Diploma in Nursing

(KP/JPS(A9163)7/20)

The strong emphasis in nursing theoretical knowledge and hands-on training ensures our graduates would be fully competent as Registered Nurses as well as giving them an advantage in employment.

**Duration:
3 Years**

Why study this programme?

As one of the most noble and respectable professions, nursing is all about the patient, whose quality of life or survivability often correlates with the level of efforts from the nurse. Despite significant job pressure, majority of nurses continue to cite high levels of job satisfaction as they strive to improve and save lives. Steady breakthroughs in medical research continue to enhance life expectancy, thus, resulting in stability, job security and stronger demand for nurses. Advancement opportunities are substantial for more ambitious and enthusiastic nurses as they can choose to specialize in areas of Pediatrics, Midwifery, Obstetrics, Geriatrics, Intensive Care Medicine and Oncology amongst many others. Newly qualified nursing graduates will be registered under the prestigious Malaysian Nursing Board.

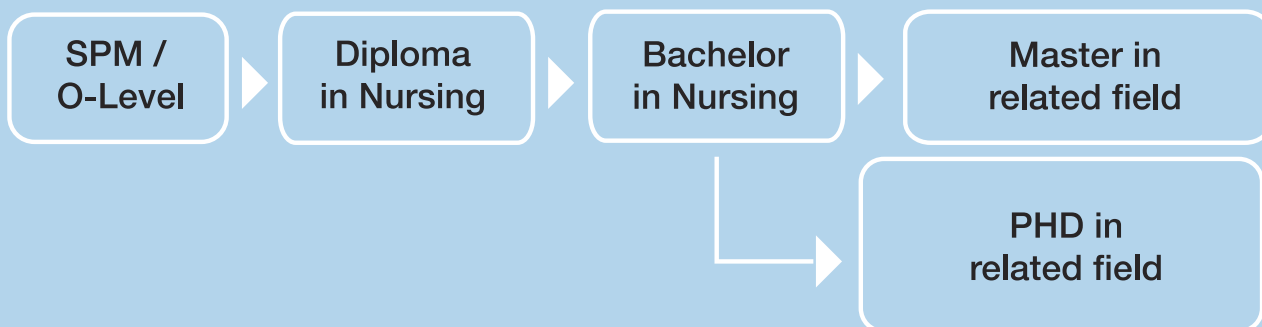

Vision College's Nursing Department prides itself with a hundred percent passing rate in the Malaysian Nursing Board Examinations and with students securing nursing positions locally and abroad upon graduation. The programme is approved by the Malaysian Qualifications Agency, thus enabling the graduates to secure rewarding career, or to further their studies at any institution of higher learning.

Entry Requirements

- Pass in SPM or equivalent with at least 5 credits in Bahasa Malaysia, Mathematics, 1 science subject (Biology/Physics (must pass Biology)/Chemistry (must pass Biology)/General Science) and 1 other subject with a pass in English; or

“Malaysian nurses are highly-regarded in Saudi Arabia and they earn 60% to 70% more pay than other Asean and non-Western nationals working in Saudi Arabia. Their tax-free salaries are up to four times more than what they earned back home in addition to their expatriate status.”

-Mohamed Sultan, former director of University Hospital (now University Malaya Medical Centre)
