College

 RED RIVER COLLEGE

THE DIFFERENCE IS HERE

Table of Contents

Welcome to Red River College's 2018 Viewbook, designed to provide you with an overview of our full-time programs. We've included a brief description of each program and its related costs. The information in this Viewbook is for the 2018/19 academic year, however it is designed to help you look ahead to your future post-secondary education. We strongly encourage you to visit the College website at rrc.ca for admission requirements and additional updated information. You may also contact one of the College's Student Service Centres or an academic advisor.

DECLARATION OF WAIVER

The information in this brochure is accurate as of September 2017. The College does its best to update program information regularly so that applicants are not inconvenienced; however, changes do occur on occasion. Therefore, after September 2017, the College reserves the right to modify or cancel any program, process or procedure without notice or prejudice. For the most up-to-date and complete admission requirement information, please refer to our website at rrc.ca

WHY RedRiver College

HANDS-ON LEARNING

Our students don't sit in lecture theatres all day. From skilled trades and research labs to the frontlines of industry, our practicum-based programming gives you the chance to learn through experience.

SMALL CLASSES, HELPFUL SUPPORTS

We want everyone to have the same chance at success. Our smaller classes give instructors more time with their students, and we provide tutoring and counselling to those who need extra help.

STATE-OF-THE-ART TECHNOLOGY

You'll use the same equipment and technology found in industry, giving you a competitive edge before you enter the workforce.

WORK EXPERIENCE

Our programs offer experiential learning through industry placements, apprenticeships and even paid work terms.

QUICK ACCESS TO THE WORKFORCE

Most of our programs take two years or less to complete, allowing you to get a head start on your career.

OUR GRADS GET HIRED

Our programs respond to industry needs, and many of our students receive job offers before they even graduate. Our most recent survey of grads showed that of those looking for work, 93% found employment.

INCLUSIVE ENVIRONMENT

We're committed to a culture of equity, diversity and inclusion across campuses, and to providing a supportive, accessible and safe environment for all.

Helping you Succeed!

From before you even enrol right through to graduation, we provide valuable support services to help you make the most of your time here.

STUDENT SERVICE CENTRES

Located at the Notre Dame and Exchange District Campuses, RRC's Student Service Centres are your first point of contact when making appointments with academic advisors, paying tuition, or picking up student cards and parking information.

Campuses

WITH FOUR CAMPUSES IN WINNIPEG AND FIVE THROUGHOUT MANITOBA, RRC GIVES YOU MORE CHOICES.

All of our campuses feature modern classrooms, relaxing study spaces, and state-of-the-art equipment. In Winnipeg, our Notre Dame and Exchange District Campuses are also home to libraries, recreation facilities, research centres, and more.

NOTRE DAME CAMPUS 2055 NOTRE DAME AVE. WINNIPEG, MB

Home to the majority of our full-time programs, as well as our applied research labs, Rebels athletics programs and skilled trades training facilities.

EXCHANGE DISTRICT CAMPUS 160 PRINCESS ST. WINNIPEG, MB

Nestled in the heart of downtown, and comprised of a trio of historically significant sites:

- The Roblin Centre (160 Princess St.), home to our business, creative arts, and IT programs, as well as our downtown campus store, library, computer lab and fitness centre.
- Paterson GlobalFoods Institute (504 Main St.), home to our hospitality and culinary arts programs, and our 100-room student residence.
- ACE Project Space (321 McDermot Ave.), home to dedicated lab and work space for Applied Computer Education students and industry partners.

STEVENSON CAMPUSES 2280 SASKATCHEWAN AVE. WINNIPEG, MB

75 MUSKETEER RD. W. SOUTHPORT, MB

Located in Winnipeg and Southport, RRC's Stevenson Campuses support all aspects of Manitoba's aerospace industry. Our hangars are packed with large and small aircraft, providing valuable experience to students in aviation and aerospace.

LANGUAGE TRAINING CENTRES 300-123 MAIN ST. WINNIPEG, MB

430 THIRD ST. STEINBACH, MB

Our Language Training Centres offer English and academic preparation programs designed to meet the needs of newcomers with specific employment and settlement goals.

ADULT LEARNING CENTRES

RRC's Adult Learning Centres offer high school courses in a variety of subject areas. Whether you wish to complete your high school education, upgrade your skills, or enter college or university – we can help.

Campus Life

We want you to be as comfortable as possible while on campus. Our Winnipeg locations offer a full range of services – pretty much everything you need is within walking distance of your classroom!

RRC STUDENTS' ASSOCIATION

Intramurals! Ski trips! Parties! Movie marathons! RRC's Students' Association makes campus life more interesting, keeping your calendar filled with fun events and activities – everything from Welcome Back barbecues and holiday keggers, to Reading Week getaways and graduation cruises.

The SA also provides a number of student-centred supports and services, including scholarships, health and dental plans, on-campus food banks and RRC's annual Career Fair. They're always looking for new members – drop them a line or pay a visit to their offices to find out how you can get involved!

rrcsa.ca

DINING

Our Winnipeg campuses offer a menu of options for all appetites – everything from grab-and-go convenience to upscale dining. At the Exchange District Campus, Jane's restaurant and the adjacent Culinary Exchange feature food prepared by our very own students. At the Notre Dame Campus, grab a bite at the Buffalo Cafeteria or Voyageur Dining Room – both feature mouthwatering specials made fresh daily.

rrc.ca/food

FITNESS AND RECREATION

Whether you're building up muscle, shedding a few pounds, or working off stress before an exam, our fitness facilities can help you maintain a healthy, active lifestyle.

From weightlifting and cardio equipment to spin and yoga classes – outdoor walking trails to weekend intramurals – you'll have no trouble keeping fit while on campus.

rrc.ca/athletics

LIBRARIES

Stocked with everything you need to make the grade! Access our entire catalogue of books, periodicals, and online databases and computer labs, as well as media services, titles, and computer and audio-visual equipment. Reciprocal agreements with the University of Manitoba and University of Winnipeg provide access to materials from those schools, as well.

rrc.ca/library

PARKING

Spaces at the Notre Dame Campus are available on a first come, first served basis with the purchase of a monthly/annual permit, or an hourly/daily pass from a ticket dispenser. Students who carpool are eligible for reduced rates and priority parking. In the Exchange District, daily and monthly parking is available at nearby parkades.

rrc.ca/parking

HOUSING

Mixing comfort and convenience, our student residences are housed in the Paterson GlobalFoods Institute, close to many of the city's best shops, restaurants and nightclubs. With space for 100 students, the residence is an exciting addition to Winnipeg's downtown – allowing you to work, dine and play in the heart of the historic Exchange District.

rrc.ca/campusliving

HEALTH SERVICES

Located at both the Notre Dame and Exchange District Campuses, our Health Service Centres are staffed by professional nurses who can respond to emergency medical situations, and provide healthy lifestyle information and tips for avoiding illness. If you're feeling under the weather, they can help get you back on your feet as soon as possible!

rrc.ca/health

SAFETY AND SECURITY

We take a proactive approach to maintaining a safe, secure environment, providing 24-hour patrols, SafeWalk escorts for students, and emergency call boxes throughout our campuses.

rrc.ca/security

Diversity at Red River College

We're dedicated to providing an atmosphere of respect, inclusiveness, equity and support for all students. We serve students from all demographics and corners of the globe, and our culturally diverse campuses are a great destination for international learners wishing to study and work in Canada.

