WHY ASSINIBOINE?

FLEXIBLE EDUCATION THAT FITS YOU.

Everyone has different goals and timelines, and we all come from different backgrounds. No two of us are the same, and at Assiniboine you choose the program and its delivery method that fits you best. Whether you want to study full or part-time, by distance or in-class, in an urban centre or in your community, Assiniboine's apprenticeship programs, certificates and diplomas are offered through a variety of approaches.

LEARN BY ACTUALLY DOING.

At Assiniboine, we immerse you in authentic situations and encourage you to spend more time away from the textbooks. Our college knows real-world skills and experiences are important. That's why our programs connect you with industries and communities through projects, conferences, cooperative work placements and practicums. All of this prepares you for a meaningful and interesting career.

BE PART OF A COMMUNITY.

Yes, we have small class sizes. Yes, your instructor knows your name. Yes, you can get to your classes in under five minutes and still have time for a refuel of caffeine. But more importantly, you'll make friendships that last a lifetime, learn from industry experts who can't wait to share everything they know with you, and study in an intimate setting that gives you the right tools for future success.

TAKE US FOR A TEST DRIVE.

Thinking about studying at Assiniboine? Tour one of our campuses, arrange for a *Spend a Day* in one of our programs, attend a program information session or meet with a student success advisor. We'll answer all of your questions, show you the Assiniboine experience, and help prepare you for a rewarding college career!

ON CAMPUS

NORTH HILL CAMPUS BRANDON

Our North Hill campus is one of the most scenic places in the city. Perched on Brandon's North Hill, you'll have a stunning view overlooking the city and the Assiniboine River valley below.

We continue to expand at this historic location and the North Hill campus now welcomes about half of our Brandon-based students. The site boasts the Manitoba Institute of Culinary Arts (MICA), housed inside a beautiful heritage building, combining the best of both new and old for students in Hotel and Restaurant Management and Culinary Arts with restored dining areas and study rooms, a contemporary teaching kitchen and a culinary theatre.

The spacious Len Evans Centre for Trades and Technology features modern machine shops and classrooms in a historically rich setting. Taking a trade? You'll enjoy the integrated, open-concept building with study areas, a Learning Hub, small library and cafeteria.

Nearby, our Sustainable Greenhouse is where you'll bloom in the Horticultural Production and Sustainable Food Systems programs. The large, modern greenhouse is a central spot for applied research centered on food security and sustainability under our Field to Fork approach.

assiniboine.net/nhcampus

VICTORIA AVENUE EAST CAMPUS

BRANDON

The Victoria Avenue East campus in Brandon features large classrooms and well-equipped labs, along with our largest library, a campus bookstore, gymnasium, early learning centre, lecture theatre, television studio, full-service cafeteria, lounge areas and games room. It's also home to our college radio station, CJ-106 FM.

There are hundreds of computers available to students after classes, with 46 stations available during campus hours. Our Cultural Centre provides a welcoming environment for all students and hosts many regular events throughout the year, including Elder visits, guest speakers, Bannock Wednesdays, movie nights and craft sessions.

Our state of the art labs, like the CISCO networking lab or HOLO simulation lab, will provide you with modern, interactive equipment and space to practice and hone your skill set to perfection.

Many of our evening and weekend courses through Continuing Studies at Assiniboine are also held at this campus. From gaining additional certification or trying your hand at a new hobby, our Continuing Studies programs and courses give you the most study flexibility.

assiniboine.net/victoria

WINNIPEG CAMPUS

WINNIPEG

Our Practical Nursing program and Continuing Studies courses are offered at this urban campus.

assiniboine.net/winnipeg

PARKLAND CAMPUS

DAUPHIN

Ideally placed in a central location, our Parkland campus serves communities across the region. We welcome full and part-time students to this vibrant campus that features a contemporary trades shop, health care training lab, enhanced student lounge and an early learning centre.

Support services include two computer labs, a Learning Curve, and an on-site, full-time student success advisor. Meet with the advisor before or during your studies to discuss childcare, funding, housing and anything else you may need.

Annual activities on campus include a welcome BBQ for all students, holiday feast, alumni celebration and a carpentry housewarming party. We've also partnered with Parkland Crossing so there are more housing options for students. Along with our full-time day programs, Continuing Studies at Assiniboine hosts general interest and career development courses.

Other programs can be delivered as needed to meet specific needs through contracts with community agencies.

BUSINESS ADMINISTRATION

Business Administration is a two-year diploma program with either an accounting or human resources specialization. The program starts in September, and students who wish to pursue a specialization not offered at Parkland campus are eligible to transfer to the Victoria Avenue East campus in Brandon for their second year.

CARPENTRY AND WOODWORKING

Carpentry and Woodworking is a nine-month certificate program and is accredited for Level 1 apprenticeship; it includes a three-week work experience. The program starts in September and every year students build a house in partnership with Co-op Builders in Dauphin; students are provided with scholarships from Dauphin Co-op Builders.

COMPREHENSIVE HEALTH CARE AIDE

Comprehensive Health Care Aide is a six-month certificate program starting in January. The program allows the option of transferring qualifying credits into Assiniboine's Practical Nursing program.

