## NZQA **CATEGORY 1 PROVIDER**

MIT has been awarded the highest rating, Category 1, by NZQA so you will have confidence in MIT as your choice for tertiary study.

*Above: MIT Manukau campus, conveniently situated above the Manukau Train Station and next to the Manukau Bus Station.*

# WHY CHOOSE TO STUDY AT MIT?

MIT exists to transform the lives of our students, their families and communities. We are the place for all people. Our relationship with our students is a lifelong connection.

## We celebrate and draw upon our diversity

Our cultural traditions, languages, beliefs, and skills draw from many ethnic groups. People from all walks of life flourish at MIT, creating a rich tapestry of understanding and then spreading it out across the world.

### Get support from day one

When you join the MIT family you will be supported to learn the skills you need to get the job you want.

### Hands-on skills

At MIT, you will apply classroom learning to real-world situations and graduate with the hands-on skills that are in demand.

### Get job security

We work closely with industry and employers to ensure what we teach is what is needed in today's changing market.

### MIT degree graduates earn more\*

Recently analysed Government data shows that MIT degree holders have the highest employment rates in the country five years after finishing their degrees. They can also expect to be among the best paid.\*

\*<http://educationcentral.co.nz/does-it-really-matter-where-you-study>

## At MIT we offer a range of internationally recognised qualifications

Whether you are looking at studying at a certificate, diploma, degree or post-graduate level, our programmes connect our students' hopes and aspirations to vocational education, job opportunities and career pathways through hands-on learning, industry projects and work placements.

If you already have a degree and are looking to further your qualifications, or you have relevant industry experience and are looking to take the next step in your career, MIT offers graduate diplomas that will enhance your skills and knowledge.

## \*YOUR STUDY COULD BE FREE

**All Level 1 and 2 programmes** will be free in 2020 for New Zealand citizens, residents entitled to reside in New Zealand indefinitely, and refugees and protected persons (under the Immigration Act 2009), of all ages. Excludes First Aid certificate courses.

**Fees Free:** Free study for the first year of your Level 3 or above qualification may be available under the Government's fees-free study scheme. Visit [feesfree.govt.nz](http://feesfree.govt.nz) for eligibility criteria and more information.

**Youth Guarantee:** Level 3 may be free for 16 to 19 year olds.

*Proof of residency status required, entry criteria, and some costs may also apply. Free study is subject to funding confirmation.*

**For more information visit: [manukau.ac.nz/free-study](http://manukau.ac.nz/free-study)**

# FOUNDATION AND BRIDGING

Keen to start a career in healthcare but left school without NCEA?

Don't let entry requirements hold you back. MIT offers a variety of open entry foundation and bridging programmes that can prepare you for tertiary studies and get you on the pathway towards a career in nursing, health, counselling, social work or social services.

As you progress with your study, you will develop skills, confidence and independence – and we will support you every step of the way.

LEVEL 7

Bachelor of Nursing Maaori  
(Te Tohu Paetahi Tikanga Rangatira aa-Tapuhi)

February

Three years (full-time)

Cost per year<sup>2</sup> (approx.):  
Enquire upon application

MIT Manukau

Are you passionate about whānau health and wellbeing?

Become a registered nurse and share your passion for caring for our whānau community.

Our Bachelor of Nursing Maaori will give you the opportunity to make a positive difference to health, wellbeing and care of our whānau community.

Class sizes are small so you will build strong working relationships with your peers and teaching staff throughout your journey.

<sup>^</sup>Pending approval

LEVEL 7

Bachelor of Nursing Pacific

February

Three years (full-time)

Cost per year<sup>2</sup> (approx.):  
Domestic:\$6,300  
International: NZD\$24,700

MIT Manukau

Become a registered nurse with unique skills to support and enhance Pacific health.

This programme has a strong emphasis on cultural-identity and connections to Pacific and nursing world-views. Pacific ways of knowing and learning are woven throughout this programme giving you the practical healthcare skills and hands-on clinical experience to work within your community.

Smaller class sizes encourage a sense of family, aiga (Samoan), kopu tangata (Cook Islands), kāinga (Tongan), magafaoa (Niuean), matavuvale (Fijian) and kāiga (Tokelau, Tuvalu) and contributes to life-long connections.

Pacific leaders, communities and organisations work collaboratively with MIT to enable you to form relationships with those in the health sector.

When you graduate from a bachelor of Nursing, Maaori, and Pacific, you'll be ready to sit the Nursing Council of New Zealand State Examination and apply for registration as a registered nurse in New Zealand.

# HEALTH AND COUNSELLING

Make a real difference to people's health and wellbeing.

Study one of our recognised qualifications in healthcare and you'll open the door to a rewarding career helping others make positive changes.

You'll learn how to care for people, families and entire communities. Whether you want to become a health support worker, mental health and addiction support worker or counsellor, we can help you get there.

You'll be supported to succeed throughout your journey. At the Manukau campus, you will have access to a Kaiawhina, a Pasifika support person, a Whanau and a Mā Tātou room.

Our programmes will give you the skills and confidence to change lives.

