**YOUR ON-CAMPUS PATHWAY  
TO MURDOCH UNIVERSITY**

# WELCOME

At Murdoch Institute of Technology we take pride in offering our students the very best guidance and support. Our dedicated team is here to help you throughout your studies, to ensure peace of mind and a learning experience that is both successful and enjoyable.

Learning is a wonderful privilege and a highly rewarding endeavour that will open new opportunities and change your life for the better.

At Murdoch University you are supported as you choose the best way for you to make your mark – to discover, challenge and solve. You will leave your studies with job-ready skills and benefit from a strategic, well-rounded and relevant education – the result of high quality teaching, leading edge research and strong industry links.

Murdoch University is a place where people from all over the world come together to make their mark and to make a difference.

We look forward to welcoming you to Murdoch University.

**Professor Eeva Leinonen**  
Vice Chancellor

Murdoch Institute of Technology is dedicated to providing you with the academic development needed to be successful at Murdoch University.

Located on Murdoch University campus, Murdoch Institute of Technology's academically challenging programs and outstanding support offer you the best opportunity to prepare for life and studies at university, and to thrive in that environment.

With our passionate teachers and student services team, along with your dedication and engagement, you will be well on your way to achieving your academic and career goals.

I look forward to welcoming you to Murdoch Institute of Technology in the beautiful city of Perth.

**Paul Aucoin**  
College Director

# MURDOCH INSTITUTE OF TECHNOLOGY

Murdoch Institute of Technology supports students from around the world take their first steps towards tertiary study at Murdoch University.

We place a special focus on student care, flexibility and safety. As the only pathway college on university grounds, at MIT you are able to experience campus life while accessing world-class facilities.

## STUDY ON CAMPUS

Experience university life right from the start, with all classes held at Murdoch University's Perth campus. MIT students are part of the university community and have access to the facilities and services available.

While you study, connect with Murdoch University advisors, join guided facility tours and interact with current university students to better understand individual degree requirements.

## DIRECT ENTRY PATHWAYS

It's never been easier to get into the degree you want. MIT offers a variety of different pathways to Murdoch University from Year 11 or 12 (or the international equivalent).

You can go directly into the second year of an undergraduate degree on completion of an MIT Diploma, or graduate from our Foundation Studies program or Murdoch University Preparation Course straight into the first year of your chosen degree.

## UNIVERSITY SYLLABUS

We've worked with Murdoch University academic staff to develop a teaching program based around the university syllabus, so you get the advantage of being introduced to your degree content early on, allowing for a smooth transition into Murdoch University.

## FLEXIBILITY AND CHOICE

With three intakes per year and a variety of units, you can choose the timing and course structure that best suits your needs.

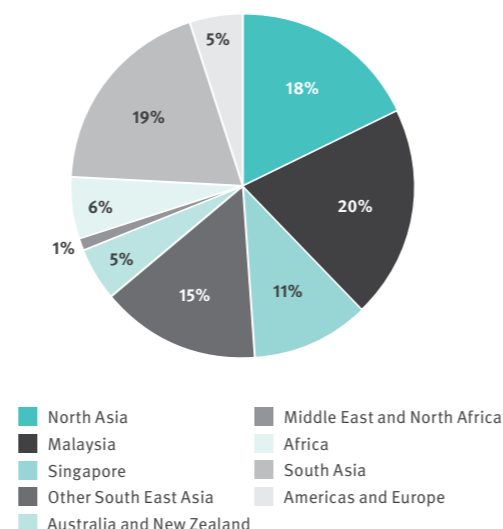

## PREPARATION ORIENTED LEARNING

At MIT we take a complete approach to university preparation. We don't just consider what you're learning, we also help you develop the skills you need to be successful in your studies.

You will experience a university-style course structure of lectures, tutorials and seminars. Just like university students, you'll be assessed through exams, coursework, assignments and group tasks. You will develop study techniques over the duration of your time at MIT, so by the time you're at university, you will have the skills to be proactive and independent in your study.

## CULTURALLY DIVERSE

MIT students come from all corners of the earth. We have students enrolled from over 40 different countries, so you will have the opportunity to study with students from around the globe.

## ACADEMIC SUPPORT

At MIT we want you to get the most out of your studies so you can go on to the degree or career that's right for you. To help you do your best, we provide extensive support in the following areas:

- Study pathways course and unit selection
- Study skills and independent learning
- Examination techniques and personalised study plans
- Career choices and academic pathways

## PERSONAL SUPPORT

Being a student can be difficult sometimes, particularly if you're far away from home. If you're having a hard time missing friends and family or you're struggling with your workload, the MIT Student Support team offers caring and confidential assistance with any matter that may affect you or your studies.

## INDIVIDUAL ATTENTION

We're proud of our experienced and qualified academics who care for the growth and success of every student. Benefit from our small classes where you will receive individual attention and focused support as you prepare for University.

## PACKAGED ENROLMENTS

MIT and Murdoch University offer packaged enrolments for international students. This means that you initially enrol to both MIT and Murdoch University at the same time. When you successfully graduate from MIT, you're guaranteed direct entry into Murdoch University without having to reapply\*.

\*Subject to meeting university progression requirements.

## NATIONAL ACCREDITATION

Our Diploma programs are nationally accredited by the Tertiary Education Quality and Standards Agency (TEQSA) and are Australian Qualification Framework (AQF) recognised. Our English language programs are endorsed by the National English Language Teaching Accreditation Scheme (NEAS).

### PREPARATION FOR UNIVERSITY

### FLEXIBLE STUDY OPTIONS

### INDIVIDUAL ATTENTION AND SUPPORT

# MURDOCH UNIVERSITY

Murdoch University is home to a community of over 23,000 students, including 2,000 international students, from over 85 countries.

The University brings together scholarship and real-world practice to provide you with the skills and knowledge needed for successful professional careers.

## WHY MURDOCH UNIVERSITY?

Studying at Murdoch University isn't just about learning in your chosen field. You'll explore new ways of thinking, discover different perspectives and make a difference by applying cutting-edge theory with real-world experiences to ensure you're ready for a successful career. We're passionate about what we do and we're here to help you gain the skills, knowledge and life experience you need to achieve your goals.

There are many reasons why Murdoch University is the perfect place for you.

## WORLD-CLASS FACILITIES

A Murdoch education means access to a range of unique courses and real-world facilities. Our state-of-the-art facilities include an operating veterinary clinic, nationally renowned engineering pilot plant, fully-equipped TV and radio studios, practising chiropractic clinic, sports science performance labs and our world-class law moot court. You'll also have 24 hour access to computer labs and our Library Learning Common.

## INDUSTRY RELEVANT

We work closely with industry, businesses, the community and the government across a range of exciting projects and initiatives, providing you with opportunities to apply your theory in a practical environment. Through work-integrated learning, practicum placements, hands-on projects and internship experiences, you will learn exactly how to meet industry demands.

