innovative education and training solutions.

Supportive Learning Environment

- 9 | We offer a supportive study environment with approachable teaching staff and a range of support staff. This includes counsellors and academic skills advisers, to help you get the most out of your education.

Top Rated Research School

- 10 | According to the 2016 International Student Barometer, ECU's Graduate Research School has been ranked among the top three in Australia each year since 2011 with satisfaction of 95% or higher.

ECU Fast Facts

68,000 More than 68,000 people have graduated from ECU since 1991	29,000 ECU has over 29,000 students	5,200 Including on-shore and off-shore students, ECU has some 5,200 International students	1,700 ECU has over 1,700 staff
300 ECU offers more than 300 courses	100 ECU has International students originating from more than 100 countries	8 ECU has 8 schools	3 ECU has 3 campuses

About Perth

Perth is the capital city of Western Australia (commonly referred to as WA), which is the largest state in Australia.

The Economist Intelligence Unit has rated Perth one of the top 10 most liveable cities in the world for the past 13 years (2004-16).

Perth has a vibrant restaurant and food scene, with more than 100 new restaurants and pubs opening in the past few years.

Getting Around Perth

Perth has modern and safe public transport network that is convenient and accessible for students.

- **Free bus service:** Perth, Fremantle and Joondalup city zones have a free bus service
- **Discount:** Full-time students receive between 40% and 45% discount on all public transport

Visit the Transperth website transperth.wa.gov.au for more information.

Beaches

Western Australia is home to some of the best beaches in the world (TripAdvisor 2017). Indeed, Perth has 19 beautiful white sand beaches, so there is sure to be one to suit your needs.

Population

Perth: 2 million
Western Australia: 2.58 million
Australia: 24 million

Perth Fast Facts

- **Multicultural:** Perth is ranked #1 in Australia for best student diversity (Austrade online international student data, Canberra, March 2016)
- **More affordable:** Perth is the cheapest major city in Australia (Worldwide Cost of Living Report 2017, The Economist Intelligence Unit)
- **Strong Economy:** Western Australia has 11% of Australia's population but produces 41% of Australia's exports (Australian Bureau of Statistics, May 2016)
- **Higher Wages:** On average, Western Australians earn \$88,852 compared to an Australian Average of \$78,026 (Australian Bureau of Statistics, May 2016)
- **Free Wifi:** The City of Perth as well as the City of Joondalup offer free public Wi-Fi around the Central Business District
- **Great city to study:** Perth was also rated in the top 35 best student cities in the world for the past six years (QS, Best Student Cities 2016)

Perth: a city full of sunshine!

Perth has a Mediterranean climate with hot dry summers and mild wet winters. However, even in winter, Perth still enjoys plenty of warm sunshine, so it is no wonder Western Australians love the outdoors.

Season	Month	Average maximum temperature	Average minimum temperature	Average days of rainfall per month	Average hours of sunshine per day
Summer	Dec/Jan/Feb	29°C	17°C	4	11
Autumn	Mar/Apr/May	24°C	14°C	9	7
Winter	Jun/Jul/Aug	18°C	10°C	18	5
Spring	Sep/Oct/Nov	21°C	12°C	11	9

What's happening in Perth?

One of the most exciting projects happening in Perth is the development of **Elizabeth Quay**, a waterfront destination in the Perth Central Business District, offering a range of activities to attract people of all ages, at all times of the year.

One and a half hectares of promenade space link a series of public parks and spaces around the new inlet to the island - a more relaxed space with views back to the city. The promenade and public domain are free and people-friendly and will be complemented by new shops, restaurants and entertainment.

While not finalised, new data shows more than 6.6 million people have visited the quay since opening in January 2016 and several successful businesses have emerged, offering new experiences for locals and visitors.

Over the last few years, there have been many urban developments in and around Perth, with some still to come very soon:

- The new **Perth Stadium**, on track for completion in time for the start of the 2018 AFL season, will be a multi-purpose venue capable of hosting AFL, rugby, football (soccer), cricket and entertainment events that will have an initial 60,000 seat capacity.
- The **New Museum for Western Australia**, set to be completed by 2020, is one of the most significant museum redevelopments in the world today.
- The new **Perth Children's Hospital** will open in the near future, just a few years after the Fiona Stanley Hospital opened, in 2015.

Our Campuses

We pride ourselves on our industry-relevant, world-class facilities that allow you to experience modern equipment in real-world environments.

ECU has two metropolitan campuses in Joondalup and Mount Lawley and one regional campus in Bunbury.

All of our campuses can be accessed conveniently via public transport.

ECU Joondalup

Our Joondalup Campus is set within beautiful surroundings and its spacious grounds provide a great place for students to study and relax.

Courses are offered in arts, commerce, communications, engineering, law, medical and health sciences, natural sciences, nursing, computing and security, sports science, psychology, social science and teacher education.

ECU Joondalup Pines Outdoor Cinema

During the summer months, we host the Lotterywest Festival Films at the ECU Joondalup Pines Outdoor Cinema, where moviegoers can enjoy watching a diverse line-up of international films.

Joondalup City Highlights

- Located in the heart of the northern suburbs
- 26km from the Perth Central Business District
- Relaxed and casual atmosphere
- Lakeside Joondalup Shopping City is the largest shopping centre in Western Australia
- Free bus service

ECU Mount Lawley

Located in the trendy suburb of Mount Lawley and close to the Perth Central Business District, you can't help but be inspired by the artistic vibe at our Mount Lawley Campus.

Courses are offered in arts, communications, design and teacher education.

World-Class Facilities

ECU recently invested \$5 million in the infrastructure and equipment for a new communications and arts hub on our Mount Lawley Campus. The hub contains facilities for design, visual arts, fashion, broadcasting, animation, photomedia, motion capture and film.

Mount Lawley City Highlights

- Festivals – Comedy Festival / International Film Festival
- Vibrant night life
- Local and international cuisine
- Located only 3km from the Perth Central Business District

ECU South West (Bunbury)

Located less than 200km south of Perth, our South West Campus in Bunbury is the largest university campus in regional Western Australia. This campus is perfect for students looking for a regional experience.

Courses are offered in arts, commerce, health sciences, nursing, social work and teacher education.

Facilities

The campus features a café, mini-gym, multi-purpose sports courts, two nursing demonstration wards, science laboratories and a library with 24-hour access to a computer lab.

The Bunbury Campus is co-located with the South West Regional College of TAFE, Manea Senior College and two hospitals.

Bunbury City Highlights

- Third largest city in Western Australia
- Only 100km from the beautiful country town of Margaret River (known for its wine, good food, surfing spots and spectacular scenery)

Facilities, Services & Support

At ECU, we provide a supportive learning environment through our excellent range of facilities, services and support programs.

Student Central

On each campus, Student Central is your point of reference for all enquiries regarding academic progress and enrolment assistance, as well as for a range of support services.

Academic Support

Our Learning Advisers are always on hand to assist you with a range of study skills and advice on preparing assignments. They conduct workshops, prepare academic skill resources, support other academic staff in promotion of tertiary literacy skills and see students one-on-one and in group consultations.

Facilities

- Fully-equipped modern libraries
- E-labs available
24-hour/7days/52 weeks
- Free Wi-Fi
- Over 5,100 parking bays across all campuses
- On-campus accommodation
- Ngoolark at Joondalup:
one-stop-shop for students

Health and Wellbeing

- Medical Centres (Joondalup and Mount Lawley campuses)
- Free Counselling service
- Multi-faith Chaplaincy service
- Fully-equipped sports, recreation and fitness centres (Joondalup and Mount Lawley campuses)
- Mini-gym and playing courts (Bunbury Campus)

Security

- Security service 24/7
- Well-lit pathways
- Emergency phones
- Night security escort

Careers and Leadership Services

Careers and Leadership Services provide free career counselling and job search support to all current students and alumni.

Resources and services include:

- Tools to plan and manage your career pathway
- Careers workshops
- Job application skills including résumé and cover letter writing, selection criteria and interviews
- Access to part-time, casual, full-time and graduate employment (if visa conditions allow)
- On-campus employer presentations
- Career fairs
- Volunteering opportunities

Visit ecu.edu.au/careers for more information.

Food and Retail

- Cafés and other food outlets
- Hairdresser (Joondalup Campus)
- Optometrist (Joondalup Campus)
- Co-op Bookshops
- ATMs

Recreational and Social Opportunities

- Student Guild
- Clubs and societies
- Intersports
- Taverns (Joondalup and Mount Lawley campuses)

Family Support

- Childcare
- Crèche
- Parenting rooms
- ECU Kids Holiday Program (Joondalup and Mount Lawley campuses)

Accommodation

At ECU, we have excellent on-campus accommodation on all three of our campuses. Our multi-million dollar development at the Joondalup Campus offers modern apartments over seven floors of accommodation and a range of enjoyable facilities, including a recreation room, barbeques and a swimming pool. Our recently constructed student accommodation at our Mount Lawley Campus features state-of-the-art facilities such as a pool, café, student lounges with Wi-Fi, e-library and more.

On-Campus Accommodation

Campus Living Villages (CLV) manages our accommodation on the Joondalup, Mount Lawley and Bunbury campuses. No matter which campus you are on, you will enjoy an exciting residential life program and a vibrant student community, all located minutes from the University's main facilities.

Apartments are fully furnished with private bedrooms, large kitchens and spacious lounge areas, so you will have plenty of space to hang out with friends and flatmates.

Due to the high demand for on-campus accommodation, we recommend that you visit mystudentvillage.com/au/ecuvillage and make your online application early. Please note that a minimum stay applies.

More than just a room...

Right from the time you check in, you'll find fantastic opportunities to make friends and experience all that university life has to offer. Our Residential Life program is our pride and joy, with events designed to help students live, learn and grow.

- ▶ **Live:** With themed parties, movie nights and sporting competitions.
- ▶ **Learn:** With group and individual study spaces, lessons on exam techniques and essay writing.
- ▶ **Grow:** With multicultural food festivals, cooking classes and résumé writing workshops.

Features

- Student lounge with pool table and table tennis
- Outdoor pool
- Wireless e-library
- Sporting equipment
- Swipe card-operated laundries
- Communal kitchen
- High speed internet access
- TV room
- BBQ
- Parking

Cost

The cost includes fully furnished apartments and access to amenities; plus proximity to ECU's campus saves you money on transportation and internet fees.

Single room	from: \$229 / week*
-------------	---------------------

Multi bed apartment (six bedrooms)	from: \$185 / week*
---------------------------------------	---------------------

*Prices are in Australian Dollars, vary depending on campus, and are subject to change.

Off-Campus Accommodation

Rental Accommodation

Some students choose to rent an apartment, townhouse or house on their own or with fellow students. Houses are usually more expensive than apartments and the cost varies depending on the size, condition and location. Private accommodation is either rented furnished or unfurnished.

Homestay

You can also choose to live in a private home with an Australian family. The chance to be involved in daily life, the learning of our culture and customs, plus the added advantage of having the company of other people are just some of the reasons Homestay is popular.

Visit homestaynetwork.org/edith-cowan-university for more information.

Off-Campus Support

If you want to live off-campus, CLV will still be there to help you! Indeed, CLV hosts an online list of off-campus accommodation options close to each campus.

For a list of available listings, visit:

Joondalup Campus

mystudentvillage.com/au/ecuvillage/joondalup/off-campus-accommodation

Mount Lawley Campus

ECU Village Mount Lawley Campus

ECU Village Joondalup Campus

Access & Support for Everyone

We celebrate diversity at ECU and strive to create an environment that enables students to achieve their goals regardless of age, family responsibility or family status, impairment, gender, marital status, political convictions, pregnancy, race, religion or sexual orientation.

Equity, Diversity & Disability

ECU's Equity, Diversity and Disability (EDD) services support students whose studies may be affected by a medical condition or disability, either their own or that of a family member. EDD staff can assist with arranging alternative assessment conditions, access to some aids and equipment, note taking, AUSLAN interpreting and transcription services. Every campus has a specially designed Accessible Technologies Room that provides students with access to adjustable chairs and desks, specialised software, computer, scanner and other adaptive technology. All ECU locations have access for people with disabilities.

Visit ecu.edu.au/campus-maps for details and to view ECU's access and mobility maps.

