# Welcome to The University of Notre Dame Australia's International Guide

**“We aim to educate you for life beyond Notre Dame through our Core Curriculum, providing the fundamentals of critical thinking that equip you for the challenges of today’s uncertain future.”**

Over the next few months you will be making a big decision: choosing a university that will prepare you for a rich and fulfilling life and career. To help you make that choice, the pages of this Guide will let you explore campus life at Notre Dame and provide an insight into our unique approach to university education, and the wide range of programs we offer.

Notre Dame is a unique national university, extending coast to coast from the beautiful city of Fremantle, just 20 minutes south of Perth, Broome in the Kimberley Region to the exciting city of Sydney in the East. We draw on centuries of teaching, research and scholarships, the foundations of which we share with over 2,000 Catholic universities and colleges across the world. We welcome students of all faiths, or no faith at all.

Notre Dame’s holistic approach to education is designed to develop you both academically and personally. This underscores the reason why **our overall quality of educational experience is among the very best in Australia** and is top-rated in both Perth and Sydney.

Your Notre Dame journey starts with our admissions process, which focusses on you as an individual. We take into account not just your academic record, but also your potential and capacity to complete your chosen degree. Unique too are the levels of pastoral care you will receive at Notre Dame. Our academics, lecturers and professional staff ensure you get the individual support and guidance that you need. Most importantly, we aim to educate you for life beyond university through our Core Curriculum, providing the fundamentals of critical thinking that equip you for the challenges of our uncertain future.

Finally, if after studying our Guide you have any questions, our team will be happy to answer them. Please don’t hesitate to contact us. I look forward to welcoming you to Notre Dame.

**Professor Francis Campbell**  
Vice Chancellor from 2020

**THE OBJECTS OF THE UNIVERSITY OF NOTRE DAME AUSTRALIA ARE:**

- a) the provision of university education within a context of Catholic faith and values; and
- b) the provision of an excellent standard of –
  - i) teaching, scholarship and research;
  - ii) training for the professions; and
  - iii) pastoral care for its students.

**ACKNOWLEDGMENT OF COUNTRY**

The University of Notre Dame Australia is proud to acknowledge the traditional owners and custodians of this land upon which our University sits. The University acknowledges that the Fremantle Campus is located on Wadjuk Country, the Broome Campus on Yawuru Country and the Sydney Campus on Cadigal Country.

UP THERE, DOWN UNDER

## **We're up there with the best universities in Australia.**

As the **top university in Perth and Sydney** for Learner Engagement, Skills Development, Skills Scale and Graduate Employability\*, Notre Dame trains you in critical thinking so you can question answers and challenge assumptions, no matter your degree. With cosmopolitan campuses in Perth and Sydney, we provide personalised attention in smaller classes to support you throughout your time with us.

\*Australian Federal Government's Quality Indicators for Learning & Teaching – [qilt.edu.au](http://qilt.edu.au).

**Notre Dame Australia. Natural critical thinkers.**

# Critical thinking future-proofs graduates. The new breed of innovators and trailblazers.

## **FIVE BENEFITS OF BEING A CRITICAL THINKER**

The time has to come to make some big decisions. Which university will I choose? Which program will I study? What's the right direction for me? The world we live in is changing rapidly so the education you choose is more critical than ever. **You no longer just need to learn skills—you need to learn how to learn—to have any chance of staying relevant in this age of unprecedented and continuous change.** At Notre Dame, no matter which degree you choose, we'll equip you with the fundamentals of critical thinking through the Core Curriculum, so you'll be sure to stand out in your profession.

## **SOLVE PROBLEMS. CRITICALLY AND CREATIVELY**

At Notre Dame, our Core Curriculum will provide you with the fundamentals of critical thinking. Studying Core units of Philosophy, Theology and Ethics equips you with the skills to solve problems objectively and rationally. You'll learn to consider justice and the rights of others—to explore other views before arriving at your own—and apply this thinking to your field of study.