DIVERSITY AND INTERCULTURAL SERVICES

We're committed to helping immigrant and international students adjust to campus life, local culture and the Canadian workplace – by providing College preparation and orientation info, integration services, cross-cultural mentorship opportunities and a range of workshops and social activities.

Our efforts ensure students develop valuable intercultural skills to achieve success in today's global work environment and contribute to our diverse community.

If you have immigrated to Manitoba and would like to pursue your post-secondary education at RRC, contact us at **204.949.8393** or online at rrc.ca/requestinfo.

LGBTB* INITIATIVE

We're equally committed to fostering a safe campus environment by ensuring everyone has the chance to work, learn and access services in an inclusive and welcoming manner.

Open to all students, staff and faculty, the College's LGBTB* Initiative provides educational opportunities and ally training resources that help build communication, understanding and respect throughout our campuses.

Study in the heart of Canada

International Education

We know that international students face many challenges when moving to a new country.

Our International Education department can help you make a smooth transition to your new life in Canada, by providing:

- Assistance with applications and representation, ensuring timely admission and registration
- Special counselling and advice to ensure academic and personal success
- Student residence and accommodation referrals
- International student activities
- Summer language training camps
- Workshops on the Manitoba Provincial Nominee Program

We currently host students from 59 different countries, and continue to expand our reach through innovative partnerships with institutions around the world. These agreements allow RRC students to receive accreditation through joint diploma programs, while giving staff and students from partner institutions the chance to share their expertise through study exchanges.

Indigenous Support Services

Education. Support. Access. Community.

RRC's School of Indigenous Education offers a range of academic programs and supports to ensure the retention and success of our Indigenous students. Our goal is to help you maximize your potential in the classroom, while feeling welcomed and comfortable as part of the larger College community. (See page 32 for a full list of Indigenous Education programs.)

Serving students from throughout Manitoba, our Indigenous Student Support and Community Relations team includes Elders in Residence, Wellness Counsellors, Student Support Representatives, and Indigenous Liaison Advisors.

From community feasts to our annual Graduation Pow Wow, we strive to incorporate an Indigenous worldview – both inside and outside the classroom.

We believe education shouldn't be a solitary journey, rather one that's supported by a community of friends and peers.

Contact our Indigenous Liaison Advisors for info on programs, admission requirements, financial supports and housing referrals. They can help you with your application, and tell you what to expect if you're relocating to Winnipeg for the first time.

Apply

DUE TO HIGH DEMAND, SPACE IN OUR PROGRAMS IS SOMETIMES LIMITED. APPLY EARLY FOR ADMISSION INTO THE NEXT AVAILABLE START DATE.

Today

Once you've selected your RRC program of choice, check the Admission Requirements online at rrc.ca/catalogue to ensure you're eligible, then follow these easy steps to apply:

STEP 1: FILL OUT AN APPLICATION FORM

Apply online at rrc.ca/howtoapply, or in person at any Student Service Centre. Applying early will improve your chances of admission to the next available start date. Some programs have specific application dates, so be sure to check deadlines at rrc.ca/catalogue.

STEP 2: PAY THE APPLICATION FEE

Pay your non-refundable/non-transferable application fee at the same time you apply.

STEP 3: SUBMIT YOUR REQUIRED DOCUMENTATION WITHIN 30 DAYS

Required documentation includes: official transcripts indicating successful completion of academic requirements (note: most but not all programs also accept confirmation of enrolment), and proof of completion of various other admission requirements.

If you provide confirmation of enrolment, your official final grades indicating successful completion must be submitted by July 15 for fall enrolment or by the deadline specified in your admission letter.

If you have any questions about applying, contact our Student Service Centre:

**204.632.2327 or 1.800.903.7707
register@rrc.ca**

DISABILITY AND COMMUNITY SUPPORT

TUITION: \$3,500-\$4,000/YEAR

BOOKS/SUPPLIES: \$500-\$1,000/YEAR

Develop the knowledge, skills and values to support, care for and enhance the development of individuals with disabilities in a variety of community settings. Learn how to assist individuals in planning and achieving personal goals, and in maintaining their health and well-being.

Career Opportunities:

Community residential programs, employment programs, developmental services worker

rrc.ca/dis

EARLY CHILDHOOD EDUCATION

TUITION: \$3,500-\$4,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$1,500-\$2,000,

YEAR 2 - \$500-\$1,000

Prepare for a career providing high-quality child care in the community. Learn how to plan learning experiences that stimulate children's intellectual, physical, emotional and social development. A practicum component provides you with experience working with young children in a variety of children's centres.

Career Opportunities:

Daycare centres, nursery schools, Level 2 Early Childhood Educator

rrc.ca/ech

EARLY CHILDHOOD EDUCATION WORKPLACE

TUITION: \$3,500-\$4,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$1,500-\$2,000,

YEAR 2 - \$500-\$1,000

Complete this program on an accelerated basis by attending classes two full days per week, and working at a daycare centre the other three days. Learn how to plan appropriate learning experiences that stimulate the intellectual, physical, emotional and social development of young children.

rrc.ca/ecw

LIBRARY AND INFORMATION TECHNOLOGY

TUITION: \$4,000-\$4,500/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$1,000-\$1,500,

YEAR 2 - 0-\$500

Attain the public service and technical skills to work in libraries and other related settings. Learn how to use both manual and automated systems for acquiring, organizing and disseminating information in a variety of formats.

Career Opportunities:

Library technician/assistant, information specialist, research assistant/analyst

rrc.ca/lit

THERAPEUTIC RECREATION FACILITATOR FOR OLDER ADULTS

TUITION: \$9,500-\$10,000

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES: 0-\$500

Gain the skills to provide recreational programming and services for older adults. Learn to design, implement and evaluate programs for clientele in various settings, including personal care homes, extended hospital care, adult day cares and other community-based programs.

