WHY CHOOSE TAFE NSW?

GET THE JOB YOU WANT

With our diverse range of courses, strong industry connections and approaches to learning that suit all needs, we will help you get the job you want.

YOU COME FIRST

TAFE NSW has been evolving and adapting to the community's training and education needs for over 130 years. We exist to create stand-out learner experiences and provide quality and personalised services to allow you to achieve your goals.

YOU ARE AN INDIVIDUAL

You're never just a number at TAFE NSW. Our small class sizes, student services and social facilities create an incredibly strong support network. We will always ensure you receive expert support in your area of interest.

QUALITY EDUCATION

We partner with employers to provide mentorships, internships, work placements and real world learning. Whatever your course, you will develop current, practical skills through both real and simulated work environments.

STRONG INDUSTRY CONNECTIONS

Our ambition is to help you with your career goals. With hundreds of partner organisations, and relationships with over 25,000 employers, we offer up-to-date industry insights and prime networking opportunities to help you develop relationships with industry. You will also discover an invaluable professional network among your teachers and fellow students.

EXCELLENT REPUTATION

Our teachers are experts. They have worked in their industry and are passionate about their field. We know they are the best at what they do, because that's what our graduates tell us. Teachers combine their expertise with a friendly, relaxed and supportive approach, so you can enjoy a comprehensive learning experience.

6 REASONS TO CHOOSE TAFE NSW

- **BE JOB READY**
Gain real world skills and work experience.
- **BE EMPLOYED FASTER**
We have over 25,000 employer connections.
- **BE SMART WITH YOUR MONEY**
Take advantage of our affordable courses subsidised by government funding (subject to eligibility).
- **BE IN CONTROL**
Flexible study options available to suit your needs: online, at one of our 130 NSW locations, or in the workplace.
- **BE CONNECTED**
We offer direct pathways to university and further study.
- **BE WHATEVER YOU WANT TO BE**
Choose from over 1,200 courses, including Diplomas and Degrees.

SAFE PLACES FOR LEARNING AND GROWTH

You will find vibrant study spaces as well as places and opportunities to network, socialise and just chill out. These include cafés, gyms, bookshops, galleries and exhibition spaces, as well as areas for student bands, barbeques and theatre performances. You may even get discounts in our student training restaurants, hair and beauty salons and massage clinics.

DELIVERING COURSES ACROSS

60+ CAREER AREAS
THROUGH A NETWORK OF
130 LOCATIONS + TAFE DIGITAL

STUDENT ASSOCIATION

Make friends and find support as a member of a TAFE NSW Student Association.

You may receive fantastic benefits including access to employment services, discounts on textbooks, cinema tickets, parking, photocopying and printing. You will also find special offers at local restaurants and retailers.

Membership is open to all TAFE NSW students and staff. Visit a TAFE NSW Student Association to join.

LIBRARIES

Gain access to our state-wide network of libraries. Professional library staff are available for one-on-one help with your assignment requirements, including research, referencing and bibliography creation. You will also have access to free wi-fi, computers and software, individual and group study areas, as well as discounted photocopying and printing services.

ONLINE 24/7

Our online libraries are available to TAFE NSW students 24/7. Simply login to access everything, from journals to tutorials to 'ask a librarian.'

CHILDCARE CENTRES

Excellent childcare facilities are provided at some TAFE NSW locations. Places may be available for children under the age of six.

PATHWAYS TO SUCCESS

CAREER FOCUSED TAFE NSW DEGREES

Developed in conjunction with industry, TAFE NSW Degrees empower you with the knowledge needed to succeed in the world of tomorrow. You'll learn new skills in a professional context and in real world settings that mirror industry practices.

REAL WORLD EXPERIENCE – career-focused and practical, our Degrees include internships and work placements to enhance your employability.

MAKE CONNECTIONS – get a head start with our strong industry ties and job placement solutions.

SMALL CLASSES – enjoy small class sizes that allow for individual attention and group support.

EARLY ENTRY PROGRAM – you can receive a conditional Degree offer before you complete your HSC.

Find out more at [tafensw.edu.au/degrees](https://www.tafensw.edu.au/degrees)

SHORT COURSES

TAFE NSW has over 500 short courses that can be completed in just days or weeks, offering practical skills and experiences across all industries. Gain the confidence to immediately apply new skills in your career and be whatever you want to be – faster.

Find out more at [tafensw.edu.au/short-courses](https://www.tafensw.edu.au/short-courses)

TAFE NSW AT SCHOOL

The TAFE NSW-delivered Vocational Education and Training program (TVET) allows Year 11 and 12 students to complete practical, work-related units from TAFE NSW courses as part of their Higher School Certificate (HSC). Options also include part-time School Based Apprenticeships and Traineeships (SBAT). TVET and SBAT courses may contribute to both your HSC and ATAR.

You can gain credit towards a qualification, recognised by employers and vocational education and training providers everywhere.

