INTERNATIONAL STUDY CENTRE

THE PLACE OF USEFUL LEARNING

WELCOME

Strathclyde is a leading international technological university and our reputation and influence is global. With a community of more than 22,000 students, studying at Strathclyde is a fantastic experience, where you will enjoy flexible, innovative learning and excellent facilities.

We are renowned for our excellent teaching, world-class research and our strong links with industry, government and business. In addition to our exceptional range of industrial placements, internships and scholarships, Strathclyde offers a host of clubs and societies, volunteering opportunities and membership of Scotland's largest Students' Union.

Brian Green
Deputy Associate Principal
(Learning and Teaching)
University of Strathclyde

Studying at the University of Strathclyde International Study Centre is the first step on an exciting journey. Our programmes are specially tailored to provide you with the skills, knowledge and confidence that you need for a degree at the University of Strathclyde.

We pride ourselves on being able to offer you a great student experience with a high level of academic and pastoral support from our dedicated team here.

I look forward to meeting you on campus, and hope that you will enjoy studying alongside other like-minded students as you prepare for your future career.

Sarah Naismith

THE PLACE OF USEFUL LEARNING

The University of Strathclyde International Study Centre provides specialist degree preparation for international students.

Our programmes combine academic modules, study skills and English language training. These skills are designed to provide you with the best opportunity to succeed when you progress onto your degree programme at the University of Strathclyde.

The University of Strathclyde is an informed choice for the ambitious student seeking to achieve a recognised degree within a practical learning environment. Thanks to high subject rankings in key areas and a strong reputation with employers for producing top quality graduates, studying at Strathclyde will be the perfect springboard for your career success.

The multi award-winning Law Clinic is the **first and biggest law clinic in Scotland**

HOME OF INNOVATION

Strathclyde students follow in the footsteps of extraordinary people, whose work is having a major impact around the world.

Some of the University's acclaimed former students include John Logie Baird – inventor of television, James Blyth – who built the world's first electricity-producing wind turbine, and Henry Faulds, the originator of fingerprint identification.

Other significant inventions and discoveries by Scots include asphalt, the telephone, pneumatic tyre, the refrigerator, radar, penicillin, the steam engine, thermos flask, the toaster, golf, electric clock, the pedal bicycle, electromagnetics, and insulin.

Strathclyde aims to provide you with excellent and innovative teaching, learning technologies and facilities. The University is investing £650 million in its campus over 10 years, including a £31 million investment in a Sport, Health and Wellbeing facility open from 2018.

If you want to be on the cutting edge of innovation and discovery, Strathclyde is the place to be!

FANTASTIC LOCATION

The University of Strathclyde is located in the city centre of Glasgow, one of the UK's largest and most dynamic cities.

Glasgow's diversity, friendliness, quality of life and reasonable cost of living make it a perfect location to live and study.

Glasgow facts

- 1,800 cafés and restaurants
- Over 20 museums and galleries
- More than 100 music events every week
- Over 90 public parks and green spaces
- UNESCO City of Music
- Top 20 'Best of the World' destination (National Geographic Traveller 2016)
- Voted 'World's Friendliest City' (Rough Guides 2016)

Glasgow has excellent transport links to the rest of the UK, Europe and overseas, which means Glasgow is a prime location, no matter where you would like to go.

Living in Scotland

Scotland is renowned for its breathtaking landscape, with magnificent mountain ranges and castles. You can enjoy activities such as hill walking, skiing, mountain biking, water sports and paintballing.

To find out more about living in Glasgow, please visit www.strath.ac.uk/isc/location

Living in Glasgow you get the
benefits of being in a city so a
lot of things are available to you
but there are not too many crowds.
I love shopping here.

THE WORLD IS YOUR CAMPUS

A close-up photograph of a woman wearing a yellow hard hat and a high-visibility yellow safety vest. She is looking through the eyepiece of a surveying instrument, likely a total station or theodolite. Her eyes are closed, suggesting concentration. The background is blurred, showing other parts of the instrument and possibly other people in a workshop or field setting.

With practical learning opportunities, modern facilities and options to study abroad, Strathclyde offers a learning experience like no other.

Thanks to a wide range of practical learning experiences, including internships and work experience placements that provide students the skills and experience needed in today's job market, Strathclyde is a top 10 UK university for graduate employment (The Destinations of Leavers from Higher Education Survey 2015).