Respect for Diversity

ECU provides a safe and supportive learning environment. There is a rich cultural diversity on-campus, with events such as Harmony Week, that run through the year. There is also a multi-faith prayer-room on the Joondalup and Mount Lawley campuses.

ECU students and staff are guided by the values of integrity, respect, rational inquiry and personal excellence. Racism in any form is not tolerated.

Through classes and the on-campus events, students have the chance to study the rich history and modern perspectives of Australia's first people.

Volunteering at ECU

ECU students are invited to sign up and take part in the exciting Volunteering at ECU Program. Volunteering as a student is a great way to get involved in the local community, meet people from diverse walks of life and make new friends.

Additionally, volunteering is a great way to grow and develop your professional skills, improving your chances in the labour market when you start applying for paid jobs.

Peer Mentoring at ECU

A successful peer mentoring program runs across most schools at ECU. The program links new students in their first year with a mentor (a current student) in the same course or study area.

Peer mentors provide students with support and guidance, and can help answer questions or concerns about their transition to university life at ECU. Mentors know from their own personal experience what it's like to start out at ECU, so they can give others all the inside information needed to succeed.

Dependents of ECU Students

Schooling

If you intend to bring dependent children to Australia, you will need to consider specific arrangements for their visas and schooling. In Australia, it is compulsory for school aged children (6-16 years of age) to attend school.

You must enrol your dependent children in either government or private schools on a fee-paying basis. You are required to pay the school fees directly to the school prior to enrolment.

However, if you are a Masters or PhD student, then you are able to enrol your dependent children into public primary and secondary schools at no cost.

Visit tafeinternational.wa.edu.au/your-study-options/study-at-school/dependents-of-Masters-or-Phd-students for more details.

English as a Second Language

If your dependent children are enrolled in a public or private school and require either English as a Second Language or learning difficulty/disability support, you will need to pay for these additional expenses.

These costs will vary and may involve your dependent children moving to a school specifically designed to provide the required support. We recommend that your dependent children commence English language training prior to arriving in Perth.

Visit education.wa.edu.au for more information from the Department of Education in Western Australia

Visa Conditions

As an international student studying in Australia on a student visa, or other visa types, there are a number of conditions attached to the granting of your visa.

Visit www.border.gov.au/trav/stud to obtain more information.

Education Services for Overseas Students (ESOS)

The Education Services for Overseas Students (ESOS) Act 2000 provides important safeguards for overseas students in Australia. The ESOS Act regulates the activities of education providers, like ECU, who deliver education and training to international students by setting standards and providing for tuition and financial assurance. ECU's teaching and support of international students are guided and monitored by the Department of Education under the ESOS Framework.

Visit internationaleducation.gov.au/Regulatory-Information/Pages/Regulatoryinformation.aspx for more information.

Independent International Students Conciliator

The Department of Education Services (Western Australia) offers a free mediation/conciliation service through the International Student Conciliator. The Conciliator attempts to resolve disputes between international students and institutions, as part of the institution's internal complaints and appeals procedure.

Visit des.wa.gov.au/internationaleducation/ieconciliation/Pages/default.aspx for more information.

Fees

As a new student, you will need to consider how much your university studies will cost and what forms of assistance are available to you.

Tuition fees are the main expense you will incur while you study; however, there are other costs as well, some of which are listed below.

Tuition Fees

The tuition fees you pay are based on the course and units you elect to study. Once you commence a course with ECU, as long as you remain in your course with academic and financial good standing, you will be protected against any significant jump in fees. Your fees will only increase by a marginal amount each year. Refer to the Course Listings and Fees at the end of this brochure or visit international.ecu.edu.au/fees to use our online Fees Calculator for more information.

Other Expenses

You will be responsible for purchasing textbooks and any equipment required for your course. The cost of these items varies widely depending on the course. Other expenses you are likely to incur include food, parking, consumables such as stationery and photocopying, as well as transport costs to and from university, including any work placements or off-campus activities.

Living Costs

Whether you live on-campus or off-campus, you should budget about \$380 per week for your living costs. Please note that this does not include tuition fees, textbooks, running a car or holiday travel.

If you bring your spouse/children with you to Australia, you will need to allocate a significantly larger sum of money per week and you should consider additional expenses such as school fees and childcare costs (if applicable).

Upfront Payment Flexibility

Students and their sponsors can now choose to pay more than 50 per cent of tuition fees up-front if they wish to do so.

This allows students and those paying fees on their behalf, such as their parents or a scholarship sponsor, to pay any amount greater than 50 per cent of the tuition fees to take advantage of favourable exchange rates or have the convenience of only paying once.

Visit international.ecu.edu.au/fees for more details.

ECU's International Student Tuition Fee Refund Policy

ECU's International Student Tuition Fee Refund Policy applies to international students who cease or do not begin studying at ECU. The purpose of the policy is to clarify your entitlement to refund of fees and relevant processes, as required under government regulation.

Visit ecu.edu.au/GPPS/policies to view ECU's International Student Tuition Refund Policy.

Overseas Student Health Cover

If you are applying for a Student Visa, you are required to arrange Overseas Student Health Cover (OSHC) before your arrival in Australia, and maintain cover for the full length of your visa.

OSHC is a basic health insurance product designed to be equivalent to Medicare (for Australian citizens). It covers emergency medical conditions, public hospitals and most of the costs of visiting a doctor. Please note that pre-existing illnesses may not be covered. Additional cover for private hospitals and supplementary services such as dental, optical and physiotherapy is available at additional cost. ECU can assist you in arranging cover on your behalf.

COST*

Single	\$612 Per Year
Couple	\$2,078 Per Year**
Family	\$3,069 Per Year

*All amounts are in Australian Dollars and prices are subject to change.

**Couple membership covers the students and their spouse/partner as listed on the student's visa.

Scholarships

Going to university can be a very rewarding experience, but also a costly one.

One way to assist you with your expenses is to apply for a scholarship.

Scholarships are not loans, they provide funds that can be used to cover fees, cost of books, travel and a wide range of other expenses, and they are not required to be repaid.

ECU Funded Scholarships

At ECU, we have a number of scholarships that can help ease your financial pressure and help make your studies more affordable.

To be eligible for any of these scholarships, you must first apply for the scholarship before you apply for your course at ECU.

Merit International Scholarship

The Merit International Scholarship is offered to international students who have demonstrated high levels of academic achievement and English competency in their previous studies. The scholarship offers a 10% reduction in your tuition fees for the duration of your course at ECU.

Family and Alumni International Scholarship

The Family and Alumni International Scholarship recognises the commitment and loyalty of international students who are ECU alumni, or have immediate family members who are ECU students or alumni. The scholarship offers a 10% reduction in tuition fees for the duration of your course at ECU.

South West Campus International Scholarship

South West Campus International Scholarship is offered to eligible international students who apply to study at ECU's South West Campus in Bunbury, Western Australia. The scholarship acknowledges the value ECU places on international perspectives. The scholarship provides a 10% reduction in your tuition fees for the duration of your course at ECU.

More Scholarships

We update our scholarship website throughout the year, so visit international.ecu.edu.au/scholarships for the latest details.

External Funding

There are several opportunities for you to fund your studies externally.

To be eligible, you must apply for your course at ECU before applying for the external funding.

Visit international.ecu.edu.au/scholarships for more details.

Australian Awards Scholarships

Australian Awards Scholarships are long-term development awards administered by the Department of Foreign Affairs and Trade. They aim to contribute to the long-term development needs of Australia's partner countries in line with bilateral and regional agreements. Scholarships are mainly at postgraduate level, however there is a limited number of undergraduate scholarships (country specific).

Visit dfat.gov.au/people-to-people/australia-awards/Pages/how-to-apply-for-an-australia-awards-scholarship.aspx for more information.

Australia Endeavour Awards

The Endeavour Awards are the Australian Government's internationally competitive, merit-based scholarship programs.

Visit internationaleducation.gov.au/Endeavour-program/Scholarships-and-Fellowships/Pages/default.aspx for more information.

Financial Aid

We are a recognised provider of Higher Education with many countries around the world.

Visit your country's financial aid representative/body to obtain additional information.

Arts & Humanities

Explore the complexities of the human mind, immerse yourself in a creative and engaging environment and make a contribution to improving people's quality of life. ECU's School of Arts and Humanities offers over sixty programs across all three ECU campuses, including specialist and interdisciplinary courses in the arts, design, media and communications, psychology and criminology, and the social sciences. Our flexible course structures allow open access to electives in all areas of the School to encourage multi-skilling, improve employment prospects and to promote a broader understanding of how the arts and humanities play a central role in the social and cultural fabric of our society.

Careers

- 2D & 3D Animator
- Artist

World-Class Facilities

ECU has made a major commitment to the arts through a \$5 million investment in Arts and Humanities facilities. The re-housing of the design, photography and media studios, along with the refurbishment of the visual art and fashion areas, provides world-class facilities for staff, students and researchers.

We're All About Balance

The accessibility of our courses continues to grow with the offering of more undergraduate degrees across our three campuses in Joondalup, Mount Lawley and Bunbury. Our expansion across all three campuses, new state-of-the-art facilities, contemporary teaching and research practices, all with an emphasis on a sustainable work/life balance, ensures an exciting and creative environment for students.

Emerging Perth Designer Wins Top Industry Award

Fashion graduate Danielle Marklew has received the inaugural STYLEAID Brand New Designer Award for the development of her new label STASERA. The name of her label, which translates to 'tonight' in Italian, is inspired by her desire to create a line of night-time wear that is accessible with a quirky and individual edge. Danielle, who was also the national finalist of the 2012 Apex Teenage Fashion Awards, was selected from a high profile line up of local Perth designers for her promising and business-savvy approach to fashion design. This significant industry nod will set Danielle up to develop her label under the mentorship of top local designers and stylists as well as receive guidance from marketing and production experts for the launch of her 2017 collection.

Accreditations & Alliances

We offer courses that are accredited, approved, or recognised by professional bodies:

- Australian Association of Social Workers (AASW)
- Australian Psychology Accreditation Council (APAC)
- Australian Community Workers Association (ACWA)
- Australian Children's Education and Care Quality Authority (ACECQA)
- CILECT International Association of Film and Television Schools
- Design Institute of Australia
- International Advertising Association (IAA)
- Psychotherapy and Counselling Federation of Australia (PACFA)
- Public Relations Institute of Australia (PRIA)

Industry Partners

Many of our courses offer direct links with industry and organisations; here are some examples of where our students have undertaken work projects or professional experience:

Broadcasting: Seven Network, Channel 10, Nova 93.7, ABC Television

Counselling: Headspace, Anglicare WA, Cyrenian House, Australian Psychoanalytical Society (APAS)

Criminology: Western Australia Police, Australian Federal Police, Department of Corrective Services WA, Corruption and Crime Commission

Journalism: The West Australian, The Sunday Times, Community Scoop Magazine, ECU Guild Magazine

Psychology: Department of Health, Ngala, Department for Child Protection and Family Support

Screen Academy: ARRI Australia, Jackman Furness Foundation for the Performing Arts (JFFPA)

Social Science/Social Work: Headspace, WA Country Health Service, Department of Education, South Regional TAFE, Central Institute of Technology

Youth Work: Youth Futures WA, North Metropolitan TAFE, Youth Affairs Council of Western Australia (YACWA), Youth Work WA, MercyCare

"My life is all about art and creativity. It's what I live for."

I had always been interested in both fashion and photography, and had heard great things about ECU's arts and communications programs from my friends and teachers. ECU's reputation and flexibility of being able to study both passions at the same time is what made me choose to study here. Studying at ECU has totally changed my perspective on what design is, techniques we use to communicate, and the practical applications of our work. I've learned a range of methods that helped me explore different ways to approach my collection, my research and my interaction with other designers and artists. The facilities and staff are fantastic. The equipment is constantly upgraded and has everything that you need in fashion studio. The lecturers and technicians are helpful, supportive and passionate. It's a great space for me to explore my creativity. And as an international student, the people at ECU made me feel so welcome.

Wenbin Wang
ECU Fashion student

Business & Law

At ECU's School of Business and Law, you'll receive up-to-date theoretical knowledge, practical experience and essential employability skills to help you succeed in a variety of complex, competitive and dynamic global business environments. The school offers an exciting mix of courses that are developed in consultation with industry groups and combine the latest theory with practical experiences, leading to a diverse choice of careers.

