Foundation Certificate

for Art, Design and Media

Minimum English level: UKVI IELTS score	Course length	Course tuition	Course start	Course end	Extra support
> Your Foundation Certificate options for degree entry in September 2021					
5.5 overall with no less than 4.5 in any skill	2 terms	£15,090	January 2021	August 2021	
5.0 overall with no less than 4.0 in any skill	2.5 terms	£16,800	October 2020	August 2021	0.5 terms of Extended English and Skills modules
	3 terms	£16,800	September 2020	August 2021	1 term of combined Enhancement and Extended English and Skills modules
4.5 overall with no less than 4.0 in any skill	3 terms	£16,800	September 2020	August 2021	1 term of Extended English and Skills modules
> Your Foundation Certificate options for degree entry in September 2022					
4.0 overall with no less than 4.0 in any skill	3.5 terms	£19,600	July 2021	August 2022	1.5 terms of Extended English and Skills modules
	4 terms	£21,980	June 2021	August 2022	2 terms of Extended English and Skills modules

Please note: it is desirable for students applying for this course to submit an Art and Design portfolio.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/ug-degrees

Your course length: this is influenced by your UKVI IELTS score that you submit as part of the admissions process. Soon after you arrive at the College, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

Foundation Certificate

for Art, Design and Media

Common modules for 2-term courses: these are taken by all students

- > English for Academic Purposes
- > Creative Practice and Portfolio

You will also take 2 of the following modules that fit your degree and career goals[†]:

- > Entrepreneurship
- > Intermediate Digital Applications
- > People Society and Culture
- > Visual Culture

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will also take Enhancement modules or Extended English and Skills modules (depending on your IELTS score) before the modules to the left.

Students with UKVI IELTS 5.0 and no portfolio: you can study a 3-term course with Enhancement modules to develop your artistic skills and maximise your university preparation.

- > Art, Design and Media
- > Critical Reading, Writing and Reasoning for Higher Education

Plus up to 2 of these 4 modules:

- > Contemporary Art in Context
- > Digital Applications
- > Preparatory Statistics
- > UK Society and Culture

Students with UKVI IELTS 5.0 or less and a portfolio: you will study Extended English and Skills modules to improve your English language level and academic skills.

Students with UKVI IELTS 5.0 will typically take:

- > Art, Design and Media
- > English for Academic Study 3
- > Reading and Writing 3
- > Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take:

- > English for Academic Study 2
- > Reading and Writing 2
- > Speaking and Listening 2
- > Study Skills Preparation

Students with UKVI IELTS 4.0 will typically take:

- > English for Academic Study 1 + English for Academic Study 2
- > Reading and Writing 1 + Reading and Writing 2
- > Speaking and Listening 1 + Speaking and Listening 2
- > Study Skills Preparation

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

- > English for Academic Study 3
- > Independent and Collaborative Study
- > Reading and Writing 3
- > Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take:

- > English for Academic Study 2
- > Reading and Writing 2
- > Speaking and Listening 2
- > Study Skills Preparation

Students with UKVI IELTS 4.0 will typically take:

- > English for Academic Study 1 + English for Academic Study 2
- > Reading and Writing 1 + Reading and Writing 2
- > Speaking and Listening 1 + Speaking and Listening 2
- > Study Skills Preparation

Accounting and Finance for Managers

Apply techniques for financial reporting, financial analysis and management accounting in a business context.

Applied Projects

Apply key academic skills to your subject learning in other areas of your programme. Choose topics in line with your degree and career goals, and your own interests.

Art, Design and Media

Explore a range of materials, workshop techniques, processes and practical skills, and begin to develop your research, interpretation and critical evaluation skills.

Biology

Learn about biological systems and organisms, as well as key lab processes.

Chemistry

Gain an understanding of chemical reactions, fundamental particles and the periodic table.

Contemporary Art in Context

Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

Contemporary Global Issues

Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

Creative Practice and Portfolio

Research the work of selected practitioners in your field, responding to and evaluating their work, in your own illustrative portfolio.

Critical Reading, Writing and Reasoning for Higher Education

Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

Digital Applications

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Economics

Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 1

Gain a better understanding of how English is used in academia.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Entrepreneurship

Familiarise yourself with concepts of creativity, entrepreneurship and innovation, and how to apply them in business.

Entrepreneurship and Business Development

Develop practical business skills through team-based planning and by exploring the ideas of enterprise and entrepreneurship.

Extended Project

Plan, carry out and report a project, choosing a topic that matches your degree and career goals, and personal interests.

Food and Drink Operations

Learn about preparing items, the principles of food production, and gain practical experience in the culinary arts studio.

Independent and Collaborative Study

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Information Technology

Discover the key concepts of computer science, including data representation and programming languages.

Intermediate Digital Applications

Develop skills in problem-solving and creative practice using a range of software packages relevant to your field of study.

