SUNY POLYTECHNIC INSTITUTE

Welcome to SUNY Poly

Welcome! The faculty and staff are committed to providing a full range of services to support student success both in and out of the classroom. Many of the offices listed support both the Albany and Utica sites. If you need to know where to go for help, please contact Student Affairs in Utica or Student Services in Albany.

This handbook includes both general information about the campus and specific information concerning institutional policies and procedures. As a resource for navigating your college journey, you will find it particularly helpful since it includes contact information for key offices across campus. Each registered student at SUNY Poly is expected to have knowledge of the information contained in this handbook. Please read and familiarize yourself with the contents, especially its description of student rights, privileges and expectations. The information in this student handbook is current as of August 15, 2020.

It is important to note that this handbook will not reflect the unique policies and procedures enacted in response to the Novel Coronavirus (COVID-19) pandemic. SUNY Poly continues to monitor the situation with guidance from health experts at the Centers for Disease Control (CDC), as well as our local health departments, SUNY and other state agencies. For the most up-to-date information related to COVID-19, please visit <https://sunypoly.edu/covid19.html>. Additionally, there will be an addendum to the handbook.

In addition, SUNY Polytechnic Institute has a Fall 2020 Plan to restart the fall 2020 semester. The Fall 2020 Plan remains flexible, allowing the institution to make adjustments to operations as needed to mitigate a resurgence of COVID-19 and its impacts, and is subject to change due to new information, guidance, and/or direction from the state. For detailed, current information regarding SUNY Polytechnic Institute's Fall 2020 Plan, please visit <https://sunypoly.edu/fall2020plan.html>.

SUNY Poly reserves the right to cancel any program described herein and to change any rules governing curriculum, administration, tuition, fees, admission, regulations affecting students, dates, and program content.

Please consult the current undergraduate and graduate catalogs for complete information on SUNY Poly's academic policies and programs.

As information is added and/or updated at both SUNY Poly locations we will post it to our website, sunypoly.edu.

Admissions

Kunsela Hall, Room A108, 315-792-7500

As the gateway to the college, the Office of Undergraduate Admissions is the first point of contact for prospective students interested in SUNY Poly. The Admissions Office assists prospective students and their families in learning as much as possible about SUNY Poly, such as providing general information about our undergraduate programs, application process, and our admissions requirements. While on campus, our visitors will receive a campus and residential tour

provided by a student ambassador. The Admissions Office hosts fall and spring open houses in addition to several information sessions throughout the year. The Admissions staff regularly travels to high schools and two-year colleges throughout New York state and parts of the Northeast promoting SUNY Poly.

Each year, Admissions recruits energetic students for the student ambassador program. Being a student ambassador is more than just giving tours; they serve as the face of SUNY Poly to prospective students, their families and important community members. Tours have a huge impact on college decision making, which means ambassadors have a huge impact on everyone that comes through our doors. If students are excited about sharing their college experience, we encourage them to contact the Admissions department for opportunities to do so! If interested in becoming a student ambassador, please contact the Admissions Office.

The staff offers direction in many other areas including graduate school options, job search strategies, and interviewing techniques.

Health Insurance

Domestic Students- SUNY Poly requires that all students comply with health insurance regulations as federally mandated by the Affordable Care Act. This law requires that all individuals have health insurance.

International Students - the State University of New York requires that all international students entering the country for study or research, or any U.S. student studying abroad in a SUNY sponsored program, purchase a SUNY designated medical insurance policy. Medical insurance information is mailed upon admission.

International graduate students who are also employees of SUNY Poly may be offered employee medical insurance, thus can waive the SUNY sponsored medical insurance policy. Contact the Bursar's Office 315-792-7412 with questions.

Disability Services Office

Peter J. Cayan Library, L145 , 315-792-7170

Nano Fab South, Suite 309, Office 315

SUNY Polytechnic Institute welcomes individuals with diverse abilities. SUNY Poly values diversity and provides an inclusive learning community through the Office of Disability Services. Disability Services ensures students with disabling conditions have equal access to the complete college experience (i.e., equal access to all programs, services, and activities offered by the University). Students with a permanent or temporary disability are encouraged to contact the Office of Disability Services to discuss the resources and services available to accommodate their individual needs.

Disclosure of a disability and providing documentation supportive of the disabling condition is the student's sole responsibility. The exact nature of one's disability is kept confidential and, although the necessary paperwork is processed by the Office of Disability Services; the student must disseminate his or her own accommodation plan to instructors and other necessary personnel. Many students find disclosure useful in pursuit of their academic, social and/or personal goals at SUNY Polytechnic Institute. Individuals may also grant permission to the Office of Disability Services to discuss the nature of their disability with others in pursuit of these goals.

Students seeking accommodations and services must register through the Office of Disability Services. Depending on the nature of their condition, students are asked to provide sufficient and complete documentation from their medical provider, psychologist, former academic institution, and/or other appropriate professionals. Documentation must clearly identify the individual's disability, how said disability impacts the academic environment provided by SUNY Polytechnic Institute, and recommendations for appropriate and reasonable accommodations. Once the documentation has been reviewed by the Office of Disability Services, an appointment will be scheduled to discuss the request for accommodations. Determination of appropriate and reasonable accommodations will be made using input from the student, documentation provided by the student, and with consideration of the courses in which the student is enrolled. Accommodation plans are active for one semester only; each semester the student's plan is reviewed and reissued if appropriate.

The Office of Disability Services offers counseling and advocacy services relevant to the needs of students with disabilities. The Office of Disability Services also serves as a National Voter Registration site. For further information regarding the services offered to students with disabilities, please contact the office via email at ds@sunypoly.edu or by telephone at (315) 792-7170. Students have the right to appeal decisions regarding accommodations and auxiliary aids if they believe the services provided are not appropriate.

Faculty Advisor

Every student is assigned a faculty advisor. Your advisor will help you plan your program of coursework and help you find answers to questions about personal academic goals, requirements, and regulations. Each student should share responsibility in the advising process by taking the initiative in seeking advisement and developing a working relationship with the advisor. To do this effectively, each student should:

1. Learn the academic advisor's name and office location as soon as possible.
2. Become familiar with curriculum, departmental, program, and graduation requirements, which can be found in the catalog, on our website, etc.
3. Consult with the advisor prior to making any changes in the academic program and/or schedule (e.g., adding or dropping courses, summer courses, etc.).
4. Consult with the advisor if experiencing academic or personal problems affecting academic performance.
5. Consult with the advisor when considering a change of curriculum or program, transfer to another college, or withdrawal from SUNY Poly.
6. Meet with the advisor at least twice during each semester – early in the semester, to be followed by a second meeting just prior to advance registration.
7. Discuss class requirements and grades with advisor, and schedule a meeting to get academic advice when needed.
8. Accept final responsibility for decision making after consulting with the advisor.
9. Keep all scheduled appointments made with the advisor. Questions related to advisors and scheduling appointments with your advisor should be referred to your academic department.

Campus Meal Plans (Utica)

All students living on campus are required to have a combined room and board plan. Currently there are three weekly meal plans for all resident students.

Basic Meal Plan: The three basic meal plans are offered depending on the individual needs of each resident student. These meal plans entitle the student to a total number of meals per week and a fixed number of points that can be spent per semester to supplement their allotted meals per week. For purposes of tracking meal plan usage, the meal plan week begins on Monday and ends on Sunday. Points can be spent at any time during the semester. Unused points will rollover from the fall semester to the spring semester. Unused points expire at the end of the academic school year and are non-refundable.

The three meal plans offered are:

- a. 19 meal plan - (default meal plan if no plan is chosen) entitles you to use up to 19 meals per week and 200 meal plan debit points per semester.
- b. 14 meal plan - entitles you to use up to 14 meals per week and 275 meal plan debit points per semester.
- c. 10 meal plan - entitles you to use up to 10 meals per week and 425 meal plan debit points per semester.

Note: Meal plans and points are non-refundable and non-transferable.

Meals are deducted upon entering the dining hall. The meal plan week begins Monday breakfast and ends the following Sunday at midnight.

The meal plan is not transferable; others may not use your meal plan for entrance into the dining hall. No refunds will be given for meals not eaten. Meal plans may be changed prior to the beginning of the semester and through the first week of classes only. Meal plan changes for subsequent semesters can be processed through the banner web software. The SUNY Poly Card serves as the dining services access card. The magnetic stripe on the back of the ID contains information about your food service account. You must present your SUNY Poly Card to the food service employee when entering the Campus Center dining hall where it will be checked for eligibility to enter. Entry to the dining hall will not be permitted without a SUNY Poly Card. Please be sure to remember to bring it.

Commuter Meal Plans

Commuter meal plans are available for purchase by non-resident students. Commuters may select from three commuter meal plan options as follows:

Declining Balance Plans

- 1) Cost \$100 - Receive 100 meal plan debit points with one free lunch pass
- 2) Cost \$200 - Receive 200 meal plan debit points with two free lunch passes
- 3) Cost \$400 - Receive 25 Campus Center meals and 200 meal plan debit points with 2 free lunch passes
- 4) Cost \$500 - Receive 500 meal plan debit points with 6 free lunch passes

Commuter meal plans may be purchased through Housing Director Software or at the Auxiliary Services office in Kunsela Hall A217 if using excess financial aid or through the Food Service office if paying with cash, or credit/debit card. If using excess financial aid, a charge for the meal plan will be placed on your student account. Commuters may also choose from the resident dining plans. This is an excellent option for students who will be spending a great deal of time on campus and want the benefits of an extensive set of meal options without having to worry about shopping, cooking and cleaning up. A resident meal plan can be purchased through Auxiliary Services.

Points

Meal plan debit points (resident and commuter meal plans) and Wildcat Dollars may be used to purchase meals for yourself, family and friends at the Campus Center dining hall or to purchase menu items in the Student Center food court, the Mario Café and Poly Pizza. Meal plan debit points are carried over from the fall to the spring semester; however, unused meal plan debit points are forfeited at the end of the academic school year. Meal plan debit points may be replenished for resident meal plans through the Food Service office or the dining services web page. Students may also purchase Wildcat Dollars to supplement their meal plans. Wildcat Dollars have the advantage of being fully refundable and will automatically be carried over from semester to semester and from school year to school year.

Lost Cards

Lost or stolen cards must be reported immediately via get.cbord.com/sunypoly. This will inactivate the card so no one else can use it. File a SUNY Poly Card Report with University Police. Bring the SUNY Poly Card Report to the Auxiliary Services office during regular business hours Monday through Friday. A replacement card will be issued - the replacement card fee is \$25.

The process for notification of lost or stolen cards during non-business hours is the same with the exception that the student will NOT get a replacement card until the Auxiliary Services office resumes its normal business hours. Resident students may obtain a one-day temporary card for admission to the dining hall. There is a charge of \$2.00 per day for the temporary card.

Questions about dining services should be directed to Sodexo Dining Services, which manages food service operations on campus. Their primary office is located in the Campus Center, 315-792-7224.

Withdrawals, Terminations, and Refund of Board Plan (Food Service)

Students registering and occupying a room for two weeks or less who move out for a college approved reason will receive a pro-rated refund for board based on the number of weeks (a partial week is considered a full week) on the meal plan. For this purpose, weeks are defined as beginning on Sunday and ending the following Saturday at midnight. Any student who occupies a room after the Saturday following the second full week of classes is responsible for the entire semester's board charge. Exceptions may be made when a student withdraws to enter active military service or due to circumstances beyond his or her control.

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

Student Employment

Sodexo Dining Services on campus employs nearly thirty students each semester, with an average work schedule of six hours per week. The student manager program is an opportunity to learn more about college

dining services and opportunities with Sodexo. Applications are available at the food service office, Campus Center, Room 115C. Please bring along your class schedule when you apply.

Sick Trays and Bag Meals for Resident Students

If you are ill and have to miss a meal, a special “sick tray” can be picked up by a friend with an authorization from health services or the residence hall staff. Should you require an extended modified diet, our chef will work with you to assure your nutritional needs are met. Box meals are provided for class conflicts only. Please bring your class schedule to the food service office at the beginning of the semester to arrange for a box meal. A copy of the box meal policy is available at the food service office, Campus Center, Room 115C.

Dining Hall Policies

You may eat as much as you want but please don't take food out of the Campus Center dining hall. We also ask your cooperation in leaving equipment such as utensils, plates, and glasses in the dining hall. Replacement expense for china and silverware is very high and it is paid for through your meal plan cost. Please help keep those costs down.

Please do not bring large purses or bags into the dining hall. We cannot be responsible for any lost or stolen property, and recommend, whenever possible, that you leave your bags, books, etc., in your room or car. As with any dining facility, shirts and shoes must be worn in the dining hall and serving area.

The staff members in the Office of Residential Life and Housing are guided by principles that support a safe, healthy and well-maintained living and learning environment.

The residential program is fully staffed with a professional team, nationally recruited and selected through a search process. These professionals have a combination of professional degrees and experience with higher education student life. Our student residential life staff members are selected through a rigorous process and are attentive in supporting residents. The residential life and housing staff members work with the residents to develop programs, activities, and services that enhance the high quality of campus life at SUNY Polytechnic Institute.

2020-2021 Residential Policies and Procedures

Resident students and their guests are considered adults who are responsible for conducting themselves in accordance with state and local laws as well as with the institution's alcohol and drug policy. Resident students and their guests are required to abide by the following policies:

Abandonment of Personal Property

The Department of Residence Life & Housing, Facilities, and/or University Police, without liability, have the right to dispose of any personal property left on the campus premises five (5) calendar days after the end of the housing contract, termination of the housing contract, or after the end of the last day of the spring semester if the student does not have a contract for summer occupancy. Personal property left in residence halls after the end of the contract term or termination of the contract may result in both an improper checkout charge of \$50.00 and a removal charge of \$70.00. Personal property left on other campus locations after the end of any semester may result in a \$70.00 removal charge. Bicycles left in residential complexes including on indoor or outdoor bike racks, affixed to trees, left in bike storage or abandoned on the groups, without express written permission from the Director of Residential Life, are subject to this policy.

Alcohol Policy

Resident students who are 21 years of age or older may possess limited quantities of alcoholic beverages. They may serve alcohol to resident and non-resident guests provided the guests are at least 21 years of age. Resident student hosts will be responsible for ensuring that intoxicated guests are not served alcohol and for compliance with residence hall alcohol and guest policies. The sale of alcohol to any person is strictly prohibited.

In accordance with the established regulations, possession and consumption of alcoholic beverages is permitted by students over the age of 21 in the private living areas of the residence suites in Mohawk and Adirondack complexes. In Oriskany residence hall, residents 21 years of age and over may possess/consume alcoholic beverages only in their own residence hall bedrooms. Residents 21 years of age and over may possess/consume beverages in private rooms, but only if those rooms or suites have at least one assigned occupant who is 21 years of age and over. In all residential complexes, alcoholic beverages are prohibited in main lounges, recreation rooms, floor lounges, hall corridors, laundry rooms, and any other area that is not a private student room or the private suites of Adirondack and Mohawk.

Compliance with all requests of University Officials, including Residence Life staff and University Police, for proof of legal drinking age is required. If there is reasonable suspicion to believe that alcohol may be in bottles, cups or other containers, University staff reserve the right to approach students and request to inspect the drink, as well as hold students accountable for violations under the provisions of this policy.

Bulk Dispensers: The possession or use of kegs, beer balls, beer taps, alcoholic punches, or any form of alcoholic bulk dispensers is prohibited in the residence halls. The possession or use of grain alcohol and drinking funnels is prohibited. Responding police officers will confiscate these items for disposal.

Displays: Residents may not collect/display empty beverage containers of any kind (including cans, bottles, boxes and bottle caps) in their room. (See also Trash Removal.)

Games with Alcohol: Alcohol games such as, but not limited to, beer pong, quarters and other games that promote excessive drinking of alcohol are prohibited from being played. Any type of pong is prohibited.

Guest Alcohol Policy: Non-resident guests of SUNY Polytechnic residential students are not permitted to bring alcohol to the SUNY Polytechnic campus at Utica or Albany sites, regardless of the age of the guest.

Hosting Violations (Alcohol)

Resident students are responsible for ensuring that the amount of alcohol in their room/suite is in compliance with quantity limits (see Quantity Limits) and that the ages of any guests or visitors who consume alcohol in their room or suite are over the age of 21. Resident Students who violate this policy may be subjected to more elevated or extended sanctions under the Student Code of Personal Conduct. (see also Hosting)

Outdoor Locations: Alcohol is permitted to be consumed by assigned residents of the complex who are over the age of 21 only in the outdoor, enclosed quad areas of the Adirondack and Mohawk complexes. The Director of Residential Life and/or Chief of University Police retain the right to disallow this privilege at any time if adherence to institutional policy or laws, noise disturbances or trash is deemed problematic. Advertised and group events that include alcohol are not permitted anywhere in the residential areas, including in the quads. Alcohol is not permitted anywhere on the outside grounds at Oriskany residence hall. Glass containers of any kind are not permitted outside at any residential complex.

Quantity Limits: Each resident student of legal drinking age is limited to the possession of the following amounts of four kinds of alcoholic beverages:

- no more than one 12-pack of beer (16 ounce maximum) per resident living within that suite; or
- no more than one 12-pack of wine coolers (16 ounce maximum) per resident living within that suite; or
- no more than one liter of distilled alcohol per resident living within that suite; or
- no more than one liter of wine per resident living within that suite.

Violations (State Laws Enforced): Course of action is determined by the nature of the violation. Refer to Student Code of Personal Conduct, Article VI, F, for sanctions.

- ***Under 21 Years of Age:** Possession and/or consumption of alcoholic beverages by persons under the age of 21 is strictly prohibited on the SUNY Polytechnic campus and is a violation of Section 65c New York state law.*
- *All persons are prohibited from selling, serving or purchasing alcohol for those under the age of 21. This is a violation of Section 260.20, New York state penal laws.*

Appliances

Permissible appliances vary by residence. A list of appliances that are permitted, as well as those that are prohibited, are available at <https://sunypoly.edu/student-life/housing-dining/residential-life-housing/utica-residential-life/what-should-i-bring.html>. Each residence hall with corresponding policies is listed on the left of the page.

Bicycles/Motor Vehicles/Snowmobiles

The storage of bicycles and motor vehicles in student rooms, suites, or means of egress (exits) is prohibited. Motor vehicles, including motorcycles and snowmobiles, may not be driven on sidewalks. Snowmobiles are permitted on the Utica site and may be parked in parking lots and driven directly to designated snowmobile trails only. Snowmobiles in Utica must be registered with University Police and parked in a legal parking space when not in use.

Care of the Facilities

The furnishings and equipment have been provided for the enjoyment, convenience, and safety of all residents. Residents are responsible for the care and cleanliness of their suite or room and for abiding by institutional policies in maintaining these facilities. Personal furniture is not permitted. Residents are responsible for their guests or visitors and may be held responsible for their actions. Theft or vandalism is prohibited.

Care Team

Care is a SUNY Polytechnic Resource Team that addresses challenging, disruptive, or harmful behavior and situations by providing helpful interventions that are aimed at community safety and student success. Care exists to promote and maintain safety and health by identifying and assisting struggling students become more connected to services, some of which may include mental health care and/or safety intervention.

The team prioritizes privacy and discretion and maintains communication only with appropriate offices and individuals. Examples of concerns that the Care Team often supports and assists in resolving include but are not limited to:

- Depression
- Eating disorder
- Cutting
- Serious injury or illness
- Death of a student
- A missing student
- Immediate danger/harm
- Sexual assault
- Worrisome or unusual behavior
- Disruption in classroom or residence hall
- Threats, stalking, intimidation
- Hate crimes

There are often many outward signs that a student is in distress. Reporting unusual or odd behavior that causes you concern may just be one more piece of a larger puzzle that the Care Team needs.

Report A Concern About Anyone on Campus if:

- You observed something in someone that has you worried.
- You have seen a classmate or hall mate begin to act differently or strangely.
- You don't know who to ask about a concern, or you just want someone to know you are worried about someone or something.

There are a number of ways to report to the Care Team:

- 1) Call Jennifer Adams, Care Team Chair at 315-792-7810
- 2) Submit a report at www.sunypoly.edu/Care
- 3) Contact a counselor at 315-792-7172 (Note that this method of report will be a confidential contact and will not be forwarded to the CARE Team without your permission granted to the counselor).
- 4) Send an email to Jennifer Adams at adamsj4@sunypoly.edu

Resident students who are asked to meet with a member of the Care Team to discuss a concern, incident or situation are strongly encouraged to do so, as the Care Team is often an early intervention to reach resolution and advance student success.

The Care Team does NOT handle emergencies or imminent threats. If there is present danger or an immediate crisis please contact University Police IMMEDIATELY at 315-792-7111.