Our accredited and established law courses will allow you to achieve your dreams. So if you want to be a first-class lawyer, fight for justice in the courtroom, or branch out into government, business or the community sector, study law at ECU. All of our courses aim to equip you with the skills that employers seek through hands-on learning opportunities. Our graduates have found employment in a variety of fields across the country and the world. So get set for a rewarding and successful career with a degree from ECU Business and Law.

Careers

- Accountant
- Bank Manager
- Brand Manager
- Environmental Planner
- Event Manager
- Financial Analyst
- Hotel Manager
- Human Resource Manager
- In-House Counsel
- Investment Adviser
- Lawyer
- Management Consultant
- Marketing Manager
- Organisational Psychologist
- Project Manager
- Resort Manager
- Sport Development Manager
- Sport Manager
- Strategic Planner
- Trade Manager

Brand New State-of-the-Art Facilities

ECU's School of Business and Law has a number of brand new, state-of-the-art facilities available to help students gain the practical skills which employers seek.

Business students can access real-time, global financial market data using Bloomberg software in the SMART Lab, or tap into the latest communication directions like virtual reality or social media channels in the Digital Hub.

Law students have the opportunity to develop their skills in an environment resembling a real-world law court in our high tech on-campus Moot Court.

Choice

Our new Bachelor of Commerce offers 14 different majors and our new Master of Business Administration offers 10 different specialisations while our Master of Business Administration International offers 8 specialisations.

Business Internship

Through our Business Internship Program, depending on their chosen course, students can apply to gain valuable real-world experience in a public, private or not-for-profit organisation. It enables students to gain a minimum of 16 weeks (600 hours) of full-time work experience, allowing them to develop professional networks, skills and capabilities required to succeed in their chosen profession.

Hands-On Experience

Law students may have the opportunity to work on real cases, under the supervision of legal practitioners, at the on-campus Northern Suburbs Community Legal Centre. The Centre provides legal information and advice to the community in a number of areas. This partnership provides vital experience for our law students.

Unique Courses in Western Australia

- Bachelor of International Hotel and Resort Management
- Master of International Hospitality Management

- IHG
- Pitcher Partners
- PriceWaterhouseCoopers
- Ramsay Health
- Satterley
- Telethon Speech and Hearing
- UniBank
- West Coast Eagles

"Thanks to the insights gained from my business practicum, I was able to increase my employability skills, gain work experience and demonstrate my potential in the HR field."

My course was focused on practical learning involving a lot of research in Australian organisations, which was extremely relevant to my professional development. My practicum experience was a golden opportunity to discover new abilities, reinforce my personal growth skills, build new networks and demonstrate that I was the right fit for a paid position in my study field. This is an amazing achievement that makes me feel so proud of being ECU graduate. After graduating, I secured a HR position in the same company where I completed my business practicum.

Marcela Carvajal

ECU Human Resource Management graduate
Colombia

Engineering & Technology

ECU's School of Engineering is one of the best-equipped engineering schools in Australia and we are setting benchmarks for excellence in engineering education. You will study with some of the brightest minds, in multi-million dollar laboratories. With a wide choice of disciplines from which to choose and industry-experienced lecturers, this could be the start of an incredible journey. ECU's engineering courses are accredited by Engineers Australia and recognised under the Washington Accord, so with an ECU engineering degree you can work anywhere in the world.

Careers

- | | | | |

| • Civil Engineer | | • Flight Planner | • Software Engineer |
| | | • Instrumentation Engineer | |

Technologically Advanced Labs

At ECU, we pride ourselves on staying ahead of the curve when it comes to engineering education. Our labs are designed with a focus on students and equipped with the latest technology – from robots and robotic systems to virtual reality gear. Many of our labs have been set up in collaboration with industry, like our automation and control laboratory developed in conjunction with Schneider Electric. We constantly make multi-million dollar investments to add to our amazing facilities and keep on track with ongoing technological advances. At our modern labs, students can leverage cutting edge technology to develop their own great innovations.

Employability

Our collaboration with industry offers students the opportunity to develop valuable contacts while completing their degree and our focus on practical learning gives students the confidence they need to succeed when heading into the workforce. All students enrolled in our engineering courses are required to undertake 12 weeks of practical work experience as part of their course. Our students graduate as versatile engineers, well-equipped to meet the challenges of the future.

Choice

With a common set of first year units across all Bachelor of Engineering courses, you will have the flexibility to change disciplines as you progress in your studies, ensuring you can find the course that suits you best.

Unique Courses in Australia

- Bachelor of Technology (Motorsports)

Unique Courses in Western Australia

- Bachelor of Aviation
- Bachelor of Engineering (Civil & Environmental Engineering) Honours

Accreditations & Alliances

ECU's engineering courses are accredited by Engineers Australia, so our students are eligible for Graduate Professional Membership when they complete their course. Best of all, as these courses are recognised under the Washington Accord, you'll graduate ready to design, test, build and solve real world challenges all over the world.

Flexibility

The School offers both standard 4-year Bachelor of Engineering courses and a 3+2 model, comprising a 3-year Bachelor of Engineering Science program followed by a 2-year Master of Engineering.

Industry Partners

Many of our courses offer direct links with industry and organisations; here are some examples of where our students have undertaken work projects or professional experience:

- Alcoa Australia
- BHP
- Chevron
- CSE Transtel
- Downer Edi Mining
- Emirates Group Security
- Fjords Processing Australia
- NRW Civil & Mining
- OSE Riggers
- Public Transport Authority of Western Australia
- Rio Tinto
- Saudi Electricity Company
- Saudi SABIC
- Schneider Electric
- Woodside

"ECU Engineering caught my eye as they are one of the fastest growing engineering schools in Australia."

I have always had an interest in engineering as quite a few of my family members are active in STEM related fields. While researching various engineering schools in Australia, ECU caught my eye due to the 5-star rankings they've received consistently from the Good Universities Guide, as well as the fact that they are one of the fastest growing engineering schools in Australia. There are an interesting range of disciplines to choose from, and the study load while challenging, is definitely manageable, which allows you to put in your best possible effort. The lecturers are super approachable and are always there to help. I also really appreciated the international student presence - it has allowed me a sense of understanding and belonging, and I have enjoyed making friends from different countries and cultures.

Nicole Makawa-Mbewe

ECU Engineering (Electrical Power) Honours student
South Africa

Medical & Health Sciences

ECU's School of Medical and Health Sciences encompasses a number of exciting and diverse areas of study. Courses include biomedical science, health science, exercise and sports science, exercise science and rehabilitation, medical science, occupational therapy, paramedical science, speech pathology, and sports science and football. Students have access to state-of-the-art facilities and specialised laboratories – all of which allow them to put theory into practice. Our courses also provide a basis for honours and postgraduate studies, laying the groundwork for future careers in health and medicine.

Careers

- Accredited Exercise Physiologist
- Clinical Scientist
- Environmental Health Officer
- Exercise Scientist
- Football Performance Analyst
- Government Health Worker
- Health Education Officer
- Health Officer
- Laboratory Manager
- Medical Scientist
- Microbiology Technician
- Neuromuscular Therapist
- Nutritionist
- Occupational Rehabilitation Officer
- Occupational Safety and Health Manager
- Paramedic
- Speech Therapist
- Sports Medicine Trainer
- Sport Physiologist
- Strength & Conditioning Coach

Exercise & Sports Science at ECU

ECU's Exercise and Sports Science course is fully accredited by Exercise & Sports Science Australia (ESSA). Students can choose to complete an additional year of study via our Exercise Science and Rehabilitation course which enables graduates to gain accreditation as an Exercise Physiologist through ESSA.

Our Sports Science and Football course prepares students to train, condition and support players of football, with the opportunity to specialise in either Soccer or Australian Rules Football. ECU offers a range of specialised health and sporting facilities and purpose-built laboratories to cater to the different roles in exercise and sports science, such as biomechanics, strength and conditioning, performance analysis and skill acquisition.

Medical and Biomedical Science State-of-the-Art Facilities

ECU's science laboratories are equipped to train medical science and biomedical science students in microbiology, genetics, haematology and biochemistry. Students have access to microbiology equipment for working with microbiological organisms and DNA. ECU also houses state-of-the-art equipment for cell, DNA, RNA and protein isolation and characterisation, electrophoresis, automated microscopy and digital imaging, in addition to a fully-equipped histology laboratory.

ECU's Sports Science Department Rated Best in Western Australia

Shanghai Ranking's 2016 Academic Ranking of World Universities (ARWU) has ranked ECU's Sport Science department as the best in Western Australia, third in Australia, and fourteenth in the world. The rankings compared 361 universities across the world and are based on several indicators of academic or research performance.

Unique courses in Western Australia

- Bachelor of Science (Sports Science and Football)
- Bachelor of Health Science (Environmental Health Major)

Accreditations & Alliances

We offer courses that are accredited, approved, or recognised by professional bodies:

- Australian Occupational Therapy Association
- Council of Ambulance Authorities (CAA)
- Environmental Health Australia
- Exercise & Sports Science Australia (ESSA)
- Paramedics Australasia (PA)
- Speech Pathology Australia (SPA)

Industry Partners

Many of our courses offer direct links with industry and organisations; here are some examples of where our students have undertaken work projects or professional experience:

- Australian Institute of Sport
- Genesis Cancer Care
- Jamie Oliver's Ministry of Food
- Local and State Government Departments
- Nutrition Australia WA
- Perth Glory Football Club
- Private and Public Hospitals
- Prostate Cancer Foundation
- St John Ambulance Northern Territory
- Surf Lifesaving WA
- WA AIDS Council
- WA Cricket Association
- WA Football Commission
- West Coast Eagles
- Western Australian Centre for Rural Health

"Having the opportunity to undertake practicum placements from the first-year has given me a real insight into working in the real world."

I chose ECU not only because it offered a great Speech Pathology course, but also because it has high student satisfaction ratings and a high student employment rate after graduation. Throughout my journey so far as an ECU student, all of my lecturers and tutors have been very approachable and willing to clarify lecture notes and study materials whenever I had questions. I was also very grateful for the mentor program available for first year students, which gave me many helpful tips to excel in my studies. What I find valuable is the Speech Pathology course at ECU definitely covers all required knowledge and prepares students to be a competent speech pathologist. A unique part of my course is that we have practicum starting from the first year, which has given me a real insight into working in the real world. Receiving a Silver Scholarship from ECU has also been such a blessing, as not only it has reduced my financial burden of studying in a foreign country, but it has encouraged me to work harder and continue to excel academically.

Shi Jing Kong
ECU Speech Pathology student
Malaysia

Nursing & Midwifery

ECU offers a range of unique specialist undergraduate and postgraduate Nursing courses, providing students with access to state-of-the-art facilities, online learning technologies and dynamic practicum placements. Our courses are developed with extensive industry involvement so our teaching is current, responsive to changes in practice and informed by world-leading research.

Careers

- Aged Care Nurse
- Critical Care Nurse
- Mental Health Nurse
- Research Midwife
- Registered Nurse
- Research Nurse

Our Nursing course

ECU's Bachelor of Science (Nursing) course includes a strong focus on changing health needs and provides a high level of practical education, commencing in the first semester of the course. This accredited course focuses on the practice and science of nursing across the health spectrum, preparing graduates for a range of nursing roles.

International Community Placement

Our undergraduate programs offer nursing students the opportunity to undertake a community placement overseas, where they are able to work in a different healthcare system and experience health from a diverse cultural background. Currently, community placement opportunities are available in Cambodia, India, Philippines, Tanzania, South Africa, Nepal, Vietnam and Thailand.

Outstanding Health and Wellness Facilities

Our purpose-built Health and Wellness Building incorporates demonstration wards and simulated practice areas that provide a safe, authentic environment for clinical skills development, and are designed to increase the competence and confidence of students. The demonstration wards contain 52 beds that meet Australian healthcare standards. Additionally, students have the opportunity for experiential hands-on practice to learn nursing skills in a variety of simulated scenarios.

New Nursing Course Leading to Registration

ECU's Master of Nursing (Graduate Entry) enables graduates to become registered nurses in Australia. This course is designed for people who have completed a Bachelor degree in a discipline other than Nursing, but who want to become registered nurses, without having to complete another Bachelor degree.

Accreditations & Alliances

We offer courses that are accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).

Industry Partners

Nursing students have the opportunity to undertake all their practical units in the one hospital setting, allowing them access to helpful resources, as well as networking opportunities.

