JOIN THE GLOBAL READY GENERATION

WHY SINGAPORE?

Image courtesy of the Singapore Tourism Board

As one of the key hubs of Asia and an important global city, Singapore offers you a chance to plug into a system that promotes a progressive, cosmopolitan community and trains you for future success.

HUB FOR EDUCATIONAL EXCELLENCE

Education at SIM Global Education (SIM GE) in Singapore is your gateway to an enriching and fulfilling learning journey in a nation that believes in investing in education and offers opportunities in abundance.

STABLE ECONOMY

You can hone your skills through practical learning in Singapore – a reputable financial centre, a key regional trading centre, the world's busiest port, and a top location for international investment.

INFRASTRUCTURE AND ACCESSIBILITY

Probably the most wired country in Asia, with technology advancements making life simple and efficient, Singapore is an easy choice for pursuing higher education.

VIBRANT QUALITY LIFESTYLE

One of Asia's most modern cities, Singapore embraces economic progress against the backdrop of age-old traditions. The nation's rich multicultural heritage is highlighted through the various ethnic groups and professional expatriates living and working here, who add colour and vibrancy to cosmopolitan Singapore.

The bustle of city life, a thriving arts and cultural scene and close geographical proximity to the rest of the region make Singapore a sought-after quality education destination in the region.

SINGAPORE INSTITUTE OF MANAGEMENT (SIM GROUP)

Our Vision

To be the Centre of Leadership and Management Excellence, and the Embodiment of Lifelong Learning.

Our Mission

- Spearhead management thought leadership
- Be the preferred strategic partner of corporations in maximising return on human capital
- Be the choice provider of continuing education to individuals
- Transform SIM into a regional brand

Our Purpose

- To open doors in life through education opportunities
- To support SIM Group's social mission

Our Core Values

- Trust and Respect for the Individual
- Teamwork
- Open and Timely Communication
- Performance Excellence
- Spirit of Innovative Adventure

Our Culture

An open culture where staff trust and respect each other; embrace change and seek ways to innovate; learn and work together as a team.

Our Commitment

To our Members

We care for our members, recognise their importance, and strive to raise the prestige of their membership.

To our Customers

We value our customers and commit ourselves to actively improve our services and products.

To our Employees

We care for our people by creating a conducive work environment, helping them to balance family and work commitments, recognising their contributions, and developing them to their full potential.

To our Community

We honour our social obligations and pledge to be a good corporate citizen by always acting professionally and ethically in all matters.

Our Quality Policy

Quality and excellence have always been the driving force behind SIM.

The Singapore Institute of Management (SIM Group) is the leading provider of higher education and professional training in Singapore, reputed for its dedication to lifelong learning and high standards and quality. Founded in 1964 under the initiation of Economic Development Board to support Singapore's economic development, we are today a diverse and vibrant organisation with a wide range of programmes and services.

We are also a membership-based organisation with more than 50,000 individual and corporate members. Our extensive range of membership programmes, activities and resources provide an important nexus for students and members to network and learn.

The SIM Group offers its core services through three educational brands:

SIM University

SIM University is Singapore's only private university and its mission is to create excellence in lifelong education through a uniquely-designed learning experience that equips learners for a better future. Home to more than 13,000 students, SIM University adopts a flexible and practice-focused learning approach and offers more than 50 academic programmes in various disciplines. Eligible students taking SIM University's undergraduate programmes enjoy government subsidies and access to government bursaries, tuition fee and study loans. SIM University is a not-for-profit university and the SIM University Education Fund has been a Singapore 'Institution of a Public Character' (IPC) since September 2005.

SIM Global Education

Students can choose from a wide range of high-quality overseas degree programmes made available through SIM's partnership with established international universities and institutions from the United Kingdom, United States, Australia and Switzerland. Most of the students are full-time students, but SIM Global Education also offers part-time programmes that cater to working adults. Offering over 70 academic programmes, its enrolment stands at 23,000, with about 3,000 foreign students.

SIM Professional Development

Over 11,000 professionals benefit annually from the vast selection of short executive training programmes offered by SIM Professional Development. Its customised in-company training programmes help companies optimise effectiveness in various fields of management and human resource development.

OUR UNIVERSITY PARTNERS

Reputable Partners. Top-notch Faculty.

SIM GE collaborates with the finest universities across the globe – Australia, Switzerland, the UK and the US – to offer you unique programmes taught by highly qualified and dedicated local and international faculty. Fusing Asian practices with international perspectives for a truly global outlook, you are sure to gain from the best of all worlds.

