Orientation	20 July	20 February
Classes Start	25 July	27 February
Classes End	21 October	22 May
Exam Period	31 October - 11 November	5-12 June

# Welcome to Curtin

**Curtin University is globally recognised for its strong connections with industry, high-impact research and wide range of innovative courses.**

When choosing Curtin, you will be immersed in technology-rich environments inspired by innovation, creativity and high-impact research. You'll build life skills, join a truly international community and become part of a forward-thinking culture committed to sharing innovative ideas.

With campuses in Western Australia, Malaysia, Singapore, Dubai and Mauritius you will have exposure to international environments and world-wide thinking.

### Gain real-world experience

At Curtin you will put into practice what you learnt in the classroom. Integrated learning programs will allow you to gain 'real world experience' and cope with the demands of the workplace. Activities can include work placements, overseas fieldtrips, industry projects for real clients, site visits, study tours or laboratory practices

### Access cutting edge facilities

Curtin University facilities are designed to enhance your student learning experience through innovative teaching spaces. These facilities are equipped with the same technology and resources you will be using in the workplace after graduation.

### Broaden your skill set

There are some skills you cannot learn in the classroom, so Curtin provides you with free leadership and volunteering programs to help you build interpersonal skills, boost your confidence and get involved into the community.

### Join an international family

At Curtin you will put into practice what you learnt in the classroom. Integrated learning programs will allow you to gain 'real world experience' and cope with the demands of the workplace. Activities can include work placements, overseas fieldtrips, industry projects for real clients, site visits, study tours or laboratory practices.

**Ranked in the top one per cent of universities worldwide**  
(Academic Ranking of World Universities 2021)

**Curtin's Nursing course is ranked 11th in Australia**  
(QS World University Rankings by Subject 2021)

**#2**  
**In the world for Mineral and Mining Engineering**  
(QS World University Rankings by Subject 2021)

**TOP 9**  
**Top 9 in Australia**  
(University Ranking by Academic Performance (URAP) 2020)

**TOP 25**  
**Globally in Architecture**  
(University Ranking by Academic Performance (URAP) 2019-2020)

**Awarded 5 stars for Teaching Quality, Starting Salary, Learning Resources, Learner Engagement and Overall Experience**  
(Good Universities Guide 2022)

# YOUR CAREER STARTS HERE

WITH **CURTIN  
COLLEGE**

You will be right in the heart of **Curtin's main campus** in Perth

Thrive in the minds of a **culturally diverse** environment

Over **12,000 students** have graduated from Curtin College and progressed into second year of their chosen bachelor's degree

Fast-track your studies to **graduate sooner**

**Student support services** to attain academic success

Enjoy the benefits of **small size classes**

## Support

- Student mentors
- Academic drop-in sessions
- Academic peers
- Online study kiosk
- Student counsellor
- ALEP - Academic Language Enrichment Program

# Perth, the place to study!

Located on the coast of Western Australia and surrounded with beautiful beaches, Perth is a multicultural city offering world-class education, a Mediterranean climate, clean and safe environment and friendly residents.

## Wild Life

Head to Caversham Park to discover Australia's wildlife and pat a koala, hold a wombat, feed a kangaroo or pony. This is your opportunity for a close-up encounter with some Australian icons.

## Transport

There are two main types of public transport in Perth: the bus and train. All buses within the Perth, Fremantle and Joondalup city zones are free for everyone. As an international student, you are eligible for concession fees and you will receive 40% discount on all rides.

## Outdoor activities

Visit Kings Park, which is larger than Central Park in New York, and enjoy the view of the beautiful Perth city. Kings Park has over 3000 native species of WA's unique flora and is the perfect spot to have a stroll or a picnic with friends.

### Explore the Cultural Centre

Perth's Cultural Centre is conveniently located in Northbridge where you can visit the Art Gallery of WA, Perth Institute of Contemporary Arts and the WA Museum. This vibrant city is home to many arts and cultural attractions and hosts numerous festivals and events.

### Discover Fremantle

If you head off to the port city of Fremantle you can explore the local markets, the heritage buildings and learn about WA history.

### Visit Rottnest Island

Rottnest Island is just a 40-minute ferry ride from Perth and is a must to visit. Hire a bicycle and explore the island with its breathtaking beaches. Before leaving, do not forget to take a selfie with a quokka.