## **CRITICAL THINKER. FOR LIFE**

Critical thinking is not a short-term skill. It will always remain relevant. It cannot be replaced by technology. When you spend time developing your ability to reflect and reason, it stays with you throughout your entire academic and professional career. Knowing how to think critically, creatively and compassionately are skills employers value.

## **ASK THE RIGHT QUESTIONS**

You need critical thinking skills to separate real news from fake news, truth from lies and to distinguish information from knowledge. These skills allow you to ask the right questions and seek answers free from fear or preconceptions.

## **BE ADAPTABLE. BE FLEXIBLE**

For centuries the classic disciplines of Philosophy, Ethics and Theology have given society the ability to adapt in the face of the most challenging problems. Critical thinkers respond quickly and intelligently to constant change. You are taught to learn from past schools of thought to predict the consequences of your actions.

## **BECOME A LEADER IN YOUR FIELD**

A Notre Dame education provides you with life-long skills essential for a new generation of Chief Executive Officers, entrepreneurs, leaders and global citizens, like you.

## Research Institutes

### Institute for Ethics & Society

The Institute for Ethics & Society aims to foster ethical awareness in professional and social life through the following:

- › Developing a vibrant research agenda in targeted fields of academic study
- › Providing expertise in ethics education for students and staff at Notre Dame
- › Delivering training services for industry in areas of professional ethics
- › Facilitating public engagement on issues of ethical importance

The Institute for Ethics & Society research focus areas include Moral Philosophy & Ethics Education, Bioethics & Healthcare Ethics, and Religion & Global Ethics.

### Institute for Health Research

The Institute for Health Research provides expertise in the design and analysis of complex health research with University researchers and those in the wider healthcare system. Through supervision of postgraduate research students and involvement in collaborative studies with other academic and clinical researchers, the Institute for Health Research has a vibrant research focus with strong industry links that seeks to improve the health and wellbeing of the community.

### Nulungu Research Institute

The Nulungu Research Institute focusses on three core research themes—Caring for Country; Education; and Aboriginal wellbeing and health—within a context of valuing Aboriginal knowledges. Based at Notre Dame Broome, a campus of Reconciliation, our research is guided by the core principle of ‘Right People, Right Country, Right Way’.

A key feature of Nulungu’s research profile is impactful community-driven collaborative projects with national and international academic institutions, teaching and research communities, government and industry.

CAMPUS LIFE

## Student experience

At Notre Dame, university life extends beyond the classroom. You can participate in our leadership and elite athlete programs, join a club or society, volunteer locally or overseas, study abroad, and much more. You'll be supported throughout your journey with our dedicated careers team and counselling service.

## Student Association and Clubs

Notre Dame's Student Association is at the centre of student life at the University. As a student you are a member of an association that represents and supports all students and develops Notre Dame's unique student community. There are also numerous student clubs and societies offering opportunities for you to develop socially, culturally, professionally, spiritually and academically.

## Leadership Program

Leadership and teamwork skills are highly desirable attributes for the workplace and can increase your employability. Notre Dame's leadership program develops your leadership skills through training, forums, and active engagement opportunities including volunteering.

## Volunteering and travel

With our volunteering program you can make a positive difference in the community, learn new skills and meet new people. It is an opportunity to have fun, achieve a balanced study program, and support the development of your career and leadership skills.

At Notre Dame you can study while experiencing the world. We encourage our students to become active global citizens through a range of exchange programs, professional placements, study tours and volunteer opportunities.

## Sports

Campus Life supports and enables participation in a wide variety of sporting, social and cultural pursuits. You can get involved in social sporting competitions, club sport or intervarsity events such as the Eastern University Games and the Australian University Games.

## Elite Athlete Program

Notre Dame is part of the Elite Athlete Friendly University Network. If you are an elite athlete, you can join our Elite Athlete Program, designed to assist you to achieve academic excellence while pursuing a sporting career.