## GLOBALLY CONNECTED

We are proud of our culturally diverse staff and student community, with campuses in Perth, Singapore, Dubai and Myanmar. Murdoch University proudly supports more than 23,000 students from 85 different countries.

## HELP WITH YOUR CAREER

Our Careers and Employment Centre can help with your CV, work experience placements and interview coaching by providing mentoring programs, an extensive resource library and an online job register.

## THE MURDOCH COMMUNITY

Making friends, exploring new interests and having fun are all a huge part of your university experience. At Murdoch you'll have the chance to join our student clubs and Guild, be part of a range of university events, become a volunteer or spend your free time at our Sports and Recreation Centre.

## LEADING ACADEMICS

Our teaching staff are globally recognised as industry leaders, but most importantly they're committed to helping you learn. More than 73 per cent of Murdoch staff hold a doctorate degree, so you are supported by top academics from around the globe, benefiting from their experience, knowledge and networks of contacts to help you launch your career.

## WIDE RANGE OF COURSES

We have a variety of courses offering undergraduate majors in Business and Law, Creative Arts and Communication, Engineering, Health, Science, Social and Cultural Studies, Teaching and Technology. Our flexible course structure gives you the opportunity to combine different majors to maximise your qualifications, allowing you to create a unique degree for broader career opportunities.

## TOP RATED RESEARCH

We are one of the leading research universities in Australia, with the highest possible ranking for research in Physical Chemistry, Environmental Science and Management, Zoology, Agricultural Biotechnology, Clinical Sciences, and Medical Microbiology (ERA, 2018). As a member of the Innovative Research Universities group we collaborate with a number of distinguished Australian Universities to conduct research of national and international standing.

## WHY STUDY AT MURDOCH?

\* One or two additional units are required to complete first year. In most situations, these may be taken as general electives in second year, which will not require additional time to complete the degree.  
\*\* Please note that some Bachelor destinations may not be offered for every Semester.  
† Education and Nursing will have higher IELTS requirements. Please ask us for more details.

# FOUNDATION STUDIES

CRICOS Course Code: 093279K

## QUICK FACTS

Program length	2 trimesters (15 weeks per trimester)
Intake dates	2019 14 Oct 2020 24 Feb, 22 Jun, 19 Oct
English entry requirements	IELTS 5.5 overall (no band less than 5.0)
Academic entry requirements	Completion of Australian Year 11 or equivalent (see academic entry requirements pages 32-34).
Tutorial size	Average 14, maximum 25
Study load	8 hours per core unit per week, plus 7 hours per elective unit per week
Minimum age	16 years

## Jerome Yi Tjun Tang

Malaysia / MIT Pathway to B. Science in Chiropractic Science + B. Clinical Chiropractic

“The teachers at MIT are very approachable and always there to help whenever you are troubled by classwork. The teachers will always encourage students to ask questions and make sure every student is on the same page before moving on. MIT will definitely help you to achieve your goals.”

Foundation Studies prepares you for a successful transition to degree-level study, providing a pathway to the first year of study of a bachelor degree at Murdoch University.

## WHY STUDY FOUNDATION STUDIES WITH US?

### PATHWAYS TO ANY DEGREE

This course is suited to you if:

- you need an entrance qualification for Murdoch University
- you want to accelerate your university preparation after Year 11, or equivalent
- you want to change your degree stream after Year 11, or equivalent

On successful completion\* of your Foundation Studies program, you’ll gain entry to the first year of any undergraduate degree at Murdoch University, with the exception of Veterinary Science. This course can be accessed through a Bachelor of Science in Animal Science.

### PERSONALISED STREAMS

You are encouraged to select some units according to your interests and preferred Murdoch University bachelor degree destination. Academic staff at MIT will assist in the selection of units and provide you with a personalised study plan at the time of enrolment.

### UNIVERSITY CAMPUS LIFE

Studying your Foundation Studies program on Murdoch University campus means you get to enjoy university life and ease your transition into the university learning environment.

### DEDICATED SUPPORT

We focus on individual student welfare and guidance and we keep our class sizes small. At MIT you’ll receive the care and individual attention you need to succeed in your studies.

## STRUCTURE AND PATHWAY

For Foundation Studies you will complete eight units over two study periods, studying a combination of core and elective units. The units you will undertake will be determined by your chosen degree. Each unit of study builds concepts from an introductory level through to university entrance level. The units are designed to develop your learning techniques as well as bridging gaps in your unit knowledge.

## FOUNDATION UNITS

You will study eight units depending on your bachelor degree at Murdoch University. All students must complete the two English units and at least one unit from each Discipline Group.

ENGLISH	MATHEMATICS	SCIENCE AND TECHNOLOGY	THE ARTS	BUSINESS AND LEGAL STUDIES
Essential Australian Studies	Introductory Mathematics	IT for Academic Studies	Introduction to Media	Accounting
Introduction to Academic Communication	Maths for Science	Computer Science	Media Production	Management
		Physics		Economics
		Chemistry		Marketing
		Biology		

The Foundation Studies program meets the requirements for Foundation Programs which have been registered on CRICOS for delivery in Australia to overseas students, providing an academic preparation for those seeking entry to first year undergraduate study, or its equivalent. This program is specifically designed for international students.

\* A higher requirement and specific subject scores are required for Law & Engineering. Please see page 17.

# MURDOCH UNIVERSITY PREPARATION COURSE

CRICOS Course Code: 069100D

## QUICK FACTS

Program length	1 - 3 trimesters (15 weeks per trimester)
Intake dates	2019 14 Oct 2020 24 Feb, 22 Jun, 19 Oct
English entry requirements	IELTS 5.5 (no band below 5.0) or IELTS 6.0 (no band below 5.5) depending on duration
Academic entry requirements	Completion of Australian Year 11 or Year 12 depending on duration (or equivalent)
Tutorial size	Average 14, maximum 25
Study load	8 hours per core unit per week, plus 7 hours per elective unit per week
Minimum age	16 years

## WHY STUDY A MURDOCH UNIVERSITY PREPARATION COURSE?

Our Murdoch University Preparation Course (MUPC) is an accelerated course made up of a minimum of 4 Foundation Studies units.

The program is suited to you if:

- you don't have the desired high school results to gain entry to your chosen bachelor degree
- you want to change your degree stream
- you have to improve your chances of entering highly competitive courses at Murdoch University

### DIRECT ENTRY

Successful completion\* of the Murdoch University Preparation Course will provide students with direct entry into first year of their chosen bachelor degree at Murdoch University. Articulation is available to all undergraduate degrees at Murdoch University with the exception of Veterinary Science, which can be accessed through a Bachelor of Science in Animal Science.

