Freshman and transfer application checklist

This application packet is for freshman and transfer applicants to The University of Arizona who are U.S. citizens or permanent residents. If you are applying for readmission to UA, or as a non-degree-seeking student, or as an international student, this is not the correct application for you. Please go to admissions.arizona.edu/apply to apply using the appropriate application.

A complete application for a freshman or transfer student MUST include:

- Completed online or paper application.
- Official transcript(s). Transcripts are official only if sealed in an envelope by your counselor or registrar. An official high school transcript must be submitted if you are under age 22 or if otherwise required. Transfer students: Official transcripts from all colleges and universities attended, even if credit was not established, must be submitted directly from those institutions. Students whose names have changed should ensure their current name is included on all transcripts.

Send transcript(s) to: Office of Admissions
The University of Arizona
PO Box 210073
Tucson AZ 85721-0073

- Official test scores for freshman applicants from the SAT Reasoning Test and/or the ACT. To submit your scores electronically, write code 4832 (SAT) or code 0096 (ACT) on the test reservation form. Scores posted on your high school transcript are also acceptable. Applicants may be admitted without test scores, but scores need to be on file to be considered for scholarships or admission to The Honors College and for placement into foundation course work at New Student Orientation.
- Application processing fee of \$50 (Arizona resident) or \$65 (non-Arizona resident) or an eligible fee waiver. This fee is nonrefundable and nontransferable.

If you are home-schooled, provide a transcript or portfolio of course work and SAT Reasoning Test or ACT scores.

If you have earned a GED certificate, provide official GED test results.

Application deadlines

Freshman application deadlines

Summer session — May 1 Fall semester — May 1 Spring semester — November 1

Apply for admission and financial aid as early as possible during your senior year of high school. Applications submitted or completed after the applicable deadline may not be considered. Apply for housing, orientation, and summer programs immediately after admission. Your future housing assignment will be based on your housing application date and other factors, not on your UA admission date.

Transfer application deadlines

Summer session — May 1 Fall semester — June 1 Spring semester — November 1

Apply one semester before you intend to enroll. Applications submitted or completed after the applicable deadline may not be considered. Application deadlines for specific majors may be earlier. We encourage you to contact appropriate departments or visit their Web sites for more specific information about application deadlines and/or additional admission requirements.

Visiting UA

We know that one visit can make all the difference! We encourage you to visit the UA and learn firsthand what it is like to live and study here. We offer a variety of options for you to experience our dynamic and diverse campus, including student-led campus tours; Class Cats, the program that puts you in real UA classes with a current student host; and UA Up Close, our comprehensive daylong, on-campus academic overview and UA community open house. Student-led tours are generally

offered twice a day on weekdays and once on Saturdays. Class Cats requires a four week notice in order to pair you with a student host. UA Up Close programs are held on designated days throughout the year. Reservations are required and can be made at admissions.arizona.edu/visit. For more information, call the Office of Admissions at 520.621.3237. We look forward to welcoming you on campus soon!

College majors and contacts

Identify the undergraduate major you wish to pursue at The University of Arizona and indicate your intended college and major in question 20 on page 8 of your application. Be sure to review the entire page to determine the major that most appropriately matches your interest(s). Read college headings and major-related footnotes to learn more about possible additional requirements for your major and to avoid delays in processing your application.

FRESHMAN: The College of Engineering reviews applications of interested students. We use the following criteria to assess applicants for admission:

- math and composite scores for SAT and ACT
- academic GPA, class rank
- rigor of high school courses (honors and AP/IB classes)
- performance in math and science classes
- participation in engineering/science camps, clubs, classes
- personal essay

Admitted engineering students will be identified as 'Undecided' engineering. Prior to Orientation, students will be contacted by the College of Engineering asking them to name their engineering major.

TRANSFER: To be considered for admission to engineering, applicants must have a recalculated minimum GPA of 2.5 or higher and transferable Calculus I credit. The GPA is recalculated on coursework applicable to the engineering curriculum.

Freshman Admission Guidelines

Our Promise – A Comprehensive Review

The admissions team at The University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student's academic profile. Factors such as class rank, strength of curriculum, performance in curriculum, grade point average in required core academic courses, and ACT and/or SAT test scores will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning much more about the student's preparedness, motivation, and potential in the unique context of their experience. The inclusion of a short answer, personal narrative section to the UA application gives prospective students the opportunity to include unique life experiences and personal achievements in their application file. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many Arizona students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they are an Arizona resident, attend a regionally accredited high school, rank in the top 25 percent of their graduating class, and have no course work deficiencies as prescribed by the Arizona Board of Regents (see table on page 6).

