## WELCOME FROM THE CHANCELLOR

As the Chancellor of Sharda University, I have both the opportunity to provide forward-looking leadership and to ensure that Sharda becomes a model of excellence in education for the country in the years to come.

If I had to state what differentiates Sharda University, I would without a doubt say that it is how we bring together incredibly diverse groups of students from more than 74+ countries and global faculty in an intensive learning experience. Moreover, Sharda gleans great advantage from its valuable industry network, which equips our students with essential knowledge and skills to excel in today's highly competitive world.

Although we offer over 180 programs in a variety of academic disciplines, our goal is your career success. All of our programs focus on professional fields with strong current and future prospects to provide a degree that works for you. And, we surround you with a supportive and helpful academic community to encourage your personal growth and success.

I welcome you to be a part of this amazing experience!

**Mr. Pradeep Kumar Gupta**  
Chancellor, Sharda University  
Chairman, SGI (Sharda Group of Institutions)

# INDIA HOME OF WORLD-CLASS EDUCATION

You have finally decided to study in India! You are about to start your journey in one of the most culturally-rich countries in the world. Mark Twain once said, "India is the cradle of the human race, the birthplace of human speech, the mother of history, the grandmother of legend and the great-grandmother of tradition." And what he said is quite true. India is known as the communication hub and is highly popular with international students across the globe.

The education industry in India is estimated to reach US\$ 144 billion by 2020.

India has one of the largest higher education systems in the world.

The living cost in India, as compared to many of the countries with high standards of living, is very reasonable.

The Indian degrees are recognized all across the world for their quality.

India is known for its outstanding quality education at the most affordable cost.

India is the originator of world's first ever Universities- TAKSHILA, NALANDA & KANCHIPURAM, ZERO (Numerical Digit), Algebra etc.

By 2030, globally, 1 out of 4 graduates will be a product of Indian Education System.

Academic achievements are coupled with moral ethical enrichment of a student's personality.

## GREATER NOIDA HUB OF WORLD-CLASS EDUCATION

Situated adjacent to New Delhi, Greater Noida is one of the fastest developing educational hubs. Home to some of the leading universities in India, Greater Noida sees lots of international students pursuing their career dreams.

India's first ISO 9000-2000 certified city, Greater Noida is amongst the cleanest, greenest and most well planned cities of India. Greater Noida is amongst the selected cities of the world, chosen for F1 Grand Prix Race.

Sharda University campus at Knowledge Park III is the largest in Greater Noida & the entire NCR.

# SHARDA UNIVERSITY

Sharda University has over the years become one of the leading centres of education, research and innovation in Delhi NCR region. Established through an act of State Legislature of Uttar Pradesh (14 of 2009), Sharda University offers over 180 UGC recognised degrees in various disciplines. It's a part of the renowned Sharda Group with operations in areas like Education, Healthcare and IT.

Testimony to Sharda's quest for world-class education are the various prestigious accolades and rankings. Recently, Sharda University was awarded best private global university of the year by National Education Excellence Award 2017. ASSOCHAM has also awarded Sharda University with excellence in the field of education in 2016. Sharda's moment of excellence reached its zenith when it was awarded Asia's most promising education brand by ECRC, Dubai.

Being the only global university in India with students from 74+ countries, and academic partnerships with 110+ universities across the world – the USA, the UK, Italy, Canada, Russia, Slovenia, et al, the University offers a truly international learning environment. That's why it says, "The World is Here, Where are You?"