Commercial Activity

No commercial activity may be conducted in or from any residential facility unless approval has been provided under the guidelines of the campus Sales and Solicitation Policy

Computer Network Access

The SUNY Polytechnic data network is a state-of-the-art high speed infrastructure that supports a broad range of academic, administrative and student computing requirements. SUNY Polytechnic maintains several documents that directly address a constituent's use of our computer services and corresponding data network. Included are the "Computer and Network Resources Statement of Responsibility," "Computer Software Policy," "Computer Use Policy," "Dormitory Connection Policy," "Instructional Computing Guide," and "Web Policy." They are available online at <https://sunypoly.edu/its/policies.html>. Students should also be aware that the policies outlined in the Student Handbook and Residence Hall License are additionally enforced. Students should pay particular attention to the "Academic Integrity Policy" and the "Student Code of Personal Conduct" policies and procedures.

Condition of Suites and Rooms

Room and suite inventory forms must be completed on the day of move in. Residents who choose not to complete inventory forms on the day of move in will not be permitted to appeal damage charges as it will be assumed that the suite/room was in perfect condition.

Common area damage is considered damage that occurs in areas where more than one student has access. Access is defined as having keys to, or card access to, a specific area of the residence halls (e.g., bathroom, living room, hallway, lounges, laundry rooms). Common area damage can include the vestibule and stairway of each building. Common area damage will be assessed to all students who have access to the damaged area only after efforts are made to determine the responsible party. (Students are responsible for themselves and their guests.)

Students may not act to repair any damage to SUNY Polytechnic property by attempting to make a repair themselves, allowing a friend or family member to make the repair or by contracting a third party to make the repair.

Consolidations

Any student who resides alone in a double or triple room will be required to consolidate into a double or triple room with at least one additional roommate, if the single occupancy of a double or triple occurs with the first four weeks of the fall or spring semester.

Decorations

Fire regulations prohibit the blocking of free entry to and from the suite and bedrooms. Do not place decorations on the ceilings. Materials on the ceilings may also impede the activation of smoke and heat detection equipment. Wall and ceiling decorations will increase the speed of fire spread. Wall decorations must be non-combustible and may not cover more than 10% of exposed wall surfaces. This allows for the equivalent of one standard poster in a single bedroom. Natural boughs and trees are prohibited. Students are required to adhere to safe practices when displaying electrically illuminated lights or decorations. (See "Displays" for additional information.) Electrically powered string-style lights are permitted as long as they are NRTL-approved (e.g. UL Listed). String lights cannot be used as extension cords to power other equipment, and cannot be daisy-chained (linked one to another). LED string lights should be used instead of incandescent lights.

Dining

All resident students are required to participate in one of the full dining plans offered by campus provided dining services. The Dining License is in effect for the entire academic year when classes are in session. Auxiliary Services administers the meal plans on behalf of SUNY Polytechnic. Changes to the selected dining plan are accepted until 4:00 p.m. the first Friday of classes each semester. After this date, mid-semester dining plan changes are not accepted. Meal plan changes are administered by Auxiliary Services.

Disability/Medical Request for Accommodations

SUNY Polytechnic is committed to upholding and maintaining all aspects of the federal Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973. If you are a student with a disability and wish to request accommodations, please contact the Disability Services Office in Cayan Library, 315-792-7170. Any information regarding your disability will remain confidential. Each student housing and dining application also provides the opportunity to request Housing and Dining Accommodations.

Displays

Resident students are permitted to display any posters or other items in their suites that do not violate fire codes or SUNY Polytechnic policies on harassment and discrimination. Displays in the exterior windows or doors are subject to regulation. Fire and safety regulations also prohibit displaying any items in the windows or over / around doorways which would interfere with an emergency exit or rescue. Students with questions about this policy may contact the Director of Residential Life and Housing.

Disruptive Behavior/Endangerment

Disruptive behavior, including physical abuse, assault, harassment, threats, excessive noise (which may include loud playing stereos or musical equipment (See also Quiet and Courtesy Hours), and unruly behavior is prohibited. Behaviors which compromise the peace, safety, and/or health of other residents or compromise the educational mission of SUNY Polytechnic are prohibited. (See also Student Code of Personal Conduct.)

Residential students who act to create or contribute to unsafe or hostile environments may be required by the Assistant Vice President for Student Affairs to participate in review or assessments as recommended by the Care Team. (See Care Team.) Referral will also be made to the Director of Community Standards and the Title IX Coordinator, if appropriate.

Drugs

The possession or use, without a physician's prescription, of any drug defined as a controlled substance by federal, state, or local laws is strictly prohibited on the SUNY Polytechnic premises. Controlled substances are defined in broadest terms to cover narcotics, depressants, stimulants, and hallucinogens. Drugs or drug-related paraphernalia may be confiscated and used as evidence. (See also Student Code of Personal Conduct.)

Emergency Contact

Residential students are must enter an emergency contact person in the BANNER student database. A parent or legal guardian is most often the ideal contact, especially if the student is a condition to require medical intervention or insurance coverage. If a SUNY Poly student is transported from the campus to a hospital, emergency room, medical facility via ambulance, the emergency contact is notified by the Assistant Vice President for Student Affairs (AVPSA). The AVPSA may also, upon consultation with the Vice President for Student Affairs, contact the emergency contact if reliable information indicates the student is in an emergency situation and at eminent risk of harm. If the student does not provide an emergency contact and is significantly harmed or at eminent risk of harm, the AVPSA, in consultation with the Vice President for Student Affairs, may choose to default to a parent or legal guardian as denoted in the BANNER student database, as the emergency contact.

Emergency Notifications

All students are urged to participate in all University Police services offered that provide Emergency Alerts. (RAVE Notification, NY Alert or other program as notified by University Police.) Residential students must provide an emergency contact within BANNER. If an emergency contact is *not* provided by the student and the Vice President for Student Affairs or designee determines an emergency notification is warranted, the Vice President for Student Affairs may choose to notify a parent or legal guardian as identified for the student in BANNER.

Exemptions from the Housing License

The process for terminating a housing license in the absence of withdraw, or to be exempted from the residency requirement is detailed in the housing license. The process is initiated with completion of the Request for License Exemption/Termination Form. This form is also used to request mid-year release from the Housing and Dining License. The Director of Residential Life will review requests and will approve it or will forward the request to the License Exemption Committee for additional review. The Director and/or Exemption Committee may consult with or defer the Request for License Exemption/Termination to The Wellness Center or Disability Services, if the request for license exemption or termination pertains to a medical need or ADA accommodation. Consideration for release from the license is given to documented individual circumstances that are beyond the control of the student and which did not exist or could not have been known at the time the license was signed by the student. Failure to: (1) pay the balance of a student account; (2) officially check in to the room; or (3) use the housing accommodations provided does not release a student from the obligations created by signing/accepting the terms of the Housing and Dining License.

Facilities and Services

Facilities and services provided by SUNY Polytechnic include:

Bedroom furniture: bed, desk chair, window blinds, mattress, dresser, desk, closet, lamp/light, wireless LAN connection, wall-to-wall carpeting.

Living room furniture in suites and common spaces may include: coffee table, couch, chair, window blinds, lamp/light, wall-to-wall carpeting (except in hallways of Mohawk and Adirondack suites).

Safety and security: 24/7 on call staffing, smoke and heat detectors, sprinklers, closed circuit security cameras covering quad and parking areas at the Utica site, locks on all doors, proximity card access to buildings.

Other conveniences: residential parking (permit must be purchased and car must be registered), cable TV, incoming postal mail, utilities and laundry. Package pick up service is available at the Campus Center and is facilitated by the Facilities department. (See Packages)

Fire Safety

Residents are required to abide by all fire regulations. SUNY Polytechnic is required by state law to conduct a minimum of three fire drills in the residence halls per academic year. When a fire alarm rings, all residents must immediately vacate the building. Failing to do so during an alarm will result in disciplinary action. Residential life and housing or college staff may enter resident student suites and rooms to verify compliance. Tampering with fire equipment including but not limited to activation of fire alarm system due to prohibited activity, covering detectors, hanging items from sprinkler heads, painting or placing stickers on fire system components, removing any fire safety equipment, unnecessary use of fire extinguisher, and/or non-compliance with fire regulations may result in disciplinary and/or civil action. Open flame, including the use of candles, potpourri burners, and incense is prohibited. Gas or propane grills or compressed gas containers, charcoal, internal combustion engines, or tires may not be operated or stored in the residence halls or suites. Flammable materials (e.g. spray paints, solvents) shall not be stored in residence halls or suites.

Each semester fire safety inspections are completed by residential life and housing staff in conjunction with the environmental health and safety officer. The State Fire Marshall conducts these inspections. Students are given at least 24 hours' notice prior to inspections. Financial penalties from the State Fire Marshall for violations caused by students will be charged to the student(s) account(s).

As outlined in the Student Code of Conduct, actions that cause or attempt to cause a fire or explosion, falsely reporting a fire, explosion or an explosive device, tampering with fire safety equipment, inappropriate or unauthorized activation of the fire alarm system, or failure to evacuate SUNY Poly buildings during a fire alarm are prohibited. Residential students who cause a false alarm via any of these actions, including possessing or utilizing an item prohibited in these Residential Policies and Procedures may face conduct charges as well as residential restriction and/or loss of privileges as imposed by the Director of Residential Life and/or designee.

Guest and Visitor Policies

All residential facilities have guest and visitation policies and required registration. This policy is intended to protect the rights of all residents in a suite and to support the academic mission of the residence halls.

SUNY Polytechnic Institute resident students are permitted to have guests and visitors under the following guidelines:

- For social gatherings, maximum Mohawk and Adirondack suite occupancy has been established at 20 persons, including the suite residents.

Hosting

Resident students who host guests and/or visitors in their room in instances when violations of policy, local, state or federal laws occur may receive both conduct charges and loss of residential privileges. Examples of hosting violations include but are not limited to; alcohol consumed by underage roommates/suitemates/guests/visitors in the resident host's room, regardless of who provided the alcohol, allowing non student visitors of any age or underage student guests to bring alcohol into the residence and/or room, student guests age 21 or over exceeding the quality limits, the presence and/or use of illegal drugs in the room regardless of who provided them, the tampering of fire equipment in the room, including covering the smoke detectors.

In addition to student conduct proceedings, resident students who host guests or visitors that violate any SUNY Poly policies, local, state or federal laws may lose residential privileges including but not limited to; the ability to host future guests and visitors, the ability to stay in residence over breaks and the ability to be a late stay or early arrival regardless of purpose (including athletic practice or competition, individual travel limitations, employment, research or any other business) loss of room selection priority for the following year and/or immediate or deferred reassignment to another residential locations. Loss of residential privileges are at the discretion of the Director of Residential Life and may be assessed immediately and in addition to or in conjunction with conduct sanctions.

Housing License and Agreement

All students living on campus are required to sign a SUNY Polytechnic Housing License for a space, not a specific room. The housing license is for the entire academic year and cannot be canceled during this period as long as the student is registered fulltime for classes. Consult the license for further information regarding release and exemptions. (Also see Exemptions from the Housing License) First year students and sophomores, including transfer students, are required to live on campus unless commuter approval or special off-campus exemption is requested and approved prior to the start of the academic year.

Keys/ID Cards

Keys/ID cards (proximity cards used to access residences) are provided for residents as a matter of convenience and security. The unauthorized use or reproduction of a key/ID card for any college room or facility is prohibited. Lost keys/ID cards must be reported to the residential life and housing staff or University Police immediately so that building, meal, and Wildcat Point services are immediately revoked from the card. The loss of a residence room key will result in the re-keying of the individual room and all other rooms in the suite and all affected mailboxes. The resident is responsible for associated charges of \$150.00 per lost key. (See also, Security Policy)

Kitchens

Mohawk and Adirondack complexes provide minimal kitchenettes with stoves in the common area lounges. Oriskany Hall and Hilltop Hall offer full kitchens with full appliances. Residents of Oriskany have a kitchenette available on their designated floors. Kitchens and kitchenettes are designed for students to supplement and enhance their meal plans, not to replace them. Students are expected to take exceptional care in using these kitchens in a safe manner. Students who misuse the kitchens or fail to clean up after themselves will be subject to losing the privilege of using the kitchens and/or other disciplinary actions.

When determining interest in remaining in housing over breaks (when eligible to request break housing) or when requesting summer housing, students at the Utica site should consider that minimal cooking accommodations are available. Sodexo has limited or no hours of operation during breaks.

Laundry

Laundry facilities are available in each residential complex. Laundry facilities do not require coins or cards, as the service is included in the residential room rate. Laundry facilities are accessible 24 hours a day and are for resident students only. Residents who provide access to and use of laundry services to non-residents will be charged with theft of services and any other applicable charges.

Lofting and Bunking of Beds

Beds in double and triple rooms may be bunked or lofted by submission of a work order via the Residential Life Work Order System. Beds may be lofted or bunked only by Facilities staff and with SUNY Poly provided furnishing only. Not all SUNY Poly beds are able to be lofted or bunked. Only bunked beds with rails and lofts with rails and a safety support rail are eligible.

Noxious or Offensive Odors

A noxious or offensive odor is any aroma of such intensity that it becomes disruptive to others. Nearly any aroma can become noxious or offensive when it is overwhelmingly strong. Some examples might include incense, cigarette, cigar, or pipe smoke (*Note: smoking is prohibited in all buildings and within 25 feet of all entrances or windows*); perfume, air freshening spray, or large amounts of dirty laundry or garbage. Residents are urged to use courtesy and good judgment about this potentially annoying concern. Residential life and housing staff members may ask residents to take corrective action if complaints about odors are received.

Occupancy (Maximum Occupancy per Fire Code)

In accordance with the residence hall guest policy and applicable fire/safety regulations, SUNY Polytechnic has determined the maximum occupancy for Utica residence halls:

- Each residence hall suite in Mohawk and Adirondack to be 20 persons (including those who are the resident students and including bedrooms). Suite residents are responsible for ensuring that this maximum occupancy is not exceeded. No resident is eligible to host more than 2 guests at any one time. (See **Guest and Visitor Policies and Expectations**)
- Each single bedroom in Adirondack, Mohawk and Oriskany complexes to be five persons.
- Each single bedroom in Hilltop Hall to be five persons.
- Each double/triple bedroom in Adirondack, Mohawk and Oriskany complexes to be nine persons.
- Each double/triple bedroom in Hilltop Hall complexes to be nine persons.

Packages

Residential students may have packages delivered to them at SUNY Polytechnic. Package receiving services are provided by the facilities department. Student packages are available for student pick up at the Campus Center during posted hours. Package room hours are consolidated during holiday breaks. Students must account for delays that will occur beyond the shipping method utilized by the shipping company. Facilities receives packages during business hours only, Monday through Friday, when the institution is open. Packages are delivered to the Campus Center after being received at Central Receiving and then are sorted by staff for student pickup, resulting in a delivery that will take longer than would be expected at a residential home address. Students will receive an email notification when packages are available for pick up.

Personal Property/Personal Belongings

SUNY Polytechnic does not accept liability for residents' personal property. The institution shall not be liable to residents or guests for damage to personal property caused by water, theft, rain, fire, steam, sewer, pipes, plumbing, refrigerators, laundry machines or dryers. Students at both Utica and Albany sites are advised to seek insurance for personal belongings. Liability for risk, injury and/or damage to personal property are expressly assumed by the student.

Pest Control

Residents experiencing infestation problems with any pest should immediately report the problem to their residence halls assistant director/residence director. All students must comply with the requirements of the pest control program as they are communicated to them in response. Residents may not refuse to follow a pest treatment program and must properly prepare for any University official or pest control officer acting to inspect or manage a pest report. Residents may not remove any pest control device placed by the institution or by a company contracted by the institution.

Pets

Except for non-carnivorous fresh water aquarium fish, pets are not permitted to visit or be kept in the residence halls. Fish must be kept in aquarium tanks of less than 10 gallons. Specially trained companion dogs for disabled persons and therapy animals are not classified as "pets" under this policy. Please consult the Director of Disability Services for questions regarding pets in residence under Americans with Disabilities Act (ADA).

Prohibited Items

Students are prohibited from possessing the following items in residence halls: space heaters, incense, firearms or other weapons (or weapon components), immersion heaters, open fires, cooking appliances, air fryers, instant pots, pressure cookers, air conditioners, hot plates, explosives, dartboards, extra furniture, including desk chairs and personal mattresses (unless specifically approved), ceiling fans, water beds, hot tubs, sub-woofers, air horns, baby/toddler/inflatable pools, outside television antennas of any type or halogen torchiere lamps. Holiday lights/string lights/mini string lights must be NRTL-approved (e.g. UL, ETL, CSA listed), are prohibited for use as extension cords and cannot be hung on the ceiling, in or around doorways or across windows or walkways.

Extension cords are prohibited. Only UL approved, electrical, polarized, grounded power strips with fuses (or circuit breakers) are acceptable. Daisy chaining power strips are prohibited. The maximum amperage of such devices may not exceed 15 amps.

3D Printers

3D Printing services are provided in the CGAM Additive Manufacturing Lab in Donovan Hall (G160). 3D printers or other devices or activities that may release harmful contaminants are prohibited.

Residents in Hilltop Hall may have one television per bedroom, not to exceed 42”.

Machine Tools, Power Tools

Use of power tools, machine tools, or other activities involving powered equipment is prohibited in residence halls. Use of these tools may be prohibited on the outdoor grounds surrounding the halls or in hall parking lots if the Chief of University Police or Director of Environmental Health and Safety deem their use to be a risk to people and property, including vehicles. Students who wish to use machine or power tools on the residential grounds or in parking lots should seek prior approval for their use and application.

All prohibited materials, devices, objects, and animals will be confiscated by staff or University Police. SUNY Polytechnic is under no obligation to return confiscated items to students who bring them into the residence halls. Appropriate action will be taken in response to discovery of prohibited items under applicable laws and/or College rules and regulations. The list of prohibited items may be updated at any time by the Office of Residential Life and Housing upon written notice.

Quiet Hours/Courtesy Hours

The Residential Life and Housing office has outlined specific quiet hours and continuous courtesy hours, which are designed to support an environment conducive to study and sleep.

Students who reside in the SUNY Poly residence halls agree to conform to standards of considerate behavior. Respect for the privacy of others and compliance with an environment conducive to study and community living are expected. At all times each resident is expected to be courteous of others by monitoring noise levels so others are not disturbed and by responding immediately and respectfully to requests to be quieter. Other students should not have to ask any one student to lower noise levels on a continuous basis, and ongoing failure to comply with the requests of neighbors and staff to keep noise within private rooms is not acceptable.

Students are under a continuous, 24 hours a day, 7 days a week obligation to be considerate of other students. Disruptive behavior, including noise that extends beyond the residents individual bedroom, is prohibited. This includes noise from a stereo, speakers placed in a window or any other noise disruptive to students in other rooms. The right of any student to sleep and study *always* supersedes the desire of other students to create loud noise or entertain guests or visitors. No suite, floor or building is permitted to eliminate the courtesy hours or shorten the quiet hours.

Quiet Hours

Sunday through Thursday: 11 p.m. to 8 a.m.

Friday and Saturday: Midnight to 8 a.m.

Courtesy hours exist at all other times and are a minimum condition to allow residents the right to study and sleep. During finals weeks, **24-hour Quiet Hours** are in effect and cannot be changed. Each resident is expected to initially confront any noise problem that is of concern to him/her and to call upon the staff if assistance is needed.

Recreation and Weightlifting Equipment

Students are prohibited from playing sports or rough-housing in the halls as this is not conducive to the indoor learning environment and may cause damage inside the building. Prohibited recreation indoors includes, but are not limited to, tossing, bouncing, or kicking a ball or frisbee, roller blading, biking, using a scooter, using nerf guns, water guns or water balloons.

Residents are prohibited from engaging in outdoor recreation activities in the vicinity of the residence hall area if the activity presents a danger to personal safety or property or a disruption to the academic living environment. Residents are urged to be respectful of others and to use good judgment when participating in outdoor recreational activities near the residence halls. The use or storage of athletic free weights and weight benches in the residence halls is prohibited.

Repairs

Residents are responsible for immediately reporting needed repairs for their suite or room and all fixtures, furniture, fire and safety equipment, and effects therein to residential life and housing staff. Prompt notification is required to prevent serious problems from developing. Students are prohibited from doing their own repairs in SUNY Polytechnic-owned housing. Spackling, painting, and any other repairs are prohibited.

Right of Inspection/Health and Safety Inspections

SUNY Polytechnic reserves authorized employees' the right to enter residence hall suites at any time to ensure the safety and well-being of members of the college community and the good condition of SUNY Polytechnic property, and for the following purposes: housekeeping, maintenance, damage inspection, occupancy and vacancy determination, emergencies, investigation of suspected violations of the Student Code of Conduct and/or the Housing and Dining License and for announced health and safety inspections.

The Director of Residential Life and Housing may determine that a room safety or welfare check of a student is warranted, if sufficient, reliable information indicates a student may be in danger or is suspected missing and is also not responding to requests at the door for entry to the room. No staff member may enter a student's room for a safety check without permission from the Director of Residence Life, Vice President for Student Affairs or the Chief of University Police, and all safety/welfare checks will be conducted by one Residential Life staff member and one University Police Officer.

Residence life staff or University Police may enter a student's room at any time without notice if they have sufficient information to believe there is an imminent threat to life safety occurring in the room.