These unique partnership programs are available at a range of healthcare facilities:

- Joondalup Health Campus
- Sir Charles Gairdner Hospital
- St John of God Hospitals (Subiaco, Mount Lawley and Midland)
- Osborne Park Hospital
- Health Centres
- Aged Care Facilities

High Quality Research

Our research programs focus on improving health and well-being across the lifespan as well as improving the quality and safety of healthcare. They are recognised as being 'well above world standard' and have consistently received the maximum rating (5) for quality through the Excellence in Research for Australia (ERA) framework. Our Field-Weighted Citation Impact, which takes into account the differences in research behaviour across disciplines, is 2.1 for nursing and 1.04 for Midwifery.

This means we are cited twice the world average for nursing and 4% more than the world average for midwifery. Our research in the fields of chronic disease management, child and family health, safety and quality of healthcare are recognised as innovative and relevant to national and international audiences. We collaborate with world-class researchers, industry leaders and clinical experts in the development, conduct and application of our research in our drive to conduct high quality research with real world impact.

"The flexibility, support and friendly vibe at ECU has made for a remarkable experience so far."

ECU was my first choice for studying nursing because of the flexibility the university provides – I wanted to study somewhere that I could manage my family, work and home commitments, alongside my study commitments. My experience at ECU so far has been remarkable, the staff always strive to provide the best education and support to students. There is a really friendly vibe among all of the students, and the cultural diversity gives you an opportunity to understand people from a wide range of nationalities. My studies have helped me gain vital skills and knowledge and I look forward to completing my nursing degree and pursue my dream career in clinical research and trials.

Vinita Pillai
ECU Nursing student
India

Science

ECU's School of Science offers a range of courses in the areas of science as well as computing and security. When it comes to studying science and the environment, our research and teaching are world-class. You'll find a range of practical degrees that can lead to distinctly different careers in fields such as marine and freshwater biology, conservation and wildlife biology, environmental management and more.

ECU is also recognised as a leader in cyber security research. Our cyber security research and education team is one of the best in Australia and one of the top 10 globally. Two members from the ECU cyber team are Interpol recognised cyber crime experts. Our computing and security courses offer a range of majors and units across a variety of exciting subjects. Our flexible courses and world-class teaching supported by close industry links, combined with our Work Integrated Learning Program, provide ECU students with endless possibilities in Australia and internationally.

Careers

- Aquatic Scientist
- Biodiversity Manager
- Biomedical Researcher
- Computer Programmer
- Computing Project Leader
- Counter Terrorism Consultant
- Cyber Security Analyst
- Digital Forensic Investigator
- Environmental Management Officer
- Games Developer
- Health Promotion Officer
- Injury Prevention Officer
- Intelligence Profiler
- Marine Biologist
- Natural Resource Manager
- Natural Resource Officer
- Nature Conservationist
- Network Security Engineer
- Security & Risk Analyst
- Security Analyst
- Software Designer
- Systems Architects
- Web Developer

Science at ECU

ECU's School of Science offers a broad range of courses that give students the opportunity to specialise in specific fields or multi-skill across a combination of majors to increase their career options. Students can choose from courses that offer the opportunity to study across multiple disciplines, which can be combined to create a unique graduating skill-set, or can study courses focusing on one particular area to become a specialist in that field.

International Study

The world has become a global marketplace and science has a big role to play. For that reason, ECU offers students the opportunity to study abroad and work with international partners while completing their course. Some of the travel opportunities available include being hosted by ECU's partner institutions in Japan, China, Thailand, Vietnam, the United Kingdom or the USA. You could even live and work in Dubai through ECU's partnership with the Emirates group.

Employability

Be ahead of the rest when you apply for a job, knowing you have a world-class degree backed by real-world experience. All undergraduate courses and most postgraduate courses within the School of Science offer work integrated learning opportunities with industry and government partners, allowing students to gain authentic work experience prior to graduating. There are also opportunities for paid and unpaid internships with a large number of organisations across the broad range of subjects offered by the School of Science. Even better, some of these internships can take you to other countries, providing you with a truly international work experience opportunity.

Advanced Labs

At ECU's School of Science, students have access to labs equipped with state-of-the-art technology – from the latest in computers to advanced analytical equipment. We have made multi-million dollar investments in technology to ensure that students get to learn on the latest equipment, so they can hit the ground running when they graduate.

Accreditations & Alliances

We offer courses that are accredited by the Australian Computer Society (ACS).

Industry Partners

Many of our courses offer direct links with industry and organisations; here are some examples of where our students have undertaken work projects or professional experience:

- Astron Environmental Services
- Biostat (fauna consulting)
- BMT Oceanica
- Department of Fire and Emergency Services (DFES)
- Department of Parks and Wildlife
- Forest Products Commission
- Hydrobiology

Choice

ECU's Bachelor of Science offers 16 different majors, so you'll be spoilt for choice!

Unique Courses in Western Australia

- Bachelor of Sustainability

"The support I've received from lecturers is invaluable."

ECU provides quality education and has all the required infrastructure at a lower fee compared to other universities. This greatly reduces the financial burden on the students as they don't need to invest in much additional study material or equipment, as these are already at their disposal on campus. The support I've received from lecturers is invaluable – they are so knowledgeable, and are always there to listen and help out. I have found ECU is one of the best choices especially in regard to their science courses. I am confident that the Master of Computer Science course that I am undertaking will help me achieve my ambitions.

Sabarish Ramachandran
ECU Computer Science student
India

Teacher Education

If you see yourself among the next generation of outstanding teachers making a real difference to young peoples' lives, ECU's School of Education is where you begin. Our experienced academic team are world leaders in educational research who strive to find better ways to prepare quality teachers through research and community-based partnerships with schools. Our courses are practical and delivered in excellent facilities.

Careers

- Art Teacher
- Biological Science Teacher
- Chemistry Teacher
- Child Care Professional
- Computing Teacher
- Design & Technology Teacher
- Digital Media Teacher
- Education Officer
- English Teacher
- High School Teacher
- Home Economics Teacher
- Kindergarten Teacher
- Music Teacher
- Pedagogical Leader
- Primary School Teacher
- Principal
- Social Science Teacher

World-Rated Education Studies

ECU has been named in the Top 250 for Education in the QS World Rankings for 2017. The rankings highlight the world's top universities across 42 individual subjects based on academic reputation, employer reputation and research impact. It's the fifth year in a row that our Education program has been included in the world's top 250 or better.

Learning in Schools

Our courses in Early Childhood, Primary and Secondary Education are renowned for their extensive professional practice, making our graduates job-ready and preferred by many employers. Your study will focus on the needs of schools today and will be supported through classroom-based experiences in our partnership schools. This ensures you will be prepared for your own classroom when you graduate.

Teaching Methods Evolve – So Do Our Courses

Our teacher education courses for early childhood, primary and secondary education are designed to incorporate the latest research about teaching and developing young minds. All courses respond to recent state, national and international developments in learning – ensuring graduates are ready for their first day of teaching.

Specialised Skills For Early Childhood & Primary Teachers

Students studying early childhood or primary teaching at ECU are the first in Western Australia to have the opportunity to complete a formal specialisation – graduating with a competitive edge. Having an area of specialisation recognised on your transcript and testamur gives you a unique advantage when finding a job and is win-win for our education students and the young people they will go on to teach.

Accreditations & Alliances

ECU's Teacher Education graduates are eligible to apply for registration with the Teacher Registration Board of Western Australia (TRBWA).

ECU's Bachelor of Education (Early Childhood Studies) is also approved by the Australian Children's Education & Care Quality Authority (ACECQA).

Industry Partners

Your study at ECU will be embedded in authentic classroom settings involving real students and real teaching. With over 650 partnership schools – including research centres – our academic staff are actively guiding educational policy and practice in Western Australia and across the world.

Our ongoing relationships and established partnerships with public and private schools and pre-school centres in local and regional areas allow students to gain experience with children from differing economic, social, ethnic and educational circumstances.

Outstanding Facilities

We offer an extensive range of well equipped, purpose built facilities to support all areas of learning, these include:

- Science Laboratory
- Home Economics Laboratory
- Specialist music studio with a wide array of musical instruments
- Visual arts studio including ceramics, painting, printmaking
- Specialist design and technology workshops including woodwork and metal work
- Drama Theatre
- Computing laboratories with up-to-date technology and software
- Interactive Whiteboards

"ECU's practical experience put me in a good position to win a national teaching award."

Growing up, I always wanted to be a teacher. My passion for working with children was further developed through coaching soccer. I decided to study teaching at ECU based on its excellent reputation.

While studying I received valuable feedback from my mentors and supervisors, and always felt supported by my tutors. This was particularly important while juggling study as well as playing for the Perth Glory Women's team in the national W-League.

My overall experience studying at ECU was really positive. One of the major benefits that I gained from my course was the time I spent on prac which put me in a good position for the first two years of my career. I was also surprised and very humbled when I was awarded a National OfficeMax Exceptional Teacher Award!

Shannon May
ECU Education graduate
Australia

WAAPA

The Western Australian Academy of Performing Arts (WAAPA) at Edith Cowan University is one of the world's leading performing arts academies. WAAPA is recognised nationally and internationally for the quality of its graduates. It provides the most comprehensive range of performing arts training in Australia – both on stage and behind the scenes. Entry into each course is competitive, and prospective students undertake an audition and/or an interview as part of the application process.

Careers

- Actor
- Artist
- Arts Marketing Manager
- Choreographer
- Chorister
- Company Manager
- Composer
- Dancer
- Designer for Stage/Screen
- Director
- Dramaturg
- Entertainer
- Musician
- Performance Artist
- Performer
- Playwright
- Producer
- Production Manager
- Singer
- Soloist
- Songwriter

Showcasing Your Talent

Each year students, staff and critically-acclaimed guest artists collaborate to present hundreds of performances across a range of concerts, plays, dance, music theatre, opera and film. Many of these events take place in WAAPA's own performance venues at ECU's Mount Lawley Campus. Exciting community partnerships also enable WAAPA students to perform in a diverse range of spaces in the Perth metropolitan area and beyond.

The Edith Spiegeltent

ECU is the first university in the world to acquire its very own Spiegeltent. Renamed 'The Edith', it provides a unique performance space for WAAPA students to hone their craft. To celebrate this versatile venue having a new home, Jerome Davenport, a graduate of WAAPA's Props and Scenery course, was commissioned to re-imagine the tent's façade and the surrounds in which it is situated. Jerome is now an internationally-acclaimed aerosol artist and muralist and has created an exciting, theatrical external look for The Edith. The interior retains its handmade architecture of wood, mirrors, canvas and leaded glass, with intricate detailing in velvet and brocade.

What's your one minute pitch?

The Western Australian Academy of Performing Arts (WAAPA) at Edith Cowan University is one of the world's leading performing arts academies. And we want to hear from you.

Submit a video link to a 60 second statement or performing arts piece showing us what you've got in music, costume, lighting or a variety of other areas.

Once received, your submission will be evaluated by some of the best in the business and you'll be given feedback that very few people get. It's that simple, and it's free!

Visit waapa.ecu.edu.au/pitch to enter.

Auditions

In many instances, WAAPA can accept video auditions and interviews for international applicants. Please check the WAAPA website (under Courses and Admissions) for further details.

Industry Partners

Here are some examples of where our students have undertaken work projects or professional experience:

- Australian Chamber Orchestra
- Australian Dance Theatre
- Cirque du Soleil
- Melbourne Theatre Company
- Opera Australia
- Perth International Arts Festival
- Bell Shakespeare Company
- Royal Opera House Covent Garden
- Shakespeare's Globe Theatre (London)
- Sydney Dance Company
- The Really Useful Company Asia Pacific
- West Australian Ballet

Star Graduates

WAAPA graduates are in high demand and excel in their chosen professions, some are highly celebrated:

- | | |
|--------------------|-------------------|
| • Hugh Jackman | • Rachelle Durkin |
| • Dacre Montgomery | • Emma Matthews |
| • Frances O'Connor | • Jamie Oehlers |

Research

At ECU, our world-class researchers strive to make a difference to the communities in Western Australia and beyond. We focus on working with our communities, business and government organisations to solve real-world problems. ECU's Excellence in Research for Australia (ERA) rankings shows that we are producing research well above world standard.