SIM GE Scholarship

The SIM Global Education (SIM GE) Scholarship is awarded to outstanding local and international students to pursue overseas Bachelor's degree programmes at SIM GE. Up to 35 scholarships will be awarded each year to deserving new and existing students.

The categories of scholarship are:

Academic Excellence and Leadership

Awards are granted to outstanding students who have achieved academic excellence and demonstrated leadership qualities both in and outside the classroom.

Sports and Artistic Talent

Awards are granted to athletes who possess an impressive track record of achievement in sports or individuals with outstanding artistic talents.

ELIGIBILITY

- New and existing students pursuing Bachelor's degree programmes at SIM GE
- Open to Singapore citizens, permanent residents and international students
- Outstanding Singapore-Cambridge GCE 'A' Level, Local Polytechnic Diploma, IB Diploma or Year 12 equivalent qualifications
- An impressive community contribution and co-curricular activities involvement record
- Strong leadership, interpersonal and communication skills

TENURE OF SCHOLARSHIP

The scholarship is tenable for the minimum period required to complete the full/ remaining course of study, as stipulated by the programme.

VALUE OF SCHOLARSHIP

The award covers tuition fees, examination fees, a fixed book allowance and other compulsory fees. The amounts will be sponsored in Singapore dollars. There is no bond attached to the scholarship.

APPLICATION

There are two application periods per year: March and September. Closing dates for application are on the last day of March and September respectively.

For more information, visit www.simge.edu.sg.

ACHIEVING CAREER SUCCESS

The SIM GE Experience

The working world could present a dizzying array of choices. Besides considering the type of jobs available out there, you have to prepare yourself to make the transition from academic life to a career of choice.

SIM Internship and Career Services helps you identify your core strengths and interests and match these to an appropriate career choice. Gain insights into what different jobs and industries offer and require through job fairs, company visits, internship opportunities and industry-related talks. Career coaching can further guide you in developing a sustainable career plan that makes the best use of your talents.

Here's a glimpse of the range of services and activities available at SIM Internship and Career Services.

CAREER SERVICES AND ACTIVITIES

- Career Coaching
- Career Preparation Workshops & Programmes
- SIM Job Fair
- Company Recruitment Talks
- Networking Events

INTERNSHIP & INDUSTRY ENGAGEMENT

- Obtaining and maintaining internship experience
- Providing internship guidance and counselling
- Developing and monitoring student application and evaluation procedures

For more information, visit www.simge.edu.sg.

“The school’s internship office offered students the opportunity to participate in different internships. Over the summer of 2013, I interned at the US Embassy in Singapore as a public policy intern, during which I even had an opportunity to witness an address by the vice-president of the United States! Students such as myself who have undergone the SIM GE experience are able to leverage on both SIM GE and University at Buffalo platforms to secure enriching cultural, academic or workplace experiences that add crucial experience to any job seeker’s profile.” (2014)

Andrew Yeo
Singapore
Graduate
Bachelor of Arts (Sociology)
University at Buffalo, The State University of New York, US

APPLICATION & ADMISSION

How to Apply

APPLICATION

Visit www1.simge.edu.sg/apply for the application process and relevant supporting documents needed.

APPLICATION FEES AND PAYMENT

An application fee is payable for each application that is submitted. This fee (inclusive of 7% GST) is non refundable and non-transferable. The fee will be refunded fully only if the intake does not commence. Unpaid applications will not be processed.

	Application Fee (Current)	Application Fee (For July 2015 intake onwards)
Local Applicants	S\$74.90	S\$96.30
International Applicants	S\$240.75*	S\$321.00*

* *Exclude fees relating to Student's Pass application*

Application fees can be paid at the Payment Counters located at Student Recruitment & Payment Centre at SIM HQ, Blk A, Level 2, or via cheques/bank drafts or via e-payment using MasterCard/Visa Credit Card or eNETS (for online application). Cheques and bank drafts should be crossed and made payable to **"Singapore Institute of Management Pte Ltd"** with your name, personal identification or passport number and programme title indicated on the back of the cheque. Post-dated cheques will not be accepted.