At the close of the residence halls and during breaks, the residential life and housing and facilities staff will enter rooms to check for plugged-in appliances, trash, open windows, lights, unlocked doors, etc. Each semester the residential life and housing staff will conduct health and safety inspections at all residences. Rooms are inspected for illegal or inappropriately used electrical appliances and/or health and safety hazards, including assessing cleanliness. Any violation will result in disciplinary action against the resident and confiscation of prohibited items (See also Prohibited Items.) Inspection periods will be announced a minimum of 48 hours in advance. It is preferred that students be present during inspections. If residents are unable to be present following attempts to reschedule a convenient time for all, staff will enter rooms in pairs. When conducting health and safety inspections, and before entering a resident's premises, residential life and housing staff will knock and announce themselves. Items in plain view that are specifically prohibited or pose an immediate danger to the room, safety or life will be removed.

Students will be given written notice of the outcome of the inspection, and given 24 to 48 hours to address violations, including cleanliness concerns.

Sales and Solicitation

Solicitation and/or sales by residents or outside agents are not permitted in the residence halls. On the Utica site, the posting of any advertisement or non-college related material must be authorized by the Office of Campus Life in accordance with the Campus Posting Policy. Campus Life approved postings can then be submitted to the Office of Residential Life and the Resident Advisor staff will post signs in approved locations. For more information, please refer to the Campus Posting Policy.

Screens and Windows

The removal, loss, or damage of a window or screen from student rooms or suites is prohibited and may result in installation/replacement charges and disciplinary action. The throwing of objects from windows and the placing of any objects outside the window, including aerials, speakers, banners, flyers, and other equipment, is prohibited.

Security

SUNY Polytechnic has provided each residence with various security systems which are designed to enhance the safety of the residents. However, security and safety is a shared responsibility between SUNY Polytechnic and students residing in the residential facilities. Therefore, residents are required to comply with policies in order to maintain the security of the buildings.

Residents are required to keep their room/suite and exterior building doors locked at all times when they are not present or are sleeping. Residents are strongly advised to insure all of their personal property against loss, damage, and/or theft by appropriate individual or family insurance coverage.

Residents and their guests will be subject to conduct referral if they attempt to bypass the residential security systems in any of the following manners:

- A. Entering or leaving a residence hall via a window or unauthorized door.
- B. Entering a secured area behind someone (also known as “tailgating”) in order to obtain access to an area not authorized
- C. Allowing any person without access, and who is not a guest for whom the student is responsible, to enter an area.
- D. Using another student’s key or ID card.
- E. Allowing another student to use a key or ID card, including to utilize laundry facilities.

Snow Removal

In order to keep parking lots open to traffic, emergency snow removal procedures are enacted in the Utica site residence hall parking lots during the winter months. Residents may be required to move vehicles from the parking lots in the residence hall area during the snow removal process. Vehicles that are not moved may be ticketed and/or towed away for impoundment. (Note: The student is responsible for applicable charges.) Residents will be notified by advance posting for snow removal.

Failure to comply with snow removal directives may result in student conduct charges.

Summer Occupancy

This license is in effect for students who request and are approved for housing for the summer session of 2021. Summer housing is offered only to students on campus for an approved academic purpose, and the student must be a full time resident student in the proceeding spring and following fall semester. Students requesting summer housing will be reassigned to campus suites designated for that purpose. In addition to students, conference guests may occupy certain residence hall rooms during the summer months. Therefore, summer students may be subject to special policies and regulations related to conference groups housed on campus. In addition, students may be required to move to accommodate maintenance work in the residence halls. Fire and safety regulations and health regulations prohibit the cooking of meals in the residence hall suites, including during the summer months. Students may prepare light snacks within rooms and suites. There is also a kitchen unit in the common area of each residential complex.

Tobacco Free/E-Cigarette/Non-Smoking Policy (Residential Facilities)

The purpose of the non-smoking policy is to limit exposure of the SUNY Polytechnic residence hall community to the second-hand effects of tobacco use and to reduce the risk of fire in and around the residence halls. Tobacco is defined as all tobacco and tobacco-derived products intended for human consumption, including but not limited to cigarettes, e-cigarettes, cigars, hookah or water-pipe devices, pipes, smokeless products, clove cigarettes, bidis, kreteks, electronic cigarettes, smokeless tobacco (chew) and snuff.

Smoking and the use of e-cigarettes can activate fire alarms systems in all dormitories (or other campus buildings) and is prohibited. These devices produce enough vapor to activate smoke alarms. Activation of smoke alarms results in evacuation of the building. Multiple false alarm evacuations may cause people to respond slowly or not at all when a real fire emergency is occurring. In addition, University Police and the Maynard Fire Department respond to these alarms whenever they occur. These firefighters put their lives on the line when they respond and are here to protect our community.

Significant and increasing disciplinary action will result from the future activation of fire alarm systems due to prohibited smoking and e-cigarettes.

Cleaning and maintaining e-cigarettes indoors can also trigger the fire alarm. PLEASE DO NOT perform maintenance on your e-cigarettes indoors.

- Absolutely no tobacco products or smoking will be permitted inside any residence hall room, suite or building (including entry canopy).
- Smoking is not permitted within 25 feet of residential buildings.
- Students are responsible for the proper disposal of waste associated with tobacco use in campus-provided receptacles.
- Students are responsible for notifying their guests of the tobacco/smoking policy and ensuring they are abiding by the policy.
- Damage/cleaning charges, restitution to the fire department for response services as well as conduct charges may apply to students who choose to violate the tobacco policy.
- Hookah's and similar devices hold ashes that are a fire risk even when not lit. These items are prohibited from the residence halls.
- This policy stresses the rights of residents to enjoy a tobacco-free environment in the residence halls. It relies on the cooperation of the entire college community. It is the responsibility of all members in the college community to observe the tobacco policy and to direct those who choose to use tobacco products to do so only in the designated smoking areas.

Trash Removal

Residents are responsible for taking their trash to the designated dumpsters. Personal room trash must be taken directly to the building dumpsters and may not be deposited in the common trash cans of kitchenettes or lounges in any facility. Bottles and cans should be returned immediately and not stored in the residence hall suites. (Also see Alcohol Policy: Displays.) Residents who do not dispose of their trash in designated containers may be referred for disciplinary action. Residents should review notices outlining the program. Trash cannot be placed in hallways, stairways, lobbies or outside for any length of time.

Winter Break Occupancy

Residence halls will remain open during the fall and spring semesters. Residence halls are officially closed during the winter break. Residents housed during break periods must be on the campus for an approved academic purpose and pay an additional pro-rated charge determined by SUNY Polytechnic, payable in advance. Specific accommodations for the winter break may be limited and break housing may not be offered in the resident's regularly assigned room. Graduating students eligible to remain for Commencement ceremonies are required to vacate the residence halls by 5:00 p.m. on graduation day. Exceptions may be granted by the Director of Residential Life or designee.

Wireless Equipment

Tampering with or removing any wireless device or equipment is strictly prohibited.

Calendar of Residence Hall Occupancy

Calendars of Occupancy and Calendars for Sodexo Dining Services are available under each residence at www.sunypoly.edu/residential_life.

All regulations and provisions herein shall remain in effect unless changed or modified by official written notice.

University Police

Kunsela Hall, Room B126 (Utica), (315) 792-7222
NFE (Albany) Suite 1701, (518) 437-8600

University Police provide patrol, investigative, and emergency services to the campus. University Police officers are police officers in the State of New York with authority to enforce New York state vehicle and traffic laws, New York state penal laws, investigate criminal complaints, and make arrests.

In an emergency, students can call either number above or use outdoor emergency call boxes (marked with blue lights) or indoor red emergency telephones to call the office. As part of their service mission, University Police officers will escort students to campus buildings or parking lots, provide emergency first aid, and provide emergency vehicle assistance. Campus programs are scheduled to educate students about personal safety, sexual assault, drug and alcohol abuse, and crime prevention. The office also provides vehicle registration and assists on safety-related issues with environmental health and safety services.

University Police maintain a daily log that records all crimes reported. The log reports the nature, date, time and general location of each crime, and the disposition of the complaint, if known. The log is open to the public. A request for information can be made in writing to the chief of University Police. The chief will review the entry with the requester and information will be released that does not interfere with a current investigation or violate the confidentiality of a victim.

University Police Annual Security Report

This report is filed as required by the federal “Crime Awareness and Campus Security Act” (hereafter referred to as the Jeanne Clery Act). The purpose of this report is to provide our faculty, staff and students with campus safety information including crime statistics and procedures to follow to report a crime. The report is prepared by the chief of University Police and is electronically available in the University Police section of the SUNY Poly website, sunypoly.edu/university_police/safety. Any questions regarding this report should be directed to room B126 of Kunsela Hall, University Police, or telephone 315-792-7222. A copy of the SUNY Polytechnic Institute campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request by University Police. Information can also be obtained from the U.S. Department of Education website at ope.ed.gov/security.

Emergency Call Boxes

Emergency call boxes are strategically located throughout SUNY Poly for use by the public to be able to contact University Police for emergencies, as well as general assistance. Emergency call boxes have blue lights for identification at night and in inclement weather.

Utica also utilizes red emergency telephones inside each of the campus buildings, providing additional means in which to contact University Police for services or emergencies. The University Police website provides a complete listing of the locations of these important communication devices.

RAVE-ALERT Emergency Notification System

Students, faculty and staff are encouraged to sign up for RAVE-Alert, a university-wide emergency notification system. At SUNY Poly, those who sign up will receive important information via email, text and voice messages in the event an emergency situation arises on campus. RAVE-Alert will be used in conjunction with other existing and new communication and alert procedures to keep all those on campus safe in the event a serious situation occurs.

To take part in RAVE-Alert, students, faculty and staff can select the “Sign Up for RAVE-Alert” link at the bottom of the SUNY Poly website’s homepage, sunypoly.edu.

Parking Regulations and Vehicle Registration

All vehicles parked on campus must display a current parking decal and be registered with the University Police department. SUNY Poly has established parking and traffic regulations which motorists must follow along with New York state traffic laws. A brochure containing campus and parking regulations is available at the University Police department.

Reporting Suspicious or Disruptive Persons

SUNY Poly's University Police department, Residential Life and Housing office, and Facilities department have developed a comprehensive approach toward making the campus a safe and secure place for students. Outdoor emergency call boxes, indoor red emergency telephones, closed circuit video monitors, and electronic door locks in residence halls have been added to increase campus safety. Students who observe a suspicious person on campus or feel threatened in any way should immediately contact the University Police department.

SUNY Poly Card

Students are issued an official campus identification card, the "SUNY Poly Card" with their photograph and student identification number. This card is required to access essential services and facilities on campus, including the residence halls and dining facilities, library, fitness center, and more.

The SUNY Poly Card also features a prepaid spending account. Wildcat Dollars, offering you a safe and convenient way to make cashless purchases.

In addition, financial aid recipients may now authorize up to \$700 of excess financial aid to be added to their Wildcat Dollars account. The SUNY Poly Card is welcome as a form of payment at our campus bookstore (both in the store and the online bookstore), Student Center food court, the Mario Café, Oodles the Noodle Bar, Poly Pizza, and all vending machines on campus (Utica only). It's also good at participating off-campus vendors in the Utica area. Visit wildcatdollars.com for a complete list of participating locations.

The Wildcat Dollars account enables SUNY Poly students to manage spending while at college without having to carry cash, coins or other cards. There are no costs or fees to participate. Students have 24/7 online account access at get.cbord.com/sunypoly where they can check the balance in their Wildcat Dollars account, their food service meal plan debit points account, and where they can review their account transaction history, add value to their Wildcat Dollars account and more. Students or their designees (parents, grandparents, aunts, uncles or friends) can add value to their Wildcat Dollars account as needed by check, credit/debit card, or authorizing excess financial aid. Funds transferred by credit or debit card are available instantly, check deposits are accessible on the business day the check is received in the Auxiliary Services office, and financial aid is available within two hours of the online request done through the student's Banner web account.

The balance in the Wildcat Dollars account will carry over from semester to semester. If the Wildcat Dollars was paid for with cash, check or credit card, a partial or full refund of any unused balance can be requested by submitting a written request to the Auxiliary Service Office in Kunsela Hall, Room A217 (ca@sunypoly.edu). The written request must include your name, Student ID (U#) number, home address and balance to be refunded. If submitted via email, the request must be sent from your College@SUNYPOLY e-mail account.

Lost or stolen cards must be reported immediately via get.cbord.com/sunypoly. This will inactivate the card so no one else can use it. File a SUNY Poly Card Report with University Police. Bring the SUNY Poly Card Report to the Auxiliary Services office during regular business hours Monday through Friday. A replacement card will be issued - the replacement card fee is \$25.

SUNY Poly Card Procedures and Policies

If your SUNY Poly Card is lost or stolen, see SUNY Poly Card Replacement Policy.

The SUNY Poly Card should be treated with care. Stickers, creases, worn vending stripes or punched holes will render the card inoperable. The SUNY Poly Card should not be left in direct sunlight or near any heat source or magnetic field.

Terms and Conditions for SUNY Poly Card Users

1.0 Overview

Passwords are an important aspect of computer security. They are the front line of protection for user accounts. A poorly chosen password may result in compromising SUNY Poly's entire network and attached systems. As such, all SUNY Poly users (including students, faculty, staff, guests, contractors and vendors with access to SUNY Poly systems) are responsible for taking the appropriate steps (outlined below) to select and secure their passwords.

2.0 Purpose

The purpose of this policy is to establish a standard for the creation of strong passwords, the protection of those passwords, and the frequency of change.

3.0 Scope

The scope of this policy includes all students, faculty and staff who have or who are responsible for an account (or any form of access that supports or requires a password) on any system that resides at any SUNY Poly facility, has access to the SUNY Poly network, or stores any non-public SUNY Poly information.

4.0 Password Aging Requirement

All system-level passwords must be changed every six months.

Safety Training and Access to SUNY Poly - Albany

Access to CNSE Buildings

Access to the buildings and laboratories is by proximity card. Every Albany student receives building access upon completion of Safety Orientation Training, which may be completed during student orientation. Site access is Monday through Sunday from 6:00 a.m. until 9:00 p.m. Every CNSE undergraduate student receives access from the first day of class each semester until the last day of final examinations in that semester.

All safety training is provided by the SUNY Poly Environmental Health and Safety Office (EH&S). Safety training includes: basic safety orientation (required for site and building access), laboratory safety (required for access to the labs), wafer safety for working in the CESTM clean room laboratories, and an additional module on working in CESTM labs. There are other safety trainings which you may eventually need, and you will be told what the training is and how to obtain it at the appropriate time.

Site and laboratory access is done by proximity card. The card is yours and yours alone and must be worn so it is plainly visible to anyone, along with your ID badge, when you are on site. If you forget your badge, you do not have access and will have to obtain it before entering the site. No one is permitted to let you through secure entrances without your badge (i.e. "tail-gating") nor are you permitted to let anyone else in without a badge. If you lose your badge or it is destroyed, you will be charged a fee to replace it. If you want to have a guest, that person or group must be approved in advance and in writing by the student's advisor and the advisor must email ACCESSCONTROL@sunypoly.edu and CNSESECURITY@sunypoly.edu. Once the guest(s) arrive, he or she must register at CNSE Security and be escorted at all times. Abuse of the access rules may result in loss of access to CNSE facilities. Some examples of violations of the access policy include, but are not limited to: attempting to tail-gate or access areas you are not approved for, trading badges with a fellow student or employee, door propping in laboratories or to the buildings, unauthorized persons in a laboratory space, and non-registered persons on site. Individuals guilty of a violation will have access suspended and all safety training will be repeated to ensure the student understands the policies. Multiple violations may result in judicial referral.

Access to CNSE Laboratories

Labs at CNSE are accessed through proximity cards so you are not permitted to lend anyone your card to access laboratories. Propping open doors is not permitted. The policy for lab access is as follows: (1) you are trained and qualified on a tool or laboratory area; (2) when the training has been completed, your advisor sends a request to AlbanyLabAccess@sunypoly.edu to ask for laboratory and tool access for you. The request must include: student's name, laboratory number, and a list of the tools for which access is being requested. When approval is given, the advisor will be notified and your access card activated for the needed/requested doors.

Question: Do I have to renew safety training? Answer: For the specific training you receive at orientation, no. Working in some laboratories requires that the training for that lab be renewed annually. The laboratory owners (i.e. the professors) will let you know what additional training is needed and whether you need to renew it annually.

Laboratory Behavior

Each laboratory has its own functions and tools. No one should be in the laboratory that does not have approved access and training for that laboratory. Always dress appropriately, and wear safety equipment as required (these requirements are explained in the EH&S training sessions). Students should listen to directions from the laboratory staff as these staff members have more experience than new students.

Safety is the number one priority in laboratories. It is your responsibility to clean up after yourself. All glassware should be washed and all chemicals labeled and waste properly disposed of as described in the EH&S safety training. This is extremely important for safety but also shows respect for those who use the

laboratory. Tool time for most tools and laboratory areas is reserved via an online reservation system. This ensures that students can plan ahead and book time in laboratories when they need it while they are performing their experiments. In order for this system to work it must be used so it is expected that students using space/tools on the reservation system will plan ahead and book their time whenever possible. Laboratory and tool use outside of booked time is first-come, first-served.

Lastly, violations of laboratory safety rules, allowing untrained people into the laboratory, releasing or discussing the laboratory's work with someone outside CNSE, abuse of equipment or damage to tools and equipment, or creating dangerous or hazardous situations will be dealt with through the SUNY Poly student conduct process.

Bias Crimes Prevention

Hate Crimes and the Law

It is a SUNY Poly University Police (UP) mandate to protect all members of the SUNY Poly community by preventing and prosecuting bias or hate crimes that occur within the campus jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, national origin, gender, sexual orientation, gender identity, or disability. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from UP.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, UP also assist in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the University as acts of bigotry, harassment, or intimidation directed at a member or group within the SUNY Poly community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, gender identity, disability, veteran status, color, creed, or marital status, may be addressed through the State University's Discrimination Complaint Procedure or the campus conduct code. Bias incidents can be reported to University Police, Human Resources, and/or the Title IX coordinator. If you are a victim of, or witness to, a hate/bias crime on campus, report it to UP by calling 315-792-7111 in an emergency, using a blue light or red emergency phone, 315-792-7222 (Utica), 518-437-8600 (Albany) or stopping by UP. University Police will investigate and follow the appropriate adjudication procedures.

Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus as follows: Counseling Center, Campus Center, Suite 217, 315-792-7172.

For information on SUNY Poly security procedures, see sunypoly.edu/university_police/security_policies, Student Handbook page 26, or call 315-792-7222 (Utica) or (518) 437-8600 (Albany).

More information about bias-related and bias crimes, including up-to-date statistics on bias crimes, is available from University Police, 315-792-7222.

Child Sexual Abuse Reporting Policy

Any employee or student of or volunteer for SUNY Poly who witnesses or has reasonable cause to suspect any sexual abuse of a child occurring on SUNY Poly property or while off campus during official SUNY Poly

business or SUNY Poly sponsored events shall have an affirmative obligation to report such conduct to the University Police Department immediately. In Utica, University Police is located in Kunsela Hall B126 or call 315-792-7111; in Albany, University Police is located in Nano Fab East, #1701 or call 518-437-8600. Such report should include the names of the victim and assailant (if known), other identifying information about the victim and assailant, the location of the activity, and the nature of the activity. Upon receiving such a report, the University Police Department shall promptly notify the Vice President of Human Resources, Vice President for External Relations and College President along with the Commissioner of University Police at SUNY System Administration who shall report such incidents to the Chancellor for periodic reporting to the Board of Trustees.

In addition, to aid in the prevention of crimes against children on property of SUNY Poly and/or during official SUNY Poly business at events sponsored by SUNY Poly, relevant employees should be trained on the identification of such crimes and proper notification requirements. Vendors, licensees or others who are given permission to come onto campus or to use SUNY Poly facilities for events or activities that will include participation of children shall ensure that they have in place procedures for training, implementation of applicable pre-employment screening requirements and reporting of child sexual abuse.

For purposes of this policy, the applicable definitions of child sexual abuse are those used in the NYS Penal Law in Articles 130 and 263 and Section 260.10, and “child” is defined as an individual under the age of 17.

Academic Integrity Policy

Article I. Standards of Academic Integrity

The student's first obligation is to pursue his or her academic objectives conscientiously and honestly. The student is required to conform to all regulations of the University and SUNY Polytechnic Institute, the department and program in which the student is matriculated, and the classes in which the student is enrolled. The student is expected to complete all academic work, including but not limited to papers, examinations, laboratory reports, and other assignments, in compliance with the standards set forth in this code. Academic achievement is ordinarily evaluated on the basis of the work that the student has produced independently. A student who attempts to obtain credit for work, words, or ideas that are not his or her own is dishonest. Dishonesty undermines the integrity of academic standards. Infringement of this academic code entails penalties ranging from reprimand to dismissal from SUNY Polytechnic Institute. Misrepresentations of facts, significant omissions, or falsifications in any academic work are violations of the code. Misunderstanding of the code is not an acceptable excuse for academic misconduct. If a student is uncertain whether a practice is permitted in a particular course, the student should consult the faculty member instructing the course in order to avoid the accusation of academic misconduct.