# A brand new building

Curtin College is moving to a brand new building in Trimester 2/Semester 2 2022.

Building 420 is located in the heart of Curtin's new Exchange precinct. Close to public transport, parking areas and new recreation and retail services.

Our new classrooms have state-of-the-art learning and teaching facilities in a range of different configurations, more collaborative spaces and more places to socialise.

# Cost of living

**Perth is an affordable and friendly place to study.**

With high living standards, Perth has been rated one of the top ten most liveable cities in the world for over 15 years.

[studyperth.com.au/live/perth-lifestyle/](http://studyperth.com.au/live/perth-lifestyle/)

**RENT**  
(per week)

- On-Campus \$170 - \$250
- Off-Campus \$130 - \$400
- Homestay \$235 - \$325

**FOOD AND GROCERIES**  
(per week)

- Groceries \$70
- Groceries and dining out \$115

**PUBLIC TRANSPORT**

Approximately \$30 per week, depending where you live (based on Transperth Smartrider with a student 40% discount)

**UTILITIES**  
(per month)

- On-Campus Included
- Off-Campus \$35 - \$140
- Homestay Included

**Entertainment**  
Approx \$80-150 per week

**INTERNET**  
(per month)

- On-Campus Included
- Off-Campus \$20 - \$55
- Homestay Included

# Accommodation options

There are several options for you to stay on-campus or off-campus. It all depends on the type of lifestyle you want to have. Maybe you want to stay with friends or with an Australian homestay family for a full cultural experience right from the start.

## On-campus accommodation

Living on campus is a great opportunity to make new friends, focus on your studies and access a range of support services. On-campus accommodation rooms are fully furnished and have many recreational activities for you to socialise. All utilities are included and you will have free parking plus free gym membership at the Curtin Stadium. In early 2022, Curtin also expanded its accommodation options with the addition of St Catherine's College and Twin Dolphin Hall, operated by UniLodge.

[curtincollege.edu.au/future-students/international/accommodation](https://curtincollege.edu.au/future-students/international/accommodation)

## Off-campus accommodation

Living off-campus and sharing a house or apartment with other students is the most popular off-campus accommodation. You would have the option to rent a furnished or unfurnished room but there are some other extra costs you should consider such as utilities, internet, washing, parking etc.

## Accommodation tips

We recommend you organise temporary accommodation for 2 to 4 weeks prior to arriving Perth, as it is very important to inspect the house and meet the people you may live with before you move in.

You can find temporary accommodation on the following websites:

[airbnb.com](https://airbnb.com)

[Flatmates.com.au/Perth](https://flatmates.com.au/Perth)

## Homestay

Living with a homestay family is a great way to immerse yourself into the Australian culture, meet local people and improve your English language skills. Each homestay offers self-catered options with or without meals to meet your requirements.

[curtincollege.edu.au/future-students/international/accommodation](https://curtincollege.edu.au/future-students/international/accommodation)

## The boulevard and campus Perth

These two off-campus accommodations are located right in the heart of the city and 20 minutes away from the Curtin University campus. The rooms have been designed exclusively for students to enhance your student experience.

[thestudenthousingcompany.com.au](https://thestudenthousingcompany.com.au)  
[campusperth.com](https://campusperth.com)

# Our campus facilities

As a Curtin College student, you will have access to the University's first class facilities and there are plenty of spaces with different features for you to explore. Spend a day on the bean bags, lay down at the hammock hotel or simply study at the library in an open and friendly environment.

## Curtin University facilities

- Curtin Stadium
- TL Robertson Library
- Multifaith prayer and meditation room
- Retail outlets
- Cafes, restaurants and food trucks
- Banking facilities
- Medical centre
- Curtin Tavern
- Childcare centre
- Curtin student clubs

*Please note: 'ancillary fees' may apply*

## Curtin College facilities

- Modern classrooms and study areas
- Computer labs
- Student kitchen
- Student common room

"My time studying at Curtin College has helped me gain both learning skills and confidence. I have had the opportunity to meet friends from all over the world and explore diverse culture. The professional lecturers and small class teaching model means that everyone is free to engage well and receive enough care. As an international student I didn't have to worry too much about my writing skills because the free Academic Language English Program provided me with excellent support in formal writing skills and I was able to expand my vocabulary. The transition to university was very smooth and simple."

