A world of possibilities
Un monde de possibilités

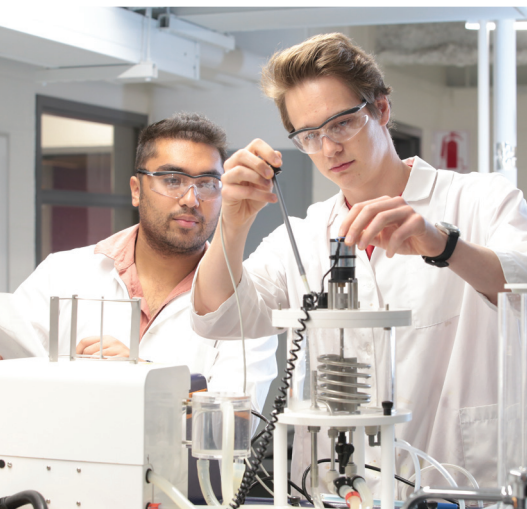

Sudbury | Ontario | Canada

The ultimate Canadian postsecondary experience!

■ ■ ■

Located in Sudbury, Ontario at the heart of Canada, Laurentian University offers 170 programs, at the baccalaureate, Master's and PhD levels.

Sciences, engineering, environmental studies, health and humanities are among the flagship disciplines taught.

With small class sizes averaging 19 students per professor, Laurentian provides an outstanding academic setting that fosters one-on-one discussions with faculty, research excellence and academic success. The Laurentian Federation (including Huntington University, Thorneloe University and the University of Sudbury), whose history dates back to the founding of Collège du Sacré-Coeur in 1913, welcomes close to 9,000 students every year in a friendly, bilingual environment, and inclusive and multicultural community. In addition to state-of-the-art laboratories, many libraries, eight student residences and several food outlets, Laurentian offers its students a variety of sports and recreation facilities, such as an Olympic-sized pool, running tracks, a climbing wall and hiking trails to further add to the intellectual development and dynamism of each individual.

The City of Greater Sudbury

Greater Sudbury is the largest city north of the Greater Toronto Area. Long recognized for its world class mining industry, which today still sustains more than 16,000 mining-related jobs, the city has expanded to become a regional hub for medicine, government, financial and business services as well as retail. It has also become a global draw for tourism, education, as well as innovation and research in the fields of environmental restoration, healthcare, astrophysics, mineral exploration and mining technology.

The ideal place for your studies in Canada

The City of Greater Sudbury offers the unique advantages of a metropolitan city while remaining a truly tight-knit community. Combined with its enviable natural setting of freshwater lakes and boreal forests, it offers outstanding quality of life.

Greater Sudbury is one of the greenest cities in Canada and as such, the great outdoors beckon. Expansive lakes and waterways, lush forests and varied terrain, a comprehensive network of groomed hiking, skiing, biking and snowmobiling trails, and nine provincial parks within a 90-minute drive await our students.

Beyond the busy life on campus, you'll find plenty to do and enjoy in your host city. From festivals, outdoor recreation and sports, to live theatre, museums, shopping, dining, and socializing, it's all within easy reach. Greater Sudbury has efficient and economical public transit and is relatively easy to navigate by car, by bike or on foot.

For program details, consult our website at laurentian.ca/graduate-programs.

Based on normal operations on campus.

Prerequisites for Admission

Undergraduate Study Applicants – at a minimum, must have successfully completed and obtained a secondary school diploma equivalent to the Ontario Secondary School Diploma (OSSD) and meet the minimum academic requirements for their program. Those requirements, by country of origin, can be found on our website at laurentian.ca/international/undergraduate-admissions#country-listing.

Graduate Study Applicants – must have successfully completed a Bachelor's degree or its equivalent in a recognized postsecondary institution. A qualifying year for those applicants holding a 3-year degree might also be considered on a case by case basis, depending on the program of study. Transcripts, diplomas, and accreditations obtained outside of North America must be evaluated by The World Education Services (WES). Their services can be obtained at wes.org/ca for a fee. Laurentian requires a Detailed Course-by-Course Evaluation Report. For further details on this process, please visit: laurentian.ca/admissions/graduate#wes.