Find out more at [tafensw.edu.au/tvet](https://www.tafensw.edu.au/tvet)

APPRENTICESHIPS AND TRAINEESHIPS

Apprenticeships and traineeships allow you to combine on-the-job training with structured study and skills development at TAFE NSW. You learn and work towards a nationally recognised qualification while employed in the industry.

Apprenticeships and traineeships are available at certificate levels across more than 500 occupations, and range from traditional trades to sectors such as Business Administration and Real Estate. They are flexible and can be full-time, part-time or school-based.

We also offer a range of pre-apprenticeship and pre-traineeship courses to provide you with an introduction to the industry, along with basic skills and experience that will boost your career.

Find out more at [tafensw.edu.au/careers](https://www.tafensw.edu.au/careers)

TAFE DIGITAL

TAFE Digital is the largest online education provider in Australia. As part of TAFE NSW, we offer flexible online study options to over 50,000 students in over 250 courses. Our courses are facilitated by dedicated, industry-experienced teachers who will support you in your learning journey, from start to finish.

The TAFE Digital Lab, which supports our innovative programs, tests the latest in multimedia and emerging technologies, including augmented, virtual, and mixed reality and simulation exercises. We apply these technologies in new course development, so you can practice hands-on skills digitally.

Find out more at [tafensw.edu.au/digital](https://www.tafensw.edu.au/digital)

TAFE NSW PATHWAYS

While you might choose to study a TAFE NSW degree, there is also a range of university pathway options available to you. We can also help you work towards achieving the academic entry requirements for your course and prepare you for university.

If you are a current university student, we also offer flexible study options to help you gain the practical skills and experience that employers are looking for.

STUDENT SUPPORT SERVICES

ABORIGINAL STUDENT SUPPORT SERVICES

TAFE NSW provides a range of support services to assist you. Aboriginal staff can assist you with everything from enrolment to course selection. We can also give advice on applying for fee exemptions and scholarships, as well as provide mentoring to support you throughout your TAFE NSW journey.

DISABILITY SERVICES

TAFE NSW Disabilities Services ensures that students with a disability have access, support and equal opportunities while studying. Disabilities Services has Teacher Disability Consultants who may provide reasonable adjustment based on your individual needs and the course in which you are enrolled. Teacher Disability Consultants can also help with assistive and adaptive technology needs.

COUNSELLING AND CAREER DEVELOPMENT SERVICES

TAFE NSW students are able to meet with a counsellor to discuss course choices, career planning, getting the best from your course and study support. A counsellor may also assist with wellbeing concerns, or can refer you to other legal, health or financial services.

For more details visit [tafensw.edu.au/support](https://www.tafensw.edu.au/support)

LEARNING SUPPORT

TAFE NSW provides valuable learner support at our 'drop-in' or flexible learning centres, in small groups or one-to-one. Call 131 601 to find out what study support services are available at your location.