STUDENT'S PASS APPLICATION

- International students wishing to pursue full-time studies in a Singapore institution are required to apply for a student's pass. SIM GE can only provide assistance to submit your application. The granting of the student's pass is subject to Singapore's Immigration & Checkpoints Authority's approval. Applicants will need to submit the SIM programme application form and student's pass application forms with the required documents and programme application fees directly to SIM.
- New applications are to be submitted via the SIMConnect Applicant Portal.
- Application for a student's pass, which is subjected to the Singapore Immigration & Checkpoints Authority's approval, must be submitted at least two months and not more than six months from the course commencement date. Applicants are not required to be present in Singapore while their applications are being considered.

- Successful applicants may enter Singapore to complete the formalities after their applications have been approved. They will be issued a student's pass within one month of the commencement of the course.
- Successful applicants are required to produce all original copies of their supporting documents for verification when collecting the student's pass.

Course Fees Payment

You may make your first payment of course fees at the payment counters in SIM HQ or via e-payment (Visa/ MasterCard only).

PAYMENT COUNTERS IN SIM HQ

The modes of payment available are cash, cheque, Nets, cash card, Visa/MasterCard and/or Cashier/Money/ Postal Order. We accept up to four different modes of payment combination. All payments are to be in Singapore dollars.

For cheque payment, the cheque must be crossed, and made payable to **"Singapore Institute of Management Pte Ltd"**. It should not be post-dated.

For Nets payment, the daily limit is S\$2,000 or S\$3,000, depending on the bank and your personal limit.

For credit card payment, the limit is subjected to your available balance at the point of payment. We accept Visa and MasterCard only.

Please retain your official receipt. An administrative fee of \$5.35 (inclusive of 7% GST) will apply for each reprint request.

Private Education Act

Under the new Private Education Act, legislated in December 2009, a Council for Private Education (CPE) was set up to regulate the private education industry in Singapore. All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-STUDENT CONTRACT

CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

COOLING-OFF PERIOD

There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL's refund policy will apply.

FEE PROTECTION SCHEME

SIM PL adopts a Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student's fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Lonpac Insurance Bhd as the FPS insurance provider. Under the FPS insurance scheme, students' fees are insured by Lonpac Insurance Bhd. In case of events, as stated above, students will be able to claim their paid fees from Lonpac Insurance Bhd.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg

MEDICAL INSURANCE

SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of S\$20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit www1.simge.edu.sg/medicalinsurance

Refund Policy

Withdrawal due to non-delivery of course

SIM PL shall refund the entire Course Fees and Miscellaneous Fees already paid by the Student if:

1. It does not commence the Course on the Course Commencement Date;
2. It terminates the Course before the Course Commencement Date;
3. It does not complete the Course by the Course Completion Date;
4. It terminates the Course before the Course Completion Date;
5. It has not ensured that the student meets the course entry or matriculation requirement as stated in Schedule A of the PEI-Student Contract within any stipulated timeline set by CPE; or
6. The Student's Pass application (exclude renewal of student's pass) is rejected by Immigration & Checkpoints Authority of Singapore (ICA).

Withdrawals due to other reasons

In the event that the students withdraw due to any reasons other than those stated above, refund to students will be an amount based on the table below.

Percentage of aggregate amount of the course fees and where applicable, the miscellaneous fees paid	If student's fully completed request for withdrawal is received:
95% Refund	More than 14 days before the course commencement date
75% Refund	Within 14 days before the course commencement date OR within 7 days after the course commencement date
No refund	More than 7 days after the course commencement date

NOTES:

1. Application fee for courses is non-refundable and non-transferable.
2. Requests for refunds arising from withdrawal and change of programme must be accompanied with an original fully completed hardcopy Student Request Form (downloadable from the SIM GE website) and supported with relevant documentary proof, where applicable.
3. Refunds (if any) will be processed within 7 working days upon:

Where transfer/withdrawal is initiated by student

- a. Full submission of transfer/withdrawal request via the self-service function in SIMConnect or upon receipt of the original fully completed hardcopy Student Request Form with relevant supporting documentary proof; and
- b. The approval of requests by SIM PL or Partner University

Requests that are received after 12.00 noon would be considered as submission on the next working day.

Where withdrawal is initiated by SIM PL or due to visa permit rejection

- c. The date of notification from SIM PL to students.

Transfer/Withdrawal Policy

Students are to put up their request for change of programme (transfer)/withdrawal via the appropriate forms/ platforms. SIM PL will acknowledge the students' requests in 3 working days and advise students on the final outcome within a reasonable time frame (not more than 4 weeks).

