INTERNATIONAL PROSPECTUS

WELLINGTON | AUCKLAND | NEW ZEALAND

KIA ORA

I am delighted to welcome you to this joint prospectus for WelTec and Whitireia. Institutes of Technology and Polytechnics (ITP) training is the pathway to an enormous range of satisfying and rewarding careers; careers that underpin New Zealand's economy and support our society.

Within this prospectus you will find programmes being offered by WelTec and Whitireia in the Wellington region and Auckland in 2019. All programmes have been developed with industry to provide you with the knowledge, practical skills and hands-on experience required to prepare you for employment or further training.

At WelTec and Whitireia we have highly skilled teaching and support staff who work hard to ensure you succeed as a student; staff will support you every step of the way. Our classes are small and we have a wide range of support services to ensure you achieve your study and career goals.

Thank you for considering the many study options available with us in 2019.

Ngā mihi nui ki a koutou

Chris Gosling

WORKING TOGETHER

WelTec and Whitireia are two long-established and highly-successful ITPs, widely respected by employers and with excellent student success rates.

Recently it was agreed that the interests of students, communities and industry would be better served by the two ITPs **working together**.

This means that WelTec and Whitireia **work together** to provide the best possible study choices for students in the Wellington region and beyond.

We work together to develop high quality facilities like Te Kāhui Auaha, our new creative campus in Wellington. Developments like this ensure that our students have the best possible learning environments.

Most importantly, **we work together** to provide choice and access to learning and services across our campuses in Wellington, Porirua, Petone and Auckland. We are learning together and improving together to deliver more to students.

The partnership between WelTec and Whitireia is driven by a commitment to put students first, by providing more choice, more opportunity and improved experience.

Our partnership is important, but so are our roots and our connections to the local communities that have supported us and who we have served over many years. Each ITP retains strong links to its local community and iwi which will continue to grow and flourish.

The partnership between WelTec and Whitireia is unique in New Zealand. It provides an exciting opportunity to follow a path which provides the best possible professional and vocational education for students, while respecting and maintaining the distinctive strengths of two quality tertiary institutions.

STUDY WITH US

PRACTICAL LEARNING

Teaching and learning is focused on the real world so you will graduate work-ready, with the skills to succeed. In many programmes you will learn in training facilities such as our onsite beauty and hairdressing salons, restaurants and cafés, or film studios, radio broadcasting suites, music studios, digi labs and health simulation suites.

FLEXIBLE OPTIONS

We have a range of programmes available at campuses in Porirua, Petone, Wellington and Auckland.

QUALIFICATIONS THAT EMPLOYERS VALUE

Our qualifications are recognised in New Zealand and around the world. All have been developed in conjunction with industry and approved by the New Zealand Qualifications Authority.

INDUSTRY CONNECTIONS

All our study programmes are developed in partnership with industry, to ensure you graduate with skills that employers need.

INTERNSHIPS

There are opportunities to work alongside your study and gain experience. Try a hospitality internship or have the opportunity to gain part-time work in the IT industry.

FACILITIES

Our fantastic facilities include award-winning kitchens at our School of Hospitality in Wellington city, the Regional School of Construction in Petone, our state-of-the-art health and social services training facilities in Porirua and of course at Te Kāhui Auaha which includes purpose built spaces such as studios, a theatre, cinema, hair and makeup salons, workshops, recording studios, darkroom, mixing rooms and an in-house radio station.

STUDENT SUPPORT

We offer a wide a range of support services to all students who study with us.

CAREERS SUPPORT

We will give you careers advice and guidance on seeking a job. Our job broker teams have close links with employers who are after new graduates for roles. Your tutors can often connect you with opportunities.

CHILDCARE

We have fully licensed childcare centres at our Petone and Porirua campuses. If you are interested enquire early, places are limited.

COMPUTERS AND IT

Come in and work on one of our computers. You will also find printers and photocopiers. If you bring your own device, you can connect to our wireless internet. We have helpdesk staff on campus too if you have any questions.

COUNSELLING

We offer a confidential 24/7 counselling service provided off-campus by Vitae. You are entitled to three free counselling sessions per year.

HEALTH

We want you to be in good health so you can perform your best. We can help provide access to a range of health services regardless of the campus you are studying at.

LIBRARY

Sometimes you will need books or journal articles for an assignment. At our libraries, you can access a range of resources for your study, including books, newspapers, journals, audio-visual material, ebooks and online databases.

STUDENT VOICE

Through your Student Voice representatives, you can put forward ideas about teaching and learning, events, activities or anything to do with your study experience. You will have Student Voice representatives in your programme of study.

STUDENTS WITH A DISABILITY

We have dedicated, experienced people to support you if you have a disability or learning difficulty. We also offer medical and mental health support. We will work with your tutors and provide any special resources such as a reader/writer, specialised equipment or tutoring assistance.

STUDY SUPPORT

We are here to help you succeed in your study. Whether it's planning your study, writing assignments, report and essay writing, or maths and study skills. You can get in touch in person, on the phone or online.