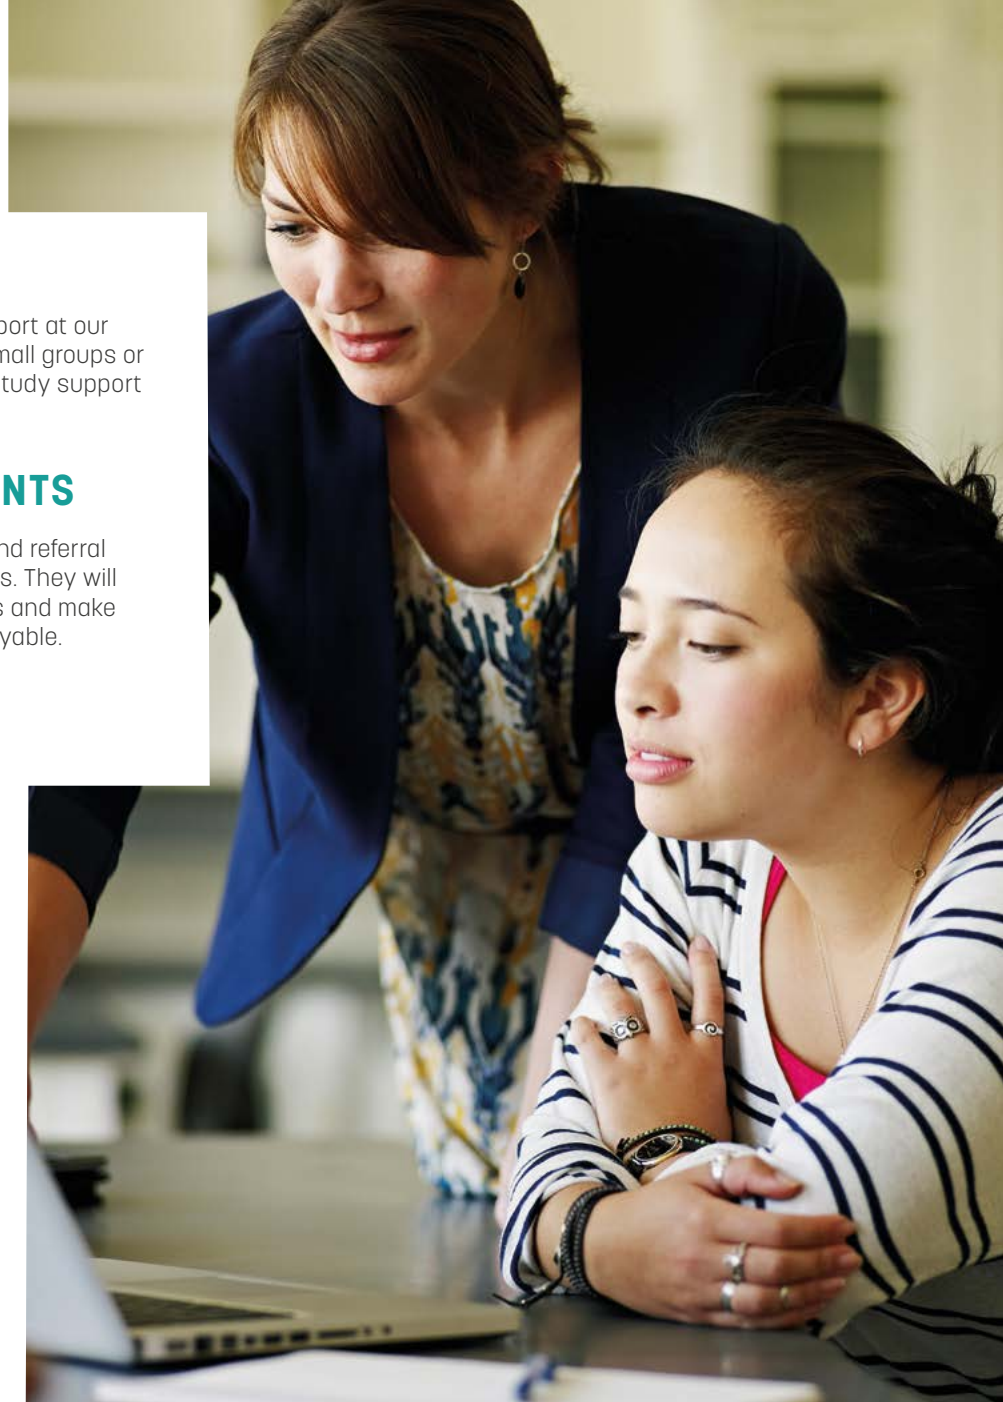

INTERNATIONAL STUDENTS

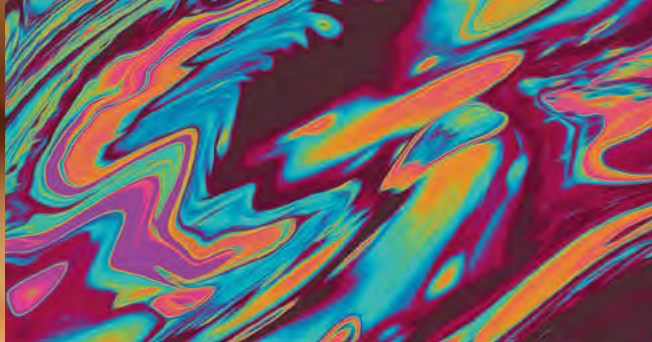

Coordinators can offer advice, support and referral services to assist you during your studies. They will help you to achieve your education goals and make your time in Australia rewarding and enjoyable.

Download our International Guide at [tafensw.edu.au/international](https://www.tafensw.edu.au/international)

SCHOLARSHIPS

TAFE NSW works with government, non-government and industry partners to develop and deliver scholarships for students who are experiencing financial, social or other barriers to study. For more information, visit [tafensw.edu.au/scholarships](https://www.tafensw.edu.au/scholarships)

TAFE NSW SPECIALIST SCHOOLS

**BE ASTONISHING.

TAFE NSW DESIGN CENTRE ENMORE

Hone your creativity and harness inspiration at the award-winning TAFE NSW Design Centre Enmore (DCE). Established in 1994, DCE is one of Australia's leading design schools, producing some extraordinary Australian and international creative talent, including:

- Greg Natale (Greg Natale Design)
- Steve Cordony (Interior Stylist)
- Albert Nguyen (Industrial designer, SGR Audio and General Motors), and
- Ned Walker (Animal Logic Lead Layout Artist, 'The LEGO Movie Sequel', 'LEGO Ninjago', 'Peter Rabbit')

The facilities at DCE are state-of-the-art and include purpose built exhibition spaces, studios and professional workshops staffed by creative professionals with current industry experience and contacts.

Awarded the 'Large Training Provider of the Year' at the prestigious 2018 NSW Training Awards, DCE offers courses in Entertainment and Production Design, Industrial Design, Jewellery Design and Manufacture, Design and Illustration, 3D Animation and Concept Art.