Graduate Research School

ECU's Graduate Research School provides a supportive environment for research students and their supervisors. We aim to enhance the quality of the research experience and culture at ECU by providing face-to-face and online training, seminars, academic events and social activities. We also promote high quality in research training through policies, procedures, information and support processes.

SOAR Centre

The SOAR Centre (Support – Opportunities – Advice – Resources) is a free, peer-to-peer service open to Higher Degree by Research and Honours students.

The SOAR Centre provides support and information with a focus on a wide range of research skills training and career development.

Research Highlight

ECU's research into neuroscience, cancer and other clinical areas is judged to be above, or well above world standard (ERA 2015).

Our research shows that physical and mental exercise can extend and improve the quality of life for those with Alzheimer's disease, Huntington's disease and many cancers.

We have also developed blood based biomarkers that will revolutionise the diagnosis, treatment and monitoring of melanoma and other cancers.

Research Support

At ECU, we are fully committed to the research student experience and we offer a range of innovative and successful support programs:

- An orientation program and events to help you get started
- An extensive free online and face-to-face research training program to help you develop new research and professional skills
- Special seminars with guest presenters from business & industry groups
- Opportunities to network with other researchers
- Fully-funded annual writing retreat
- An inter-university research training conference
- Support for planning your career beyond your research degree

Unique PhD Program at ECU

We offer unique pathways to a Doctor of Philosophy, with our Integrated PhD program that includes a research skills foundation year leading into a three-year research program. A stimulating intellectual environment will inspire you and encourage life changing research outcomes.

Visit ecu.edu.au/degrees/courses/doctor-of-philosophy-integrated for more details.

Top Rated Research School

According to the 2016 International Student Barometer, ECU's Graduate Research School has been ranked amongst the top three in Australia in each year since 2011 with satisfaction of 95% or higher.

"As a new PhD student, I found it challenging in the beginning of the course; however, my supervisors have been patient and encouraging and that has been a big help."

I chose to study at ECU because of its reputation in Vietnam, and the Mount Lawley Campus being so close to the city. I enrolled in an English as Additional Language (EAL) program, which was free of charge to international students, and also participated in useful workshops and events to improve my research skills.

My supervisors have a strong academic history and are knowledgeable, experienced and friendly. They have taught me the knowledge and skills, which I can also use in my field outside of my studies at ECU.

Le Tien Tung

ECU PhD Education candidate
Vietnam

Undergraduate Minimum Requirements

There are minimum admission requirements to enter ECU courses.

You must meet these in addition to meeting any prerequisites and/or special admission requirements for the course for which you intend to apply.

English Minimum Requirements

Academic IELTS: 6.0 (no individual band less than 6.0)

TOEFL iBT: 70 (no individual score less than 17)

GCE O Level: Grade C or better from specific countries as detailed in ECU's English Policy

GCE A Level: Grade E or better from specific countries as detailed in ECU's English Policy

Pearson Test of English (PTE): 57 with no score less than 50 for IELTS 6.0 courses. 64, with no score less than 58 for IELTS 6.5 courses. For a more complete and up to date list, please see our website.

OET: A minimum score of B in each of the four components (listening, reading, speaking and writing).

Please note that some of our courses have higher English entry requirements, these include:

- Bachelor of Education (Early Childhood Studies)
- Bachelor of Education (Primary)
- Bachelor of Education (Secondary)
- Bachelor of Science (Nursing)
- Bachelor of Science (Occupational Therapy)
- Bachelor of Speech Pathology

Academic Requirements

There are various ways to meet our admission requirements, such as:

- Secondary school results
- Successful completion of one year of tertiary study from a recognised institution
- Completed Diploma program from a recognised institution.

Secondary schools minimum requirements

There are minimum requirements for secondary school results, which can change depending on the country where you completed secondary schooling. Some courses have higher than standard entry or are individually assessed, so this information should be used as a guideline for most, but not all, courses.

Course specific entry requirements

- Standard Entry: Courses with an indicative ATAR of 70
- Higher Entry: Courses with an indicative ATAR 71 – 80
- Assessed on a case-by-case basis: courses with an indicative ATAR greater than 80.

Award Specific Requirement

Specific Awards	Academic Entry Requirements	Standard Entry	Higher Entry	English Entry Requirements
GCE A Levels	The provision of your official A Level results with a minimum aggregate score of 5 from a minimum of 2 and a maximum of 3 A Level subjects (where A= 5, B= 4 C = 3, D = 2, E = 1)	5	8	GCE A Level English Language – Grade E or above GCE O Level or GCSE English Language – Grade C or above
International Baccalaureate Diploma	Minimum of 24 points (Minimum of 28 points for Law) consisting of aggregate from 3 higher level and 3 subsidiary level	24	28	Higher Level English – Grade 3 (2011) – Grade 4 (2012 onwards)
Western Australian Certificate of Education (WACE)	Australian Tertiary Admission Rank (ATAR) Subject to annual change	70	#	Scaled score of 50 in English, Literature or ATAR English as an Additional Language/Dialect
Western Australia Universities Foundation Program (WAUFP)	Subject to annual change	53	65	ELACS 50

ATAR higher entry score requirements may vary depending on the course

Postgraduate Minimum Requirements

There are minimum admission requirements to enter ECU courses.

You must meet these in addition to meeting any prerequisites and/or special admission requirements for the course for which you intend to apply.

English Minimum Requirements

You must meet the following English requirements to get into ECU's postgraduate courses:

Academic IELTS: 6.5 (no individual band less than 6.0)

TOEFL iBT: 84 (with no score below 17)

Pearson Test of English (PTE): 64 with no score less than 58

OET: A minimum score of B in each of the four components (listening, reading, speaking and writing).

Please note that some of our courses have higher English entry requirements, these include:

- Graduate Certificate of Education in Education Leadership
- Graduate Diploma of Education (Early Childhood Studies)
- Graduate Diploma of Education (Primary)
- Graduate Diploma of Education (Secondary)
- Master of Education
- Master of Education by Research
- Master of Midwifery (Research)
- Master of Nursing (Graduate Entry)
- Master of Nursing (Research)
- Master of Nutrition and Dietetics
- Master of Psychology

Academic Requirements

Minimum admission requirements for our postgraduate courses can include:

- Previous university studies
- Professional experience

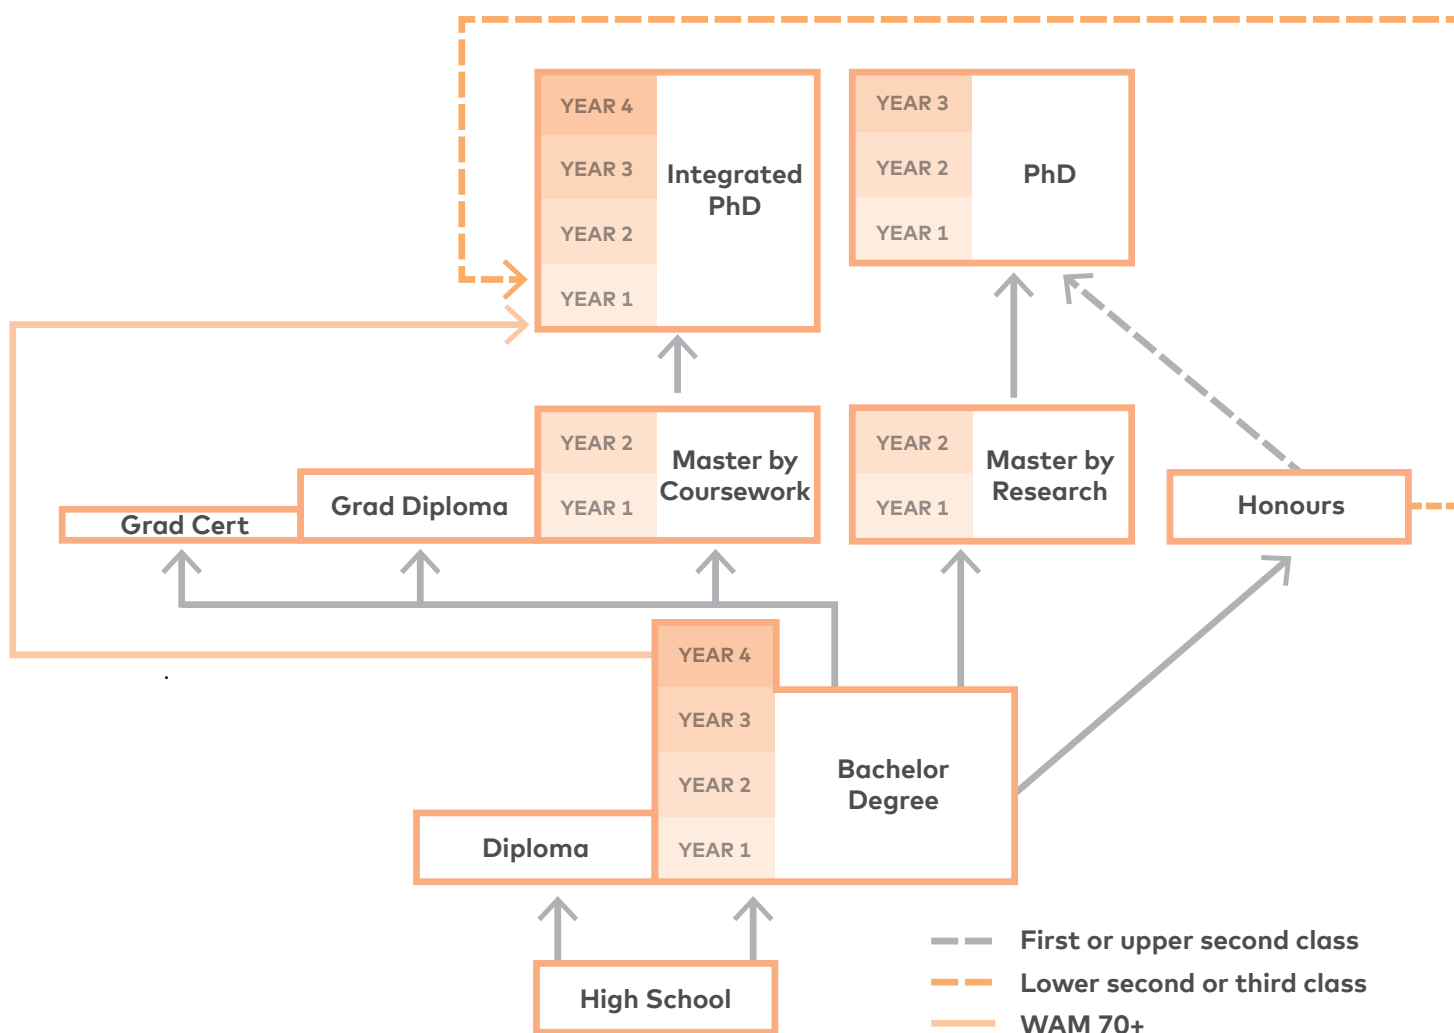

However, some courses have additional academic entry requirements, so refer to the course for more detail.

Visit ecugetready.com.au/entry for more information.

Academic Journey

There are several pathways to study at ECU and you'll be glad to know that you don't necessarily need a degree to qualify. Real-life industry experience may count.

Coursework Pathways

The majority of our postgraduate coursework disciplines offer Graduate Certificate, Graduate Diploma and Masters level courses.

Research Pathways

A research degree involves the production of a written body of work that makes an original contribution to knowledge, normally known as a thesis. The research will be developed over a period of time and will involve identifying a topic, developing a proposal, conducting the research and producing the thesis.

Academic & English Pathways

We recognise that not all applicants are able to meet the academic and English requirements into our undergraduate and postgraduate courses. For that reason, ECU offers a variety of entry pathways.

If you don't meet ECU's academic or English requirements, we encourage you to consider studying at one of our pathway providers listed below, as we have agreements with these providers, which means that we will be able to provide you with packaged offers, making it easier for you to obtain your student visa.

Visit ecugetready.com.au/entry for more details.

