## GENERAL INFORMATION

### Purpose of this handbook

The Student Handbook is intended to be used in the following ways:

1. To provide information to applicants that will enable them to make informed decisions about studying in Australia and at Bluewater Aviation Pty Ltd (ABN 93010777643), holding by Diamond Airline Academy Pty Ltd (ABN 80624783991), trading as Diamond Airline Academy, (abbreviated as DAA in this handbook).
2. To provide a reference for enrolled students about DAA's policies and processes and their rights and obligations.
3. To provide a reference and training tool to all staff at DAA of VET processes and procedures.

DAA's entry requirements and procedures, as well as all matters to do with student visa conditions are set out in this Student Handbook under relevant sections. Please read carefully through the information material and links provided before making a decision about study.

### Statement of quality assurance

Bluewater Aviation Pty Ltd is a Registered Training Organisation (RTO) with National Provider Code 31977 and approved to offer certain courses under the Australian Qualifications Framework (AQF). <https://training.gov.au/Organisation/Details/03786C> is also approved to offer the same courses to overseas students studying on a student visa.

CRICOS is a register of approved providers that can offer courses to overseas students. Bluewater Aviation's CRICOS code is 03786C, and as a registered provider Bluewater Aviation must meet the following requirements:

Be compliant with all components of the Vocational Education and Training (VET) Quality Framework which includes, but not limited to, the Standards for NVR Registered Training Organisation 2012, as set out by ASQA.

Be compliant with The National code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students Act 2007 (ESOS). The National Code 2018 is a set of nationally consistent standards that governs the protection of overseas students and delivery of courses to those students by providers registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) and the Standards for RTO's 2015.

## Organisational structure

Please see below insert regarding the organisational structure for the Registered Training Organisation.

**DIAMOND AIRLINE ACADEMY PTY LTD**

*holding*

**BLUEWATER AVIATION PTY LTD**

*trading as*

**DIAMOND AIRLINE ACADEMY**

## Courses offered under the AQF

DAA has the following courses on scope of registration

Course Code	CRICOS Code	Qualification Title
AVI50219	0101190	Diploma of Aviation (Commercial Pilot Licence – Aeroplane)
AVI50519	0101239	Diploma of Aviation (Instrument Rating)

## Campus address

Address: 22-24 Northern Avenue, Moorabbin Airport, VIC 3194

## Location

Diamond Airline Academy principal place of business and head office is located at the Moorabbin Airport which is about 25km from Melbourne CBD. Moorabbin Airport has 5 runways and is a major employment precinct for the State of Victoria. It offers a unique blend of features that accommodate a diverse range of training options. Students can benefit from all the required navigational aids for effective and efficient training; radar-controlled airspace; and uncontrolled airspace for navigation, and access to various regional and remote airfields

## Facilities

DAA's facilities comprise of the following (not limited to):

- Fully air-conditioned facility and furnished with appropriate furniture and equipment for effective learning to take place.
- 2 main classrooms which can provide theory class to maximum 60 students.
- 1 navigation planning room, 6 one-on-one briefing rooms, 1 VR SIM room, 1 DA42 SIM room, and student library.
- All classrooms have computers/ or Ipad, TV and instructional aids including aeroplane models and cockpit posters.
- Student lounge with basic kitchen facilities, sofa, and table to allow students to relax and socialise.

## Contact

### Student Manager

**Email:** [enrol@diamond.edu.au](mailto:enrol@diamond.edu.au)

**Phone:** 1300 342 666

## Privacy

Personal information is collected for the primary purpose of flight training, mainly via the enrolment form. Notwithstanding the relevant provisions of the Privacy Act 1988 DAA undertakes to abide by the following Policy:

1. The ESOS Act 2000 and the National Code 2018 to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007. Information collected about you on this form and during your enrolment can be provided, in certain circumstances, to the Australian Government and designated authorities.
2. VET provider requirements under ASQA to collect and report "Total VET Activity" data. This includes full Australian Vocational Education and Training Management Information Statistical Standard (AVETMISS) data, in accordance with the National VET Provider Collection Data Requirements Policy and National Standards for RTO's 2015.

### **Personal Information Collected by DAA**

- a) All personal information gathered, as required by Civil Aviation Safety Authority and of the normal administration of the Academy such as name, date of birth, home address, email address, and phone number
- b) All personal information with regards to next of kin for the purposes of notification in the event of an emergency
- c) Most information is gathered directly from the person however from time to time it may be required to collect information from a third party. When it is required to gather information in this way you will be asked to give a written consent

### **Sharing of your personal details**

- a) DAA undertakes that no personal information gathered, shall be used for any other purpose than that stated to you.
- b) Information shall not be passed to any third party without your knowledge and consent.
- c) We may pass on your information to a third party in limited circumstances when authorised under law.
- d) When your information is passed to a third party we require that they comply with the Australian Privacy Principles in the Commonwealths Privacy Act 1988.

If you wish to seek access to your personal information or enquire about the handling of your personal information, please see the Student Support Officer in the first instance.

### **Consent**

DAA will assume that, unless you advise otherwise, you consent to the collection of the information that you provide to DAA (either directly or indirectly) for use and disclosure by DAA in accordance with our Privacy Policy.

DAA will only collect sensitive information (which is a category of personal information that includes information about things like health, religion etc.) from you with your consent and where it is reasonably necessary for DAA to provide you with services or carry out services or activities.

### **Media policy**

Only the Chief Executive Officer (CEO) or a delegate authorised by the CEO, shall make any official comment to any external agency in relation to any incident or issue that may arise. The CEO will gather information, check all facts and determine the official DAA response.

No employee, student or contractor of DAA shall allow themselves to be interviewed or make statements about any company issue to any media representative without the consent of the CEO. Failure to comply with this directive will result in disciplinary action. If a member of the media is requesting information from an employee, then the employee must politely direct the media representative to the CEO and decline further requests to provide information.

## Social media

Social media makes up a significant part of our daily lives and can be a great networking tool for pilots. It's a great way to connect with other pilots, build industry contacts, and communicate both your achievements and the progress of your aviation training or career.

### Scope & Definition:

The term "social media" is defined as websites and applications that enable users to create and share content or to participate in social networking on either a desktop computer, laptop computer, tablet or mobile phone device.

There is a large number of platforms and apps that fall within the scope of social media, however some of the more common ones include:

- Facebook, Instagram, Twitter, WhatsApp, YouTube, WeChat, Snapchat, and LinkedIn

The above examples are provided for reference, and the scope of this policy is not limited only to the platforms and apps mentioned.

### We ENCOURAGE:

- **Sharing positive and responsible imagery** (including photos and video) and written communication that relates either directly or indirectly to DAA.
- **Engaging in positive interaction** with DAA social media posts (including liking/reacting, commenting, sharing and tagging).
- **Engaging in positive interaction** with DAA staff, students and partner organisations.
- **Providing imagery (including photos and video)** or stories for DAA to share on its official social media channels.
- **Giving strong consideration to your privacy settings** when sharing any written or visual information on any social media platform.
- **Promotion of aviation and flying** in general in a positive way.