**Jiayin Song**

# Student support

**There is a variety of student support programs to assist you to attain academic success and transition into your new student life.**

## Students mentors

Student mentors share their experiences to help you overcome any challenges you may face as a new student. Mentors organise social activities for you to meet new people, discuss student matters and make the most of the Curtin experience.

## Academic drop in sessions

Academic drop in sessions are scheduled every week and last for 2 hours. This provides you the opportunity to access one-on-one help without making an appointment. You receive individual assistance with the preparation of assignments, referencing, language skills and general study skills.

## Academic peers

Academic peers are high achieving students who wish to assist you with your studies. This is a great way to get to know other students and learn from their experience. A list of academic peers for each unit can be found within Moodle.

## Online study kiosk

The Curtin College student portal contains important information relevant to your studies. It includes unit outlines, course notes, student handbook, timetable enrolment and fee information. The study kiosk provides you with learning support and wellbeing resources.

## Student counsellor

Our student counsellor provides confidential help and support on an individual level. This is a free service available to all students.

## ALEP – Academic Language Enrichment Program

If English is your second language, we provide free English language classes to help you expand your vocabulary.

## Free airport pick up services

When you arrive in Perth for the first time, you are eligible for the free airport pick up service. Please email [admissions@curtincollege.edu.au](mailto:admissions@curtincollege.edu.au) to enquire about your airport pickup.

## Safe campus

Curtin University campus offers 24/7 safety services and systems to keep you safe. Download the safezone security app and enjoy free security services such as security escorts, courtesy rides and mechanical assistance.

## Orientation and arrival

Orientation provides you with information and advice relating to your studies. It is an opportunity to make new friends, meet your lectures and get to know the campus. You will also be introduced to our student mentors who will help you navigate any challenges you may face as a new student.

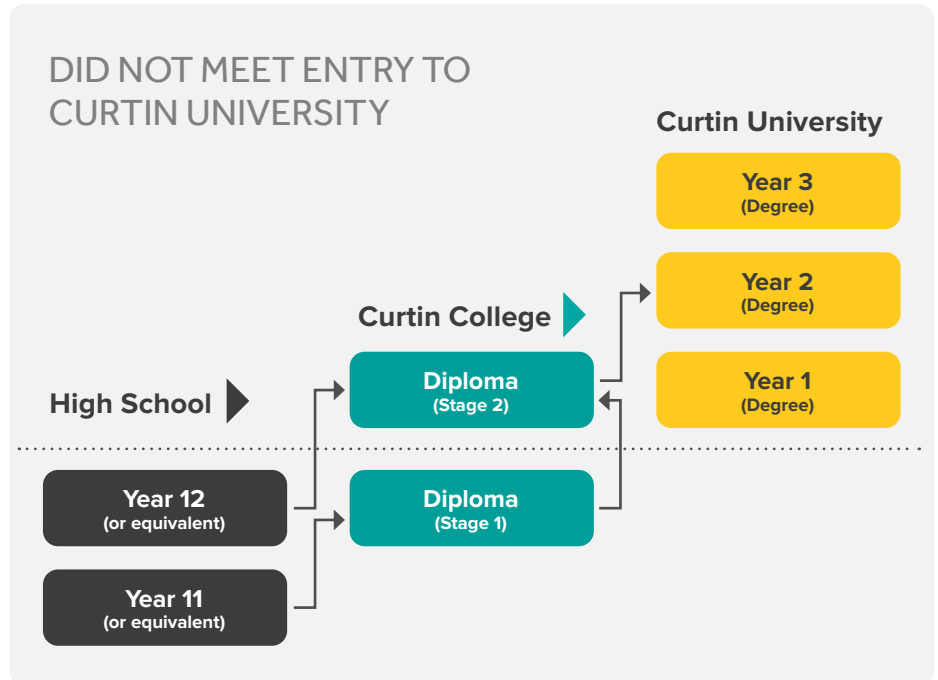

# On-campus pathway

Curtin College Diploma programs pathway into Year 2 of selected bachelor degrees at Curtin University. With a flexible trimester system and a supportive learning environment, Curtin College is your only on-campus pathway to a Curtin degree.

## Accreditation

Curtin College is a registered higher education provider and is accredited by Tertiary Education Quality and Standards Agency (TEQSA).

Qualifications in Australian education and training are regulated by the Australian Qualifications Framework (AQF).

