The closest airport to Brunel is Heathrow Airport, as it is only 20 minutes away. There are many ways that you can travel from Heathrow to campus, including a free airport pick-up service that we run as part of the student orientation programme.

## Brunel Buddies

To welcome international students to the UK you can choose to have a current student introduce you to life on campus. Buddies are trained students who use their own personal experience of being a new student to answer your questions and guide you through your first few weeks with us.

Your Buddy will be on hand as soon as you arrive here, running campus tours, pointing you in the right direction on and around campus and introducing you to social activities – including the wide range of societies and sports clubs. They can also introduce you to Uxbridge and the local sites. It's the perfect way to meet new people and talk things over with a friendly face.