The Faculty of Engineering has one of the largest scholarship programmes in Europe, giving opportunities for paid vacation placements and internships with a range of engineering companies.

Studying abroad can open the door to new experiences and skills that will enhance your employment prospects. You can spend up to one year of your degree studying at a partner university in Europe, North America, Australia, New Zealand, Hong Kong, Singapore and Japan.

9th in the UK for
Civil Engineering

The Times and The Sunday Times Good University Guide 2018

CAREERS & EMPLOYABILITY

You have access to Strathclyde's Careers Service from the day you join the University until graduation, and beyond.

Strathclyde's Careers Service is ranked in the top four of a UK-wide survey of higher education institutions. The team can support you with job searches, postgraduate study applications, CV preparation and interview techniques. They can also help you to identify career paths that could suit your qualifications, experience and skills.

Your studies have been designed to help you develop your full potential and become highly employable. You will benefit from long-established partnerships with industry, business, and the voluntary and public sectors, both locally and around the world.

The Technology and Innovation Centre located on campus is home to companies such as GlaxoSmithKline, AstraZeneca, SSE, ScottishPower and the Weir Group.

When you graduate you join a global community of more than 150,000 former students, including scientists, explorers, engineers, entrepreneurs, policy-makers, inventors and educators.

Studied Undergraduate Foundation Programme in Business and Social Studies
Graduated with Hospitality, Tourism and Management BA (Hons)

I feel proud and the International Study Centre and the University of Strathclyde made me really ready to face challenges. They made me get ready for a career by doing workshops and practice job. ...Now I've got an internship at PwC Middle East.

THE UNIVERSITY OF STRATHCLYDE INTERNATIONAL STUDY CENTRE

Your pathway to the University of Strathclyde

This is an example timeline. Some exceptions may apply.
Find out more on the following programme pages.

The University of Strathclyde International Study Centre offers pathway programmes that provide international students with the academic and English language skills to undertake a degree at the University.

You will be part of the University from the day you start at the International Study Centre. As well as benefiting from resources at the International Study Centre, you will have access to all University facilities such as the Library, Centre for Sport & Recreation and Students' Union.

The International Study Centre introduces you to the style of teaching that you will experience when you progress on to your degree at Strathclyde. This includes tutorials, seminar-style classes and large group lectures.

You will receive personal monitoring and support during your studies at the International Study Centre. You will be assessed regularly throughout the course to help us monitor your progress. You will also benefit from individual tutorial sessions to help you address any concerns or areas you need to focus on.

.....
Programme options

Depending on your academic background, English language level and age, you can choose from three programmes:

- Undergraduate Foundation Programme
- International Year One BBA
- Pre-Masters Programme

.....
Career skills for success

To help you to fulfil your career ambitions once you graduate, we have integrated a careers service called CareerAhead into the programmes at the International Study Centre. The service is designed to help you become a confident, highly skilled and extremely employable graduate and give you a head start in today's competitive graduate employment market.

.....

92% of International Study Centre students who completed their course were offered a place to study at the University of Strathclyde in 2017

UNDERGRADUATE FOUNDATION PROGRAMME

A pathway to the second year of a four-year undergraduate degree at Strathclyde.

The Undergraduate Foundation Programme is specially designed for international students. It provides English language and academic support that prepares you fully for undergraduate degree study.

You can choose from two pathways, and both foundation routes are modular in structure. You will study core modules and route-specific modules designed to focus on the academic areas most useful for your degree.

Once you have completed the programme and achieved the required grades¹, you can start the second year of your chosen degree at the University.

BUSINESS AND SOCIAL STUDIES PATHWAY

Core modules

Academic English Skills, Business Law, Mathematics and Statistics

Route modules

Business:

Accounting, Economics 1 & 2, Finance

Social Studies:

You will choose two pairs from the following: Economics 1 & 2, Law 1 & 2, Politics 1 & 2, Psychology 1 & 2

ENGINEERING AND SCIENCES PATHWAY

Core modules

Academic English Skills, Pure Mathematics 1 & 2

Route modules

The modules you will study depend on what subject you are planning to study at Strathclyde.