Language requirements for English language

If English is not your first language or mother tongue, you should provide evidence of your English language proficiency through one of the entry requirements or language tests below:

ENGLISH PROFICIENCY TESTS	MINIMUM SCORE
Internet-based TOEFL (iBT) – Test Of English as a Foreign Language	• 88 overall
Computer-based TOEFL (CBT) – Test Of English as a Foreign Language	• 230 overall
IELTS Academic – International English Language Testing System	• 6.5 overall • no band lower than 6.0
Cambridge Assessment English	• C1 Advanced or C2 Proficiency with a Cambridge Score of 176 or more
CAEL – Canadian Academic English Language Assessment	• 70 overall • no part below 60
Canadian Test of English for Scholars and Trainees – CanTEST	• 4.5 overall • no part below 4
PTE Academic – Pearson Test of English	• 60 overall
Duolingo English Test (Temporary) – We will only accept this test from applicants who are from a region where IELTS and/or TOEFL test centres are closed due to COVID-19	• Minimum score: 110

Note: English language test scores are valid if completed within 2 years of when we review your application.

If you meet your program and country requirements but do not meet the language requirements from our university, you will be eligible for a conditional offer of admission contingent upon completing our English for Academic Preparation Program (EAP) or by submitting a language score that satisfies the language requirements prior to enrolment. For more information about our EAP program, please see page 10. Details about our English Program Language Requirements can also be found on our website: laurentian.ca/international/undergraduate-admissions#english-program-language-requirements.

Language requirements for French language programs

If you wish to study in a French-language or bilingual program, and your first language is not French, you must meet one of the following criteria:

- Three years of full-time study in a high school or post-secondary institution where French is the language of instruction (documentation must be provided by the student)
- A minimum grade of C-1 (advanced) on the Test de connaissance du français (TCF), version for prospective students
- A minimum score of C-1 at the written component of the Test d'évaluation du français (TEF)
- Diplôme approfondi de langue française (DALF) with a minimum score of C-1.

Applying for admission: **Step-by-step**

STEP 1

Consult our website for detailed program descriptions and admissions criteria

Undergraduate Level: laurentian.ca/undergraduate-programs

Graduate Level: laurentian.ca/graduate-programs

Once your program is chosen, admissions criteria can be found under “Program Details”.

STEP 2

Obtain Admission Requirements

Undergraduate Admissions – please consult the admissions requirements pertaining to your country: laurentian.ca/international/undergraduate-admissions#country-listing

Graduate Admissions – please consult our step-by-step instructions located at: laurentian.ca/admissions/graduate#steps-apply

STEP 3

Apply online to our programs by selecting the “Apply Now” button on our website

Undergraduate Level: laurentian.ca/international/undergraduate-admissions

Graduate Level: laurentian.ca/admissions/graduate

STEP 4

Log-in to the Applicant Portal at my.laurentian.ca

Once you have submitted your application, you will receive an acknowledgement letter with instructions for the online applicant portal. You must activate your Laurentian Applicant Portal by clicking on the yellow bar “New to Laurentian” to begin the process of submitting your transcripts and supporting documentation for your application(s).

While you await an official offer, consult our resources for information on acquiring a study permit at laurentian.ca/international-student-services.

STEP 5

Accept your offer of admission and submit your deposit

Once you have been admitted to Laurentian, you will be required to accept your offer of admission on the applicant portal: my.laurentian.ca or via the Ontario University Application Centre (OUAC) depending on the method you used to apply.

To reserve your place, you must submit a CAD \$1,000 deposit. Our Deposit Policy for International Students can be found on our website at laurentian.ca/policies-accountability/policies under Executive Team.

STEP 6

Place your request for a study permit with the Government of Canada

canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit.html

Your offer of admission from Laurentian will be a required official document in this process.

Ensure that you have all the required documents and a letter of motivation to proceed with your study permit application.

STEP 7

Apply for residence accommodations at my.laurentian.ca and log-in regularly for updates

Information on accommodations can be found at laurentian.ca/accommodations. Review the details and conditions of your offer and look forward to receiving further communication on your next steps.

STEP 8

Advise Laurentian University of the updated status and the result of your study permit application

We are happy to assist you with this process. Send us an email at international@laurentian.ca and inform us of the status of your study permit application. This will ensure the portal my.laurentian.ca reflects your updated status and provides the appropriate follow-up steps.