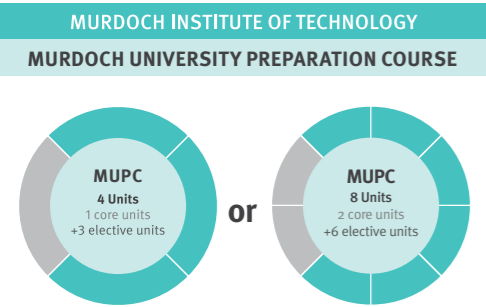

### INDIVIDUAL SUPPORT

Students receive individual guidance and support to achieve their personal and academic goals. Flexible intake dates allow students to balance their workload and complete the course over 1 to 3 trimesters.

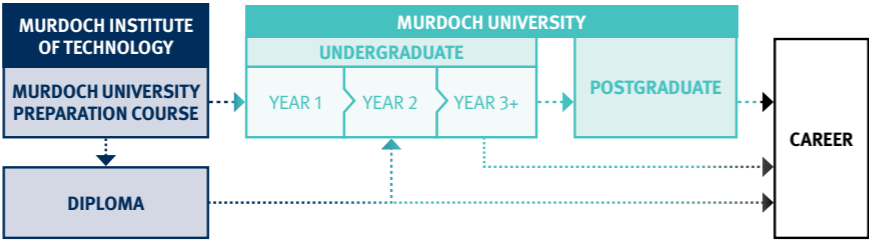

### ON UNIVERSITY CAMPUS

Studying on-campus at Murdoch University lets you enjoy university life and transition into the learning environment.

- ANIMAL HOSPITAL
- WORKING FARM
- EQUINE CENTRE

HANDS ON EXPERIENCE

GAIN DOUBLE DEGREES IN FIVE YEARS

<sup>1</sup> #1 For Overall quality of educational experience, Median graduate starting salary, Learner engagement, Skills development according to The Good Universities Guide 2019.

## WHY STUDY VETERINARY SCIENCE AT MURDOCH UNIVERSITY?

Graduate with a Bachelor of Science in Veterinary Biology and a Doctor of Veterinary Medicine in just five years.

This Murdoch University degree has the highest level international credentials, having been accredited by the Australasian Veterinary Boards Council (AVBC), American Veterinary Medical Association (AVMA), and the Royal College of Veterinary Surgeons

(RCVS) in the United Kingdom. You can take your degree overseas to explore new opportunities.

As the only university in Australia with its own farm onsite, Murdoch University provides you with hands-on experience. There are also state of the art clinics for small, large and exotic animals which are open to the public to bring their pets for treatment.

Murdoch University have their own facility at Perth Zoo, and partnerships with animal and wildlife rescue shelters so you can gain experience with a wide-range of animals.

The academic staff at the Murdoch University are highly qualified and recognised as among the best researchers and practitioners in their specialised fields of learning.

## WHY CHOOSE MIT?

- Study on-campus and enjoy your transition into the university learning environment
- Access to university facilities and receive guidance from university course advisors
- Build a strong foundation and focus on the subjects you need to succeed in this highly competitive degree
- Information on how to gain voluntary animal handling work experience

## WHY STUDY A DIPLOMA OF BUSINESS AT MURDOCH INSTITUTE OF TECHNOLOGY?

As well as providing the same content as first year Murdoch University units, MIT offers a number of other key advantages:

### DEDICATED SUPPORT

At MIT you'll receive the care and individual attention you need to thrive. We offer small class sizes and one additional study hour compared to Year 1 students.

### MORE QUALIFICATIONS

You can complete an MIT Diploma before going on to the second year<sup>†</sup> at Murdoch University. Once you complete a MIT Diploma and finish your bachelor degree at Murdoch University, you'll have two accredited AQF qualifications – a diploma and a bachelor's degree. That's two qualifications over the three-year period it usually takes to get one.

### WORLD-CLASS FACILITIES

Studying on campus means that you gain access to the world-class facilities offered by Murdoch University.

### FLEXIBILITY

With three intakes per year and a flexible course structure, you can speed up your completion. If you're a domestic student you can also take on a lighter course load.

### CHOICE OF MAJOR

Select your bachelor's degree specialisation from the following:

- Accounting
- Banking
- Business Law
- Finance
- Hospitality and Tourism Management
- Human Resources Management
- International Business
- Management
- Marketing

MIT Diplomas are accredited by Tertiary Education Quality and Standards Agency (TEQSA).

## STUDY PATHWAY

There are a number of flexible pathways to study at Murdoch University, with different start dates and course lengths to choose from based on your availability and prior learning.

	TRIMESTER 1 February: 15 weeks	TRIMESTER 2 June: 15 weeks	TRIMESTER 3 October: 15 weeks	SEMESTER 1 February	SEMESTER 2 July
	MURDOCH INSTITUTE OF TECHNOLOGY			MURDOCH UNIVERSITY	
OPTION 1	3 UNITS	3 UNITS	2 UNITS	YEAR 2	YEAR 2
OPTION 2		4 UNITS	4 UNITS	YEAR 2	YEAR 2
OPTION 3		3 UNITS	3 UNITS	2 UNITS	YEAR 2
OPTION 4			4 UNITS	4 UNITS	YEAR 2

## DIPLOMA CURRICULUM

You will study and need to pass eight units over two or three trimesters. Successful completion of the required units will ensure you receive a recognised diploma qualification as well as direct entry into the second year<sup>†</sup> of your selected degree at Murdoch University.

FEE-HELP\*\* available!

# DIPLOMA OF INFORMATION AND COMMUNICATION TECHNOLOGY

CRICOS Course Code: 069095G

Program length

2-3 trimesters  
(15 weeks per trimester)

Intake dates

2019 14 Oct  
2020 24 Feb, 22 Jun, 19 Oct

English entry requirements

IELTS 5.5 overall (no band less than 5.0)

Academic entry requirements

Completion of Year 12 with ATAR 50+ or equivalent  
(See academic entry requirements page 32-34)

Tutorial size

Average 15, maximum 25

Study load

4 hours per unit per week

Minimum age

17 years

\*\* Eligible domestic students who satisfy citizenship and residency requirements may apply for FEE-HELP. For more information go to [www.studyassist.gov.au](http://www.studyassist.gov.au)

Develop an understanding of how information technology is embedded in society and explore its wide-ranging role, both in its physical form and as a communication process.

DIPLOMA PROGRAMS

All Diploma programs are recognised as AQF awards.

MIT Diplomas are accredited by the Tertiary Education Quality and Standards Agency (TEQSA).

The Diploma of Information and Communication Technology is designed for those of you interested in studying a Bachelor of Science at Murdoch University, with a choice of major in the following:

- Business Information Systems
- Computer Science
- Cyber Security and Forensics\*
- Games Software Design and Production
- Games Technology
- Internetworking and Network Security\*
- Mobile and Web Application Development

This diploma provides an introduction to computer software, hardware, processes, information systems and programming languages as they are being used today and developed for the future. The skills and knowledge gained throughout the diploma can be applied in a huge variety of sectors providing support, direction and inspiration to both small and large organisations. Upon successful completion of this diploma program, you will qualify for direct entry into the second year of a range of Murdoch University Bachelor of Science degrees.