## **We DO NOT ENCOURAGE:**

- **Live video posting on any platform at any time**, as it is impossible to accurately predict when accidents might occur. You can always record video and share it on social media afterwards, providing it does not breach other guidelines.
- **Sharing imagery (including photos and video) that depicts safety-related material, including potentially questionable activities or behaviour** – from either a legal or aviation regulations perspective. This includes imagery of yourself or others, and in particular imagery that represents DAA (aircraft, facilities, uniform etc). If you are unsure whether something is okay, ask before you share it.
- **Engaging in negative discussions relating to DAA**, including our pilots, students, staff members, clients, customers or business operations. If you discover posts or conversations discussing DAA in a negative light on social media, please report these to a relevant staff member as soon as possible.
- **Engaging in negative discussions relating to other flight schools**, including their pilots, students, staff members, clients, customers or business operations.
- **Expressing opinions that claim to represent DAA** or any of its partnering organisations.

## **UNACCEPTABLE Use of Social Media:**

Behaviour which is not acceptable in the work or study place in general, in relation to our fellow work colleagues, students, instructors, clients and those with whom we do business; or which is in any way dishonest, discriminatory, unethical or unprofessional, is equally unacceptable on social media.

It is unacceptable to use social media platforms to harass, bully or intimidate; to demean or denigrate; or fail to respect the privacy, dignity or confidentiality of all parties mentioned in the preceding paragraph.

## **Unique Student Identifier (USI)**

As of 1 January 2015, if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a USI. An USI gives you access to your online USI account that contains our nationally recognised training records and results from 1 January 2015 onwards. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life. It is free and easy for you to create your own USI online; please follow the link <http://www.usi.gov.au>

Students must apply and send USI to the Student Manager within 1 week of enrolment. This will be enforced at Orientation and Induction. Failure to apply, will result in suspension of enrolment and flight training activities.

## Formal communication with students

DAA utilises **email** as the primary method of communicating with students and providing them with information. Students provide contact details, including address, phone numbers and email address on their enrolment form, which will be used by all departments for student training and administration.

## Incident and accident reporting

Please refer to DAA's Workplace Hazard and Incident Reporting Policy in our Operations Manual. The operations manual is accessible for all students in the library. Students will be subject to an individual safety induction prior to commencing flight training activities.

## Civil Aviation Safety Authority (CASA)

CASA is primary responsible for maintenance, enhancement and promotion of safety for civil aviation in Australia. CASA have outsourced the delivery of exams to Assessment Services Pty Ltd (ASL). Their web site is: <https://www.aslexam.com/tol/default.aspx>.

For more information on CASA and their fees please go to their website [www.casa.gov.au](http://www.casa.gov.au)

## Aviation Medical

All students require a medical certificate from a CASA approved doctor (DAME) before starting a flying course.

There are two classes of CASA medicals:

A **Class 2 medical** is a general medical certificate, recommended for individuals who fly purely for their own enjoyment and recreation and do not intend to train beyond PPL level. A Class 2 medical certificate is valid for four years for applicants under 40 years and two years for older persons. A Class 2 medical is appropriate for all foreign students who undertake training at Bluewater Aviation for a foreign licence.

A **Class 1 medical** is required for all individuals at CPL level and beyond. The medical examination includes hearing, eyesight, ECG and blood tests and is valid for 1 year. All Bluewater Aviation students undertaking a course to achieve a CASA CPL or higher should get a Class 1 medical certificate before starting a flying course of study.

For more information on medical certificate requirements and the location of approved DAMEs, please visit the CASA website [www.casa.gov.au](http://www.casa.gov.au) and go to 'Aviation Medicals'.

## CASA application procedures

Students need to login directly at <http://services.casa.gov.au/avmed/default.asp> with their ARN, full name and date of birth. CASA sends a link to the student's email address to begin the medical application.

The student then pays the \$75 CASA fee and books an appointment with a DAME (please check the website above to obtain the updated price)

After the appointment the DAME sends the application to CASA who then forwards the medical directly to the student's email.

### **Drug and alcohol management plan (DAMP)**

Please refer to DAA's Drug and Alcohol Management Plan in our Policies and Procedures Manual. The manual is accessible for all students in the library. This will be covered during the students induction and orientation process.

### **Aviation security check**

All students enrolled in a CASA course require an Australian Security Identification Card (ASIC) prior to the issue of their licence. Students must submit their application as soon as practical before commencing the course as this is a pre-requisite to enrol into the course.

### **CASA cyber examinations (PEXO)**

The courses DAA offers are developed to align with CASA syllabus and embed the learning outcomes for students to prepare to undertake the CASA cyber examinations, which is a requirement to complete the licences.

To learn more about the licences, please visit the following links which will outline the flight crew licencing requirements for the below or visit the CASA website <https://www.casa.gov.au/>

[Recreational Pilot Licence \(A\)](#)

[Private Pilot Licence \(A\)](#)

[Commercial Pilot Licence \(A\)](#)

[Instrument Rating \(A\)](#)

### **Student Mentor**

The Student Manager will be allocated as a student mentor in the first instance and will assist in areas such as (not limited to):

- Educational support and referral
- Student support service referral

## Dress code

As part of the professional culture at DAA, students are required to wear a standard uniform while studying. Uniforms will be made available to Diploma students as part of their orientation and induction process. Students take full responsibility to keep uniforms clean and tidy.

### **Uniform includes**

- Short white sleeved shirt
- Black trousers
- Navy jumper and / or jacket with logo
- Black socks and shoes
- Epaulettes (dark blue and silver stripes)

## COURSE INFORMATION

### Enrolment

Students are not expected to travel to DAA location for selection however prospective students and applicants are invited to complete an Expression of Interest prior to enrolment selection. In addition, applicants may be subject to providing additional information including current CV, previous work and education experience and character references.

DAA will inform candidates of the results of the selection as soon as practically possible (within 2 weeks as per enrolment process). Students will be offered a place on our planned course. DAA will provide a successful candidate with a letter of offer and student agreement, stating course costs and other arrangements and conditions. Students must sign the agreement and return it together with the payment to DAA within 2 weeks as per the tenure of the enrolment agreement requirements.

Please follow the enrolment process as set out in this handbook (refer to Enrolment Process)

The following minimum entry requirements apply to international students on a student visa:

#### **PRE-REQUISITES Diploma of Aviation (Commercial Pilot Licence – Aeroplane)**

- 1. Must be over the age of 18 years**
- 2. Aviation reference number (ARN)**

All individuals who plan to do flight training in Australia need to apply to CASA for an ARN prior to enrolment as this process is part of the pre-requisite requirements. Students are required to have an ARN before you can book an aviation medical examination. ARN Application Form 1162 can be downloaded from the CASA website [www.casa.gov.au](http://www.casa.gov.au) and sent to CASA with a legible copy of one piece of identification. Submit your application by one of three methods:

Mail: CASA Licence and Registration Centre (CLARC); GPO Box 2005; Canberra ACT 2601.

Email: Scan and emailing as a jpeg file to [clarc@casa.gov.au](mailto:clarc@casa.gov.au)

*Or apply on -line via*

<https://www.casa.gov.au/licences-and-certification/individual-licensing/applying-aviation-reference-number-arn/individual-aviation-reference-number-application>

#### **3. English language requirements**

The General or Academic Training Module of the **International English Language Testing System (IELTS)** with an overall grade of 5.5. Students must successfully complete the test prior to application as this is a pre-requisite to enrol into the course. Please see the [Department of Home Affairs](http://www.dhs.gov) website for the equivalent of an IELTS.

