### Why study in Cardiff?

Cardiff is the perfect new home for an international student. A proudly multicultural city with a long history of immigration, it is home to people from all over the world.

It is a relatively small city, with most places within walking distance from the University, and this adds to its friendly community atmosphere. It is also an affordable place to live, with rent prices 40% lower than in London. You will find so much to explore in this dynamic British city.

Although part of the UK, Wales has its own government and its own distinctive character. Welsh people are known for their friendliness and for their pride in Wales's rich history.

As well as being a land of legend (hence the red dragon on the national flag), it is also known as the land of song, with a strong classical tradition having transformed into a thriving modern music scene.

### Why study at Cardiff University International Study Centre?

Our pathway programmes at the International Study Centre will help you settle into life at a UK university. Expert teaching staff will support you to build confidence in your English language skills and learn vital study skills for when you progress to Cardiff University.

#### A place for everyone

A proudly multicultural city with a long history of immigration, Cardiff is **home to people from all over the world**

# A highly-ranked university where students come first

Cardiff University is a prestigious Russell Group university, ranked among the top five universities in the UK for research excellence.

*(Research Excellence Framework 2014)*

## Well-rounded university experience

Cardiff offers a wealth of support and opportunities to its students, both in and out of the classroom. Leading academics incorporate their research into lectures and seminars, allowing students to share in their discoveries. Students can choose from hundreds of unique clubs and societies to explore new interests and make friends for life.

## Life-changing research

Courses are constantly evolving based on active research by faculty who are pioneers in their field. This means you will have access to the latest developments in your subject area. Studying in a research-led university also means you will enjoy great teaching facilities funded by research grants and contracts.

Cardiff's academics have worked on massive research projects directly impacting society, including (most recently) the first ever image of a black hole, and also breakthroughs on Alzheimer's disease, breast cancer and nuclear waste disposal.

## Inclusive atmosphere

Cardiff University is a 'university for all'. Its inclusive, community-focused ethos offers a supportive environment for international students. Everyone is welcome at this multicultural, friendly university.

## Top career prospects

A degree from Cardiff will be recognised worldwide. You will join a global network of alumni holding top positions in governments, the private sector and academia. Curriculums are designed to help you think independently, analyse problems, and work effectively in a team. These are valuable skills in the workplace that you will need to demonstrate to potential employers.

At Cardiff, you can tailor many of the degree programmes to meet your career aspirations. Flexible learning structures allow you to delay your final degree choice until the end of the first year, giving you the chance to try different disciplines. You can also choose to study a year abroad, or take part in a work placement. The Futures Connect team in Careers & Employability also offers a range of opportunities.

The Cardiff Award is an opportunity to develop valuable career skills and gain recognition from future employers. If you choose to take part, you will complete 70 hours of activities, including work experience, extracurricular activities, self-reflection, mock interviews, and online learning sessions. The Award will appear on your Higher Education Achievement Record for employers to see and you will receive a LinkedIn certificate.

# Explore Wales's fantastic capital city

Cardiff is a vibrant, affordable modern city with a multicultural history. Only two hours from London by train, it is also close to beautiful Welsh beaches and mountains.

Cardiff is in the South of Wales, an hour away from the English city of Bristol. One of Europe's youngest capital cities, Cardiff was crowned the capital of Wales in 1955, partly due to the excellent reputation of its university. Cardiff is a place known for its tolerance, diversity, and sense of fun. Wherever in the world you come from, you will feel welcome in Cardiff.

## International community

Cardiff has been one of the most diverse cities in the UK for the last century, after people emigrated in their thousands to work in its thriving port. A huge range of cultures and backgrounds are represented in the city's food and arts. Cardiff is also home to places of worship for all faiths, with a number of mosques, synagogues, churches and temples.

## Plenty to explore

Cardiff's arts scene is thriving, and it is home to fantastic theatres, music venues, and the world-renowned concert venue, the Millennium Centre. You will also find cinemas, bowling alleys, and much more. The city has recently been named the 6th best for shopping in the UK, with beautiful Edwardian and Victorian arcades and modern shopping centres with designer brands and unique independent shops. International supermarkets also make it easy for you to find the ingredients you use at home.