Pathway Providers

Australian College of Business and Technology		Institute of Health and Nursing Australia		Perth International College of English	
Australian Professional Skills Institute		International Institute of Business and Technology		Phoenix Academy	
Edith Cowan College		Language Links		TAFE	

Pathway Provider English Requirements

Pathway Provider English Requirements	Undergraduate English Requirement*	Postgraduate English Requirement*
ECC	Successful completion of Academic English 4 (AE 4) with minimum attendance of 80%	Successful completion of Academic English 5 (AE 5) with minimum attendance of 80%
IIBT	Minimum score of B2+ with no band less than B2+	Minimum score of C1+ with no band less than B2+
PHOENIX	Cert IV in English with a grade of CEFR B2+ with no band less than B2+	Cert IV in English with a grade of C1 with no band less than B2+
PICE	Completion of PICE Level 7	Completion of PICE Level 8

* Required score to get into ECU

Edith Cowan College

Edith Cowan College (ECC) is ECU's on-campus academic and English pathway provider. ECC is a member of Navitas and is located on ECU's Joondalup and Mount Lawley campuses. In association with ECU, ECC offers University Pathway Programs for students needing academic or English preparation before entering ECU.

Undergraduate

Academic undergraduate pathway to ECU

ECC's Diploma programs are recognised by ECU for advanced standing, providing you with a convenient alternative entry pathway into Year 1 or Year 2 of select ECU Bachelor degrees, with no further entry test.

ECC offers a broad range of diploma programs in the following areas: Business; Communications and Creative Industries; Hotel Management; Science (Computing / Information Technology); Science (Health Studies) including Nursing, and Science (Engineering Studies). These programs are taught on ECU's Joondalup Campus.

ECC academic advantages

- The second year of ECC's diploma programs are equivalent to the first year of the respective Bachelor degree at ECU
- Guaranteed entry into the second year of the respective Bachelor degree at ECU upon successful completion of the second year of the ECC Diploma
- Study on the University's campus
- Three-semester system and fast track option
- Small group teaching and individual attention
- Dedicated university lecturers
- Packaged English and academic programs

Postgraduate

Postgraduate Qualifying Program (PQP)

The ECC Postgraduate Qualifying Program (PQP) is a non-award program designed to lead students into the following ECU Master degrees with one unit of advanced standing:

- Master of Professional Accounting*
- Master of Business Administration
- Master of Business Administration International
- Master of Finance and Banking
- Master of Human Resource Management
- Master of Marketing and Innovation Management
- Master of Project Management
- Master of International Hospitality Management

*Advanced standing is not available for this course.

The program is designed for students who already have tertiary qualifications but have not qualified for direct entry into university Master programs.

The program will equip students with the knowledge, skills and English Language Proficiency (ELP) for entry into Masters degrees in the School of Business and Law at ECU.

English requirements

The minimum English requirement is IELTS 6.0 with no band below 6.0. Students who don't meet this requirement must be packaged with academic English and demonstrate English competency before enrolling in the PQP.

Academic requirements

The academic entry requirements are completion of an approved three-year qualification post Senior High School Certificate (or equivalent).

English

English pathway to ECU

ECC offers English language programs for people from non-English speaking backgrounds and direct entry pathways for international students wishing to undertake university study at ECU.

ECC is renowned for its excellent teaching staff, high-quality programs and outstanding facilities.

Academic English programs offered at ECC

ECC offers the Academic English Program (AEP), which is designed for students who plan to study at university or who are interested in developing academic reading, writing, listening and communications skills.

Students have the opportunity to develop their language skills and enhance their studies in higher education. The program focuses on a combination of communication skills and academic study skills.

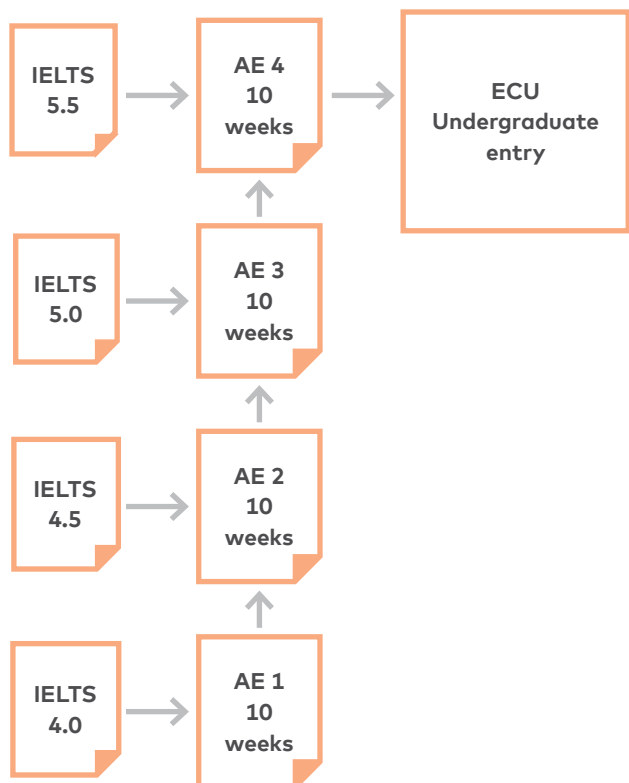

Students who do not have the required English score for direct entry into their academic program can have AEP packaged with their academic program.

The AEP, taught on the ECU Mount Lawley Campus, is offered in 10 week blocks (at all levels) with 9 fixed start dates per year (every 5 weeks). Following completion of the required level, students will not be required to take an English test for entry into ECU (excluding programs where IELTS is compulsory, such as Nursing). In order to progress, students must achieve a minimum of 65% at the required level.

Students will be placed in the correct level according to their IELTS result below, and be required to pass that level in order to move to the next level or commence their academic program.

Application Process

Getting ready for your academic journey at ECU is simple. Here's how to submit your application to us if you are applying for undergraduate courses or postgraduate coursework courses.

If you need assistance, our Education Agents can help you with finding the right course, gathering your documents and/or applying to ECU. Visit international.ecu.edu.au/agents to find an agent near you.

1. Choose your course at ECU

At ECU, we have hundreds of courses from which to choose, so you're likely to find one that will match your career aspirations.

2. Check your eligibility

Once you choose your course, you need to make sure that you meet ECU's minimum academic and English requirements, as well as any course specific requirements.

3. Apply for a scholarship

We offer a few coursework scholarships that could help make your studies more affordable. These scholarships require you to apply for the scholarship before you apply for your course at ECU.

See page 17 for more information on scholarships.

4. Gather your documents

It is important to submit a complete application, so make sure you include all of the relevant documents.

Use the following checklist to make sure you don't miss anything:

- ▶ Academic certificate/transcripts (secondary and/or tertiary studies) in both the original language and official certified English translation
- ▶ English proficiency test scores
- ▶ Copy of passport photo page
- ▶ Résumé / Curriculum Vitae (if applicable)
- ▶ Work reference (if applicable)
- ▶ Marriage or name change certificate (if applicable)

We may ask for additional information, depending on your circumstances and the course for which you are applying.

5. Submit your application

Before submitting your application, make sure to check our recommended submission dates.

Visit international.ecu.edu.au/important-dates for more details.

Visit international.ecu.edu.au/apply-system to apply for your course and to submit all of your documents.

If your application is not complete, it will result in delays.

We will communicate with you via email, so it is important for you to check your email regularly to ensure there are no delays with your application.

6. Receive your offer

Depending on the completeness of your application, you should hear back from us within ten business days.

If your application satisfies all of our criteria, we will send you an offer to start studying at ECU – congratulations!

We may send you a full offer or a conditional offer (the latter indicates that you'll have to meet the specific conditions detailed on your offer).

7. Accept your offer

Your offer letter will contain specific instructions as to how to accept your offer via our online system.

As part of the acceptance process, you will need to pay your fees via electronic payment transfer (please note that it may take a week for us to receive your money).

8. Receive your CoE

Once we have received your payment, we will issue you with a Confirmation of Enrolment (CoE), which is the document you will need to apply for your student visa.

Depending on your country of citizenship, you may be required to provide evidence of your financial capacity before your CoE is issued.

If you do not receive your CoE in time to commence in your chosen semester, we may offer you the opportunity to start your course in a subsequent semester to give you time for visa processing.

9. Apply for your visa

Once you have received your CoE, you'll be able to apply for your student visa. ECU does not provide visa assistance services, so if you need visa support, consider using one of ECU's education agents.

Please note that we require certain nationalities to apply via an authorised agent.

Visit international.ecu.edu.au/agents to find an agent near you.

10. Relocate to Perth

Once you have received your student visa, you'll need to start planning your relocation to Perth.

Visit international.ecu.edu.au/depart for more information and tips about your move.

See pages 12-13 for information on accommodation.

Make sure you give yourself plenty of time to settle into your new life in Perth and attend our Orientation.

Start your studies at ECU!

Check out our 2018 Academic Calendar on page 3 to make sure you don't miss any important dates.

Please note that some courses have a different start date so check your offer letter, just to be safe.

Research Application Process

Getting ready to apply for a research degree can seem quite daunting so we've laid out the following process to assist you.

We recommend that you complete your application four to six weeks prior to any deadline. An incomplete application will result in delays, which means you could potentially miss deadlines, so make sure that your application is complete before submitting it.

1. Check your dates

At ECU, our research courses have specific start dates, except for our PhD, which you can start at any time during the year.

We also have application deadlines, so it is imperative that you allow ample time for the process of your application.

Our research scholarships have opening and closing dates. Visit ecu.edu.au/scholarships to get more details.

2. Know your topic

You'll need to prepare a 300-word abstract as well as two-page proposal on your topic. Your initial abstract and proposal will tell us about you, including how much you know about ECU, research in your area of study, how passionate you are about your subject, and how familiar you are with the prospective supervisors within the ECU schools.

Visit ecu.edu.au to familiarise yourself with our research strengths and to find out more about prospective supervisors.

3. Prepare your documents

In addition to your abstract and proposal, you'll need to submit the following:

- ▶ Academic certificate transcripts (secondary and/or tertiary studies) in both the original language and official certified English translation
- ▶ English proficiency test scores
- ▶ Copy of Passport photo page
- Résumé / Curriculum Vitae (if applicable)
- ▶ Work reference (if applicable)
- ▶ Marriage or name change certificate (if applicable)
- Copies of your Honours or Masters Thesis, as well as any publications you have produced (if applicable)

4. Apply directly to ECU or through an agent

Visit international.ecu.edu.au/apply-system to apply for your course, upload your documents and track the progress of your application. Please note that we require certain nationalities to apply via an authorised agent.

Visit international.ecu.edu.au/agents to find an agent near you.

If you have questions about your application, contact us via the following email addresses:

Steps 1 to 3:
StudyECU@ecu.edu.au

Steps 6 and 8:
HDR.enquiries@ecu.edu.au

5. Receive our initial assessment

We will take an initial look at your application (qualifications / topic / abstract / proposal) to ensure it is closely aligned with our areas of research focus, and that we have supervisors in your research area. This assessment can take four to six weeks, depending on academic availability. Please note that December and January is our busiest time so, during this period, our initial assessment will take longer.

We will communicate with you via email, so it is important for you to check your email regularly to ensure there are no delays with your application.

6. Progress your application

If your application satisfies all our criteria, it will be progressed for further assessment. It is during this time that we will verify your qualifications and assign a research supervisor to you. Processing time for the assessment of your application will vary based on academic availability.

7. Receive the final outcome of your application

If we have supervisory capacity and if your application is competitive, we will send you an offer to commence your studies at ECU. If not, we will inform you of the outcome via email.

8. Accept your offer

Your offer letter will contain specific instructions as to how to accept your offer via our online system.

As part of the acceptance process, you will need to pay your fees via electronic payment transfer (please note that it may take a week for us to receive your money).

9. Receive your CoE

Once we have received your payment, we will issue you with a Confirmation of Enrolment (CoE), which is the document you will need to apply for your student visa.

If you do not receive your CoE in time to commence in your chosen semester, we may offer you the opportunity to start your course in a subsequent semester, to give you time for visa processing.

10. Apply for your visa

Once you have received your CoE, you'll be able to apply for your student visa. Visit the Department of Immigration and Border Protection website to get more information.

ECU does not provide visa assistance services, so if you need visa support, consider using one of ECU's education agents.

Visit international.ecu.edu.au/agents to find an agent near you.