## General English Language Proficiency or visit the CASA website

<https://www.casa.gov.au/licences-and-certification/standard-page/english-language-proficiency-flight-crew>

## Aviation English Language Proficiency or visit the CASA website

<https://www.casa.gov.au/licences-and-certification/standard-page/english-language-proficiency-flight-crew>

## PRE-REQUISITES Diploma of Aviation (Instrument Rating)

- Commercial Pilot Licence (A)

## Tuition Fees

### Diploma of Aviation (Commercial Pilot Licence- Aeroplane)

1. Enrolment fee: \$1,500.00 AUD (non-refundable)
2. The tuition fee is a fixed amount of \$74,995.00 AUD (Excl. GST)
3. Students transferring from other providers who meet the entry requirements may be eligible to apply at different stages of the course
4. Students eligible for recognition of prior will incur additional assessment fees and charges

#### This amount includes (only):

- All flight training associated with the 150 hourly syllabus aligned with Part 61. MOS
- training and assessment of all units of competencies
- Theory classes RPL(A), PPL(A), CPL(A) aligned with Part 61. MOS

#### This amount does not include:

- Please see Materials and Equipment List (Appendix 1)
- Transport cost
- Accommodation
- Meals
- Medical Insurance (student cover)
- Living expenses (water, electricity, internet, mobile phone)
- Application fees of all pre-requisites

### Diploma of Aviation (Instrument Rating)

1. Enrolment fee: \$1,500.00 AUD (non-refundable)
2. The tuition fee is a fixed amount of \$25,650.00 AUD (Excl. GST)
3. Students transferring from other providers who meet the entry requirements may be eligible to apply at different stages of the course (see Recognition of Prior Learning)

**This amount includes (only):**

- All flight training associated with the 40 hourly CASA syllabus
- All theory instruction (ground theory subjects including units of competencies and CASA subjects)
- All flight briefings

**This amount does not include:**

- Please see materials and equipment list
- Transport cost
- Accommodation
- Meals
- Medical Insurance cover
- Living expenses (water, electricity, internet, mobile phone)
- Application fees of all pre-requisites

**Non-refundable enrolment fee**

The enrolment fee is a non-refundable amount of \$1,500.00 (Australian Dollars) which assists in the administration of the student's application with associated stakeholders such as ASQA and CRICOS.

**This fee is NOT included in the tuition fee and is NON-REFUNDABLE.**

**Payment conditions****Diploma of Aviation (Commercial Pilot Licence- Aeroplane)**

1. The course payment method is **Pay as you fly**.
2. Direct Debit option will be processed and deducted within three (3) days of the students scheduled flight lesson. A tax invoice will be issued to the student itemising lesson charges and the payment methods available. A suitable deduction method must be allocated by the student (Direct Debit, Bank Transfer, Credit Card) for payment to be made.
3. Extra training costs may be incurred for additional training if the required standard is not achieved within the minimum 150 hours.
4. Additional payments and costs include re-enrolment into Units of competencies as per the payment schedule, unique to each unit of competency.
5. Refer to **Schedule of Fees** which indicates break down of fees and charges

### **Diploma of Aviation (Instrument Rating)**

1. The course payment method is **Pay as you fly**.
2. Payment will be processed and deducted within three (3) days of the students scheduled flight lesson. A tax invoice will be issued to the student itemising lesson charges and the payment methods available. A suitable deduction method must be allocated by the student (Direct Debit, Bank Transfer, Credit Card) for payment to be made.
3. Extra training costs may be incurred for additional training if the required standard is not achieved within the minimum 40 hours (20 Hours in aircraft, and 20 hours in simulator).
4. Refer to Appendix I for Schedule of Fees which indicates break down of fees and charges

### **Timetable**

#### **Diploma of Aviation (Commercial Pilot Licence – Aeroplane)**

0900-1030	1030-1200	1200-1300	1300-1430	1430-1600
Flight briefing	Flight Lesson	Lunch Break	Flight Lesson	Debrief

#### **Diploma of Aviation (Instrument Rating)**

0900-1030	1030-1200	1200-1300	1300-1500
Flight briefing	Flight Lesson	Lunch Break	Debrief

The timetable comprises of a combination which includes both theory lessons and flight training

Theory lessons and Flight training are scheduled as per the Academic calendar, unique to each enrolment intake.

Please see **Academic Calendar**

## Contact hours

### **Diploma of Aviation (Commercial Pilot Licence – Aeroplane)**

Hours do not exceed 6 hours in one day and 24 hours in one week and student must attend 4 days a week. This attendance is aligned with DAA's Monitoring Academic Progress and Attendance Policy and Procedure. Flight training after these set times are subject to change as per prior learning.

### **Diploma of Aviation (Instrument Rating)**

The timetable comprises of a combination which includes both theory lessons and flight training.

Hours do not exceed 5 hours in one day and 20 hours in one week and student must attend 4 days a week. This attendance is aligned with DAA's Monitoring Academic Progress and Attendance Policy and Procedure. Flight training after these set times are subject to change as per prior learning i.e. NVFR.

## Scheduling

### Policy

All students enrolled in a Diploma course will be bound by DAA's Scheduling Policy and Procedure. Each student will be scheduled as per their Flight Training Plan, initiated by the Primary Flight instructor at least one (1) week in advance. Student will be scheduled 4 days per week on any given day (can be non-consecutive). Students will be advised of their flight training schedule via email generated by the FMS.

Students can have their flight lesson cancelled without prior notice due to unforeseen circumstances which may include weather conditions and aircraft maintenance. In the event of a cancellation students will automatically progress to their next scheduled flight lesson. Students will be allocated a structured lesson of another nature such as a guided learning session.

Sessions which are cancelled due to unforeseen circumstances may be subject to a "make up" session. This may include Pre-licence flight test, check flight or flight test of any nature which can be scheduled at the next available time. This will be managed and approved on a case by case basis and will be decided upon at the discretion of management.

This scheduling policy is aligned with DAA's Monitoring Academic Progress and Attendance Policy and Procedure and contact hours.

### Procedure

1. Students will receive a flight training plan advising of flight lessons and structured guided learning sessions to meet the contact hour requirements set out by DAA and to fulfil the CASA syllabus and Diploma course. (inclusive of date and time)

2. Unit of competency assessment scheduling will be facilitated during the contact hours and students will be notified when assessment is to take place. The assessment pieces are aligned with the Australian Qualification Framework and tracked on the students flight training plan.

3. Students will receive an email generated from the FSM 24 hours before confirming the schedule for the preceding day. If a student does not receive a confirmation email for their flight lesson this means the flight has not been scheduled and confirmed to go ahead.

## **Non-attendance and cancellation**

### **Policy**

This policy is implemented for the cancellation and non-attendance of scheduled and confirmed flight training lessons. Students will be charged a \$150.00 AUD fee should you fail to attend the confirmed flight training lesson without providing more than **24 hours** prior notice to your flight instructor/student manager.

Exemptions may apply when:

1. Student is sick and must produce a medical certificate (refer to medical certificate requirements) and sick leave procedures
2. Compassionate and compelling circumstances
3. Unforeseen circumstances

Failure to comply with the terms and conditions of the cancellation fee, flight training will be suspended until further notice and reported to DHA via eCOE as a *non -payment of fees* which may affect their visa conditions.

This policy has been implemented to align with DAA's

- Course fee schedule
- Scheduling Policy and procedure
- Leave policy and procedures
- Variation of enrolment

## Monitoring Academic Progress

### Policy

This policy is designed to meet the requirements of Standard 10 of the ESOS National Code – Monitoring Course Progression. In addition the Standard 9.1 and 9.2 – Completion within the Expected Duration of Study are addressed within this policy and accompanying procedure. DAA will ensure staff are aware of their obligations and remain current through ongoing training and development programs.

