At the University of Adelaide College, we specialise in providing students with the first step towards undergraduate and postgraduate studies at the University of Adelaide – one of the prestigious Group of Eight universities.

International students who choose to study at the College are provided with a strong academic program presented by experienced and highly qualified teachers. By ensuring our students work in small classes we are able to provide individual attention, support and guidance.

Every year hundreds of our students progress to the University of Adelaide to study in either an undergraduate or postgraduate degree. The preparation received at the College has been crucial to their successful transition to university study.

Ensuring that students feel part of our College community is one of our major priorities. There are a number of dedicated and caring professionals whose role it is to ensure that students feel at home at the College and are supported in their studies.

On behalf of all our staff I extend a personal invitation to you to join us here at the University of Adelaide College.

It is a wonderful place to study and I am confident that you will enjoy your time here.

Siobhan Guy
National Campus Director
The University of Adelaide College

The University of Adelaide is internationally recognised for its academic excellence in learning and research. Our degrees are world-class, infused with cutting edge research and technology that encourages critical thinking, problem solving, teamwork and communication.

HEALTH AND MEDICAL SCIENCES

Thinking of studying a specialised Medicine or Health Sciences degree at the University of Adelaide? The University of Adelaide is one of Australia's best education providers in the area of medicine, producing some of the world's best doctors and surgeons. If this is the pathway you want then there are a few things you need to know.

Entry to some bachelor degrees at the University of Adelaide are not only based on academic results, but will require meeting additional criteria. These include the following degree destinations:

- Bachelor of Medicine and Bachelor of Surgery (MBBS)
- Bachelor of Dental Surgery
- Bachelor of Oral Health

Additional selection criteria

There are three main types of assessments for students wanting to enter into these degrees. These usually include an Admission's Test, an interview and a mandatory progression score from the College.

	B MEDICINE AND B SURGERY	B DENTAL SURGERY	B ORAL HEALTH
MINIMUM AVERAGE GRADE IN FSP	83%	83%	70%
ADMISSION'S TEST	Yes	Yes	Yes
INTERVIEW	Yes	Yes	Yes

Admission's Test

This written test is designed to assess a range of personal qualities considered to be important for the study and practice of medicine and dental surgery.

i For more information, please visit health.adelaide.edu.au/admissions

Interview

Students who are successful in the Admission's Test will then be invited for an interview. The interview gives the panel a chance to get to know you, and to ask some important questions that will be relevant to your career in Health Sciences.

Your interviewers will be interested in learning about your commitment to the health profession, your ability to work with others, solve problems and to think laterally. They will also want to be sure that you know what your course involves and you're ready for all the hard work.

i Visit college.adelaide.edu.au for more information about studying at the University of Adelaide College

Helping you graduate into your chosen degree

Going through the selection process for degrees such as Medicine can be a little daunting, but you don't have to do it alone. We've designed a range of different services to help our students gain admission to their degree of choice. At the College, we also offer:

Information and training sessions:

- An initial information session, with guest speakers and alumni
- An online 'How to Apply' tutoring session

Workshops and test preparation help:

- Workshops on critical thinking for your test and interview
- Assistance with Admission's Test preparation

Individual help:

- Help practicing mock interviews
- Links to industry and volunteering opportunities to strengthen your application
- Personal guidance in transitioning to the University of Adelaide

Does the College provide packaged offers to all Health Science degrees?

The College does not provide packaged offers for all degrees. Instead of the standard packaged offer, students who want to enrol in these degrees will be offered an alternative packaged offer, requiring them to apply through the test and interview process.

Access to DT courses may vary depending on time of intake and bachelor degree choice. Courses offered by the University of Adelaide College may change based on the University of Adelaide requirements. The Degree Transfer (Health and Medical Sciences) pathway also provides students with the option to apply for entry into first year of the Bachelor of Nursing degree upon completion of the Degree Transfer Program (DT). For Bachelor of Nursing, strict quotas apply. The standard cut-off is the minimum academic threshold, above which, applications will be ranked on merit. In addition to academic performance, other selection criteria may affect merit ranking.

PRE-MASTER'S PROGRAM

CRICOS Course Codes: 098605E, 098607C, 098604F, 098606D, 094934J

The College is the first education provider in Australia to offer a postgraduate bridging course to a Group of Eight University. After the successful completion of the Pre-Master's Program, you're guaranteed entry into your postgraduate degree at the University of Adelaide.