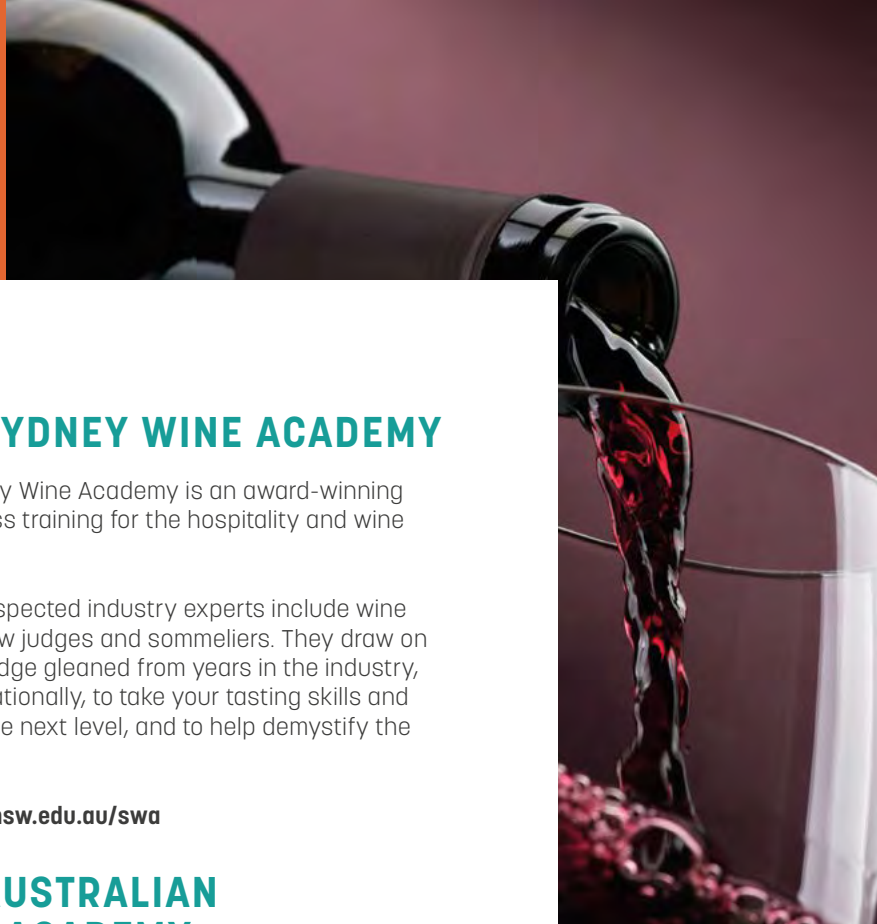

If you're ready to explore and inspire your creative side, then you're ready to enrol at DCE.

Find out more at tafensw.edu.au/dce

If you're not located near our Specialist Schools, we offer similar courses at other TAFE NSW locations.

TAFE NSW FASHION DESIGN STUDIO

If you love fashion, following (and setting) trends and enjoy working in a creative environment, TAFE NSW Fashion Design Studio (FDS) can turn your passion into a successful career with a range of exciting fashion, design and technology courses.

Recognised as a fashion school of excellence, FDS is consistently ranked in the top 20 fashion design schools worldwide* and has an alumni that reads like a 'who's who' of Australian fashion.

FDS is the only fashion school in Australia to secure a placement at Mercedes-Benz Fashion Week Australia (Australia's premier fashion and lifestyle event), with the Innovators Showcase - featuring the top seven FDS students showing their creations - treated by industry as one of the highlights of Fashion Week.

If you want a career in the exciting, fast-paced world of fashion, FDS gives you the skills, experience and exposure you need to be a cut above.

AUTOMOTIVE TRADES AND SERVICES

Advances in technology and changing trends are hallmarks of the automotive industry. For the workforce, that means learning new and exciting skills. With 18 million cars on Australian roads and the addition of almost half a million extra vehicles a year, the automotive industry is really revving up.

Whether it's repairing, tuning, selling, painting or trimming, TAFE NSW is the place to get your automotive career moving. People passionate about the automotive industry enrol in courses with TAFE NSW each year because they know that employers trust our training and employ our graduates. We offer nationally recognised qualifications for every stage of your automotive career, whether you're starting as an apprentice or you're an industry veteran. We're passionate about quality, hands-on training and want to help you be your best.

WHY CHOOSE TAFE NSW?

Strong industry connections. Strong and dynamic links to leading organisations such as MTA-NSW, IAME, GMH, Toyota, Cummins, John Deere, Harley-Davidson Australia, I-Car and Yamaha.

Opens career doors. From introductory programs to school-based apprenticeships and advanced trade qualifications, our programs are all designed to improve your career.

Choice of programs. Explore your passion for all things automotive, from systems diagnostics and performance enhancement to customised paint refinishing and more.