Furthermore, DAA will implement a range of communication strategies to inform students of their obligations during orientation and training. DAA monitors course progression and implements intervention strategies to assist Inbound International Students complete their qualification or course within the duration specified within the electronic confirmation of enrolment as based on the duration of the course as registered on CRICOS.

Each student is monitored to assess course progress for each unit of the course in order to ensure that at all times the student is in a position to complete the course within the expected duration as specified on the student's CoE.

DAA may only extend the duration of the student's study where it is clear that the student will not complete the course within the expected duration, as specified on the student's CoE, as the result of:

1. compassionate or compelling circumstances;
2. DAA implementing its intervention strategy for students who were at risk of not meeting satisfactory course progress; or
3. an approved deferment or suspension of study has been granted under ESOS National Code (2018)

#### **The Course Progression Intervention Strategy must specify:**

- provision of information to students;
- procedures for contacting and counselling identified students;
- strategies to assist identified students to achieve satisfactory course progress; and the process by which the intervention strategy is activated.
- process for teaching staff to notify DAA of failure to meet satisfactory course progress, intervention strategies and any variation to enrolment load.

DAA will implement the Course Progression Intervention Strategy for any student who is at risk of not meeting satisfactory course progress requirements. At a minimum, the intervention strategy will be activated where the student has failed or is deemed not yet competent in 80 per cent of the units attempted in any study period.

## Variation to course/enrolment

Where there is a variation in the student's enrolment load which may affect the student's expected duration of study in accordance with ESOS National Code (2018), DAA will record this variation and the reasons for it on the student file. DAA will correctly report the student via PRISMS and/or issue a new CoE when the student can only account for the variation/s by extending his or her expected duration of study.

If required, DAA will notify the student in writing of the intention to report the student for not achieving satisfactory course progress. The written notice must inform the student that he or she is able to access DAA's complaints and appeals process as per ESOS National Code (2018) and that the student has 20 working days in which to do so. Reporting a student for unsatisfactory course progress occurs only when the student has been identified as not making satisfactory course progress in two consecutive study periods and the student has not made a successful appeal against this assessment.

If a student is identified for a second but not consecutive study period as not making satisfactory course progress, DAA does not report the student for unsatisfactory course progress. Where the student has chosen not to access the appeals processes within the 20 working day period, withdraws from the process, or the process is completed and results in a decision supporting DAA, Management will notify through PRISMS, of the student not achieving satisfactory course progress as soon as practicable.

## Procedure

- 1. Flight Instructors at a minimum must review the student's course progress at the end of each study period/Unit Cluster Phase (which -ever comes first) to make a judgement as to whether a student is:**
  - a) making satisfactory course progress; or
  - b) at risk of non-completion of the qualification or course within the duration as stated on the students' CoE; or
  - c) at risk of not making satisfactory course progress in the first study period, and therefore an intervention strategy must be implemented; or
  - d) not making satisfactory in the following study period after an intervention strategy has been agreed to by the student and implemented within the first four weeks of the second study period.

**2. Intervention Strategy at a minimum, the intervention strategy must be activated where the student has failed or has been deemed not yet competent/has not achieved in 80 per cent of the units / subjects attempted in any study period and/or is at risk of non-completion of the qualification or course within the duration as stated on the student's CoE.**

a) DAA may choose to activate an intervention strategy at any point before the end of a study period/Unit Cluster; however, the intervention strategy must be activated within the first four weeks of the following study period or as soon as practical

b) Intervention strategy is to be activated by:

- informing the student in writing that they have been identified as failing or at risk of failing to meet course progress requirements; and
- personal contact with the student by a suitably authorised staff member. The Intervention strategy must specify what support will be provided to the student at risk of not meeting satisfactory course progress requirements.

c) Strategies for assisting students at risk must include:

- where appropriate, advising students on the suitability of the course in which they are enrolled;
- assisting students by advising of opportunities for the students to be reassessed for tasks in units or subjects they had previously failed, or demonstrate the necessary competency in areas in which they had not been previously able to demonstrate competency; and
- advising students that unsatisfactory course progress in two consecutive study periods of a course could lead to the student being reported to DHA and cancellation of his or her visa, depending upon the outcome of any appeals process.

Additional Strategies for assisting students at risk could include, but are not limited to:

- transition support;
- English language support;
- study skills support;
- welfare support;
- re-enrolment in the unit failed/NYC or missed;
- being placed in a suitable alternative subject within a course or a suitable alternative course;  
or
- a combination of the above and a reduction in course load.

A copy of the intervention plan signed by both the student and DAA representative is to be sent to the Operations Manager.

If the Intervention Strategy requires a variation to the enrolment and study load a Request for alteration of students CoE is to be sent to the Operations Manager.

### **3. Written notice of intention to report a student to DHA**

- If a student is identified as not making satisfactory course progress in a second consecutive study period in a course, the Operations Manager or delegate must notify in writing the CEO prior to the end of that study period.
- The Operations Manager will notify the student in writing of the Institute's intention to report the student to DHA for unsatisfactory progress. The written notice must inform the student that he or she is able to access DAA Appeal process and that the student has 20 working days in which to do so.

### **4. Conditions of Appeal A student may appeal on the following grounds:**

- DAA failure to record or calculate a student's marks accurately;
- Compassionate or compelling circumstance; or
- DAA has not implemented its intervention strategy and other relevant Academic Policies according to its documented policies and procedures that have been made available to the student.

### **5. Internal Appeal Process**

- Within 10 working days of receipt of the appeal, a meeting comprising of the key personnel in relation to the course such as Operations Manager, Chief Flying Instructor, Flight Instructor will be organized and the Operations Manager will be nominated as Chair.
- If the evidence is found to be incomplete, the Chair will contact the student and request further documentation.
- The student will be invited to formally present their case to the meeting members and may be assisted by a support person.
- The meeting will meet as soon as is practicable to review the appeal and evidence submitted in support of the appeal.
- The meeting considers the appeal, makes their decision and informs the student by letter of the decision, within fourteen (14) working days of the appeal hearing.
- The student will remain enrolled and will have the right to continue to attend classes whilst the appeal is being heard unless there is a compelling reason such as a risk to health and safety to a member of DAA will ensure student is not disadvantaged.

## 6. Outcome of Internal Appeal

Where the student's appeal is successful, DAA will not report the student to DHA. The outcomes will vary according to the findings of the appeals process.

### If the appeal finds that:

- there was an error in calculation, and the student actually made satisfactory course progress, in this case there is no requirement for intervention.
- the student has not made satisfactory progress, but there are compassionate or compelling reasons for lack of progress, ongoing support must be provided to the student through DAA's Intervention strategy
- Where the student's appeal is unsuccessful, students will be advised of their right to an external appeal

External Appeal Students have a right to access an external appeals process at minimal or no cost. DAA will not impose any fee related to external appeals.

### Procedure

- Students who choose to access an external appeals process should notify DAA of this within 10 working days of receipt of the decision.
- DAA will hold off from any further action until it is advised of the outcome of the external appeal by the external appeal body.
- The student will remain enrolled and will have the right to continue to attend classes whilst the appeal is being heard unless there is a compelling reason such as a risk to health and safety to a member of DAA. In this case other arrangements can be made by negotiation to ensure that the student is not disadvantaged.

