Hong Kong's Alfred Nobel Open Business School joined our international school system in 2015 and we offer mainly online courses in DBA business doctoral training.

Alfred Nobel University, established in the United States, has also joined our international school network for our online English and European college and university courses.

COLLEGIUM HUMANUM
WARSAW MANAGEMENT UNIVERSITY

After the Swiss and English professional courses the Alfred Nobel Open Business School started the MBA, LL.M. and DBA doctoral courses with European Polish University accreditation.

Our students receive a state-recognized university degree. Our university training, which starts in the autumn, will be further expanded with new M.Sc. courses.

Summary

In summary, we can say that our Hungarian and Swiss schools, founded slowly thirty years ago, have been constantly expanding with schools in other countries.

Our college, MSc, MBA and DBA courses offer opportunities for full-time and online courses that meet today's age requirements through an international school system.

So far, we have had students from 61 countries.

We always provide modern practice-oriented training in line with market needs.