NOTES:

Change of Programme (Transfer)

1. Approval for change of programme will be granted on a case-by-case basis and subject to each individual meeting the course admission requirements.
2. A transfer fee may be applicable for some programmes.
3. A fresh PEI-Student Contract shall be executed between the Student and SIM PL when the change of programme request has been approved.
4. Students are deemed to have withdrawn from the original programme when the application for change of programme is approved; the refund percentage as indicated in the refund table shall apply.
5. International students who wish to change to another programme offered by SIM PL will need to submit their Student's Pass application to Immigration and Checkpoints Authority of Singapore (ICA) for approval.

Withdrawal

6. Transferring to another institution is deemed as a withdrawal from SIM PL. As such, for international students who transfer to another institution, their International Student's Pass will be cancelled. These students will have to submit photocopies of their Passport and International Student's Pass at the Student Services Centre (SIM HQ, Blk B) within 3 working days of the transfer. Attendance record and other relevant documentation to facilitate the transfer will be provided upon request.

Confidentiality Clause

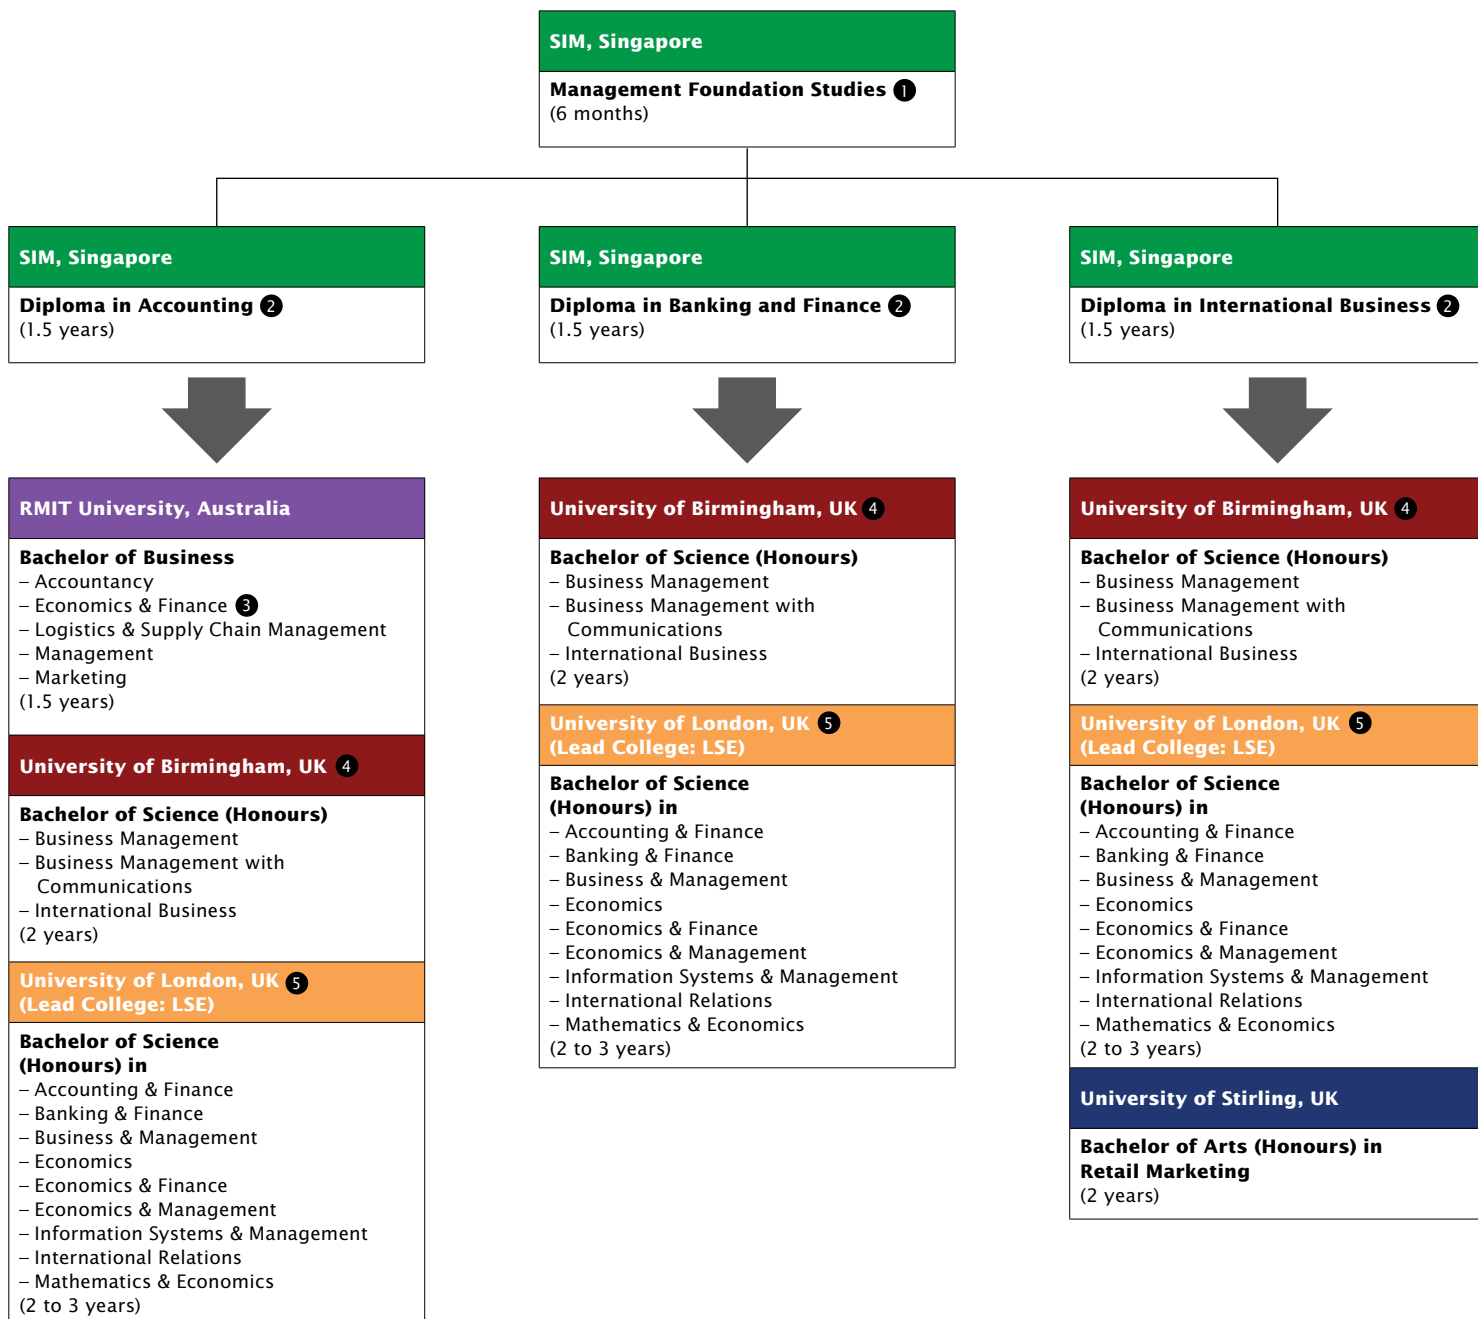

SIM PL is committed to maintaining the confidentiality of the student's personal information and undertakes not to divulge any of the student's personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/ or to the organisation conferring/ awarding the qualification.

EDUCATIONAL PATHWAYS (VIA DIPLOMA PROGRAMMES)