State-of-the-art facilities. Our purpose-built facilities are designed in consultation with the automotive industry so you are job ready and using the latest technology and equipment.

Quality teachers. Experts in the automotive field, our teachers have a passion for delivering training to enhance your career.

BUILDING, CONSTRUCTION AND PROPERTY

More than half the world's population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

TAFE NSW is one of Australia's largest providers of skilled-trade training, with thousands of employers choosing us to train their staff each year. We're passionate about quality, hands-on training and want to help you reach your career ambitions. There are countless career options within Building, Construction and Property. Choose from a variety of trades and disciplines and start at a level to suit you, whether you are looking for an apprenticeship, are currently employed or looking to make a career change. A career in this area gives you the chance to design, innovate and create, using your skills to help build and shape Australia's future.

JOB OPPORTUNITIES

This area has
STRONG GROWTH
projected over the
next five years.

Source: joboutlook.gov.au

WHY CHOOSE TAFE NSW?

Recognised and respected. TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally recognised qualifications for over 130 years.

State-of-the-art facilities. Purpose-built facilities designed to train you in real world, all-weather settings. Specialist centres include stonemasonry, carpentry and joinery, glass and glazing.

Quality teachers. Experts in the Building, Construction and Property sectors, our teachers maintain dynamic relationships with industry and industry bodies.

Strong industry connections. Partnerships with major projects such as Barangaroo Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association and Australian Property Institute.

Opens career doors. We ensure our graduates are industry-ready with qualifications aligned to NSW Fair Trading licensing and registration requirements and our work placements often lead students into full-time work.

AT A GLANCE

We offer over 100 courses across the building design, construction and property industries.

STUDY AREAS

Building Design and Architecture

Building Trades

Carpentry, Joinery and Furniture

Civil Construction and Surveying

Property Services

BUILDING DESIGN AND ARCHITECTURE

From dreaming big to seeing the final brick laid, studying a TAFE NSW course in Building Design and Architecture can lead to an exciting and rewarding career working on infrastructure projects, commercial and industrial buildings, or someone's dream home. Building designers work with architects and engineers to develop working

drawings and building plans for new constructions and renovations. Our courses can provide pathways to further study at university that will enable you to become an architect, or to go on to study a TAFE NSW Bachelor of Design (Interior Design).

BUILDING, CONSTRUCTION AND PROPERTY

"You learn a lot on the job but you also learn a lot at TAFE NSW. The basics underpin the skills and know-how to ensure you're able to communicate with other tradesmen and implement what you have learnt from TAFE NSW on the job."

JIM, TAFE NSW BUILDING AND CARPENTRY GRADUATE AND OWNER OF 'QUALITY COUNTRY HOMES'

IS IT RIGHT FOR YOU?

- Are you creative and imaginative?
- Do you have an interest in design and the built environment?
- Are you a keen problem solver?
- Are you good at time management?
- Do you enjoy variety?

COURSES WE OFFER INCLUDE:

- Building Design
- Building Surveying
- Interior Design
- Surveying

MARK, CERTIFICATE IV
IN BUILDING AND CONSTRUCTION
(SITE MANAGEMENT)

BUILDING TRADES

With the current shortage of qualified tradespeople throughout Australia, there has never been a better time to get yourself a trade. A qualification in building will help you develop the skills and knowledge to manage building projects, including selecting contractors,

contract management, overseeing work quality and liaising with clients. Learning a trade and earning your trade contractor’s licence can give you the freedom to set up your own business, or lead to a career in project management.

IS IT RIGHT FOR YOU?

- Are you good at planning and organising?
- Do you love manual work?
- Are you able to interpret plans?
- Do you enjoy technical activities?
- Do you have good communications skills?
- Have good hand-eye coordination?
- Is variety something you value?

Licensed Carpenter or Bricklayer

Certificate IV in Building and Construction (Building) (CPC40110)

Building or Construction Manager or Licensed Builder[^]

TAFE NSW Bachelor of Business (HE20514)

Take your career to a higher level. This Degree allows you to finetune commerce and management skills to your sector.

CARPENTRY, JOINERY AND FURNITURE

If you like working with your hands and enjoy the satisfaction of creating something from scratch, a career in carpentry is a perfect fit. Our courses will teach you everything you need to know: from how to read plans and specifications to how to use hand and power tools, select the correct materials, then

construct and install the finished piece. Completion of a qualification in this field may satisfy the educational requirements of the Office of Fair Trading for a carpentry trade contractor's licence. You'll be in the best position to construct an amazing career.

IS IT RIGHT FOR YOU?

- Are you interested in practical work?
- Are you creative and have attention to detail?
- Can you make quick and accurate calculations and solve problems?
- Are you safety conscious?
- Are you physically fit and have good mobility?

ENGINEERING AND ELECTROTECHNOLOGY

Sustainability, innovation, skills shortages, robotics, the digital age - there has never been a more exciting time to work in Engineering and Electrotechnology. It's a sector that's always advancing, so take the opportunity to build a brighter future for yourself and the planet.

