**Architecture students:** students progressing to BA (Hons) Architecture can only do so from a 2-term course starting in September or January, and must submit a selection of artwork as part of their application.

**Academic entry requirements:** for all course options above, you need to have completed high school at the required level.

For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder:

[kaplanpathways.com/liverpool/ug-degrees](http://kaplanpathways.com/liverpool/ug-degrees)

**Your course length:** this is influenced by your UKVI IELTS score that you submit as part of the admissions process. Soon after you arrive at the College, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

#### Common modules for 2-term courses:

these are taken by all students

- > English for Academic Purposes
- > Extended Project

#### Students wishing to progress to an Architecture degree will also take:

- > Creative Practice and Portfolio

#### You will also take 1 to 3 of the following modules that fit your degree and career goals<sup>†</sup>:

- > Business Organisations and Management
- > Contemporary Global Issues
- > Entrepreneurship
- > Intermediate Mathematics
- > Logic and Critical Thinking
- > Mathematics
- > People, Culture and Society
- > Statistics

**Personal development activities:** during your course, you'll also have activities to build practical, digital and employability skills.

**Learn more about modules:** you'll find module summaries later in this booklet.

**Extra support:** for courses of over 2 terms, you will also take Enhancement modules or Extended English and Skills modules (depending on your IELTS score) before the modules to the left.

#### Students with UKVI IELTS 5.5: you can study a 2.5 or 3-term course with Enhancement modules to maximise your university preparation

- > Critical Reading, Writing and Reasoning for Higher Education
- > Independent and Collaborative Study

#### Plus up to 2 of these 3 modules:

- > Digital Applications
- > Preparatory Mathematics
- > Preparatory Statistics

#### Students with less than UKVI IELTS 5.5: you will study Extended English and Skills modules to improve your English language level and academic skills.

#### Students with UKVI IELTS 5.0 will typically take:

- > English for Academic Study 3
- > Independent and Collaborative Study
- > Reading and Writing 3
- > Speaking and Listening 3

#### Students with UKVI IELTS 4.5 will typically take:

- > English for Academic Study 2
- > Reading and Writing 2
- > Speaking and Listening 2
- > Study Skills Preparation

#### Students with UKVI IELTS 4.0 will typically take:

- > English for Academic Study 1 + English for Academic Study 2
- > Reading and Writing 1 + Reading and Writing 2
- > Speaking and Listening 1 + Speaking and Listening 2
- > Study Skills Preparation

<sup>†</sup> For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.