Program benefits:

- Flexible entry and English language requirements mean you can gain access to an exclusive Group of Eight university
- Our Bridging to Pre-Master's semester/trimester model means you begin your master's subjects after just one semester/trimester, and then progress straight into second semester/trimester
- You receive extra support in developing your English and academic study skills
- With all the preparation, you still only add an additional four months to your degree

What does a Pre-Master's Program involve?

The Pre-Master's Program is taught over two semesters/trimesters. In the first Bridging semester/trimester, you'll develop your study and research skills, and English academic language in writing, reading, listening and speaking.

By the second semester/trimester, you'll begin studying university subjects that are part of your chosen master's program. Upon successful completion of the Pre-Master's Program, you'll receive credit for these subjects and jump straight into the second semester/trimester of your degree.

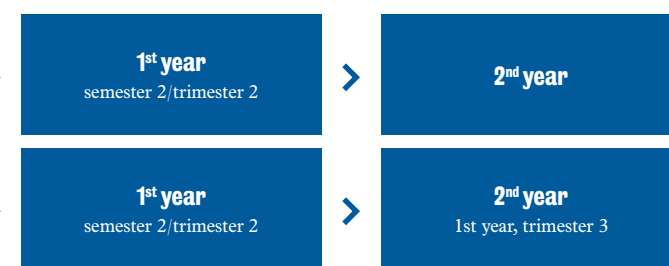

Pre-Master's pathway

Upon successful completion of your Pre-Master's Program at the University of Adelaide College, you are guaranteed progression to the second semester/trimester of a specified master's degree at the University of Adelaide.

Yihan Yang (Allen), China

General Academic English followed by Foundation Studies pathway to Bachelor of Engineering (Honours) (Electrical and Electronic)

Do you want to study in Australia but feel your English language level is not up to Australian university standards? Our General Academic English (GAE) is the perfect solution.

Our course is designed and taught by highly qualified and experienced English language teaching professionals. It is recognised through its English Australia membership and National English Language Teaching Accreditation Scheme (NEAS) endorsement. Your English level is assessed before you start with us in order to offer you the best study plan that matches your particular needs and expectations.

Program benefits:

- Learning is made fun! Improve your language skills such as speaking, writing, reading, listening, grammar and vocabulary while learning about Australia in a fun and engaging way
- You get individual attention with our small class sizes, and you'll be assessed weekly to monitor your progress
- Cover essential academic skills such as, group and team collaboration, critical and creative thinking, research and presentations
- Take advantage of our extracurricular activity program with a variety of activities tailored to enhance after class student experience
- We offer a variety of assistance and counselling services for international students
- On successful completion of the program, you're guaranteed entry to your Foundation Studies, Degree Transfer or Pre-Master's program*

General Academic English pathway

Upon successful completion of General Academic English you will be able to communicate with confidence and obtain the essential language skills necessary for academic study in Australia.

ADELAIDE

A PERFECT STUDENT CITY

Adelaide is a place where quality education meets quality of living, and with a lower Australian cost of living you can afford a great lifestyle. We offer a diverse and welcoming environment where students from all over the world can enjoy an excellent education, along with work opportunities now and in the future. Adelaide is one of the world's most liveable cities; a vibrant and friendly city with something for everyone.

A DAY IN YOUR LIFE AS A STUDENT IN ADELAIDE

It's a warm summer day. You've been studying hard lately, so you decide you deserve an afternoon off. As soon as class finishes, you and your new friends from the Social Club head straight to the tram stop on King William Street, a short walk from the College. In half an hour, you're at the beach, eating gelato and splashing around in the clear water.

As the sun starts to set over the ocean, you decide it's time for some dinner. But, where to eat? Your new friends come from all over the world, and they want to try different things. There are so many different restaurants to choose from: Italian, Mexican, Japanese, Chinese or Ethiopian to name a few. In the end, you decide to go get some of the delicious (and cheap!) dumplings at a favourite Korean restaurant.

After dinner, one of your Aussie friends suggests heading to the Garden of Unearthly Delights to see some music acts. The Garden looks magical, lit up with lanterns, and you spend the evening talking, laughing and dancing. Years later, you'll look back on that afternoon and smile.

ADELAIDE LIFESTYLE

Adelaide is a world-renowned city that has something for everyone. Studying here provides access to a wide range of art, culture, food and music events. Adelaide is a busy and vibrant city wherever you go, but unlike some larger cities, getting around is much quicker and easier.

