UNIVERSITÉ BESANÇON (FRANCHE-COMTÉ)

CLA

CENTRE DE LINGUISTIQUE APPLIQUÉE

The Center for applied Linguistics is part of the University of Franche-Comté which has been specialized in language teaching since 1958. The center was one of the very first in France to develop a method using the target language for teaching and learning, based on research on applied linguistics. Nowadays, it is a renowned institution thanks to the Label Qualité FLE as the French government awarded the CLA with the highest grade for the third consecutive time. About 5000 learners from all over the world benefit from high-quality training at the CLA every year.

◆ MAIN PROGRAMMES OF STUDY