EARLY CHILDHOOD EDUCATION

Early Childhood Education is a two-year diploma program that prepares graduates for a rewarding career promoting the development of young children. This program runs every other September, with the next intake beginning in September 2019.

PRACTICAL NURSING

Practical Nursing is a two-year diploma program that prepares graduates to become LPNs (Licensed Practical Nurses). This program runs every other September, with the next intake beginning in September 2019.

MATURE STUDENT HIGH SCHOOL

The Mature Student High School program allows you to obtain your high school diploma or upgrade your education so you're ready for future college studies. The program starts every September and January, with day or evening options available.

assiniboine.net/parkland

PARKLAND EARLY LEARNING CENTRE

Our non-profit early learning centre, Parkland Campus Kids Inc., is licensed for 28 pre-schoolers and 12 infants and students get preferred access for their childcare needs. The centre is open weekdays from 7:30 a.m. to 5 p.m. and offers a hot lunch program, as well as two healthy snacks every day.

ARTICULATION AGREEMENTS

Take your education further.

For many students, learning doesn't stop at Assiniboine. Whether you're attending Assiniboine with plans for further post-secondary education or coming to us with a post-secondary credential, we can be a part of your educational journey.

Some start by completing a two-year diploma at the college and then transferring to a partner university for two more years to earn a degree.

Other students come to us with a post-secondary credential and want to add a certificate, diploma or advanced diploma to their resume while acquiring skills to increase their competitiveness in the job market. Our connections with professional organizations allow our graduates to join a related professional organization or to gain advanced standing in their professional education programs.

Visit assiniboine.net/articulation for more information on how you can leverage your Assiniboine education into a university credential.

STUDENT SPOTLIGHT

Ever wonder what it's like to be an Assiniboine student? Take a peek at dozens of student experiences by visiting assiniboine.net/blogs. Here you'll find story after story showcasing what makes Assiniboine programs, projects and campus life special. Read up on student achievements, the college's latest partnerships and more!

Visit assiniboine.net/blogs to explore life on campus.

LEARNING CURVE

The Learning Curve is the ideal place for students to receive academic-related support.

Our learning strategist and educational assistants help students find effective ways to gain knowledge. They encourage active learning and collaborate with students to find strategies that work best for them.

Our knowledgeable and friendly Learning Curve team can help you:

- » Study less, learn more – learning strategies, note-taking, goal setting
- » Improve your test results – test/exam prep, study skills, memory techniques
- » Get better at math – foundational math refreshers, program-specific content
- » Do more with your time – organization, time management
- » Manage stress – mindfulness training, test anxiety, relaxation techniques
- » Develop your writing skills – APA support, proofreading, effective writing techniques
- » Work with computers – technology support

In Brandon, we have support centres at the Victoria Avenue East campus and the Len Evans Centre for Trades and Technology at the North Hill campus. You can also find us at the Parkland campus in Dauphin or online via the Learning Curve Library Guide at assiniboine.libguides.com/lc.

Students can drop by or schedule appointments with Learning Curve staff before classes even start. Access workspace, computers and printers at The Learning Curve from 7 a.m. to 10 p.m., Monday to Friday and 8 a.m. to 10 p.m., Saturday and Sunday.

Note: Staff availability will vary from campus to campus. Learning Curve staff are also available for distance students via phone or Skype.

STUDENT SERVICES

LOCKERS

Lockers are assigned during your Xplore ACC orientation. Information will be given to you in person and by email regarding rules and regulations of the use of lockers. You must provide your own lock, which you can bring from home or purchase at Assiniboine's bookstore.

FOOD

Both Brandon campuses have a full-service cafeteria. Use cash, debit, credit or load up a meal card to enjoy daily breakfast and lunch specials. Coffee and grab-and-go items are also available throughout the day. Microwaves are available for use at all campuses if you choose to bring meals from home.

FITNESS CENTRE

The college offers a fitness centre exclusive to Assiniboine staff and students at its Victoria Avenue East campus in Brandon. This centre provides cardio and weight machines, as well as free weights and stretching areas. A \$10 cash deposit allows for daily access from 6 a.m. to 11 p.m.

PARKING/TRANSIT

For students studying at campuses in Brandon, a free transit bus pass (U-Pass) is included in your student fees. This pass is available at the Students' Association office or the registrar's office at the Victoria Avenue East campus.

If you are driving to school, parking is available on a first-come, first-served basis. Some campuses offer paid electrical and non-electrical sites, while others have free scramble parking lots (there is no available parking at the Adult Collegiate). For more information on parking and fees, visit assiniboine.net/parking or contact the registrar's office at 204.725.8700 ext 4035 for Brandon campuses, call 204.622.2222 for the Parkland campus and 204.694.7111 for the Winnipeg Training Centre.

CHILDCARE

If you are looking for childcare, the Assiniboine Early Learning Centre at the Victoria Avenue East campus in Brandon is licensed for 54 children, ranging from infant to six years of age. This is a full-day program (part-time space may be available depending on enrolment). Students and staff of Assiniboine campuses in Brandon are given priority; however, space is not guaranteed.

In Dauphin, Parkland Campus Kids Inc. is licensed for 28 pre-school children and 12 infants. The centre is open weekdays from 7:30 a.m. to 5:30 p.m. and offers a hot lunch program, as well as two healthy snacks every day. Students attending classes at Parkland campus get preferred access for their childcare needs.