Multicultural

One in five South Australians were born overseas but now call Australia home. The people of Adelaide celebrate their city's cultural diversity, and go out of their way to welcome international students to the city.

Expect to find a huge variety of flavours from around the globe in Adelaide – the bustling Central Market is a dream – a vibrant hub offering delightful colours and aromas all year round.

Shopping

Adelaide is a shopper's paradise. With its exclusive boutiques, shopping malls and heritage arcades, you can find all the trending fashion you need. Rundle Street in the heart of the city centre is known for having the most shops, pubs and cafés, while Rundle Mall is home to the best department stores. Outlet shoppers can head to Harbour Town for international labels.

Outdoors

Australians live an active lifestyle and love the great outdoors. Adelaide is a coastal city where pristine white sandy beaches become the focus of relaxation and recreation. For those who prefer to watch professionals in action, Adelaide's sporting calendar is also full of major events that include cricket, soccer and AFL (Australian Rules Football). Enjoy the best of Adelaide's sports at Adelaide Oval in the centre of town.

Festivals

Known as the Festival State, South Australia hosts over four hundred festivals and events each year, resulting in more festival tickets sold in South Australia than all the other states combined.

Adelaide is internationally renowned for its Fringe Festival – the world's 2nd largest annual arts festival. More than 5,000 artists take to the stage during February and March each year and make up more than 1,100 events during the Fringe Festival!

Easy to get around

Adelaide has long been known as the '20-minute city', meaning getting around is easy. A well-designed city allows for easy navigation on the city's buses, trains and trams. Not only is there free public transport in the city, but domestic student discounts apply for international students! Travelling by foot and cycling are also very popular options.

STUDENT LIFE

While studying at the University of Adelaide College it is important to balance your studies. What you do outside of class can be just as important as what you do in the classroom. Joining clubs, societies or organisations is a great way to meet new people, share your interests and make new friends on campus.

The friends you make at the College are the ones you keep for life

Every year, we have new students arriving at the College from all over the world. Everyone is new, so there's no need to feel shy. It's the perfect opportunity to make new friends. Who knows, maybe you'll end up visiting them in their country one day! A great way to get to know other students is by joining in some of the clubs and activities on offer.

Join a University of Adelaide Club or Society

As a student of the College, there are more than 150 different clubs you can join! Whether you're interested in sport, politics, music or photography, you're sure to find something you'll love.

The University of Adelaide College Social Club

The College Social Club is famous for fostering new friendships. It's also a great opportunity to learn new skills and get some experience in planning, budgeting and preparing events, along with mentoring new students and raising money for charities. That looks great on your resume.

College Ambassadors

If you love all things social media, maybe you should consider joining the College Ambassador Program. Tell the world your unique story as a College student, while gaining valuable experience in marketing, branding, digital and social media.

Getting social online

Did you know the College has an online community? You can chat to other students, find out about events and workshops, ask us questions and see what's happening on campus. We've got Facebook and Instagram profiles you can follow, to keep up to date with what's on.

ACCOMMODATION

OPTIONS TO SUIT EVERYONE'S NEEDS

Maybe you want to stay with an Australian family for a full cultural experience? Or perhaps you'd like to try living in a shared house with friends? Maybe you prefer some privacy and quiet in your own studio apartment? We can help you find a home that suits your particular needs.

Are you under the age of 18?

It's our goal at the College to make sure all our students are looked after. We take special care of our younger students. All accommodation for students under the age of 18 will be arranged and overseen by the Manager, Student Services (Accommodation and Administration) and the Student Services Coordinator (under 18 students). To make sure you can go straight into your new home easily this is organised before you arrive in Australia. Students under 18 years of age can choose between a homestay, or a room in approved under 18 accommodation provider Urbanest at the University of Adelaide.

Parents will be happy to know that all under 18 students are assigned a welfare officer. Your personal officer will meet with you every two weeks to make sure you're adjusting to your new life in Australia. For any under 18 student queries email welfare@adelaide.edu.au

Homestay with a local family

If you want to get to know how Australians live, and you like the idea of living with a local family, then this is the option for you. While you're staying with your homestay family in their home, they will take care of you and make you feel comfortable. It's also a great way to practise your English language skills outside the classroom.