Merit-based Aid: More than \$24 million in scholarship aid from private donors, corporations and institutional sources is awarded annually. For information on scholarship opportunities, go to financialaid.arizona.edu/scholarships.

Need-based Aid: File your Free Application for Federal Student Aid (FAFSA) to receive consideration for need based grants, scholarships, work study and to receive discounted, low interest loans. In order to be considered for the widest possible array of need based aid, submit your FAFSA by the appropriate UA priority date.

The FAFSA is available at www.fafsa.ed.gov.

Remember to include UA's institutional code of 001083.

Financial Aid Estimator:

Our financial aid estimator is a Web-based tool that can help you see, if you are an incoming freshman, how college financial aid can make the dream of a university education an affordable reality. To estimate the dollar amount of financial aid you might qualify for, go to financialaid.arizona.edu/money/estimate.aspx for details.

Arizona applicants who do not meet the Assured Admission criteria and all applicants not considered Arizona residents will be considered for admission through comprehensive review.

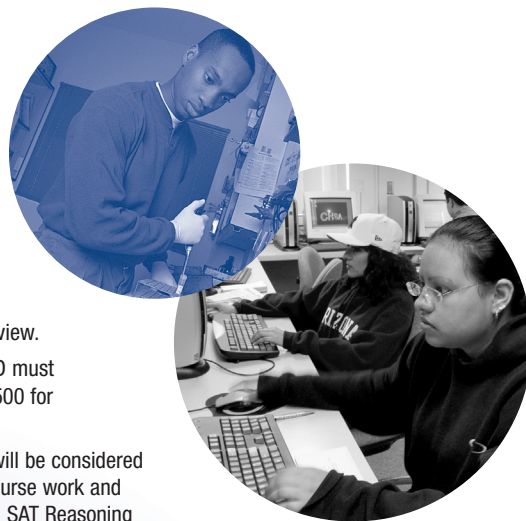

Students who take the GED must earn an average score of 500 for admission consideration.

Home-schooled students will be considered on the basis of portfolio/course work and comprehensive review and SAT Reasoning Test or ACT scores.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be offered admission in another program for which they qualify. For a complete program listing, please visit www.arizona.edu/degrees/undergrad-degrees.php. Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

A separate application is required for Strategic Alternative Learning Techniques (SALT), the UA's enhanced learning support program. For a fee, SALT provides individualized academic support and educational planning to maximize the success of students with learning and attention challenges. For more information, call 520.621.8493 or visit their Web site at www.salt.arizona.edu. You must apply to both the University and the SALT Center.

Transfer Admission Requirements

Arizona residents and non-Arizona residents under age 22 may be admitted with both of the following:

- Cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed
- No more than one course work deficiency in two subject competency areas satisfied with high school and/or college work (see table on page 6) and not in both math and lab science

Arizona residents and non-Arizona residents aged 22 or older may be admitted with the following:

- Cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed

Arizona residents will be admitted with one of the following:

- Successful completion of the Arizona General Education Curriculum, AGECE, and a minimum cumulative GPA established by the Arizona Board of Regents
- An associate or higher degree from a regionally accredited institution of higher education and a minimum GPA of 2.0 (on a 4.0 scale)

Non-Arizona residents: Admission is competitive.

Transferring credits: After a student is admitted, the Registrar's Office or the Office of Admissions will evaluate the transferability of credits from other institutions.

Students must earn a C or better in a transferable college-level course for it to be accepted.

To learn more about how you can satisfy any course work deficiencies with transferable college courses, refer to question 14 and the table on page 6 of this application, paying particular attention to the right-hand column of the table.

General instructions

- Read the application instructions and information carefully.
- Apply early. We start reviewing an application as soon as we receive all required materials. The earlier you submit your complete application, the earlier you will receive a decision. Applications cannot be reviewed until they are complete.
- Submit the application processing fee: \$50 for Arizona residents or \$65 for non-Arizona residents. This fee is nonrefundable and nontransferable. Applications are valid for one term only. Fee payment options include check, money order, credit card, or eligible fee waiver. If you plan to pay the application fee by credit card, it is best to apply online. Meet with your counselor if you believe you qualify for an application fee waiver.
- If you choose to apply using a paper application, submit the application and additional required materials and mail in. Remember to sign your application and keep a copy of all documents for your records.

