BAU Advantage!*

# About **BAU**

Bay Atlantic University (BAU) is a Washington DC based private, non-profit University that offers the very best in higher education programs at its centrally located campus, just a short walk from the White House. BAU is approved to offer all GI Bill® educational benefits by the District of Columbia Higher Education Licensure Commission (HELC) serving as the State Approving Agency and the Department of Veterans Affairs.

Bay Atlantic University is a New Generation university where education has no borders.

**Being a New Generation university means:**

**We are Boutique:** You will not take classes in large auditoriums where you will be one of hundreds of faces. You will be individually followed and supported by your professors. Your needs and academic potential will always be a priority for all your professors.

**We are Dynamic:** You will receive the most up-to-date and truly relevant study material because we can respond to the professional and business world's rapidly changing needs, as opposed to larger universities that are not flexible enough to be proactive regarding market place changes.

**We are Central:** You will take classes on our campus located in the heart of Washington, D.C., the capital of the United States, and one of the most important cities in the world. Indeed, BAU is located just a block from the White House.

**We are Global:** You will be in an international environment, with the unique chance to make new friends with other students from all over the world. If you so choose, you can also arrange to study at any one of the BAU Global network campuses for one semester.

**We are Connected:** You will be working with professors who hold or have held high-level positions at major US Government institutions such as the Department of Transportation, USAID, and multilateral institutions such as the World Bank, the IMF, and many others.

**We are Proactive:** You will be able to attend frequent panel discussions about international and domestic issues on campus hosted by a premier Washington, DC think-tank: the Global Policy Institute, GPI. Attendance to all GPI events is free for all BAU students. [www.globalpi.org](http://www.globalpi.org)

# BAU Welcomes Active-Duty, Veterans, Spouses & Dependents

VA pays benefits to eligible Service members and Veterans pursuing an approved education or training program. Eligible Service members may transfer unused Post-9/11 GI Bill® benefits to an eligible spouse or child. Information about VA education programs can be found at [www.gibill.va.gov](http://www.gibill.va.gov).

## STUDENT HOUSING:

Our affiliated dormitory, Island Condos, is located in a vibrant and upcoming district. There are many shopping areas, restaurants, and cafes - all within walking distance. The neighborhood is surrounded by public basketball and tennis courts, skate parks, and recreational parks. A BAU bus provides regular shuttle service between Island Condos and the university campus.

To reserve a room or for additional information, please visit [www.islandcondosusa.com](http://www.islandcondosusa.com) or email [assistant@islandcondosusa.com](mailto:assistant@islandcondosusa.com)

## BAUWORKS:

Right on the school premises, we have **BAUWorks**, a unique venue for new enterprises focused on growth and expansion. This means that all our students - including U.S. Veterans enrolled in our programs - can gain valuable professional skills via internship opportunities.

## PARTNERSHIPS:

We have an ongoing successful partnership with the Resident Owned Business Incubator (ROBI), a proven, carefully designed program aimed at providing customized training for would-be entrepreneurs.

Be an Innovator,  
Be a Leader,  
*at BAU!*

## TUITION

At Bay Atlantic University, we believe in helping students plan for their financial futures. Therefore, we established a Guaranteed Tuition Policy: whatever the tuition is when you enroll for classes, we guarantee that your tuition rates will remain constant throughout your anticipated period of study.