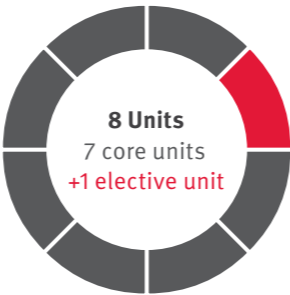

\* Majors requiring additional units to be taken at Murdoch University.

CAREER OPPORTUNITIES

- Business Analyst
- Systems or Security Analyst
- IT Security Manager
- Game Programmer
- Web Designer

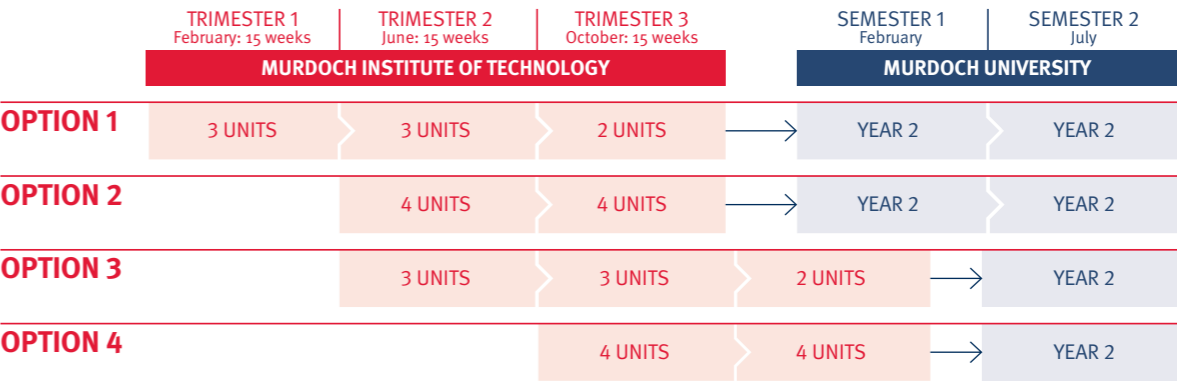

These are just an example of the many different careers that might be available to students who graduate from a related degree at Murdoch University.

Our English for Academic Purposes (EAP) course is designed to help you excel in your chosen field. Learn to communicate with confidence and improve essential study skills in an English-speaking academic environment.

In our EAP course, we've created a learning environment that introduces you to university teaching methodologies. You'll engage in collaborative learning, structured self-study, and student-teacher dialogue just as though you were studying a bachelor's degree. You can expect a range of multi-media materials and challenging tasks that encourage you to draw on your future study direction and past experience. Our experienced team of teachers will carefully guide your development across the four key language skills. Our course is designed to improve accuracy, fluency, and confidence across reading, writing, listening and speaking.

Here are some skills you can expect to develop across these four key areas:

**SPEAKING**  
Giving presentations, participating in seminars and tutorials, working in groups.

**LISTENING**  
Listening to lectures, note-taking techniques, listening skills practice.

**READING**  
Strategies such as skimming and scanning, understanding assignment questions, coping with extended reading.

**WRITING**  
Learning to construct paragraphs, essays, reports and summaries, analyses of numerical data and case studies, research and referencing techniques.

English programs are endorsed by the National ELT Accreditation Scheme (NEAS)

Murdoch Institute of Technology is a member of English Australia

## PATHWAY

# LIVING IN PERTH

A cosmopolitan city with a population of approximately 2 million people, Perth is located on the banks of the Swan River in Western Australia.

Consistently ranked as one of the most liveable cities in the world<sup>1</sup>, Perth is a youthful and diverse city with one third of its students from overseas. With 3,000 hours of sunshine a year, more than any other Australian capital city, you'll enjoy warm summers and short, mild winters. On average, students in Perth feel safer than other students in Australia<sup>2</sup>.

Perth combines its lively urban charm of bustling shops, restaurants and bars, with spectacular outdoor spaces. These include King's Park and the Botanic Gardens, one of the world's largest inner city parks, as well as an endless coastline of white sandy beaches. There will always be plenty for you to explore in your study breaks.

**14TH MOST LIVEABLE CITY IN THE WORLD<sup>1</sup>**

**POPULATION OF 2.04 MILLION<sup>4</sup>**

## FLIGHT TIMES

Direct flights to Perth are available from these major cities:

- Sydney (4.5 hours)
- Melbourne (4 hours)
- Bali (3.5 hours)
- Bangkok (7 hours)
- Singapore (5.5 hours)
- Jakarta (4 hours)
- Kuala Lumpur (5.5 hours)
- Hong Kong (8 hours)
- Guangzhou (8 hours)
- Dubai (13.75 hours)

Perth is in the same time zone as many parts of Asia, including China, Hong Kong, Malaysia and Singapore.

## COST OF LIVING

Typical budget for an Australian student living out of home in Perth:

Expense (Australian dollars)	Cost per week AUD \$
<b>RENT*</b> <small>based on single room</small>	\$165
<b>ENTERTAINMENT</b>	\$80
<b>FOOD</b>	\$80
<b>PUBLIC TRANSPORT</b>	\$15
<b>PHONE</b>	\$10
<b>INTERNET</b>	\$5

Total: from **\$18,460** annually

# STUDENT LIFE

MIT offers a number of services and activities to encourage you to get involved and excel in your studies, ensuring a smooth transition to study at Murdoch University.

### GET SOCIAL

Join our online community, chat to other MIT students, ask us questions, find out more about our programs and see what is happening on campus.

Follow us on social media.

-  [instagram.com/mit\\_perth](https://www.instagram.com/mit_perth)
-  [facebook.com/mitperth](https://www.facebook.com/mitperth)
-  [youtube.com/MITPerth](https://www.youtube.com/MITPerth)

### ORIENTATION

Held at the start of each trimester, Orientation allows you to meet students and staff, tour and familiarise yourself with the campus and learn everything you need to know to prepare for study at MIT. Join in fun activities and make friends with students from around the globe before your studies commence.

### PASTORAL CARE

If you are under the age of 18 Australian law considers you to be a minor and as such MIT takes a special interest in your welfare and development. Additional support and services are provided to everyone under the age of 18. MIT staff offer continual support and mentorship throughout your studies with regular meetings and supervision to monitor your progress and welfare.

### AIRPORT TRANSFERS

Free airport transfers are available for new international students with packaged Murdoch University degrees arriving in Perth to study for the first time.

### STUDENT CLUBS

At university what you do outside of class can be just as important as what you do in the classroom. It is important to balance your study with other activities. You will have access to over 100 affiliated clubs at Murdoch University that celebrate all walks of life – join sporting teams, interest groups, and meet local and international students who share similar interests.