## World-class sport

Cardiff is home to Championship football club Cardiff City. It also has one of the world's most famous international rugby stadiums, the Principality Stadium.

## What to do in Cardiff

Cardiff Bay is only a five-minute train ride from the city centre and here you can relax by the waterside or enjoy the gorgeous view from the roof terraces of the Bay's international restaurants.

Bute Park, set in the grounds of Cardiff Castle, is a 5-minute walk from the University and is the perfect place for a picnic or a football game with friends. Or head out of town for boating on Roath Park lake.

When the weather is less than perfect, Cardiff's famous selection of shops will keep you entertained. You could also visit the National Museum of Wales, next to the University, or one of Cardiff's many great theatres.

## Getting around

Cardiff's public transport makes it easy and affordable to get around the city. As well as a reliable bus network and numerous cycling trails, there are train stations across Cardiff. It is also a great place from which to discover the rest of the UK and Europe – Cardiff is only two hours from London by train and it also has its own international airport.

**"I think the one word I would use to describe Cardiff is 'special'. Welsh people are absolutely friendly. They are very warm."**

**Lafan, Qatar**  
BA Media and Communications

CARDIFF BAY, HOME TO THE WELSH GOVERNMENT AND OTHER HISTORIC BUILDINGS

- Cardiff has **more green space per person** than any other UK core city, with over 330 parks and gardens
- Cardiff is the UK's **most affordable university city** (*Natwest Student Living Index, 2019*)
- 20% of Cardiff's population are students, **making the city feel safe and friendly**
- Cardiff was one of the UK's **first multicultural cities** and an estimated 94 languages are spoken here

CARDIFF IS ONE OF THE MOST MULTICULTURAL CITIES IN THE UK

# Experience life in Wales

One of the four countries that make up the United Kingdom, Wales borders England on its east coast. Wales has its own proud identity, forged around music, myths, and rugby.

## Lots to explore

Its beautiful landscape comprises stunning coastline, gorgeous sandy beaches and lush British countryside. It's easy to get around by train or car, taking only four hours to travel from the south to the north. Take a trip to the stunning sandy beaches of the Gower, Mid Wales or Anglesey. Experience the 'Welsh Mediterranean' in Portmeirion. Or check out the green mountains and lakes of the Brecon Beacons or Snowdonia.

## Land of dragons

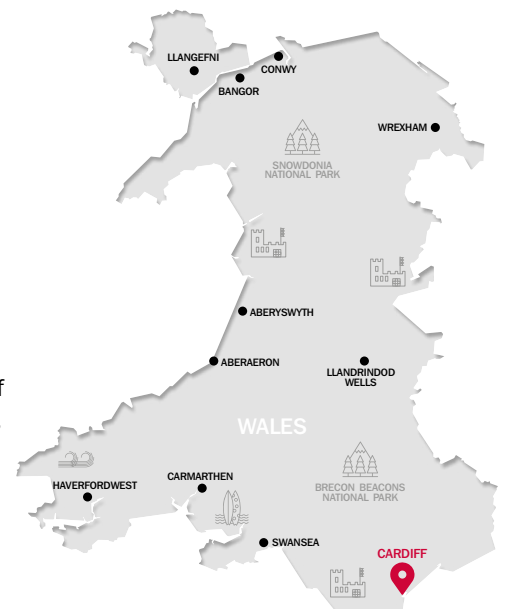

The red dragon is the national symbol of Wales, with legends telling the story of how the red dragon defeated an invading white dragon in a fierce battle. You will find many more Welsh folk tales when you explore outside of Cardiff. Visit one of more than 100 historic castles, some dating back as far as the 11th century.

The Welsh rugby team was ranked **#1 in the world** in 2019

## Great British weather

Wales has a reputation for being rainy, but its weather is very similar to the rest of the UK. The UK has four seasons and weather can vary considerably from month to month. The average temperature in Cardiff in winter is 7°C and in summer temperatures occasionally reach as high as 30°C.

