— **THROUGHOUT THE ACADEMIC YEAR:** German language courses on all levels and an opportunity to join the German host family program

CUSTOM VISITING PROGRAM

Jacobs University Bremen is looking forward to working with partner institutions to develop and offer courses necessary for the successful completion of their students' curriculum while abroad. Custom programs have the capacity to host a larger group of students than classical exchange programs and are tuition-based.

Our custom offer for your student cohort(s):

- Coordination of a semester- or year-long stay for a group of visiting students and accompanying professors (if faculty-led)
- Organization of custom programs with a particular academic focus if requested (e.g. engineering, science, pre-med, computer science)
- Organization of special courses such as "German Politics and Culture", "European Welfare States and Health Systems" etc.
- Organization of faculty-led study trips to European destinations

CURRENT VISITING PARTNERS:

Engineering Abroad@Jacobs with Lafayette College

- Custom program with special focus on engineering, and "German Politics and Culture"

Pre-Med Abroad@Jacobs with Wellesley College

- Custom program with special focus on clinical internship, and "European Welfare States and Health Systems"

BILATERAL EXCHANGE PROGRAM

Jacobs University Bremen cooperates with renowned institutions across the globe within the framework of a bilateral student exchange. Jacobs University's bilateral agreement is typically limited to two students per academic year and includes tuition waivers for participating students based on a reciprocal and balanced exchange.

YOUR COOPERATION OPPORTUNITIES

Jacobs University Bremen is Germany's leading private university and an attractive partner for study abroad. Would you like your students to study in Germany in English? Would you like them to experience the most diverse student community of over 100 nations on one campus? Would you like that they take advantage of state-of-the-art labs and flexible course selection? We offer a unique study abroad experience and are glad to assist you with the internationalization of your study programs.

— INTERCULTURAL

Your students will be joining a diverse community of more than 100 nations on one campus and enjoy a unique intercultural semester abroad.

— INTERDISCIPLINARY

Your students will benefit from our interdisciplinary learning environment and wide course selection across majors in engineering and natural science, social sciences, and humanities.

— INDIVIDUALIZED

Your students will be able to choose any course for which they are academically qualified from our study program portfolio and compose their individualized study abroad semester.

— COSTS

The tuition fee is €10,000 per semester. Additional fees include room and board, university fee, and semester ticket for public transport. Tuition waivers are available for exchange partner institutions based on a reciprocal and balanced exchange.

CAMPUS LIFE AND STUDENT SUPPORT

Jacobs University offers a wide range of student services. From the time of arrival in Bremen to the time of departure, study abroad students will be looked after by experienced members of staff including resident mentors and college office teams.

- 34 hectare park-like campus
- Pick-up service for students from local airport or train station
- Extensive orientation program: one week prior to semester start
- Guaranteed housing: single rooms
- 24 hour security, resident mentors, and college office teams
- Information Resource Center hosting classical library and extensive digital resources
- Sports and Convention Center
- Theater space, cinema, music lab, dance room, martial arts room
- Student clubs and activities: debating society, rowing, soccer, basketball and field hockey
- Dining halls, study areas and lounges in every college
- Excellent public transportation
- International city airport

ABOUT JACOBS UNIVERSITY

Jacobs University is a state-recognized, research-oriented, private university in Bremen, Germany. Founded in 2001, Jacobs University attracts highly talented and open-minded students from all over the world: more than 1,400 students from over 100 nations currently live and study on our residential campus. The broad portfolio of undergraduate and graduate programs ranges from natural and social sciences to engineering and economics. The language of instruction is English. Class sizes are small, enabling professors to act as personal mentors and academic advisors to students. Our faculty members address issues from multiple perspectives through their interdisciplinary research and teaching approaches, and students are actively involved in research from their first year of study. Over the last decade, Jacobs University has consistently achieved top marks according to Germany's most comprehensive and detailed university ranking by the Center for Higher Education. In addition, Jacobs University was ranked one of the top 300 universities worldwide and most international university in Germany in the Times Higher Education World University Rankings 2019.