### STUDENT COUNCIL

There are lots of different ways to equip yourself for your career. While you're studying with us at MIT, you might consider joining the Student Council. Taking on a volunteer position is a great way to develop leadership, networking and language skills.

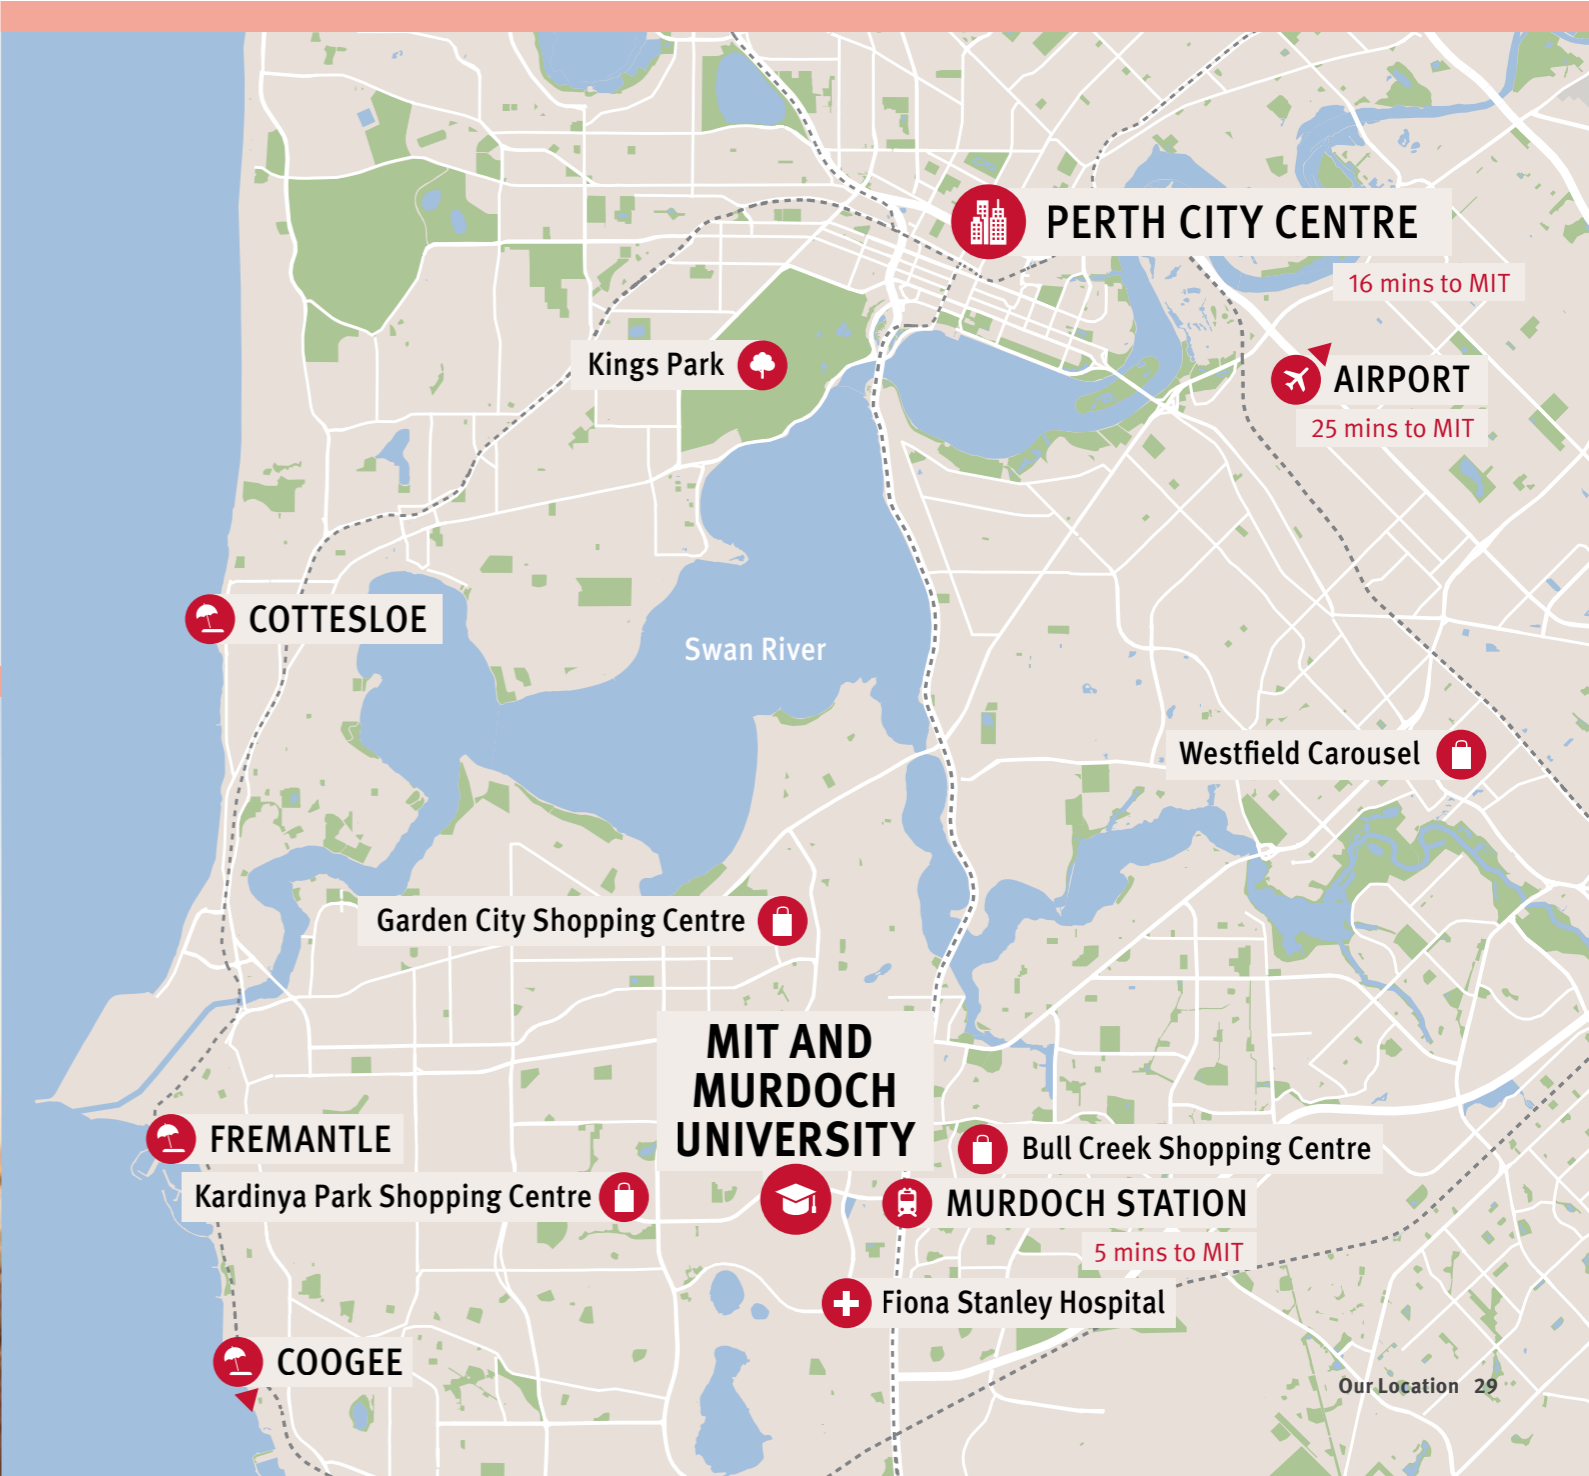

### SCHOLARSHIPS

Murdoch University offers scholarships to new international students, including to MIT graduates. Search for scholarships and eligibility criteria at [www.murdoch.edu.au](http://www.murdoch.edu.au)