For more detailed information on entry requirements visit [manukau.ac.nz/health](http://manukau.ac.nz/health)

<sup>1</sup>Students who have attained the age of 20 years and do not hold the minimum entry requirements for a programme will be eligible to be enrolled as a student where their previous educational, work or life experience indicates they have a reasonable likelihood of success. Students who have not attained the age of 20 years and do not hold the required minimum entry requirements for a programme may also be eligible to enrol in exceptional circumstances. Such decisions will be made by the Faculty Dean.

Any reference to the "Faculty Dean" in programme entry requirements shall be construed as a reference to the "Director of School" or "Head of School".

# SOCIAL WORK

It takes a special kind of person to work with people.

Now more than ever, our communities need social workers and support workers.

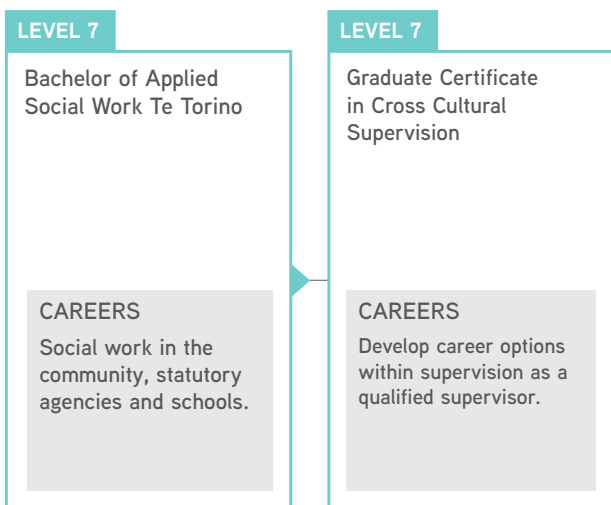

Get the special skills you need to help people of all ages and cultures, from individuals to families and whānau.

Combine your special skills in interpersonal communication techniques, dealing with challenging situations through self-awareness, and self-insight and learning the tools to safely work with a diverse range of clients in a social services environment.

Our classrooms are supportive learning environments that promote independence and confidence.

Be the change you want to see in your community.

## GOT QUESTIONS?

Freephone our friendly *AskMe!* team. ☎ 0800 62 62 52

#### FONO McFARLAND

*"MIT is a great place to study. From the first moment I arrived I felt welcome and like part of a big family rather than just a number.*

*It was hard at times to balance family and my nursing studies but the small classes, great resources and support from our amazing lecturers kept me on track. They were always available when we needed help.*

*The practical skills I learnt at MIT gave me confidence during my placements and I graduated feeling well prepared to enter the workforce."*

Nursing graduate

# HOW TO APPLY

## 1. CHECK THAT YOU MEET THE ENTRY REQUIREMENTS

Once you have decided on your programme, you will need to provide proof that you meet the entry requirements. Each programme has its own entry criteria based on academic achievements, qualifications and/or work experience.

### Make your experience count

At MIT we are proud to offer pathways that value your work, education and professional experience.

What you already know and do can count towards a qualification with RPL (Recognition of Prior Learning). Contact us to find out more. Fees may apply.

## 2. APPLY TO STUDY

### Domestic students

Apply at [manukau.ac.nz](http://manukau.ac.nz)

Or contact us for more information or help with your application.

### International students

Apply at [manukau.ac.nz](http://manukau.ac.nz)

Visit the international students section of our website for more information on applications and supporting documentation.

To apply you will need to contact our International Team. [international.application@manukau.ac.nz](mailto:international.application@manukau.ac.nz)

You will need to supply:

- Your certified academic transcripts from high school or other education providers (in English)
- A copy of your passport
- Proof of meeting language requirements.

## 3. ACCEPT AND ENROL

If your application to study is successful you will be emailed an offer.

You are required to accept this offer online in order to be enrolled. This offer might be conditional on you meeting certain requirements.

## 4. PAY YOUR FEES

Some of our programmes have free fees. If you're not eligible for free fees please ensure your fees are paid before your programme starts. Fees may be paid by:

- direct credit (online banking or at your local branch)
- applying for a student loan.

### Financial assistance

You may be eligible for financial assistance while you study.

For information on student loans and allowances, contact Studylink.

☎ 0800 889 900

Information is correct at the time of publication (October 2019). Programme fees are based on a full-time student and may vary depending on your final selection of courses that make up your programme. To provide you with an indication of costs, the approximate fees quoted in this publication are based on the indicative 2020 fee structure. The indicative programme fees for 2020 do not include the Compulsory Student Services Fee (CSSF). The CSSF is an additional levy to your 2020 programme or course fees. Further information about the CSSF can be found here [www.manukau.ac.nz/cssf](http://www.manukau.ac.nz/cssf).

Programmes stated as eligible for free study in 2020 are based on the 2019 fee structure and subject to funding confirmation for 2020. All fees are in New Zealand Dollars. You will be advised of the current fees at the time of enrolment. All courses and programmes will proceed subject to numbers and academic approval. Manukau Institute of Technology is accredited under the provisions of the Education Act 1989. International students must study in class and will not be able to enrol for online study options.