For more information, call 204.725.8713 for the Early Learning Centre in Brandon and 204.622.2222 for Parkland Campus Kids Inc.

STUDENT SUPPORT

WE'RE HERE FOR YOU!

ADVICE & RESOURCES

STUDENT SUCCESS ADVISORS

Student success advisors are available at all campuses and in all academic areas. Thinking about becoming a student? Meet with a student success advisor to discuss your academic and career plans and get information on making the transition to college. Student success advisors provide information about college programs and courses, the admissions process, financial assistance, housing, childcare and more.

Email studentservices@assiniboine.net or call 204.725.8723 to connect to your advisor.

SUPPORT & ACCOMMODATION

ACCESSIBILITY/DISABILITY SERVICES

We're committed to supporting and accommodating students with disabilities and to promoting equal access to college education. Students with physical and sensory disabilities, learning disabilities, or physical or mental health conditions should contact Assiniboine as early as possible before beginning college.

We can organize many services, including:

- » Accommodations for admissions testing
- » Financial information and assistance with applications
- » Transition assistance: orientation to campus, etc.
- » Co-ordination of access to special materials
- » Assistance with obtaining and learning to use special equipment/software
- » Exam accommodations
- » Tutoring/learning supports

HELPFUL RESOURCES

THE LIBRARY

The friendly Assiniboine library staff are here to help you. They can assist you with your research, finding library materials or evaluating online information. The central library is at the Victoria Avenue East campus with a branch library at the North Hill campus. The library has many resources to support students including online tools and research databases, books, eBooks, newspapers, magazines and videos.

The library computer centre offers access to computers outside of class and help is available for computer questions any time the library is open. The library also offers comfortable seating areas, books for study or reading outside the classroom, coil bindery machines and quieter group work areas.

Call us at 204.725.8727, email library@assiniboine.net or check us out at assiniboine.net/library.

BOOKS & SWAG

ASSINIBOINE BOOKSTORE

The Assiniboine bookstore is open at the Victoria Avenue East campus from 8 a.m. to 4 p.m., Monday to Friday. Here you can buy or rent new and used print or digital textbooks. There's also an opportunity to sell them back to us. Stock up on supplies and snacks to study with friends, and grab a clean and comfy sweatshirt for that long study session ahead. You can cut down on exam jitters when you know we've got you covered with notebooks, pens, pencils and calculators. You can also show off your school spirit with a t-shirt, a coffee mug, a backpack or some socks.

GETTING SETTLED

HOUSING

The search for a place to live should begin early as housing can be more difficult to find toward the end of the summer. Students who arrive in late August often face a limited choice and higher costs.

Housing options include:

- » Brandon University welcomes single students in modern residences located three kilometres from our Victoria Avenue East campus, with easy access to bus services. For details, call 204.727.7394, email residence@brandonu.ca or visit brandonu.ca/residence.
- » Both the Dakota Ojibway Tribal Council Housing Authority (204.729.3600) and the Brandon Friendship Centre Housing Referral Service (204.727.1407) have a limited amount of family housing available.
- » Student Services maintains a list of houses, apartments, room and board and light-housekeeping rooms available. Call 204.725.8723 or toll-free at 800.862.6307 ext 6639, or email studentservices@assiniboine.net to request a copy.
- » You can also check listings in the Brandon Sun or online at ebrandon.ca or economicdevelopmentbrandon.com.

Accommodations listed are not endorsed or supervised by Assiniboine, and students must make their own arrangements. Students are advised to inspect all accommodations before accepting them.

ADULT COLLEGIATE & ACCESS PROGRAMMING

Open the door to a world of exciting careers by upgrading your skills, completing your high school diploma or entering into one of our integrated programs.

Take courses to suit your schedule! We have both day and evening classes and four intakes a year at our Adult Collegiate in downtown Brandon.

Earn your Mature Student High School diploma, upgrade your marks or complete required prerequisite courses for entrance into post-secondary programs. We offer several courses that are integrated with a college program meaning you earn your high school diploma and a college certificate at the same time! A personalized education plan is developed individually with each student to address your specific needs and future goals.

Choose from:

- » Mature Student High School (MSHS)
- » MSHS - Additional Credits High School (upgrading for high school graduates)
- » Integrated Comprehensive Health Care Aide (graduate with both a MSHS diploma and a Comprehensive Health Care Aide certificate)
- » Integrated Education Assistant (graduate with both a MSHS diploma and an Education Assistant certificate)

CONTINUING STUDIES

Whether you are looking for professional development, personal enrichment or a new career path, Continuing Studies at Assiniboine has something for you.

We offer a wide range of programming options from exciting evening courses to professional certificates and advanced diplomas—all delivered in a flexible format to suit your schedule and individual needs.

We have something for just about everyone, with courses at our Brandon and Dauphin campuses and training centres in Russell and Winnipeg. We also work with communities to bring learning right to your hometown.

ENGLISH LANGUAGE PROFICIENCY (ELP)

English is the language of instruction and communication at Assiniboine Community College. All applicants educated outside of Canada must demonstrate ability in English that will meet the demands of classroom instruction, discussions and written assignments.