"It's lovely to be surrounded by people from so many different countries, with so many different cultures, so many different ethnicities. I always wanted to be among people who are open-minded."

# A rewarding student experience

Cardiff's students benefit from hundreds of inclusive societies, an active Students' Union, fantastic facilities, and excellent student services.

## **An exciting place to live**

As a Cardiff student, you will be at the heart of the city. The majority of Cardiff's university buildings, libraries and its Students' Union are in the centre of the city. Student accommodation is also only a short walk away, so you can easily explore everything this great city has to offer.

## **Get involved**

Cardiff University encourages its students to take part in activities outside of their studies, to meet new people and build confidence and interpersonal skills for the future. Here, you can choose from more than 200 inclusive societies, focused on food, sports, drama, gaming, dance, music, and much more.

## **Constantly evolving**

The University is constantly investing in its facilities, and the new £50m Centre for Student Life is due to open for the 2020/21 academic year, creating improved student support services and social spaces.

Students' Union facilities include food outlets, The Jobshop, a prayer room,

The Taf pub, a Cardiff Student Lettings, shared work spaces, and much more.

The Lounge, built with international students in mind, is open to all. It's a great place to meet to work on group projects, with multimedia stations with Skype access, versatile work spaces, modern meeting rooms and touch screen tables.

The new School of Journalism, Media and Culture, in the city centre, has strong links with industry including BBC Wales.

## **Play and watch sports**

At Cardiff University, it's easy to take part in sports or support its many teams, with 76 teams registered in BUCS (British Universities & Colleges Sport) leagues.

Its extensive sports facilities are all cheap to use and open to everyone. Facilities include 33-acre sports fields, the Sports Training Village, a Fitness and Conditioning Centre, and dance studios.

Varsity is one of the biggest events in the student calendar, when Cardiff University competes against its rival, Swansea, in a number of sports at venues around the city.

## **Welfare and support**

Every student at the University is allocated a personal tutor who can assist with any academic or personal problems

Student Support Centres on both the Cathays and Heath Park campuses have specialist international advisers who can help you with visas, housing, finances and anything else that you would like to talk about. You can also talk to the International Students' Officer.

**#3 Students' Union in the UK**

*(Whatuni Student Choice Awards 2019)*

**Did you know?**

**The University has 16 libraries** and a range of IT suites, offering 24/7 study facilities

**Did you know?**

**The University is home to more than 31,500 students from 120 countries**

**Choose  
Cardiff University  
International Study Centre**  
Our pathway programmes will  
prepare you for undergraduate  
or postgraduate study at  
Cardiff University.

## Programmes designed especially for international students

At the International Study Centre, you will be a part of the Cardiff University community from day one, but you will benefit from extra support. Expert teaching staff will prepare you to meet the challenges of life at a top UK university. You will work on your English language level and perfect your academic study skills.

International Study Centre staff will support you both in and outside of your studies to help you adjust to life in a new country. Group activities will build your confidence and help you form new friendships.

## Succeed in your degree and beyond

You will choose from different subject pathways so that you can start building transferrable knowledge for your degree. You will also be encouraged to think about your future career goals and how you can work towards them.

When you complete your pathway programme and achieve the required grades at the International Study Centre, you can progress to your chosen degree at Cardiff University. For certain degree aims, a competitive selection process may be in place.

For up to date information, visit [cardiff.ac.uk/isc](http://cardiff.ac.uk/isc)

# Pathway programmes

## International Foundation Year

The International Foundation Year prepares you for an undergraduate degree at Cardiff University, with a combination of English language preparation and subject-specific content.

You can choose from the following subject routes:

- **Arts, Humanities, Law and Social Sciences**
- **Business, Economics, Accounting and Finance**
- **Engineering, Physical Sciences and Architecture**
- **Health, Medical and Life Sciences**

### Subject routes\*

#### Arts, Humanities, Law and Social Sciences

Choose this pathway to progress to degrees in subjects like English, History, Journalism, Politics, Sociology, Music and many more. There are four routes: Law, Humanities and Social Sciences, Music, and Psychology. Modules vary depending on the route and include Globalisation, Contemporary Legal Systems, introductions to your chosen route, as well as the option to work on an extended essay relevant to your pathway.