## Curtin College pathway programs

**Business and Commerce**

**Engineering**

**Design, Arts and Communications**

**Health Sciences**

**Computer Science and IT**

**Architecture and Construction**

**Master Qualifying Program**

On successful completion of the Diploma (Stage 2) you will receive a higher education award

You will enjoy the benefits of small class sizes and will learn in a supportive learning environment

You will have access to a variety of support services at no extra cost

The Diploma (Stage 2) is equivalent to first year of selected bachelor degrees at Curtin University

You will be eligible to fast-track the course and complete it within 8 to 12 months depending on the course of study

You will study on-campus at Curtin University and experience university life from the start

# Business and Commerce

[curtincollege.edu.au/future-students/international/accommodation](http://curtincollege.edu.au/future-students/international/accommodation)

CRICOS Code 087940C

## Designed to prepare you for the global business environment.

The Diploma of Commerce pathway leads into the Bachelor of Commerce or Bachelor of Business Administration at Curtin University. Throughout the course, you will be immersed in the core fundamentals of business and commerce with three pathways to choose from; General, Accounting and/or Finance, and Business Administration

### Diploma of Commerce

- Bachelor of Commerce
- Bachelor of Business Administration

#### Bachelor of Commerce majors

- Accounting
- Accounting & Finance
- Accounting & Taxation
- Business Information Systems
- Business Law
- Economics
- Finance
- Human Resource Management
- International Business
- Logistics & Supply Chain Management
- Management
- Marketing
- Tourism & Hospitality

#### Bachelor of Business Administration majors

- Accounting for Business Decisions
- Business Law
- Human Resource Management

## Diploma (Stage 1)

### Units

- Academic Communication Skills
- Academic Research and Writing
- Accounting
- Computer Skills
- Economics
- Management
- Marketing
- Studies in Society

## Diploma (Stage 2)

### Core units

- Communication, Culture and Indigenous Perspectives in Business
- Financial Decision Making
- Market and Legal Frameworks
- Strategic Career Design
- Analytics for Decision Making

### Major related units (electives):

- Introduction to Business Information Systems
- Introductory Economics
- Marketing Across Borders
- Applied Contract Law
- Human Resource Management
- Introduction to Finance Principles

## Career information

Accountant | Administrator | Business Analyst | Business Manager | Company Secretary | Compliance Officer | Contract Manager | Marketing Specialist | Human Resources Officer | IT Manager | Logistics Manager | Market Research Analyst | Media planner | Procurement Manager | Recruitment Consultant | Supply Chain Manager | Systems Analyst

### Annual salary average (AUD)†

- \$86,320 (Accountant)
- \$130,988 (Supply, distribution and procurement manager)
- \$118,872 (Finance manager)

*Please note: That for some of the double major, major-minor-specialisation combination; student may need to do additional units and their study plan may extend. While great care has been taken to ensure the accuracy of the information, this information may be subject to change as Curtin College reserves the right to change program offerings, unit offerings, elective choice, major options and requirements. Applicants and students should check with Curtin College & Curtin University at the time of application and unit enrolment for latest information.*

Curtin Business School is recognised as an elite business school through its accreditation by AACSB

# Health Science

[curtincollege.edu.au/courses/diplomas/health-sciences](http://curtincollege.edu.au/courses/diplomas/health-sciences)

CRICOS Code 087942A

The Faculty of Health Sciences offers internationally and nationally valued degrees providing a strong foundation to many different career options.

The Diploma of Health Sciences provides pathways into a wide array of courses.

## Diploma of Health Science

- Bachelor of Pharmacy (Honours)<sup>†</sup>
- Bachelor of Psychology
- Bachelor of Science

### Bachelor of Biomedical Science

- Human Biomedicine
- Molecular Genetics
- Pharmacology

### Bachelor of Science Disciplines:

- Exercise & Sport Science<sup>i^</sup>
- Health Sciences
- Laboratory Medicine<sup>†</sup>
- Nursing<sup>†</sup>
- Nutrition and Food Science
- Occupational Therapy (Honours)<sup>i^</sup>
- Physiotherapy<sup>i^</sup>

## Stage 1 Course

### Diploma (Stage 1)

#### Core units

- Academic Communication Skills
- Academic Research and Writing
- Chemistry
- Essential Mathematics
- Human Biology
- Computer Skills
- Marketing or Management
- Studies in Society