Career Opportunities:

Long-term care facilities, hospitals, rehabilitation centres, adult day centres and community-based settings

rrc.ca/rec

COMPUTER AND INFORMATION SYSTEMS TECHNOLOGY

BUSINESS INFORMATION TECHNOLOGY

TUITION: YEAR 1 - \$4,000-\$4,500, YEAR 2 - \$5,000-\$5,500

BOOKS/SUPPLIES: YEAR 1 - \$2,500-\$3,000,

YEAR 2 - \$1,000-1,500

Gain a solid foundation in information technology (IT), with a focus on database management, network management, application development and web development. Program includes training in technical and business fields, plus practical experience through industry projects and paid co-op work terms.

Career Opportunities:

Specialists in areas such as networking, client/server programming, database management or electronic commerce; application developer; information manager

rrc.ca/bit

BUSINESS TECHNOLOGY MANAGEMENT

TUITION: YEAR 1 - \$8,500-\$9,000, YEAR 2 - \$9,500-\$10,000

BOOKS/SUPPLIES: YEAR 1 - \$2,000-2,500,

YEAR 2 - \$1,000-1,500

Provides graduates with the knowledge and skills required to analyze, design and manage projects and business in the IT field, by building on a combined set of IT and business courses. You'll be exposed to a variety of case studies and practical skills to help you become effective in advising or managing teams.

Career Opportunities:

Business analyst, management consultant, project leader/manager, systems architect

rrc.ca/btm

INTRODUCTION TO BUSINESS INFORMATION TECHNOLOGY

TUITION: \$2,000-\$2,500

BOOKS/SUPPLIES: \$500-\$1,000

Designed for applicants who don't meet the admission requirements of the two-year Business Information Technology (BIT) program. Curriculum includes both preparatory courses and some Term 1 BIT courses, which will reduce the Term 1 course load for those continuing on into the BIT program.

rrc.ca/ibt

NETWORK SERVICES TECHNICIAN

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$1,230

Develop a general knowledge base that can be applied to both the SOHO networking environment and junior positions in larger corporate IT departments. You'll attain a broad-based competency in a number of key areas; no prior IT knowledge required.

In automated factories as installers and maintenance staff, in medical electronics, and computer services and with public utilities.

rrc.ca/nst

INDUSTRIAL NETWORKING TECHNICIAN

TUITION: \$2,000-\$2,500

BOOKS/SUPPLIES: TBA

Enhance your understanding of the role that Ethernet/IP-based data transport plays in industrial systems, such as manufacturing automation and power utility protection and control.

Training is aimed at the graduate technologist or engineer in the industrial control and power utility professions.

rrc.ca/ind

CREATIVE ARTS

3D COMPUTER GRAPHICS

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$500-\$1,000

Designed for industry professionals and/or graduates of Digital Media Design (or equivalent programs) who wish to upgrade their skills. Studies focus on new skill requirements in areas such as advanced 3D graphics, animation and production management.

Career Opportunities:

Visual effects artist, motion graphics, video game development, medical imaging

rrc.ca/3dg

CREATIVE COMMUNICATIONS

TUITION: \$4,500-\$5,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$4,500-\$5,000,
YEAR 2 - \$1,500-\$2,000

Prepare for a career in advertising, media production, journalism and public relations. Explore e-publishing, web design, social media, creative writing, photojournalism, business and marketing. Gain industry experience through six weeks of work placements.

Career Opportunities:

Advertising agencies, public relations/communications departments, TV/radio stations, copywriter, journalist, social media coordinator, etc.

rrc.ca/cre

DIGITAL MEDIA DESIGN

TUITION: \$4,500-\$5,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$4,500-\$5,000,
YEAR 2 - \$1,500-\$2,000

Explore techniques and philosophies of graphic and new media/web design, through a blend of design instruction, web and interactive technologies, and academic courses. Major in 3D animation, web design, or video and motion graphics.

Career Opportunities:

Web design, 3D animators, video post-production technicians, broadcast graphics designers

rrc.ca/dmd

GRAPHIC DESIGN

TUITION: \$4,500-\$5,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$4,500-\$5,000,
YEAR 2 - \$1,000-\$1,500

Study the technology, techniques and philosophy of graphic design, through a blend of art instruction and academic courses. Develop the knowledge and technical skills essential to professional competence; gain practical work experience through industry field placements.

Career Opportunities:

Advertising agencies, design studios, newspapers, magazines, TV and film studios, production specialist, graphic designer, illustrator, art director

rrc.ca/gde

GRAPHIC DESIGN - ADVANCED

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$3,000-\$3,500

Designed for industry professionals wishing to upgrade their existing skills. Focus on new skill requirements such as advanced computer, marketing and production management. Major in Advanced Communication Design, New Electronic Media, Production Management, Advanced Prepress Production and Advanced Illustration.

Career Opportunities:

Advertising agencies, graphic design studios, retail stores, magazine publishers, TV and film industry, freelance

rrc.ca/gda

PROFESSIONAL PHOTOGRAPHY

TUITION: \$8,000-\$8,500

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES: 0-\$500

Study the technical and creative aspects of digital imaging and processing. Explore digital image manipulation, lighting, SLR operation, exposure, composition, printing, editing, retouching and processing. Learn project management and entrepreneurial skills required to operate a successful business.

Career Opportunities:

Professional photographer

rrc.ca/pho

RESIDENTIAL DECORATING

TUITION: \$5,000-\$5,500

BOOKS/SUPPLIES: 0-\$500

OTHER FEES: 0-\$500

Learn to manage decorating projects and apply design principles that enhance the function and quality of interior and exterior living environments. Gain the skills required to analyze your clients' needs for development of furniture floor plans, product purchases and installation arrangements.

Career Opportunities:

Residential decorators in a variety of organizations, sales consultants in home improvement retail stores, decorating consultants

EDUCATION

BUSINESS/TECHNOLOGY TEACHER EDUCATION

TUITION: YEAR 1-4 - \$4,500-\$5,000/YEAR,
YEAR 5 - \$2,000-\$2,500

BOOKS/SUPPLIES: \$500-\$1,000/YEAR^{1,2}

Develop teaching and technical skills related to business practices, including management, accounting, marketing, IT, digital photography, film, animation and multimedia. Successful completion results in a Bachelor of Arts and a Bachelor of Education degree from the University of Winnipeg, and a diploma in Business/Technology Teacher Education from RRC.

Career Opportunities:

Teacher in MB secondary schools

¹ TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEARS 1-5, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

² FEES ARE BASED ON ONE 90-HOUR COURSE/TERM AT RRC.

rrc.ca/bte

BUSINESS/TECHNOLOGY TEACHER EDUCATION - ACCELERATED

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$500-\$1,000

Designed for certified teachers holding a Bachelor of Education degree. Develop teaching and technical skills related to business practices, including management, accounting, marketing, IT, digital photography, film, animation and multimedia. Emphasis is on teaching methodology and educational theory.

rrc.ca/bta

BUSINESS/TECHNOLOGY TEACHER EDUCATION - AFTER DEGREE

TUITION: \$4,000-\$4,500/YEAR¹

BOOKS/SUPPLIES: \$500-\$1,000/YEAR

Joint Bachelor of Education degree program with the University of Winnipeg, for those with an undergraduate degree. (Completion time depends on the type of degree you hold.) Develop teaching and technical skills related to business practices, including management, accounting, marketing, information technology, digital photography, film, animation and multimedia. Emphasis is on teaching methodology and educational theory.