There are several ways to provide proof of English Language Proficiency (ELP), including completion of English as a Second Language classes (level 7-8, depending on the college program). Another option is to complete and provide an acceptable score on a recognized test of English language proficiency, including:

- IELTS: 6.5 academic, with no sub score lower than 6.0
- CanTEST: 4.5 reading and listening, with 4.0 writing and speaking
- TOEFL: 79 iBT overall, with no skill score lower than 18
- CAEL: 60
- MELAB: 80

For more information on options for providing proof of English language proficiency, please visit assiniboine.net/elp. If you have questions, call 204.725.8723 and make an appointment to talk with a student success advisor.

ASSINIBOINE INTERNATIONAL

Did you know that international students have come from over 60 countries to attend Assiniboine?

We have many support services to ensure our international students have a great student experience while they are here. From our comprehensive orientation, to our expert student success advisors and our helpful, knowledgeable instructors, we work to support student success.

Many of our college programs are available to international students. We also offer an English for Academic Purposes program where we prepare you with English language training, academic preparation and cultural orientation if you do not meet ELP requirements. Assiniboine International is here to help more international students choose Brandon.

Visit assiniboine.net/international for more information.

COUGAR PRIDE

Join the Team

Cougar men's and women's volleyball, soccer and futsal teams play in the Manitoba Colleges Athletic Conference against other post-secondary schools in the province. Our women's hockey team plays in the American Collegiate Hockey Association against schools in the Northern United States.

You must be a full-time student at Assiniboine to play for the Cougars. Assiniboine provides travel, meals, accommodations and clothing to our student athletes.

For more information on Cougar Athletics, visit assiniboine.net/athletics or contact our Athletics Manager at cougars@assiniboine.net.

CAMPUS LIFE

YOUR STUDENTS' ASSOCIATION

The Students' Association exists to serve you. Our council works hard to ensure we voice relevant student perspectives, provide for college committees and engage with student projects. We strive to deliver quality services that speak to the specific needs of students and to host events that create a social atmosphere and offer stress relief.

OUR SERVICES INCLUDE:

- » Student council
- » Student health and dental insurance
- » U-Pass, free bus transit
- » Paw Pass, student discount program
- » Advocacy and appeal support
- » Student clubs
- » Representation on college committees and student initiatives
- » ...and much, much more!

OUR EVENTS AND ACTIVITIES INCLUDE:

- » Back in the Saddle social
- » Welcome Week activities
- » Mental Health Week
- » Wellness Wednesdays
- » Multicultural activities and events
- » Road Bash Road hockey tournament
- » ...and more!

Learn more at accstudents.com or find us on social media at:

@accsamb

@ACCSA_MB

ACC Students' Association

ASSINIBOINE
COMMUNITY COLLEGE
STUDENTS' ASSOCIATION

Assiniboine Community College campuses are located on the traditional territories of Treaty No. 1 and Treaty No. 2, and the shared traditional lands of Cree, Oji-Cree, Dakota, Dene and Anishinabek/Ojibwe peoples, and the homeland of the Métis nation. We also recognize other Treaty territories where our community-based training takes place. We welcome students who seek knowledge here.

INDIGENOUS AFFAIRS

Our Indigenous Affairs team offers a wide range of support and services to assist students along their post-secondary journey.

We connect students with academic advisors and important community resources; we aim to provide guidance to First Nation, Métis and Inuit students from a holistic perspective to support their academic goals. Visiting Elders offer wisdom and encouragement and represent a diverse range of Indigenous cultures and teachings. We act as a resource for all students and faculty in their effort to acquire a true understanding of Indigenous cultures and ways of knowing. All students are encouraged to access our services and participate in events on campus such as:

- » Welcome Feast
- » Holistic, proactive advising and support
- » Elders' program
- » Family events
- » Cultural celebrations, activities and teachings
- » Peer mentoring and role models
- » Student Success Celebration and Pow Wow Demonstration

YOUR ASSINIBOINE EDUCATION STARTS HERE

Step 1

CHOOSE YOUR PROGRAM.

- » Research our programs and admission requirements at [assiniboine.net/programs](https://www.assiniboine.net/programs) and take our **Me@ACC** career quiz at [assiniboine.net/careerquiz](https://www.assiniboine.net/careerquiz). If you are unsure if you meet admission requirements, contact admissions@assiniboine.net before you apply.
- » Attend a program information session or *Spend a Day* on-campus. See page 42.
- » Still not sure which program to take? Contact our recruitment team at recruit@assiniboine.net or call 800.862.6307 ext 8750.

Step 2

APPLY TO YOUR PROGRAM.

Visit [assiniboine.net/apply](https://www.assiniboine.net/apply) to get started. For most programs at Assiniboine (those that are not competitive entry), qualified applicants are admitted on a first-completed, first-served basis. We accept applications up to one year prior to the program start date.

You will need the following to apply:

- » Application form
- » \$95 application fee
- » Official transcripts

Certain programs, such as our competitive entry programs, require additional documentation. Check out the admission requirements on your program's webpage for full details.

Step 3

BECOME A STUDENT.

- » We will connect with you when we receive your application. Applications are complete when all documentation is submitted.
- » If you meet admission requirements, and there is space in the program, you will be sent an acceptance letter.
- » A \$400 (domestic) or \$800 (international) non-refundable tuition deposit is due before the stated deadline.
- » If you have applied to a competitive entry program, your application will be assessed and successful applicants will be accepted.