### How to lodge an external appeal

Lodge an appeal or grievance with appropriate external organisations. These include the Human Rights and Equal Opportunity Commission, or the State Equal Opportunity Commission, the State and Commonwealth Ombudsman's Office; or ask DAA to request an external mediator be provided by the Australian Council for Private Education and Training; or

- Contact the Commonwealth Department of Education, Employment and Workplace Relations in relation to grievances under the ESOS Act. Student 8. Reporting students for unsatisfactory progress Where the student has:
- chosen not to access the complaints and appeals processes within the 20 working day period,
- withdraws from the process, or
- the process is completed and results in a decision supporting DAA will notify the Secretary of DEEWR through PRISMS of the student not achieving satisfactory course progress within 5 working days of the relevant event.

## **7. Cancellation of Enrolment**

Where the decision is taken to cancel the student's enrolment the Operations Manager of DAA will process the cancellation of enrolment.

## **8. Records**

Where DAA has implemented an intervention strategy, the relevant documents including the following must be kept in each student's file within DAA.

- Letter generated by DAA informing the students in writing that they have been identified as failing or at risk of failing to meet course progress requirements;
- Any notes relating to discussions with the student by a suitably authorised DAA staff member;
- Intervention Strategy document signed by both DAA representative and the student;
- Request to Operations Manager for alteration to students CoE if the Intervention Strategy requires a variation to the enrolment and study load that would lead to a need to extend the CoE; and,
- Notification from DAA indicating that the student is not making satisfactory course progress in a second consecutive study period in a course.

**DAA will keep copies of all the following documents, in the student's file:**

- Letter generated by the DAA informing the students in writing that they have been identified as failing or at risk of failing to meet course progress requirements;
- Any notes relating to discussions with the student by a suitably authorised DAA staff member;
- Intervention Strategy document signed by both DAA representative and the student;
- Notification from DAA indicating that the student is not making satisfactory course progress in a second consecutive study period in a course;
- Notification letter of the intention to report the student for unsatisfactory course progression, the appeals process and the mechanism to access the Student Grievance Policy and Procedure;
- Written request to the Executive Director, Learning and Academic Affairs to appeal the intention to notify DHA via PRISMs for unsatisfactory course progression;
- Document indicating the outcome of the appeal and any actions required;
- Letter to the student advising that the Institute has reported the student to DHA via PRISMS;
- Registrars Course Withdrawal Form.

## INDUCTION AND ORIENTATION

- All new students will undertake an orientation tour of the premises by the relevant instructor/manager prior to the commencement of studies set out in the orientation checklist (provided to students on their first day)
- DAA recognizes the value of appropriate orientation of students in the facilitation of the learning process;
- Students need to be familiar with their surroundings and the people they will deal with on a day to day basis;
- Students need to be familiar with the Policies and Procedure of the Organisation so they can participate fully and act appropriately to comply with rules and regulations;
- All students need to be aware of all relevant legislative requirements;
- Students need to be able to communicate any concerns in an appropriate manner, in the knowledge that any concern will not hinder a continued free dialogue between other students and staff;
- Students need to understand the organisational structure to facilitate appropriate communication and access all services provided by the school;
- Students need to be informed of the Emergency Procedures and reporting of Hazards for the safety of all.

## Recognition of prior learning

### Policy

DAA ensures that individual's prior learning is recognized, irrespective of how or where the learning has taken place including recognizing the qualifications and Statements of Attainment issued by any other Registered Training Organization. All candidates will be provided with a copy of the RPL policy and procedure. Applications for PRL will be managed and assessed by a person or persons with relevant qualifications.

RPL will be granted for modules where it can be substantiated that the applicant has achieved the key learning outcomes / units of competency ONLY.

### Procedure

Applications for qualification verification should be lodged with the following documents attached:

1. A valid Pilot Licence issued by the Government and abides by the rules of the International Civil Aviation Organisation
2. A Log Book appropriately certified by the relevant authority of the Licence issuing State;

OR

3. A Certificate of Attainment issued by an Australian Registered Training Organisation which is authorized to deliver pilot training under AQF
4. A Log Book appropriately certified by the relevant authority of the Licence issuing State

The student may be required to undertake a practical skills test to verify appropriate attainments claimed prior to acceptance into the course. An assessment and verification of the application will be undertaken. (Further information/ documentation may be requested to be supplied and assessed).

Applicant is then notified of the assessment decision. Where applicable, credit will be given and recorded for identical modules/ units of competence completed elsewhere. Exemptions will be granted and recorded for achievement of the equivalence of a module/ unit of competence. A Statement of Attainment will also be issued. Applicants may appeal a decision. Appeals should be lodged with the Department of Education.

## STUDENTS RIGHTS AND OBLIGATIONS

### Leave procedures

Students are able to lodge a **Notice of participant absenteeism form** the following reasons and students will take responsibility of their academic progress monitoring and student visa requirements.

### Sick leave

**Definition: Unable to attend class or flying lessons due to illness**

Student's responsibility	DAA's responsibility
<ol style="list-style-type: none"><li>1. Students inform their instructor, or Management (in that order) by phone/email (not text message) before the first lesson of the day that they will be absent.</li><li>2. Students who need help, for example transport to a doctor, should contact the International Student Manager by phone only.</li><li>3. DAA requires students to provide a medical certificate on the day of return, depending on the duration of absence.</li><li>4. Medical certificate must meet minimum medical certificate requirements</li><li>5. Email <a href="mailto:enrol@diamond.edu.au">enrol@diamond.edu.au</a></li></ol>	<ol style="list-style-type: none"><li>1. Assist students with doctor or hospital visits if needed.</li><li>2. Record in student file</li></ol>

### Medical certificate requirements

#### POLICY

Students who are required to obtain a medical certificate for leave requirements must include the following information on the medical certificate for DAA's certification purposes.

1. Name of practicing doctor and certification
2. Doctors surgery contact details: phone number, address, email
3. Doctors surgery ABN
4. Dates which are required to cover student for leave period (inclusive/exclusive duration)
5. Doctor signature
6. Date of medical examination

Failure to meet the minimum requirements may result in the rejection of student sick leave and recorded as non-attendance.

## Leave from Study

**Definition: Short period of leave during a scheduled training period due to compassionate or personal reasons.**

<b>Student's responsibility</b>	<b>DAA's responsibility</b>
<ol style="list-style-type: none"><li>1. Complete <b>Notice of participant absenteeism form</b></li><li>2. Visit the relevant managers indicated on the form for the approval of leave</li><li>3. A formal departure clearance may be needed for longer periods of leave, as advised by Management</li></ol>	<ol style="list-style-type: none"><li>1. As a general rule, students taking leave from study for extended periods have to go through the departure clearance process.</li></ol>

## Withdrawal

### Policy

DAA is committed to ensure quality and accountability in the management of student enrolment and that no financial, administrative or other barriers would prevent entitled students enrolled in a course of study from withdrawing ten (10) working days prior to course commencement:

1. Enrolment fee of \$1,500.00 (Australian Dollars) for each course is non-refundable.
2. Student will receive a refund, without having to apply for one, for any up-front tuition fee payment ten (10) working days prior for the specified unit of study from which they are withdrawing.
3. Will not be charged an additional penalty or fee to allow them to withdraw from a course
4. Under no circumstances, once the course has commenced, a refund will not be available.
5. Additional enrolment fee \$1,500.00 (Australian Dollars) will apply to the students who re-enrol into the same and/or different course, and it is non-refundable.