¹ TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEAR 3, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

rrc.ca/btd

EDUCATIONAL ASSISTANT

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$0-\$500

OTHER FEES: 0-\$500

Prepare for a career in an educational setting, supporting the work of teachers and clinicians. Explore the developmental needs of children, and the instructional strategies to meet those needs. Focus on topics ranging from inclusive education and learner characteristics to supporting the learning environment, managing behaviour, and professionalism.

Career Opportunities:

Educational assistant

rrc.ca/eac

INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION

TUITION: YEAR 1-4 - \$4,500-\$5,000,

YEAR 5 - \$2,000-\$2,500^{1,2}

BOOKS/SUPPLIES: \$500-\$1,000/YEAR

Develop the skills for teaching industrial arts and technology programs in public schools. Explore manufacturing, power and energy, graphic communications, construction, computer applications, and teaching methodology. Successful completion results in a diploma in Industrial Arts Teacher Education from RRC, as well as a Bachelor of Arts degree and a Bachelor of Education degree from the University of Winnipeg.

¹ STUDENTS REGISTER AT BOTH UWINNIPEG AND RRC. THE COSTS AT UWINNIPEG MUST BE ADDED TO THESE FIGURES.

² FEES ARE BASED ON ONE 90-HOUR COURSE/TERM AT RRC.

rrc.ca/iae

INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION - ACCELERATED

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$500-\$1,000

This accelerated diploma program is designed for certified teachers holding a Bachelor of Education degree.

Emphasis is on technical knowledge and skills in industrial arts, combined with teaching methodology required for the teaching major in this subject area.

rrc.ca/ita

INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION - AFTER DEGREE

TUITION: \$4,000-\$4,500/YEAR¹

BOOKS/SUPPLIES: \$500-\$1,000/YEAR

This program is for those holding an undergraduate degree. Develop the teaching and technical skills for teaching industrial arts and technology education programs in public schools. Emphasis in the RRC portion is on developing skills in industrial arts/technology, combined with teaching methodology required for the teaching major in these areas.

¹ TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEAR 3, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

rrc.ca/itd

TECHNICAL VOCATIONAL TEACHER EDUCATION

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$500-\$1,000

Explore teaching methodology, the development of courses and computer applications, and the design of facilities for delivery of vocational education programs. Eighteen weeks of the program will be spent teaching in a local high school setting. Successful completion results in a diploma from RRC; grads are eligible for a Special Vocational Teaching Certificate issued by Manitoba Education and Advanced Learning.

ENGINEERING AND CONSTRUCTION TECHNOLOGY

APPLIED ENVIRONMENTAL STUDIES

TUITION: YEAR 3 - \$4,000-\$4,500¹

BOOKS/SUPPLIES: YEAR 3 - \$500-\$1,000¹

4 5 JD + D N W CO-OP

Build theoretical and applied knowledge in environmental analysis and problem solving skills. Program includes a six-month co-op work term. Graduates of the four-year program receive a joint Bachelor of Science degree from the University of Winnipeg and RRC; grads of the five-year program also earn a diploma in Environmental Protection Technology.

Career Opportunities:

Laboratories, environmental industry, health-care industry, lab technician

¹ REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

rrc.ca/aes

CIVIL ENGINEERING TECHNOLOGY

TUITION: YEAR 1 - \$5,500-\$6,000¹, YEAR 2 - \$4,500-\$5,000 (DEPENDING ON MAJOR), YEAR 3 - \$3,500-\$4,000 (DEPENDING ON MAJOR)

BOOKS/SUPPLIES: YEAR 1 - \$2,500-\$3,000, YEAR 2,3 - \$500-\$1,000 (DEPENDING ON MAJOR)

3 2 D N LAP CO-OP

A common first year provides training in construction engineering, environmental protection and geomatics technologies, setting the stage for the diploma and certificate programs listed on this page. Topics covered include algebra and trigonometry, chemistry, statics and strength of materials, surveying, technical communications, technical drafting and WHMIS.

¹ AFTER COMPLETING YEAR 1, STUDENTS REGISTER INTO THE APPLICABLE CAD TECHNOLOGY PROGRAM FOR YEAR 2, OR CIVIL TECHNOLOGY PROGRAM FOR YEARS 2 AND 3.

CIVIL ENGINEERING TECHNOLOGY (32 MONTHS)

ARCHITECTURAL/ENGINEERING TECHNOLOGY

Explore engineering and architectural construction systems for careers in design and construction of building systems, computer-aided design and drafting, site inspection and supervision, construction project and administration management, technical sales and support, building sciences, and environmental systems.

ENVIRONMENTAL ENGINEERING TECHNOLOGY

Study principles and applications of environmental technology for careers in waste disposal and water supply, reuse and recycling, workplace health and safety, integrated project management and quality control.

GEOMATICS TECHNOLOGY

Gain skills for a career in surveying, including design and construction of civil works, computer-aided surveying applications and drafting, mapping, photogrammetry and cartography, as well as land surveying and measurement.

MUNICIPAL ENGINEERING TECHNOLOGY

Study the principles and applications required for careers in design and construction of civil works and municipal, computer-aided design and drafting, infrastructure, project inspection, testing and supervision, construction administration and project management, as well as technical sales and support.

STRUCTURAL ENGINEERING TECHNOLOGY

Develop the skills and knowledge of structural design and analysis for careers in design and construction of building systems, computer-assisted design and drafting, site inspection, testing and supervision, and project management.

CAD TECHNOLOGY PROGRAMS (20 MONTHS)

BUILDING DESIGN TECHNOLOGY

Explore principles of architectural and structural systems; prepare for careers in computer-aided drafting, design and construction of building systems, site inspection and supervision, contract administration and project coordination, technical sales and support, and building sciences.

rrc.ca/cet

CONSTRUCTION MANAGEMENT

TUITION: YEAR 1-3 - \$7,000-\$7,500, YEAR 4 - \$6,000-\$6,500

BOOKS/SUPPLIES: YEAR 1 - \$2,000-\$2,500

YEAR 2-4 - \$0-500

4 DG N LAP CO-OP

This degree program focuses on heavy, industrial/commercial and residential construction, and is designed to develop managerial expertise for those in the skilled trades and engineering or engineering technologies. Prepare for Canadian Construction Association Gold Seal exams and the Leadership in Energy and Environmental Design (LEED) Green Associate exam. Three six-month co-op work terms provide practical hands-on experience.

rrc.ca/con

ELECTRICAL ENGINEERING TECHNOLOGY

TUITION: YEAR 1,2 - \$5,000-\$5,500/YEAR,

YEAR 3 - \$2,000-\$2,500

BOOKS/SUPPLIES: \$1,000-\$1,500/YEAR

After acquiring a solid foundation in the common first year, you'll major in one of the areas listed below.