WELCOME TO
Assiniboine!

Keep an eye out for important emails and information from us, but rest assured, you've done your homework. Now, sit back and relax—we'll see you when classes start!

3. Available at the Adult Collegiate in Brandon, MB

MONEY MATTERS

Don't let the cost of education hold you back. Everyone should consider applying for financial aid—chances are you're eligible for some support. You can receive funding from more than one source, so do your research and ensure you apply to all possibilities.

Need a little guidance? Visit assiniboine.net/finance or contact our associate registrar's office at 204.725.8700 ext 6020.

ASSINIBOINE SCHOLARSHIPS, AWARDS & BURSARIES

Approximately \$300,000 is available to students each year. This includes entrance awards for first-year students, as well as bridging awards for second-year students. Deadlines to submit your applications will vary. To find and apply for scholarships, awards and bursaries, and for applicable deadlines and timelines, please visit assiniboine.net/awards and use our online awards search tool.

GOVERNMENT STUDENT AID

Student loans are available to students through provincial and federal student aid programs. Non-repayable grants and bursaries are also available. Student loans stay interest-free for a period of six months after you complete your schooling. If you are studying full-time, you can apply online. If you are studying part-time or by distance education, you must complete a paper application. If you have not lived in Manitoba for a minimum of 12 months prior to starting school, you must apply for financial aid through your home province.

Visit manitobastudentaid.ca to learn more.

OTHER FUNDING OPPORTUNITIES

If you are currently receiving employment insurance (EI), financial assistance may be available through Manitoba Industry, Training and Employment Services (a branch of the provincial government). For more information call 866.332.5077.

Indigenous students are encouraged to contact their local band authority, tribal council or regional Métis Federation office to discuss sponsorship opportunities.

Financial assistance may be available to students with a disability related to a chronic medical condition, physical or learning disability, and mental health issues through agencies such as marketAbilities, Society for Manitobans with Disabilities or CNIB (Canadian National Institute for the Blind). Please contact these agencies directly to find out more.

Assiniboine is a post-secondary partner with the Tuition Waiver program, which provides financial assistance to anyone who has ever been in care in the Manitoba child welfare system.

If you are not eligible for government financial assistance, you may be able to receive a student line of credit through most banks and credit unions. This type of loan does not have an interest-free period, and you must make interest payments on any money drawn on the account while still in school. You may also be able to use your RESPs or RRSPs to pay for schooling if you have met all of the criteria set forth in the federal government of Canada's lifelong learning plan.

AG & ENVIRONMENT

CERTIFICATE AND DIPLOMA PROGRAMS

AGRIBUSINESS

TWO-YEAR DIPLOMA

Yr 1: \$ \$4,660 | 📖 \$1,280

Yr 2: \$ \$3,750 | 📖 \$800

Immerse yourself in one of Canada's largest industries. This comprehensive program will help you develop a strong foundation in the business of agriculture. Grow your skills in agronomy, sales and marketing, communications, customer service, research, finance, office management, livestock and computer applications.

CAREER OPPORTUNITIES

Grain companies • seed and crop input suppliers • banks and credit unions • livestock supply outlets • agricultural equipment dealers • government agencies • agronomists/consultants • cooperatives

assiniboine.net/agribusiness

HORTICULTURAL PRODUCTION

ONE-YEAR CERTIFICATE

\$ \$4,240 | 📖 \$900

Learn the totality of food production while studying in our sustainable greenhouse at the North Hill campus. Focus your interests on three key sectors: fruits and vegetables, greenhouse production and nursery. Participate in pioneering research projects and help find ways to improve greenhouse management and food production.

CAREER OPPORTUNITIES

Fruit grower • vegetable grower • nursery assistant • integrated pest management (IPM) technician • plant propagator • garden centre worker • marketing and sales assistant • research assistant

assiniboine.net/hortprod

LAND AND WATER MANAGEMENT

TWO-YEAR DIPLOMA

Yr 1: \$ \$4,940 | 📖 \$1,700

Yr 2: \$ \$4,480 | 📖 \$680

Your passion for the outdoors makes you a great candidate for a career in natural resources. This exciting program brings together natural resources, technology and the environment in an agricultural context. Learn about the environment, evaluate its health and become a positive role model in this era of agricultural and industrial expansion.

CAREER OPPORTUNITIES

Survey technician • water manager • habitat specialist • conservation technician • research • management • consulting • administration of sustainable land use practices

assiniboine.net/landandwater

ADVANCED DIPLOMAS

Requires a previous diploma or degree.

AGRIBUSINESS

EIGHT-MONTH ADVANCED DIPLOMA

\$ TBD | 📖 TBD

Expand your business knowledge into the field of agribusiness. This program offers courses in agronomic topics such as soil fertility and crop pest management, as well as business and technology topics relevant to the industry.

CAREER OPPORTUNITIES

agribusiness • agronomy • sales and service • finance • livestock • marketing • management • research • administration • precision agriculture

assiniboine.net/advancedag

GEOGRAPHIC INFORMATION SYSTEMS

EIGHT-MONTH ADVANCED DIPLOMA

\$ \$4,540 | 📖 \$250

Solve problems using the newest mapping technologies in a range of disciplines. Use geographic information systems (GIS), remote sensing and global positioning systems (GPS) to map variations in land, water, vegetation and nutrient conditions. Learn to analyze data, incorporate related information and translate it into practical applications.