- If you feel that your academic performance in high school or college was adversely affected by special circumstances, summarize the information on a separate sheet (include dates where applicable).
- This application is for freshman and transfer applicants who are U.S. citizens or permanent residents. International students (non-immigrants) should call 520.621.3237 or visit admissions.arizona.edu/International.html.
- The University of Arizona South, or UA South, is a branch campus of The University of Arizona, serving southern Arizona as part of the University's land grant mission. UA South offers upper-division graduate courses and degree programs at the Sierra Vista Campus, an office in the City of Douglas, an office in the City of Nogales, at Pima Community College East Campus, and at the UA Science and Technology Park. For information regarding completing your degree through UA South, please call 520.458.8278, ext. 2120, or visit uas.arizona.edu.
- To request a disability-related accommodation in the admission process, e-mail us at admissions@arizona.edu or call us at 520.621.3237.

1. Will I be considered for admission?

Yes. We review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu/apply or call 520.621.3237 for more details.

2. What are the different ways I can apply?

As an undergraduate degree-seeking applicant, there are two ways you can apply for admission. The preferred method for you to apply is

online using the Ways to Apply page admissions.arizona.edu/apply. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application.

3. Why do you ask for my Social Security number?

We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

4. I am a freshman applicant. What are the main factors you will consider in the comprehensive review of my application file?

We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents, as well as your personal statement.

5. Do I need to have a certain test score in order to be considered for admission?

No, there is no minimum required test score. If you do not provide test scores, you may be asked to submit test scores to the review committee for a more comprehensive and complete review of your application for admission. Test scores are important factors in comprehensive scholarship review. Also, some colleges or majors may require test scores in order to consider applicants for admission to their specific program of study. Essay portions of the ACT and SAT are not required for admission consideration.

6. If my high school does not rank, can I still be considered for admission?

Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. How many college units do I need to have completed in order to be considered as a transfer applicant?

In order to be considered for admission as a transfer applicant, you must have completed a minimum of 24 transferable semester credits/units by the time you apply and have graduated from high school or earned a high school diploma.

8. I am a freshman applicant.

Why do you ask me for a personal statement?

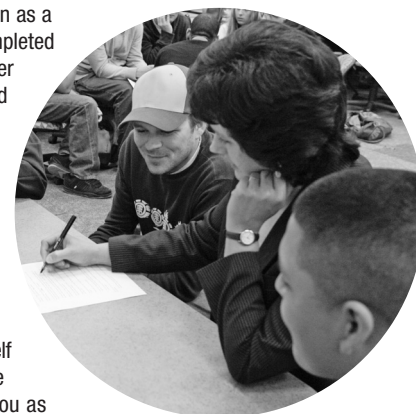

First and foremost, we would like to offer you a distinctive voice in your application. This gives you an opportunity to share more about yourself than just your academic profile. We use the statement to learn more about you as an individual – your unique talents, experiences, achievements, views, background, interests, goals, preparation and motivation.

9. What are the average academic profiles of last year's entering freshman and transfer classes?

The freshmen entering the UA in the fall of 2008 had an average unweighted GPA of 3.36, an average combined SAT critical reading and math score of 1096, and an average ACT composite of 23.6. The average unweighted GPA for new transfers from two- and four-year institutions is 3.08.

10. What if I have a question about which application processing fee I should pay, the Arizona resident or non-Arizona resident amount?

If you are not certain about which application processing fee to pay, the \$50 or the \$65, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/residenc.htm. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will waive.)

11. When will I be notified about my admission decision?

Once we have your complete application, including all required additional materials, it usually takes 4-6 weeks for application processing and review to be completed and for your notification to be sent. See the checklist on the inside cover of this booklet for a description of a complete application.

12. What do I do after I am admitted?

After earning admission to The University of Arizona you will be asked to pay your enrollment deposit, confirming your intention to become a new Wildcat. Your admissions package will include the next steps. This publication will help you navigate your next steps including housing options, financial aid, and registering for New Student Orientation.

