WHY STUDY AT MAHSA

Trusted and Recognised

MAHSA University is recognised globally as a premier tertiary institution. The programmes are accredited by the Malaysian Qualifications Agency (MQA) and by various international professional councils and regulatory bodies. In addition, MAHSA is certified by SIRIM QAS for ISO 9001:2015 Quality Management System. The Dental and Pharmacy laboratories are certified with Good Laboratory Practice Compliance.

Outstanding and Experienced Academics

MAHSA University has a great team of academics who are skilled researchers and experts in their disciplines to support and guide students in realising their full potential and developing the necessary knowledge and skills.

Professional Industry-Driven Education (P.R.I.D.E)

P.R.I.D.E is MAHSA University's uniquely designed education pathway that is developed with its graduates' employability in mind. Through P.R.I.D.E, each of MAHSA's students will undergo Professionally Certified Courses and Masterclasses as addition to their academic qualification, preparing them for the demands of the industry, equipping them with the essential skills of the 21st century.

Comprehensive and Industry-Relevant Programmes

MAHSA's programmes are designed with intelligent insights that are useful in developing education relevant to each industry. Our modern facilities for research and teaching ensure that students are exposed to the latest equipment and cutting edge technology.

First Class Graduates

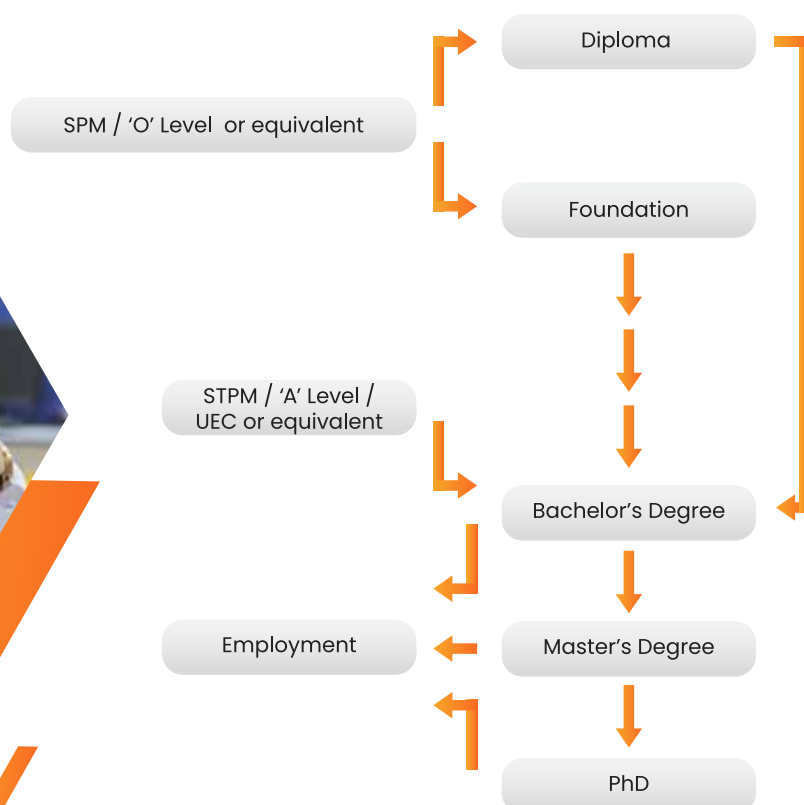

MAHSA has been producing outstanding graduates with incredible academic performances and all-rounded achievements. They are excellent in the academic fields and also shine in a wide range of extracurricular endeavours.

Support and Enrichment Programmes

The Student Success Centre also provides support for student learning and to help them cope with their academic subjects. Besides this, there are many clubs and societies that aim towards enriching students' experience in the arts, culture and community service. In addition, MAHSA also organises Global Mobility Programmes to expose students to diverse social and cultural experience in other countries.

ABOUT MAHSA

As one of Malaysia's largest private medical university, MAHSA was established in 2005 and is the brainchild of Professor Tan Sri Datuk Dr. Hj. Mohamed Haniffa, who is Pro-Chancellor and Executive Chairman of MAHSA University. Despite being one of Malaysia's youngest universities, MAHSA is proud to be rated "Very Good" in the 2017 SETARA Rating for Higher Education Institutions in Malaysia. It is an extraordinary achievement for such a young university, thanks to the commitment of our staff, quality of our students and firm collaborations with our industry partners. Characterised by a tradition of innovation, constantly improving the quality of education and student experience, and strengthening the quality and impact of our research, MAHSA is well on its way towards our vision of becoming the Centre of Excellence in higher education in the region. Indeed, the various accreditations by Regulatory Boards, Professional Bodies and International Accreditation Standards further affirm the highest quality at MAHSA. There are six faculties and two centres for learning: the Faculty of Medicine, Biosciences and Nursing, the Faculty of Dentistry, the Faculty of Pharmacy, the Faculty of Health and Sports Sciences, the Faculty of Business, Finance and Information Technology, the Faculty of Engineering and Built Environment, the School of Hospitality, the Centre for Pre-University Studies and the Centre for Education and Language.