# OUR LOCATION

Travelling to MIT is simple, with regular public transport running between Murdoch University, Perth City Centre and Fremantle.

The Mandurah rail line connects Perth CBD to Murdoch train station in 11 minutes, with a quick trip by a connecting bus service to the campus, or a short walk. Buses also run regularly connecting the campus to the rest of Perth, with all students eligible for a discount on public transport fares.

### Sean Bauer

Australia / MIT Pathway to B. Criminology

'Meeting and talking to students from other places in the world really helped open my outlook and understanding of other cultures and people. It was refreshing to hear stories and ideas that weren't from another Australian.'

# ACCOMMODATION

At MIT we understand that moving somewhere new can be hard. Fortunately, you have lots of accommodation options when you come to Perth to study. We're here to help you find the best option. Student accommodation is widely available with easy access to public transport. We can assist you in securing accommodation on campus at the Murdoch University Village, or by placing you with a local family in a homestay.

## ACCOMMODATION

TYPE OF ACCOMMODATION	NUMBER OF MEALS PER DAY	NUMBER BEDROOMS IN APARTMENT	PRICE PER PERSON PER WEEK (AUD)	ADDITIONAL FEES (AUD)
Australian Homestay Network				
Single	3 (7 days)	-	\$325	
	2 (Mon-Fri)	-	\$290	
	1 (Dinner)	-	\$265	
	No meals	-	\$210	\$290 - Placement Fee
Share	3 (7 days)	-	\$295	\$130 - Airport Reception Fee
	2 (Mon-Fri)	-	\$260	
	1 (Dinner)	-	\$235	
	No meals	-	\$180	
Murdoch University Village <sup>†</sup>				
Single	-	1	\$386.20	Security deposit 4 weeks rental fee
	-	8	\$153.70	
Ensuite	-	4	\$234.20	

<sup>†</sup> The weekly rate is for minimum duration of 1 semester booking.  
Any enquiries should go directly to the Village, and bookings can be made through the Murdoch Village website at [www.murdochuv.com.au](http://www.murdochuv.com.au).  
All fees include GST where applicable. Prices are correct at the time of publication (September 2019) and are valid for programs starting in 2020. MIT has the right to change prices due to tax increases, government actions or other events beyond MIT's control. The fees stated on this page are for international students only. They include tuition, internal examination fees, amenities, classroom materials, initial printing, internet and photocopying quotas. Students should allow approximately AUD \$400-600 per year for textbooks, stationery, additional internet and printing.

## ACCOMMODATION OPTIONS

### 🏠 AUSTRALIAN HOMESTAY NETWORK

Homestay is a great option if you are looking to experience Australian culture and adapt to living and learning within a secure environment. You will be placed with a local host family who will welcome you into their home. Here you will benefit from a supportive family environment where English is the primary language spoken, allowing you to practice everyday conversation.  
For more information about homestays visit [www.homestaynetwork.org](http://www.homestaynetwork.org)

### 🏢 MURDOCH UNIVERSITY VILLAGE

Enjoy the complete student experience by living on campus at Murdoch University. With easy access to classes and university facilities at your door, you will have the opportunity to make friends in a fun environment where you are encouraged to live, learn and grow.

The Village offers security and support, providing 24 hour onsite management. Apartments and common areas are only accessible by electronic swipe card and all individual bedrooms are lockable.  
There are a full range of room types available, including single, ensuite, double and deluxe all within modern one, two, five and eight bedroom apartments. Rooms are available on a first come, first served basis. Prices vary by apartment size and room type. Twin-share may be available on request.  
You must nominate whether you wish to be placed in single or mixed gender apartments (under 18s must be in single gender apartments). Murdoch University Village residents do not have a curfew.  
The weekly rate is only available for a minimum one semester booking. Short-term bookings are also available – rates available on request.  
Find out more or book online at [www.murdochuv.com.au](http://www.murdochuv.com.au)

DECLARATION

I have read, understood and agree to be bound by the Terms and Conditions of enrolment here attached, on page 37 of the 2020 prospectus, or on our website. I declare that I have read the instructions on this application form and that, to the best of my knowledge, the information provided by me is true and complete in every particular. I acknowledge that Murdoch Institute of Technology may vary or reverse any decision regarding admission or enrolment made on the basis of incorrect or incomplete information provided by me. I give permission to Murdoch Institute of Technology to verify or obtain records from other educational institutions that I have attended. I understand that I am seeking temporary entry into Australia for educational purposes only as a fee-paying student. I understand that if I change my visa status, I may be subject to different rules and conditions. I understand the above conditions and am prepared to accept them in full. In particular that I, or my sponsor, will be responsible for the full costs of the academic program for which I am seeking admission, as well as the associated travel and living costs. I give permission to Murdoch Institute of Technology to provide information to my parent(s) or guardian(s) and my agent regarding my application for admission to the program listed above. I declare that I am not entitled to any Title IV aid funding in the United States.