## Vibrant city life

Vibrant. Friendly. Inner-city. Instagram-worthy. These are some of the words our students use to describe university life at Notre Dame. Located in Fremantle's West End and housed in historic buildings with a café on every corner, it's a town university of great charm. Our smaller class sizes and greater access to lecturers are just part of the reason why we are the number one university in Western Australia for Overall Quality of Educational Experience.

Unwind between classes in our refurbished and architecturally-commended student hall or relax at the Esplanade Park – a two-minute walk from campus. Then there is Bathers Beach, only a few steps away from campus, which makes the perfect getaway on those long summer days.

## Schools

Encompassing heritage buildings and leafy courtyards, Notre Dame's Fremantle Campus provides a welcoming social hub in the heart of historic Fremantle. The University has 53 buildings located in the West End to accommodate our growing student population. The Fremantle Campus is the foundation Campus and is home to our Schools of Arts & Sciences, Business, Education, Health Sciences, Law, Medicine, Nursing & Midwifery, Physiotherapy and Philosophy & Theology.

## Transport

Minutes from the Fremantle central business district, the Campus is a short walk from the Fremantle train station and busport, and a 30-minute train ride to Perth city.

### Multidisciplinary Stream

This Stream offers you extensive theoretical and practical experience through two or more scientific disciplines, with a major focus on developing skills in critical thinking, innovation, analysis and communication.

A cross-disciplinary perspective can also equip you with a more comprehensive and creative approach to problem-solving, which is highly sought after by employers and can be applied to a range of careers.

You can combine this Stream with courses from non-science areas such as Journalism, Politics & International Relations, Behavioural Science, Social Justice, Preventive Health, or Business Studies. By combining with these courses, you could form a six-course Minor or even just further develop your knowledge, perspectives and experience.

## 01

### Apply

#### Submit your application

You can apply to The University of Notre Dame Australia online at [notredame.edu.au/international/how-to-apply](http://notredame.edu.au/international/how-to-apply). Alternatively, completed application forms, together with all requested documentation, should be sent to a registered education agent in your country or directly to the University by email, mail or in person to the relevant International Office. A list of registered education agents of the university can be found at [notredame.edu.au/international/agents](http://notredame.edu.au/international/agents).

A receipt will be emailed to you once your application is lodged.

Applications are reviewed to determine eligibility to progress to interview.

## 02

### Interview

#### Your interview

The interview is an integral part of the admissions process for all students at Notre Dame.

Interviews are intended to provide prospective students with an opportunity to discuss their preferred courses and life at Notre Dame. It is also a chance for applicants to share some of their important personal achievements and aspirations.

Interviews for international students living off-shore are conducted by Notre Dame staff by telephone or video whilst on-shore international student interviews take place on-Campus. Interviews usually take between 20 to 30 minutes.

## English language entry requirements

The University requires applicants to demonstrate an English language competency of the appropriate level stipulated for their nominated program. Successful completion of specified secondary or tertiary education in English may be used to demonstrate competency, depending on your chosen program.

Accepted proficiency tests are Academic International English Language Testing System (IELTS), Teaching of English as a Foreign Language (TOEFL), Cambridge Academic English (CAE), Pearson Test for English, Academic (PTE) or Occupational English Test (OET). Note that not all tests can be used to prove English language proficiency for all programs.

Other evidence, including recent successful tertiary level studies in English from an official English-speaking country, may be accepted on review by the University.

The International Office reserves the right to ask any applicant to sit an English language proficiency test.

Please note some programs require a proof of higher English Language Proficiency (Medicine, Education, Nursing, Law and Physiotherapy). For more details of the scores required for each program, please refer to the program tables on pages 100–103, visit [notredame.edu.au/international](http://notredame.edu.au/international) or contact [international@nd.edu.au](mailto:international@nd.edu.au).