11. Relocate to Perth

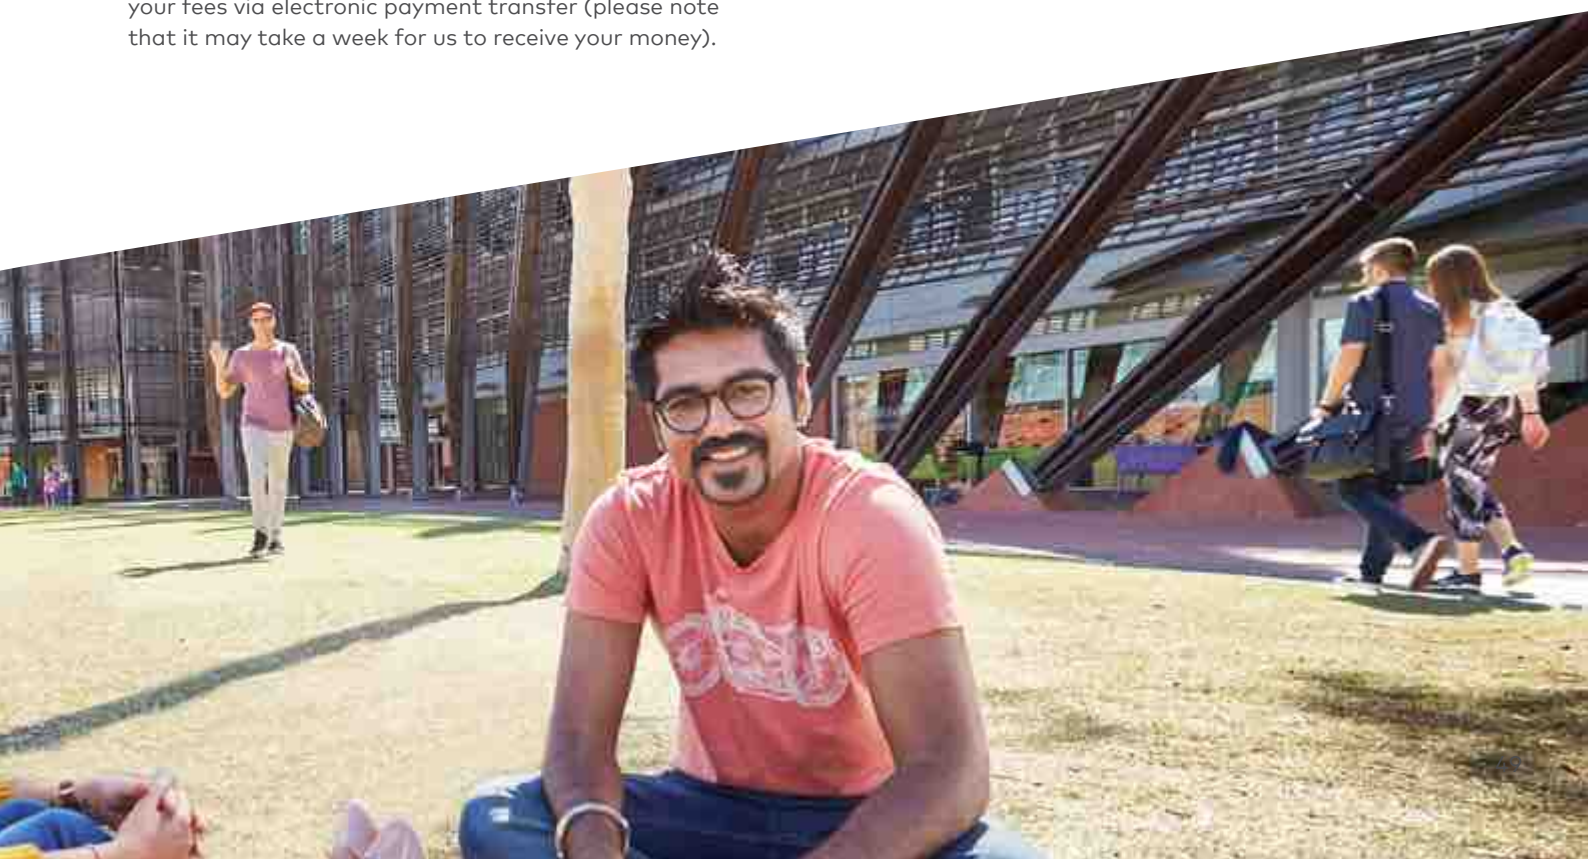

Once you have received your student visa, you'll need to start planning your relocation to Perth.

Visit international.ecu.edu.au/depart for more information and tips with your move.

Make sure you give yourself plenty of time to settle into your new life in Perth and attend our Orientation.

12. Start your studies at ECU!

Get ready to make a practical difference to people's lives!

CAMPUSES

- JO** Available on the Joondalup Campus
ML Available on the Mount Lawley Campus
BU Available on the South West (Bunbury) Campus
 * These fees are indicative based on the units you select, so your fees may vary from one semester to the next.

Arts & Humanities

Postgraduate

Disciplines:

- Arts Research
- Broadcasting
- Communications
- Counselling & Psychotherapy
- Criminal Justice Research
- Design
- Psychology
- Screen Studies
- Social Science

Master of Arts by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L52	ML	Feb + July	4 Semesters	\$14,350	079541G	ecu.edu.au/courses/L52

Additional Admission Requirements: Bachelor degree in a relevant discipline with a Weighted Average Mark (WAM) of 70 per cent or higher in their third year, or have a lower WAM and demonstrate the capacity to undertake original Masters-level research. Alternatively, applicants can have a Bachelor degree in a different discipline with a relevant Graduate Diploma.

Graduate Certificate in Broadcasting (Radio)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W66	ML	Feb Only	1 Semesters	\$14,350	071574G	ecu.edu.au/courses/W66

Additional Admission Requirements: Attend an audition and an interview. Accommodations can be made for students located outside Western Australia. Additionally applicants must submit a personal statement of no more than 500 words, résumé and photograph with their application.

Students are strongly advised to attend a personalised information session about the course with the Coordinator. Please contact ECU's student recruitment team on futurestudy@ecu.edu.au to organise.

Graduate Diploma of Broadcasting

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W56	ML	Feb Only	2 Semesters	\$14,350	052276G	ecu.edu.au/courses/W56

Additional Admission Requirements: Attend an audition, and attend an interview. Accommodations can be made for students located outside WA. Additionally applicants must submit a personal statement of no more than 500 words, résumé and photograph with their application.

Students are strongly advised to attend a personalised information session about the course with the coordinator. Please contact ECU's student recruitment team on futurestudy@ecu.edu.au to organise.

Master of Professional Communications

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L44	ML	Feb + July	4 Semesters	\$14,350	083661J	ecu.edu.au/courses/L44

Graduate Certificate of Counselling and Psychotherapy

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J53	JO	Feb + July	1 Semesters	\$15,100	094453D	ecu.edu.au/courses/J53

Graduate Diploma of Counselling and Psychotherapy

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J54	JO	Feb + July	2 Semesters	\$15,100	094454C	ecu.edu.au/courses/J54

Master of Counselling and Psychotherapy

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L67	JO + ML	Feb Only	4 Semesters	\$15,100	083642A	ecu.edu.au/courses/L67

Additional Admission Requirements: Three year degree from a recognised university, and attend an interview. Applicants will be asked to provide a written application and attend an interview if they are short-listed. Preference will be given to applicants with at least two years full-time (or equivalent) experience in a formal counselling role. It is desirable that all applicants have a three-year degree from a recognised university, in an area such as social work, psychology, medicine, occupational therapy, nursing, theology or human services.

Master of Criminal Justice by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L58	JO	Feb + July	3 Semesters	\$17,450	083333C	ecu.edu.au/courses/L58

Additional Admission Requirements: Weighted Average Mark (WAM) of 70 per cent or higher in their Bachelor degree. Students who have not achieved this mark may be admitted at the discretion of the Coordinator.

Master of Design

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L45	ML	Feb + July	3 Semesters	\$14,350	083663G	ecu.edu.au/courses/L45

Additional Admission Requirements: Attend an interview and provide a folio.

Master of Psychology

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
I69	JO	Feb Only	4 Semesters	\$16,250	074074C	ecu.edu.au/courses/I69

Additional Admission Requirements: Honours degree (First or Upper Second class) in an accredited fourth year course in psychology, with equivalents considered, and to submit a CV, a covering letter and two references (submitted independently of the students application) to meet the Australian Psychology Accreditation Council (APAC) accreditation requirements. Short-listed candidates will participate in a selection interview, either face-to-face or via teleconference. It is desirable that all applicants have work experience, as admission into the program is competitive.

Academic IELTS with an overall band minimum score of 7.0 (no individual band less than 6.5).

Master of Screen Studies

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L57	ML	Feb + July	2 Semesters	\$21,700	083664F	ecu.edu.au/courses/L57

Additional Admission Requirements: Provide a personal statement and a detailed curriculum vitae. Additionally, applicants must attend an interview, and provide a showreel, and have completed a related undergraduate degree or equivalent 3 years industry experience, with equivalents considered. Alternatively, applicants can provide a folio.

Graduate Certificate in Social Science

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
U73	JO	Feb + July	1 Semesters	\$15,100	091867F	ecu.edu.au/courses/U73

Master of Social Science by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
U66	JO BU	Feb + July	2 Semesters	\$15,075	052271B	ecu.edu.au/courses/U66

Additional Admission Requirements: Bachelor Honours degree (first or upper second class) in a relevant area, or a Graduate Diploma or Graduate Certificate in a relevant area, with a course average of at least 65 per cent. Special entry may be considered for students with equivalent research experience.

CAMPUSES

- JO** Available on the Joondalup Campus
ML Available on the Mount Lawley Campus
BU Available on the South West (Bunbury) Campus
* These fees are indicative based on the units you select, so your fees may vary from one semester to the next.

Undergraduate

Bachelor of Engineering (Mechanical) Honours

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y45	JO	Feb + July	8 Semesters	\$13,250	083184M	ecu.edu.au/courses/Y45

Additional Admission Requirements: Admission to this course is assessed on a case-by-case basis.

Mathematics: Methods ATAR, with equivalents considered, and Physics ATAR or Engineering Studies ATAR, with equivalents considered. It is desirable to have Mathematics: Specialist ATAR, with equivalents considered.

Bachelor of Engineering (Mechatronics) Honours

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y44	JO	Feb + July	8 Semesters	\$13,250	083183A	ecu.edu.au/courses/Y44

Additional Admission Requirements: Admission to this course is assessed on a case-by-case basis.

Mathematics: Methods ATAR, with equivalents considered, and Physics ATAR or Engineering Studies ATAR, with equivalents considered. It is desirable to have Mathematics: Specialist ATAR, with equivalents considered.

Bachelor of Engineering (Mechatronics) Honours/Bachelor of Technology (Motorsports)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y75	JO	Feb + July	10 Semesters	\$13,250	083197F	ecu.edu.au/courses/Y75

Additional Admission Requirements: Admission to this course is assessed on a case-by-case basis.

Mathematics: Methods ATAR, with equivalents considered, and Physics ATAR or Engineering Studies ATAR, with equivalents considered. It is desirable to have Mathematics: Specialist ATAR, with equivalents considered.

Bachelor of Technology (Motorsports)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
G68	JO	Feb + July	6 Semesters	\$13,250	056770F	ecu.edu.au/courses/G68

Additional Admission Requirements: It is desirable that all applicants have passed Mathematics: Methods ATAR, with equivalents considered, and Physics ATAR or Engineering Studies ATAR, with equivalents considered. Alternatively applicants can complete bridging units during the first year of their studies, if required, if students have not passed one or more of these subjects.

Bachelor of Engineering (Petroleum Engineering) Honours

NEW

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W17	JO	Feb + July	8 Semesters	\$13,250	091871K	ecu.edu.au/courses/W17

Additional Admission Requirements: Admission to this course is assessed on a case-by-case basis.

Mathematics: Methods ATAR, with equivalents considered, and Physics ATAR or Engineering Studies ATAR, with equivalents considered. It is desirable to have Mathematics: Specialist ATAR, with equivalents considered.

COURSE LISTING & FEES

Engineering & Technology Postgraduate

Disciplines:

- Engineering
- Engineering Science

Master of Engineering

Specialisations: • Chemical Engineering • Civil Engineering • Computer Systems Engineering • Electrical Power Engineering • Electronics and Communications Engineering • Instrumentation, Control and Automation Engineering • Mechanical Engineering • Mechatronics Engineering

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
I59	JO	Feb + July	4 Semesters	\$13,300	067370J	ecu.edu.au/courses/I59

Additional Admission Requirements: Bachelor degree in engineering or engineering technology, with equivalents considered. Alternatively, applicants can have completed the Bachelor of Engineering Science or Graduate Diploma in Engineering Science, with equivalents considered.