Article II. Summary of Academic Integrity Policy

A student's name or other unique identifier on any course exercise (e.g., theme, report, notebook, performance, computer program, course paper, laboratory or practicum or co-op report, examination, website, or quiz) is taken as assurance that the exercise is the product of the student's own thoughts and study, and that it is expressed in the student's own words and produced without assistance, except as indicated by quotation marks, references and footnotes acknowledging use of printed sources or other outside help. In some instances, the faculty member or department may authorize students to work together to solve problems, complete projects, or produce written or performed coursework; any such effort must be clearly marked the product of collaboration. Where collaboration is authorized, students must indicate clearly which parts of the assignment were performed independently and which parts were provided collaboratively.

Unless permission is obtained prior to submission from all involved instructors, a student may not submit the same exercise in more than one course. The student who sees the possibility of overlapping assignments must consult with both faculty members before proceeding.

Article III. Prohibited Behavior

The following offenses are violations of the Academic Integrity Policy.

1. **Plagiarism:** Any piece of work that has been presented as the individual creation of the student is assumed to involve no assistance from any other person. Plagiarism is the use of another person's work, words, or ideas without attribution. It may involve using another's words without quotation marks and/or footnotes to indicate the appropriate source. Paraphrasing or summarizing the content of another's work is not dishonest as long as the source is clearly identified. Paraphrasing when the source is properly cited does constitute independent work; however, the faculty member may still reject it as inappropriate. Plagiarism may also involve misrepresenting the sources that were used. The issue of plagiarism applies to any type of academic work, including but not limited to papers, examinations and quizzes, computer programs, works of art, photography, video, or websites.
2. **Inappropriate Collaboration:** Collaboration on academic work requires acknowledgment. It is academically dishonest to work with another person to develop, organize, or revise a project (e.g., a paper, oral presentation, research project, or take home examination) without acknowledging that person's help. Specific policies regarding collaborative work, peer review, use of tutors, and editing vary from faculty member to faculty member. It is the student's obligation to check with the professor concerning any collaborative academic effort.

3. **Dishonesty in Examinations (In-Class or Take-Home):** An examination must be solely the student's own work, unless otherwise directed by the faculty member. Communication is not allowed between or among students while an examination or quiz is being taken, nor are students permitted to consult books, papers, study aids, or notes without the faculty member's explicit permission. Cheating includes, but is not limited to, copying from another's paper, giving unauthorized assistance to another, obtaining unauthorized advance knowledge of the questions to an examination or quiz, or use of mechanical or marking devices or procedures to achieve false scores on machine graded examinations. Specific policies concerning examinations may vary from faculty member to faculty member.
4. **Dishonesty in Papers and Reports:** The student is prohibited from submitting any material prepared by or purchased from another person or entity. All written materials submitted in fulfillment of course requirements must be the student's original work, unless sources are cited following the accepted protocols for citation of another person's words or ideas.
5. **Work Done For One Course and Submitted to Another:** The student may not present the same work for credit in more than one course. Under exceptional circumstances, the student may be permitted to submit a paper or other written assignment to satisfy requirements in two courses. However, both faculty members must agree in advance to this arrangement. When incorporating past research into current projects, the student must reference the previous work.
6. **Falsification of Data:** The student may not deliberately falsify data or distort supporting documentation for coursework or any other academic activity.
7. **Interference With Another Student's Work:** The student may not intentionally interfere with the work of others by sabotaging laboratory experiments/equipment or research, computer programs or computer laboratories, by giving misleading information, or by disrupting class work or library work, including study.
8. **Copyright Violation:** Copyrighted material is the property of the copyright holder and may only be used with appropriate authorization. The student must observe the copyright laws governing practices of using printed materials, duplicating computer software, photoduplicating copyrighted materials, and reproducing video and audio cassettes and other audio-visual materials. The Student Code of Personal Conduct prohibits theft or unauthorized use of another's property and requires adherence to federal and State laws. This provision will be enforced by the Chief Academic Officer under the provisions of the Student Code of Personal Conduct and the State University of New York Rules for the Maintenance of Public Order.
9. **Other Offenses Against the Academic Integrity Policy:** In addition to the practices specified above, academic misconduct embraces all other practices that circumvent procedures designed to assure a fair grade. Use of the services of commercial term paper or "research" companies is cheating, and a punishable offense. Student groups may not maintain and reuse papers, reports, course exercises, or examinations that have been kept on file from prior years. Falsification of records, whether before or after graduation, is misconduct. Gaining access to a confidential recommendation without permission, after waiving right of access, is a violation of the code. Withholding, altering or destroying materials needed by other students for course exercises is an offense against the academic code. Lying in the course of an investigation of an academic offense or during a judicial proceeding is a violation of the Student Code of Personal Conduct and will be referred to the Chief Academic Officer or designee for disciplinary action.

Article IV. Adjudication of Charges

1. **Faculty member action:** The faculty member shall assess an appropriate penalty. Common penalties may include, but are not limited to, requiring the student to rewrite or correct a submitted assignment, requiring the submission of a substitute assignment, loss of credit for the assignment, or a failing grade in the course. The faculty member will communicate that there will be a penalty to the student in writing by hand delivery, electronic mail using the student's SUNY Polytechnic Institute account, or by letter sent to the student's campus or permanent address on record. The faculty member shall then make a written

record of the incident, including the assessed penalty and whether the incident is believed to be an error in judgment or willful misconduct. This record shall be reported to the head of the academic unit of the department in which the student's major resides within two calendar weeks of discovery of the alleged offense and after notification has been made to the student.

2. **Administrative action:** If the misconduct is not related to a specific course, the head of the academic unit or Chief Academic Officer or designee may assess a penalty as circumscribed in Article VII following the same procedures outlined for course misconduct.
3. **Procedure:** Upon notification of an alleged offense, the head of the academic unit shall store the faculty member's report in the academic unit's academic discipline records for the student. The head of the academic unit may send a recommendation to the faculty member identifying an alternate recommended penalty, particularly if this is not a first offense. The head of the academic unit shall send a copy of the faculty member report and alternate penalty recommendations to the faculty member and the campus Chief Academic Officer or designee within one calendar week of receipt of notice from the faculty member. Repeat offenses or sufficiently serious first offenses may result in the head of the academic unit requesting that the campus Chief Academic Officer or designee convene an Academic Integrity Board to consider the accusation of academic misconduct and consider extraordinary penalties (identified in Article VII).

Upon notification of an alleged offense, the campus Chief Academic Officer or designee will store the faculty member report in the student's campus academic discipline records. The campus Chief Academic Officer or designee may also send a recommendation to the faculty member and head of the academic unit identifying a suggested alternate penalty, particularly if this is not a first offense within the college, within two calendar weeks of receiving the report. Within one calendar week of the faculty member's receipt of the Chief Academic Officer or designee's recommendation, the faculty member shall make a final decision of his/her assigned penalty and communicate the penalty to the student by the means previously outlined and send a copy of the notification to the head of the academic unit. Repeat offenses, sufficiently serious first offenses, or head of the academic unit request may result in the campus Chief Academic Officer or designee convening the Academic Integrity Board to consider the accusation of academic misconduct for extraordinary penalties as identified in Article VII.

If the Academic Integrity Board is convened by the Chief Academic Officer or by student appeal (see Article IV.4.), the campus Chief Academic Officer or designee shall contact the student, faculty member, and head of the academic unit by the means previously outlined to advise that a hearing of the Board is being scheduled and outline the procedure and student's rights within one calendar week of such a determination. Within two calendar weeks of this notice, the Board shall hear the case. The Board shall then submit a written summary of findings to the campus Chief Academic Officer or designee, head of the academic unit, faculty member, and student within one calendar week of completion of the hearing. In the case of a Board recommendation of suspension or dismissal, the campus Chief Academic Officer or designee shall consult with the president, and the President shall communicate a final decision to all parties (student, faculty member, head of the academic unit, campus Chief Academic Officer or designee, and Board) within two calendar weeks.

The head of the academic unit or campus Chief Academic Officer or designee may extend any stage of the judicial proceeding calendar in extreme circumstances and upon a showing of good cause; this extension must be reported to all involved parties by the original deadline.

4. **Appeal of misconduct:** A student who disagrees with a determination of academic misconduct may appeal in writing to the campus Chief Academic Officer or designee within one calendar week of receipt of notification of the violation. A student appeal will trigger convention of the Academic Integrity Board to consider the case of academic misconduct if the Board has not already been requested to convene by the head of the academic unit or the Chief Academic Officer or designee.
5. **Appeal of grade:** After the completion of a misconduct hearing, a student may appeal a grade penalty through the campus grievance procedure. The only grounds for appealing a grade is a student's belief that

a grade or grade penalty has been assigned on a capricious basis. Capricious grade assignment is assignment of a grade to a student that is based on a standard other than his/her performance in a course, on more exacting or demanding standards than were applied to other students in the course, or on standards that depart substantially from those the faculty member previously announced for the course.

- 6. Appeal of suspension/dismissal:** Appeal of a decision of suspension or dismissal is written directly to the President. The same calendar applies. The campus Chief Academic Officer or designee or President may extend any stage of the appeals calendar in extreme circumstances and upon a showing of good cause; this extension must be reported to all involved parties by the original deadline.

Article V. Academic Integrity Board

The Academic Integrity Board is composed of five faculty and two students, appointed for each judicial proceeding at least one calendar week in advance of the proceeding by the campus Chief Academic Officer or designee from a pool composed of twelve faculty and six students. Faculty shall be elected by each school at the beginning of every academic year for the pool, divided equally among schools. The students shall be appointed by the Student Association and shall be representative of the diversity of the student body. The purpose of the pool of faculty and students is to provide a hedge against conflict of interest or schedule in any particular judicial proceeding. In order to observe the calendar described in Article IV.1, the campus Chief Academic Officer or designee may appoint alternate faculty and students should a pool lack sufficient members or have unreachable members.

1. **Officers:** The Board selects chairperson and secretary for each judicial proceeding. The secretary maintains a record of the proceeding. This record and all documents pertaining to the judicial proceeding are circulated only to persons involved in the proceeding and to the Chief Academic Officer or designee and President in the case of an appeal. The chairperson and secretary will both be voting members of the Board.
2. **Quorum Decision:** A quorum consists of the entire appointed Board. Decision is rendered by majority vote.
3. **Board Jurisdiction:** The Board shall decide whether the misconduct is willful, if the misconduct constitutes an error in judgment, or if there is no academic misconduct. The Board may, with a majority vote, render an opinion regarding the penalty. Absence of an opinion with regard to the penalty shall not indicate either support or disagreement with the penalty.
4. **Parties Excluded from the Board:** Members of the pool shall be notified of participants when requested to be on a Board. Any member of the pool who feels s/he has a conflict of interest is excluded from participating on that Board. The student shall be notified of the pool's composition at the time of the meeting notification and may request of the Chief Academic Officer or designee that specific members be excluded from the Board due to conflict of interest if the request is made at least five calendar days prior to the Board hearing.
5. **Judicial Proceeding Procedure:** The purpose of the judicial proceeding is educational and disciplinary. Thus, courtroom procedures and rules of evidence need not be followed in the interest of ascertaining the facts of the case. Both student and faculty member have the right to examine all written evidence prior to the judicial proceeding; this evidence shall be kept in a restricted file in the Provost's office pending the decision. Both student and faculty member may attend the proceeding and question and respond to witnesses. The student may bring up to two advisors, provided one of them is a member of the college community (faculty, staff, or student). The advisor(s) may advise the student and, with the permission of the chairperson of the Board, address the Board. The chairperson of the Board may remove any person from the room for obstruction of the proceeding.
6. **Record of Multiple Offenses:** If the student has previous offenses stored in his/her campus academic discipline records, the campus Chief Academic Officer or designee shall provide all records of these offenses to the members of the judicial proceeding. All distributed records pertaining to the proceeding shall be collected and destroyed by the campus Chief Academic Officer or designee at the conclusion of the judicial proceeding.
7. **Special Periods:** The campus Chief Academic Officer or designee (in consultation with the appropriate head of the academic unit) has authority to resolve disputes during special periods when the Academic Integrity Board cannot meet.

Article VI. Class Attendance Pending Decision

The student accused of academic misconduct may continue in class until a final decision has been reached, including appeal. Pending final determination of the accusation, a grade of Incomplete may be assigned in the disputed course or courses.

Article VII. Additional Penalties for Academic Misconduct

A student found to be in violation of this policy by an Academic Integrity Board may receive any of the following additional sanctions from the campus Chief Academic Officer or designee or head of the academic unit of the school within which the student resides.

Suspension: An unusually serious first offense or repeated offenses may result in suspension from the college. The student will be suspended from SUNY Polytechnic Institute as of the semester of the infraction and will be withdrawn from all courses for that semester. Only the President may suspend a student from the college. The words “Suspended for Academic Misconduct” will appear on the student’s permanent academic transcript. If the student later requests an institutional letter of reference, the letter may refer to the incident. Suspension is a temporary withdrawal from the college for a specified period of at least one semester, after which the student may return in accordance with the standing regulations governing matriculation, by submitting a petition for reinstatement.

Dismissal: An unusually serious first offense or repeated offenses may result in dismissal from the college. The student would be dismissed from SUNY Polytechnic Institute as of the semester of the infraction and will be withdrawn from all courses for that semester. Only the President may dismiss a student from SUNY Polytechnic Institute. The words “Dismissed for Academic Misconduct” will appear on the student’s permanent academic transcript. If the student later requests an institutional letter of reference, the letter may refer to the incident. Dismissal is withdrawal from the college without promise of reinstatement and with loss of matriculated status. Reinstatement after dismissal requires the approval of the Chief Academic Officer or designee, who must interview the student and approve reinstatement. A student who has been academically dismissed loses matriculated status and must apply separately for matriculation to SUNY Polytechnic Institute and his/her major if applicable at the time of reinstatement. The student may not petition for readmission until at least one year has passed after dismissal.

Article VIII. Removal of penalty

In a case where the Academic Integrity Board has a majority vote of no misconduct, the assigned penalty shall be removed by the faculty member, and there shall be no record of the incident placed in the student’s file. The head of the academic unit and Chief Academic Officer may keep an internal record of the incident.

Article IX. Record of Disciplinary Actions

Records pertaining to student violations of the Academic Integrity Policy are maintained for a minimum of five years after the student’s most recent enrollment at the college. When penalties become part of the student’s permanent academic record, the record is maintained indefinitely. These records are subject to University and Institute regulations concerning the confidentiality of student records. Upon written request, the student has the right to inspect his or her records.

Article X: Interpretation and Revision

1. Any questions of interpretation regarding the Academic Integrity Policy shall be referred to the campus Chief Academic Officer or designee for final determination.
2. The Academic Integrity Policy shall be reviewed every five years under the direction of the campus Chief Academic Officer or designee by a committee convened identically as an Academic Integrity Board.
3. Suggested changes found by the review committee shall be brought to the Academic Affairs Committee of the Faculty Assembly for consideration.

1. The additional campus rules must be approved by the Board of Trustees of the State University of New York and filed with the commissioner of education and the Board of Regents within 90 days of adoption by the Board of Trustees.
 - a. The establishment of supplementary rules for the maintenance of public order does not preclude the establishment of student behavior codes by College Councils in accordance with the procedures described in Board of Trustees policy Student Conduct Regulation Guidelines.

2. To the extent that time and circumstances permit, such communication shall precede the exercise of the authority, discretion and responsibilities granted and imposed by the rules in this policy. Each campus in matters such as these shall employ such procedures and means, formal and informal, as will promote such communication.

a. promulgate procedures appropriate to that campus for provision of reasonable advance notice of the date and time of any planned assembly, picketing or demonstrations upon the grounds of the campus; the proposed location of the assembly or exercise; and the intended purpose;

i. the procedures and processes shall be reviewed and revised periodically;

ii. the procedures and processes for advance notice shall not be made a condition precedent to any assembly, picketing or demonstration; and

iii. providing advance notice shall not automatically have permission to use a campus facility or building without also following the appropriate processes for obtaining permission to use campus facilities and buildings.

II. Campus Procedures and Penalties for the Violation of the Rules of Maintenance of Public Order

The Board of Trustees of the State University of New York has adopted campus procedures and penalties for the violation of the rules of maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430, as outlined herein.

A. Procedures and Penalties for Different Categories of Individuals.

1. The president shall inform any licensee or invitee who shall violate any provisions of these rules that his or her license or invitation is withdrawn and shall direct him or her to leave the property of the campus. In the event of a failure or refusal to leave the premises the president shall cause the licensee or invitee's ejection from the campus.

2. In the case of any other violator, who is neither a student nor faculty or other staff member, the president shall inform the violator that they are not authorized to remain on the property of the campus and direct

them to leave the premises. In the event of a failure or refusal to leave the premises the president shall cause the violator's ejection from the campus's property.

Nothing in this subdivision shall be construed to authorize the presence of anyone at any time prior to such violation nor to affect his or her liability to prosecution for trespass or loitering as prescribed in the penal law.

3. In the case of a student, charges for violation of any of these rules shall be presented and shall be heard and determined in the manner hereinafter provided in section II.3.b. and section II.3.c. of this policy.
 - a. The policy Student Conduct Regulation Guidelines authorized by NYS Education Law §356(3)(g) and codified in 8 NYCRR §500 provides for College Councils to promulgate or review and ratify rules for student conduct subject to supervision of the Board of Trustees of the State University of New York. The rules so established in such local conduct codes are valid only if they are adopted by College Councils in the manner consistent with Trustee policy. The decision to charge a student under such rules in the campus's local conduct code or those rules contained in section I.A. of this policy must be made. Once the choice is made, the campus must completely adhere to and follow the procedures, processes and penalties described for the path elected. A campus cannot charge a student under both the campus local code of conduct and the rules and procedures set forth in this policy.
 - b. Notice, Hearing and Determination of Charges against Students
 - i. Whenever a complaint is made to the president of a violation by a student or students of the rules prescribed in section I.A. of this policy or whenever he or she has knowledge that such a violation may have occurred, he or she shall cause an investigation to be made and the statements of the complainants, if any, and of other persons having knowledge of the facts reduced to writing.
 - ii. If the president is satisfied from such investigation and statements that there are reasonable grounds to believe that there has been such a violation, he or she shall prepare or cause to be prepared charges against the student or students alleged to have committed such violation.
 - iii. The charges shall state the specific offense and section designation of the offense's prohibition and shall specify the ultimate facts alleged to constitute the offense. Such charges shall be in writing and shall be served on the student or students named therein by delivering the charges to the student or students personally, if possible, or, if not, by mailing a copy of such charges by registered mail to the student or students at their usual place or places of abode while attending campus and also to their home address or addresses, if different.
 - iv. The notice of charges so served shall fix a date for a hearing of the charges not less than 10 or more than 15 days from the date of service which shall be the date of mailing where necessary to effect service by mail.
 - v. Failure to appear in response to the charges on the date fixed for the hearing, unless there has been a continuance for good cause shown, shall be deemed to be an admission of the facts stated in such charges and shall warrant such action as may then be appropriate. Before taking such action, the hearing committee, referred to section II.3.c. of this policy, shall give notice to any student, who has failed to appear, in the manner prescribed in section II.3.b.iv. of this policy, of its proposed findings and recommendation to be submitted to the president and shall so submit such findings and recommendations 10 days thereafter unless the student has meanwhile shown good cause for his or her failure to appear, in which case the hearing shall be rescheduled.
 - vi. Upon demand at any time before or at the hearing, the student charged or his or her duly designated representative shall be furnished a copy of the statements taken by the president in relation to such charges and the names of other witnesses who will be produced at the hearing in support of the charges. The provision of the witness names and statements shall not preclude the testimony of witnesses who were unknown at the time of such demand.
 - vii. The president may, upon the service of charges, suspend the student named therein, from all or any part of the campus's premises or facilities pending the hearing and determination thereof, whenever, in the president's judgment, the continued presence of such student would constitute a clear danger to himself or herself or to the safety of persons or property on the premises of the campus or would pose an immediate threat of disruptive interference with the normal conduct of the campus's activities and functions; provided, however, that the president shall grant an

immediate hearing on request of any student so suspended with respect to the basis for such suspension.

