

## Toulouse INP

### PROFILE

Give your career a french engineering touch!

L'Institut National Polytechnique de Toulouse (Toulouse INP) is a public institution of a scientific, cultural and professional nature, under the authority of the ministry in charge of higher education, accredited by the Commission des Titres to award the diplôme d'ingénieur. Founded in 1969, Toulouse INP Toulouse federates 6 engineering schools : INP-ENSAT, INP-ENSIACET, INP-ENSEEIH, INP-ENIT, INP-ENM, INP-PURPAN. Toulouse INP has 2 main missions: train engineers formally and in continuing education and develop innovative research. Toulouse INP is managed by a President appointed by its board of administration. It proposes engineering training, and an integrated preparatory class, in more than 15 specialities. They are strongly linked to 17 research laboratories cooperating with the other universities of Toulouse and French research organisms (CNRS, INRA)

#### Main programmes of study

Specializations at Toulouse INP:

Engineering, agricultural production, agro-bio-industry, agri-food, environment, sustainable development, life sciences, electrical engineering and automation, electronics and signal processing, plant biotechnologies, computer science and applied mathematics, hydraulics and fluid mechanics, telecommunications and networks, fine chemistry, agro-industrial chemistry, materials, chemical engineering, process engineering, industrial engineering, mechanical engineering, industrial systems, product quality and food safety, meteorology and climate.

#### Research

<http://www.inp-toulouse.fr>

<http://www.inp-toulouse.fr/fr/recherche/laboratoires-et-partenaires-scientifiques.html>

Electrical engineering, computer science, fluid mechanics, fine chemistry, materials, agronomy, process engineering - environment, microsystems and electronics, networks and telecommunications, plant biotechnology and genomics, agro-industry, food safety, animal health, meteorology, mechanical engineering, industrial engineering.

### Member of Campus France Forum

### IDENTITY FORM

Precise name of the institution →	Institut National Polytechnique de Toulouse
Type of institution →	Public
City where the main campus is located →	Toulouse
Number of students →	6600
Percentage or number of international students →	18% and 42% for the PhD
Type and level of qualifications awarded →	Engineering degree, Master degree, PhD, INP diplomas, postgraduate Masters, Oenology national diploma: <a href="http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation.html">http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation.html</a>
French language courses →	Yes - FLE : Scientific French Courses starting every semester in the engineering schools: Toulouse INP-ENSAT, ENSEEIH et ENSIACET, + Scientific French Summer School
Programs for international students →	Yes - Masters, PhD: <a href="http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation.html">http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation.html</a>
Programs in English →	Yes - 7 Masters of Science in Agrofood, Electronics and Embedded systems, Electrical Engineering, Green chemistry, Industrial Safety, Fluid mechanics, Water management : <a href="http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation/maste">http://www.inp-toulouse.fr/fr/formations/l-offre-de-formation/maste</a>
Registration fees / year (for information only) →	Masters of Science: 9.000euros/year; 5.000euros/year if partnership with home university - Other diplomas: national legal tuition fees
Postal address →	6 allée Emile Monso - BP 34038 F - 31029 Toulouse cedex 4

#### Strengths

10 reasons to come to Toulouse INP

1. A large group of public schools of engineers and research laboratories internationally renowned.
2. World capital of aeronautics and space
3. Quality of the French higher education system among the oldest European universities.
4. Advanced industries and international companies, leaders in their field
5. Occitanie is the first region in France for R&D intensity
6. Let's get «industry ready»: projects, lab works...
7. Ingoing students are welcome with Toul'Box: <https://toulbox.univ-toulouse.fr/> and Welcome desk: <https://welcomedesk.univ-toulouse.fr/>
8. A vibrant and student friendly city, moderate cost of living
9. An attractive living environment between the Mediterranean sea and the Atlantic ocean and close to the Pyrenees mountains
10. The art of living « à la française » with the « sud-ouest » accent

#### Location

Located in Toulouse, except INP-ENIT in Tarbes, in the sunny south-west of France
