" The VU DBA programme provides well-organised and relevant courses critical to the understanding of business subjects essential to my thesis. This is important especially to those busy working professionals like me looking for flexibility and quality education. I enjoy the classes and the learning atmosphere of the programme immensely "

Mohd Shafie Leow, Malaysia
Chief Audit (Risk) Officer

" I am glad to have chosen DBA from Victoria University which has a strong recognition in Malaysia by MQA. I am impressed by class interactions with other graduate students who are successful managers from multinational companies, short study duration of 30 months and the lectures delivered by visiting professors from all over the world.

Sachiko Nishioka, Japan
Executive Director

" With VU DBA programme, it gives me the flexibility that I need with classes providing valuable discussions. Assignments and exam cases used are practical to workplace and allow me not only to gain knowledge but to visualise it too. I am delighted and satisfied with my decision on choosing this DBA programme.