ELECTRICAL ENGINEERING TECHNOLOGY

Train for entry-level employment as an engineering technologist in such fields as electrical utility systems, consulting engineering and electrical contracting.

ELECTRONIC ENGINEERING TECHNOLOGY

Learn about electronic circuits used for amplifiers, AM/FM radio, programmable logic, control systems, biomedical applications, microprocessor control, high-frequency circuits, and other technologies.

INSTRUMENTATION AND CONTROL ENGINEERING TECHNOLOGY

Gain the knowledge and skills for careers involving calibrating systems used to measure, record and control industrial process variables.

rrc.ca/eet

GEOGRAPHIC INFORMATION SYSTEMS TECHNOLOGY

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$1,000-\$1,500

Designed for those with technical and conceptual skills in the design, development and implementation of geographic information systems (GIS). You'll explore underlying concepts in technology management, data collection, data manipulation, data analysis and cartographic presentation.

Career Opportunities:

Engineering consulting, surveying and mapping, GIS programming

rrc.ca/gis

INTRODUCTION TO ELECTRICAL ENGINEERING TECHNOLOGY

TUITION: \$2,000-\$2,500

BOOKS/SUPPLIES: \$500-\$1,000

Designed to provide a solid foundation in Electrical, Electronic, or Instrumentation Engineering Technology for those who don't meet the admission requirements for the 28-month Electrical Engineering Technology program.

rrc.ca/iee

MANUFACTURING COMPUTER AIDED DRAFTING (CAD)

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$500-\$1,000

Learn to produce computer-aided mechanical drawings of components and assemblies of industrial machines, machinery parts and other mechanical equipment.

Career Opportunities:

Technical representatives, sales persons, designers, shop inspectors, engineering firms, consulting firms, manufacturing companies, utility companies, aerospace

rrc.ca/cad

MECHANICAL ENGINEERING TECHNOLOGY

TUITION: YEAR 1, 2 - \$5,000-\$5,500/YEAR,

YEAR 3 - \$2,000-\$2,500

BOOKS/SUPPLIES: \$1,000-\$1,500/YEAR

Explore the design and production stages of high-quality manufactured goods. Topics include design, manufacturing methods, quality assurance, equipment selection, computer-aided engineering, building systems design and control, mechanical analysis, computer applications, supervision and management.

Career Opportunities:

Design, manufacturing, technical sales, CAD designer, production supervisor

HEALTH SCIENCES

ANIMAL HEALTH TECHNOLOGY

TUITION: \$4,000-\$4,500/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$1,000-\$1,500,

YEAR 2 - 0-\$500

Explore a rewarding career working with animals. Learn to perform medical procedures under the supervision of veterinarians, including anaesthesia induction and monitoring, surgical nursing, lab testing, dentistry, diagnostic imaging, emergency care, and routine clinic procedures.

Career Opportunities:

Private veterinary practices, farm production units, research laboratories, zoological collections, federal or provincial governments

rrc.ca/aht

APPLIED BIOLOGY

TUITION: YEAR 3 - \$4,000-\$4,500¹

BOOKS/SUPPLIES: YEAR 3 - \$500-\$1,000¹

Gain theoretical and applied knowledge of cell and molecular biology, and other skills required to succeed in the field of biotechnology. Years 1, 2 and 4 are offered at the University of Winnipeg, while Year 3 is at RRC. You'll be required to complete 20 full-course equivalents for this joint program.

Career Opportunities:

Laboratories, the food industry, agriculture, lab technician, research assistant

¹ REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

rrc.ca/bio

APPLIED CHEMISTRY

TUITION: YEAR 3 - \$4,000-\$4,500¹

BOOKS/SUPPLIES: YEAR 3 - \$500-\$1,000¹

Specialize in environmental or industrial chemistry, while meeting the requirements of both the University of Winnipeg's four-year Chemistry major and RRC's two-year Science Laboratory Technology program. Years 1, 2 and 4 are offered at the University of Winnipeg, while Year 3 is at RRC. You'll be required to complete 20 full-course equivalents for this joint program.

Career Opportunities:

Chemical laboratories, the health-care industry, the environmental industry, lab technician, research assistant

¹ REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

rrc.ca/chm

BRIDGING PROGRAM FOR INTERNATIONALLY EDUCATED NURSES

TUITION: PER LEVEL - \$4,000-\$4,500

BOOKS/SUPPLIES: PER LEVEL - \$500-\$1,000

This program prepares internationally educated nurses to work as registered nurses in Manitoba. Take Level 1 (at RRC's Language Training Centre) to upgrade your English skills; take Level 2 if required by the College of Registered Nurses of Manitoba to enhance your knowledge and skills before writing the Canadian Registered Nurses Exam. For info on Level 2, contact:

College of Registered Nurses of Manitoba Registration Services

P: 1.204.784.5181 or toll-free

1.800.665.2027, ext. 181 (Manitoba only)

E: registration@crnm.mb.ca

rrc.ca/ien

DENTAL ASSISTING

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$1,000-\$1,500

Accredited by the Commission on Dental Accreditation of Canada, this program helps you develop the skills to assist dentists. Learn about dental procedures, handling and mixing materials, sterilization and lab procedures and preparation of equipment. Program also includes a supervised practicum working alongside students from the University of Manitoba's Faculty of Dentistry, and in a private dental office.

Career Opportunities:

Private dental clinics, hospital dental clinics, dental assistant

rrc.ca/den

DIAGNOSTIC CARDIAC SONOGRAPHY - ECHOCARDIOGRAPHY

TUITION: \$6,000-\$6,500

BOOKS/SUPPLIES: \$300

OTHER FEES: \$500-\$1,000

As part of the patient care team, diagnostic cardiac sonographers apply high-frequency sound waves to assess patients and provide information to cardiologists for diagnoses and health status monitoring.

This program prepares you to conduct echocardiography exams focusing on the heart. Content is cross-referenced to the national competency profile established by Sonography Canada.

Career Opportunities:

Diagnostic cardiac sonographers

rrc.ca/dia

DIAGNOSTIC MEDICAL SONOGRAPHY - ULTRASOUND

TUITION: \$6,000-\$6,500/YEAR

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES: \$500-\$1,000

Through a mix of theoretical and clinical training, prepare to conduct ultrasound examinations, focusing on areas such as obstetrics and gynecology, abdomen and superficial structures, and vascular sonographic studies.