### Procedures

<b>Student's responsibility</b>	<b>DAA's responsibility</b>
<ol style="list-style-type: none"><li>1. Inform DAA of your decision to withdraw your enrolment in writing or via email to ensure a date of withdrawal is recorded, at <a href="mailto:enrol@diamond.edu.au">enrol@diamond.edu.au</a></li><li>2. Complete "Form Student Withdrawal and Refund" and hand it to the Operations Manager</li><li>3. To re-enrol, notify the Management in writing or by email at <a href="mailto:enrol@diamond.edu.au">enrol@diamond.edu.au</a></li></ol>	<ol style="list-style-type: none"><li>1. Refund any upfront tuition fees for the specified unit of study.</li><li>2. Allow students to re-enrol in a course on written notification.</li></ol>

## Deferment

Please refer to ESOS Legislative Framework for regulation for international student visa holders at <https://internationaleducation.gov.au>. This procedure refers to cases where:

1. Students request to either defer their course of study start date or apply to suspend or cancel their enrolment after starting their studies. To defer or suspend enrolment means to temporarily put studies on hold.
2. DAA initiates the deferral of a course start date or the suspension or cancellation of a student's enrolment due to misconduct or lack of sufficient course progress.

Both cases may affect a student's confirmation of enrolment (CoE). Providers do this by notifying the Department of Education, through Provider Registration and International Student Management System (PRISMS) of the deferment, suspension or cancellation of enrolment.

### Suspension or cancellation procedure

#### Initiated by the student

International students must understand that a request to defer, suspend or cancel their enrolment may affect their student visa. Students may only request a temporary deferment or suspension of their enrolment on one of the following conditions:

1. Unavailability of the course
2. Delay in the visa process
3. Compassionate or compelling circumstances, including but not limited to:
  - Serious illness or injury
  - Bereavement of close family members
  - Major political upheaval or natural disaster
  - Traumatic experience.

**The following procedures apply:**

<b>Student's responsibility</b>	<b>DAA's responsibility</b>
<ol style="list-style-type: none"><li>1. Complete form Application for deferment, suspension or cancellation, including supporting documents.</li><li>2. Email application to <a href="mailto:enrol@diamond.edu.au">enrol@diamond.edu.au</a></li></ol>	<ol style="list-style-type: none"><li>1. Assess the application and inform the student in writing if their application has been approved or refused, including reasons for the decision.</li><li>2. Communicate the decision to the Department of Education, through PRISMS.</li></ol>

The information in PRISMS will be electronically transferred to Department of Home Affairs (DHA). DHA will consider all the information available and if they decide to consider cancellation, DHA will send a Notice of Intention to Consider Cancellation (NOICC) prior to a decision being made to cancel the student's visa. Students will be given an opportunity to respond to the NOICC and explain their situation. The student does not need to contact DHA.

A student's application to defer, suspend or cancel their enrolment with DAA will result in three different outcomes for the student's CoE:

1. DAA notifies the Department of Education through PRISMS that it is deferring or suspending a student's enrolment for a period without affecting the end date of the CoE. In this case there is no change to the CoE or the student's enrolment status on PRISMS i.e. the student's CoE status will still be listed as 'studying'. However, the notice of deferment or suspension will be recorded in PRISMS and sent on to the Department of Home Affairs (DHA). This information will be kept for future reference.
2. DAA notifies the Department of Education through PRISMS that it is deferring or suspending a student's enrolment for a period which will affect the end date of the CoE. In such situations, PRISMS will cancel the original CoE, and immediately offer the provider the opportunity to create a new CoE with a more appropriate end date. If the provider does not know when the student will return, it can choose not to create a new CoE at that point, but to wait until the student has notified the provider of the intended date of return before creating the new COE.
3. DAA notifies the Department of Education through PRISMS that it wishes to permanently cancel (terminate) the student's enrolment. Once this process is complete, the student's CoE status will be listed as 'cancelled'.

### **Deferment, suspension or cancellation initiated by DAA**

DAA may need to defer a student's course start date or cancel a course due to insufficient student numbers.

DAA's responsibility in this case will be to:

1. Inform the student in writing about the postponement or cancellation of a course before the student arrives in Australia, stating the reasons for the decision.
2. Refund all upfront payments to the student.
3. Communicate the decision to the Department of Education, through PRISMS.

DAA may decide to suspend or cancel a student's enrolment due to misconduct or insufficient course progress. Please refer to the section 'Monitoring of Academic Progress' for an explanation and guidelines of performance monitoring. The section 'Misconduct' gives further detail on what DAA considers unacceptable behaviour and how it will be handled.

## PROCEDURE

Student's responsibility	DAA's responsibility
<ol style="list-style-type: none"><li>1. Appeal the decision using DAA's complaints, appeals and grievance procedures within 28 working days from receiving DAA's letter of intention to cancel enrolment. This does not mean the appeals process needs to be completed within 28 working days.</li><li>2. DHA will consider all the information available and if they decide to consider cancellation, DHA will send a Notice of Intention to Consider Cancellation (NOICC) to a student prior to a decision being made to cancel the student's visa</li><li>3. Students will be given an opportunity to respond to the NOICC and explain their situation. The student does not need to attend a DHA office.</li></ol>	<ol style="list-style-type: none"><li>1. Inform the student in writing about the intention to suspend or cancel their enrolment in 28 working days, stating the reasons for the decision.</li><li>2. Inform the student of their right to appeal the decision, using DAA's complaints, appeals and grievance procedure.</li><li>3. After 28 working days or after the appeals process, if unsuccessful, inform the Secretary of the Department of Education through PRISMS of the student not achieving satisfactory progress.</li><li>4. Allow the student to continue with training during the process if practical.</li></ol>

## Student transfer procedures

### Procedures for accepting a transferring student

DAA will not knowingly enrol students from another provider before they have completed six months of their principal course of study, except in the following circumstances:

1. The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered.
2. The original registered provider has provided a written letter of release.
3. The original registered provider has had a sanction imposed on its registration by the Australian government or state or territory government that prevents the student from continuing his or her principal course.
4. Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

The six months restriction applies to any prerequisite courses in a package of courses, as well as the first six months of the course. After the first six months the course no restrictions apply.

**The following procedures apply:**

<b>Student's responsibility</b>	<b>DAA responsibility</b>
<ol style="list-style-type: none"><li>1. Student follows DAA's enrolment application to DAA with authentic information about their current enrolment status.</li><li>2. The student provides a letter of release from the provider of the course the student wants to transfer from. If the transfer will affect the start dates of any subsequent courses covered by the visa, the student needs to obtain letters of release for those courses</li></ol>	<ol style="list-style-type: none"><li>1. Management assess the enrolment application and refers to PRISMS to determine if the student has truthfully disclosed their current enrolment status.</li><li>2. Management informs the student in writing within two weeks if their application has been approved or refused, including reasons for the decision.</li><li>3. Issue a letter of offer of enrolment to the student if the application is successful.</li><li>4. Accept the student's letter of release from the other provider</li></ol>

## Student complaints, appeals and grievance

Grievance or complaint means an actual or supposed circumstance regarded as just cause for complaint. Appeal refers to the review of decisions made by DAA, including assessment decisions and termination of a training contract due to misconduct or failure to progress with flight or ground theory training at a reasonable and/or safe rate.

DAA is committed to ensure that grievances and appeals are resolved in a confidential, fair and timely manner, following the principles of natural justice and procedural fairness. Students are expected to continue their training while a grievance/appeals process is underway, if practical. Students have a right to be accompanied by a support person of their choice during any stage of the complaint process. No fees will be charged to the student during the internal or external resolution stage of the grievance/appeal process.