The programmes listed are developed and awarded by the respective awarding institution as indicated.

HIGH SCHOOL QUALIFICATIONS

(Please refer to pages 11-30 for minimum admission criteria)

SIM STUDENT LIFE

**24 hours in 1 day... 365 days in 1 year... 1095 days in 3 years...
Make the most of your time in SIM.**

Global Learning

Global Learning offers a full spectrum of opportunities to gain overseas exposure. From the intellectual vibrancy of world-class academic exchanges, to examining the economic development of global cities, to understanding the complexities of social change; we present platforms for you to be at the centre of global engagement.

Internship and Career Services

Internships bridge students and graduates into the realities of the working world. A professional internship allows you to understand better if your skill sets and beliefs match the culture and values of the organisation you intend to join by offering the opportunity to test your abilities against real-world scenarios. Gain insights into your intended field of work in ways that will contribute value to your career in the long run.

Career Services helps you to make the transition from academic life to a career of choice by identifying your core strengths and interests, and matching these to an appropriate profession. Gain insights into what different jobs and industries offer and require through job fairs, company visits and industry-related talks.

Global Immersion Programme at Cambridge

Student Care

Healthy, balanced and effective individuals are more likely to do well in life. Student Care regularly organises programmes on healthy living, wellness, time management, stress management and a range of other soft skills that will boost your well-being.