Training Global Leaders

Laurentian is home to a wealth of creative minds, and students benefit from the expertise of professors with international experience. To support our faculty and students, Laurentian has more than a dozen research centres, countless laboratories and an array of cutting-edge research facilities – some of which are the first of their kind in Canada. The campus itself, due to its location and setting, serves as a vast outdoor laboratory for research in health, biology, geology and the environment.

Research at the University's **VALE LIVING WITH LAKES CENTRE** – through a partnership between the Co-operative Freshwater Ecology Unit, Vale, Sudbury Integrated Nickel, and the Ministry of the Environment and Climate Change, research at the Vale Living with Lakes Centre contributes to a global database that tracks lake temperatures impacted by climate change and other factors.

Centres of Research at Laurentian University include:

- Centre for Evolutionary Ecology and Ethical Conservation (**CEEEEC**)
- Centre for Humanities Research and Creativity (**CHRC**)
- Centre for Research in Occupational Safety and Health (**CROSH**)
- Centre for Research in Social Justice and Policy (**CRSJP**)
- Centre for Rural and Northern Health Research (**CRaNHR**)
- Cooperative Freshwater Ecology Unit (**CFEU**) / Vale Living with Lakes Centre (**VLWL**)
- Evaluating Children's Health Outcomes Research Centre (**ECHO**)
- Forensic Science Institute – Research and Professional Development (**FSI**)
- International Centre for Interdisciplinary Research in Human Sciences (**ICIRHS**)
- Institut Franco-Ontarien (**IFO**)
- International Centre for Interdisciplinary Research in Law (**ICIRL**)
- Laurentian Research Institute for Aging (**LRIA**)
- Mineral Exploration Research Centre (**MERC**)
- Maamwizing Indigenous Research Institute (**MIRI**)

Full descriptions of our research centres, projects and areas of focus can be found at laurentian.ca/research/centres.

The Laurentian Advantage

Laurentian University offers an outstanding university experience to its international students: exceptional student services, engaged and dedicated faculty, innovative programs, small class sizes, flexible start dates and responsive entry levels based on previous academic accomplishments.

English preparation and transition programs for both undergraduate and graduate levels are accessible, flexible and engaging. It's a great way to learn about your new environment, meet new friends, and prepare for what's ahead. Our offerings even include an intensive preparation program over the summer months and an outdoor adventure ESL camp for one or two weeks, at the peak of summer.

Conditional Admission

Students who wish to upgrade their English language skills to meet admission requirements or improve their competencies prior to starting postsecondary studies in Canada can count on our Language Institute. Through a variety of preparation and transition programs, Laurentian students are equipped for future academic success.

English for Academic Preparation (EAP)

Our Languages Canada accredited EAP program develops academic speaking, listening, reading, writing and critical thinking skills. Successful completion of Level 3 of our EAP Program meets the English language requirements for admission to full-time studies.

EAP Program Levels

- ESL: options for beginners
- EAP Level 1 = High Beginner
- EAP Level 2 = Intermediate
- EAP Level 3 = Advanced

Each level is 13 weeks in duration and offered in classrooms comprised of 8-15 learners, providing for a rich, interactive learning environment. Students at a high beginner level should expect to study 3 terms (1 year) to successfully complete the program.

University Preparation (UP) Program

Our academic bridging program allows students to earn 6 academic credits towards a degree while continuing to refine the university skills required for a smooth transition into full-time studies. This program offers flexible start dates, small class sizes (8 to 15 students) and individualized study plans.

Language Institute Flexible Start Dates

- Fall – September to December
- Winter – January to April
- Summer – May to July

Students who successfully complete EAP Level 3 or the UP Program meet the English requirements for entry to Laurentian's degree programs.

Equivalent Test Scores

	CEFR	TOEFL ibt	IELTS
EAP – Level 1	B1	32-45	4.5-5.0
EAP – Level 2	B2	46-65	5.5
EAP – Level 3	C1	66-87	6.0

Duration of English Language Studies

Each EAP level is thirteen weeks. The total duration of your EAP program is dependent on your English skill level. For example, if your IELTS score is between 4.0 to 5.0, you can expect to study English in the EAP program for 1 year before going to the degree program.