CAREER OPPORTUNITIES

Land planning and resource management organizations • conservation districts • government • agribusinesses • consulting practices

assiniboine.net/gis

SUSTAINABLE FOOD SYSTEMS

ONE-YEAR ADVANCED CERTIFICATE

\$ \$4,190 | 📖 \$500

Help research different greenhouse models and find out how to improve food security in cold climates. Learn leading-edge approaches to food production through greenhouse operations, fruit, vegetable and agronomic crop production, plant breeding, pest-management, plant propagation and nutrient management. Work closely with our faculty on current projects aimed at addressing food related issues in our country.

CAREER OPPORTUNITIES

Food security • innovation in food production at the local, national or international level • private sector • government • First Nations' organizations

MICA EVENTS

Some of the tastiest 'learn by doing' experiences at Assiniboine come from the annual student-run events at the Manitoba Institute of Culinary Arts (MICA).

These provide practical, hands-on opportunities for Culinary Arts and Hotel and Restaurant Management students to test their skills and gain confidence in their field of study alongside skilled faculty members.

In the fall, a harmony of beer and food come together at Harvest on the Hill. November's Holiday Buffet is a feast for the eyes and stomach with a gorgeous multi-course buffet for guests. In the New Year, the four-week Grey Owl restaurant—arguably the most anticipated event of the year—is a symphony of sights, smells and flavours. The school year wraps up with the International Wine & Food Festival, where students research and prepare close to fifty fabulous wine and food pairings from around the world for an evening of culinary delight.

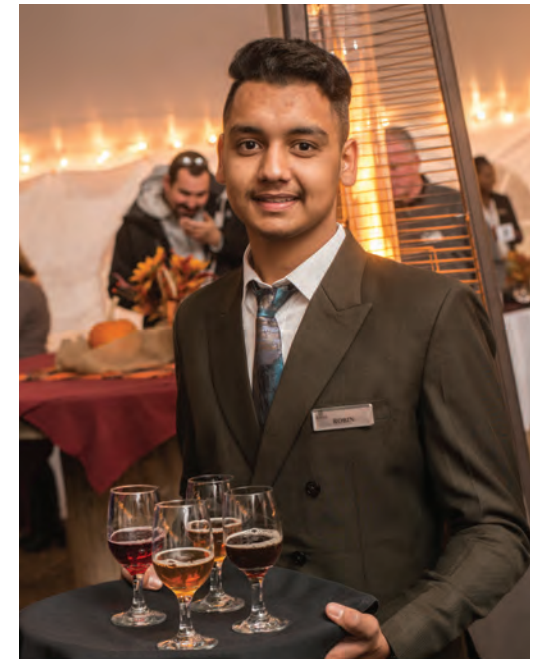

Harvest on the Hill

\$ \$1,800 | 📖 \$750

It is essential to be able to lead, manage and administer early learning and childcare centres when you're looking to advance in your field. This program gives you the skills you need to take on the role and responsibility of a director. You can study at your own pace and continue to work while taking this program by distance education.

CAREER OPPORTUNITIES

This program helps students meet government standards for training at the ECE III level and is designed to help early childhood educators advance to leadership positions within the field. Director positions are available in a variety of early learning childcare settings.

TECHNOLOGY

CIVIL TECHNICIAN

ONE-YEAR CERTIFICATE

\$ \$5,660 | 📖 \$1,060

Develop your problem-solving skills through drafting, surveying and computer-aided design; build a solid foundation of basic civil engineering skills using Computer Assisted Drafting (CAD). Learn to design different areas of infrastructure including roads, sidewalks, watersheds and drainage systems. Acquire skills in third angle project standards, 3D modelling and producing architectural drawings for a residential project. Upon graduation, go directly into the workforce or transfer to civil engineering programs across Manitoba.

CAREER OPPORTUNITIES

Engineering and architectural firms • manufacturers • construction and development companies • inspection testing agencies • material suppliers • departments within government

assiniboine.net/civiltech

COMMUNICATIONS ENGINEERING TECHNOLOGY

TWO-YEAR DIPLOMA

Yr 1: \$ \$5,120 | 📖 \$950

Yr 2: \$ \$5,220 | 📖 \$150

Take your interest in technology to the next level. Design, manufacture and install the most up-to-date communications systems that keep us linked together. Become a technologist who is responsible for equipment and systems that impact all aspects of communication. Be a part of this ever-changing industry and work with cutting-edge technology while receiving top-level wages.

CAREER OPPORTUNITIES

Computer-aided design • remote control technology • wireless and fiber optics • imbedded programming • electronic design and repair • computer programming • network design • communication systems installation • project management

INTERACTIVE MEDIA ARTS - INTERACTIVE SPECIALIZATION

TWO-YEAR DIPLOMA

Yr 1: \$ \$5,170 | 📖 \$690

Yr 2: \$ \$4,850 | 📖 \$80 | 🚚 \$2,000

Explore new and innovative ways to create meaningful messages, images and designs that broaden minds. Learn how to merge technologies as you create compelling stories for varying media outlets. Develop your skills in writing, design, image editing and coding for applications in the areas of web, mobile, animation and basic game development.