You'll learn on specialist simulators, industry-standard software and a range of renewable-energy training facilities. You might even work on our mini-hydroelectric system or wind powered generator. Our learning environments are as industry-realistic as possible. TAFE NSW study can lead you to a wide range of industries including aviation, construction, manufacturing or robotics. Whatever you do, you'll be hands-on as you work with different technologies, experiencing different challenges and rewards everyday.

WHY CHOOSE TAFE NSW?

Strong industry connections. Associate membership of Engineers Australia may be available to Advanced Diploma graduates who complete work experience. Evolving industry partnerships always keeps our training relevant and up-to-date.

Job-ready and sustainable focus. From sustainable technologies to communication and CAD skills, your learning is always focused on what is needed in tomorrow's workplace.

Pathways to degrees. Your Diploma or Advanced Diploma may be recognised as credit towards a Bachelor of Engineering.

Study an associate degree. Study the TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies) and become a renewable energy specialist.

State-of-the-art facilities. Our workshops and studios are set up just like you'll find in your career, with fabrication workshops, CAD studios, 3D printers and fully equipped labs.

GROWING INDUSTRY

Electronics and Electrotechnology industry revenue is expanding and will reach over

\$2.5 BILLION

over the next few years.

ELECTROTECHNOLOGY

Electrical trades and electronics influence almost every aspect of daily life. The digital age is creating an unprecedented demand for electricians specialising in telecommunications, instrumentation, security and electronic control systems, and information technology.

Studying at TAFE NSW means you'll always work closely with technology to maintain, repair and create custom solutions. You can even connect your studies to a Degree or study the TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies).

ENGINEERING AND ELECTROTECHNOLOGY

"My TAFE NSW training has been the cornerstone to gaining a job and embarking on a rewarding and successful career path in sheetmetal manufacturing."

MICHAEL, CERTIFICATE III IN ENGINEERING (LIGHT FABRICATION)

IS IT RIGHT FOR YOU?

- Do you enjoy getting technical?
- Do you like detailed work and using your hands?
- Do you want to maintain, repair and create custom solutions?
- Are you good at maths?

COURSES WE OFFER INCLUDE:

- Instrumentation
- Electrical Fitting
- Electrical trades
- Electronics
- Power Systems

CAREER OPPORTUNITIES

- Electrician (Licensed)
- Instrumentation and Control Technician
- Electronics and Communications Technician
- Electrical Fitter
- Machine Repair Tradesperson
- Switchgear and Control Gear Tradesperson
- Security System Installer

BASIC SKILLS TO TOPNOTCH CAREERS

Certificate III in Electrotechnology Electrician (available as an apprenticeship) (UEE30811)

A career as an Electrician or Electrical Mechanic

Diploma of Electrical Engineering (UEE50411)

Engineering Technologist or a range of related electrical engineering careers

TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies) (HE20502)

Specialist and Engineer careers in renewable and sustainable energy

TAFE NSW Bachelor of Business (HE20514)

Take your career to a higher level. This Degree allows you to finetune commerce and management skills to your sector.

ENGINEERING

WELL-PAID JOB

An average weekly wage for a full-time Engineering Manager is

\$2,355

Source: joboutlook.gov.au

If you enjoy creative solutions, solving problems and working with machines and technology, then engineering and mechanical engineering could be for you. With developments in robotics and mechanical technologies, now is the time to get up-skilled for the future. Opportunities are opening up across industries, from healthcare to construction. Build your career while helping to build a sustainable future.

“The teachers are incredibly knowledgeable about industry, are supportive and ready to explain and answer questions at any time. This makes me stronger and believe more in what I am doing. I also felt that my knowledge is growing day by day.”

YIN, STRUCTURAL ENGINEERING GRADUATE

IS IT RIGHT FOR YOU?

- Are you curious about how things work?
- Do you enjoy technical and mechanical activities?
- Do you like to look outside the box to find the best solution?
- Do you love gadgets and machines?

COURSES WE OFFER INCLUDE:

- Applied Engineering (Renewable Energy Technologies)
- Engineering - Technical, Drafting
- Engineering (CNC Programming)
- Engineering (Fabrication)
- Engineering (Mechanical)
- Engineering (Fluid Power)

CAREER OPPORTUNITIES

- Engineering Technician
- Mechanical Engineer
- Fabrication Tradesperson
- Fluid Power Systems Engineer
- CNC Machinist
- Renewable Energy Technology Engineer
- Mechanical Fitter

BASIC SKILLS TO TOPNOTCH CAREERS

Certificate III in Engineering - Fabrication Trade (MEM30305) or Certificate III in Engineering - Mechanical Trade (30205)

Boilermaker/Sheetmetal Worker - Shipbuilding, Steel Construction, Mining Defence Manufacturing or Defence Manufacturing, Advanced Manufacturing, Food Industry Equipment Maintenance, Mining Industries

Certificate IV in Engineering - Drafting (MEM40412) or Certificate IV in Engineering (MEM40105)

Engineering Draftsperson, Mechanical Engineering Draftsperson

Diploma of Engineering - Advanced Trade (MEM50105) or Diploma of Engineering - Technical (MEM50212)

Maintenance Technician, Mechanical Engineering Technician, Mechatronics Technician

Advanced Diploma of Engineering (MEM601112)

Renewable/Sustainable Energy Specialist/Engineer

TAFE NSW Bachelor of Business (HE20514)

Take your career to a higher level. This Degree allows you to finetune commerce and management skills to your sector.

