UBI HIGHLIGHTS

01 Globally Recognised British Degree.

Our programme is in collaboration with Middlesex University London, rated as one of the top business schools in London. Your degree opens multiple pathways for future employment in various business sectors, and provides a sound fundamental platform for further academic advancement.

02 Practical Solutions for Real World Problems.

Impact. UBI's curriculum centers on delivering practical outcomes that address meaningful trends and needs in the business world. We leverage on both classical and modern business cases to make sense of the world, and train our students to stay ahead of the curve.

03 Renowned Faculty with Strong Professional Background.

Our lecturers and professors are not merely academics, but also well-respected business practitioners in their respective fields of specialty. What truly sets them apart is their commitment to dedicated mentorship – a belief that they can have a significant impact on your growth.

04 Diverse and International Business Exposure.

Learn and work with the best from Europe and Asia. We partner local and overseas institutions in providing our students internship programmes that mirror the actual challenges of the business world. Students from our Brussels and Luxembourg campuses also have the opportunity to go abroad at our satellite campus in Shanghai.

05 Professional Seminars and Career Development Workshops.

To ease your transition into professional or entrepreneurial life, we engage external partners to provide seminars and workshops that go beyond what is typically taught in business textbooks. A holistic education, we believe, is one that best equip our students with practical life skills.