## Stage 2 Courses

### Diploma (Stage 2): Exercise and Sport Science<sup>†^</sup>

#### Core units

- Evidence Informed Health Practice
- Exercise Science for Health
- Foundations for Professional Health Practice
- Functional Anatomy
- Human Physiology for Exercise Science
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Introduction to Psychology

### Diploma (Stage 2): Health Sciences

#### Core units

- Foundations of Biostatistics and Epidemiology
- Foundations for Professional Health Practice
- Human Structure & Function
- Indigenous Cultures and Health Behaviours
- Introduction to Psychology
- 2 x elective units

### Diploma (Stage 2):

### Human Biomedicine, Molecular Genetics, Pharmacology and Laboratory Medicine<sup>†</sup>

#### Core units

- Foundations of Bioscience Practice
- Foundations of Biomedical Sciences
- Foundations of Biostatistics and Epidemiology
- Human Structure & Function
- Indigenous Culture & Health Behaviours
- Integrated Systems, Anatomy & Physiology
- Fundamentals of Chemistry for Biosciences
- Molecular Genetics and Cell Biology

## Diploma (Stage 2): Nursing<sup>†</sup>

#### Core units

- Evidence Informed Health Practice
- Foundations for Professional Health
- Foundations of Clinical Skills\*\*
- Inquiry for Chronic Care
- Human Structure & Function
- Imagining Health in Social & Cultural Contexts
- Indigenous Cultures & Health Behaviours
- Integrated Systems, Anatomy & Physiology

## Diploma (Stage 2): Nutrition and Food Science

#### Core units

- Foundations of Bioscience Practice
- Food & Nutrition Principles
- Integrated Systems Anatomy and Physiology
- Foundations of Biostatistics and Epidemiology
- Fundamentals of Chemistry for Biosciences
- Human Structure & Function
- Indigenous Cultures and Health Behaviours
- Introduction to Psychology

## Diploma (Stage 2): Occupational Therapy<sup>†^</sup>

#### Core units

- Foundations for Professional Health Practice
- Functional Anatomy
- Indigenous Cultures and Health Behaviours
- Evidence Informed Health Practice
- Human Structure & Function
- Concepts in Occupational Therapy Practice
- Introduction to Occupational Therapy
- Introduction to Psychology

# Architecture and Built Environment

[curtincollege.edu.au/courses/diplomas/architecture-construction](http://curtincollege.edu.au/courses/diplomas/architecture-construction)

CRICOS Code 087939G

Graduate ready to make your mark on the world with an architecture or built environment degree.

Throughout the course, you will develop skills, join an international community and become part of a forward-thinking culture.

## Diploma of Built Environment

### ↳ Bachelor of Applied Science

- Architectural Science
- Construction Management
- Interior Architecture

## Stage 1 Courses

### Diploma (Stage 1): Architectural Science, Interior Architecture, Construction Management

#### Core units

- Academic Communication Skills
- Academic Research and Writing
- Design Skills
- Introduction to Design Computing
- Essential Mathematics
- Studies in Society
- Computer Skills
- 1 elective

## Stage 2 Courses

### Diploma (Stage 2): Architecture & Interior Architecture

#### Core units

- Academic & Professional Communications
- Architectural Technology in Context (Architecture)
- Interior Design Studio (Interior Architecture)
- Graphic Communication I
- Graphic Communication II
- Technology of Construction
- Architecture Design 2 (Architecture)
- Understanding Architecture
- Design Computing

### Diploma (Stage 2): Construction Management

#### Core units

- Academic & Professional Communications
- Building Measurement
- Commercial Construction
- Construction Industry Management
- Introduction to Management in Construction
- Technology of Construction
- Site Management
- Structures

## Career information

Architect | Construction Manager | Contract Administrator | Facility Manager | Furniture Designer | Interior Architect | Interior Designer | Project Manager | Quantity Surveyor

### Annual salary average (AUD)<sup>†</sup>

- \$179,400 (Construction manager)
- \$80,000-\$180,000 (Interior designer)
- \$77,000-\$180,000 (Architects and Landscape Architects)

*Mid career salary average*

The School of Design and the Built Environment is the no 1 ranked school in Western Australia for Design and Built Environment, and Top 100 in the world

# Computer Sciences and IT

[curtincollege.edu.au/courses/diplomas/computer-science-it](http://curtincollege.edu.au/courses/diplomas/computer-science-it)

CRICOS Code 087943M

The Diploma of Information Technology addresses a significant market demand for skills associated with the design of distributed computing environments and the networks that underpin them.