AIR-CONDITIONING AND REFRIGERATION

The Heating, Ventilation, Air-Conditioning and Refrigeration Industry (HVAC&R) is growing, driven by population growth, globalisation, consumer trends and climate change. Air-conditioning and refrigeration professionals cover both electrical and mechanical areas, so careers are unique and varied. And with strong wages, interesting work and plenty of opportunity to build a long-term career, it's never been a better time to get into an HVAC&R career.

IS IT RIGHT FOR YOU?

- Do you want a career in an ever-evolving industry?
- Do you want to be part of driving technology?
- Are you keen on a growing industry with an energy focus?

COURSES WE OFFER INCLUDE:

- Refrigeration Engineering
- Project Management
- Air-Conditioning Mechanics
- HVAC&R Design

CAREER OPPORTUNITIES

- Paraprofessional Engineer
- Air-Conditioning System Installer
- Split Air-Conditioning Installer
- Project Manager

BASIC SKILLS TO TOPNOTCH CAREERS

Certificate II in Engineering (MEM20105)

Air-Conditioning Split System Installer (meets licensing requirements)

Certificate III in Air-Conditioning and Refrigeration (UEE32211)

Air-Conditioning and Refrigeration Technician or Tradesperson (meets licensing requirements)

Diploma of Air-Conditioning and Refrigeration Engineering (UEE51211)

Refrigeration and Air-Conditioning Technical Officer

TAFE NSW Bachelor of Business (HE20514)

Take your career to a higher level. This Degree allows you to finetune commerce and management skills to your sector.

HAIRDRESSING AND BEAUTY

If you want a profession where you can help people look and feel their best, as well as gain creative skills you can take anywhere in the world, study Hairdressing and Beauty with TAFE NSW.

Learn from expert, industry-experienced teachers and graduate with confidence, to then build your career as a highly-skilled hair or beauty professional. Whether you have your heart set on working in, or opening your own barber shop or upscale beauty or hair salon, we ensure you learn the latest techniques while gaining practical skills and hands-on experience in our purpose-built learning facilities. TAFE NSW has nationally recognised qualifications for every stage of your career, and we are passionate about delivering quality training that employers trust.

JOB OPPORTUNITIES

Employment for Beauty Therapists is projected to rise to

42,800
by 2023.

Source: nationalindustryinsights.aisc.net.au

WHY CHOOSE TAFE NSW?

Strong industry connections. We work with Trades Recognition Australia (TRA) and Vocational Training and Review Panel (VTRP) in the recognition of international qualifications in Australia, as well as through our partnerships with iconic beauty companies.

Global prospects. Hairdressing and Beauty offers you transferable skills that you can take anywhere in the world.

Real experience for the real world. Train in our specialist hair salons on real clients. You can also build your portfolio and showcase your styles in fashion parades, exhibitions and photo displays.

Opens career doors. Many of our work placements lead students to full-time jobs.

“Winning gold at WorldSkills was super exciting. My teacher encouraged me to go in the competition, and I definitely wouldn’t have done it unless she pushed me the whole way. Later this year I will be going into the international competition.”

INFORMATION AND COMMUNICATIONS TECHNOLOGY

The ever-evolving Information and Communications Technology (ICT) industry continues to be dynamic, progressive and exciting. The need for technical support and creative solutions pave the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries, with specialisations matched to current and developing technologies; from cloud-based technology, mobile and big data analytics to social technologies.

Whether you are interested in a technical support role, the creation of systems and software, cyber-security or the design of games and websites, our digital and IT students graduate with skills that are in high demand in the workforce.

WHY CHOOSE TAFE NSW?

Opens career doors. Learn specialised skills, including the creative thinking and technical knowledge prized by employers.

Strong industry connections. Many networking opportunities with companies such as Cisco, Microsoft, SAP Australia, VMware and EMC.

State-of-the-art facilities. At TAFE NSW, you will go beyond the traditional classroom, and step into an advanced online world of ICT learning.

Hands-on education. High-tech computer laboratories include a pull-apart workshop for hardware testing, networking tasks, and virus research and removal.

Quality teachers. Our teachers are passionate industry insiders, up-to-date with the latest industry technologies.