Career Opportunities:

Sonographer in urban/rural hospitals or private clinics; related teaching, management and research positions; application specialists, technical advisors or representatives for diagnostic image equipment and supply manufacturers

rrc.ca/ult

HEALTH CARE AIDE

TUITION: \$2,500-\$3,000

BOOKS/SUPPLIES: 0-\$500

OTHER FEES: 0-\$500

Train to become a health-care worker who under the supervision of a nurse assists patients, personal care home residents and home care clients with meeting their physical, emotional and social needs, while also maintaining their independence.

Career Opportunities:

Hospitals, care homes or agencies; health care aide

rrc.ca/hca

HEALTH UNIT CLERK

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$500-\$1,000

OTHER FEES: 0-\$500

Acquire the knowledge and skills required to function as part of the health-care team. Learn to maintain patient and unit records, manage unit supplies, and process physician, diagnostic and laboratory orders.

rrc.ca/huc

MAGNETIC RESONANCE IMAGING (MRI) AND SPECTROSCOPY

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$2,000-\$2,500

OTHER FEES: \$1,000-\$1,500

This program is designed for qualified medical radiation technologists, providing a state-of-the-art education on magnetic resonance instrumentation, methodologies and techniques. Upon graduation, you will be prepared to write the National Certification examinations.

Career Opportunities:

Hospitals, specialized clinics, MRI specialist

rrc.ca/mri

MEDICAL DEVICE REPROCESSING TECHNICIAN

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$500-\$1,000

OTHER FEES: \$0-\$500

Enhance your knowledge and technical skills through both theoretical and practical training. Learn more about the decontamination, cleaning, processing, assembly, sterilization, storage and distribution of medical devices and supplies within a health-care setting.

Career Opportunities:

Medical device reprocessing technician

rrc.ca/mdr

MEDICAL LABORATORY SCIENCES

TUITION: \$5,000-\$5,500/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$2,000-\$2,500

OTHER FEES: \$500-\$1,000

Learn to collect, prepare and analyze blood, body fluids and tissue samples – and to interpret your results. Become proficient in the five disciplines of lab work: Chemistry, Hematology, Histology, Microbiology, and Transfusion Science. Year 2 includes clinical training in diagnostic labs, where you'll gain experience interacting with patients and health-care professionals.

Career Opportunities:

Hospital laboratories, private laboratories, Regional Health Authority laboratories, Laboratory Centre for Disease Control, pharmaceutical laboratories, Canadian Blood Services, or industrial or commercial laboratories

rrc.ca/mls

MEDICAL RADIOLOGIC TECHNOLOGY

TUITION: \$4,500-\$5,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$2,500-\$3,000

OTHER FEES: YEAR 1 - 0-\$500, YEAR 2 - \$500-\$1,000

Prepare for a career performing diagnostic/interventional imaging procedures using ionizing radiation and diagnostic imaging equipment. Gain the academic foundation and supervised practical experience required to take X-rays of the human body.

Career Opportunities:

Hospitals, clinics, medical radiologic technologist

rrc.ca/mrt

NURSING

TUITION: YEAR 1 - \$6,500-\$7,000, YEAR 2,3 - \$8,000-\$8,500/YEAR, YEAR 4 - \$1,000-\$1,500

BOOKS/SUPPLIES: YEAR 1 - \$2,500-\$3,000,

YEAR 2, 3 - \$1,500-\$2,000*

RRC's Nursing program is 32 months in length (equivalent to four academic years). Each year of study is 10 months long, followed by a senior practicum of 450 hours. Following successful completion, you'll receive a Bachelor of Nursing degree and will be eligible to write the Canadian Nurse Registration Exam, successful completion of which entitles you to become a member of the College of Registered Nurses of Manitoba, and to use the designation Registered Nurse.

Career Opportunities:

Nurse

*SENIOR PRACTICUM FEES IN ADDITION TO THE TUITION, BOOKS/SUPPLIES.

rrc.ca/nur

OCCUPATIONAL HEALTH AND SAFETY

TUITION: \$8,000-\$8,500

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES: 0-\$500

Learn the roles and responsibilities of an occupational health and safety practitioner, including risk management; hazard recognition, control and prevention; and safety management systems in the workplace. Gain hands-on training through the program's work experience component.

rrc.ca/ohs

PARAMEDICINE - ADVANCED CARE PARAMEDICINE

TUITION: \$5,000-\$5,500/YEAR

BOOKS/SUPPLIES: \$500-\$1,000

This program is designed to provide paramedics with advanced knowledge and skills in emergency health care and prepare them to function as leaders in emergency situations. Graduates will have the ability to care for patients of all ages and administer advanced medical treatment measures.

Career Opportunities:

Advanced care paramedic

rrc.ca/acp

PARAMEDICINE - PRIMARY CARE PARAMEDICINE

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$1,500-\$2,000

Gain the academic and clinical experience to work in the field of emergency medical services. Program's academic component will be delivered in class in Winnipeg and by video delivery to three remote locations throughout Manitoba. Program is based on the national occupational competency profile for Paramedicine - Primary Care Paramedicine; graduates can challenge the licensing exams for Technician-Paramedic.

Career Opportunities:

Paramedics, emergency personnel

rrc.ca/pcp

PHARMACEUTICAL MANUFACTURING

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: 0-\$500

Develop the skills required for employment in the production of pharmaceutical, biotechnology and related products, including over the counter and prescription drugs, vaccines, analgesics, antibiotics and other drugs for life threatening diseases. Program consists of two main streams: Solid Dosage and Biopharmaceutical Processing.

Career Opportunities:

Production technicians with Manitoba pharmaceutical manufacturing companies

rrc.ca/phm

QA/QC IN THE PHARMACEUTICAL INDUSTRY

TUITION: \$5,000-\$5,500

BOOKS/SUPPLIES: \$500-\$1,000

Gain instruction in the concept of quality assurance in a manufacturing environment controlled by good practices, quality systems and regulatory agencies. Learn analytical instrumental techniques, calibration of common lab equipment, and testing of raw materials and finished product as performed by a quality control laboratory.

Career Opportunities:

Quality control or quality assurance laboratories at pharmaceutical manufacturing companies

rrc.ca/qac

SCIENCE LABORATORY TECHNOLOGY

TUITION: \$5,000-\$5,500/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$1,500-\$2,000,

YEAR 2 - 0-\$500

Become a laboratory technologist in an industrial, government or commercial laboratory. Explore applied lab skills, analytical and organic chemical procedures, microbiology techniques, and biochemical methods. Specialized techniques in molecular biology, immunology, tissue culture and instrumentation are emphasized. Program includes a paid co-op work placement providing valuable on-the-job experience.

