Your accommodation

Finding a great place to live is important. The guide below can help you decide which type of accommodation will suit you best. Before you know it, you'll be calling it your home away from home! If this is your first time studying in Adelaide, we're here to help arrange accommodation for you.

If you're under 18 years old, or in our High School Year 10 or 11, we need to take extra care of you. Your choices are marked with this symbol 

Affordable living

Adelaide is around 20% cheaper to live in than Melbourne or Sydney

Eynesbury Homeaway

Make new friends! Eynesbury has its own purpose-built student residence called Homeaway. There are two residences available, from 1.5km - 3km from the city centre. Our chef cooks delicious meals for you and all bedrooms are fully furnished, including an air conditioner and access to a fridge.

\$330- \$350 per week

All meals provided

Your own fully furnished bedroom

Shared bathroom / ensuite bathroom (limited numbers)

Public transport and phone are not included.

Homestay

Live like a local! Homestay accommodation gives you the opportunity to live with a local family in their home. You'll get to use English in everyday situations and experience the Australian lifestyle. All homestay hosts have met safety and welfare requirements.

\$290 per week (meals included)
\$200 per week (cook your own meals)*

Your own fully furnished bedroom

* Students under 18 must take the all meals option

Student apartments and residences

Great locations! Student residences are usually located in the suburban areas, where you can get to know the real Adelaide lifestyle. Shopping centres and parks are at your door-step. Student apartments are located in the city centre and will generally cost a little more, however you are usually close enough to walk to college.

If you're over 18 years old, there are a few more options. You can choose Homeaway or Homestay, or select from these additional options.

Independent accommodation

Independent rental can be a great option once you know your way around Adelaide. It can also be less expensive, particularly if you're sharing with other people.

Visit www.realestate.com.au and select 'rent' then enter Adelaide or the name of the suburb you'd like to live in. These are normal rental homes. There will be at least 1 bedroom, kitchen and bathroom. Bigger houses may have 3 or 4 bedrooms and 2 bathrooms.

Be careful that you fully understand the terms of any independent rental contract you sign. This type of accommodation is not arranged by Eynesbury. We do not recommend independent rental unless you're already living in Adelaide and feel confident to find your own accommodation. You will be required to sign a lease for 6 or 12 months and will be responsible for rent for the length of the contract. All agreements must be signed in English.

\$200+ per week for 1 bedroom, 1 bathroom.
\$400+ for a larger house.

Most rental properties are not furnished. You will need to buy furniture, cutlery, crockery, bed linen, towels and electrical equipment. You will also need to cover the cost of the electricity, gas and water for the house, plus your own food costs and public transport (if in suburban area).

All accommodation types will require a bond to be paid. This is usually a dollar amount equal to 2 - 4 weeks' rent. The bond is a separate payment and is not the same thing as paying rent in advance. For independent rental the bond is lodged with the State Government and will be reimbursed when you move out, provided there is no damage to the property and no outstanding rent or bills. You also need to give a minimum amount of notice if you decide to leave your accommodation. *Prices are current at the time of printing and may be subject to change.