#### Business, Economics, Accounting and Finance

Studying business-related subjects will give you the option to progress to a degree in subjects including Accounting, Business Management, Financial Mathematics or a joint honours degree with a humanities subject, like politics, history or philosophy. Modules include Contemporary Business Issues, Understanding Organisations and their Environment, Economics of Business and Society, Introduction to Accounting and Finance, and Mathematics and Statistics.

#### Engineering, Physical Sciences and Architecture

Learn more about how humans can work in harmony with the natural world and choose to progress to a degree in Architecture, Environmental Geography or an engineering subject. You can specialise in one of five routes: Architecture, Chemistry, Computing, Earth and Ocean Sciences or Engineering, Physics and Mathematics. Modules could include: Fundamental Programming Concepts, Design Thinking and Idea Generation, and Geology and Environmental Science.

#### Health, Medical and Life Sciences

Start your studies and work towards a career in health sciences by selecting one of four routes leading to a range of progression degrees. The routes are: Dentistry, Medicine, Optometry, Pharmacological and Life Sciences, or Psychology. Modules will vary between routes but include Core Biology, Pure Mathematics, Core Chemistry and Introduction to Psychology.

Places on some degrees may be limited. For Medicine, Dental Surgery, Optometry and Pharmacy, students will undergo a competitive selection process.

### English Language Preparation

If you need to improve your English language level before starting your International Foundation Year programme, you can study the English Language Preparation programme at the International Study Centre.

For more information, visit [cardiff.ac.uk/isc](http://cardiff.ac.uk/isc)

\*All programmes are subject to approval.

# Pathway programmes

## Pre-Master's

The Pre-Master's prepares you for a postgraduate degree at Cardiff University, with a combination of English language preparation and subject-specific content.

You can choose from the following subject routes:

- **Business, Social Sciences and Humanities**
- **Science and Engineering**

### Subject routes\*

#### Business, Social Sciences and Humanities

Work towards studying your Master's degree in a wide range of subjects including Business Management, Education, Journalism and Sustainability, Planning and Environmental Policy. There are three subject areas: Business Management, Social Sciences and Humanities, and Human Geography and Planning with modules including Global Perspectives, Contemporary Business Issues, Globalisation and Urbanisation.

#### Science and Engineering

Prepare to study Computing, Computing and IT Management or Software Engineering at Master's degree level by choosing one of two subject areas: Computing or Software Engineering. Modules include Mathematics for Masters, Statistics for Research and Programming Concepts for Postgraduate Study. There are also additional modules in Academic English Skills and Becoming a Researcher.

### English for Pre-Master's

If you need to improve your English language level before starting your Pre-Master's programme, you can study English for Pre-Master's at the International Study Centre.

For more information, visit [cardiff.ac.uk/isc](http://cardiff.ac.uk/isc)

# Your new home in Cardiff

International Study Centre students have the opportunity to live in Cardiff University accommodation, which is all a short walk from the University and the city centre.

There is a range of single-occupancy rooms, many en-suite, in different areas across the city.

You can apply to a range of different options which include:

- **Aberdare Hall** – all-female accommodation
- **University Hall** – near the Heath Park campus for health sciences students
- **Senghennydd Court** – a 10 minute walk from the University's Main Building and the city centre
- **Talybont Gate** – Cardiff University's newest development, with on-site facilities
- **Talybont North** – the largest and most sociable halls.

You can apply for accommodation online, selecting up to 10 options in order of preference. You will be contacted with further guidance on how to apply for accommodation once you have confirmed your place at the International Study Centre.

# Apply to study with us

## Complete your application form

If you would like to apply to study at the Cardiff University International Study Centre, you will need to complete an application form and submit the relevant documentation.

## Apply via your local education agent or our website

You can apply through your local education agent or directly via our website.