Career Opportunities:

Research chemistry, analytical chemistry, quality control, biotechnologies specializing in: research, quality control, environmental topics, pharmaceutical topics

rrc.ca/sit

HOSPITALITY

CULINARY ARTS

TUITION: \$5,500-\$6,000/YEAR

BOOKS/SUPPLIES: YEAR 1 - \$2,000-\$2,500,

YEAR 2 - \$500-\$1,000

OTHER FEES: 0-\$500

     **LAP CO-OP** 

Learn to cook like a master chef while meeting the challenges of the sophisticated and demanding hospitality industry. A full-service restaurant and on-campus facilities allow you to gain experience preparing and serving. Graduates can write the Red Seal Exam after meeting the practical hours requirement.

Career Opportunities:

Hotels, restaurants, commercial cook, chef

rrc.ca/cul

HOSPITALITY AND TOURISM MANAGEMENT

TUITION: \$5,000-\$5,500/YEAR

BOOKS/SUPPLIES: \$1,500-\$2,000/YEAR

OTHER FEES: 0-\$500

    **LAP CO-OP** 

Learn hotel and restaurant management through the study of hospitality-related courses, practical lab training and industry work experience. After a common first year you will major in Tourism or Hotel and Restaurant Management.

Career Opportunities:

Hotels, restaurants, front desk manager, food and beverage manager, executive housekeeper, festivals and events

rrc.ca/htm

PROFESSIONAL BAKING AND PATISSERIE

TUITION: \$5,500-\$6,000

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES: 0-\$500

    **LAP CO-OP** 

Learn how to produce commercial quantities of breads, rolls, sweet dough, pastries, cookies, cakes and desserts. Training is provided through a combination of classroom instruction, practical lab, and off-campus co-op work experience.

Career Opportunities:

Large in-store bakeries and smaller bakery operations, hotels, resorts and franchises

INDIGENOUS EDUCATION

ABORIGINAL PROGRAM FOR COLLEGE ENRICHMENT AND TRANSITION

TUITION: \$3,500-\$4,000

BOOKS AND SUPPLIES: \$500-\$1,000

Explore individual and cultural identity. Establish direction, explore career opportunities and create a lifelong learning path, while obtaining prerequisites for entry into technical and academic programs or the workforce.

rrc.ca/aet

COMMUNITY DEVELOPMENT/ COMMUNITY ECONOMIC DEVELOPMENT

TUITION: \$3,500-\$4,000/YEAR

BOOKS AND SUPPLIES: \$500-\$1,000/YEAR

Become an agent of change in communities experiencing barriers to development. Learn how to recognize and use a community's gifts and assets, promote social inclusion and participation at all levels of transformation, understand power dynamics and ethical issues, and use practical facilitation skills to aid in your work.

Career Opportunities:

Agencies working in inner-city neighborhoods

rrc.ca/ced

INTRODUCTION TO TRADES

TUITION: \$2,000-\$2,500

BOOKS AND SUPPLIES: \$500-\$1,000

Prepare for entry into existing RRC trades programs. This introductory program incorporates an Indigenous perspective that reinforces cultural identity and enhances self-esteem and pride, allowing students to connect with traditional values and beliefs.

rrc.ca/itr

SKILLED TRADES

CABINETS AND WOODWORKING

DIPLOMA TUITION: YEAR 1 - \$5,000-\$5,500,

YEAR 2 - \$4,000-\$4,500

DIPLOMA BOOKS/SUPPLIES: \$500-\$1,000/YEAR

CO-OP

CERTIFICATE TUITION: \$2,000-\$2,500

CERTIFICATE BOOKS/SUPPLIES: \$500-\$1,000

Develop the skills to produce cabinets, furniture and other wood products. Gain knowledge and experience through a blend of classroom studies and hands-on workshop practice. Topics include construction and finishing techniques.

rrc.ca/cww (certificate)

rrc.ca/cwt (diploma)

CARPENTRY

TUITION: \$2,500-\$3,000

BOOKS/SUPPLIES: \$500-\$1,000

Gain the skills required to enter the carpentry trade or a related apprenticeship program. Learn about woodworking machines, blueprint reading and sketching, and safe working practices, while developing skills in framing, roofing and surveying.

Career Opportunities:

Commercial construction, house building, factories or building material companies

rrc.ca/car

ELECTRICAL

TUITION: \$2,500-\$3,000

BOOKS/SUPPLIES: \$500-\$1,000

Develop the knowledge and skills required for employment in the electrical construction industry, public utilities and motor repair facilities, or with manufacturers and distributors of electrical equipment. Gain knowledge in the fundamentals of electricity, electrical codes, wiring practices and trade safety awareness.

Career Opportunities:

Utility companies, contractors, manufacturers

GREENSPACE HORTICULTURE

DIPLOMA TUITION: YEAR 1, 2 - \$5,000-\$5,500/YEAR,

YEAR 3 - \$2,000-\$2,500

DIPLOMA BOOKS/SUPPLIES: YEAR 1 - \$2,500-\$3,000,

YEAR 2 - \$500-\$1,000, YEAR 3 - 0-\$500

CERTIFICATE TUITION: \$4,000-\$4,500

CERTIFICATE BOOKS/SUPPLIES: \$2,000-\$2,500

This program develops the foundational knowledge and skills required to work in (certificate) or construct and manage (diploma) landscaped areas such as parks, golf courses, athletic fields, botanical gardens and cemeteries.

Career Opportunities:

Golf courses, parks, cemeteries, groundskeeper, landscape technician, gardener

rrc.ca/gre (certificate)
rrc.ca/grh (diploma)

MANUFACTURING TECHNICIAN

TUITION: \$4,500-\$5,000/YEAR

BOOKS/SUPPLIES: 0-\$500/YEAR

Prepare for a career as a manufacturing technician by studying processes such as conventional machining and metal forming operations, composites, and advanced manufacturing methods. Focus on Computer Numerical Control (CNC) machine operation and programming, Computer Aided Design (CAD)/Computer Aided Manufacturing (CAM), and jig and fixture design.

Career Opportunities:

Production and assembly lines, aerospace manufacturing, machine shop operator, CNC operator, tool and die operator

rrc.ca/mfg

PLUMBING

TUITION: \$2,500-\$3,000

BOOKS/SUPPLIES: \$500-\$1,000

Develop the knowledge and skills to install and repair piping systems in residential and commercial buildings. Study the installation of water and waste disposal systems, lay out sanitary drainage, and learn about rigging and material handling with an emphasis on efficient and safe work practices.