Learn about computer technology, hardware and software, as well as computer communications and network management. Study the fundamentals of programming and theoretical knowledge of computing.

## Diploma of Information Technology

- Bachelor of Technology
  - Computer Systems and Networking
- Bachelor of Information Technology
- Bachelor of Computing<sup>^^</sup>
  - Computer Science
  - Cyber Security
  - Software Engineering
- Bachelor of Science (Data Science)

## Stage 1 Courses

### Diploma (Stage 1): Information Technology

#### Core units

- Academic Communication Skills
- Academic Research and Writing
- Essential Mathematics
- Computer Skills
- Programming
- Technical Mathematics
- Management
- Studies in Society

## Stage 2 Courses

### Diploma (Stage 2): Information Technology

#### Core units

- Data Structures and Algorithms
- Fundamental Concepts of Data Security
- Fundamentals of Programming
- Integrating Indigenous Science and STEM
- Introduction to Software Engineering
- Linear Algebra and Statistics for Engineers

#### Course-specific units; Bachelor of Technology, Bachelor of Information Technology and Bachelor of Computing)

- Unix and C Programming
- Computer Systems

#### Course-specific units, Bachelor of Science (Data Science)

- Introduction to Probability and Data Analysis
- Regression and Nonparametric Inference

## Career information

Analyst (Information Technology) | Computer Engineer | Data Analyst | Data Scientist | Information Technology Support Technician | Information Technology Support Specialist | Information Technology Administrator | Network & System Administrator | Programmer (Information Technology) | Systems Analyst | Systems Designer (Information Technology) | Telecommunications Manager

#### Annual salary average (AUD)<sup>†</sup>

- \$77,896 (ICT Support Technician)
- \$118,248 (ICT Business and Systems Analyst)
- \$105,092 (Computer Network Professional)
- \$104,156 (Software & App Programmer)

Accredited by the Australian Computer Association

# Master Qualifying Program (MQP)

[curtincollege.edu.au/courses/masters-qualifying-program](http://curtincollege.edu.au/courses/masters-qualifying-program)

CRICOS Code 066028J

**The Master Qualifying Program (MQP) is a one semester (non-award) program designed for international students with tertiary qualification(s) who do not meet direct entry into master's degree at Curtin University.**

MQP builds academic and language competencies required for successful transition to post graduate studies. The aim is to develop— academic communication, intercultural capability, research methodology and project management skills. Employability competencies such as analytical skills, interpersonal capabilities and cultural awareness would be emphasised in MQP.

## Core units

- Academic Communication for Postgraduate Studies
- Intercultural Perspectives for Postgraduate Studies
- Research Skills for Postgraduate Studies

## Elective units

- Project Management for Postgraduates
- Managing Organisations

*Please note: Elective choice will depend on the postgraduate pathway. Project Management for Postgraduate unit required for Master of Project Management.*

## Dedicated Academic Support

### Academic Success Program

In addition to the program's core units, MQP is supplemented by two hours per week (for twelve weeks) of mandatory Academic Success Program. This support program focuses on developing academic skills and academic language proficiency. It focuses on identifying and understanding the academic demands and conventions. Students will also develop their English language skills required to communicate clearly and coherently in an academic and professional context.

Curtin College Program	Total Duration	Starting Month	Fees Domestic	Fees International
MQP	One semester	Feb, Jul	N/A	\$14,000

Progression to Curtin University		Bachelor of Technology / Science		
Program	Major	Total Duration	Starting Month	Fees International
Master of Commerce <sup>1</sup>	Supply Chain Management	2 years	Feb, Jul	\$63,500*
	Marketing	2 years	Feb, Jul	\$63,500*
	Finance	2 years	Feb, Jul	\$63,500*
	Human Resources	2 years	Feb, Jul	\$63,500*
	Information Systems and Technology	2 years	Feb, Jul	\$63,500*
Master of Arts	Fine Arts	2 years	Feb, Jul	\$60,000*
	Screen Arts	2 years	Feb, Jul	\$60,000*
Master of Professional Accounting <sup>2</sup>		2 years	Feb, Jul	\$63,500*
Master of International Business and Entrepreneurship		2 years	Feb, Jul	\$59,700*
Master of Project Management		2 years	Feb, Jul	\$62,000*
Master of Environment and Climate Emergency		2 years	Feb, Jul	\$58,000*