1. In the case of a faculty member having a continuing or term appointment, charges of misconduct in violation of these rules shall be made, heard and determined in accordance with title D of Part 338 of the Policies of the Board of Trustees [see UUP Bargaining Agreement Article 19.]
 - a. Penalties – If a faculty member having a continuing or term appointment, is found guilty of misconduct through violations of the rules in section I.A. of this policy, he or she may be subject to dismissal or termination of his or her employment or such lesser disciplinary action as the facts may warrant including suspension without pay or censure.
 2. In the case of any staff member who holds a position in the classified civil service, described in NYS Civil Service Law §75, charges of misconduct in violation of these rules shall be made, heard and determined as prescribed in that section.
 3. Any other faculty or staff member who shall violate any provision of these rules be dismissed, suspended without pay, or censured by the appointing authority as prescribed in the Policies of the Board of Trustees.
 4. Organizations which operate upon any campus of the University or upon the property of any University campus used for educational purposes shall be prohibited from authorizing the conduct described in section I.A.16. of this policy.
 - a. The president at each campus shall be responsible for the enforcement of this section.
 - b. Whenever the president has determined on the basis of a complaint or personal knowledge that there is reasonable ground to believe that there has been a violation of section I.A.16. of this policy by any organization, the president shall prepare or cause to be prepared written charges against the organization, which shall state the rule, and section violated and shall specify the ultimate facts alleged to constitute such violation.
 - c. Such written charges shall be served upon the principal officer of the organization by registered or certified mail, return receipt requested, to the organization's current address and shall be accompanied by a notice that the organization may respond in writing to the charges within 10 days of receipt of said notice. The notice of the charge so served shall include a statement that the failure to submit a response within 10 days shall be deemed to be an admission of the facts stated in such charges and shall warrant the imposition of the penalty described in section II.A.7.g. of this policy. The response shall be submitted to the president and shall constitute the formal denial or affirmation of the ultimate facts alleged in the charges. The president may allow an extension of the 10-day response period.
 - d. Upon written request, by an authorized representative of the organization, the president shall provide the representative organization an opportunity for a hearing. A hearing panel designated by the president shall hear or receive any testimony or evidence which is relevant and material to the issues presented by the charge and which will contribute to a full and fair consideration thereof and determination thereon. The organization's representative may confront and examine witnesses against and may produce witnesses and documentary evidence on its behalf.
 - e. The hearing panel shall submit written findings of fact and recommendations for disposition of the charge to the president within 20 days after the close of the hearing.
 - f. Final authority to dismiss the charges or to make a final determination shall be vested in the president.  - g. Any organization, which authorizes the prohibited conduct described in section I.A.16. of this policy, shall be subject to the rescission of permission to operate upon the campus or upon the property of the campus. The penalty provided in this subdivision shall be in addition to any penalty which may be imposed pursuant to the penal law and any other provision of law, or to any penalty to which an individual may be subject pursuant to this policy or the student code of conduct for the campus.
- c. The Hearing Committee and Its Procedures for Charges against Students**
- i. There shall be constituted at each campus a hearing committee to hear charges against students of violation of the rules for the maintenance of public order entailed to in section I.A. of this policy. Such committee shall consist of three members of the administrative staff and three members of the faculty, designated by the president, and three students who shall be designated by the members named by the president. The president shall appoint a chairperson of the committee.

ii. Each such member shall serve until his or her successor or replacement has been designated.

iii. No member of the committee shall serve in any case where he or she is a witness or is or has been directly involved in the events upon which the charges are based. In order to provide for cases where there may be such a disqualification and for cases of absence or disability, the president shall designate an alternate member of the administrative staff and an alternate member of the faculty, and the president's principal designees shall designate an alternate student member, to serve in such cases.

iv. Any five members of the committee may conduct hearings called by the chairperson and make findings and recommendations as hereinafter provided. At any campus where the president determines that the number of hearings which will be required to be held is, or may be, so great that they cannot otherwise be disposed of with reasonable speed, he or she may determine that the hearing committee shall consist of six members of the administrative staff and six members of the faculty to be designated by him or her and of six students who shall be designated by the members designated by him or her. In such event the president shall designate one of such members as chairperson who may divide the membership of the committee into three divisions each to consist of two members of the administrative staff, two faculty members and two students and may assign charges among such divisions for hearing. Any four members of each such division may conduct hearings and make recommendations as hereinafter provided.

v. The hearing committee shall not be bound by the technical rules of evidence but may hear or receive any testimony or evidence which is relevant and material to the issues presented by the charges and which will contribute to a full and fair consideration thereof and determination thereon.

vi. A student against whom the charges are made may appear by and with representatives of his or her choice. The charged student but not his or her representatives or witnesses may confront and examine witnesses against him or her and may produce witnesses and documentary evidence in their own behalf.

vii. There may be present at the hearing: the student charged and his or her representatives and witnesses; other witnesses; representatives of the campus's administration; and, unless the student shall request a closed hearing, such other members of the campus community or other persons, or both, as may be admitted by the hearing committee.

viii. A transcript of the proceedings shall be made.

ix. Within 20 days after the close of a hearing, the hearing committee shall submit a report of its findings of fact and recommendations for disposition of the charges to the president together with a transcript of the proceedings, and shall at the same time transmit a copy of its report to the student concerned or his or her representative. Within 10 days thereafter the president shall make his determination thereon.

x. Final authority to dismiss the charges or to determine the guilt of those against whom they are made and to expel, suspend or otherwise discipline them shall be vested in the president. If the president shall reject the findings of the hearing committee in whole or in part, he or she shall make new findings which must be based on substantial evidence in the record and shall include them in the notice of the final determination which shall be served upon the student or students with respect to whom it is made.

d. Penalties – Students found to be responsible for a violation of the rules of public order shall be subject to expulsion or such lesser disciplinary action as the facts of the case may warrant, including suspension, probation, loss of privileges, reprimand or warning.

III. Mandates for Enforcement of the Rules for Maintenance of Public Order

A. The Board of Trustees of the State University of New York has adopted enforcement policies for the rules and regulations for the maintenance of public order on campuses and other campus properties used for educational purposes pursuant to NYS Education Law §6430 as outlined herein.

Enforcement Program

1. The president shall be responsible for the enforcement of the rules in §I.A. of this policy and he or she may designate to other administrative officers authorization to take action in accordance with such rules when required or appropriate to carry them into effect.
2. It is not intended by any provisions herein to curtail the right of students, faculty or staff to be heard upon any matter affecting them in their relations with the campus. In the case of any apparent violation of the rules in section I.A. of this policy by such persons, which, in the judgment of the president, does not pose any immediate threat of injury to person or property, the president may make reasonable effort to learn

the cause of the conduct in question. They may make a reasonable effort to persuade those engaged therein to desist and resort to permissible methods for the resolution of any issues which may be presented. In doing so, the president shall warn such persons of the consequences of persistence in the prohibited conduct, including their ejection from any premises of the campus where their continued presence and conduct is in violation of these rules.

3. In any case where violation of the rules in section I.A. of this policy does not cease after such warning and in other cases of willful violation of such rules, the president shall cause the ejection of the violator from any premises, which he or she occupies in such violation. The president shall initiate disciplinary action as provided in section II of this policy.
4. The president may apply to the public authorities for any aid, which he or she deems necessary in causing the ejection of any violator of these rules.
5. The president may request the University counsel to apply to any court of appropriate jurisdiction to restrain the violation or threatened violation of such rules.

College Policies and Additional Information

Absentee Policy for Student Athletes

During the season, the athlete may occasionally have to miss classes for scheduled athletic events. In these instances, the student athlete is responsible for notifying the faculty members of their intention to miss class, arrange procedures for reviewing notes from the class, arrange for turning in required work prior to departure or upon return (as agreed upon by the student and faculty member), and for fulfilling any other class requirements. An absence due to a scheduled athletic contest does **not** mean the student is excused from completing the work.

It is required that the student athlete submit the Notice of Class Absence sheet to each professor, the first week of classes. This will give the student athlete the opportunity to discuss their schedule with the professor and make any changes that are necessary.

Academic Research Involving Human Subjects (IRB)

Before any research project involving human subjects can be initiated, a review must be conducted by a committee of faculty members (the Institutional Review Board, IRB) appointed to ensure that safe protocols and confidential procedures are followed. A broad range of experimental and survey research methods fall under the auspices of the IRB. Forms are available on [IRB website](#).

CARE Team

The CARE Team is a SUNY Polytechnic resource team that addresses challenging, disruptive, or harmful behavior and situations by providing helpful interventions that are aimed at community safety and student success. CARE also exists to connect students who need to connect with services on campus, which may include mental health care and/or safety intervention. The CARE Team serves both in-person and online students.

The team prioritizes privacy and discretion and maintains communication only with appropriate offices and individuals. There are often many outward signs that a student is in distress. Reporting unusual or odd behavior that causes you concern may just be one more piece of a larger puzzle that the Care team needs. For an expansive list of challenges and concerns that are appropriate to report to the Care Team, please visit our website at sunypoly.edu/care.

Report a concern about anyone on campus if:

- You observed something about someone that has you worried
- You have seen a member of the community begin to act differently or strangely compared to their usual behavior.
- You learn that someone has a major life challenge and you think they shouldn't be alone in managing it.
- You are uncertain about a concern and you just want someone at SUNY Poly to know about it.

There are a number of ways to report to the CARE Team:

- 1) Contact the CARE Team Chair/Assistant Vice President of Student Affairs at 315-792-7810
- 2) Submit a report at sunypoly.edu/care. Reports can be submitted anonymously by anyone.
- 3) Contact a counselor at the Wellness Center at 315-792-7172 (Note: this method of report will be a confidential contact and will not be forwarded to the CARE Team without your permission).

The CARE Team does NOT handle emergencies or imminent threats. If there is present danger or an immediate crisis please contact University Police IMMEDIATELY at 315-792-7111 or University Police - Albany 518-437-8600.

Cancellation of Classes Due to Inclement Weather or Other Emergency

The cancellation of all classes will also be posted online, at sunypoly.edu, and will be broadcast on radio and television stations in the Utica-Rome, Syracuse, and Albany areas. Individual class cancellations are always available at sunypoly.edu/apps/canceled_classes.

Class Attendance

Although SUNY Poly has no formal attendance policy common to all courses, students are expected to attend class regularly. It is the responsibility of the student to notify the instructor if a class will be missed. Generally, a prolonged absence from class is permitted only for an emergency, such as an illness or a death in the immediate family. Students are responsible for any class assignments missed because of absence, regardless of cause. Faculty members are encouraged to provide specific information about attendance requirements in the course syllabus.

Please note that reasonable modifications of attendance policies may be available, when required and appropriate, to students registered through the Office of Disability Services or the Title IX Office.

Any student, faculty, or other staff found violating this policy shall receive a warning and be prohibited from any and all future credit card marketing on the campus.
3. **Restrictions.** The following restrictions shall be imposed on any individual wishing to advertise, market, or merchandise credit cards, hereinafter referred to as "vendor," on the campus of SUNY Poly:
 - A. The vendor shall register with the office of university conferences and events and receive express written authorization to be on campus property for the purpose of advertising, marketing, or merchandising of credit cards.

 - F. Vendors must show proper ID and authorization to vend upon request by University officials. Failure to do so will result in the vendor being asked to leave and possibly be barred from the campus.

- G. Vendors must be notified that they may not misrepresent credit card policies or ask or suggest that students put wrongful information on credit card applications.
- H. Vendors may be prohibited at campus option from collecting credit card applications.
- I. Credit card policies must be clearly displayed at the site of vending and copies of the credit card policies must be handed out to all individuals who accept (or complete) an application (these policies must include, but are not limited to, interest rates, teaser rates, and annual fees).
- J. Vendors must clearly post at the site of vending and distribute handouts on the dangers and consequences of consumer debt to all individuals who have taken (or completed) an application. This posting shall occur only on the day the marketer is on the campus and is limited to the immediate vicinity where the marketer has permission to operate.
- K. The vendor shall provide to each student applying for a credit card, a pamphlet with information about good credit management practices, including how to access any information or services provided by the New York State Consumer Protection Board.

Confidentiality of Student Records

Student Rights Under Federal Law

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records.
2. The right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by SUNY Polytechnic Institute ("SUNY Poly") to comply with the requirements of FERPA.
5. The right to obtain a copy of SUNY Poly's student records policy. The student records policy is published each year in the student handbook.

The records custodian or an appropriate SUNY Poly staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 45 days or less from the date of receipt of the request.

When a record contains information about more than one student, the student may inspect and review only the records which relate to him or her.

Disclosure of Education Records

SUNY Poly will disclose information from a student's education records only with the written consent of the student, except that records may be disclosed without consent when the disclosure is:

1. To school officials who have a legitimate educational interest in the records.

A school official is:

- A person employed by SUNY Poly in an administrative, supervisory, academic or research, or support staff position, including health, medical staff, or student resident advisor;
- A person who is a member of the SUNY Board of Trustees or SUNY Poly's College Council;

- A person who is employed by SUNY Poly's University Police department;
- A person who is employed by SUNY System Administration staff;
- A student serving on an official committee, such as a disciplinary or grievance committee, or who is assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official is:

- Performing a task that is specified in his or her position description or contract agreement;
- Performing a task related to a student's education;
- Performing a task related to the discipline of a student;
- Providing a service or benefit relating to the student, such as health care, counseling, job placement, or financial aid;
- Maintaining the safety and security of the campus.

2. To officials of another school, upon request, in which a student seeks or intends to enroll.
3. To certain officials of the U.S. Department of Education, the Comptroller General, and New York state and local educational authorities, in connection with audit or evaluation of certain state or federally supported education programs.

Record of Requests for Disclosure

SUNY Poly will maintain a record of all requests for and/or disclosures of information from a student's education records. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record may be reviewed by the eligible student.

Directory Information

A student may prevent the release of directory information by contacting the Registrar's Office at registrar@sunypoly.edu. Students who choose to restrict access to their Directory Information should be aware that doing so may result in some unintended negative consequences. For example, organizations such as potential employers, scholarship agencies, members of the press, loan agencies, educational organizations and others will not be given access to the student's directory information, and will not be able to contact the student. Opting out of directory information classification may mean that you will miss valuable employment, educational, cultural and other opportunities. SUNY Poly does not release student directory information for commercial use.

SUNY Poly designates the following items as directory information: student name, parents' name(s), address, telephone number, date and place of birth, major field of study, full- or part-time status, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended, email address, and photograph. SUNY Poly may disclose any of those items without prior written consent, unless the public affairs office is notified in writing to the contrary before the first Friday of each semester.

Correction of Education Records

Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

1. A student must ask the registrar to amend a record. In so doing, the student should identify the part of the record to be amended and specify why the student believes it is inaccurate, misleading, or in violation of his or her privacy rights.
2. Upon request, SUNY Poly will arrange for a hearing, and notify the student, reasonably in advance, of the date, place, and time of the hearing.
3. The hearing will be conducted by the Vice President for Student Affairs (or designee). The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be advised by one or more individuals, including an attorney. Advisors are limited to speaking only to the student during the hearing.
4. SUNY Poly will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.
5. SUNY Poly may comply with the request or it may decide not to comply:
 - a. If SUNY Poly decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.
 - b. If SUNY Poly decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the student of the decision and that he or she has a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

- c. The statement will be maintained as a part of the student's education records as long as the contested portion is maintained. If SUNY Poly discloses the contested portion of the record, it will also disclose the statement.

Medical Review Policy

A medical review proceeding can be initiated for a student by directing information to the Vice President of Student Affairs or designee for an initial judgment of whether the process should be invoked. If information indicates that a student's continued presence on campus constitutes a serious threat to the health or safety of individuals of the campus community or a serious disruption of the normal conduct of SUNY Poly functions, the Vice President of Student Affairs or designee will give written notice to the student requiring that the student cooperate in an appropriate medical or psychological evaluation as determined by the Vice President of Student Affairs or designee. This notification will advise that the student has the right to present medical documentation secured independently and to be accompanied by a support person (friend, relative, faculty member, medical/mental health staff person). Failure to appear for a medical evaluation may result in an involuntary medical dismissal without further process. Official notification of the involuntary medical dismissal will be sent from the President of SUNY Poly. Interim suspension may be invoked by the Provost or designee while proceedings for medical review are in progress.

Following the medical evaluation, the Vice President of Student Affairs or designee will receive a report and recommendations from the appropriate staff persons. Some examples of possible outcomes include referrals to medical or mental health agencies, changes in the campus residence, and involuntary medical dismissal. Should involuntary medical dismissal be recommended, and should the provost or designee concur, the recommendation will be forwarded to the President for notice to the student, to be sent within forty-eight (48) hours of the medical evaluation. Involuntary medical dismissal is normally for at least one (1) semester. Following that period, a student may apply to the Provost or designee for readmission, presenting, in writing, evidence of treatment for the condition originally identified. If the evidence is appropriate, the Provost or designee will arrange for a new evaluation and, depending on the outcome of that evaluation, may recommend to the President continuation of involuntary medical dismissal or readmission.

Notification of Student Fatality or Serious Injury

Members of the SUNY Poly community are encouraged to notify the Vice President for Student Affairs Office if word is received about a student death or serious injury. SUNY Poly has established a protocol to offer assistance to the student or his/her family.

Policy on Drugs and Alcohol

SUNY Poly prohibits the unlawful manufacture, distribution, possession and/or use of controlled substances or alcoholic beverages on its premises, in its buildings, or at SUNY Poly-sponsored events on or off campus. SUNY Poly must also make a good faith effort to maintain a drug-free workplace, offer drug awareness education, assist students and employees seeking treatment or rehabilitation, notify employees and students of its policy, and implement and enforce the policy. Compliance with the provisions of SUNY Poly's drug and alcohol policies is a condition of attendance at SUNY Poly. Violators of these policies are subject to discipline, up to and including expulsion from SUNY Poly and referral to appropriate law enforcement agency and/or discipline, under the judicial procedures specified in the Rules and Regulations for the Maintenance of Public Order and the Student Code of Personal Conduct, and/or corrective action(s) as SUNY Poly deems appropriate, including satisfactory completion of an approved drug or alcohol rehabilitation program.

Student Academic Grievance Procedures

This document describes the process by which grievances or expressions of concern by students – against members of the faculty or administration – are to be considered and resolved. Department chairs/program coordinators shall serve as a resource for questions or concerns about the process.

A student who believes that he/she has been subject to inappropriate, capricious, or arbitrary treatment by a member of the faculty or administration, shall follow these steps:

- 1) First, schedule a meeting with the faculty member or administration member to discuss concerns. Every attempt should be made to resolve the potential grievance at this level.
- 2) If the student believes that the issue has not been resolved, the student should then schedule an appointment with the department chair/coordinator or administrative supervisor who will attempt to facilitate an informal resolution.
- 3) If this fails, the student may submit a letter of appeal to the dean (or administrative supervisor), which must be sent no later than two weeks after the completion of step 2 and within four weeks of the time the dispute originated.

Upon receipt of a letter of appeal, the dean (or administrative supervisor) shall consult with both the student and the faculty or administration member and formulate a written letter of appeal recommendation. The recommendation shall be completed and issued to the student and faculty or administration member within four weeks of receipt of the letter of appeal.

If the student feels that further deliberation is necessary, he/she may submit a letter of appeal to the Provost. The Provost shall review the recommendations of the department (or administrative supervisor) to ensure diligence of consideration and deliberation. Within four weeks, the Provost will either affirm the recommendations of the department (or administrative supervisor), or the Provost may choose to make other recommendations. The Provost shall communicate the results of his/her review to the appropriate parties. In matters of grade dispute, recommendations of a department chair or program coordinator (or administrative supervisor) and the Provost are advisory only and are not binding on an instructor.

SUNY Poly's Communication with Parents/Guardians

SUNY Poly is guided by the principle that students' involvement in their own education enhances their learning and development. In keeping with this principle SUNY Poly considers its primary relationship to be with its students. This position is consistent with the provisions of the Federal Family Educational Rights and Privacy Act (FERPA), which guarantees the privacy of educational records. All rights accorded under this law transfer to the student, regardless of age at the time of enrollment at a post-secondary educational institution. When SUNY Poly determines that circumstances merit contacting a parent or guardian or feel that a situation cannot be rectified without contacting a parent or guardian, SUNY Poly may do so subject to law and policy.

An Equal Employment and Educational Opportunity Institution

The SUNY Polytechnic Institute is committed to the principles of equal employment opportunity and affirmative action. SUNY Poly proactively reviews its policies and practices to assure that decisions with respect to every dimension of employment are made without regard to age, color of skin, disability, gender expression and identity, genetic predisposition, marital status, national origin, race, ethnicity, religion, sex,

sexual orientation, veteran's status, status as a victim of domestic violence, and all other protected groups and classes under federal and state laws and executive orders. We recognize, too, that achieving equal treatment may require proactive measures to offset obstacles and barriers faced by the groups for whom we seek inclusion. We seek to establish the diversity that will provide all of our students with a learning environment to develop leaders and lifelong learners. Our efforts to attract a diverse student body will be enhanced by attracting diverse staff and administrators. This includes, but is not limited to, admissions, employment, financial aid, and educational services. The policies of the Board of Trustees of the State University of New York also require that personal preferences of individuals which are unrelated to job or academic performance shall provide no basis for judgment of such individuals.

Introduction: Student Code of Conduct

The State University of New York Polytechnic Institute (“SUNY Poly” or the “College”) is dedicated to the advancement of knowledge and learning and to the development of ethically responsible individuals. As such, students and student organizations are expected to uphold appropriate standards of behavior as outlined in the Student Code of Conduct (the “Code” or “Student Code”) and to respect the rights and privileges of others. The Student Code applies to students and student organizations. All students and student organizations are expected to conduct themselves in accordance with all federal, state and local laws, and Board of Trustees of the State University of New York (“SUNY”) rules, regulations, and policies.

The College President delegates administration of the Student Code of Conduct to the Vice President of Student Affairs, the Director of Community Standards, and their designees. SUNY Poly students are bound by this Student Code of Conduct, as well as other College policies.