Career Opportunities:

Contracting: plumbing, heating, fire systems, industrial maintenance, technical sales, project estimator, building inspector

rrc.ca/plm

POWER ENGINEERING - 5TH CLASS

TUITION: \$5,000-\$5,500

BOOKS/SUPPLIES: \$500-\$1,000

Gain the knowledge and skills required for the safe operation of major equipment in commercial and industrial buildings. This program's instruction meets rating requirements and licensing as regulated by the Manitoba Department of Labour and Immigration under the Power Engineers Act.

Career Opportunities:

Employment in industrial plants, school divisions, and other commercial, industrial or public buildings

rrc.ca/pow

POWER ENGINEERING TECHNOLOGY

TUITION: \$4,000-\$4,500/YEAR

BOOKS/SUPPLIES: \$1,500-\$2,000/YEAR

OTHER FEES: 0-\$500

Learn the skills required for the safe and efficient operation of process equipment in residential, institutional, commercial and industrial establishments, with a focus on power plant operation. Graduates will challenge the Province of Manitoba licensing exams at the Fourth and Third Class levels. Students who gain additional work experience may also qualify to attempt Part 'A' of the Standardized Second Class exams.

Career Opportunities:

Industrial plants, commercial and public buildings

rrc.ca/pet

PRECISION METAL MACHINING

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: \$500-\$1,000

This program targets students pursuing an apprenticeship career as a machinist, or entering the workforce as a CNC operator. Learn to safely handle tools and equipment, safely set up and operate manual and CNC metal-forming machines, interpret engineering drawings, apply geometric dimensioning, and use basic CAD software.

Career Opportunities:

Machine operator, pre-employment to other fabrication positions, quality assurance inspector

rrc.ca/pmm

REFRIGERATION AND AIR CONDITIONING TECHNICIAN

TUITION: \$2,500-\$3,000

BOOKS/SUPPLIES: \$500-\$1,000

Learn to install, service and repair residential, commercial and industrial heating, ventilation, air conditioning and refrigeration equipment. Gain theoretical and practical knowledge of refrigeration systems, air conditioning, piping, welding and electrical wiring, with an emphasis on safety regulations.

Career Opportunities:

Refrigeration and air conditioning service, retail sales, service technician, salesperson

rrc.ca/air

WELDING

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: 0-\$500

Develop the skills and knowledge to perform the oxyacetylene, arc, tungsten inert gas, and metal inert gas welding processes and related operations. Grads receive an RRC certificate and a student Canadian Welding Bureau (CWB) ticket.

Career Opportunities:

Aircraft maintenance, farm equipment manufacturing, heavy equipment repairs, highway construction, northern mines and hydroelectric power plants

rrc.ca/wld

TRANSPORTATION TECHNOLOGY

AEROSPACE MANUFACTURING

TUITION: \$3,500-\$4,000

BOOKS/SUPPLIES: 0-\$500

Developed by Boeing Canada, Bristol Aerospace and RRC, this program prepares you for a career as a skilled production worker in the area of aerospace composite manufacturing.

Career Opportunities:

Repair or manufacture composite structure

rrc.ca/aer

AIRCRAFT MAINTENANCE ENGINEER

TUITION: \$5,000-\$5,500/YEAR

BOOKS/SUPPLIES: YEAR 1 - 0-\$500

OTHER FEES (TOOLS): \$1,500-\$2,000

Prepare for a career servicing and maintaining both large and small airplanes and helicopters. This program is Transport Canada-approved to provide basic training towards an Aircraft Maintenance Engineer "M" License, and meets the accreditation requirements of Canadian Aviation Regulations.

Career Opportunities:

Passenger and cargo air carriers, air charter companies, flight schools, and nationally approved Aircraft Maintenance Organizations

rrc.ca/ame

AUTOMOTIVE TECHNICIAN - CERTIFICATE

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$500-\$1,000

OTHER FEES (TOOLS): \$500-\$1,000

Develop the knowledge and skills required to disassemble, inspect, machine, calibrate and reassemble motor vehicle units and components. Study internal combustion engines, automatic and standard transmissions, brakes, steering, electrical circuits, wiring and fuel systems.

Career Opportunities:

Service stations, dealerships, specialty automotive shops, automotive technician, electrical/electronics technician

rrc.ca/atc

AUTOMOTIVE TECHNICIAN - DIPLOMA

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: 0-\$500

A combination of classroom instruction and work experience supplements the Automotive Technician certificate program while preparing you to work in the electronic technician field.

Career Opportunities:

Service stations, dealerships, automotive shops, automotive technician, electrical/electronics technician

rrc.ca/atd

COLLISION REPAIR AND REFINISHING

TUITION: \$4,500-\$5,000

BOOKS/SUPPLIES: 0-\$500

Gain a basic working knowledge of all areas of metalworking and spray painting. Develop the skills and knowledge to repair damaged vehicles, including all phases of autobody repair and painting.

Career Opportunities:

Collision repair centres, insurance/claim centres, autobody technician, insurance claims adjuster

rrc.ca/crr

HEAVY DUTY EQUIPMENT MECHANIC

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$1,000-\$1,500

OTHER FEES (TOOLS): \$1,500-\$2,000

Take this entry-level program to develop the knowledge and skills required to perform routine maintenance and repairs to vehicle systems and components. Learn to adjust, service and repair a variety of heavy mobile equipment, including diesel-powered vehicles used in construction, agricultural or highway transportation.

Career Opportunities:

Agriculture, construction, transport, heavy-duty mechanic

rrc.ca/hde

INTRODUCTION TO AIRCRAFT MAINTENANCE ENGINEER

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: 0-\$500

OTHER FEES (TOOLS): \$1,500

Gain the knowledge and skills required for entry-level employment in the aircraft maintenance industry, including training required for a career maintaining airplanes and helicopters. Credit can be transferred to RRC's Aircraft Maintenance Journey person program (Apprenticeship Level 1).

rrc.ca/ime

OUTDOOR POWER EQUIPMENT TECHNICIAN

TUITION: \$4,000-\$4,500

BOOKS/SUPPLIES: \$500-\$1,000

OTHER FEES (TOOLS): \$500-\$1,000

Learn to service and repair lawn and garden equipment, chainsaws, snow throwers, outboard motors, snowmobiles, all-terrain vehicles and motorcycles. Curriculum includes shop practices, precision measuring, repair and maintenance, as well as two three-week work placements.

Career Opportunities:

Power equipment dealers, repair shops, power equipment service and repair

rrc.ca/out

RAILWAY CONDUCTOR

TUITION: \$10,500-\$11,000

BOOKS/SUPPLIES: 0-\$500

OTHER FEES: 0-\$500

Acquire the knowledge and skills to work in the railway industry as part of a train crew in road or yard service. Learn about switching and marshalling cars, transporting dangerous goods, performing inspections, copying authorities and keeping records. Gain hands-on experience through the program's practicum component.
