# PAVING THE FOUNDATION OF FUTURE GREAT MINDS

Your growth, our priority.  
Your excellence, our commitment.

## UTM FOUNDATION PROGRAMME

Shaping The Best Quality In You

# INTRODUCTION

- The UTM Foundation Programme is an academic programme offered by Universiti Teknologi Malaysia (UTM) which offers students an alternative choice of pre-university education, other than matriculation, the Malaysian Higher School Certificate (STPM), and other foundation programmes recognised by the Malaysian government.
- It provides students with the basic knowledge required for Engineering, Science and Social Sciences’ Degree programmes that will prepare them for their next education pathway in Bachelor’s degree at UTM-IDP program in UTM
- The duration of this programme is one year which is in a full time mode. The students’ academic load is spread over a course of three semesters (52 weeks) with several courses being delivered and assessed in each Semester.
- There are 3 intakes per year for UTM Foundation: February, April and September.

# PROGRAMME STRUCTURE AND SPECIFICATION

### Study Mode

The UTM Foundation Programme is offered in full time mode. Students attend lectures, complete assignments, and undergo periodical tests and end-of-semester examinations, similar to their counterparts in other pre-university education pathways.

The total credit hour of the UTM Foundation Programme is 50 credit hours. In the first semester, students enroll in four subjects with a total of 10 credit hours. In the second and third semester, students enroll in 7 subjects with a total of 20 credit hours for each semester.

### Assessment

**Courses:**

- 50 % Course work
- 50 % Final Examination

**Laboratory work:**

- 100% Course work

**Skill acquisition (Lab incorporated):**

- 50%- 60% Course work
- 40%- 50% Final Examination