Biomedical Science:

Biology 1 & 2, Chemistry 1 & 2

Chemical & Process Engineering:

Chemistry 1 & 2, Applied Mathematics 1, and one from the following: Applied Mathematics 2, Physics 1 or Physics 2

Chemistry:

Chemistry 1 & 2, and one from the following pairs: Applied Mathematics 1 & 2 or Physics 1 & 2

Computing:

Computing 1 & 2, and one from the following pairs: Physics 1 & 2 or Chemistry 1 & Physics 1

Electronic & Electrical Engineering, and Computer & Electronic Systems: Computing 1 & 2, Physics 1 & 2

All other Engineering subjects, and Physics: Applied Mathematics 1 & 2, Physics 1 & 2

Nariman from Oman

Studied Undergraduate Foundation Programme in Business and Social Studies
Progressed to Finance BA (Hons)

I chose to study at the University of Strathclyde because I think one of the most important decisions for a student is to choose the best place. Because I'm doing business, it was very important to choose one of the top business schools in the UK, and Strathclyde is one of those universities.

INTERNATIONAL YEAR ONE BBA

A pathway to the second year of a three-year Bachelor of Business Administration (BBA) degree at Strathclyde.

The International Year One BBA is equivalent to the first year of an undergraduate degree. It consists of study modules that have been especially designed to focus on the academic areas most useful for your degree.

Once you complete the programme and achieve the required grades, you can enter the second year of a three-year Business Administration (BBA) degree in Strathclyde Business School, one of the 77 business schools in the world to hold triple accreditation status (MBA Today News, 2017).

Core modules

Academic English Skills, Accounting and Finance, Economics, Global Business in Context, Marketing in Action, Mathematics for Business and Decision Making, People in Organisations, Personal Awareness Communication and Employability Skills.

The Destinations of Leavers from Higher Education Survey 2015

STRATHLIFE

From a state-of-the-art library to one of Scotland's most dynamic student unions – Strathclyde has everything you need for an amazing student experience.

The University offers a range of opportunities for you to experience student life in Glasgow. You can access all of these opportunities when you are in the International Study Centre.

Get involved

Getting involved in the activities at the Students' Union is a huge part of university life. It is a great way to meet people and a fun way to gain skills and experience valued by employers.

Join in

- 10-floor Union building with bars, restaurants and a café
- More than 145 clubs and societies
- Nearly 50 sport and fitness clubs
- Student Media Centre
- Strathclyde International Society

The University Centre for Sport & Recreation provides fitness classes, squash courts, a gym and free weights training area, a cardiovascular suite, a swimming pool, and a playing field with pitches for football, rugby and hockey.

A new £31 million Sport, Health and Wellbeing facility is expected to open in summer 2018. It will include a six-lane swimming pool, a large gym area and specialist academic space for teaching and research.

The University's Information Services support your university experience with first-class IT facilities and services, including campus PCs, IT support and training, student web portal and virtual learning environment.

The University Library has a wide variety of areas suitable for individual or group study work, around one million print volumes, more than one million electronic books and over 105,000 e-journals.

SUPPORT & ACCOMMODATION

WE ARE HERE FOR YOU

Starting university, meeting new people and discovering a new way of learning is exciting. We are here to support and help you make the most of your time at the International Study Centre and Strathclyde.

We aim to create a friendly atmosphere at the International Study Centre. Staff are very helpful. They always go the extra mile, making the pastoral care and support you will receive at the International Study Centre excellent. Students also say that they feel welcomed, safe, confident and part of Strathclyde from day one.

When you progress to the University, you will benefit from a range of services designed to help you overcome any challenges you may experience. These include the Information & Advice Team, Student Financial Support Team, Chaplaincy, Disability Service, Counselling Service, and Student Health Service.

You will also have your own Study Adviser and the Study Skills Service helps all students enhance their academic performance, across all academic disciplines.

HOME AWAY FROM HOME

Living on campus is a great way to settle into life away from home and to make new friends.

Each hall of residence is only a few minutes' walk from the International Study Centre and main University buildings, and all enjoy excellent access to facilities, including the library, Students' Union and the Sports Centre.

All the accommodation is self-catering, with a dedicated on-site management team and a night porter outside office hours. All rooms have free internet access.

For more information, including virtual tours, please visit www.strath.ac.uk/isc

HOW TO APPLY

If you would like to apply to study at the University of Strathclyde International Study Centre, you will need to complete an application form and submit the relevant documentation.