Your EAP Level	Your current IELTS score	How long will it take you to complete the whole EAP program
EAP – Level 1	4.5-5.0	1 year
EAP – Level 2	5.5	6 months
EAP – Level 3	6.0	3 months

**Note: program completion is based on successfully passing each level in the Language Institute.*

Tuition and Bursaries

Incoming 2021-2022 Undergraduate International Students studying full-time – In the first year of studies, international students should expect to pay \$28,000 in tuition fees for registration in 18 to 36 credits, from September to April. Additional costs of living for an international student (not including dependants) are estimated to be around \$14,500 per academic year, which varies on an individual basis depending on the student's lifestyle.

International student and their dependents must enroll in the University Health Insurance Plan (UHIP). The premium for a single student is \$720 for the period of September 1st to August 31.

More information about the application process for international students is available online at laurentian.ca/international or contact us at admissions@laurentian.ca. Supplemental fees may apply to certain courses in addition to tuition. Fees pertain to the 2020-2021 academic year.

Up to \$60,000 for academic achievement

The MOST GENEROUS INTERNATIONAL SCHOLARSHIP PROGRAM in Canada!

No request needed, eligible applicants will automatically receive their award letter if academic requirements are met.

Laurentian is breaking ground in making postsecondary education at a Canadian university the most accessible ever! High achieving international students with a grade average* of:

90% to 100% – Up to **\$60,000** in scholarship awards
(\$15,000 in first year, renewable in subsequent years provided average is maintained)

80 to 89.9% – Up to **\$40,000** in scholarship awards
(\$10,000 in first year, renewable in subsequent years provided average is maintained)

* Averages are calculated automatically based on equivalency-adjusted GPA using the World Education Services tables. Some conditions apply.

Residences and meal plans

Many of our international students choose to live in residence as they start their university experience in Canada. Support, friendships, close proximity to classes and a wide berth of services represent important factors in ensuring academic success.

If the restrictive public health measures due to COVID-19 were to persist, a residence quarantine plan is also available for Laurentian students. For more details, please contact residences@laurentian.ca.

Eight spacious residences propose various styles of accommodations, from dorm rooms to apartment-style accommodations for one or two individuals. They feature:

- Access to the internet and wireless networks
- Common and study areas, computer labs, photocopy rooms, exercise rooms, movie projection room
- Kitchen, laundry facilities, games rooms, vending and banking machines, and a convenience store on site
- Health services with access to a nurse practitioner and doctor
- Secured facilities with 24/7 concierge service
- Access to a market-style restaurant.

Food services at Laurentian include options which cover 'à la carte' meals to generous 'all you can eat' meal plans. Meal plans range from \$3,879 to \$5,120 for the academic year (8 months), depending on preference and appetite. Meal plans are prerequisites for certain residences**.

Glossary of terms

Undergraduate Studies – Studies at the postsecondary level, typically for the achievement of a bachelor's degree.

Graduate Studies – Studies at the post-undergraduate level, typically for the achievement of a master's or doctoral degree.

Bachelor's Degree – An undergraduate program that covers a major area of study and that typically takes four years to complete.

Master's Degree – A graduate level program that follows the undergraduate degree and focuses on a particular area within a field of study. Typically, this one- to two-year program is comprised of a thesis or capstone project.

Doctoral Degree – The most advanced degree that symbolizes the mastery of a specific area of study or field of profession, it involves a major research project or dissertation. It typically takes several years to complete.

Full-time status – Enrollment in 18-30 credits per academic year

Part-time status – Enrolled in a minimum of 3 credits to a maximum of 15 credits per academic year

3-credit courses – Courses that run for a single semester (i.e. September to December or January to April)

6-credit courses – Courses that run for a full academic year (ie: September to April)

COVID-19 Update ■■■

Laurentian University is a leader among universities in responding to the COVID-19 outbreak and ensuring the safety of its tight-knit community. Laurentian was also the first to transition fully from in-person to remote learning to ensure uninterrupted access to postsecondary studies. The University will continue to monitor the situation closely and respond swiftly to the needs of our students with the intent of providing the very best student experience possible, in a progressive and safe fashion. **Questions? Please consult our FAQs where relevant information is frequently updated:**