Intermediate Mathematics

Expand your knowledge of mathematical concepts including algebra, geometry, problem-solving, trigonometry and vectors.

Logic and Critical Thinking

Explore concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

Management Accounting and Financial Analysis

Explore management and financial accounting issues, as well as process costing, pricing and profitability analysis.

Marketing in the Operational Context

Gain an understanding of international business processes, and the effects of marketing activities on organisations.

Mathematics

Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

Organisational Behaviour

Explore the fundamentals of organisational behaviour, and trends in organisational environments, structures and designs.

People, Culture and Society

Learn about the history, theories and issues that relate to human culture and society around the world.

Physics

Gain an understanding of areas such as astrophysics, electromagnetism, mechanics and thermodynamics.

Preparatory Mathematics

Develop your numeracy skills, including algebra, geometry and graphs.

Preparatory Science

Gain an introduction to core scientific knowledge and the subject-specific language required to study the sciences.

War: History and Politics MA	B

Pre-Master's

for Art, Design and Media

1/2

Minimum English level: UKVI IELTS score	Course length	Course tuition	Course start	Course end	Extra support
> Your Pre-Master's options for degree entry in September 2021					
5.5 overall with no less than 5.0 in any skill	2 terms	£15,460	January 2021	August 2021	
5.0 overall with no less than 5.0 in any skill	2.5 terms	£17,250	October 2020	August 2021	0.5 terms of Extended English and Skills modules
5.0 overall with no less than 4.5 in any skill	3 terms	£17,250	September 2020	August 2021	1 term of Extended English and Skills modules
> Your Pre-Master's options for degree entry in September 2022					
4.5 overall with no less than 4.5 in any skill	3.5 terms	£20,120	July 2021	August 2022	1.5 terms of Extended English and Skills modules
4.5 overall with no less than 4.0 in any skill	4 terms	£22,660	June 2021	August 2022	2 terms of Extended English and Skills modules

Please note: for all course options apart from the 3-term course, you must have a relevant undergraduate degree to apply. It is also desirable to have an Art and Design portfolio. Students on the 3-term course do not need a relevant degree, and will study extra modules to develop English language and artistic skills.

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/pg-degrees

Your course length: this is influenced by your UKVI IELTS score that you submit as part of the admissions process. Soon after you arrive at the College, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals. This flexibility means that you can follow your path to university, your way.

Pre-Master's

for Art, Design and Media

2/2

Common modules for 2-term courses: these are taken by all students

- > Art, Design and Media Portfolio
- > Art, Design and Media Research Project
- > English for Academic Purposes

You will also take 1 of the following modules to prepare for postgraduate study[†]:

- > Advanced Art, Design and Media
- > Media Theories and Practice
- > Project Management

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will also take Extended English and Skills modules before the modules to the left.

Students with UKVI IELTS 5.0 will take these additional modules as part of a 2.5 or 3-term course:

- > Art, Design and Media
- > Contemporary Art in Context OR Digital Applications
- > English for Academic Study 3
- > Reading and Writing 3
- > Speaking and Listening 3

Students with UKVI IELTS 4.5 will take these additional modules as part of a 3.5 or 4-term course:

- > Art, Design and Media
- > Contemporary Art in Context OR Digital Applications
- > English for Academic Study 2 + English for Academic Study 3
- > Reading and Writing 2 + Reading and Writing 3
- > Speaking and Listening 2 + Speaking and Listening 3
- > Study Skills Preparation

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

Advanced Art, Design and Media

Evaluate the styles, movements and key figures in the recent history of art, design and media, and analyse the key features and techniques they used.

Advanced Social Science

Learn about the key theories in social sciences, and their relation to methodologies in the field.

Advanced Statistics

Critique research data and apply the standard statistical tools for the analysis of research quality.

Art, Design and Media

Explore a range of materials, techniques, and processes, and develop your research, interpretation and critical evaluation skills.

Art, Design and Media Portfolio

Create the practical components which complement the theoretical and reflective work undertaken in your Research Project for Art, Design and Media module.

Art, Design and Media Research Project

Evaluate the theoretical and reflective components that will complement the practical work you produce in the Art, Design and Media Portfolio module.

Contemporary Art in Context

Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

Digital Applications

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Engineering, Science and Society

Gain an awareness of ethical issues and debates surrounding research and innovation in the sciences.

English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Independent and Collaborative Study

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Media Theories and Practice

Critique aspects of media theory and practice and use practical production techniques to design and create your own media artefacts.

Project Management

Gain key skills in project management, and apply your knowledge to a project.

Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Research Project

Plan, execute and report a comprehensive research project; you'll choose a research topic based on your degree and career goals, and personal interests.

Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Strategic Management

Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

Personal development activities (all courses)**Culture and activities**

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.