You can also drop in to the Student Wellness Centre for relaxation, interaction with SIM peer mentors and check out wellness resource materials.

Student Development

Student Development supports the leadership and personal development, artistic and athletic pursuits of our students. We believe that these initiatives instill values, inspire creativity and expression, and builds resilience and teamwork as key qualities for life. With more than 70 student councils and clubs, we provide ample opportunities for you to take on leadership roles to contribute to the vibrancy of our campus.

VIBES — WHY STUDY AT SIM GLOBAL EDUCATION

VIBES@SIM — The promise of a holistic learning experience that ensures success

At SIM GE, we know that it takes more than classroom excellence to inspire our students to succeed. Our approach towards an all-rounded and holistic education experience is captured in **VIBES@SIM**.

Vibrancy of Student Life

Brace yourself for an exciting campus life beyond the classroom. With almost a quarter of our students coming from over 40 countries from around the world, our campus offers a diverse and vibrant melting pot of talents, ideas and experiences.

In addition, round-the-year student activities from more than 70 student clubs offer you ample opportunities to pursue your extra-curricular interests in arts, culture, and sports and develop personal skills in communication and leadership, at the same time helping you to build community bonds and networks that will benefit you later in life.

Infrastructure + Technology

When it comes to equipping you for success, SIM GE ensures that the student-centric campuses are outfitted with the latest in technology and facilities to enhance your learning experience. SIM campuses are enabled with high-speed wireless internet access and the latest in technology connecting you to a wealth of information and online services.

SIM HQ AT CLEMENTI

The SIM Headquarters (SIM HQ) along Clementi Road is SIM's main and largest campus with a capacity for 12,000 students. To cater to our fast-growing student population, SIM has embarked on a Campus Development Master Plan to more than double our main campus at Clementi by 2014. Costing some \$300 million, the expanded SIM campus will be a setting that engages the students through the 'third teacher' – the campus environment.

Current facilities include over 130 lecture theatres, tutorial and seminar rooms, as well as computer laboratories, a multi-purpose hall seating 1,600, a student lounge, study spaces with open courtyard, a student hub with cyber stations and a management library. The completion of the plan will see added amenities such as specialised laboratories, a multi-purpose sports hall, a performing arts theatre and rooftop tennis courts. The main campus currently houses the Tay Eng Soon Library, Singapore's largest and most comprehensive management library.

SIM MANAGEMENT HOUSE

Set in the tranquil residential estate of Namly Avenue, the SIM Management House has over 20 lecture theatres and seminar rooms, a members' lounge and business centre that cater to membership activities, executive development courses and post-graduate degree programmes. It is also equipped with a management library containing one of the most complete collections of management-related publications in Singapore.

Blend of Culture

With a blend of 40 nationalities from across the globe, SIM GE's remarkable global mix of cultural diversities continues to grow. Providing an excellent platform for cultural exchange and knowledge sharing, a diverse student population is your gateway to understanding how the world thinks and relates. Experience a world-class education and a global mindset in a location that is the epicentre of buzzing Asia.

Education Options

SIM GE offers over 70 full-time and part-time academic programmes through more than 10 partner universities at master's, bachelor's, graduate diploma and diploma levels – in areas such as applied science, arts, business, communication, design, finance, information technology, hospitality, management, nursing, social sciences and more.

The SIM Education Abroad Programme will enable you to experience vibrant cross-cultural exchanges and broaden your horizons through international industry practices, whilst grooming you to become global-minded executives. You will also be able to sharpen your employability by honing your soft skills in leadership and personal effectiveness through workshops.

Stability

A 50-year-old heritage... over 132,000-strong alumni... student enrolment of over 36,000 and more than 2,000 top-notch faculty, the SIM Group is the largest and most comprehensive private education and training solutions provider in Singapore. Backed by its rich history, strong reputation, global network with reputable universities, diversity of programmes, competent faculty and superb infrastructure, SIM GE is the premier organisation for higher education and lifelong learning in Singapore and the region.

The promise of **VIBES@SIM** ensures students' well-being and a holistic education. Committed to the welfare of every student, SIM GE extends support to all its students, from financial assistance schemes to counselling services and structured processes for grievance resolution. SIM GE also provides a 24-hour medical insurance coverage for all its students both in Singapore, and overseas (if students are involved in SIM-related activities) throughout the course duration.