Master of Engineering Science by Research

NEW

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J63	JO	Feb + July	4 Semesters	\$13,880	094280J	ecu.edu.au/courses/J63

Additional Admission Requirements: Four year Bachelor degree in Engineering with a minimum course average of 65%, with equivalents considered.

CAMPUSES

- JO** Available on the Joondalup Campus
ML Available on the Mount Lawley Campus
BU Available on the South West (Bunbury) Campus
* These fees are indicative based on the units you select, so your fees may vary from one semester to the next.

Medical & Health Sciences

Undergraduate

Disciplines:

- Biomedical Science
- Exercise & Sports Science
- Exercise Science & Rehabilitation
- Health Science
- Medical Science
- Occupational Therapy
- Paramedical Science
- Speech Pathology
- Sports Science & Football

Bachelor of Science (Biomedical Science)

Majors: • Applied Chemistry • Data Science • Forensic Science • Human Biology • Human Genetics

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
K05	JO	Feb + July	6 Semesters	\$14,925	059125M	ecu.edu.au/courses/K05

Additional Admission Requirements: One or more of the majors in this course has admission requirements; refer to the major for more information.

Bachelor of Science (Exercise and Sports Science)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
M89	JO	Feb + July	6 Semesters	\$15,525	055462D	ecu.edu.au/courses/M89

Bachelor of Science (Exercise Science and Rehabilitation)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
M90	JO	Feb + July	8 Semesters	\$15,475	060854A	ecu.edu.au/courses/M90

Additional Admission Requirements: Higher entry requirements apply.

Applicants are required to be assessed for entry by the Course Coordinator where the student has undertaken prior tertiary study. Students with no prior tertiary study will be assessed by University Admissions.

Bachelor of Health Science

Majors: • Addiction Studies • Environmental Health • Environmental Management • Health Promotion • Nutrition • Nutrition Bioscience • Occupational Safety and Health

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
K97	JO	Feb + July	6 Semesters	\$14,850	071523G	ecu.edu.au/courses/K97

Bachelor of Medical Science

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
C32	JO	Feb + July	6 Semesters	\$15,275	077134E	ecu.edu.au/courses/C32

Bachelor of Science (Occupational Therapy)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
H96	JO	Feb Only	8 Semesters	\$15,200	055463C	ecu.edu.au/courses/H96

Additional Admission Requirements: Higher entry requirements apply.

Academic IELTS with an overall minimum score of 7.5 (no individual band less than 7.0).

Bachelor of Science (Paramedical Science)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
K89	JO	Feb + July	6 Semesters	\$15,525	077135D	ecu.edu.au/courses/K89

Bachelor of Speech Pathology

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y02	JO	Feb Only	8 Semesters	\$16,300	070836J	ecu.edu.au/courses/Y02

Additional Admission Requirements: Higher entry requirements apply.

Academic IELTS with an overall minimum score of 7.5 (no individual band less than 7.0).

Bachelor of Science (Sports Science and Football)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y56	JO	Feb + July	6 Semesters	\$15,600	074067B	ecu.edu.au/courses/Y56

CAMPUSES

JO Available on the Joondalup Campus

ML Available on the Mount Lawley Campus

BU Available on the South West (Bunbury) Campus

* These fees are indicative based on the units you select, so your fees may vary from one semester to the next.

Medical & Health Sciences

Postgraduate

Disciplines:

- Assisted Reproductive Technology
- Medical Science
- Nutrition & Dietetics
- Paramedical Science
- Public Health
- Public Health by Research
- Sports Science & Football

Master of Science (Assisted Reproductive Technology)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J51	JO	Feb Only	2 Semesters	\$17,000	091957D	ecu.edu.au/courses/J51

Additional Admission Requirements: Bachelor's degree in medical science, biomedical science or biological science (with Honours - second class or above), or a Graduate Diploma of Reproductive Science or similar, with an average of 65% or above, or a medical or veterinary degree with 12 months experience in reproductive science, with equivalents considered.

Master of Science (Medical Science) by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J45	JO	Feb + July	4 Semesters	\$15,675	089238J	ecu.edu.au/courses/J45

Master of Nutrition and Dietetics

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
I49	JO	July Only	4 Semesters	\$15,200	067814G	ecu.edu.au/courses/I49

Additional Admission Requirements: Bachelor degree in science, bioscience or health, with a Weighted Average Mark (WAM) of 65 per cent or higher, where half of the units at the first-year and second-year level are comprised of bioscience, chemistry, physiology and biochemistry, including at least 15 per cent of a full-year load each of biochemistry and physiology. The Bachelor degree must contain at least two second-year or higher level biochemistry units, for which chemistry was a pre-requisite, and two second-year or higher level physiology units.

Academic IELTS with an overall minimum score of 7.0 (no individual band less than 6.5).

Graduate Certificate of Paramedical Science

Specialisations: • Community Paramedicine

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W01	JO	Feb Only	1 Semesters	\$15,750	088021A	ecu.edu.au/courses/W01

Additional Admission Requirements: Bachelor degree in the same discipline, with equivalents considered. Alternatively, applicants can apply with equivalent prior learning including at least five years relevant professional work experience.

Graduate Diploma of Paramedical Science

Specialisations: • Community Paramedicine • Critical Care

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W02	JO	Feb + July	2 Semesters	\$15,725	088022M	ecu.edu.au/courses/W02

Additional Admission Requirements: Bachelor degree in the same discipline, with equivalents considered. Alternatively, applicants can apply with equivalent prior learning, including at least five years relevant professional work experience.

Master of Paramedical Science

Specialisations: • Community Paramedicine • Critical Care

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
L60	JO	Feb + July	3 Semesters	\$15,725	087872K	ecu.edu.au/courses/L60

Graduate Diploma of Public Health

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
W61	JO	Feb + July	2 Semesters	\$14,875	071517E	ecu.edu.au/courses/W61

Additional Admission Requirements: Relevant undergraduate or postgraduate qualification in health which includes some course-work in one or more of the following areas: social science, preventive medicine, community-based public health, community development, health promotion, health communication, or social marketing.

It is desirable that all applicants should also provide some evidence of having a history of commitment to the field of public health such as having written material on a public health issue for publication in the media or in a professional publication, being a member of a community or professional group dedicated to public health-related goals, volunteer or paid work in a community organisation that seeks to advance the interests of a disadvantaged population or equivalent.

Master of Public Health

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
I62	JO	Feb + July	4 Semesters	\$14,950	070834M	ecu.edu.au/courses/I62

Additional Admission Requirements: Relevant undergraduate or postgraduate qualification in health which includes some course-work in one or more of the following areas: social science, preventive medicine, community-based public health, community development, health promotion, health communication, or social marketing.

It is desirable that all applicants should also provide some evidence of having a history of commitment to the field of public health such as having written material on a public health issue for publication in the media or in a professional publication, being a member of a community or professional group dedicated to public health-related goals, volunteer or paid work in a community organisation that seeks to advance the interests of a disadvantaged population or equivalent.

Master of Public Health by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J14	JO	Feb + July	4 Semesters	\$14,800	087958D	ecu.edu.au/courses/J14

Master of Science (Sports Science) by Research

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
641	JO	Feb + July	4 Semesters	\$15,700	012675B	ecu.edu.au/courses/641

Additional Admission Requirements: Bachelor of Science (Exercise and Sports Science) or a similar program of study.

CAMPUSES

- JO** Available on the Joondalup Campus
ML Available on the Mount Lawley Campus
BU Available on the South West (Bunbury) Campus
* These fees are indicative based on the units you select, so your fees may vary from one semester to the next.

Nursing & Midwifery

Undergraduate

Disciplines:

- Nursing
- Nursing Studies

Bachelor of Science (Nursing)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
C33	JO BU	Feb + July	6 Semesters	\$15,600	077132G	ecu.edu.au/courses/C33

Additional Admission Requirements: Academic IELTS with an overall minimum score of 6.5 (no individual band less than 6.5), or any other test approved by AHPRA.

Bachelor of Science (Nursing Studies)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y61	JO BU	Feb + July	6 Semesters	\$15,650	083404D	ecu.edu.au/courses/Y61

Additional Admission Requirements: Applicants are required to be Registered Nurses in their country of origin.

COURSE LISTING & FEES

Nursing & Midwifery

Postgraduate

Disciplines:

- Midwifery Research
- Nursing (Graduate Entry)
- Nursing
- Nursing Research

Master of Midwifery (Research)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J61	JO	Feb + July	4 Semesters	\$10,425	094281G	ecu.edu.au/courses/J61

Additional Admission Requirements: Applicants are required to be a current Registered Midwife in their country of origin and have a relevant undergraduate degree, with equivalents considered, and a minimum of two years post-registration clinical experience.

Academic IELTS with an overall minimum score of 7.0 (no individual band less than 7.0), or any other test approved by AHPRA.

Master of Nursing

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
I48	JO	Feb + July	3 Semesters	\$15,650	073505D	ecu.edu.au/courses/I48

Additional Admission Requirements: Provide proof of current registration with the appropriate health professional registration board (e.g. Nursing and Midwifery Board of Australia), and a certified copy of proof of identity containing a photograph, and have a minimum of two years post-registration full-time nursing experience, and provide curriculum vitae including two professional references. Students who are packaged with an English preparation course must be re-tested against an approved English test before admission.

Master of Nursing (Graduate Entry)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J46	JO	Feb Only	4 Semesters	\$15,650	091870M	ecu.edu.au/courses/J46

Additional Admission Requirements: Bachelors or Masters degree. Applicants who have not completed a Bachelors degree in nursing or a unit in human biology or similar will be required to undertake a Health Science Preparation program at ECU.

Academic IELTS with an overall minimum score of 7.0 (no individual band less than 7.0), or any other test approved by AHPRA.

Master of Nursing (Research)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
J62	JO	Feb + July	4 Semesters	\$10,425	094282G	ecu.edu.au/courses/J62

Additional Admission Requirements: Applicants are required to be a current Registered Nurse with the Nursing and Midwifery Board of Australia, and have a Nursing degree, with equivalents considered, and a minimum of two years post-registration nursing experience.

Academic IELTS with an overall minimum score of 7.0 (no individual band less than 7.0), or any other test approved by AHPRA.

WAAPA

Undergraduate

Disciplines:

- Acting
- Arts Management
- Dance
- Music
- Music Theatre
- Performing Arts

Bachelor of Arts (Acting)

Code	Campus	Intake	Teaching Period	Semester Fee*	CRICOS Code	More info
Y93	ML	Feb Only	6 Semesters	\$15,050	078476G	ecu.edu.au/courses/Y93

Additional Admission Requirements: Attend an audition. Entry into this course is talent-based, and prospective students will be comprehensively assessed through an audition process which is held in November-December each year. Australia wide auditions are conducted in Perth, Adelaide, Melbourne, Sydney and Brisbane. Overseas students are assessed by auditions sent electronically. The audition includes a thorough assessment of inherent and trainable ability, the ability to meet the technical requirements of the course and suitability for the industry.

ECU ranked Australia's top public university.

ECU has been ranked Australia's top public university for student satisfaction in the latest QILT (Quality Indicators for Learning and Teaching) survey.

Using the results of thousands of surveys completed by recent students and graduates, QILT is designed to help prospective students compare Australian higher education institutions and the courses they provide.

In the March 2017 release of survey results, ECU received the top student satisfaction rating of all Australia's public universities, with over 86% of students surveyed rating their overall experience positively.

Students also ranked ECU the top WA public university for teaching quality (88%), learning resources (88.5%), student support (80.3%) and skills development (87.1%).

Additionally, ECU was rated the top WA public university by graduates for overall satisfaction (84.5%), teaching (73.8%) and generic skills (86.2%).

We're proud of this recognition because it comes from those who matter most, our students and graduates.

Visit **international.ecu.edu.au** for more information.

ECU. That's how university should be.

**Our changing world needs a university
to change with it.**

**A university where courses composed
with industry deliver the most
relevant knowledge and skills.**

**So be the graduate the changing
world needs.**

And get ready at ECU.