This document provides SUNY Poly’s process for investigating allegations of student misconduct and the actions SUNY Poly will take in response to potential violations of the Code. For all conduct determinations, the standard of proof shall be made on the basis of whether there is a preponderance of the evidence that the respondent violated the Student Code of Conduct.

All students at SUNY Poly are provided access to the Student Code of Conduct. This document appears in its entirety in the College publication entitled Student Handbook and is also accessible on the web at <https://sunypoly.edu/student-life/community-standards.html>. Copies of the Student Code are also available at each residence hall, the Office of Community Standards, the Office of the Vice President for Student Affairs, University Police and the Title IX office.

Section One: Definitions

Unless the context otherwise clearly indicates, words used throughout the Student Code of Conduct in the singular include the plural, the plural includes the singular.

1. **“Accused”** is a person accused of a violating the Student Code of Conduct who has not yet entered SUNY Poly’s conduct process.

The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity, or gender expression.
 - Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
 - Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.
 - Consent may be initially given but withdrawn at any time. When consent is withdrawn or can no longer be given, sexual activity must stop.

Section Two: Student Conduct System Authority and Jurisdiction

Applicability Policy and Jurisdiction

The Student Code of Conduct is applicable to all SUNY Poly students regardless of the number of credits for which the person has enrolled. Students are responsible for their conduct upon their acceptance of admittance to SUNY Poly and this responsibility continues through the award of a degree.

The student conduct process may be initiated regardless of a student's current enrollment status. This includes conduct that occurs before classes begin or after classes end as well as during the academic year and during periods between terms of actual enrollment.

The Student Code of Conduct applies even if the student withdraws while a conduct matter is pending. The College can proceed with the conduct process following the withdrawal. Should suspension or expulsion take place as a result of the conduct process, these sanctions supersede a student's voluntary withdrawal from SUNY Poly. If a student who has completed degree requirements is charged with a violation prior to graduation or the conferral of the degree, the student will be ineligible to graduate until student conduct action is completed and eligibility to graduate is confirmed. If conduct action results in suspension, the student will be ineligible to graduate until the term of the suspension has been served. SUNY Poly may withhold issuing a degree, diploma or transcript pending compliance with SUNY Poly rules, regulations, or policies or pending completion of the process set forth in this Code of Conduct, including the completion of all imposed sanctions.

The Student Code of Conduct applies to conduct which occurs on SUNY Poly sites, international and exchange programs, and at SUNY Poly sponsored or supervised functions. When a nexus between the behavior and SUNY Poly exists and the College is aware of the behavior, a student or student organization may be subject to action under the Student Code of Conduct.

In cases in which the prohibited behavior occurs off campus, the conduct officer will consult the Vice President of Student Affairs, to determine if conduct action is warranted under the circumstances. SUNY Poly will consider certain factors in its decision to take action for alleged violations of the Student Code of Conduct that occur off campus when there is sufficient information available to conduct a hearing. The factors include but are not limited to:

- The incident involves endangering behavior (which includes but is not limited to physical assault, sexual misconduct, intimate partner violence, stalking, hazing, arson, distribution of illegal drugs or other serious offenses that constitute threat or harm to the personal safety of others); and/or
- The incident involves an alleged Category II violation (as defined herein); and/or
- There has been significant loss of or damage to property; and/or
- Alcoholic beverages are sold or made available to underage persons.

Violations & Law

SUNY Poly's student conduct process may be initiated against a student charged with violation of a law. Generally, proceedings under this Student Code of Conduct will be pursued without regard to pending civil litigation or criminal prosecution.

When a student is charged by federal, state, or local authorities with a violation of law, SUNY Poly will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also the subject of a proceeding before a hearing body under the Student Code of Conduct, SUNY Poly may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters will be handled internally within the SUNY Poly community. SUNY Poly will cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and SUNY Poly community members, acting in their personal capacities, remain free to interact with governmental representatives, as they deem appropriate.

At SUNY Poly the health and safety of the members of the SUNY Poly community is of primary importance and all students are strongly encouraged to be active bystanders who respond in potentially dangerous situations without fear of reprisal from the College. Therefore, a student or student organization seeking medical treatment or emergency help for themselves or for any other person who is in immediate medical need, will not be subject to student conduct action related to the violation of using or possessing alcohol or other prohibited controlled substances. This policy applies to emergencies both on and off campus. In compliance with the Final Rule, which went into effect on August 14, 2020, Category II violations (#16 and #17 below) may be subject to the procedures set forth in SUNY Poly's Title IX Grievance Policy, instead of the procedures set forth within SUNY Poly's Student Code of Conduct. For more information as to when the Title IX Grievance Policy is applicable, please reference SUNY Poly's Title IX Grievance Policy available here: <https://sunypoly.edu/titleix/policies-procedures>. Temporary Directives

SUNY Poly utilizes three types of temporary directives; temporary suspension, temporary removal from residence halls, and temporary removal from campus building, SUNY Poly program/event or service.

The Director of Community Standards may implement a temporary directive immediately if they reasonably believe that:

1. The student's continued presence would constitute a danger to the health and/or safety to a member(s) of the SUNY Poly community; or
2. The student's continued presence would constitute a danger to the preservation of SUNY Poly property or premises; or
3. The behavior of the student significantly detracts from the educational environment and/or poses a disruption of normal SUNY Poly operations.

The terms of the temporary suspension and/or removal shall be specified in the temporary directive notice letter issued. A student who has been issued a temporary directive shall be entitled to a prompt review of the need for and/or terms of the temporary directive. The accused/respondent seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs.

The decision of the Vice President for Student Affairs shall be made within two (2) business days of the receipt of the written request and shall be final. The accused/respondent shall be notified of the decision regarding the temporary directive in writing.

Absent a reversal or amendment on appeal, the temporary directive shall remain in place pending the resolution of the administrative hearing or Board Hearing as outlined in Section 5: Student Conduct Procedures.

Temporary Suspension

During the temporary suspension, the student shall be restricted from all SUNY Poly premises, including classes, access to residence halls and other campus facilities. Temporary suspension also includes restriction from attendance at all College sponsored or supervised functions and the temporary loss of privileges for which the student might otherwise be eligible.

Temporary Removal from Residence Halls

During the temporary removal from the residence halls, the student may be removed from campus housing and restricted from buildings and grounds of the residential complexes.

Temporary Removal from Campus Building(s)/Service(s)/Program(s)

Other restrictions may be imposed such as denial of access to a specified campus building, service, program and/or SUNY Poly sponsored or supervised functions. A student may also be restricted from hosting guests on campus for a specified period of time as deemed to be appropriate by the Director of Community Standards.

Administrative Directives

If there is a concern for the well-being of a member of SUNY Poly community, or to prevent disruption to SUNY Poly operations, an appropriate College official may issue an administrative directive. SUNY Poly utilizes three types of administrative directives: cease and desist order, no contact order, and persona non grata status.

The terms of the administrative directive shall be specified in the administrative directive notice letter issued. A student who has been issued an administrative directive, or has requested and been denied an administrative directive, shall be entitled to a prompt review of the need for and/or terms of the administrative directive. Any party seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs. The decision of the Vice President for Student Affairs shall be made within two (2) business days of the receipt of the written request and shall be final. The party who submitted the request shall be notified of the decision regarding the administrative directive in writing.

Cease and Desist Order

A Cease and Desist Order is a written directive issued between two parties which prohibits contact, either directly or through a third party. A Cease and Desist Order is considered mutual in that it applies to both the parties and does not restrict the movement of either party on campus.

A College official under the direction of the Vice President for Student Affairs may issue a Cease and Desist Order between any two parties even if there is no investigation in progress and/or no conduct charges pending. A Cease and Desist Order can also be issued in cases in which conduct proceedings have concluded and did not result in a finding of responsibility.

A Cease and Desist Order shall remain in place until it is amended or withdrawn. Any intentional violation of a Cease and Desist Order may be considered a separate violation of the Student Code of Conduct.

No Contact Order

A No Contact Order is a written directive prohibiting contact through any means with a protected person, either directly or through a third party. If the accused/respondent and the protected person observe each other in a public place, it is the responsibility of the accused/respondent to leave the area immediately and without directly contacting the protected person.

In Category II Level II cases (as described in Section Six: Student Conduct Procedures Part B) that are advancing through the conduct process, SUNY Poly shall automatically issue a No Contact Order. If SUNY Poly finds it appropriate, it may make a schedule for the reporting individual and the accused/respondent to use the same College facilities and services, while maintaining the terms of the No Contact Order.

A No Contact Order issued as an administrative directive is considered temporary pending the resolution of the administrative hearing or Board Hearing as outlined in Section Six: Student Conduct Procedures.

In cases in which a respondent is found not responsible following an administrative hearing or Board Hearing, the No Contact Order shall be withdrawn. The student conduct officer or designee may, at their discretion, issue a Cease and Desist Order between the two parties.

Any intentional violation of a No Contact Order may be considered a separate violation of the Student Code of Conduct.

Persona Non Grata

A persona non grata letter is an order which prohibits a person's presence from SUNY Poly premises and College sponsored or supervised functions. When the accused is not a member of the College community and presents a threat to the health and safety of a member of the College community, University Police or other College officials may provide assistance to the reporting individual in obtaining a persona non grata letter, subject to legal requirements and College policy.

Section Five: Student Conduct Process Rights

Each accused/respondent or reporting individual shall have the following rights:

- The right to a prompt response to any complaint. SUNY Poly strives to complete the investigation and conduct process (excluding the appeals process) within sixty (60) calendar days from the date of the complaint, absent extenuating circumstances. Timelines may vary based on the complexity of the case, number of witnesses, and nature of the academic calendar.
- The right to an investigation and conduct process conducted in a manner that recognizes the legal and policy requirements of due process, including fairness, impartiality, and a meaningful opportunity to be heard and is not conducted by individuals with a conflict of interest.
- The same opportunity to be accompanied by an advisor of their choice who may assist and advise the accused/respondent and reporting individual throughout the conduct process and any related hearings or meetings. Participation of the advisor in any proceeding is governed by state and federal law and the Student Code of Conduct.
- The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing the accused/respondent and reporting individual are required to or are eligible to attend. The accused/respondent will also be provided the factual allegations concerning a violation, a reference to the specific Code provisions alleged to have been violated, and possible sanctions.
- The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay.
- The right to offer evidence during an investigation and to review available relevant evidence in the case file (or otherwise held by SUNY Poly).
- The right to present evidence and testimony at a hearing, when appropriate.
- The right to decline to testify against oneself. Silence will not be considered an admission of responsibility by the hearing body.
- The right to a range of options for providing testimony via alternative arrangements,

- including telephone/videoconferencing or testifying with a room partition.
- The right to ask questions of the decision-maker and via the decision-maker indirectly request responses from either the reporting individual or respondent and any other witnesses present.
- The right to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest.
- The right to have access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least seven (7) years. To access the file, please contact:
 - Director of Community Standards, 315-792-7535
Residential Life Suite #229, Campus Center, Utica Site
- The right to choose whether to disclose or discuss the outcome of the conduct process.
- The right to have all non-public evidence obtained during the course of the conduct process protected from public release until final determination, including any appeal determination, if applicable, unless otherwise required by law.

The accused/respondent and reporting individual to Category II Sexual and/or Gender Based Discrimination and Misconduct cases are afforded the following additional rights throughout the student conduct process:

- The right to have their complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations and reviewing cases of sexual misconduct, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues including but not limited to sexual misconduct, domestic violence, dating violence, and stalking.
- The right to exclude prior sexual history with persons other than the other party in the student conduct process or their own mental health diagnosis and treatment from admittance in the conduct stage that determines responsibility. Past findings of sexual misconduct, dating or domestic violence, or stalking may be admissible in the student conduct stage that determines sanction.
- The right to simultaneous (among the respondent and the reporting individual) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanction(s), and the rationale for the decision and any sanctions.
- The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.

Section Six: Student Conduct Procedures

Introduction

SUNY Poly’s student conduct procedures have been developed with an emphasis on student involvement and fundamental fairness. The hearing bodies are not courts of law; hence, the formal court rules of evidence and procedures used in the courts do not apply. For a better understanding of the differences between the student conduct process and criminal process, see <http://system.suny.edu/sexual-violence-prevention-workgroup/College-and-Criminal-Resource/>

In order to comply with FERPA and provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the hearing process for individual students and student organizations are not open to the general public.

Any notices or notifications outlined in the Student Code of Conduct will be sent to the student's SUNY Polytechnic assigned email account, unless extenuating circumstances dictate otherwise as determined by the College. Each student is responsible for monitoring their SUNY Poly email account on a regular basis. The conduct officer or Title IX Coordinator, at their discretion, may utilize additional delivery. Charges against student organizations will be delivered to the president of the student organization.

The student conduct process is divided into two distinct parts: Category I and Category II. Category I procedures provide guidance related to general student conduct cases. Category II provides guidance for Sexual and/or Gender Based Discrimination and Misconduct cases that do not fall within the scope of SUNY Poly's Title IX Grievance Policy (<https://sunypoly.edu/titleix/policies-procedures>). Category II policies and procedures comply with Violence Against Women Act (VAWA) reauthorization, the Clery Act, Office for Civil Rights guidance, and New York State law, including New York Education Law, Article 129-B.

PART A: CATEGORY I - GENERAL STUDENT CONDUCT PROCEDURES

Complaint

Any member of the SUNY Poly community may make a complaint or provide information concerning a potential violation(s) of the Student Code of Conduct. Allegations of prohibited behavior may be submitted to any of the following offices:

Office of Community Standards - Campus Center, Res. Life Suite #229 (Utica), 315-792-7535;

Residential Life & Housing - Campus Center, Res. Life Suite #229 (Utica), 315-792-7810,

Student Services - Nano Fab South, 3rd Floor, Suite #309 (Albany), 518-956-7337;

University Police - Kunsela Hall B126, 315-792-7222 (Utica); Nano Fab East, Suite #1701 (Albany), 518-437-8600.

Advisor

The reporting individual and respondent are permitted to have one advisor of their choice present with them at any investigation meeting, conduct meeting, and/or at a hearing. An advisor may privately consult with and advise their advisee throughout the investigation and conduct process, but may not speak on behalf of the student, question witnesses, disrupt the proceeding, present information to the hearing body, or otherwise directly participate in any investigation or conduct process. An advisor may be any person the reporting individual or respondent chooses. During all investigation and conduct meetings and hearings, the reporting individual and respondent may request a brief recess to consult with their respective advisor, which may be granted at the discretion of the conduct officer or chairperson of the Hearing Board, unless the recess would be unreasonably disruptive.

Investigation and Notice of Charge

A conduct officer shall investigate the report to determine whether further action is necessary and may bring charges against the accused/respondent if sufficient information exists. All investigations will occur within a reasonable timeframe and every effort will be made to keep investigations private to the greatest extent possible. If the conduct officer determines that there is sufficient information that warrants further action, the conduct officer shall initiate either an administrative hearing or Board Hearing.

A student or student organization charged with an alleged violation of the Code will be provided written notice of the charge(s) and will be required to meet with a conduct officer. Unless circumstances prohibit, the respondent shall be provided notice of the charges within ten (10) business days of the Office of Community Standards receiving documentation. For cases referred to University Police or the Title IX Office, the ten (10) business days begin upon the Office of Community Standards' receipt of the official report from those offices. Written notice of charges includes information about the circumstances surrounding the potential violation including, where available, the date, time, location and factual allegations, as well as a student's rights under SUNY Poly's conduct process. In the notice, the case will be assigned either Level I or Level II status depending on the nature of the violations.

Both the reporting individual and respondent will receive the name of the conduct officer assigned to the case in their notice of charge letter. Within 24 hours of this notice, the reporting individual or respondent may request in writing that the conduct officer be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The

Vice President of Student Affairs will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

Case Level Status

A conduct case in which potential sanctions do not include suspension, expulsion or removal from College housing will be designated as a **Level I case**. Level I cases are resolved through an administrative hearing.

A conduct case in which potential sanctions include but are not limited to suspension, expulsion or removal from College housing will be designated as a **Level II case**. Level II cases are resolved through a Board Hearing.

Student Conduct Hearings

A hearing provides both the reporting individual and respondent the opportunity to present information for review by either a conduct officer or the Board. There are two types of hearings: administrative hearings and Board Hearings.

All hearings will be recorded by the Office of Community Standards. Deliberations held during a Board Hearing shall not be recorded. The reporting individual or respondent to a conduct case may request in writing to review the hearing record. Cameras or other reproduction equipment, other than SUNY Poly's recording device, are not permitted in a student conduct hearing, unless as a result of a preapproved reasonable accommodation.

Administrative Hearing

An administrative hearing is a hearing in which a conduct officer meets with the respondent to review the relevant information, charges, and the student conduct process. During the administrative hearing, the conduct officer will determine whether the respondent violated the Code and will assign sanctions if appropriate.

The respondent is required to schedule an administrative hearing with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the administrative hearing, the respondent must notify the conduct officer no less than 24 hours prior to the scheduled hearing and request to reschedule. In the event a respondent does not schedule, reschedule, or fails to attend an administrative hearing, an additional conduct charge of "failure to comply" (Student Code of Conduct Prohibited Behavior #18) may be added.

Should the respondent fail to schedule or attend an Administrative hearing, the conduct officer will give the respondent two (2) additional business days, with written notice, before proceeding. An additional charge of failing to comply may be added to the charge(s). The Administrative hearing will then be held in the student's absence. The student will be assumed to have entered a claim of Not Responsible to each allegation and forfeits their ability to present evidence on their behalf. Findings and sanctions, if applicable, will be based on the information and not upon the accused student's failure to appear. A student may submit a written request with supporting documentation to the conduct officer showing good cause for failing to appear. The conduct officer will review and make a determination as to whether a new hearing will be granted, otherwise, the decision of the hearing shall stand.

Except in the case of a student charged with failing to obey the summons of a hearing body or College official, no respondent may be found to have violated the Student Code of Conduct solely because the student failed to appear before the hearing body.

At the hearing, the conduct officer will ask the respondent if they are responsible or not responsible for the alleged charge(s). If the respondent accepts responsibility, the conduct officer will assign sanctions.

If the respondent does not accept responsibility, the conduct officer will review the case and based on preponderance of the evidence will make a decision, including assignment of sanction(s), when necessary.

The conduct officer will send a letter documenting the outcome and any sanctions imposed within five (5) business days of the administrative hearing, except when additional time is necessary for extenuating circumstances as determined by the Vice President for Student Affairs. The respondent and reporting individual, if any, may appeal the outcome and/or sanctions as outlined in Section Eight: Appeals.

SUNY Poly may place a hold on the records or registration of any accused or respondent who fails to respond to a SUNY Poly investigation or conduct notice or fulfill any sanctions previously issued. SUNY Poly may take other action necessary for resolution of a case prior to the accused's or respondent's enrollment in a subsequent semester, transfer or graduation. All pending conduct matters must be resolved prior to a student's graduation, transfer from or continued education at SUNY Poly.

Board Hearing

The Board Hearing will be conducted by a panel ("the Board") comprised of students, faculty and/or staff which reviews student conduct cases. The Board is appointed by the Vice President of Student Affairs on an annual basis. A quorum of five (5) Board members to include at least two (2) students and two (2) staff and/or faculty members shall be required for a Board Hearing. One member of the Board will be designated as chair by the Director of Community Standards.

Level II cases are resolved through a Board Hearing, except in cases where the respondent accepts responsibility for the alleged violation(s). When a respondent accepts responsibility for a Category I Level II violation, an administrative hearing will be used instead of the Board Hearing.

Prior to the Board Hearing, the respondent is instructed to schedule a pre-hearing meeting with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the pre-hearing meeting, the respondent must notify the conduct officer no less than forty-eight (48) hours prior to the scheduled meeting and request to reschedule the meeting. In the event a respondent does not schedule, reschedule, or fails to attend the pre-hearing meeting, the conduct officer will move forward with scheduling the Board Hearing.

Under the Board Hearing process, if there is a reporting individual, that individual will also be instructed to schedule in a pre-hearing meeting.

At the pre-hearing meeting, the following information related to the Board Hearing is reviewed:

- **List of Hearing Board members:** The reporting individual and the respondent will be provided with the names of the Hearing Board members and an opportunity to challenge the

participation of any board member on the basis of bias or a conflict of interest. A challenge of a Board member must be made in writing to the conduct officer within 24 hours of receipt of the Notice of Hearing and must state the specific reason(s) for the challenge. The conduct officer will determine whether the challenge has merit and notify the reporting individual and the respondent of the decision within two (2) business days. The College reserves the right to change the board composition at any time, with notice and an opportunity to challenge a Hearing Board member's participation.

