Please speak to our education consultants for detailed entry requirements.

Hosting Students From 99 Countries

OLIVER WILLIAM LAOH, INDONESIA

Master of Business Administration

I gained my opportunity to work at General Electric Malaysia from attending one of INTI's Career Talks. Through this connection and other events hosted by INTI's Career Services, I was offered a job at the company and now report to the same person who presented the talk.

SUNSHANI MARQUIS, FRANCE

Semester Abroad Programme

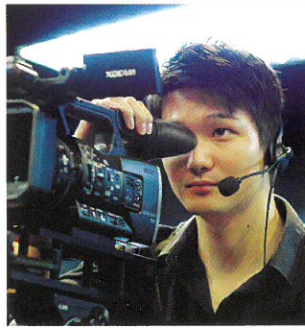

When I first arrived in Malaysia, I was glad that I received warm support from the international team settling me in. They ensure that my welfare and basic necessities are well taken care of.

AFRA ANJUM KHAN, BANGLADESH

Bachelor of Business

Learning in INTI is innovative because we not only learn from books, lectures, but also through online. INTI combines face-to-face and blended learning where we can learn in the class or by ourselves at home.

OKA KIRITA, JAPAN

Bachelor of Mass Communications

After studying in INTI, my English has improved tremendously and I can speak fluently with my friends here in Malaysia. This education experience has fully prepared me to start my career.

Enhance Your Career Prospects

Be Highly Employable

200
EMPLOYER PROJECTS IN 2017

INTI collaborates with more than 450 industry partners including local and global organisations such as IBM, Google, General Electric (GE), Uber, Mercedes Benz, Microsoft, Huawei and more.

Good academic results are no longer sufficient to ensure employability of students, therefore work experience in the form of internships are steadily becoming more important. INTI has set in place a series of programmes that will provide training and potential job opportunities.

INTI has established close ties with leading companies to enable students to gain invaluable work experiences before graduation.

Projects are based on real-life business issues that will help students to develop their knowledge and apply their soft skills in actual business scenarios.

THE INTI EDGE

Google Ignite

Accredited in digital marketing by the experts!

collaborates with Google Malaysia to offer Google Ignite, an online digital marketing program that provides the essential fundamentals of digital marketing and optional advanced courses.

Google Ignite 2016

CAREER DEVELOPMENT

Career Fair

A platform for students to engage with employers to discover career opportunities and career pathways. Employers are invited to INTI's campuses to conduct workshops and talks twice a year. INTI conducts on campus recruitment drives to provide face-to-face interview opportunities on campus with the employers.

INTI Leadership Series

One of INTI's signature events that features top leaders from highly successful companies speaking to INTI students on topics related to leadership, innovation, entrepreneurship and strategies relevant to today's business. This provides students the opportunity to hear and gain insights from successful professionals and role models.

Mats Nilsson, President and Managing Director of Volvo Malaysia

International Student Employability Forum

A platform for international students to connect with employers and explore opportunities in gaining employment with multinational corporations (MNC) in Malaysia. This forum also provides an avenue where students can ask questions from employers for career advice.
