Studying in Istanbul

Istanbul has a wonderful location spanning the European and Asian continents across the Bosphorus Straits. Throughout history, this unique location made Istanbul politically, commercially and culturally a very important city. Once the capital of the Byzantine and Ottoman empires, Istanbul has great historic monuments, a commercial culture that is still very much alive and a cosmopolitan culture that welcomes all. Istanbul is also an education hub with 58 universities currently operating and hosting 600,000 international students. Living and studying in Istanbul is a great experience with so many places to see and so many things to do.

As Napoleon said, "If the whole world were one country, Istanbul would be its capital".

About IAU

Students' Top Choice IAU is the most preferred Foundation University in Turkey both by Turkish students and international students.

Focus on Competency IAU emphasizes professional competency in its teaching. Students have internships integrated into their curricula and applied training opportunities through the many industry partnerships of IAU.

Technological Campus IAU has engineering and health sciences laboratories equipped with the latest technology, as well as art and design workshops and studios. Every classroom is equipped with smart boards and podiums.

International University IAU has an international campus with more than 3,750 international students from 102 countries. IAU also offers numerous study abroad opportunities to all its students with its foreign partner universities.

Comprehensive University IAU offers a academic programs in Associate's, Bachelor's, Master's and Doctoral levels. (Along with English & Turkish Prep School)

City University IAU's main campus in Florya offers easy access to the many social and cultural activities in Istanbul through public transportation.

IAU International Istanbul Aydın University is committed to internationalization of its student body and academic programs. IAU Directorate of International Relations is responsible for managing and developing international activities and collaborations. Various offices under the directorate run the student exchange programs such as Erasmus+ and Mevlana, study abroad programs, international summer and winter programs, full-time student recruitment activities, international student support services and Turkish language courses for international students.
