### My UNI EXPERIENCE...

### WHAT HAPPENED AT THE OPEN DAY?

It was a great opportunity to meet the lecturers who'll be teaching you, speak with students, explore the campus and get a feel for the university. I loved the day so much that once I enrolled, I became a Student Ambassador.

### **WHY BOLTON?**

The courses are both BPS accredited and have a great reputation with small class sizes, their quality was assured, and I knew that I'd be able to work in the field of psychology, once I graduated. The lecturers were very friendly.

### **MY CAREER**

I got my job through the Psychology department at the university, the charity approached my professor to carry out some research into the need for psychological interventions in schools. I was appointed as a research assistant whilst studying for my masters degree and things just kind of snowballed from there. I am now Project Co-ordinator for the Hummingbird Project, a psycho-educational intervention for school-aged children based around Positive Psychology.

### THE SUPPORT

The lecturers are all very friendly and go out of their way to help. Not just academically but also with any concerns in terms of my future career. Put simply, without the University of Bolton I wouldn't be working in the career I do now.

The university has completely changed my life. I was working in retail when I enrolled and now I'm in a job that I'm passionate about.

& FINANCE

At the University of Bolton, we are proud to provide a positive student experience, reinforced by our Teaching Intensive, Research Informed approach. Our friendly campus and relatively small class sizes put you, the student, first.

OFESSOR GEORGE HOLMES VICE CHANCELLOR

THE TIMES & SUNDAY TIMES GOOD UNIVERSITY GUIDE 2020 Offering exciting opportunities to develop your skills and interests, supporting your career ambitions. Our courses are centred around you, and encourage collaborations in a supportive learning environment.

We are committed to providing a high-quality, teaching-intensive education, that includes individual support through our personal tutors, peer assisted study and online resources. Focussed academic study combined with hands-on practical work, means you develop the industry-relevant expertise to progress into the working world with confidence.

0

Students undertake enquiry-based activities, nurturing skills in critical thinking, problem-solving and presentations. Academic research is a key part of the curriculum, not only ensuring you have the skills to carry out research but benefit from the latest thinking in your subject area.

MILLION

F.W.F.

### **BOLTON ONE**

Sport facilities, sports hall, climbing wall and swimming pool all to industry standard. Dedicated sport science areas and a working clinic to gain real-world experience.

We have state-of-the-art facilities, so on day one of your new job you're looking at the same equipment you used during your studies.

At the University of Bolton we understand what future employers are looking for from graduates, that's why we are constantly investing in our facilities on campus.

MILLION

### NATIONAL CENTRE FOR MOTORSPORT ENGINEERING (NCME)

We are proud to be the UK's only National Centre for Motorsport Engineering. Our highly qualified staff have relevant experience within the motorsport and engineering industries, helping our students achieve their career goals. This outstanding, purpose-built environment enhances the students' experience, helping their employability.

### CENTRE FOR DENTAL SCIENCES

Based in the Queen's Building, the purposebuilt laboratories enable the students to work in state-of-the-art dental processing rooms. The sponsored digital dental laboratory houses some of the most advanced specialist industry-standard equipment.

MANCHESTER

## **GETTING** around

LIVERPOOL 50 minutes

Friendly and thriving, with a big heart and even bigger spirit, welcome to Bolton.

Recently, Bolton has seen major regeneration and investment, benefiting its residents, visitors and students. Modern leisure and retail facilities. including a nine-screen cinema, shops, bars and restaurants.

Located just 20 minutes by train from Manchester's city centre, regarded as the UK's second capital; shopping, sporting events, attractions, nightlife, concerts plus more all on your doorstep.

 Dynamic and growing cultural scene with nationally-acclaimed Octagon Theatre Bolton, annual food and drink, and winter festivals

- Student friendly with a great variety of social options
- Excellent transport links locally. nationally and beyond, including the new multi-million pound Bolton Interchange
- Surrounded by stunning countryside including the West Pennine Moors and Peak District
- Lower cost of living than many UK cities

## AUP ABOUT EMPLOYABILITY

We have a dedicated team to help with employability in conjunction with placements on courses, and business contacts. Many of our lecturers are still actively involved in the industry and we make sure we help prepare you for a great career in the profession you have chosen.

"The opportunity to work at the top level of British Rallycross supercar has been unbelievable. To complete, dominate, and win the championship is an outstanding result for NCME and all of the dedicated students involved. Taking part in the programme from start-to-finish taught students valuable lessons in how motorsport operates, and to see the team develop was fantastic."

ELLIOT DOWNS | BSc (HONS) MOTORSPORT TECHNOLOGY

The Adult Nursing course at the University of Bolton is outstanding; university tutors and clinical nurse tutors are very supportive and you're not just a student ID number, at this university you are an individual with a name.

> ELLISSE VERNON BSc (HONS) ADULT NURSING

"The Special Effects for Film & TV degree course is second-to-none. More and more I'm seeing Bolton graduates securing jobs in the film and television industries. That's entirely down to the quality of the education, the facilities and the guidance they get from the university."

### **STUDENT SERVICES**

Our award-winning student services team are able to answer queries on accommodation, disability support, finance and funding as well as health and wellbeing. We are here to put you, the student first!

UK students studying for their first undergraduate degree may be eligible to receive a tuition fee loan, as well as a maintenance loan to cover the cost of living while studying. Contact Student Finance England for more information.

