

# France International Graduate Schools \_ FIGS

## PROFILE

France International Graduate Schools – FIGS, is a leading French private University Group that comprises 20 schools with a large range of undergraduate and graduate programs taught in French or in English. Our teaching combines theory with practice and offer a strong industry focus, with large alumni network and thousands of company connections. Our International Relations Offices will lead international students through these different programs and will offer counseling and guidance, to make sure that they pick the best education opportunity and make the right choice.