Visit [cardiff.ac.uk/isc](https://cardiff.ac.uk/isc)

## Here to help

If you are applying directly and have a question, then a Student Enrolment Advisor will be happy to help. They speak a variety of languages and understand several more.

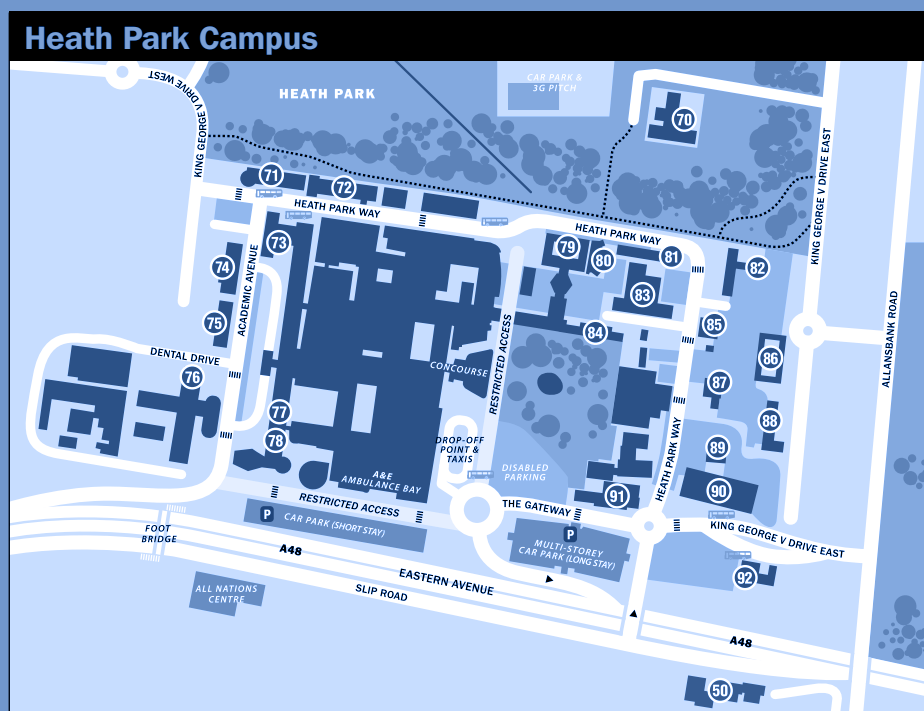

## Student insurance

We strongly recommend that international students have the protection of personal insurance whilst in the UK. To cover you as a student at the International Study Centre, you may wish to purchase our "StudyCare Insurance Plus" cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.

Visit [cardiff.ac.uk/isc](https://cardiff.ac.uk/isc) for more information

# Campus map

The academic buildings, libraries, Students' Union, most of the student residences and the city centre are within a short walking distance of each other.

#### Disclaimer

This guide is intended as a general guide for students considering entry to Cardiff University International Study Centre from 2020. Cardiff University International Study Centre is operated, and its courses offered by, Bellerbys Educational Services Limited (trading as Study Group). This guide forms no part of any contract between you and Study Group except as provided below. The guide is prepared in advance of the academic year to which it relates and Study Group makes every effort to ensure that the information contained here is accurate.

Although reasonable steps are taken by Study Group to provide the courses and services described, Study Group cannot guarantee the provision of any course. Any course may be altered or withdrawn owing to circumstances beyond Study Group's reasonable control. Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, change in government policy, withdrawal or reduction of funding, change of law. Study Group will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a course and we will notify you of such alteration or withdrawal as soon as possible. Such steps may include the offer of a place on an alternative course.

Please note that Cardiff University International Study Centre's website is the most up to date source of information regarding courses and facilities and we strongly recommend that you always visit the website before making any commitments.

Cardiff University, its logo, Study Group and the Study Group logo are registered Trade Marks of Cardiff University and Study Group respectively. Unless otherwise stated, all material in this publication is copyright of Study Group. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form, or by any means, electronic, mechanical, photocopying, recording or otherwise, without the permission of Study Group.