# Pathways at Notre Dame

## Academic English Bridging Programs (ELICOS)

Notre Dame provides three Academic English Bridging Courses on the Fremantle Campus, which are designed to develop language proficiency and assist students in meeting the University's English language requirements for entry into their nominated undergraduate or postgraduate program.

Upon successful completion of Notre Dame's Academic English Bridging Programs, no further English language testing will be required, except where required by an accrediting body, or for a program requiring a higher English language score.

**Academic English Bridging Level 1 (AEB1)** is a 15-week program designed for students arriving at an English language level equivalent of IELTS 6.0. Successful completion of the program will enable entry into undergraduate and postgraduate courses with an English language entry requirement of IELTS 6.5 or equivalent.

**Academic English Bridging Level 2 (AEB2)** is a 15-week program of study designed for students arriving at an English language level equivalent of IELTS 6.5. The program is available to students requiring Upper Intermediate/Advanced level English Language instruction for Academic Purposes.

Successful completion of the 15-week program will enable entry into programs with an English language entry requirement of IELTS 7.0 or equivalent (except Nursing where an IELTS test or equivalent will still need to be taken).

**Academic English Bridging Study Skills (AEB Study Skills)** is an intensive five-week program focussed on providing you with discipline-specific language skills. The program will prepare you for academic life and study as well as acquainting you with current teaching and learning methodologies typically used within an Australian university setting.

This program is suitable for students who seek entry into an undergraduate or postgraduate program where they have one or more bands lower than the overall IELTS required for entry; and/or have prior academic and life/work experience that indicates they would benefit from undertaking this course for successful transition into university studies.

## Off-campus pathways to Notre Dame

We understand that some students applying to study at Notre Dame may need to first study with one of our academic or English language pathway providers. ### RESEARCH TABLE KEY

#### MODE OF STUDY

The study mode for all research programs is Internal.

#### DURATION (YEARS)

Normal time taken to complete a program.

May vary depending on number of enrolled courses per semester.

\* **IELTS SCORES** (International English Language Testing System)

Overall IELTS of 7.0 requires no band less than 6.5 with a minimum of 7.0 in writing.

### ONE

#### Am I an international student?

You are an international student if you are:

- › a temporary resident (visa status) of Australia;
- › a permanent resident (visa status) of New Zealand; or
- › a resident or citizen of any other country

International students studying in Australia on a student visa can only study full-time and there are also specific entry requirements that must be met.

### TWO

#### What does ‘certified copy’ mean?

A certified copy is a photocopy of an original document that has been sighted, stamped, dated and signed by a certifying agent as a true copy of the original. The accepted people who can do this include an Australian consular official, High Commission or Trade official; a person of authority at the issuing institution (for example, the registrar); Justice of the Peace; or public notary.

Alternatively, members of the Notre Dame Admissions Offices and registered agent representatives (see [notredame.edu.au/international/agents](http://notredame.edu.au/international/agents)) can verify your documents for admission purposes only.

All copies of transcripts and official documents accompanying an application must be certified.

### THREE

#### Can I have a packaged offer?

Conditional or packaged offers are only made in conjunction with existing partner arrangements. Please contact [international@nd.edu.au](mailto:international@nd.edu.au) for more details.

### FOUR

#### Can I be issued a conditional offer?

Conditional offers may be made to international students if they have satisfied most of the minimum entry requirements for their program.

### FIVE

#### How do I know how many courses will be credited from my previous study?

You can discuss opportunities for Advanced Standing at the interview with our academic staff, and once you have received an offer, you may apply for Advanced Standing before you accept the offer.

### SIX

#### My academic transcripts and certificates are not in English. What do I do?

If your qualification and transcripts are in a language other than English, you must have your qualification translated and provide the Admissions Office with certified copies of the translation and qualification or award.

The contact details and listing of certified translators are:

**National Accreditation Authority for Translators and Interpreters (NAATI):**  
[www.naati.com.au](http://www.naati.com.au)

You must have your documents translated by an individual from one of the organisations shown above.

