**25+** years  
Academic Experience

**300+** Acres Wi-Fi Enabled campus

**8,000+** Strong Alumni Presence  
across the world

Ranked  
**9th** among Top Emerging Universities  
of India (Times Of India, 2017)

**100%** Placement Assistance

Rs. **50 Million** Scholarship  
Available

## Leadership

Sandip Group of Institutions was incepted in the year 1992 by Dr. Sandip Jha, who holds a rich academic experience of more than 25 years. He envisaged and founded the University that offers the world-class education creating an impeccable dent in one's career that leads to mammoth impact in the society.

## Vision

To be one of the most preferred learning hub in the country; accredited by several professional as well as international bodies offering interdisciplinary, multi-culture and multi-dimensional approach with the core focus on creating confident and self-reliant leaders for creating a better tomorrow. It aims to create credit based educational system that nurture and develop leaders as well as entrepreneurs to tackle the problems faced by business in day to day life.

## Mission

To impart quality education and providing peerless training to our students by innovating new teaching - learning process, robust curriculum design, quality teaching and promoting research, academic audits, continual development in infrastructure. Our major focus is to imbibe our students with a sense of academic superiority, self-confidence, domain specific professional competency so that they can achieve their dreams and lead a successful professional life.

# President's Voice

It will be indeed a great pleasure for me, to welcome you to be a part of the Growing Institution, Sandip University. In this dynamic & globally competitive environment there is needs of nurturing of future leaders, who can meet the challenges of what today's business faces. We are keen on providing a practical and industry-focused quality education that attracts the global pool of talent.

At Sandip University, we endeavor to redesign India by transforming the education, environment and thereby, revive the long lost glory of the ancient education. We believe in delivering the advanced and futuristic knowledge with the modernized touch, without compromising on ancient ethics which 'India' was known for. Our distinguished faculties members and state of the art facilities seamlessly combine to offer a perfect ambience for the overall development of our students.

We foresee the business redundancy and ever evolving probability about how the business works. Here at Sandip University, we believe in providing our students with alternate business solutions that encourages them with the proficient and making the informed choices. Moreover, we believe in sustaining the value by taking regular quality audits to ensure the qualitative teaching, maintenance of infrastructure and other financial aid to our students that are not at all compromised. All this constitutes and plays a key role in creating the business leaders of future tomorrow.

We welcome you to discover your true potential in all the dimension that makes this Institute a hub of preserving the next generation business leaders of India.

Sincerely,  
**Shri. Nityanand Jha**  
(President - Sandip University)

# From the Chairman's Desk

From a modest beginning in 2006, Sandip University has now grown into a fully integrated engineering and management University. The guiding philosophy of the Institute has been the creation of awareness among students so they can face the challenges globally.

We majorly emphasis on continuous refinement, that brings out the best in our student. By developing their leadership skills, by doing so we indirectly heads to the development of nation building process. The major objective of imparting this university is to have quality education, combined with creation that are being met in an integrated form which can create a synergetic impact.

My Focus has been on:

- **Robust Curriculum and World Class Infrastructure**
- **Faculty Development Programs**
- **Corporate exposure and industry interface**
- **Aptitude training for students**
- **Best results at the university level**
- **International conference for global exposure**
- **Technical enhancement workshops**

I feel confident that the University is progressing in the right direction to build an academic institution of great social impact. In the end I take this opportunity to welcome you all at Sandip University and wish you all the very best in accomplishing your dreams.

Sincerely,

**Dr. Sandip N. Jha**

(Chairman - Sandip University)

# Vice Chancellor's Message

## **Sandip University ... Inspiring Excellence!**

Within the short span of its existence, the University has achieved remarkable success and continues to forge its future with new program initiatives such as: a modern student centric curriculum, research endeavours, student engagement, professional training, faculty development, international collaborations, progress towards a state-of-the-art campus building, industry partnerships and much more. Making transformative impact on students, faculty, industry, society and nation building is the major objective of these programs.

Sandip University subscribes to the fundamental conviction that education is a catalyst for positive change and the cornerstone for building strong, resilient and enduring communities. It provides many opportunities to grow academically,

intellectually, socially to end with well-rounded global citizens.

As Vice Chancellor, I am deeply committed to attract a body of highly talented faculty and diversified students dedicated to academic excellence, pedagogical sophistication, top-notch research and service to society. The University's programs are designed to ensure a dynamic and futuristic environment for teaching and research.

Looking forward to serve and guide as many promising youth of this Nation!

Sincerely,  
**Col. Prof. N. Ramachandran**  
Vice Chancellor

# Life at Sandip University

Sandip University takes care of the overall well-being of academia community. The University constantly refines the academic quality, technology, skills and techniques. It is among the few mega-universities across India, where quality of life is at par with global standards. Its world-class infrastructure is evident from our modern amenities available.

## Our Amenities

We provide wide-array of ultra modern amenities to our students that includes:

- **300+ Acres in Nashik & 60+ Acres in Sijoul**
- **Spacious Classrooms**
- **1,00,000+ Book Library**
- **Amphitheatre**
- **Modern Scientific Research Labs**
- **Hi-Tech Computer Laboratories**
- **Well Maintained Playground**
- **100% Organic Food Serving Cafeteria**
- **Ultra Modern Gymnasium**
- **24 \* 7 Security Available**
- **Well Ventilated Hostel Accommodation**
- **30+ Buses for Transport**
- **Ambulance**
- **Beauty Parlor (Salon) for Women / Men**
- **CCTV Cameras**
- **Solar Power Plants**
- **Banks & ATM's**
- **SUN Clubs**

## STUDENT'S SPEAK

If you are into Sandip University, you are into a different world altogether. It's like a global community made for diverse learning. The university gives pleasant experience for me or any one from the campus, which can be well-evident from the infrastructure. I must say it is a place where your dreams are realized!

- **Shibani Wankhede**

It gives me an immense pleasure to say I have done my graduation from Sandip Foundation and now, I have been pursuing the Post-Graduate degree program from Sandip University. One of the best things are that they strive for excellence which help you to make a better professional

- **Shruti Mohanti**

When I got an admission in Sandip University, I was in cloud 9. The University is no less than a mega city: beautiful campus, modern amenities, quality education is what any person will expect. Most importantly, it has a strong corporate culture and ethical values that makes this place outstanding.

- **Dilkhush Singh**