<sup>1</sup> The Project Management for Postgraduates unit at Curtin College may receive 25 credit points CRL for core unit ISYS5001 Business Project Management into the Master of Commerce. <sup>2</sup> No unit exemptions granted upon completion of the MQP program. \* Indicative fee per year, refer to [curtin.edu.au](http://curtin.edu.au)

"My Curtin College experience has been one of the best in my education. I've learnt a lot about myself and the career path I am studying. I've met a lot of friends that I would never have met before. The teachers are also very helpful. They listen to what you have to say and are always willing to help in any way they can."

**Chloe Ritchie**

# Admission criteria

## Academic entry requirements

Country	Diploma (stage 1) All diplomas	Diploma (stage 2) of Arts & Creative Industries, Built Environment, Commerce and Information Technology*	Diploma (stage 2) of Engineering & Health Sciences*	MQP entry requirements
Australia	Year 11 with 50%	Minimum ATAR 50 OR AQF Certificate IV OR equivalent Foundation Year grades OR WAUFP with a CPS of 40	Minimum ATAR 60 OR equivalent Foundation Year grades OR WAUFP with a CPS of 45	Completion of 3 year post-secondary (post Year 12 equivalent) qualification (OR hold a Bachelor degree (or equivalent) from a recognised University which is comparable to an AQF Associate Degree
Bangladesh	10 + 1 with 70%	10 + 2 with 50% or GPA with 3.0	10 + 2 with 60% or GPA of 3.5	
China & Macau	Senior Middle 2 with 70% OR Hui Kao with 60%	Senior Middle 3 (Gao San) with 70% average in 4 academic subjects	Engineering and non-quota Health Science: Senior Middle 3 (Gao San) with 75% in 4 academic subjects	Three year, post-secondary qualification from an institution recognised by the Chinese Ministry of Education Bachelor degree 学士学位 from a regular degree-granting or Junior Colleges and adult higher education institutions
Gambia, Ghana, Nigeria, Sierra Leone	WASSC with D7 average (5 subjects)	WASSC with C5 average (5 subjects)	WASSC with B3 average (5 subjects)	Same as Australia
Hong Kong	Form 5 with 50%	HKDSE with 10 points from the best 4 subjects (category A subjects)	HKDSE with 12 points from the best 4 subjects (category A subjects)	Same as Australia
India	10 + 1 with 50%	10+2 with 55% from 4 academic subjects	10+2 with 55% from 4 academic subjects	Completion of 3 year, full-time Bachelor degree in Pass division.
Indonesia	SMA II with average of 7.0	SMA3 (school exam) with 60% plus completion of SKHUN (national exam)	SMA3 (school exam) with 65% plus completion of SKHUN (national exam)	A Sarjana (S1), awarded by a Section 1 institution in or after 1998 following a program identified as accredited by BAN-PT with a rating of C - at least eight semesters of full-time study.
Kenya	GCE O-Levels with 4 passes (D grade or better)	KCSE with C	KCSE with B-	Same as Australia
Korea	High School Year 2 with Rank 5	High School Year 3 with Rank 6	High School Year 3 with Rank 5	Completion of 3 year degree (Haksa) with a C grade average
Malaysia	SPM, Form 5 or UEC with 4 passes	STPM - Minimum CGPA / NGMP of 2 from 2 relevant subjects with no grade less than C (NGMP 2.00) OR Malaysian Unified Examination Certificate (UEC) with 2 Bs and 2 Cs	STPM - Minimum CGPA/NGMP of 2.33 from 2 relevant subjects with no grade less than C (NGMP 2.00) OR Malaysian Unified Examination Certificate (UEC) with 4 Bs	Same as Australia
Middle East	GSEC with 60%	Pre-University with 13 out of 20	Pre-University with 15 out of 20	Same as Australia
Nepal	10 + 1 with 60%	10+2 with 60%	10+2 with 70%	Completion of a 3 year, full-time Bachelor degree at pass division
Pakistan	10 + 2 with 45%	10+2 with 55%	10+2 with 60%	Completion of a 3 year, full-time Bachelor or Honours Bachelor degree at pass division
Singapore	NiTec or N/O-Levels @ 4 passes (D grade or better)	Higher NiTec with a passing Grade of C or better	Higher NiTec on a case-by-case basis	Same as Australia
Vietnam	Year 11 with 6.0	Year 12 (Bang Tot nghiep Trung hoc Pho thong) with an average grade of 6.0	Year 12 (Bang Tot nghiep Trung hoc Pho thong) with an average grade of 7.0	Same as Australia
<b>Worldwide qualifications</b>				
GCE	GCE O-Levels with 4 passes (D grade or better)	Minimum of 2 points from 2 GCE A-Levels subjects	Minimum of 3 points from 3 A-Level subjects	
IB	Year 1 with 18 points from 4 subjects	IB Diploma with 20 points from 6 IB subjects	IB Diploma with 22 points from 6 IB subjects

