DIPLOMA OF LEADERSHIP & MANAGEMENT

Ever had trouble persuading someone to do something, even if it was in their best interest? Learn how to influence others when you're at the "pivot point of influence" by applying 28 scientifically confirmed methods. Whether you're influencing at work or at home, you'll learn what the best influencers do before they influence, see how to choose the best steps for your situation, and have people want to be influenced by you... and so much more...

Learn what emotional intelligence is, how it factors in at work and discover concrete techniques for raising your own emotional quotient (EQ). This includes perceiving yourself accurately, exercising emotional self-control, practicing resilience and developing empathy

This course shows you how to make crucial and insightful connections between your company's needs and the future, and those in the market you operate in and the customers you serve.