CAREER OPPORTUNITIES

Web design • animation • rich media advertising • content production • design firms • advertising agencies • media production houses • large companies with their own web teams

assiniboine.net/interactive

INTERACTIVE MEDIA ARTS - MEDIA SPECIALIZATION

TWO-YEAR DIPLOMA

Yr 1: \$ \$5,260 | 📖 \$690

Yr 2: \$ \$5,280 | 📖 \$230 | 🚚 \$1,600

Create powerful messages through audio or visual productions and develop your passion for television or radio environments. Create a live news broadcast, run Assiniboine's own CJ-106.5 FM radio station and learn how to tell compelling stories within any audiovisual production role. Acquire skills in writing, announcing, shooting, recording, editing and producing items for broadcast, cable and audio/visual departments.

CAREER OPPORTUNITIES

Technical fields of audio • video and multimedia productions • media communications • audio, video and multimedia production houses • corporate and educational video production houses • recording studios • music and public address audio services • television or radio stations

assiniboine.net/media

NETWORK ADMINISTRATION TECHNOLOGY

TWO-YEAR DIPLOMA

Yr 1: \$ \$4,690 | 📖 \$610

Yr 2: \$ \$5,100 | 📖 \$320

Study in cutting-edge electronic and computer lab facilities. Learn to analyze, troubleshoot, repair, install and provide technical support for computer systems and networks. Acquire the skills to be able to manage network routers, install and upgrade hardware and software, and develop internet applications. You have the option to write industry standard certifications such as A+, Linux+, Network+, MCTS, MCITP, CCNA and CCENT.

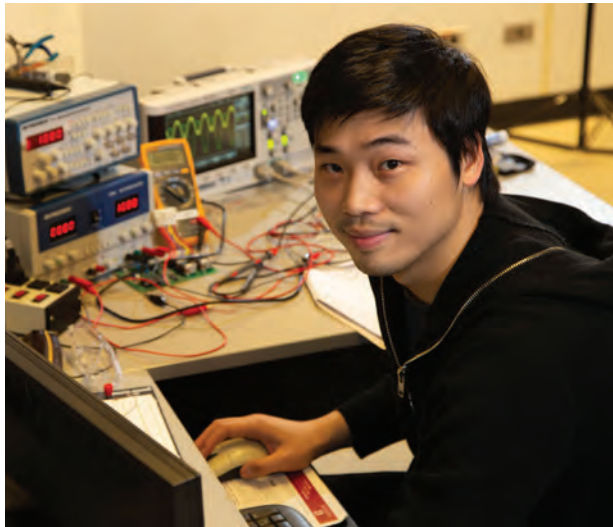

CAREER OPPORTUNITIES

Installing, troubleshooting and supporting data • wireless and voice networks • installing and upgrading computer hardware • installing and supporting computer software • internet development (including web server support)

AUTOMOTIVE TECHNICIAN

NINE-MONTH CERTIFICATE

\$ \$4,550 | 📖 \$4,300

Take your ability to problem solve and turn it into a career in the automotive service industry. Develop basic shop skills as you learn about electrical systems, engines and power trains. Repair and service cars and light-duty trucks. Gain industry-based knowledge in a hands-on environment where you will work on live equipment while building your confidence in customer service.

CAREER OPPORTUNITIES

Dealerships • repair shops • sales • automotive component parts

assiniboine.net/automotive

CARPENTRY AND WOODWORKING

NINE-MONTH CERTIFICATE

\$ \$5,140 | 📖 \$1,560

Learn all the basics of building a single dwelling house. Acquire skills in stair building, cabinet making and finishing and concrete pouring, while completing training in safety and scaffolding. Make industry connections and become career-ready with the practicum at the end of this program.

CAREER OPPORTUNITIES

Residential and commercial construction • cabinet making • facilities • other building fields

assiniboine.net/carpentry

CONSTRUCTION ELECTRICIAN

NINE-MONTH CERTIFICATE

\$ \$4,380 | 📖 \$1,320

Gain the confidence you need in order to become a first level apprentice. Find exceptional learning experiences in our modern electrical shop and acquire advanced skills in wiring and blueprint reading. Gain real industry experience and be career-ready after completing the practicum at the end of this program.

CAREER OPPORTUNITIES

Electrical contractors • construction companies • maintenance departments of industrial companies • public utilities • wholesale supply houses • your own business

assiniboine.net/ce

HEAVY DUTY EQUIPMENT TECHNICIAN

TWO-YEAR DIPLOMA

Yr 1: \$ \$4,950 | 📖 \$3,540

Yr 2: \$ \$4,630 | 📖 \$210

Develop your skills in servicing, diagnosing and repairing of agricultural, heavy duty and transport equipment. Hands-on experiences include class time in a modern shop where you will work on live equipment. Your work co-op placement between the first and second year of this program will prepare you for industry and provide network opportunities with potential employers.

This program offers you the opportunity to receive Level 1 and 2 credit for one of three trades. Upon completion, choose between Heavy Duty Equipment Technician, Agricultural Equipment Technician or the Truck and Transport Mechanic apprenticeship program.