The process applies to:

1. Academic matters, for example student progress, assessment, outcomes and awards in a VET course of study.
2. Non-academic matters, for example harassment, discrimination, fines, payments, financial matters and complaints about privacy and DAA's processes.

**The following procedure applies to student grievances and complaints:**

Student's responsibility	DAA's responsibility
<ol style="list-style-type: none"> <li>1. Discuss the problem informally with the most appropriate staff member, for example a flying or ground instructor or Management</li> <li>2. Both parties should do their best to reach a workable solution in the best interest of the student.</li> <li>3. If dissatisfied with the outcome, submit form Student Grievance/Appeal within one week of the informal discussion to <a href="mailto:enrol@diamond.edu.au">enrol@diamond.edu.au</a></li> <li>4. If the student remains dissatisfied with the proposed solution of the complaint, they can appeal to an external independent mediator within ten working days of when the written report was received.</li> </ol>	<ol style="list-style-type: none"> <li>1. DAA acknowledges the grievance/ appeal via email and record it in the SMS.</li> <li>2. DAA investigates the matter and gathers information from relevant parties to determine if the grievance is justified.</li> <li>3. DAA recommends a resolution in consultation with the CEO via a written report within two weeks of the lodgement of the complaint, including reasons for the decision.</li> <li>4. DAA records and documents the complaint and solution in the CMS.</li> <li>5. DAA will implement decisions made by an external independent mediator and keep a record of the entire process on the student's electronic file.</li> </ol>

## Misconduct

The code of conduct is intended to provide general principles that govern acceptable behaviour. It presents the standards and norms that Diamond Airline Academy, its students as well as the individuals, companies or organisations executing functions on behalf of Diamond Airline Academy must respect and sets the tone for what is considered appropriate behaviour.

The code applies to all students and company's premises, sponsored accommodation and/or any activity approved and conducted in accordance with the company's affiliates.

The code will be published via the Manager. An exam to ensure all students have read and understood the code of conduct will be administered.

The company reserves the right to update or amend the code of conduct at any time and will communicate to all applicable the latest version via the Manager.

### General Behaviour

1. Students must; at all times behave professionally, ethically and comply with academy policies and procedures and regulatory obligations.
2. The company aims to provide an environment in which all parties may participate in all aspects of their learning environment through practice of professional courtesy and non - discriminatory practices.
3. Students must not engage in unlawful discrimination; harassment or bullying
4. At our company we value and respect the social and cultural diversity of our staff and students, encouraging inclusive behaviour in order to provide an environment that is supportive, professional and productive.
5. The company expects that students are fully committed to their study and flight training to ensure satisfactory and timely completion of their respective program.

### Personal Conduct

Some acts of commission or omission that will be treated as serious breaches of discipline and if proved may lead to the student's suspension or dismissal from the company. Listed below some examples but not limited to:

1. Falsification of leave, absence records, documents and certificates
2. Wilful insubordination of any order or direction received from the company for adherence
3. Habitual late or irregular attendance
4. Absence without leave or beyond the sanctioned leave without sufficient reasons or satisfactory explanation and/or certification
5. Neglect of study or negligence of academic performance
6. Disclosing or divulging proprietary information of the company for personal wrongful gain
7. Damage to any property of the company due to gross negligence, wilful misconduct or dereliction of duty.
8. Giving false information on any matter related to training during the course

9. Drunkenness or indecent/disrespectful behaviour within the company premises, on the premises of customers or suppliers and outside the premises where such behaviour is in connection with the company's business reputation or prospects
10. Dishonesty/lack of integrity in any regard; and
11. Discrimination against harassment of any company employee/vendor/trainee based on race, religion, sex, age, nationality, disability or any other factor unrelated to the company's legitimate interests.

### **Academic conduct**

It is academic misconduct if a student in relation to an examination or assessment:

1. Cheats
2. Engages in plagiarism
3. Improperly colludes with another person
4. Fails to comply with examination or assessment rules or directions; or
5. Engages in other conduct with a view to gaining unfair or unjustified advantage

### **In Ground School and Flight Operations**

All deviations from below rules shall be set as a violation to the code of conduct and action taken accordingly

1. Except for the extraordinary leave requirement arising out of extreme compassionate or medical grounds, no leave shall be granted when a student is assigned to ground training activities.
2. Students shall be seated and present in classroom at least 5 minutes before starting time
3. During breaks between classes students are permitted to be outside their classrooms in the corridor provided it is not a noise issue
4. Absence or being late may result in additional charges towards completing the ground training syllabus

### **Other rules**

#### **Staff offices**

- Students must not be in a staff office unless invited and a staff member is in attendance

#### **Student rooms**

- Conversation and noise levels must be kept to a minimum
- Leave the area in a tidy condition
- Place unused paper and all rubbish in the nearest bin
- Tables clear and chair stowed
- No food and / or drink

## **Mobile phones**

- Mobile phones are to be switched off or in silent mode in classrooms and must be turned off in the aircraft
- All mobile phones and other portable devices shall be handed to the invigilator prior to the examination

## **Social media and networking**

The DAA respects student's right to a private life. However, the company must also ensure the confidentiality and its reputation are protected.

The DAA classifies social media as, but not limited to:

- Microblogs
- Message boards
- Chat rooms
- Electronic newsletters
- Online forums
- Social networking sites
- And other sites and services that permit users to share information with others

## **Company students using any of the above listed services must:**

- Avoid associating the company with inappropriate comments
- Ensure that they do not conduct themselves in a way that is detrimental to the reputation of the company
- Interactions with other websites that could damage working relationships
- Do not upload videos, pictures to social media with the company logos and / or assets for commercial use
- Selfies are not to be taken during flight

DAA reserves the authority and rights to request students to remove and/ or delete pictures and/or video, and or/ comments from social media

## **Other**

- No electronic device gaming during study period

DAA may decide to terminate a student's enrolment due to wilful or deliberate behaviour that is inconsistent with the continuation of their training contract and/or may cause serious risk to the health and safety of other students and staff at DAA, or to the reputation, viability or profitability of DAA. Misconduct includes but is not limited to where students:

1. Engage in theft, cheating, fraud or assault
2. Are intoxicated (under the influence of illicit drugs/alcohol) during training
3. Refuse to carry out a lawful and reasonable instruction that is consistent with their training contract

4. Direct unreasonable behaviour towards others, which creates a risk to a person's mental or physical health and safety.

DAA may decide to also suspend a student's training during the termination process as a risk management process to protect the business' tangible and intellectual property. Students have a right to be accompanied by a support person of their choice during any stage of the termination process.

## STUDENT EXIT PROCEDURES

### Graduation and Certification

DAA will issue nationally recognised qualifications to students on completion of their training. Certificates and Statement of Attainment will be issued and either mailed with a receipt confirmation request or handed to students before they leave. Certification must be completed within 30 days of course completion.

Certificate is an important document and should be stored carefully. You will have to present it if you are applying for courses at any other Registered Training Organisation. It may also be required by an employer or other person if you have applied for and been granted an extension or variation to your VISA.

### Incomplete Qualifications

If you leave the course without actually completing and being deemed competent in all of the assessments in full, a Statement of Attainment to be issued only.