### SEVEN

#### Do I need to sit an English language test?

Students who have completed specified secondary or tertiary education in English may use this to demonstrate English language competency.

Applicants for some programs are required to demonstrate an English level comparable to an industry standard.

Some programs, including Medicine, Nursing, Law, Education and Physiotherapy, have higher English language proficiency requirements. For more details, see [notredame.edu.au/international/how-to-apply](http://notredame.edu.au/international/how-to-apply) or refer to the Program tables from pages 100–103 of this guide.

Please note: Notre Dame reserves the right to request the evidence of English competencies from any applicant.

### EIGHT

#### Can I apply for a scholarship?

A range of scholarships are available for international students. A current list of scholarships can be found at [notredame.edu.au/international/fees](http://notredame.edu.au/international/fees).

### NINE

#### Where do I go for the most up-to-date information?

If there are any changes to the information provided in this Program Guide, updated details can be found on the University website: [notredame.edu.au](http://notredame.edu.au).

# How to complete the application form

## NOTRE DAME APPLICATION FORM – PART 1

---

### 1 PERSONAL DATA

- 1.1 Indicate whether you have previously studied at The University of Notre Dame Australia and provide your student number if applicable.
- 1.2 Please indicate if you are applying as a Safe Haven/Humanitarian visa holder or Seminarian.
- 1.3 Please provide your personal details as listed. Print your name clearly in block letters. If your name differs from that on any of your supporting documentation, you are required to provide proof of the change (for example, marriage certificate or change of name certificate).

Applicants under the age of 18 at the time of offer should be aware that an electronic Confirmation of Enrolment will not be issued until the applicant turns 18, except in the case of packaged offers made in conjunction with an approved provider.

- 1.4 If you are utilising the service of an education agency, please provide your agent's details. If applicable, the specified agency/agent will be authorised to access and discuss your application for admission and your academic record to The University of Notre Dame Australia with University staff. This authorisation will be applicable for the duration of the application process and, if applicable, the duration of your studies at Notre Dame unless otherwise directed by the applicant.
- 1.5 Please provide the details of your address and contact details in your home country and notification address for ongoing correspondence (in Australia or your home country).
- 1.6 Please provide your current passport and citizenship details.
- 1.7 Please state your religion. This information is required for statistical purposes only. While Catholic in its tradition, Notre Dame accepts all persons who support the Objects of the University, regardless of their faith [see page 7].

- 1.8 Please indicate languages spoken at home in order of use.
- 1.9 Please indicate whether you have any medical or special needs. Disclosing this information will not affect your admission to the University.

If relevant, successful applicants will be informed of services and support available through the University's Disability Support Officer. Your privacy and confidentiality will be respected and your personal information will be managed in line with the University's Privacy Policy. While disclosure is voluntary, if you do not advise the University of your requirements before commencing your studies, there may be a delay in making arrangements to meet your needs.

- 1.10 Please provide your emergency contact details. The University requires that all students nominate an emergency contact person. This is usually someone who is a close relative and/or someone in a position to respond to any action which the University deems appropriate in relation to your welfare. Under the provisions of the Privacy Act, the University will not reveal any personal information to any third party, unless required by law or expressly authorised by you.

### 2 APPLICATION TO STUDY

- 2.1 Please indicate the program and program code (ND Code) that you wish to apply for. You can include up to three program preferences, with your most preferred program as preference 1. Please indicate the Campus, commencement year and semester for which you are applying, taking into consideration the application due dates and commencement dates for each semester see: [notredame.edu.au/international/how-to-apply](https://notredame.edu.au/international/how-to-apply).
- 2.2 Please provide details of any current and/or previous education, including high school, vocational, college and/or university. These details will be used to assess your eligibility for your preferred program of study.