TERMS AND CONDITIONS

1. GENERALTERMSAND CONDITIONS

These Terms and Conditions are applicable to all students studying at the University of Adelaide College through Kaplan Higher Education Pty Ltd ABN 85 124 217 670 CRICOS 03127E (the ‘College’) including English Language Programs delivered by the College (CRICOS 03147E) and Foundation Studies, Degree Transfer and Pre-Master’s programs delivered under agreement with the University of Adelaide (CRICOS 00123M).

1.1. Policies and procedures: All College students are subject to the policies and procedures that are published on our website (currently at www.college.adelaide.edu.au/policies/) and in the College student handbook, including those dealing with student misconduct, assessment, progression, enrolment deferral and cancellation, complaints and appeals, and refund. Students must review these policies and procedures and ensure they understand and comply with the most up to date version of our policies and procedures at all times.

1.2. Late arrivals, vacations and absences: All students are expected to attend class from the first day of their program. No refund is given for time missed due to arrivals after the published program commencement date, vacations, absences or public holidays. Such periods of absence will not be replaced by a free extension of any program. No refunds or substitutions will be made for classes missed due to non-College external exams, excursions, orientation period or other obligations that fall outside the normal teaching schedule. Classes are not held, and many campus facilities are closed, on public holidays. All published program dates start on a Monday, but if the Monday is a public holiday, the program start will fall on the Tuesday. Students may request written permission for late arrival up to 2 weeks from their published program commencement date. Students who propose to arrive 2 or more weeks after the program commencement date will be required to catch up on the work that they have missed. While every effort will be made to assist the student to catch up on program content, the student is ultimately responsible. Late arrivals will be assisted with registering and joining the program. The student will have a responsibility to undertake an online orientation upon commencement.

1.3. Campus facilities: Students are advised that campus facilities may not be available during study breaks. Details are available from the Student Services Team or Reception staff at the College.

1.4. Placement: The College may place a student into the most appropriate class and to postpone subjects/courses to the following semester/trimester where there is an insufficient number of students for that class or subject/course.

1.5. Program changes: The College may change program dates, program curricula, tutors and programs at any time at its discretion. However, in cases where the program is rescheduled before the first class and the new date is unacceptable to the student, all unused tuition fees will be refunded.

1.6. Tuition fees: The student or student’s family agrees to pay the total tuition fee and any additional charges in accordance with the fee schedule for the current year published on our website (currently at www.college.adelaide.edu.au). Students who do not finalise their payments within the first two weeks will have their enrolment cancelled. All refunds are made in accordance with the College Refund Policy. Tuition fees include lessons, orientation, placement and progress testing and a College certificate upon successful completion of the program. The College may withhold the granting of a certificate from a student if the student’s tuition fees or any other fees remain outstanding.

1.7. Repeat payment: Students repeat a course/subject or courses/subjects or semester/trimester will incur charges based on the current year’s published tuition fees at the time of payment.

1.8. Late payment: A fee of AUD 100 applies on unpaid accounts 30 days after the date the payment was due.

1.9. Books and materials fees: Students may be required to purchase textbooks, workbooks, stationery, software and other required learning materials at an additional cost. Details of any additional costs are in the College student handbook or the relevant program or unit outline.

1.10. Additional services: Any additional services (such as travel, telephone costs, excursions, medical costs, special diet, non-College exams and enrolment amendments) are not included in any fees unless specifically stated on a valid invoice from the College. Students wishing to arrange homestay accommodation and/or airport transfer can obtain further information at www.college.adelaide.edu.au/accommodation/.

1.11. Privacy: Personal information collected by the College or the University of Adelaide, which includes information that identifies a student and information regarding a student’s program progress and attendance, may be shared by or between the College and the University of Adelaide and by either of them with the Australian government, or State and Territory governments, and their designated authorities, the Tuition Protection Scheme, the agent that recruited the student (unless specifically excluded), the student’s parents (if under 18), College staff and contractors, and between the College and the University of Adelaide and related body corporates of the College and their staff, contractors and insurer. This information may include personal information about you which is considered sensitive information, contact details, program enrolment details and changes, program results, and the circumstance of any suspected breach by the student of a visa condition. The College’s Privacy Policy outlines further information about the handling of personal information by the College (at www.college.adelaide.edu.au/privacy/). You may contact our Privacy Officer at privacy@kaplan.edu.au if you have any enquiries about your personal information or if you wish to make a privacy complaint.