13. How can I contact the Office of Admissions?

You can reach us by telephone, e-mail, facsimile, live chat from our web page, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Call Center at 520.621.3237. Our email address is admissions@arizona.edu. If you wish to send us a fax, please use 520.621.9799. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, The University of Arizona, PO Box 210073, Tucson, AZ 85721-0073.

14. How do I satisfy the academic course work requirements or competencies, as a freshman or a transfer applicant?

All freshman applicants and transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents' course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, righthand column.* If you have met a subject area in high school, you do not need to satisfy college course work requirements in that area for admission purposes.

15. When may I apply for UA housing and submit my housing preferences?

Applications for housing in UA residence halls are accepted only from students who have been admitted to the University. The most popular housing choices fill up quickly, so apply for housing as soon as possible after you are admitted. Housing applications for admitted Wildcats to the Fall 2010 term will become available online at www.life.arizona.edu in October 2009. You may also wish to contact Residence Life directly by telephone at 520.621.6501, by e-mail at housing@life.arizona.edu, and/or online at www.life.arizona.edu.

a) Below indicate your preferred college and/or major from the list in the application booklet. **(Refer to page 3 to make this selection.)**

Note: If you are interested in pre-law or pre-medicine, you may choose any major.

b) If you do not choose an undergraduate major or leave this section blank, UA will enter your intended major as undecided, CLAS: Colleges of Letters, Arts and Sciences.

c) Some majors require additional application materials and criteria for consideration. **(See page 3 for descriptions.)** For example, majors must be declared for students interested in pursuing programs in art, dance, media arts, music, and theatre arts. Also, applicants to these College of Fine Art majors should visit web.cfa.arizona.edu or call 520.621.1301 for additional application requirements.

Select a UA Major* _____

21. If you selected a major within the Colleges of Architecture, Engineering or Fine Arts:

Please select an alternate major in a college different from your first college selected **(refer again to page 3 to make this selection)**. Students who are not eligible for admission to their first choice major/college will be considered for admission to their alternate major/college. If you do not indicate an alternate intended major and you are not admitted to your first choice major, you will be considered for admission to the major of undecided, CLAS: Colleges of Letters, Arts and Sciences.

Alternate UA College _____ Alternate UA Major* _____

***Majors/Minors:** Please note that UA admits applicants to only one major. Should you wish to pursue a double major or major/minor combination, you will be able to arrange this after you enroll.

22. If you are interested in one of the following pre-professional programs, mark the appropriate one:

- Pre-dental Pre-optometry
 Pre-law Pre-veterinary
 Pre-medicine

These pre-professional programs are not majors. Students interested in these programs should mark the appropriate circle and refer to the majors on page 3 to select a major.

23. High school academic history (If you attended more than one, list most recent.)

Name of high school	City	State
Dates attended	Date of graduation (month & year)	

24. Do you intend to apply for financial aid, loans or on campus employment? Yes No

Your response is not a factor in your admission decision.

25. Residency information must be supplied by each person applying for admission to The University of Arizona.

Contact the Residency Classification Office, 520.621.3636, or by email to rco@u.arizona.edu if you have questions about your residency status or visit www.registrar.arizona.edu/residency/residenc.htm. NOTE: If your residency status is unclear, you must complete a domicile affidavit (www.registrar.arizona.edu/forms/domicileaffidavit.pdf). **Omission of information will default your status to non-Arizona resident classification.**

Do you consider yourself a resident of Arizona? Yes No Uncertain

Your self-reported answer here will be used for application and admission purposes. If you claim Arizona residency, your status will be considered pending until you have completed the online Domicile Affidavit. Your classification for tuition purposes will be determined based on the more detailed information received in the Domicile Affidavit and may be different from your self-reported status.

26. Have any members of your immediate family attended and/or graduated from UA (including those currently attending UA)? Yes No

27. Is any member of your immediate family a UA employee or an employee of another university in the Arizona university system? Yes No

28. Have either of your parent(s) or guardian(s) earned a bachelor's degree or higher? Yes No

29. Are you interested in being considered for admission to The Honors College? Yes No If yes, answer the following question and submit it on a separate piece of paper, with your name and DOB in the upper right-hand corner. (All applicants will be considered. This is an additional opportunity to express interest.)

What, in your opinion, is the most difficult challenge facing your generation, and how might a university education make a difference?
Please limit your response to 250 words.

Note: By completing this essay for Honors consideration, you no longer need to complete the Personal Statement at the end of this application.