EMPLOYMENT PROSPECTS

Australia is currently facing a massive shortage of skilled IT specialists, with demand forecast to grow by

**100,000
ROLES**
by 2023.

GROWING INDUSTRY

Over the past five years, Gallery, Library and Museum Technicians job growth has been strong. There will be an estimated

10,000 JOBS

opening over the next five years.

Source: joboutlook.gov.au

LOGISTICS AND WAREHOUSING

Ensuring the right thing is in the right place at the right time is big business. Logistics is an integral part of Australia's supply chain, an important driver of economic growth, employing more than 1.2 million people across warehousing, storage, handling and distribution.

This growth industry continues to respond to the challenges of increased efficiencies in the digital age, powering everything from small business to iconic retailers, large-scale manufacturers and everything in between. Coordinated logistics, supply-chain management and warehousing solutions are integral to any organisation trying to reduce costs and run as efficiently as possible.

Get your career moving with a course in Logistics and Warehousing at TAFE NSW, preparing you for roles in the industry such as logistics manager, operations manager, customs broker, warehouse manager or storeperson.

Because this sector embraces every other sector and organisation, the opportunities are endless.

FULL-TIME OPPORTUNITIES

Supply and Distribution Managers have a very high proportion of full-time jobs.

96%

Source: joboutlook.gov.au

WHY CHOOSE TAFE NSW?

State-of-the-art facilities. Industry-realistic training facilities, such as a simulated warehouse and logistics sites, as well as industry experienced teachers will ensure you have the confidence and skills to be successful in this exciting industry.

Pathways to Degrees. Many higher-level courses offer credit transfer, so you can fast-track your Degree after you finish your course. Some courses can also lead to higher education in international business and management.

Fast-track your career. If you are already working in Logistics and Warehousing and want to build on your career, you can apply for Recognition of Prior Learning (RPL) so you don't have to study what you already know.

Strong industry connections. Networks and job placements lead students into full-time work, meaning you could get a job before you even graduate.

“I always felt motivated, and it was the people who helped me with that. My teachers and fellow students really helped me develop leadership and communications skills.”

SERGEI, DIPLOMA OF LOGISTICS

When you gain the latest, industry-connected skills in Logistics and Warehousing from TAFE NSW, a huge range of career opportunities will open up. As a worker in this crucial link industry, you will become an integral part of the storage, transportation and exchange of goods that occurs in just about every organisation.

Designed and delivered in partnership with the Logistics and Warehousing industry, our courses ensure your career is in the best possible hands.

BE SKILLED WITH SHORT COURSES

We have a huge range of short courses, including Statements of Attainment, that can give you everything from basic foundations to advanced specialised career skills. These are always being developed and updated, so explore TAFENSW.EDU.AU/SHORT for the latest.

PREPARATION FOR WORK AND FURTHER STUDY

TAFE NSW has a range of courses and supportive learning environments that will help you make the most of career or study opportunities.

Do you need help with reading, writing and maths? Our courses will help you increase your skills, build your confidence and achieve your goals. Courses range from basic language, literacy and maths skills through to more advanced skills. TAFE NSW offers you a supportive environment that will help you create a brighter future.

“We’re constantly keeping on top of changing technology, and the benchmark for what people have to know and be able to do to get into the workforce has lifted. We need to prepare students for what they will face out in the job market, so when expectations are raised by employers, we meet and exceed those expectations.”

LYN WILSON, HEAD TEACHER

AT A GLANCE

STUDY AREAS

English Language

Literacy and Numeracy

HSC and Further Study

Career Preparation and Employability Skills

WHY CHOOSE TAFE NSW?

Quality teachers. Our passionate and dedicated teachers use a personalised approach to education that will boost your skills, knowledge and confidence. Student Support Services are also provided.

Strong industry connections. With over 25,000 industry connections and the latest industry standard technologies, TAFE NSW courses offer you real-world, hands-on skills.

Global opportunities. TAFE NSW offers a range of internationally recognised, practical and niche qualifications including Associate, Graduate Certificates and Bachelor Degrees.

Study to suit you. Our courses are delivered full-time and part-time, with options to study in the classroom, online or blended.

ENGLISH LANGUAGE, LITERACY AND NUMERACY

TAFE NSW has a range of courses to help you improve your English language, literacy and numeracy skills. Whether you are just starting out or you are looking to expand your literacy and numeracy skills for further

study or employment, TAFE NSW has a range of courses that will increase your confidence and get you where you want to be.

IS IT RIGHT FOR YOU?

- Do you want to improve your English language skills?
- Do you want to improve your literacy and numeracy?
- Do you need help with English speaking, listening, reading or writing skills?
- Do you want to get a better job, a new job or study at university?
- Do you need to practice English?

COURSES WE OFFER INCLUDE:

- English for Further Study
- English for Speakers of Other Languages

COURSE OUTCOMES

- Build language skills, knowledge and confidence
- Develop transferable communication skills
- Increase your employability
- Be prepared for further study and employment
