LIVING, LEARNING, WORKING

IN CANADA

IMAGINE CANADA

Proudly multi-cultural, Canada offers an exceptional living and learning environment for students that will prepare you for success in your studies and future career. Ranked among Canada's top universities, Trent provides a globally-recognized degree including experiential learning, an emphasis on research and exceptional student support.

- Gain part-time work experience throughout your degree
- Work full-time during school breaks
- Apply for three-year Post-Graduation Work Permit upon graduation and work toward Canadian citizenship
- Explore Canada's beautiful outdoors, safe, vibrant cities and dynamic cultures

STUDENT LIFE: GET INVOLVED, GET SUPPORTED

FOLLOW YOUR PASSION

Whether you are an artist, activist, actor, writer, or student leader, you will find an opportunity to pursue your passions outside of classes too. Meet new friends and explore your interests by joining one of the nearly 100 student clubs and groups at Trent. Can't find one that matches your interests? Create your own. You can do that here.

CAMPUS DINING AT ITS BEST

Dine at any of the four on-campus dining halls or several of our unique cafés and coffee shops. You can select more traditional home-cooked meals or choose from your favourites: Thai Express, Subway, Starbucks and Tim Hortons. Looking for something different? Try the student-run co-operative vegetarian restaurant, The Seasoned Spoon. Enjoy locally-grown food? Some of the foods that we

serve on campus are actually grown on campus, too, in the Trent Market Garden. Vegetarian, vegan, and halal options are available.

CO-OP AND INTERNSHIPS THE TRENT WAY

Put your critical thinking skills to good use and improve your career prospects through our many hands-on learning opportunities, complex community research projects, international education experiences, co-op and internship programs.

UNPARALLELED UNDERGRADUATE RESEARCH OPPORTUNITIES

Imagine being able to conduct hands-on research with leading professors and researchers while you're still an undergraduate. This is something uniquely Trent. Conduct field research in one of our 12 on-campus nature reserves; dust off medieval texts with your professor; accompany your Archaeology professor on a dig in Belize; or work with some of the world's top water-testing instrumentation in our Water Quality Centre. Our students gain invaluable skills and experience that prepare them for graduate school and beyond.

TRENT COMMUNITY RESEARCH CENTRE

Through the TCRC, students undertake supervised research projects with non-profit and government organizations to gain academic credit and on-the-job experience, while benefiting the community. It's like co-op, but better.

trentcentre.ca

ON-CAMPUS WORK EXPERIENCE

There are great opportunities to gain valuable work experience right here on campus. Through the student job board, students are able to look for jobs that fit their interests and schedules.

GLOBAL WORK EXPERIENCES

Trent students incorporate international experiential learning into their degree programs through field placements, research projects, intensive language programs, and internships. Trent students have done business in Hong Kong, supported health care in Honduras, excavated ruins in Belize, taught in England, and studied marine life in Taiwan.

INTERNSHIPS, PLACEMENTS, PRACTICA

From Social Work to Forensic Science, Education to Nursing, Health Sciences to Psychology, Trent students in virtually every program can earn academic credit in a variety of hands-on learning settings throughout Ontario and beyond.

Business Administration Internship Program

Housed within the B.B.A. program, internship opportunities are available in a variety of business sectors within the Greater Peterborough and Durham Regions to students enrolled in various programs at Trent.

Internship in Medical Sciences

The Internship in Medical Sciences and Placement in Health Sciences allow students interested in medical/health science the best opportunity to prepare for careers in medical or applied health research, teaching, and med school.

Computing Systems Co-op

This competitive new co-op option provides Computing Science students with the opportunity to gain invaluable hands-on experience in the field over three paid work terms.
