Welcome

Welcome to Federation University Australia. You are about to discover the huge range of study options available at Federation University Australia – from business and commerce to IT. Federation University is ranked the number one university in Australia for First Generation Student Enrolments and the number one university in Victoria in seven categories, including:

> Number one in Victoria for Starting Salary for graduates ($62,600 average)
> Number one in Victoria for Graduate Full-time Employment
> Number one in Victoria for Social Equity
> Number one in Victoria for Student Teacher Ratio
> Number one in Victoria for Skills Development
> Number one in Victoria and #5 in Australia for Student Support
> Number one in Victoria for Teaching Quality

as per the 2020 The Good Universities Guide

Why Fed?

In addition to these number one rankings, Federation University achieved the highest five-star rating in nine out of 14 areas – up from three five-star ratings last year. This includes overall student experience, skills development, learning resources, student support, teaching quality, graduate starting salary, social equity, student teacher ratio and first generation student enrolments.