- **Case specific information:** The conduct officer will provide the reporting individual and respondent with a final opportunity to review the Board Hearing case file, which includes relevant evidence and a list of witnesses if applicable, which will be presented during the Board Hearing, if any. The reporting individual and the respondent shall be permitted to submit additional information, if deemed relevant by the conduct officer, for the Hearing Board case file no later than the three (3) days prior to the hearing. The other party shall be provided the opportunity to review the information prior to the hearing. Other relevant documents, or evidence the reporting individual and/or the respondent submits less than three (3) business days prior to the hearing will be reviewed by the conduct officer who can a) exclude evidence that has not been shared with the other party or b) adjourn the hearing to afford all parties the opportunity to review evidence to be presented c) and/or to conduct further investigation. The conduct officer will make the final decision related to the admissibility of all information and/or evidence.
- **Witnesses:** The reporting individual and the respondent may request that witnesses attend the Board Hearing if it can be shown that such witnesses have relevant information. The Director of Community Standards will be responsible for the notification of witnesses to attend the Board Hearing. The reporting individual and respondent will be permitted to ask questions of the witnesses through the Hearing Board, via the chairperson. All witnesses are subject to the right of questioning by the Hearing Board, and may be recalled at any time during the hearing for additional questions. While character witnesses are prohibited from participating in an administrative or board hearing, written statements prepared by character witnesses will be considered during the sanctioning phase of a hearing. Character witnesses' written statements must be submitted no later than three days prior to the hearing and shall not exceed one page each.
- **Accommodations:** The conduct officer or Hearing Board, for good cause, may accommodate concerns for the personal safety, well-being, and/or fear of confrontation of any party during the Board Hearing by providing separate facilities, using a visual screen, and/or permitting participation by telephone, videotape, or other means as determined by the conduct officer. These alternative arrangements are subject to the rights of both the reporting individual and respondent, and must enable the Hearing Board, respondent, and reporting individual to communicate in real time.
- **Role of the Complainant:** The complainant acting on behalf of the College presents evidence and witnesses pertaining to the case.
- **Procedure for Multiple Students Accused:** In cases involving more than one respondent, the Director of Community Standards will generally conduct the Board Hearings jointly. A respondent may submit a written request for an individual hearing to the Director of Community Standards. If a separate hearing is granted, information obtained in one respondent's hearing may be used at another respondent's hearing provided that each respondent has the opportunity to review and respond to the information.

The conduct officer shall schedule a Board Hearing within ten (10) business days of the pre-hearing meeting unless special periods (e.g., holidays, breaks) dictate otherwise. The reporting individual

and respondent shall be notified of the time and place of the Board Hearing at least four (4) business days prior to the hearing.

During the hearing the respondent, complainant, and reporting individual, if any, will be given the opportunity to make opening and closing statements, present witnesses, and ask relevant questions. Following the closing statements, the Board will begin their deliberations.

All deliberations are closed and shall include only the Hearing Board members. The chairperson of the Board will serve as a facilitator during the deliberation. A review of information will be conducted by the Hearing Board to determine the respondent's non-responsibility/responsibility as to each of the charges. The decision shall be made by a majority vote (abstentions are not permitted) of the Hearing Board. A decision of responsibility shall be made only if the allegations contained in each charge have been established by a preponderance of the evidence.

If the Board has found the respondent responsible for one or more violations, the chairperson will then summon the conduct officer. The conduct officer will provide the Board with a student's conduct record, if any, for consideration by the Board for the purposes of issuing sanctions. The conduct officer will be dismissed by the chairperson prior to the start of the deliberations. The Board shall agree by majority vote (no abstentions) on appropriate sanction(s) as outlined in the Sanctioning Guidelines document. The chairperson will communicate the Board's decision regarding the respondent's responsibility and a recommendation of appropriate sanction(s) to the Director of Community Standards. The Director of Community Standards is required to accept the Hearing Board's decision with respect to responsibility/non-responsibility, unless the decision is arbitrary and capricious. Where the respondent is found responsible for one or more charges, the Director of Community Standards is not required to accept the Hearing Board's recommendation of appropriate sanctions. Specifically, the Director of Community Standards may reduce the sanctions recommended by the Hearing Board, but may not increase the sanctions.

Within five (5) business days following the adjournment of the hearing, the Hearing Board's decision will be communicated in writing to the respondent by the Director of Community Standards. Written notification will contain the name of the respondent; whether the respondent has been found responsible or not responsible for the charge(s), the rationale for the decision, and the sanction imposed, if any. If the violation is a crime of violence under the Clery Act (20 U.S.C. § 1092 (f)(1)(F)(i)(I)-(VIII) Part 1) or is a Category II violation, the reporting individual will also receive written notification of this information. College policy neither encourages nor discourages further disclosure of the decision letter by either student. The notification shall also inform both the reporting individual and the respondent of the appeal process, which includes any possible changes to the outcome that may occur before it becomes final, and when the outcome becomes final.

PART B: CATEGORY II: SEXUAL AND/OR GENDER BASED DISCRIMINATION AND MISCONDUCT PROCEDURES

This section sets forth the manner in which allegations of sexual misconduct, intimate partner violence, and stalking, that do not fall within the scope of SUNY Poly's Title IX Grievance Policy (<https://sunypoly.edu/titleix/policies-procedures>), will be addressed by the Office of Community Standards in consultation with the Title IX Coordinator.

Students' Bill of Rights

The Students' Bill of Rights, incorporated herein by reference, is distributed annually to students, is made available on SUNY Poly's Title IX website (www.sunypoly.edu/titleix), and is posted

throughout campus, including in each campus residence hall and dining hall.

Policy for Alcohol and/or Drug Use Amnesty

The health and safety of every student at SUNY Polytechnic Institute is of the utmost importance. SUNY Poly recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual misconduct occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Poly strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual misconduct to College officials. A bystander or a reporting individual acting in good faith that discloses any incident of intimate partner violence, stalking, or sexual misconduct to SUNY Poly officials or law enforcement will not be subject to SUNY Poly's Student Code of Conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual misconduct.

Confidentiality: How SUNY Poly Will Weigh the Request and Respond

If a reporting individual discloses an incident to a SUNY Poly employee who is responsible for responding to or reporting a Category II violation, but wishes to maintain confidentiality or does not consent to the College's request to initiate an investigation, the Title IX Coordinator must weigh the request against SUNY Poly's obligation to provide a safe, non-discriminatory environment for all members of the campus community, including the reporting individual.

SUNY Poly will assist with academic, housing, employment, and other reasonable and available accommodations to the reporting individual regardless of their reporting choice. While reporting individuals may request accommodations through several College offices, the Title IX Coordinators will serve as primary point of contact to assist with these measures. SUNY Poly also may take proactive steps to combat prohibited behavior in a general way that does not identify the reporting individual or the situation that was disclosed. Because SUNY Poly is under a continuing obligation to address the issue of sex discrimination campus-wide, reports of Category II prohibited behavior (including non-identifying reports) may also prompt the College to consider broader remedial action – such as increased monitoring, supervision or security at locations where the prohibited behavior occurred; increasing education and prevention efforts, including to targeted population groups; conducting climate assessment surveys; and/or revisiting College policies and practices.

SUNY Poly will seek consent from a reporting individual of an alleged Category II violation prior to conducting an investigation. A reporting individual may decline to consent to an investigation and can request confidentiality, even if SUNY Poly has received notice of the incident. The request for confidentiality will be honored unless SUNY Poly's failure to act does not adequately mitigate the risk of harm to the reporting individual or other members of the SUNY Poly community. Honoring a reporting individual's request for confidentiality may limit SUNY Poly's ability to meaningfully investigate and pursue conduct action against the accused.

When weighing an individual's request for confidentiality, SUNY Poly will review the available information and consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation in prohibited behavior on behalf of the accused from previously noted behavior;

- Whether there is increased risk that the accused will commit additional acts of violence;
- Whether the accused used a weapon or force;
- Whether the reporting individual is a minor;
- Whether SUNY Poly possesses other means to obtain relevant evidence such as security footage or physical evidence;
- Whether the report reveals a pattern of perpetration at a given location or by a particular group;
- Whether the prohibited conduct was committed by multiple respondents;
- Whether the respondent has admitted to the conduct.

In cases in which the Title IX Coordinator grants the reporting individual's request for confidentiality, the alleged incident will be documented with the Title IX office. If a future pattern develops, SUNY Poly has the right to re-examine the incident.

When the Title IX Coordinator has sufficient information to demonstrate SUNY Poly has a responsibility to address the prohibited behavior, SUNY Poly may move forward with a full investigation and conduct process. SUNY Poly will not require a reporting individual to participate in any investigation or conduct proceeding. SUNY Poly will inform the reporting individual prior to starting a full investigation and will take immediate action as necessary to protect and assist them.

Report/Complaint

Any member of the SUNY Poly community may make a complaint or offer information concerning a potential Category II violation of the Student Code of Conduct. A student may make a report against another student, an employee, a student organization or group, or a third party. The procedure SUNY Poly utilizes to address these reports may vary, depending on who the report is against.

Allegations of prohibited behavior may be submitted to SUNY Poly's Title IX Coordinators or the Director of Community Standards:

*Students who wish to speak **confidentially** about an incident may contact a confidential resource as designated in SUNY Poly's Options for Confidentially Disclosing document available at <https://sunypoly.edu/titleix/policies-procedures>*

Privacy vs. Confidentiality

SUNY Poly offices and employees who cannot guarantee confidentiality will maintain a reporting individual's privacy to the greatest extent possible. The information a reporting individual provides to a non-confidential resource will be relayed to the Title IX Coordinator. SUNY Poly will limit any disclosure as much as possible, even if the Title IX Coordinator determines that a request for confidentiality cannot be honored.

The Role of the Title IX Coordinator

The Title IX Coordinator is responsible for the investigation of Category II violations as outlined in the Student Code of Conduct. The Title IX Coordinator(s) will collect and review the information available. The Title IX Coordinators are not advocates or advisors, but will assist both the reporting individual and respondent by providing information about support and advocacy services and available accommodations. The Title IX Coordinator does not serve as a member of the Administrative or Hearing Board that determines if the complaint is substantiated.

Advisor

The reporting individual and respondent are permitted to have one advisor of their choice present with them at any investigation meeting, conduct meeting, and/or at a hearing. An advisor may privately consult with and advise their advisee throughout the investigation and conduct process, but may not speak on behalf of the student, question witnesses, disrupt the proceeding, present information to the hearing body, or otherwise directly participate in any investigation or conduct

process. An advisor may be any person the reporting individual or respondent chooses. During all investigation and conduct meetings and hearings, reporting individual and respondent may request a brief recess to consult with their respective advisor, which may be granted at the discretion of the conduct officer or chairperson of the Hearing Board, unless the recess would be unreasonably disruptive.

Accommodations

SUNY Poly will take steps, where necessary, to support the reporting individual throughout the investigation and conduct process, including implementing appropriate temporary or administrative measures, as outlined in Section Four: Temporary and Administrative Directives. SUNY Poly will also take appropriate action to support the respondent throughout the process.

SUNY Poly may grant reasonable and available accommodations that effect a change in academic, housing, SUNY Poly employment, transportation and other applicable arrangements in order to address safety concerns, separate the reporting individual and respondent, prevent retaliation, and avoid an ongoing hostile environment. Accommodation requests can be made to the Title IX Coordinator or Director of Community Standards, and are subject to their review and approval.

As the investigation and conduct process for a Category II case is advancing, the Title IX Coordinator may, at their discretion, put restrictions in place when providing an accommodation. These restrictions may include, but are not limited to, altering a student's academic schedule, restricting parties from attending class/classes, re-assigning parties to a different class section, allowing parties to attend their scheduled class but with restrictions, restricting parties from certain areas of campus, restricting parties from campus but allowing parties to fulfill class requirements via internet, restricting or altering the dates/times/locations/hours permitted to work, scheduling the use of specific spaces (i.e. dining halls), restricting attendance at SUNY Poly sponsored or supervised functions, graduation or other ceremonies.

A student who has been issued a directive as a result of an accommodation shall be entitled to a prompt review of the need for and terms of the directive. Any party seeking a review shall submit a written request with supporting documentation to the Vice President for Student Affairs. The decision of the Vice President for Student Affairs shall be final.

Retaliation

No member of the SUNY Poly community shall retaliate, intimidate, threaten, coerce or otherwise discriminate against a person who reports a Category II violation, files a complaint, serves as a witness, or assists or participates in the investigation or conduct process in any manner. Participants who experience retaliation should report the incident to the Title IX Coordinator, Director of Community Standards, or Vice President for Student Affairs. Any substantiated act of retaliation may result in sanctions or other student conduct action as outlined in the Code, College policies, and/or the conduct procedures pursuant to the applicable collective bargaining agreements.

Investigation

A preliminary investigation of a report may precede a full investigation. During the preliminary investigation, the Title IX Coordinator will provide the reporting individual with information about the investigation and conduct process and will seek the reporting individual's consent to investigate (as outlined in the Confidentiality: How SUNY Poly Will Weigh the Request and Respond portion of this section). The Title IX Coordinator will interview the reporting individual and collect information relevant to the incident.

In cases in which (1) the reporting individual elects to file a formal complaint or (2) the reporting

individual requests confidentiality but the College has determined it has a responsibility to address the prohibited behavior, the Title IX Coordinator will review the information and determine if there is sufficient information available to move forward with the conduct process. If adequate information was obtained in the preliminary investigation to give reasonable cause to believe a Category II violation may have occurred, the Title IX Coordinator will proceed with a full investigation.

Notice of Potential Conflict: If a full investigation is being pursued, both the reporting individual and respondent will receive notification in writing, of the name of the Title IX Coordinator assigned to the investigation of the case. Within 24 hours of this notice, the reporting individual or respondent may request in writing that the Title IX Coordinator be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The Vice President of Student Affairs will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

The preliminary review of a complaint, including any temporary or administrative directives to be put in place, will generally be completed within 20 days of receipt of the complaint. The subsequent, comprehensive review and investigation of the complaint, including interviews and gathering of evidence, will generally be completed within 40 days of receipt of the complaint.

The full investigation will not begin until the reporting individual files a formal complaint with the Title IX Coordinator. In cases in which the reporting individual has requested confidentiality but SUNY Poly has determined an obligation to address the prohibited behavior, the full investigation will not begin until written notification of this determination has been issued to the reporting individual.

After the Title IX Coordinator understands the nature and scope of the complaint, they will send notice to the accused that a complaint has been filed and will include the date, time, location, and factual allegations concerning the violation(s), as well as the respondent's rights and other information about the investigation and conduct processes. The respondent will be instructed to contact the Title IX Coordinator within 48 hours of receiving the notice to schedule an initial interview. If the respondent fails to contact the Title IX Coordinators within 48 hours of the notice, the Title IX Coordinator may proceed with the investigation.

The Title IX Coordinator will meet with the reporting individual and accused separately when conducting the investigation. Both the reporting individual and respondent will be asked to provide any relevant documentation or supporting information (including but not limited to text messages, phone logs, video or audio recordings, photographs, social media posts or messages, letters, emails) and identify potential witnesses relevant to the complaint.

The Title IX Coordinator will interview witnesses deemed relevant to the complaint and will collect and review documentation and evidence provided by the witnesses.

Production and Review of the Investigation Report

Where a full investigation is being pursued, the Title IX Coordinator will produce a written investigation report, which both the reporting individual and the respondent will be provided an opportunity to review in draft form. The report will include a summary of the statements of each person interviewed, the relevant documentation, and other information reviewed by the Title IX Coordinator. The reporting individual and respondent will be permitted to provide clarifying comments to the portions of the report in which their own statements are summarized. They will also be permitted to respond to the content of the report and to propose questions to be asked of the

witnesses and the other party to the complaint. The Title IX Coordinator will review the comments and questions submitted by the reporting individual and the respondent, if any, and will determine whether the report should be modified and/or if further investigation is necessary.

All information and documentation provided by either the reporting individual or the respondent, or by a witness(es) interviewed in the course of an investigation, may be included in the final investigation report and shared with the reporting individual, respondent, and appropriate College officials.

Once the investigation is complete and a final report is generated, the report is provided to the Director of Community Standards. The Director of Community Standards will review the report and determine if conduct action will be taken. If conduct action is pursued, the Director of Community Standards will provide the accused with notice of applicable charges and shall initiate an Administrative or Board Hearing.

Notice of Charge

A student or student organization charged with an alleged violation of the Code will be provided written notice of the charge(s) and will be required to meet with a conduct officer. Unless circumstances prohibit, the respondent shall be provided notice of the charges within ten (10) business days of the Office of Community Standards' receipt of the final investigation report from the Title IX Coordinator. Written notice of charges includes information about the circumstances surrounding the potential violation including, where available, the date, time, location and factual allegations, as well as a student's rights under SUNY Poly's conduct process. In the notice, the case will be assigned either level I or level II status depending on the nature of the violations:

- a. **Category II Level I** - A Category II conduct case in which potential sanctions do not include suspension, expulsion or removal from College housing will be designated as a Level I case. Cases involving an allegation of sexual harassment, sexual exploitation or non-consensual sexual contact may be assigned a Level I status, which would be resolved through an administrative hearing. The conduct officer will review the severity of the alleged conduct for sexual harassment, sexual exploitation, and non-consensual sexual contact cases and determine whether, based on the information obtained through the investigation, the case should be elevated to a Level II charge.
- b. **Category II Level II**- A Category II conduct case in which possible sanctions include but are not limited to suspension, expulsion or removal from College housing will be designated as a Level II case. Any case involving an allegation of non-consensual sexual intercourse, dating violence, domestic violence, or stalking will be automatically assigned Level II case status. These cases are assigned to a Board Hearing, except in cases in which the respondent accepts responsibility. If a respondent accepts responsibility for a Category II Level II violation, an administrative hearing will be used instead of the Board Hearing.

Both the reporting individual and respondent will receive the name of the conduct officer assigned to the case in the notice of charge letter. Within 24 hours of this notice, the reporting individual or respondent may request in writing that the conduct officer be removed on the basis of bias or conflict of interest, and set forth the specific basis for the request with supporting information. The Vice President of Student Affairs will determine whether the challenge has merit and respond to the request in writing within two (2) business days.

Student Conduct Hearings

A hearing provides both the reporting individual and respondent the opportunity to present

information for review by either a conduct officer or the Board. There are two types of hearings: Administrative Hearings and Board Hearings.

All hearings will be recorded by the Office of Community Standards. Deliberations held during a Board Hearing shall not be recorded. The reporting individual or respondent to a conduct case may request in writing to review to the hearing record. Cameras or other reproduction equipment, other than SUNY Poly's recording device, are not permitted in a student conduct hearing, unless as a result of a preapproved reasonable accommodation.

Administrative Hearing

An administrative hearing is a hearing in which a conduct officer meets with the respondent to review the relevant information, including the final investigative report prepared by the Title IX Coordinator, charges, and the student conduct process. During the administrative hearing, the conduct officer will determine whether the respondent violated the Code and will assign sanctions if appropriate.

The respondent is required to schedule an administrative hearing with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the administrative hearing, the respondent must notify the conduct officer no less than 24 hours prior to the scheduled hearing and request to reschedule. In the event a respondent does not schedule, reschedule, or fails to attend an administrative hearing, an additional conduct charge of "failure to comply" (Section Three: Prohibited Behavior, #18) may be added.

Should the respondent fail to schedule or attend an Administrative Hearing, the conduct officer will give the respondent two (2) additional business days, with written notice, before proceeding. An additional charge of failing to comply may be added to the charge(s). The Administrative Hearing will then be held in the student's absence. The student will be assumed to have entered a claim of Not Responsible to each allegation and forfeits their ability to present evidence on their behalf. Findings and sanctions, if applicable, will be based on the information and not upon the accused student's failure to appear. A student may submit a written request with supporting documentation to the conduct officer showing good cause for failing to appear. The conduct officer will review and make a determination as to whether a new hearing will be granted; otherwise, the decision of the hearing shall stand.

Except in the case of a student charged with failing to obey the summons of a hearing body or College official, no respondent may be found to have violated the Student Code of Conduct solely because the student failed to appear before the hearing body.

At the hearing, the conduct officer will ask the respondent if they are responsible or not responsible for the alleged charge(s). If the respondent accepts responsibility, the conduct officer will assign sanctions.

If the respondent does not accept responsibility, the conduct officer will review the case and based on preponderance of the evidence will make a decision, including assignment of sanction(s), when necessary.

If the respondent has been found responsible for one or more violations, the reporting individual and the respondent each shall have the opportunity to provide an impact statement prior to the conduct officer's deliberation on appropriate sanctions. Impact statements outline the reporting individual's or respondent's thoughts or opinions regarding an appropriate sanction. The conduct officer is not

bound by these statements in determining sanctions.

The conduct officer will send a letter to the respondent and the reporting individual documenting the outcome and any sanctions imposed within five (5) business days of the administrative hearing, except when additional time is necessary for extenuating circumstances as determined by the Vice President for Student Affairs. The respondent and reporting individual may appeal the outcome and/or sanctions as outlined in Section Eight: Appeals.

SUNY Poly may place a hold on the records or registration of any accused or respondent who fails to respond to a SUNY Poly investigation, conduct notice, or fulfill any sanctions previously issued. SUNY Poly may take other action necessary for resolution of a case prior to the accused's or respondent's enrollment in a subsequent semester, transfer or graduation. All pending conduct matters must be resolved prior to a student's graduation, transfer from or continued education at SUNY Poly.