# Kick-start your career with an internship

 [curtincollege.edu.au/internship](http://curtincollege.edu.au/internship)

## Become job-ready

Curtin College has engaged with Navitas Professional to provide a unique internship program which offers you the opportunity to gain real-world experience with industry, and equips you with career readiness skills that will give you a competitive advantage over your fellow graduates.

## What is an internship?

An internship is a temporary unpaid position within an organisation where the emphasis is on-the-job training. Through an internship you will be able to:

- Gain invaluable work experience within an Australian environment
- Transfer knowledge, skills, methodologies and theories from your university into a practical capacity
- Further develop technical skills within your professional field
- Enhance your confidence in resume writing, interviewing technique and professional communication skills
- Increase your chances of full-time employment post-graduation
- Work placement is not part of your curriculum

## Benefits of the internship

- Gain practical work experience to assist with your education and training
- Experience the Australian workplace and culture
- Practice what you have learnt throughout your studies
- Receive training and mentoring in a real life situation
- Enhance your resume and your career prospects
- Develop your professional network

## About the program

The Navitas Professional program consists of three preparatory career readiness workshops conducted at Curtin College, an interview preparation session and an internship placement. Every step of the Curtin College Diploma Internship Program is conducted by qualified professionals and industry experts. When you start your Navitas Professional program you will be assigned an Internship Placement Coordinator (IPC) who will be able to help you every step of the internship process. Your IPC will also help you find an internship within a company relevant to your area of study. Upon successful completion of the program, you will be awarded a certificate of completion and will have gained valuable experience within the Australian workplace.

## When can I start?

The internship can be commenced straight after completion of at least one study period of the Diploma (Stage 2) at Curtin College.

## Internship information

### Duration:

8 to 12 weeks supervised internship

### Industry:

Servicing multiple placement industries across Western Australia

  
navitas  
Professional

Gain practical industry experience within your profession

# Student support

 [curtincollege.edu.au/how-to-apply](http://curtincollege.edu.au/how-to-apply)

## How to apply

There are five main steps to follow:

1. Visit our website
2. Gather your application documents
3. Submit your application
4. Apply to Curtin College
5. Accept your Letter of Offer.

### 1. Visit

Visit the Curtin College website.  
[curtincollege.edu.au/how-apply](http://curtincollege.edu.au/how-apply)

Here you will find additional information about how to apply and what you need for your application.

### 2. Collect

Get your documents together.

When you are ready to apply be sure that you have the following documents ready to attach: coloured or certified copies of your academic qualifications and passport.

### 3. Complete

Fill in the online application form.  
[curtincollege.edu.au/how-apply](http://curtincollege.edu.au/how-apply)

The online application form is easy to complete. Enter your details, select your course and upload your supporting documents when requested. You can provide additional information at this stage if you would like to speed up your application.

### 4. Apply

Hit send!

Once you have completed the online application, hit send and we'll take care of the rest.

### 5. What next?

What happens after you have applied?

If your application is successful, you'll receive a Letter of Offer. This usually takes 2-3 working days (but can take longer if your application is incomplete or if you are seeking credit for previous studies).

You must accept your Letter of Offer to secure your place at Curtin College and Curtin University.

Visit [curtincollege.edu.au/how-apply/international/accepting-your-offer](http://curtincollege.edu.au/how-apply/international/accepting-your-offer)

## Questions?

If you have questions or need help with your Curtin College application, please email [admissions@curtincollege.edu.au](mailto:admissions@curtincollege.edu.au)