You can either apply through your local education agent or directly via our website.

If you are applying directly and have a question, then a Student Enrolment Adviser will be happy to help. They speak a variety of languages and understand several more.

T: + 44 (0) 1273 339333

For more information, please visit www.strath.ac.uk/isc

Student insurance

We strongly recommend that international students have the protection of personal insurance whilst in the UK. To cover you as a student at the International Study Centre, you may wish to purchase our "StudyCare Insurance Plus" insurance cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.

Progressed to Economics and Finance BA (Hons)

Before I arrived in Scotland, I thought, 'Am I going to make any friends? Am I going to make my family proud? Will I be okay alone?' But it has been good! The International Study Centre helped me a lot, especially with accommodation, and also my studies. They helped me to feel comfortable, and to feel at home, and to stop worrying about things.

Disclaimer

This prospectus is issued for the general guidance of students considering entry to the University of Strathclyde International Study Centre from September 2018. The information is correct at the time of going to press and the programmes and services described herein are those which Study Group is planning to offer. We make every effort to ensure that the content of our prospectus, website and other materials is accurate. However, on occasion it may be necessary to alter certain aspects of a module or programme, for example if changes are required to meet external requirements; or if programmes are over-subscribed and the quality of teaching would be adversely affected as a result.

In such circumstances we may have to alter the timetable, change the teaching location of the programme or, in extreme cases, cancel or substantially amend the content of the programme. Should any of these changes become necessary, we will give you as much notice as possible before they come into effect and ensure that any disruption to your studies is minimised.

If your programme is cancelled, we will work in consultation with you to offer a suitable alternative, subject to meeting the admission requirements for that programme or the opportunity to obtain a refund of any advance payments you have made for the programme. The alternative programme may not be at the same International Study Centre as the original offer.

Study Group reserves the right, where applicable, to amend the regulations governing programmes at University of Strathclyde International Study Centre. We therefore strongly recommend that immediately prior to making any application to - or accepting any offer from - us, you refer to the most up-to-date version of the programme descriptions and specifications and the regulations on University of Strathclyde International Study Centre website.

Neither the University nor Study Group shall be liable for any errors or omissions that may be contained in this prospectus.

NEW LOWER IELTS ENTRY REQUIREMENTS FOR PRE-MASTERS PROGRAMME

From September 2018, a new lower IELTS score will be accepted for entry to pathway programmes at the University of Strathclyde International Study Centre.

Pre-Masters Programme

- IELTS 5.0 overall (with minimum 5.0 in all areas)

English for Pre-Masters Programme

- 1-term: IELTS 4.5 overall (with minimum 4.5 in all areas)
- 2-term: IELTS 4.5 overall (4.5 in reading and writing, and 4.0 in speaking and listening)

This change applies to all upcoming intakes until (and including) April 2019.

Fahad from Oman

Studied Pre-Masters in
Engineering and Sciences
Progressed to MSc Applied Physics

Studying at the International Study Centre was an excellent experience. They have different courses which can help us in our postgraduate studies, including academic writing, research methods, mathematics and statistics.

SUPPORTING YOU THROUGH YOUR APPLICATION AND STUDIES

- No need for IELTS for UKVI to join the pathway programme
- You will need to apply for a short-term study visa for your pathway programme*
- Additional 4 hours of free English classes available per week to help you reach the required level for progression to your chosen postgraduate degree
- There is no need to sit an IELTS test for progression to your postgraduate degree. You will be accepted based on the International Study Centre's Academic English Skills grade
- The University has agreed to show flexibility on postgraduate degree start date to ensure there is enough time to return home to apply for the Masters visa beforehand

95% of Pre-Masters Programme students

who completed their course were offered a place to study at the University of Strathclyde in 2017.

* If you are studying the English for Pre-Masters Programme, you will need to apply for a short-term study visa for each programme. For information please visit www.gov.uk/study-visit-visa.

A PATHWAY TO A WIDE VARIETY OF POSTGRADUATE DEGREES AT STRATHCLYDE

Our Pre-Masters Programme has been designed to focus on the skills and the academic areas most useful for your degree. It will help you meet the challenges of Masters-level study at the University of Strathclyde.

You can choose from two pathways leading to more than 125 degrees across four faculties.

Once you have completed the programme and achieved the required grades, you can start your chosen postgraduate degree at the University.