Board Hearing

The Board Hearing will be conducted by a panel ("the Board") comprised of students, faculty and/or staff which reviews student conduct cases. The Board is appointed by the Vice President of Student Affairs on an annual basis. A quorum of five (5) Board members to include at least two (2) students and two (2) staff and/or faculty members shall be required for a Board Hearing. One member of the Board will be designated as chair by the Director of Community Standards.

Level II cases are resolved through a Board Hearing, except in cases in which the respondent accepts responsibility for the alleged violation(s). If a respondent accepts responsibility for a Category II Level II case, an administrative hearing will be used instead of the Board Hearing.

Prior to the Board Hearing, the respondent is instructed to schedule a pre-hearing meeting with the conduct officer within five (5) business days from the date of the notice of charge letter. If the respondent needs to reschedule the pre-hearing meeting, the respondent must notify the conduct officer no less than 48 hours prior to the scheduled meeting and request to reschedule the meeting. In the event a respondent does not schedule, reschedule, or fails to attend the pre-hearing meeting, the conduct officer will move forward with scheduling the Board Hearing.

Under the Board Hearing process, if there is a reporting individual, that individual will also be instructed to schedule in a pre-hearing meeting.

At the pre-hearing meeting, the following information related to the Board Hearing is reviewed:

- **List of Hearing Board members:** The reporting individual and the respondent will be provided with the names of the Hearing Board members and an opportunity to challenge the participation of any board member on the basis of bias or conflict of interest. A challenge of a Board member must be made in writing to the conduct officer within 24 hours of receipt of the Notice of Hearing and must state the specific reason(s) for the challenge. The conduct officer will determine whether the challenge has merit and notify the reporting individual and the respondent of the decision within two (2) business days. The College reserves the right to change the board composition at any time, with notice and an opportunity to challenge a Hearing Board member's participation.
- **Case specific information:** The conduct officer will provide the reporting individual and respondent with a final opportunity to review the Board Hearing case file, which includes the final investigative report prepared by the Title IX Coordinator, with supporting documentation as applicable. The reporting individual and the respondent shall be permitted

to submit additional information, if deemed relevant by the conduct officer and/or Title IX Coordinator, for the Hearing Board case file no later than the three (3) days prior to the hearing. The other party shall be provided the opportunity to review the information prior to the hearing. Other relevant documents or evidence the reporting individual and/or the respondent submits less than three (3) business days prior to the hearing will be reviewed by the conduct officer and/or Title IX Coordinator who can a) exclude evidence that has not been shared with the other party, b) adjourn the hearing to afford all parties the opportunity to review evidence to be presented, and/or c) conduct further investigation. The conduct officer and/or the Title IX Coordinator will make the final decision relating to the admissibility of all information and/or evidence.

- **Witnesses:** The reporting individual and the respondent may request that witnesses attend the Hearing Board if it can be shown that such witnesses have relevant information. The Director of Community Standards will be responsible for the notification of witnesses to attend the Board Hearing. The reporting individual and respondent will be permitted to ask questions of the witnesses through the Hearing Board, via the chairperson. All witnesses are subject to the right of questioning by the Hearing Board, and may be recalled at any time during the hearing for additional questions. While character witnesses are prohibited from participating in an administrative or board hearing, written statements prepared by character witnesses will be considered during the sanctioning phase of a hearing. Character witnesses' written statements must be submitted no later than three days prior to the hearing and shall not exceed one page each.
- **Accommodations:** The Title IX Coordinator, conduct officer, and/or Hearing Board, for good cause, may accommodate concerns for the personal safety, well-being, and/or fears of confrontation on of any party during the Board Hearing by providing separate facilities, using a visual screen, and/or permitting participation by telephone, videotape, or other means as determined by the Title IX Coordinator. These alternative arrangements are subject to the rights of both the reporting individual and respondent, and must enable the Hearing Board, respondent, and reporting individual to communicate in real time.
- **Role of the Complainant:** The complainant acting on behalf of the College presents evidence and witnesses pertaining to the case.
- **Procedure for Multiple respondents:** In cases involving more than one respondent, the Director of the Office of Community Standards will generally conduct the Board Hearings jointly. A respondent may submit a written request for an individual hearing to the Director of Community Standards. If a separate hearing is granted, information obtained in one respondent's hearing may be used at another respondent's hearing provided that each respondent has the opportunity to review and respond to the information.

The conduct officer shall schedule a Board Hearing within ten (10) business days of the pre-hearing meeting unless special periods (e.g., holidays, breaks) dictate otherwise. The reporting individual and respondent shall be notified of the time and place of the Board Hearing at least four (4) business days prior to the hearing.

During the hearing the respondent, complainant, and reporting individual, if any, will be given the opportunity to make opening and closing statements, present witnesses and ask relevant questions. Following the closing statements, the Board will begin their deliberations.

All deliberations are closed and shall include only the Hearing Board members. The chairperson of the Board will serve as a facilitator during the deliberation. A review of information will be conducted by the Hearing Board to determine respondent's non-responsibility/responsibility as to each of the charges. The decision shall be made by a majority vote (abstentions are not permitted)

of the Hearing Board. A decision of responsibility shall be made only if the allegations contained in each charge have been established by a preponderance of the evidence.

If the Board has found the respondent responsible for one or more violations, the respondent and the reporting individual each shall have the opportunity to make an impact statement before the Board prior to the Board's deliberation on appropriate sanctions. Impact statements outline the reporting individual's or respondent's thoughts or opinions regarding an appropriate sanction. The Hearing Board is not bound by these statements in determining sanctions. After impact statements are made, the respondent, reporting individual, and their respective advisors are dismissed.

The chairperson will then summon the conduct officer. The conduct officer will provide the Board with a student's conduct record, if any, for consideration by the Board for the purposes of issuing sanctions. The conduct officer will be dismissed by the chairperson prior to the start of the deliberations. The Board shall agree by majority vote (no abstentions) on appropriate sanction(s). The chairperson will communicate the Board's decision regarding the respondent's responsibility and a recommendation of appropriate sanction(s) to the Director of Community Standards. The Director of Community Standards is required to accept the Hearing Board's decision with respect to responsibility/non-responsibility, unless the decision is arbitrary and capricious. Where the respondent is found responsible for one or more charges, the Director of Community Standards is not required to accept the Hearing Board's recommendation of appropriate sanctions. Specifically, the Director of Community Standards may reduce the sanctions recommended by the Hearing Board, but may not increase the sanctions.

Within five (5) business days following the adjournment of the hearing, the Hearing Board's decision will be communicated in writing to the reporting individual and the respondent concurrently by the Director of Community Standards. Written notification will contain the name of the respondent; whether the respondent has been found responsible or not responsible for charge(s) of a Category II violations; the rationale for the decision, and the sanction imposed, if any. College policy neither encourages nor discourages further disclosure of the decision letter by either party. The notification shall also inform both the reporting individual and the respondent of the appeal process, which includes any possible changes to the outcome that may occur before it becomes final, and when the outcome becomes final.

Section Seven: Sanctions

In keeping with SUNY Poly's values, any sanction(s) imposed is for the purposes of educating students and student organizations about the seriousness of their action(s), deterring subsequent violations, and promoting civility and positive growth, while maintaining the safety and integrity of SUNY Poly.

SUNY Poly recognizes that not all violations of the Student Code of Conduct are the same. As a result, SUNY Poly reserves the right to impose differing sanctions. When considering appropriate sanctions the conduct officer or the Board will consider the following information:

- the nature and severity of the conduct;
- the respondent's prior conduct history;
- the impact of the conduct;
- how the College has sanctioned similar incidents in the past; and
- whether the respondent has accepted responsibility.

SUNY Poly's Sanctioning Guidelines, which are utilized by the hearing bodies in order to ensure consistent and fair sanctions, are available for review at <https://sunypoly.edu/student->

[conduct/sanction-guidelines.htm](#). Sanctions become effective once the conduct officer issues notice of the outcome and sanctions to the respondent and/or student organization. The imposition of sanctions will normally be deferred while appeals are pending, though temporary directives will continue until there is a final outcome. The Vice President of Student Affairs may suspend the conduct officer's/Hearing Board's determination or make such other interim modifications to the determination as may be appropriate in their judgement. Failure to complete a sanction may result in a registration, transcript, and/or diploma hold being placed on the students account.

When there is a finding of responsibility one or more of the following sanctions may be imposed:

- A. **Disciplinary Warning**: An official communication that the Code has been violated and more severe disciplinary action may follow if the respondent is found responsible for further violations.
- B. **Disciplinary Probation**: A higher level sanction issued due to the serious nature of the violation. Probation shall be for a designated period of time. If the respondent is found to be in violation of any College policies during the probationary period, heightened sanctions may be imposed. At the discretion of campus offices and programs, respondents on disciplinary probation may be ineligible for employment and/or participation in certain activities.
- C. **Final Probation**: A final notice to the respondent that may be imposed, depending on the severity of the violation when a respondent a) violates the Code while on disciplinary probation, and/or b) fails to complete previously imposed sanctions. At the discretion of campus offices and programs, students on final probation may be ineligible for employment and/or participation in certain activities.
- D. **Deferred Residence Hall Suspension**: A final notice to the student that indicates a further violation of the Code may result in residence hall suspension or residence hall expulsion. This sanction is used when the respondent is found responsible for multiple violations of the Residence Hall policies, fails to complete previously imposed sanctions, or adhere to previously imposed conditions.
- E. **Residence Hall Suspension**: A disciplinary sanction in which the respondent is removed from campus housing and restricted from the buildings and grounds of the residential complexes for a defined period of time, after which the student is eligible to return. Conditions for readmission shall be specified in the outcome letter. The respondent will be responsible for all assessed charges including room and board.
- F. **Residence Hall Expulsion**: A disciplinary sanction which results in the permanent removal of the student from campus housing and permanent restriction from the buildings and grounds of the residential complexes. The respondent will be responsible for all assessed charges including room and board.
- G. **Change in Residence Hall Assignment**: A written directive to relocate to an alternative residence hall assignment.
- H. **Suspension**: A disciplinary status that results in the respondent's temporary separation from the College for a specific amount of time. A suspended respondent is assigned persona non grata status (See Section Four: Temporary and Administrative Directives) for the duration of the suspension. If needed, conditions for readmission shall be specified in the outcome letter. Respondents who are suspended during an academic semester will be withdrawn from all coursework with a (W) grade and be responsible for all assessed charges including tuition, fees, room and board. Suspension from the College will result in a notation on the respondent's academic record. (See Section Seven: Sanctions, Transcript Notation).
- I. **Expulsion**: A disciplinary status, which is the permanent separation of the student from SUNY Poly. An expelled student is assigned persona non grata status (See Section Four: Temporary and Administrative Directives). Respondents who are expelled during an academic semester will be withdrawn from all coursework with a (W) grade and be responsible for all assessed charges including tuition, fees and room and board. Expulsion from the College will result in a notation

on the respondent's academic record. (See Section Seven: Sanctions, Transcript Notation).

- J. **Loss of Privileges**: A disciplinary status in which the respondent is denied specific privileges for a designated period of time. Loss of privileges may include, but are not limited to:
 - 1. A restriction from possessing particular items on campus;
 - 2. A restriction from a particular College building, facility, or space;
 - 3. A restriction from a particular social event or membership in a student organization;
 - 4. A restriction from hosting visitors and/or guests;
 - 5. Deactivation of a student organization, including SUNY Poly recognition, for a specified period of time;
 - 6. Other restrictions as assigned.
- K. **Restitution**: Payment for loss, damage, or injury. This payment may take the form of monetary reimbursement or the cost for appropriate service or compulsory program.
- L. **Community Restitution**: Service to SUNY Poly, service to the greater community or other related discretionary assignments subject to prior approval of the conduct officer.
- M. **Behavioral and/or Mental Health Assessment**: By a specified date, a respondent must complete a behavioral and/or mental health assessment and follow through with all recommendations made as a result of the assessment.
- N. **Behavioral Agreement**: A plan established by the conduct officer that clearly defines behavioral expectations and standards that the respondent is required to abide by.
- O. **Discretionary Sanctions**: Other related sanctions that meet the approval of the conduct officer, that include but are not limited to:
 - 1. Letter of apology;
 - 2. Essay or research paper on assigned topic;
 - 3. Program presentations;
 - 4. Substance abuse education program;
 - 5. Educational/training program or workshops.
- P. **No Contact Order**: A written directive prohibiting contact with another protected person, either directly or through a third party. If the respondent and the protected person observe each other in a public place, it is the responsibility of the respondent to leave the area immediately and without directly contacting the protected person.

Sanctions for Category II Prohibited Behavior

This section establishes the available sanctions, as described above, for Category II: Sexual and/or Gender Based Discrimination and Misconduct violations.

Transcript Notation

A respondent's transcript will be subject to conduct notation for all cases in which the sanction imposed is expulsion or suspension from SUNY Poly. This includes, but is not limited to, cases in which a respondent is found responsible for an act of violence that meets the reporting requirements found in the Clery Act at 20 U.S.C. § 1092 (f)(1)(F)(i)(I)-(VIII) Part 1. The notation will state that the respondent was "*suspended after a finding of responsibility for a Code of Conduct violation*" or "*expelled after a finding of responsibility for a Code of Conduct violation.*" The date the sanction was imposed will also be noted on the transcript.

An accused student who withdraws from SUNY Poly while an investigation is pending or after being charged with a Code violation will not be exempt from conduct action. If a student withdraws during a preliminary review or investigation, a hold may be placed on the student's account which will prohibit the student from registering for classes and/or being able to obtain an official transcript until the case is resolved.

If a respondent withdraws from SUNY Poly while conduct charges are pending and declines to complete the conduct process, SUNY Poly shall notate on the respondent's transcript "withdrew with conduct charges pending."

An appeal seeking removal of a transcript notation for a suspension should be submitted, in writing, to the Vice President of Student Affairs with written documentation showing rehabilitation or other good cause for transcript notation removal. The decision of the Vice President for Student Affairs on whether to remove the notation is final. If the appeal for the removal of the transcript notation is granted, the notation shall not be removed prior to one year after conclusion of the suspension. If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

A transcript notation of expulsion is a permanent notation of the transcript and shall not be removed.

Section Eight: Appeals

An appeal is a request for a review of an outcome of a student conduct case. An appeal does not rehear a conduct case, but rather, determines if the conclusion reached in the original hearing is valid based on specific grounds.

Request for an Appeal

A student may submit a request for an appeal in writing to the Office of Community Standards. The grounds for filing an appeal are limited to the following:

- a. The rights of the respondent(s), student organization(s) or reporting individual(s) were violated in the student conduct process as outlined in Section Six: Student Conduct Procedures;
- b. New evidence is discovered that was not available at the time of the Administrative or Board Hearing was held;
- c. The evidence presented does not support the decision;
- d. The sanction(s) imposed were not appropriate for the violation.

A student's request for an appeal must include specific reference to the grounds on which they are filing the request and must include supporting information. A request for an appeal must be submitted to the Office of Community Standards no later than close of business on the fifth (5th)

business day following the date the notice of outcome was issued. Failure to appeal within the allotted time will render the original decision final and conclusive.

Procedures for an Appeal

If the appeal request is timely and meets the aforementioned grounds, an Appellate Board will be convened within five (5) business days of receipt of the request for an appeal. An Appellate Board is comprised of three (3) Appellate Board members of which at least one (1) student and at least one (1) faculty or staff member. The Vice President of Student Affairs shall appoint the membership as necessary. One member of the Appellate Board shall serve as the chairperson. Members of the Appellate Board must deliberate in a fair and impartial manner and may not have a conflict of interest. The Appellate Board deliberations are not recorded.

An appeal shall be limited to a review of the record of the conduct hearing, the hearing case file, and the content of the appeal request including any supporting documentation. The appeal will be reviewed based on the preponderance of evidence standard. The reporting individual and the respondent will generally not have the opportunity to meet with the Appellate Board unless, in the Appellate Board's discretion, a meeting would serve to clarify an issue related to the appeal.

The Appellate Board shall choose one of the following courses of action after review of the information:

- A. Uphold the hearing decision and implement the sanction(s), if any;
- B. Uphold the hearing decision, but change the sanction(s);
- C. Overturn the hearing decision and, if appropriate, implement sanctions;
- D. Grant a new Board Hearing;
 - 1. When a new hearing is granted, the record of the previously conducted hearing will not be introduced or provided to members of the Hearing Board, except, at the discretion of the Hearing Board's chair, to challenge contradictory testimony.

The Appellate Board shall report their decision via letter to the Director of Community Standards within three (3) business days of their review. The Director of Community Standards shall communicate the decision of the Appellate Board to the reporting individual, respondent, or student organization within three (3) business days of receipt of the board's decision. If the Director of Community Standards determines that the Appellate Board's decision is arbitrary or capricious, the Director of Community Standards may send it back to the Appellate Board for further review.

If the reporting individual or respondent submits an appeal request of a Category II case outcome, the non-requesting party will receive notice that an appeal was submitted and will be afforded the opportunity to submit a written response to the requesting party's appeal within five (5) business days of the notification. Should both the respondent and the reporting individual both file an appeal, the appeals will be considered concurrently. Both the reporting individual and respondent of Category II cases will be notified of the appeal decision within thirty days of when the appeal review took place. The decision shall be final.

Final Appeal

A respondent may appeal the decision of the Appellate Board to the SUNY Poly President only when the sanction involves suspension or expulsion. This appeal must be submitted to the SUNY Poly President by close of business on the fifth (5th) business day following the date the Appellate Board decision letter is issued to the respondent by the Director of Community Standards. If the President

agrees to consider an appeal, in their sole discretion, they shall be provided and may consider the records of the Appellate Board, Board Hearing, hearing case file and such written submissions and oral arguments as the President requests. The President shall make such determination as they deem appropriate and the decision shall be final.

Section Nine: Timelines for Student Conduct Process

All deadlines and time requirements in the Code may be extended for good cause as determined by the Director of Community Standards and/or the Title IX Coordinator. If there is a delay, notification will be sent in writing to both the reporting individual and the respondent with a new date for future deadlines or events.

Summer Timeline for Cases

During the period between the fall and spring semesters, cases will be handled per the timelines established in Section Six: Student Conduct Procedures.

Generally for Level I Cases, if the incident under review occurred during the spring semester but was unable to be resolved prior to the end of the semester, the conduct officer and/or Title IX Coordinator will contact the student to participate in the investigation process and administrative hearing, when applicable, in person, via phone, or other electronic medium. While the conduct officer will make reasonable accommodations to enable a student's attendance, students are required to attend the investigation meetings and the administrative hearing or may be subject to a hold on their school records and/or registration. In the hearing, the conduct officer will review the complaint, make a determination regarding the respondent's responsibility/non-responsibility, and assign applicable sanctions. The respondent is able to appeal the decision of the conduct officer as stated in Section Eight: Appeals.

Generally for Level II Cases, if the incident under review occurred during the spring semester but was unable to be resolved prior to the end of the semester, the conduct officer and/or Title IX Coordinator will contact the accused to participate in the investigation process and Board Hearing, when applicable, in person, via phone, or other electronic medium. If the accused does not accept responsibility in a Level II case, the conduct officer will at their discretion convene a Board Hearing at the earliest possible time. Should there be a compelling and legitimate reason, as determined by the Director of Community Standards, that the case cannot be resolved during the summer, a Board Hearing will be held at the beginning of the fall semester. Cases where the accused could potentially be subject to suspension or expulsion may have financial consequences as outlined in Section Seven: Sanctions. For Level II cases in which the accused accepts responsibility, the case will be referred for an Administrative Hearing.

If the student is known to be attending SUNY Poly during the summer session or residing on campus when an incident occurs, the case shall be handled under the procedures that apply during the regular academic year as referenced in Section Six: Student Conduct Procedures. Any appeal of a decision made at this level that does not include suspension or expulsion shall be heard at the beginning of the next academic semester.

Section Ten: Notifications and Records

Notification of Guardians of Student Conduct Action/FERPA

In accordance with the Family Educational Rights and Privacy Act of 1974, SUNY Poly may release information pertaining to individual student conduct cases to appropriate College personnel and to

parents/guardians of dependent students. Unless otherwise allowed by FERPA, information from a student's conduct file will not be made available without the student's written consent.

Maintenance of Records

There shall be a verbatim record, e.g., audio recording, of all hearings. The record shall be the property of SUNY Poly and will be retained for seven (7) years from the end of the academic year in which the conduct case was resolved, except in a matter of suspension or expulsion, in which case the record is maintained indefinitely.

Interpretation and Revision

Any question of interpretation regarding the Student Code of Conduct will be referred to Vice President for Student Affairs for final determination. The Student Code of Conduct will be reviewed annually under the direction of Vice President for Student Affairs.

Authorization

Education Law of the State of New York (Section 356) establishes a College Council for each unit of the State University of New York with power to make regulations governing the behavior and conduct of students at each respective campus. This Student Code of Conduct has been reviewed and approved by the College Council of SUNY Polytechnic Institute.

Public Order

In addition to the Student Code of Conduct, all SUNY Poly students are also governed by the Rules for the Maintenance of Public Order on College Campuses. These rules are implemented in compliance with section 6430 of the Education Law and comprise Part 535 of Title 8 of NYCRR.