TRANSPORT

Please check our websites for information on transport options, which includes a free bus service between Wellington campuses.

INTERNATIONAL STUDENTS

For practical advice and information on preparing for student life in New Zealand, go to www.immigration.govt.nz and www.studyinnewzealand.govt.nz

The international pages on our websites www.weltec.ac.nz, www.whitireia.ac.nz and www.teauaha.com outline the application process for international students, including English language and equivalent academic entry requirements for each programme.

SPECIALIST SERVICES FOR INTERNATIONAL STUDENTS

We have dedicated teams to support international students. Our expert staff can help you choose the right programme, and provide information and advice to prepare you to live and study in New Zealand.

EDUCATION (PASTORAL CARE OF INTERNATIONAL STUDENTS) CODE OF PRACTICE

WelTec and Whitireia have agreed to observe and be bound by this Code of Practice (2016), which is legislated by the New Zealand Government and published on the parliamentary website www.legislation.govt.nz. For more information, frequently asked questions, and how to make a complaint see the New Zealand Qualifications Authority (NZQA) website www.nzqa.govt.nz

IMMIGRATION

Full details of visa requirements, advice on eligibility for employment in New Zealand while studying, and reporting requirements are available through the Immigration New Zealand website www.immigration.govt.nz

VISA CONDITIONS

A student visa (or a limited visa granted for the purpose of study) is subject to conditions and any breaches must be reported to Immigration New Zealand.

Visa conditions include, but are not limited to:

- Having sufficient funds for maintenance while in New Zealand
- Attending the programme at all times unless there are genuine reasons for any absences, and making satisfactory academic progress
- Studying at the place of study specified on the student visa
- Having acceptable insurance for the duration of the student visa
- Working no more than the hours specified on the student visa
- Living with a parent or legal guardian if required

ELIGIBILITY FOR HEALTH SERVICES

Most international students are not entitled to publicly funded health services while in New Zealand, so may be liable for the full costs of any treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, go to www.health.govt.nz

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but international students may still be liable for all other medical and related costs. For more information, go to www.acc.co.nz

COMPULSORY MEDICAL AND TRAVEL INSURANCE

Whitireia and WelTec require all enrolled international students to have approved health and travel insurance for the duration of their enrolment (regardless of the visa type). A student visa holder is also required to have approved health and travel insurance for the duration of their visa or until they depart New Zealand, whichever comes first.

WelTec and Whitireia have arrangements in place for our preferred insurance, policy and provider for international students. Student applicants will be invoiced for the insurance premium during the international admissions process.

STUDENT ACCOMMODATION

There is a range of accommodation options available to you when you study with us. See our websites for information about short and long-term accommodation options. If a student is under the age of 18 it is a Code of Practice requirement that the student be in the care of a residential caregiver.

STUDENTS UNDER 18

WelTec and Whitireia accept international students aged 17 years (but not younger) at the time their programme starts. Special arrangements apply to students aged under 18 years under the Code of Practice, including requirements for parental consent and communications and special accommodation arrangements. See further details on our websites.

ENGLISH LANGUAGE

Our English language programmes prepare you for study or employment.

New Zealand Certificate in English Language (Levels 2-5)

Levels 2-5

Location Porirua
Auckland

For more information check out:
www.weltec.ac.nz or www.whitireia.ac.nz

There is high demand for ICT graduates in the Wellington region and our programmes are designed to supply industry-ready talent.

The Wellington ICT Graduate School opened in 2016, and is a partnership between Victoria University of Wellington, Whitireia and WelTec.

You'll study alongside industry professionals on work-relevant, business-focused skills that will give you the specialised knowledge you need to succeed in the booming technology industry.

Students will work on real projects for start-ups, banks, consulting firms, film companies, multi-national corporations, SMEs and some of the fastest-growing tech companies in New Zealand. Students will also develop entrepreneurial, leadership, and business networking and interview skills.

You can enrol through either WelTec or Whitireia.

CONSTRUCTION AND INFRASTRUCTURE

Built Environment	40
Construction Management	40

Built Environment

New Zealand Diploma in Architectural Technology (Level 6)

Level	6
Location	Petone
Duration	2 years, full-time
IELTS	6.0 (no band lower than 5.5)
WELTEC	

Start your career as an architectural designer or draughtsperson. Develop your technical drawing skills using computer-aided design (CAD) software. Understand architecture, building methods, materials and building code requirements, then create architectural plans to build your portfolio.

For more information check out:
www.weltec.ac.nz

New Zealand Diploma in Construction (Quantity Surveying) (Level 6)

Level	6
Location	Petone
Duration	2 years, full-time
IELTS	6.0 (no band lower than 5.5)
WELTEC	

Learn about quantifying projects, estimating building costs and materials, and tendering and administering contracts. Gain skills in high demand and get into a well-paid career. Many of our students get part-time work in the industry in their second year.

For more information check out:
www.weltec.ac.nz