1.12. Medical costs: The College is hereby authorised to seek medical treatment should the College or a staff member acting on its behalf consider such action necessary for a student. The student agrees to indemnify the College for any expense, loss, damage or liability whatsoever suffered or incurred as a result of authorising and arranging such emergency medical treatment.

1.13. Photography, filming and sound recording: The College or its representatives may arrange to photograph or shoot video footage of students for promotional or marketing purposes, in print and/ or online, at any time, including during graduation ceremonies. Any student who does not wish to participate should advise the College staff or its representative at the time of booking and state at the time of the photographing or video shooting that they do not wish to participate, and remove themselves.

2. THE UNIVERSITY OF ADELAIDE FEES

2.1. The University of Adelaide program fees will depend on the student’s choice of undergraduate or postgraduate degree program and point of entry. Further information is available on the University of Adelaide website, currently at www.adelaide.edu.au.

3. DEFERRAL, SUSPENSION AND CANCELLATION OF ENROLMENT

3.1. A student may apply to defer their studies on the grounds of compelling or compassionate circumstances such as their own ill health or that of a very close relative. All applications for deferral from a program of study must be made in writing or using the relevant form available from the College. Students should refer to the College’s Deferral, Suspension and Cancellation of Enrolment Policy (currently available at www.college.adelaide.edu.au/policies/) for details of the circumstances in which their enrolment may be deferred, suspended or cancelled, before submitting their application.

3.2. A student’s enrolment at the College may be suspended or cancelled in accordance with the College’s Deferral, Suspension and Cancellation of Enrolment Policy (currently available at www.college.adelaide.edu.au/policies/), including on the grounds of misbehavior by the student, the student’s failure to pay amount(s) owing to the College in accordance with this agreement or a breach of program attendance or progression by the student.

4. REFUNDS

4.1. The College’s Refund Policy is currently available at www.college.adelaide.edu.au/policies/. All students must read the Refund Policy before accepting an offer of admission from the College. Students requesting a refund are required to do so in accordance with the Refund Policy. Approved refunds are paid in Australian dollars into the same bank account it was paid from. Tuition fees are not transferable to other students.

5. INTERNATIONAL STUDENTS

5.1. Visa information: It is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport for their whole period of study. The student may be asked to make payment for their first study period before any of their visa documentation is issued. A Confirmation

of Enrolment (CoE) may not be issued by the College until payment for the first study period has been received as per the Offer of Admission and the enrolment agreement has been signed and returned to the College by the student. The enrolment agreement includes reference to the pre-arrival information and grievance procedures information.

5.2. Student visa obligations: Student visa holders are required to maintain compliance with all applicable visa conditions including providing the College with a current residential address, mobile number, email address and who to contact in emergency situations, as well as notifying the College of any change in these details within 7 days of the change, maintaining satisfactory academic progress and attending a minimum of 80% of their program. Students that fail to commence their enrolled program or fail to meet the requirement for 80% attendance or satisfactory academic progress will be reported to the Department of Home Affairs (DoHA). Any school-aged dependents accompanying overseas students to Australia will be required to pay full fees if they are enrolled in either a government or non-government school.

5.3. Health insurance: Health insurance is compulsory for student visa holders and their accompanying family members. Students are required to provide proof of health insurance at the time of their enrolment. Students will not receive a Confirmation of Enrolment (CoE) until they have obtained satisfactory health insurance for the length of their visa. The Australian government requires all students on student visas to join the Overseas Student Health Cover (OSHC) scheme, a health insurance plan for overseas students in Australia. Students must ensure that payment is made for compulsory OSHC before their visa is issued and that the insurance provides adequate coverage for the duration of the student’s visa.

5.4. Codes of practice: The College abides by the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (the National Code) and the Educational Services for Overseas Students Act 2000 (Cth) (ESOS Act). Further information about the National Code can be obtained at internationaleducation.gov.au/regulatory-information/.

5.5. Living expenses: Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. Further information can be obtained at www.studyinaustralia.gov.au or www.homeaffairs.gov.au.

6. CONSUMER PROTECTION

6.1. These Terms and Conditions, and the right to make complaints and seek appeals of decisions and actions under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

6.2. Students will be advised of any changes to these Terms and Conditions that may result from a directive of the governing body of the College or the University of Adelaide, or from a change in government legislation or regulation. Any dispute, claim or other matter arising will be subject to the laws of South Australia.