## LIFE IN AUSTRALIA

Australia is diverse and multicultural. The country's original inhabitants, the Aboriginal and Torres Strait Islander people, have been living in Australia for at least 40 000 years. The rest of Australia's people are migrants or descendants of migrants who have arrived since the first European settlement was established at Sydney Cove in 1788. This unique mix of cultures, food, languages and religious backgrounds, directly influenced Australia's culture and values.

### Planning your arrival

Once you have accepted your Letter of Offer and been issued with your Confirmation of Enrolment (CoE), you will need to prepare for your move to Australia. Plan to arrive two to three weeks prior to the term commencing. This will give you time to settle in before your classes commence.

### Overseas Student Health Cover

International students wishing to study in Australia must apply for OSHC before applying for a student visa. It includes cover for visits to the doctor, some hospital treatment, ambulance cover and limited pharmaceuticals (medicines). OSHC insurers can provide a range of different OSHC products. These may range from a basic product which covers only the compulsory minimum services to comprehensive products which cover, in addition to the compulsory minimum services, extra services as specified under the particular policy.

For further information please visit the Department of Home Affairs website [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au). If a student enters Australia before their OSHC begins, they are in breach of their visa conditions. To apply for a visa, the student must declare that they have obtained OSHC for the entire period of their stay, unless they are exempt from this requirement. Exemptions apply to some Belgian, Norwegian and Swedish students, who are not required to purchase OSHC.

A student will not be able to continue with their student visa application until they have declared they have OSHC for the entire period of their stay. Students will have to indicate in their application the date their OSHC starts and the date it ends. A DHA visa processing officer may need to verify that OSHC has been obtained by asking the student for evidence, such as policy details. Private international students must organise their own OSHC.

## Student Visa

Overseas students studying in Australia require a student visa from the Australian Department of Home Affairs. For more information visit <http://www.border.gov.au/> or contact the nearest Australian Embassy or Consulate.

Students will need a medical examination by an immigration approved doctor before a student visa will be approved. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the CRICOS website at <http://cricos.education.gov.au>

Please review the ESOS framework at <https://internationaleducation.gov.au>

## Cost of living

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia.

**From 23 October 2019, the 12-month living cost is:**

- Student/guardian      AUD\$21,041
- Partner/spouse        AUD \$7,362
- Child                    AUD \$3,152

## Accommodation

DAA does not offer accommodation services or take any responsibility for accommodation arrangements. However, DAA is able to refer students to appropriate accommodation services and are always available to discuss any issues or concerns a student may have with their accommodation arrangements. All students are encouraged to have accommodation organised prior to arrival in Australia/ Training Base.

## Airport Pick up service

DAA provides an airport pick up service for international students arriving in Australia. Students will need to select this service upon enrolment. A fee of \$120.00 AUD will be charged and listed on student's enrolment agreement as "other expenses" if this service is selected by the student applicant.

## About Melbourne

Melbourne is the coastal capital of the South Eastern Australian state of Victoria. At the city's centre is the modern Federation Square development, with plazas, bars and restaurants by the Yarra River. In the Southbank area, the Melbourne Arts Precinct is the site of Arts Centre Melbourne- a performing arts complex- and the National Gallery of Victoria, with Australian and indigenous art.

## About Moorabbin Airport

Moorabbin Airport, one of four in the city, serves the general aviation needs for the south-eastern suburbs of Melbourne. It has five intersecting runways, the longest being Runway 17L/35R with a length of 1,335 metres (4,380ft). Usually, two parallel runways are used at the same time. The airport also has a control tower. The airport is home to the Royal Victorian Aero Club, the Australian National Aviation Museum and several flight training facilities.

## SUPPORT SERVICES

<b>Counselling services</b>	
<i>DAA does not offer formal welfare or guidance services, but every effort will be made to assist clients to access appropriate support agencies.</i>	
<b>Beyondblue</b>  Depression and anxiety affect people from all cultures. You can call Beyondblue 24 hours a day, or talk to a counsellor online from 3.pm to midnight every day. An interpreter service is available via TIS.	P: 1300 224 363 W: <a href="http://www.beyondblue.org.au">www.beyondblue.org.au</a>
<b>Lifeline</b> Lifeline provides free, confidential telephone counselling 24 hours a day, 365 a year	P: 13 11 14 W: <a href="http://www.lifeline.org.au">www.lifeline.org.au</a>

<b>Student advocacy</b>	
<i>Student advocacy deals with assistance relating to a range of academic activities</i>	
<b>Grievance and appeals Policy and procedure</b>  <b>Monitoring Academic progress</b>	Please see DAA's policies and procedure for further assistance.

USI	Unique Student Identifier

## 8. Appendix 1

### Units of Competency Diploma of Aviation (Commercial Pilot Licence – Aeroplane)

- AVIE0006 Maintain aircraft radio communications
- AVIF0026 Implement aviation risk management processes
- AVIF0027 Implement aviation fatigue risk management processes
- AVIF0029 Implement threat and error management strategies
- AVIF0030 Manage safe flight operations
- AVIF0033 Manage aircraft passengers and cargo
- AVIF0035 Manage human factors in aviation operations
- AVIH0010 Plan a flight under visual flight rules
- AVIH0014 Navigate aircraft under visual flight rules
- AVILIC0003 Licence to operate a commercial aeroplane
- AVIO0017 Manage disruptive behaviour and unlawful interference with aviation
- AVIW0029 Manage pre and post flight actions
- AVIW0032 Operate and manage aircraft systems
- AVIY0033 Operate aircraft using aircraft flight instruments
- AVIY0034 Operate in controlled airspace
- AVIY0035 Operate in Class G airspace
- AVIY0036 Operate at non-towered aerodromes
- AVIY0037 Operate at a controlled aerodrome
- AVIY0040 Apply aeronautical knowledge to aviation operations
- AVIY0041 Apply the principles of civil air law to aviation operations
- AVIY0046 Execute advanced aeroplane manoeuvres and procedures
- AVIY0047 Manage abnormal aeroplane flight situations
- AVIZ0006 Manage situation awareness in aircraft flight
- AVIY0054 Control aeroplane on ground
- AVIY0055 Take off aeroplane

AVIY0056 Control aeroplane in normal flight

AVIY0057 Land aeroplane

AVIY0058 Manage aircraft fuel

AVIH0015 Plan a flight under night visual flight rules (Elective)

**Diploma of Aviation (Commercial Pilot Licence – Aeroplane)**

**150 hourly CASA Day (VFR) Syllabus**

CPL Human Performance and Limitations

## 9. Appendix 3

### Units of competency of Diploma of Aviation (Instrument Rating)

AVIW0032 Operate and manage aircraft systems

AVIH0013 Plan a flight under instrument flight rules

AVIH0017 Navigate aircraft under instrument flight rules

AVIY0076 Perform visual circling approach

AVIF0029 Implement threat and error management strategies

AVIF0030 Manage safe flight operations

AVIY0033 Operate aircraft using aircraft flight instruments

AVIY0073 Operate aircraft in the traffic pattern at night

AVIY0075 Perform published instrument departure procedures

AVIY0044 Conduct a 2D instrument approach

AVIY0022 Perform instrument arrival and standard arrival route procedures

AVIY0074 Perform non-published instrument departure procedures

AVIY0081 Conduct a 2D global navigation satellite system non-precision instrument approach

AVIY0045 Conduct a 3D instrument approach (Elective)

## Diploma of Aviation (Instrument Rating)

All textbooks for the course (e.g. Instrument Rating by Bod Tait)

All departures and approach publications (including maps, ERSA and AIP)