CAREER OPPORTUNITIES

Technician or service writer in construction • heavy duty or agricultural companies • component parts

INDUSTRIAL METALS FABRICATION

11-MONTH CERTIFICATE

Full Program : \$ \$6,550 | 📖 \$1,500

Machining Specialization: \$ \$3,810 | 📖 \$1,000

Welding & fabrication Specialization: \$ \$3,200 | 📖 \$950

Apply your attention to detail and excellent visualization skills in today's machining and welding trades. This pre-employment program offers you the opportunity to explore two trades. The machining specialization prepares you to work on band saws, lathes, milling machines and drill presses while exploring up and coming technology with industry specific software and 3D printers. The welding and fabrication specialization introduces you to oxyacetylene welding, shielded metal arc welding, gas metal arc welding, gas tungsten arc welding and plasma cutting. Gain additional training on hoisting, lifting, rigging and handling materials with cranes.

CAREER OPPORTUNITIES

Machining opportunities: machine shops rail companies • manufacturing
Welding opportunities: heavy machinery manufacturers • metal fabrication shops • transport • welding companies

assiniboine.net/imf

PIPING TRADES

NINE-MONTH CERTIFICATE

\$ \$4,720 | 📖 \$940

Acquire knowledge in more than just plumbing with this well-rounded pre-employment program. Develop your skills in blueprint reading, plumbing systems, heating, refrigeration, sheet metal and water treatment. Learn in a modern shop with up-to-date equipment. Your three-week practicum allows you the opportunity to gain industry experience before you graduate.

CAREER OPPORTUNITIES

Residential and commercial plumbing • steam fitting • water treatment plants • heating • gas fitting • refrigeration • welding

assiniboine.net/piping

POWER ENGINEERING

EIGHT-MONTH CERTIFICATE

\$ \$4,530 | 📖 \$2,810

Certification in 4th class power engineering provides opportunities for advancement in industry. Spend time in the classroom, as well as in industry gaining steam time and work experience. Exceptional learning experiences include rebuilding and tearing down pumps, pipe threading and an introduction to welding and electrical components.

CAREER OPPORTUNITIES

Water treatment plants • hospitals • government agencies • school divisions • production plants • building complexes

ADVANCED CREDENTIALS

Differentiate yourself and develop specialized skills for the industry you already know.

If you already have a post-secondary credential (i.e. a diploma or a degree), set yourself apart by building up your skillset in a particular area and re-entering industry as a specialist with a niche focus.

For example, if you have worked with the agricultural industry, consider an advanced diploma in Marketing to give you a unique perspective on agricultural marketing. Working within a technical field? Consider an advanced diploma in Geographic Information Systems (GIS) to help you become an expert in plotting maps, analyzing data and incorporating the information you need for tactical, on-the-ground applications and projects.

Assiniboine has a variety of advanced diplomas and credentials that will help you take your career to the next level:

- » Agribusiness
- » Accounting
- » Early Childhood Program Management
- » Finance
- » Geographic Information Systems
- » Human Resources Management
- » Indigenous Financial Management
- » Marketing
- » Sustainable Food Systems

APPRENTICESHIP

Train for your career as a certified journeyman. Manitoba has more than 55 designated apprenticeship trades and Assiniboine is proud to partner with Apprenticeship Manitoba to offer many of them. You'll learn through a combination of on-the-job practical training and in-school technical training.

Training for a certified journeyman varies from two to five levels, depending on the trade. For each level, you spend about 80% of your time learning from your employer; the other 20% is short-term technical training at college. Choosing a trade program will take you on a career path that promises to be both rewarding and challenging. So, roll up your sleeves, and let's get to work.

- » Agricultural Equipment Technician
- » Automotive Service Technician
- » Carpenter
- » Construction Electrician
- » Gasfitter "B"
- » Industrial Electrician
- » Heavy Duty Equipment Technician
- » Power Electrician
- » Machinist
- » Plumber
- » Pork Production Technician
- » Welder

DISTANCE EDUCATION

Why study by distance? Because no matter where you are in the world, you can study at Assiniboine. Continue to work full- or part-time, parent and participate in community activities, all while working towards a college certificate or diploma.

Our virtual learning environments are open 24-7 and 365 days a year, meaning you decide when and where you want to study. We deliver a learning package and support materials right to your home, which includes all of the resources you'll need for your course.

Our dedicated instructors are available by phone, email and online to answer questions and provide feedback.

SPEND A DAY WITH US

ONE DAY CAN CHANGE YOUR LIFE

Test drive a career in Interactive Media Arts, Culinary Arts, Carpentry and Woodworking, Land and Water Management or any one of our 50+ certificate and diploma programs.

Our *Spend a Day* program runs from November to March for most programs, each academic year. When you spend a day at Assiniboine, we partner you with a current student in the program of your choice and you will have the opportunity to:

Participate in classroom activities

- » Experience college life
- » Explore all of our helpful services for students
- » Meet current college students and instructors
- » Enjoy free lunch (on us!) for you and your student host

Not ready to spend a day?

Contact our recruitment team at recruit@assiniboine.net or 204.725.8750 or 800.862.6307 ext 8750 to schedule a campus tour or appointment with a recruitment specialist and start exploring our programs and your career options.

Register today at
