

# Diploma in Physiotherapy

(KP/JPS(MQA/PA3112)5/19)

**Students will learn to treat patients holistically whilst minimizing risks, ensuring patient's safety and working within a legal and ethical setting.**

**Duration:  
3 Years**

## Why study this programme?

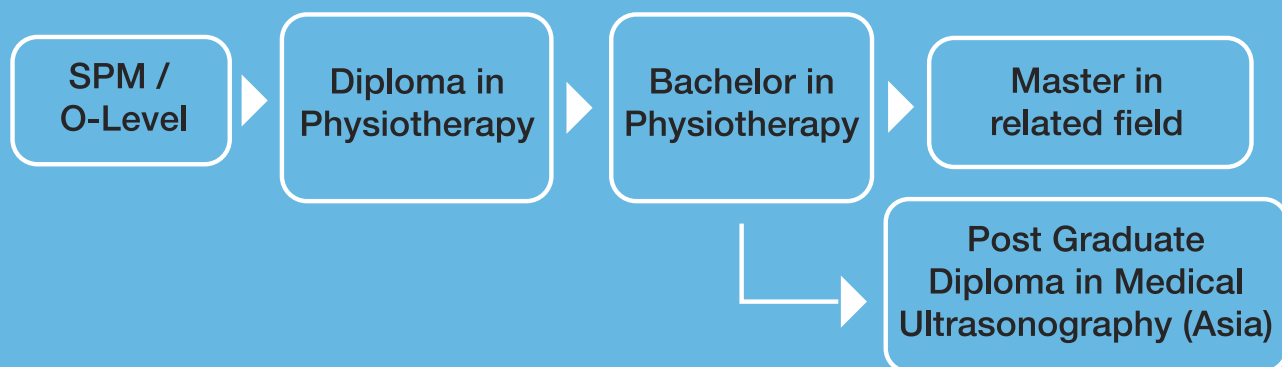

The rapid growth in non-invasive medicine in recent years coupled with an ageing population have heightened the demand for specialists especially in the niche area of rehabilitative care and physical therapy. As an ever-evolving industry, physiotherapists can expect to experience new breakthrough in their line of work. For instance, physiotherapists at the Royal Rehab Hospital are studying robotics technology to enable quadriplegics to walk again.

Further, physiotherapists have the luxury of a dynamic career as they may venture into various fields including sports injury and rehabilitation, cardio-respiratory, orthopedic, pediatrics, musculoskeletal or chiropractic. Due to the myriad of patient portfolios, prospective physiotherapist can be assured of an extremely exciting career. The programme is approved by the Malaysian Qualifications Agency, thus enabling the graduates to secure rewarding career, or to further their studies at any institution of higher learning.

# Entry Requirements

- Pass in SPM / SPMV / UEC or equivalent with at least 5 credits in Bahasa Malaysia, English, Mathematics, 1 science subject (Biology/Physics/Chemistry/General Science/Applied Science/Health Science) and 1 other subject; or