<input type="checkbox"/> I confirm that I have read, understood and agree to the Murdoch Institute of Technology Terms and Conditions

APPLICATION PROCESS

- ☐ **1. Submit application**  
Submit the application form and copies of any relevant documents via email to [mit.admissions@murdochinstitute.wa.edu.au](mailto:mit.admissions@murdochinstitute.wa.edu.au)  
Please ensure you have completed all sections of the form.
- ☐ **2. Offer letter**  
Successful applicants will receive an offer letter from MIT.
- ☐ **3. Accept offer and pay deposit**  
Accept the offer and pay the amount stated on the offer letter.
- ☐ **4. Orientation**  
An orientation letter outlining the details of the first day of term will be sent out to all new students.
- ☐ **Contact MIT**  
Contact the team at MIT by calling +61 8 9360 1700 or by sending an email to [mit.admissions@mudochinstitute.wa.edu.au](mailto:mit.admissions@mudochinstitute.wa.edu.au)

MIT TERMS AND CONDITIONS

- 1. GENERAL TERMS AND CONDITIONS**  
These Terms and Conditions are applicable to all students studying at Kaplan Higher Education Pty Ltd 85 124 217 670 trading as Murdoch Institute of Technology CRICOS 03127E (PRV12030) ('MIT'/'our').  
**1.1. Policies and procedures:** All MIT students are subject to the policies and procedures that are published on our website ([www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)) and in the MIT student handbook, including those dealing with student misconduct, assessment, progression, enrolment deferral and cancellation, complaints and appeals, and refund. Students must review these policies and procedures and ensure they understand and comply with the most up to date version of our policies and procedures at all times.  
**1.2. Course absences and start dates:** All students are expected to attend class from the first day of their course. No refund is given for time missed due to arrivals after the published course commencement date, vacations, absences or public holidays. Such periods of absence will not be replaced by a free extension of any course. No refunds or substitutions will be made for classes missed due to non-MIT exams, excursions, first day orientation or other obligations that fall outside the normal teaching schedule. Classes are not held, and many campus facilities are closed, on public holidays. All published course dates start on a Monday, but if the Monday is a public holiday, the course start will fall on the Tuesday. Students will not be able to commence their course if they fail to attend the first two (2) weeks.  
**1.3. Campus facilities:** Students are advised that campus facilities may not be available during study breaks. Details are available from the Student Services Team or Reception staff at MIT.  
**1.4. Placement:** MIT may place a student into the most appropriate class and postpone subjects to the following study period where there is an insufficient number of students for that class or subject.  
**1.5. Course changes:** MIT may change course dates, course curricula, tutors and programs at any time at its discretion. However, in cases where the course is rescheduled before the first class and the new date is unacceptable to the student all unused tuition fees will be refunded. The deadline for any course or unit transfers is the end of week 1 in each study period.  
**1.6. Tuition fees:** The student or student's family agrees to pay the annual tuition fee and any additional charges in accordance with the fee schedule for the current year published on our website [www.murdochinstitute.wa.edu.au](http://www.murdochinstitute.wa.edu.au). Any refund is made in accordance with the MIT Refund Policy. Tuition fees include lessons, orientation, use of computer facilities and internet quota, placement and progress testing and a MIT certificate upon successful completion of the course. MIT may withhold the granting of a certificate from a student if the student's tuition fees or any other fees remain outstanding.  
**1.7. Late enrolment:** New students in all programs (except for English for Academic Purposes (EAP) must finalise their class enrolments before the end of week 1 in each study period, and must commence their studies before the end of week 2 in each study period. New students in the EAP program must finalise their class enrolments and commence their studies before the end of week 1 in each study period. Continuing students in the Foundation Studies and Diploma programs must attend their first day of scheduled class as shown on their final timetable in each study period otherwise a late enrolment fee of AUD 250 will apply, and must enrol in their final choice of units by the end of week 1 in each study period. No enrolments will be accepted after the end of week 1 in each study period for the EAP program or after the end of week 2 in each study period for any other program. Students who miss their enrolment deadline must defer their studies to the next study period which, for international students, may affect their student visa.  
**1.8. Books and learning materials:** Students may be required to purchase textbooks, workbooks, stationery, software and other required learning materials at an additional cost. Details of any additional costs are in the MIT student handbook or the relevant course or unit outline.  
**1.9. Additional services:** Any additional services (such as travel, telephone costs, excursions, medical costs, special diet, non-MIT exams and enrolment amendments) are not included in any fees unless specifically stated on a valid invoice from MIT. Students wishing to arrange homestay accommodation and/ or airport transfer should contact Australian Homestay Network at [www.homestaynetwork.org/mit-students](http://www.homestaynetwork.org/mit-students). Enquiries about on-campus accommodation should be directed to Murdoch University Village at [www.murdochuv.com.au](http://www.murdochuv.com.au).  
**1.10. Privacy:** Privacy: Personal information collected by MIT, which identifies a student and information regarding a student's course progress and attendance, may be shared by MIT with the Australian government, or State and Territory governments, and their designated authorities, the Tuition Protection Service, the agent that recruited the student (unless specifically excluded), the students' parents (if under 18), MIT staff, contractors and insurer, Murdoch University and related body corporates of MIT and their staff and contractors. This information may include personal and contact details, course enrolment details and changes, course results, and the circumstance of any suspected breach by the student of a visa condition. MIT's Privacy Policy outlines further information about the handling of personal information by MIT (at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)). You may contact our Privacy Officer at [privacy@kaplan.edu.au](mailto:privacy@kaplan.edu.au) if you have any enquiries about your personal information or if you wish to make a privacy complaint.
- 1.11. Photography, filming and sound recording:** MIT or its representatives may arrange to photograph or shoot video footage of students for promotional or marketing purposes, in print and/or online, at any time, including during graduation ceremonies. Any student who does not wish to participate should advise MIT or its representative at the time of booking and state at the time of the photographing or video shooting that they do not wish to participate and remove themselves.  
**1.12. Medical costs:** MIT is hereby authorised to seek medical treatment should MIT or a staff member acting on its behalf consider such action necessary for a student. The student agrees to indemnify MIT for any expense, loss, damage or liability whatsoever suffered or incurred as a result of authorising and arranging such emergency medical treatment.
- 2. MURDOCH UNIVERSITY FEES**  
**2.1.** Murdoch University course fees will depend on the student's choice of undergraduate degree course and point of entry. Further information is available on the Murdoch University website: [www.murdoch.edu.au](http://www.murdoch.edu.au).  
**3. DEFERRAL/INTERMISSION, SUSPENSION AND CANCELLATION OF ENROLMENT**  
**3.1.** A student may apply to defer/intermit their studies on the grounds of compelling or compassionate circumstances such as their own ill health or that of a very close relative. All applications for deferral/intermission from a course of study must be made in writing by using the relevant form available from MIT. Students should refer to the MIT Changes to Enrolment Policy (available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)) for details of the circumstances in which their enrolment may be deferred, suspended or cancelled, before submitting their application.  
**3.2.** A student's enrolment at MIT may be suspended or cancelled in accordance with the MIT Changes to Enrolment Policy (available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)), including on grounds of misbehaviour by the student, the student's failure to pay amount(s) owing to MIT in accordance with this agreement or a breach of course attendance and progression by the student.  
**4. REFUNDS**  
**4.1.** MIT's Refund Policy is currently available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/). All students must read the Refund Policy before accepting an offer of admission from MIT. Students requesting a refund are required to do so in accordance with the MIT Refund Policy. All refund requests will be responded to in writing and approved refunds will be paid within 20 working days of written notification received by MIT. For under 18 students, refunds will be processed only if the parent(s) or guardian(s) of the student have signed the Refund Application Form. Tuition fees are not transferable to other students.  
