TOULOUSE, FRANCE

The southern France city of Toulouse is a study in contrasts. Ochre rooftops and blushing brick churches earned Toulouse the nickname 'La Ville Rose' (the pink city). Its enchanting Vieux Quartier (Old Quarter) is a dreamy jumble of coral-coloured shopfronts and churches. Beyond the old town, Toulouse sprawls into France's fourth-largest metropolis. It's an animated, hectic place, but Toulouse – nestled between a bend in the Garonne River and the mighty Canal du Midi – is invigorated by its waterways.

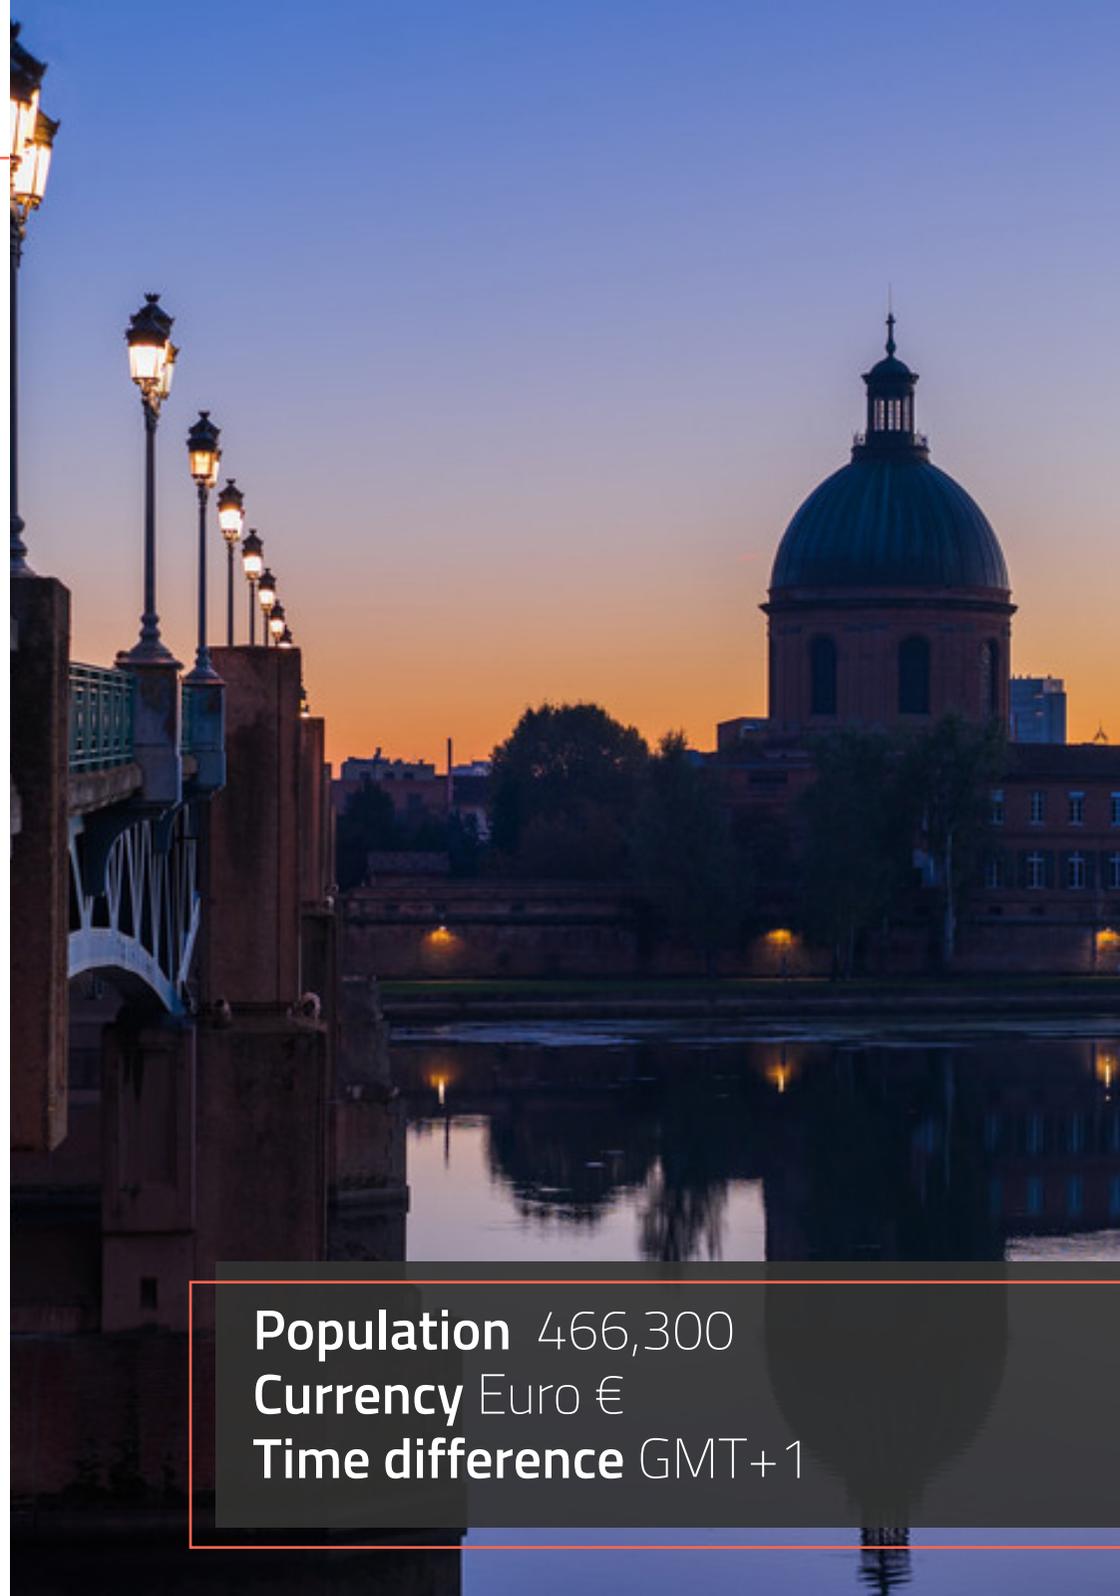

Toulouse has one of the largest universities outside Paris: at its core this southwestern French city is home to students and scientists. French aeronautical history continues to be innovated in the Airbus factory outside town. But Toulouse knows how to have a good time, whether in teeming food markets, salons de thé or the thick of its smouldering jazz, techno and rock scenes. From the tips of dusky pink spires to its loudest bars, time spent in Toulouse truly has a rose-tinted sheen.

Toulouse, capital of France's southern Occitanie region, is bisected by the Garonne River and sits near the Spanish border. It's known as La Ville Rose ('The Pink City') due to the terra-cotta bricks used in many of its buildings. Its 17th-century Canal du Midi links the Garonne to the Mediterranean Sea, and can be traveled by boat, bike or on foot.

UNIVERSITY OF TOULOUSE - JEAN JAURÈS

Université de Toulouse Jean Jaurès

Founded in 1229, the University of Toulouse-Jean Jaurès has a long-standing tradition of humanities studies. UT2J offers degrees in a broad variety of disciplines, from the undergraduate level to the doctorate. In 1808, the institution becomes an imperial University and consists of the Faculties of Catholic and Protestant Theology, the Faculty of Humanities, the Faculty of Law, of Sciences, and a school of Medicine. Reaching its full development in the 20th century, the Faculty of Humanities is transferred in 1968 from the centre of Toulouse to its current location, the newly-built Mirail district which gave its name to the campus.

Our main campus is located in Toulouse, 15 minutes from the city centre by metro. The University also has several smaller campuses in nine cities of the Midi-Pyrenees region, as well as other campuses around the world.

The involvement and the commitment of our student body, faculty and staff along with our high standard of education have established the University Toulouse-Jean Jaurès as one of the best universities in France and a leading academic institution in research and education.

The University of Toulouse-Jean Jaurès has many strong points from an international perspective, which the University should better communicate to international audiences through high-quality networks on a global level.