6.3. Students who are dissatisfied with a decision made by the College may submit a complaint to the College in accordance with the relevant College Grievance Policy (currently available at www.college.adelaide.edu.au/policies/). If a student is dissatisfied with the outcome of a complaint and subsequent appeal, they may also submit an application for review of the College’s decision or action to the Office of the Training Advocate (www.trainingadvocate.sa.gov.au) or the Overseas Student Ombudsman (www.ombudsman.gov.au).

7. DECLARATION

Upon submitting an application to the College, and subsequently undertaking any study at the College, the student (or their authorised representative on the student’s behalf – if the student is under 18 years of age):

7.1. Declares that the information provided in their application form is true and complete in every detail.

7.2. Understands that giving false or incomplete information may lead to the refusal of their application or cancellation of their enrolment.

7.3. Has read and understood these terms and conditions, the published information in the College brochure and on the College (and the University of Adelaide) website and has sufficient information about the College to enrol.

7.4. Authorises the College or its representatives to retain their photo image for identification purposes and consents to the use of any photographs or video footage taken of the student for promotional or marketing purposes, in print and/or online (including at a graduation ceremony), at any time without further consent or notification. Any student who does not wish to participate should advise the College at the time of the photographing or video shooting of their wish not to participate and will remove themselves.

7.5. Authorises the College to provide the University of Adelaide, or any other educational institutions to which the student is seeking admission, any required relevant official records and other personal information relevant to their application or studies. The student also gives the College permission to obtain official records from any educational institution the student attends or has attended and from the University of Adelaide after their studies at the College have finished.

7.6 Authorises and consents to the College to validate his/her qualifications and release copies of academic transcripts to prospective employers, when/if required.

7.7. For international students, the student understands that the College will collect information during their enrolment in order to meet its obligations under the ESOS Act and the National Code and to ensure the student complies with the conditions of their visa and the student’s obligations under Australian immigration laws. The authority to collect information is contained in the ESOS Act, ESOS Regulations and the National Code. The international student authorises the College to provide information including personal and contact details, program enrolment details, and the circumstances of any suspected breach of their student visa conditions to the Australian Government, the Tuition Protection Service (if relevant) and any other designated authorities. The student also understands that this information can be disclosed without their consent where the College is authorised to or required to by law.

7.8. Understands and consents to the collection and handling of personal information in accordance with the College’s Privacy Policy (available at www.college.adelaide.edu.au/privacy/).

7.9. Accepts liability for payment of all relevant fees identified in these Terms and Conditions, the College brochure and on the College (or the University of Adelaide) website. The student also understands the circumstances in which refunds will not be applicable as set out in these Terms and Conditions, including the College’s Refund Policy, and that fees may increase with notification from the College during the program. For international students, the student has also read the information provided in relation to living expenses and they understand that the cost of living in Australia may be higher than in their own country, and the student confirms that they can meet those costs.

7.10. Understands and agrees to abide by all the College policies and procedures (currently available at www.college.adelaide.edu.au/policies/).

7.10. Agrees to notify the College of their contact details, including their current residential address, mobile number (if any) and email

address, and who to contact in emergency situations. The student also agrees to notify the College of any change in those details within 7 days of the change.

7.11 Acknowledges that the College reserves the right to change terms, conditions or policies without prior notice in order to meet its legislative requirements, or to follow directive of the governing body of the College or the University of Adelaide.

and agrees to keep themselves up to date with the changes occurring by checking regularly the website and/or speak to staff at the College.

Kaplan and you

Kaplan International Pathways is a leading provider of global education, centred around you. Whoever you are, and wherever you are in the world, our goal is to help you achieve your goal. We passionately believe that a global education can still be personal.

Our story so far

We wouldn't be where we are today if it weren't for a man named Stanley Kaplan. Stanley faced challenges in getting an education himself in the 1930s, and wanted to make sure everyone had the opportunity to learn. This led him to create a test that was fair, so that students could enrol at university based on merit alone. Soon, Stanley's small education business began to thrive, and his success led to the creation of a whole new industry.

During the decades since then, Kaplan has changed and grown, but we still remember exactly why Stanley began his business. Sadly, he died in 2009, but his passion for fair education, available to everyone no matter who they are, lives on.

“There was no greater thrill than watching a student's face at that moment of revelation when they finally grasped an idea.”