**5. INTERNATIONAL STUDENTS**  
**5.1. Visa information:** It is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport for the whole period of study. The student may be asked to make payment for the first study period before any of their visa documentation is issued. Visa application forms (Confirmation of Enrolment) may not be issued by MIT until payment for the first study period has been received and the enrolment agreement has been signed and returned to MIT by the student. The enrolment agreement includes reference to the pre-arrival information and grievance procedures information and can be found on our website [www.murdochinstitute.wa.edu.au](http://www.murdochinstitute.wa.edu.au).  
**5.2. Student visa obligations:** Student visa holders are required to maintain compliance with all applicable visa conditions including providing MIT with a current residential address, mobile number, email address and who to contact in emergency situations, as well as notifying the College of any change in these details within 7 days of the change. Overseas students enrolling in Foundation Studies, ELICOS courses or MUPC courses must maintain satisfactory academic progress and attend a minimum of 80% of their course. Students who enrol in the above-mentioned courses and fail to commence their enrolled course or fail to meet the requirement for 80% attendance or satisfactory academic progress will be reported to the Department of Home Affairs (DoHA). Overseas students enrolling in a Diploma course are expected to meet their student visa requirements, attend classes and maintain satisfactory academic progress as outlined in the course schedule. Any school-aged dependants accompanying overseas students to Australia will be required to pay full fees if they are enrolled in either a government or non-government school.  
**5.3. Health insurance:** Health insurance is compulsory for student visa holders and their accompanying family members. Students will not receive a Confirmation of Enrolment (CoE) until they have obtained satisfactory health insurance for the length of their visa. The Australian government requires all students on student visas to join the Overseas Student Health Cover (OSHC) scheme, a health insurance plan for overseas students in Australia. Students must ensure that payment is made for compulsory OSHC before their visa is issued and that the insurance provides adequate coverage for the duration of the student's visa.  
**5.4. Codes of practice:** MIT abides by the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (the National Code) and the Educational Services for Overseas Students Act 2000 (cth) (ESOS Act). Further information about the National Code can be obtained at [internationaleducation.gov.au/Regulatory-Information/](http://internationaleducation.gov.au/Regulatory-Information/).
- 5.5. Living expenses:** Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. Further information can be obtained at [www.studyinaustralia.gov.au/en/Study-Costs](http://www.studyinaustralia.gov.au/en/Study-Costs) or [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au).  
**6. CONSUMER PROTECTION**  
**6.1.** Students who are dissatisfied with a decision made by MIT may submit a complaint to MIT in accordance with MIT's Complaints and Appeals Policy (available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)). If a student is dissatisfied with the outcome of a complaint and subsequent appeal, they may also submit an application for review of MIT's decision or action to the Overseas Student Ombudsman (if they are an international student) or to a State/Territory fair trading or consumer protection agency.  
**6.2.** This agreement, and the right to make complaints and seek appeals of decisions and actions under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.  
**6.3.** Students will be advised of any changes to these Terms and Conditions that may result from a directive of the governing body of MIT or Murdoch University, or from a change in government legislation or regulation. Any dispute, claim or other matter arising will be subject to the laws of Western Australia.  
**7. DECLARATION**  
Upon submitting an application to MIT, and subsequently undertaking any study at MIT, the student (or their authorised representative on the student's behalf – if the student is under 18 years of age):  
**a.** Declares that the information provided in their application form is true and complete in every detail.  
**b.** Understands that giving false or incomplete information may lead to the refusal of their application or cancellation of their enrolment.  
**c.** Has read and understood the published information in the MIT course information brochure and on the MIT (and Murdoch University) website, including school policies, and has sufficient information about MIT to enrol.  
**d.** Authorises MIT to retain their photo image for identification purposes and consents to the use of any photographs or video footage taken of the student for promotional or marketing purposes, in print and/or online, at any time (including at a graduation ceremony) without further consent or notification.  
**e.** Authorises MIT to provide Murdoch University, or any other educational institutions to which the student is seeking admission, any required relevant official records and other personal information relevant to their application or studies. The student also gives MIT permission to obtain official records from any educational institution the student has attended and from Murdoch University once their studies at MIT have finished.  
**f.** Authorises and consents for MIT to validate his/her qualifications and release copies of academic transcripts to prospective employers, when/if required.  
**g.** For international students, the student understands that MIT will collect information during their enrolment in order to meet its obligations under the ESOS Act and the National Code and to ensure the student complies with the conditions of their visa and the student's obligations under Australian immigration laws. The authority to collect information is contained in the ESOS Act, ESOS Regulations and the National Code. The international student authorises MIT to provide information including personal and contact details, course enrolment details, and the circumstances of any suspected breach of their student visa conditions to the Australian Government, the Tuition Protection Service (if relevant) and any other designated authorities. The student also understands that this information can be disclosed without their consent where MIT is authorised to or required by law.  
**h.** Understands and consents to the collection of personal information in accordance with the MIT Privacy Policy (available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)).  
**i.** Accepts liability for payment of all relevant fees identified in these Terms and Conditions, the MIT course information brochure and on the MIT (or Murdoch University) website. The student also understands the circumstances in which refunds will not be applicable as set out in these Terms and Conditions, including the MIT Refund Policy, and that fees may increase with written notification from MIT during the course. For international students, the student has also read the information provided in relation to living expenses and they understand that the cost of living in Australia may be higher than in their own country, and the student confirms that they can meet those costs.  
**j.** Understands and agrees to abide by all MIT policies and procedures (available at [www.murdochinstitute.wa.edu.au/policies/](http://www.murdochinstitute.wa.edu.au/policies/)).  
**k.** Agrees to notify MIT in writing of their contact details, including their current residential address, mobile number (if any) and email address, and who to contact in emergency situations. The student also agrees to notify MIT in writing of any change in those details within 7 days of the change.  
**l.** Acknowledges that MIT reserves the right to change terms, conditions and policies without prior notice in order to meet its legislative requirements, or to follow a directive of the governing body of MIT or Murdoch University, and agrees to keep themselves up to date with the changes occurring by checking regularly the MIT website and/or speak to MIT staff.

# Kaplan and you

Kaplan International Pathways is a leading provider of global education, centred around you. Whoever you are, and wherever you are in the world, our goal is to help you achieve your goal. We passionately believe that a global education can still be personal.

## Our story so far

We wouldn't be where we are today if it weren't for a man named Stanley Kaplan. Stanley faced challenges in getting an education himself in the 1930s, and wanted to make sure everyone had the opportunity to learn. This led him to create a test that was fair, so that students could enrol at university based on merit alone. Soon, Stanley's small education business began to thrive, and his success led to the creation of a whole new industry.

During the decades since then, Kaplan has changed and grown, but we still remember exactly why Stanley began his business. Sadly, he died in 2009, but his passion for fair education, available to everyone no matter who they are, lives on.

“There was no greater thrill than watching a student's face at that moment of revelation when they finally grasped an idea.”

Stanley Kaplan

80

years since Kaplan  
was founded