### WHAT'S THE COST?

Tuition fees<sup>^</sup> University fees are presently being reviewed by the Government

**£9,250 per year** (2019/20)

uob.ac/b14

### **NO HIDDEN EXTRAS**

We are proud that the University of Bolton will not charge you any additional fees or ask you to pay any added costs that are mandatory for the completion of your course.<sup>^</sup>

### We will cover the following:

- Technical or laboratory materials e.g. for Art & Design or Creative Technologies courses
- All compulsory site visits/field trips
- Required safety equipment e.g. lab coats, goggles
- Specific uniform or clothing required by the course
- Printing for academic studies: an allowance of £20 per academic year (equivalent to printing 500 black and white A4 sheets)

### SCHOLARSHIPS & BURSARIES

A range of financial packages are available from the University of Bolton to assist and support UK, EU and international students undertaking full or part-time undergraduate courses."

## HOME AWAY FROM LOCALC

Our accommodation, Orlando Village provides a safe, comfortable home whilst studying that is both great value for money, and conveniently located close to our campus. We ensure all first-year undergraduate students are guaranteed<sup>•</sup> a place in our halls, providing a stress-free entry into university life.

Self-catering, gated halls of residence providing fully-furnished, single bedrooms with internet access, shared kitchens and bathrooms, laundry facilities and plenty of free parking.

There are accessible ground-floor rooms for disabled students.

Moving so far away from home was difficult but I am so happy that I did. The University of Bolton is one the best places I've ever been and I am so glad I get to learn here.

JESSICA LARKINS BA (HONS) MEDIA, WRITING & PRODUCTION

### WHAT'S THE COST?

## The home of past & future

A place for all, for all to succeed and achieve a dream. Evolving starts with getting involved! If you want to grow, be in the know!

MELISSA MARSHALL | BA (HONS) EDUCATION & LEARNING

"The University of Bolton is well known amongst local and national employers for producing graduates who become practical engineers and has a reputation for educating employees for companies, which is why we felt they were a great fit for us."

### Apprenticeships for all types of work

Learn

**AND EARN** 

An apprenticeship is a great way to get on the career ladder; learning and earning at the same time.

ConnectED brings together the expertise of Bolton College, Alliance Learning and the University of Bolton to provide a one-stopshop for apprenticeships, education and training. A dedicated team of professionals will help you find the right apprenticeship across a range of employers in the North West, from intermediate and advanced level to higher and degree level apprenticeships.

alliance learning

I chose the apprentice route as I could still pay all my outgoings, learn and be one step closer to my dream job. I find the course good and the tutors really help with any problems you have.

Our friendly Open Days provide a great opportunity to discover more about life at the University of Bolton. You'll get to speak to our passionate lecturers, and hear first-hand from our students about the wonderful courses we offer. Tours of the modern facilities as well as the halls of residence, make up the day. At the end of the day, you will have a better understanding of why we are the right university for you. Remember there's a reason why our students have voted us No.1 for student satisfaction.

### ACCESS ALL AREAS

Designed to highlight the fantastic courses on offer and the community feel of being a University of Bolton student. You will have the opportunity to take part in mini lectures, tours and find out more about student support. The booking form will allow you to tailor the day to your interests and needs.

#### The information given in this guide is intended as a general guide to the University of Bolton, its courses and facilities.

The information contained in this guide was believed to be correct and accurate at the time of it going to press (it was printed in February 2019). The prospectus does not form part of your contract with the university. It is therefore important that you check the university's website at www.bolton.ac.uk for the latest information and updates or contact the university using the contact details contained within this document.

The university will use all reasonable endeavours to deliver your course as described in its published material and the programme specification for the academic year in which you begin your course. The university considers changes to courses very carefully and the university will minimise any changes. Please be aware that our courses are subject to review on an ongoing basis and changes may be necessary due to legitimate staffing, financial, regulatory and academic reasons. The content of course modules and mode of associated assessments may be updated on an annual basis. This is to ensure that all modules are up to date and responsive to employment and sector needs. The published course material and the programme specification contain indicative 'optional modules' that may be subject to change due to circumstances outside of our control. For this reason we cannot guarantee to run any specific optional module. Where changes are made to material information contained in this prospectus or a decision is taken to suspend a course between the offer of admission and enrolment, we will inform applicants at the earliest possible opportunity and will outline the various options available to the applicant. Courses that are not yet validated are clearly identified.

Applicants should refer to the important information located at www.bolton.ac.uk/admissions before making an application. Any offer of a place on a course at the university is made on the basis of the university's terms and conditions applicable at the time you accept your offer and those terms and conditions are located at: https://www.bolton.ac.uk/about/governance/policies/studentpolicies/. It is important that you have the opportunity to read and understand these terms before accepting your offer. If you are unclear about any of the terms and conditions, you should ask the Admissions Team for clarification before you confirm your acceptance. By accepting a place at the university you are agree to abide by the rules and regulations of the university as details in the university's Student Admissions Policy, Course Fees Policy and other Rules, Regulations and other provisions and requirements and other policies and procedures of the university and relevant partners which apply to students.

#### No liability to parents, sponsors or other third parties

The university's dealings and contracts with students and prospective students do not create a contract or other legally binding relationship between the university and anyone else, for example parents, guardians or sponsors.

The university will use all reasonable endeavours to deliver your course as described in its published material and the programme specification for the academic year in which you begin your course. Please be aware that our courses are subject to review on an ongoing basis. The content of course modules and mode of associated assessments may be updated on an annual basis. This is to ensure that all modules are up to date and responsive to employment and sector needs. The published course material and the programme specification contain indicative 'optional modules' that may be subject to change due to circumstances outside of our control. For this reason we cannot guarantee to run any specific optional module.