- 2.3 If you are applying for a Research program (i.e. Master of Philosophy, Master's by Research, Doctor of Philosophy or Professional Doctorate), please refer to research instructions on website: [https://www.notredame.edu.au/\\_\\_data/assets/pdf\\_file/0017/45305/How-to-Apply-for-Admission-to-a-Higher-Degree-by-Research.pdf](https://www.notredame.edu.au/__data/assets/pdf_file/0017/45305/How-to-Apply-for-Admission-to-a-Higher-Degree-by-Research.pdf).

If your employment has involved significant research experience, you will need to include two written references (one page) to verify this experience. Please include the name, professional position, email address and telephone number of each referee and indicate their relationship to you.

Please prepare an initial research proposal, of approximately one page in length, outlining your planned area of research. This should include how you plan to undertake the project, and analyse your findings. Where possible, list potential supervisors and indicate if you have had contact with them. Additionally, please include a description of any research projects you have undertaken in academic or professional contexts, and details of any resulting publications.

- 2.4 Where relevant, please provide details of any sponsorship or scholarships you have obtained or for which you intend to apply.
- 2.5 Please select the means by which you will demonstrate a sufficient level of English to study in your preferred program. Please attach a certified copy of results from an approved English test or transcripts from relevant study. Further information on recognised English proficiency tests, minimum scores, and study that can be used to demonstrate English proficiency can be found at [notredame.edu.au/international/how-to-apply](https://notredame.edu.au/international/how-to-apply).

- If you do not have existing OSHC, please indicate the type of cover required.

**4. PERSONAL STATEMENT**

The University of Notre Dame's unique admissions process is focused on the whole person. The personal statement is designed to ascertain your reasons for seeking admission to Notre Dame: why you selected to come to this University; in what ways you think the University will meet your needs; and your reasons for wishing to pursue the program of study you have selected, outlining your interests and academic qualities relevant to the program.

Additionally, provide details of your future plans and how studying at the University will assist you in achieving your goals. Finally, the personal statement allows you to outline your contribution to school, church or community life.

For further information on the purpose of the Genuine Temporary Entrant Assessment visit: [homeaffairs.gov.au/Trav/Stud/More/Genuine-Temporary-Entrant](http://homeaffairs.gov.au/Trav/Stud/More/Genuine-Temporary-Entrant).

**5. CHOICE OF EDUCATION PROVIDER/ FUTURE BENEFITS**

- › Please indicate if you have read the Notre Dame International Program Guide or website.
- › Please indicate if there is a program similar to the one you are applying to study at Notre Dame which is available to study in your home country. If so, please explain why you have chosen to study in Australia at Notre Dame rather than in your home country.
- › Please explain why you have chosen to study at Notre Dame, rather than at another university either in your home country, another country or Australia. Explain why you have chosen the Sydney or Fremantle Campus.
- › Please indicate how many years have passed since you last studied (at high school, vocational training or university). If there is a gap (one or more years) in between your studies, please explain why there has been a gap in your studies (e.g. employment, family commitments, etc) and why you wish to study again now.
- › Please outline your future career plans and the employment opportunities in your home country for someone with the qualification you are seeking to undertake at Notre Dame.

**6. FUNDING YOUR STUDIES**

- › Please indicate if you are aware of living costs (e.g. accommodation, food, transport, study materials) for you and your dependants, associated with your studies in Australia. Specify your expected tuition fees for your studies for the entire duration of the program (i.e. annual tuition fee multiplied by the duration of the program).
  - › Please indicate whether you have access to sufficient funds to support yourself and any dependants for the duration of your studies in Australia and whether you are aware of the working restrictions for student visa holders in Australia.
  - › Outline who will be funding your studies in Australia and whether you are the recipient of any scholarships. Evidence of payee's income, employment, financial sponsorship and/or any scholarships will need to be provided.
- 7. CONNECTION TO AUSTRALIA**
- › If you have any relatives in Australia, please provide details.
  - › Please indicate where you intend to live when you are in Australia.
  - › Outline any ties you have to your home country (e.g. family living at home, employment, business opportunities, etc).
